About International Money Express, Inc.

Founded in 1994 and public since 2019, **International Money Express (IMXI)** is a leading provider of money transfer and other value-added services such as pre-paid debit card and billpay within the Western Hemisphere. Through its tech-focused platform, the company has grown its share of inbound wires to key Latin America from 8.1% in 2014 to 21% in 2021, while generating a 4-year revenue and adj EBITDA CAGRs of ~19% and 23%, respectively, and an EBITDA margin of 19%. From a strategic standpoint, the company intends to drive growth through geographic expansion, existing market penetration, and new products (both organically and via M&A), and maintains a balance sheet with no net debt.
