Other Business Activities

Stephens is dually registered with the Securities and Exchange Commission as a broker dealer and as an investment adviser. Stephens is also a member of the National Futures Association ("NFA"). Stephens' investment advisory representatives ("advisory representatives") are also registered representatives of the broker dealer and in most cases have brokerage accounts assigned to them in addition to the investment advisory accounts assigned to them. Advisory representatives of Stephens may also be registered with Stephens Insurance which is an affiliated full-service insurance agency, and certain advisory representatives are also registered representatives with the CFTC. In these capacities Stephens' representatives often receive compensation for services that they provide which may include commissions, mutual fund trailer fees, sales charges, and other payments. Please see the applicable brochure for a disclosure on conflicts of interest that may result from the investment advisory representative having multiple roles.

Additional Compensation

Stephens' advisory representatives receive compensation from Stephens based in substantial part on the revenues received by Stephens from the accounts serviced by the advisory representative. Under Stephens' compensation structure, if certain levels of client revenues are received by Stephens, the FC is also eligible to receive bonuses from Stephens based on the level of these client revenues. Stephens' advisory representatives do not receive compensation from outside sources on the advisory accounts that they serve as representatives of Stephens.
