About Atlas Energy Solutions

Atlas Energy Solutions, Inc. (AESI) is an oilfield services company headquartered in Austin, Texas. Atlas mines, produces, and transports frac sand throughout the Permian Basin. The company is the largest frac sand producer in the U.S. with 2024 nameplate capacity of ~28 mmtpa. Atlas is innovating the proppant industry with advancements like autonomous trucking, its 42-mile "Dune Express" conveyer system, dredge mining, and distributed mining units.
