SUPPLEMENT TO
OFFICIAL STATEMENT DATED MARCH 26, 2019
relating to
$2,420,000
CITY OF BLYTHEVILLE SALES AND USE TAX BONDS,
SERIES 2019

PLEASE BE ADVISED that the above-referenced Official Statement has been amended and supplemented to reflect that the termination date for the 0.50% sales and use tax pledged to the payment of the Bonds is September 30, 2027, not June 30, 2027 as previously stated.

On page 6 of the Official Statement, the paragraph with the “Security” caption is hereby deleted in its entirety and replaced with the following:

Security. The Bonds are not general obligations of the City but are special obligations, secured by a first and prior pledge of collections of the Tax ("Tax receipts"). See THE TAX. Tax receipts will be used first to pay the scheduled principal of and interest on the Bonds, to pay Trustee’s fees and expenses and other administrative charges and to pay any arbitrage rebate due under Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"). The balance of the Tax receipts will be used for one or both of the following: public safety purposes and payment of obligations with respect to Subordinate Bonds. The Tax will terminate on September 30, 2027. The Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see THE AUTHORIZING ORDINANCE.

On page 8 of the Official Statement, the paragraph with the caption "Generally" is hereby deleted in its entirety and replaced with the following:

Generally. The Tax is levied under Ordinance No. 1814, adopted February 21, 2017, under the authority of Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated. The Tax is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the Authorizing Ordinance, the City has pledged the Tax receipts to the payment of the Bonds. The Tax became effective on October 1, 2017 and will terminate on September 30, 2027.

Finally, on page 9 of the Official Statement, the first sentence of the paragraph with the caption "Historical Tax Receipts" is hereby deleted in its entirely and replaced with the following:

Historical Tax Receipts. The City has collected the Tax since October 1, 2017.

CITY OF BLYTHEVILLE, ARKANSAS

By       /s/       James Sanders

Mayor

The date of this Supplement is April 4, 2019.
NEW ISSUE  
BOOK-ENTRY ONLY

In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Bonds is excludable from gross income for federal income tax purposes, subject to the condition that the City comply with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Bonds, and the Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxes. In the opinion of Bond Counsel, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax and the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code. See LEGAL MATTERS, Tax Exemption herein.

EXHIBIT A - Summary of State Sales and Use Tax Provisions
INTRODUCTION TO THE OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and the exhibit hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of the City of Blytheville, Arkansas (the "City") is furnished in connection with the offering by the City of its $2,420,000 principal amount of Sales and Use Tax Bonds, Series 2019 (the "Bonds"). The Bonds are being issued for the purpose of financing all or a portion of the costs of renovating, expanding and equipping the National Guard Armory for use as a Justice Center to house the police department and district court and other personnel for the administration of justice and any necessary landscaping, drainage, lighting, street and utility improvements therefor (the "Justice Center Improvements") and paying expenses of issuing the Bonds. See THE BONDS, Purposes for Bonds.

The City is a city of the first class organized under the laws of the State of Arkansas (the "State") and is located in Mississippi County, Arkansas (the "County"). The City is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes. See THE CITY AND THE COUNTY.

The Bonds are not general obligations of the City but are special obligations payable solely from collections of a 0.50% sales and use tax (the "Tax") levied by the City. See THE TAX and THE BONDS, Security. The Tax is levied under Ordinance No. 1814, adopted February 21, 2017 (the "Tax Ordinance"), under the authority of Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated. The voters approved the levy of the Tax at an election held May 9, 2017. Collections of the Tax shall be used first to pay obligations with respect to the Bonds, and next for one or both of the following: public safety purposes and the payment of obligations with respect to bonds secured by a pledge of Tax collections that is subordinate to the pledge in favor of the bonds ("Subordinate Bonds").

The issuance of the Bonds and the pledging of the Tax to the payment of the principal of and interest on the Bonds was approved at a special election held May 9, 2017. The Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 1871 of the City, adopted on March 19, 2019 (the "Authorizing Ordinance"). See THE AUTHORIZING ORDINANCE.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of $5,000 or any integral multiple thereof. Interest is payable September 1, 2019, and semiannually thereafter on each March 1 and September 1. Principal is payable at the principal office of Farmers and Merchants Bank, Stuttgart, Arkansas, as trustee and paying agent (the "Trustee"). Interest is payable by check mailed by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Bond may be transferred, in whole or in part (in integral multiples of $5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Trustee. See THE BONDS, Generally.
The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **THE BONDS, Book-Entry Only System**. The Bonds will contain such other terms and provisions as described herein. See **THE BONDS, Generally**.

The Bonds are subject to optional redemption on and after September 1, 2024. The Trustee shall give at least thirty (30) days notice of redemption. See **THE BONDS, Redemption**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax, (iii) the Bonds are “qualified tax-exempt obligations” within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended (the “Code”) and (iv) the Bonds and interest thereon are exempt from all State, county and municipal taxes. See **LEGAL MATTERS, Tax Exemption**.

It is expected that the Bonds will be available for delivery on or about April 30, 2019, through the facilities of the Depository Trust Company, in New York, New York.

The City and the Trustee have entered into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance and the Continuing Disclosure Agreement summarized herein are available upon request from Stephens Inc., 111 Center Street, Suite 2300, Little Rock, Arkansas 72201, Attention: Public Finance.

**THE BONDS**

**Book-Entry Only System.** The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the
Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the City or Trustee, on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC’s book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the City make any representation or warranty regarding the accuracy or completeness thereof.
So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The City and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.

Generally. The Bonds are dated, mature and bear interest as set forth on the cover page hereof. The principal of the Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the City kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Bonds are issuable in the form of registered Bonds without coupons in the denomination of $5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Bond is mutilated, lost or destroyed, the City shall, if not then prohibited by law, execute and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Bond for the privilege of registration, but any owner of any Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the City nor the Trustee shall be required to transfer or exchange any Bonds selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest of any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Bonds are subject to redemption at the option of the City, from funds from any source, on and after September 1, 2024 in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Bonds shall be called for redemption, the particular maturities of the Bonds to be redeemed
shall be selected by the City in its discretion. If fewer than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

In the case of any redemption of Bonds prior to maturity, the Trustee shall mail or send via other standard means, including electronic or facsimile communication, a copy of the redemption notice to the registered owners of the Bonds to be redeemed, in each case not less than 30 nor more than 60 days prior to the date of redemption. After the date for redemption no further interest shall accrue on any Bond called for redemption if funds for redemption of such Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Notwithstanding the above, so long as the Bonds are issued in book-entry only form, if fewer than all the Bonds of an issue are called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. The Trustee will not give any notice of redemption to the Beneficial Owners of the Bonds.

Otherwise, any selection of Bonds by lot shall be effected by the Trustee, by any method chosen by the Trustee in its discretion.

Purposes for Bonds. The Bonds are being issued to finance all or a portion of the costs of the Justice Center Improvements. Construction of the Justice Center Improvements is expected to be completed by August 2020.

The proceeds of the Bonds are estimated to be used by the City as follows:

The payment of Underwriter's discount and the costs of issuing the Bonds relating to the payment of professional fees will be contingent on the Bonds being issued. See MISCELLANEOUS, Underwriting, for a description of the Underwriter's discount. The City will deposit the net proceeds of the Bonds (principal amount plus original issue premium, less Underwriter's discount and certain issuance costs) into a special fund established with the Trustee and designated "Justice Center Construction Fund" (the "Construction Fund"). Moneys contained in the Construction Fund will be disbursed by the City solely in payment of costs of the Justice Center Improvements, paying necessary expenses incidental thereto and paying expenses of issuing the Bonds. Disbursements shall be on the basis of requisitions which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. For a description of how the Bond proceeds are to be invested pending use and the provisions governing those investments, see THE AUTHORIZING ORDINANCE, Investments.
Security. The Bonds are not general obligations of the City but are special obligations, secured by a first and prior pledge of collections of the Tax ("Tax receipts"). See THE TAX. Tax receipts will be used first to pay the scheduled principal of and interest on the Bonds, to pay Trustee’s fees and expenses and other administrative charges and to pay any arbitrage rebate due under Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"). The balance of the Tax receipts will be used for one or both of the following: public safety purposes and payment of obligations with respect to Subordinate Bonds. The Tax will terminate on June 30, 2027. Because there is a two month lag time between the month the retailers collect the Tax and the month in which the City receives Tax collections, the City will receive collections of the Tax through the end of August 2027. The Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see THE AUTHORIZING ORDINANCE.

THE CITY AND THE COUNTY

Location. The City is located approximately 190 miles northeast of Little Rock, Arkansas and 69 miles north of Memphis, Tennessee. The City lies within an area which is considered by a number of seismologists to be subject to major earthquake damage in the event of an earthquake along and in proximity of the New Madrid Fault. Whether an earthquake might occur while any of the Bonds are outstanding, the extent of damage to properties located within the City and the effect upon the City’s ability to pay debt service cannot be predicted.

Population. The population trends for the City and County since 1970 are set forth below:

Litigation. Except as hereinafter provided, there is no material litigation or administrative proceeding pending or threatened against the City.

The City is a defendant in a case styled Carlock v. City of Blytheville, Arkansas, No. 47BCV-14-145.

In 2011, the City was notified by the IRS that it owed $3,817,603 in unpaid taxes, interest and penalties. In response, the voters of the City approved the levy of a 1% sales and use tax for a period of 15 months at a special election held in 2012 (the "2012 Tax"). The City used collections of the 2012 Tax to pay indebtedness to the IRS in the amount of $2,947,853.05. The IRS agreed to abate more than $700,000 in penalties. During the 15 months that the 2012 Tax was levied, the City received collections of the 2012 Tax over and above the IRS debt in the amount of $571,443.52. This amount was used to pay payroll taxes as the same became due. The plaintiff, individually and as representative of a class, alleged that the collection of the 2012 Tax over and above the IRS debt constituted an illegal exaction and asked that $571,443.52 be remitted to the plaintiff and other members of the class.

The Circuit Court of Mississippi County granted summary judgment in favor of the City on August 20, 2018. The Court found that all collections of the 2012 Tax had been expended in accordance with the ballot for the election approving the 2012 Tax. The ballot authorized the 2012 Tax to be used by the City to pay federal and state income tax withholdings, employer and employee FICA and Medicare payroll tax contributions, federal and state employment tax contributions and other amounts due and payable by the City to the federal and state government in connection therewith.

The plaintiff has appealed this decision to the Arkansas Supreme Court. The City believes that the lawsuit is without merit and that the lower court's decision in favor of the City will be affirmed.

**THE TAX**

Generally. The Tax is levied under Ordinance No. 1814, adopted February 21, 2017, under the authority of Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated. The Tax is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the Authorizing Ordinance, the City has pledged the Tax receipts to the payment of the Bonds. The Tax became effective on July 1, 2017 and will terminate on June 30, 2027. There is a two month lag time between when retailers collect the Tax and when the City receives collections from the State. Consequently, the Tax collected by retailers in June 2027 will be paid to the City in August 2027.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by Arkansas and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first $2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than $2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within six (6) months from the date of purchase or six (6) months from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax.

¹) Bureau of Economic Analysis, United States Department of Commerce.
Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than $100 per item), clothing accessories or equipment (which are less than $50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday.

Set forth in Exhibit A attached hereto is a summary of certain provisions of the statutes authorizing the Tax. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Revenue Fund. See THE AUTHORIZING ORDINANCE, The Revenue Fund.

Historical Tax Receipts. The City has collected the Tax since July 1, 2017. Collections of the equivalent of a 0.50% sales and use tax in the City have been as follows for the periods indicated:

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the City, which activity is generally dependent upon economic conditions within the City. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the Tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The City has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the City cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the Bonds.

The United States Supreme Court recently held in S. Dakota v. Wayfair, Inc., No. 17-494, 2018 WL 3058015 (U.S. June 21, 2018) that in certain circumstances retailers can be required to collect sales tax even in states where they have no physical presence. In order for the City to collect sales tax from those out of state retailers that deliver goods in the City, the Arkansas Legislature will need to pass legislation. The City is unable to predict at this time the effect of any future collections of the Tax on sales by retailers located outside the State.

THE AUTHORIZING ORDINANCE

Set forth below is a summary of certain portions of the Authorizing Ordinance. This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. The City will covenant as set forth below in the Authorizing Ordinance.

The Revenue Fund. The Trustee shall deposit all collections of the Tax as and when received by it from the State Treasurer into a special fund of the City held by the Trustee which is created by the
Authorizing Ordinance and designated "Sales and Use Tax Revenue Fund, Series 2019" (the "Revenue Fund"). Moneys in the Revenue Fund shall be applied each month in the following order of priority:

1. 1/6 of the interest on the Bonds next due – to the Debt Service Account in the Bond Fund; and
2. 1/12 of the principal of the Bonds next due – to the Debt Service Account in the Bond Fund; and
3. the Trustee’s fees and expenses and other administrative charges next due – to the Expense Account in the Bond Fund; and
4. the amount necessary to pay any rebate due under Section 148(f) of the Code – to the Expense Account in the Bond Fund; and
5. balance – to the City for one or both of the following: public safety purposes and payment of obligations with respect to Subordinate Bonds.

The deposits to the Debt Service Account in the Bond Fund as set forth in (1) and (2) above through August 2019 shall be modified monthly as follows: only one-fourth of the interest on the Bonds due September 1, 2019 shall be deposited into the Debt Service Account. In addition, the deposits to the Debt Service Account in the Bond Fund shall be reduced in order to take into account interest earnings as a credit.

The balance in the Revenue Fund under clause (6) above shall be transferred to the City within five (5) days of receipt from the State Treasurer, for one or both of the following: public safety purposes and payment of obligations with respect to Subordinate Bonds.

The Bond Fund. There is created by the Authorizing Ordinance a special fund of the City in the Trustee which is designated "Sales and Use Tax Bond Fund, Series 2019" (the "Bond Fund") for the purpose of providing funds for the payment of principal of and interest on the Bonds as they become due, any arbitrage rebate due under Section 148(f) of the Code and the Trustee’s fees and expenses and other administrative charges in connection with the Bonds. There shall be established in the Bond Fund the following accounts into which moneys shall be deposited: Debt Service Account and Expense Account. Moneys in the following Bond Fund accounts shall be used on each interest payment date in the following order of priority as and when necessary:

1. to pay the interest on the Bonds then due - Debt Service Account; and
2. to pay the principal of the Bonds then due - Debt Service Account; and
3. to pay the Trustee’s fees and expenses and other administrative charges then due - Expense Account.

In addition, moneys in the Expense Account in the Bond Fund shall be used to pay, when due, any arbitrage rebate under Section 148(f) of the Code.

When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of all the Bonds then outstanding, (2) interest on the Bonds until the next interest payment date, (3) the Trustee’s fees and expenses and other administrative charges in connection with the Bonds and (4) all arbitrage rebate payments due under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Tax receipts remaining in the Bond Fund after the principal of, premium, if any and interest on the Bonds have been paid may be used by the City for one or both of the following: public safety purposes and payment of obligations with respect to Subordinate Bonds.

Investments. (a) Moneys held for the credit of the Construction Fund may be invested and reinvested at the written direction of the City, and in the absence of any direct instructions from the
City, such amounts shall be held uninvested in cash fully insured by the FDIC or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public funds. Any amounts invested pursuant to the written direction of the City shall be invested in Permitted Investments or other investments from time to time permitted by law which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when such money will be required for the purposes intended.

(b) Moneys held for the credit of the Bond Fund and the Revenue Fund shall be invested and reinvested at the written direction of the City, and in the absence of any direct instructions from the City, such amounts shall be held uninvested in cash fully insured by the FDIC or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public funds. Any amounts invested pursuant to the written direction of the City shall be invested in Permitted Investments, which will mature, or which will be subject to redemption by the holder thereof, not later than the date or dates on which the money shall be required for the payment of the principal of and interest on the Bonds when due.

(c) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to said fund.

(d) "Permitted Investments" are defined as (i) direct or fully guaranteed obligations of the United States of America ("Government Securities"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, including the Trustee, which are insured by the Federal Deposit Insurance Corporation or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public funds or (iv) money market funds invested exclusively in Government Securities and the obligations described in (ii) above.

(e) All investments and deposits in the Bond Fund and the Revenue Fund shall have a par value (or market value when less than par, exclusive of accrued interest) at all times at least equal to the amount of money credited to such funds and shall be made in such a manner that the money required to be expended from any fund will be available at the proper time or times.

(f) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face principal amount.

Certain Covenants. (a) The City covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Bonds or Tax receipts directly or indirectly in such manner as to cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the Justice Center Improvements or the proceeds of the Bonds in such manner as to cause the Bonds to be private activity bonds within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of the Tax, as therein specified and covenanted, the segregating of the Tax receipts and the applying of the Tax receipts as provided in the Authorizing Ordinance.

(d) It will make any arbitrage rebate payments due the United States under Section 148(f) of the Code from moneys in the Bond Fund.
Defaults and Remedies. (a) If there be any default in the payment of the principal of and interest on the Bonds or if the City defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of the owners of not less than 10% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the City and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 10% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

(c) All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

(d) No remedy conferred upon or reserved to the Trustee or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) The Trustee may, and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Defeasance. The Bonds shall be deemed paid when there has been deposited with the Trustee in the Bond Fund an amount sufficient to pay the principal or redemption price of and interest on the Bonds to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee (i) cash fully insured by the FDIC and/or fully collateralized with Government Securities sufficient to make such payment and/or (ii) Government Securities that
are direct obligations of the United States of America maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses or provision has been made therefor and if all arbitrage rebate payments due the United States under Section 148(f) of the Code have been paid, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled and (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds, to be paid over or delivered to or at the direction of the City.

Subordinate Bonds. The City covenants that it will not issue any additional bonds, or incur any additional obligation, secured by a pledge of the Pledged Revenues that purports to be secured by a senior or parity pledge of the Pledged Revenues. Nothing should prohibit the City from issuing Subordinate Bonds.

The Trustee. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the owners of not less than 10% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by giving 60 days notice in writing to the City and the owners of the Bonds. The majority in principal amount of the owners of the outstanding Bonds or the City, so long as it is not in default under the Authorizing Ordinance, may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, the City shall forthwith designate a new Trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the City, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the City and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the adoption by the City of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding that the Trustee determines, in reliance on the advice of counsel (who may be counsel for the City) and/or such other certificates or reports delivered in connection therewith, is not to the material prejudice of the owners of the Bonds or in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of the Tax receipts other than a pledge created or permitted by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.
CONTINUING DISCLOSURE AGREEMENT

During the past five years, the City has been a party to certain continuing disclosure agreements in connection with its outstanding bonds. Such agreements require the City to file annual reports with the Municipal Securities Rulemaking Board on its Electronic Municipal Market Access system ("EMMA") within the time periods set forth in the agreements. The following summarizes a non-exhaustive discussion of the City’s compliance with its continuing disclosure obligations for the past five years.

As part of each annual report, the City has been obligated to file the audited financial statements of the City's Sewer System (the "Sewer System") and the City's Water System (the "Water System"), as appropriate for the type of bond issue (e.g., water revenue bonds and sewer revenue bonds). If filed later than the date the annual report that year is due, the audited financial statements must be filed within 30 days of receipt thereof.

The audited financial statements of the Water System for the fiscal years ended December 31, 2013 through 2015 and 2017 were filed, however, the audited financial statements of the Water System for the fiscal years ended December 31, 2013, 2014, 2015 and 2017 were filed 87, 17, 121 and 223 days late, respectively. The Water System's audited financial statements for the fiscal year ended December 31, 2018 are not available. Audited financial statements for the Water System for the fiscal year ended December 31, 2016 were not required to be filed because the water revenue bonds for which the report was due were redeemed in full in May 2017. Notices concerning the City's failure to timely file were not filed on EMMA.

The audited financial statements of the Sewer System for the fiscal years ended December 31, 2013 and 2014 were timely filed. The sewer revenue bonds for which the report was due matured in February 2016 prior to the 2015 fiscal year end filing date.

The City’s continuing disclosure agreements have also required that certain supplemental financial and operating data be provided as part of the annual report. The supplemental data varies depending on the type of bond issue and how each is secured. During the past five years, all supplemental information required by the continuing disclosure agreements in connection with bonds secured by revenues of the Water System was timely filed, except as described below.

The information required to be provided included rates for the Water System for the fiscal year then ended and the previous fiscal year. In several instances, only the then current rates for the Water System or the rates for the fiscal year then ended (and not the previous fiscal year) were included.

The supplemental information required by the continuing disclosure agreement in connection with bonds secured by revenues of the Sewer System for the fiscal years ended December 31, 2013 and 2014 was timely filed. However, the information required to be provided included rates for the Sewer System for the fiscal year then ended and the previous fiscal year. Only the current rates for the Sewer System or the rates for the fiscal year then ended (and not the previous fiscal year) were included.

The City has received additional instruction from the Underwriter to assist in timely complying with its continuing disclosure obligations.

The City will enter into a Continuing Disclosure Agreement with the Trustee in order to assist the Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the Bonds.

Additional Information. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which
is specifically required by the Continuing Disclosure Agreement, the City shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

### DEBT SERVICE COVERAGE

Set forth below is the debt service coverage information for the Bonds. In arriving at the amount of annual Tax receipts for this calculation, the City examined collections of the Tax for 2018.

Actual Tax receipts collected by the City will depend upon, among other things, the level of retail activity within the City, the economic health of the City, possible future actions by the General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate and there can be no assurance that actual Tax receipts will equal the amount shown below. See **THE TAX, Future Tax Receipts.**

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Bonds, or questioning or affecting the legality of the Tax or Bonds or the proceedings and authority under which the Bonds are to be issued, or questioning the right of the City to adopt the Authorizing Ordinance or to issue the Bonds or to pledge the Tax receipts.

Legal Opinions. Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Bond Counsel.

Tax Exemption. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law the interest on the Bonds is exempt from all Arkansas state, county and municipal taxes.

In the opinion of Bond Counsel, interest on the Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the Bonds and the Justice Center Improvements. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The City has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Bonds, (ii) interest on the Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Bonds.
Prospective purchasers of the Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds or, in the case of a financial institution, that portion of a holder’s interest expense allocated to interest on the Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

An exception allows a deduction for certain interest expense allocable to the “qualified tax-exempt obligations.” The City has designated the Bonds as “qualified tax-exempt obligations” and has covenanted not to use the Justice Center Improvements or the proceeds of the Bonds in a manner which would cause the Bonds to be “private activity bonds,” within the meaning of the Code, and has represented that the City and its subordinate entities have not and do not expect to issue more than $10,000,000 of such tax-exempt obligations (other than private-activity bonds (excluding from that term “qualified 501(c)(3) bonds” under Section 145 of the Code)) during calendar year 2019.

Prospective purchasers of the Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code of 1987 Annotated. Subsection (b) states that Section 265(a) of the Internal Revenue Code is adopted for the purpose of computing Arkansas corporation income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest “on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law.” On December 8, 1993, the Arkansas Department of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

As shown on the front cover of this Official Statement, certain of the Bonds are being sold at an original issue premium (collectively, the “Premium Bonds”). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond’s term using constant yield principles, based on the purchaser’s yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser’s yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser’s basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser’s basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. On December 20, 2017, Congress passed The Tax Cuts and Jobs Act (the “Tax Legislation”), which, for tax years beginning after December 31, 2017, among other things, significantly changes the income tax rates for individuals and corporations, modifies the current provisions relative to the federal alternative minimum tax on individuals and eliminates the federal alternative minimum tax for corporations. The President signed the Tax Legislation on December 22, 2017. The Tax Legislation or the introduction or enactment of any other legislative proposals or clarification of the Code or court decisions may affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any proposed or enacted federal or state tax legislation (including
particularly, without limitation, the Tax Legislation), regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

**MISCELLANEOUS**

**Underwriting.** Under a Bond Purchase Agreement (the "Agreement") entered into by and between the City, as issuer, and Stephens Inc., as underwriter (the "Underwriter"), the Bonds are being purchased at a price of $2,433,899.30 (principal amount plus $62,299.30 of net original issue premium less $48,400 of Underwriter’s discount). The Agreement provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the City.

The Underwriter intends to offer the Bonds to the public initially at the offering prices set forth on the cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price.

The City has agreed to indemnify the Underwriter against certain civil liabilities in connection with the offering and sale of the Bonds, including certain liabilities under federal securities laws.

**Enforceability of Remedies.** Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Authorizing Ordinance may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Authorizing Ordinance resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors’ rights which are presently or may from time to time be in effect.

**Information in Official Statement.** Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or owners of any of the Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.
The execution of this Official Statement has been duly authorized by the City.
