Advisory representatives of Stephens may also be registered with Stephens Insurance which is an affiliated full-service insurance agency. Additional Compensation

Under Stephens' compensation structure, if certain levels of client revenues are received by Stephens, the FC is also eligible to receive bonuses from Stephens based on the level of these client revenues. Stephens' advisory representatives do not receive compensation from outside sources on the advisory accounts that they serve as representatives of Stephens. Financial Consultants are entitled to receive compensation from Stephens for insurance business referred to affiliates.

Mr. Wethington was paid a financial incentive package when he joined Stephens which discourages him from leaving Stephens and transferring customer accounts to another firm during its term. The incentive package Mr. Wethington received is based on Stephens' judgment of his perceived value to Stephens as an incoming Financial Consultant. The financial incentive package has no formal revenue or production requirements and no formal requirements to transfer a set amount of client accounts or assets, but Mr. Wethington, like all Stephens Financial Consultants, is expected to remain in overall good standing with Stephens which entails among other things properly servicing his client accounts, recruiting new business and maintaining a clean compliance record.
