About MaxCyte, Inc.

MaxCyte helps the world's leading pharmaceutical and biotechnology companies reach discovery, development, manufacturing and commercialization goals. Its customer base includes the majority of the top 25 pharmaceutical companies. MaxCyte has become the partner of choice for leading cellular therapy and gene-editing companies and is the industry standard non-viral approach to cell and gene therapy. Its technology includes the ExPERT brand series of commercially-oriented instruments and disposables.
