About Atlas Energy Solutions

Atlas Energy Solutions, Inc. (AESI) is an oilfield services company headquartered in Austin, Texas. Atlas mines, produces, and transports frac sand throughout the Permian Basin. The company currently operates two production facilities located outside Kermit and Monahans, Texas with combined production nameplate capacity of ~11 mmtpa. Atlas is innovating the proppant industry with transportation advancements like autonomous trucking and a 42-mile conveyor system called "Dune Express".
