

# Tenable Holdings, Inc. (TENB)

JUNE 2, 2026 | 11:00 AM ET

Stephens is hosting a call with Vlad Korsunsky (Chief Technology Officer & Managing Director of Tenable Israel), and Erin Karney (VP of Investor Relations) of Tenable Holdings, Inc. (TENB).

## About Tenable Holdings, Inc.

Tenable (TENB) is a market leader in the Exposure Management (EM) market. The company has been a longstanding market leader in traditional vulnerability management (VM). Through a combination of organic development and acquisitions, the company continues to evolve into being a broader provider of EM solutions.

**Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.**

## Topics of Discussion

- The impact of AI on the Exposure Management space and how it is reshaping cybersecurity priorities
- How Tenable is embedding AI across its platform and approaching monetization
- Key strategic focus areas driving Tenable's platform innovation
- Insights and takeaways from Tenable's Exposure Management user conference
- The current competitive landscape and how Tenable is positioned within it
- An update on demand trends across the business, including the public sector
