

Commvault Systems, Inc. (CVLT)

JUNE 8, 2026 | 12:00 PM ET

Stephens is hosting a call with Rahul Pawar (Global VP and Leader of the Field CTO and Solutions Engineering), and Michael Melnyk (VP of Investor Relations) of Commvault Systems, Inc. (CVLT).

About Commvault Systems, Inc.

Commvault (CVLT) is a leading provider of data protection and cyber-resilience software that enables enterprises to secure, back up, recover, and manage data across on-prem, hybrid, and multi-cloud environments.

Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.

Topics of Discussion

- Demand drivers and market dynamics in data protection, including modernization trends and on-prem vs. cloud workloads
- Cyber resilience and the convergence of data security, identity, and recovery
- AI's impact on the business, including growth drivers and monetization opportunities
- Commvault's platform strategy, including Cloud Unity and SaaS growth drivers
- Competitive positioning and differentiation, and the impact of input cost pressures such as memory pricing
