RATING: Moody's: "Aa2" (Stable Outlook)†

*In the opinion of bond counsel, under existing law, assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes, and (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, that with respect to certain corporations, interest on the Bonds will be taken into account in determining annual adjusted financial statement income for the purpose of computing the federal alternative minimum tax. In bond counsel's further opinion, under existing law, interest on the Bonds is exempt from all present State, county and municipal taxation in the State of Arkansas (See **TAX MATTERS** herein.).*

BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS VARIOUS FACILITY REVENUE BONDS (FAYETTEVILLE CAMPUS),

**\$29,845,000
SERIES 2024A**

**\$72,295,000
REFUNDING SERIES 2024B**

Dated: Date of Delivery

Due: November 1, as shown on the inside front cover

The Series 2024A Bonds and the Series 2024B Bonds (collectively, the "Bonds") are general obligations only of the Board of Trustees of the University of Arkansas (the "Board"). The Bonds will be secured by a specific pledge of, and payable first from, Pledged Revenues (as defined herein). Neither the faith and credit nor the taxing power of the State of Arkansas (the "State") are pledged to the payment of the principal of or the interest on the Bonds, and the Bonds are not secured by a mortgage or lien on any lands or buildings of the State or the Board. The Board has no taxing power. The pledge of the Pledged Revenues in favor of the Bonds is on a parity with the pledge of Pledged Revenues in favor of certain Existing Parity Bonds (as defined herein). See **SECURITY FOR THE BONDS** herein. The Series 2024A Bonds are being issued for the purpose of financing a portion of the costs of certain capital improvements for the Fayetteville campus of the University of Arkansas, as described herein, and paying costs of issuance of the Series 2024A Bonds. The Series 2024B Bonds are being issued for the purpose of current refunding certain outstanding bonds through a purchase by means of a tender offer and cancellation, as described below and herein, and paying costs of issuance of the Series 2024B Bonds and costs of the refunding and tender offer (see **PURPOSES FOR THE BONDS AND FINANCING PLAN** herein).

See **Appendix A – THE UNIVERSITY OF ARKANSAS SYSTEM AND THE FAYETTEVILLE CAMPUS OF THE SYSTEM** hereto for information regarding the Board, the System (as defined herein), and UA, Fayetteville (as defined herein).

The Board with the assistance of BofA Securities, Inc., as dealer manager, has released an "Invitation to Tender Bonds for Purchase" dated July 29, 2024, as amended by a Notice of Amendment dated August 5, 2025, inviting owners of the Invited Bonds (as defined herein) to tender such bonds for purchase by the Board. On the date of delivery of the Series 2024B Bonds (the "Settlement Date"), the Board will purchase for cash the Invited Bonds that are validly tendered for purchase (in the principal amounts comprising the "Purchased Bonds," as set forth in **Schedule I – SCHEDULE OF PURCHASED BONDS**). The purchase of the Purchased Bonds will be funded with proceeds of the Series 2024B Bonds (See **PURPOSES FOR THE BONDS AND FINANCING PLAN** herein).

By purchasing Bonds, the purchasers and subsequent transferees are deemed to have consented to certain amendments to the Master Indenture (as defined herein) and waived certain requirements with respect to the approval process for a supplemental indenture. Such amendments shall not become effective until all Existing Parity Bonds issued prior to December 1, 2021 have been defeased or retired. See SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments herein and Appendices F-1 and F-2 hereto.

The Bonds are issuable as fully registered bonds and, when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York, to which principal and interest payments on the Bonds will be made so long as Cede & Co. is the registered owner of the Bonds. Individual purchases of the Bonds will be made only in book-entry form, in denominations of \$5,000 or any integral multiple thereof. Individual purchasers of the Bonds ("Beneficial Owners") will not receive physical delivery of bond certificates. See **BOOK-ENTRY ONLY SYSTEM** herein.

Interest on the Bonds is payable semiannually on May 1 and November 1, commencing November 1, 2024. All such interest payments shall be payable to the person in whose name such Bonds are registered on the bond registration books maintained by Simmons Bank, Pine Bluff, Arkansas, as Trustee (the "Trustee"). Disbursement of such payments to DTC participants is the responsibility of DTC, and disbursement of such payments to Beneficial Owners is the responsibility of DTC participants or indirect participants, as more fully described herein. The Bonds mature, bear interest and are priced to yield as shown on the inside front cover of this Official Statement. The Bonds are subject to redemption prior to maturity as more fully described in **REDEMPTION** herein.

The Bonds are offered when, as and if issued, subject to the approval of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, bond counsel. Certain legal matters will be passed upon for the Underwriters by Kutak Rock LLP, Little Rock, Arkansas, counsel to the Underwriters. It is expected that the Bonds will be available for delivery at the facilities of DTC in New York, New York on or about August 28, 2024.

SUMMARY STATEMENT

The following summary statement is subject in all respects to the more complete information contained in this Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof, inside cover page hereof, and the appendices hereto, whether such appendices are attached hereto or incorporated by reference.

The Bonds

The Board of Trustees of the University of Arkansas Various Facility Revenue Bonds (Fayetteville Campus), Series 2024A, in the aggregate principal amount of \$29,845,000 (the “Series 2024A Bonds”), and Refunding Series 2024B, in the aggregate principal amount of \$72,295,000 (the “Series 2024B Bonds” and, together with the Series 2024A Bonds, the “Bonds”), each to be dated as of the date of their delivery, will be issued under the authority of the Constitution and laws of the State of Arkansas (the “State”), including particularly Arkansas Code of 1987 Annotated Title 6, Chapter 62, Subchapter 3, as amended (the “Act”), and pursuant to resolutions duly adopted by the Board of Trustees of the University of Arkansas (the “Board”) on March 13, 2024. The Bonds will be issued under and secured by a Master Trust Indenture dated as of November 1, 1996, as supplemented by a First Supplement to Master Trust Indenture dated as of May 1, 2011, as may be further supplemented and amended from time to time (collectively, the “Master Indenture”), each between the Board and Simmons Bank (as successor to Simmons First National Bank), as trustee (the “Trustee”), as previously supplemented by series indentures specific to the various parity bonds issued under the Master Indenture and as supplemented by a Series 2024 Trust Indenture dated as of the date of delivery of the Bonds (the “Series 2024 Indenture”), between the Board and the Trustee. See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED** herein.

*The Board has proposed a Second Supplement to Master Trust Indenture, to be dated as of the date of its effectiveness and execution (the “Second Supplement to Master Indenture”) for the purpose, among others, of amending the definition of “Other Obligations” in order to remove certain limitations on the Board’s ability to issue obligations other than under the Master Indenture with a pledge of Pledged Revenues subordinate to the pledge securing the Bonds. By their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds (as hereinafter defined), the Series 2022 Bonds (as hereinafter defined), the Series 2023 Bonds (as hereinafter defined), the Bonds, and each subsequent series of Additional Parity Bonds (as hereinafter defined)), the purchasers and subsequent transferees have been deemed and will be deemed to have consented to the amendments to the Master Indenture contained in the form of the Second Supplement to Master Indenture (with only such revisions or amendments as would be allowed pursuant to Section 1001 of the Master Indenture). In addition, by their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have waived, with respect to the Second Supplement to Master Indenture, the requirements of Section 1002 of the Master Indenture with respect to the approval process for a supplemental indenture. Such amendments shall not become effective until all the Existing Parity Bonds (as hereinafter defined) issued prior to December 1, 2021 have been defeased or retired. See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED**, Second Supplement to Master Indenture Amendments herein and Appendices F-1 and F-2 hereto.*

Redemption

The Bonds of each series may be redeemed, in whole or in part, at the option of the Board from funds from any source, on any date on and after November 1, 2034, at a price of 100% of the principal amount being redeemed, plus accrued interest to the date of redemption, and if in part, from such maturities as may be selected by the Board, as described herein. The Series 2024A Bonds maturing on November 1 in the years 2044, 2049 and 2054 are also subject to mandatory sinking fund redemption prior to maturity, as described herein. See **REDEMPTION** herein.

Use of Proceeds

The proceeds from the sale of the Series 2024A Bonds will be used to finance certain capital improvements for UA, Fayetteville (as hereinafter defined) and to pay costs of issuance of the Series 2024A Bonds.

The Board intends to use proceeds of the Series 2024B Bonds to accomplish the current refunding of certain of the Invited Bonds (as defined below) through a purchase by means of a tender offer and cancellation. The Board, with the assistance of BofA Securities, Inc., as dealer manager, has released an “Invitation to Tender Bonds for Purchase” dated July 29, 2024, as amended by a Notice of Amendment dated August 5, 2024 (as amended, the “Invitation”), inviting owners of the Board’s Series 2016A Bonds, Series 2017 Bonds, Series 2019B Bonds and Series 2021 Bonds (each as hereinafter defined) (collectively, the “Invited Bonds”) to tender such bonds for purchase by the

Board. On the date of delivery of the Series 2024B Bonds (the “Settlement Date”), the Board will purchase for cash the “Purchased Bonds” (as hereinafter defined), as set forth in **Schedule I – SCHEDULE OF PURCHASED BONDS**. The purchase of the Purchased Bonds will be funded by proceeds of the Series 2024B Bonds. The Purchased Bonds will be cancelled on the Settlement Date and will no longer be deemed outstanding. Based on the outcome of the Invitation, some of the Invited Bonds may be purchased pursuant to the Invitation and some may remain outstanding. Series 2024B Bond proceeds will also pay costs of issuance of the Series 2024B Bonds and costs of accomplishing the refunding and tender offer. See **PURPOSES FOR THE BONDS AND FINANCING PLAN** herein.

Security

The Board has established the Master Indenture as a means of issuing revenue bonds to finance and refinance facilities at UA, Fayetteville under uniform terms and conditions and with uniform security. Various series of bonds are issued under the Master Indenture and pursuant to series indentures specific to the series. The bonds previously issued pursuant to the Master Indenture that are currently outstanding are listed in Appendix A hereto under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM, Existing Parity Bonds**.

The Bonds will be general obligations only of the Board and will not constitute an indebtedness for which the faith and credit of the State or any of its revenues are pledged, and are not secured by a mortgage or lien on any lands or buildings belonging to the State or to the Board. The Bonds will be secured by a pledge of, and payable first from, the Pledged Revenues (as hereinafter defined) and the funds and accounts held pursuant to the Indenture (with the exception of the Rebate Fund). To the extent the Pledged Revenues are insufficient to pay obligations under the Master Indenture, the Board shall pay such obligations from any other moneys available to it in accordance with the Constitution and laws of the State. The Bonds are equally and ratably secured, and the pledge of Pledged Revenues to the Bonds is on a parity with the pledge in favor of the bonds previously issued under the Master Indenture.

The term “Pledged Revenues” is defined as (i) all tuition and fee revenues collected by UA, Fayetteville, (ii) all sales and services revenues and all auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from facilities funded or refunded with bonds issued under the Master Indenture, and (iii) all surplus sales and services and auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from residence halls, married student apartments, fraternity and sorority houses, residence dining services, the Arkansas Union, and transit and parking services to the extent such revenues are derived from facilities funded with obligations issued pursuant to the Act. Pledged Revenues are pledged to the payment of the Bonds on a parity of security with previous pledges to Existing Parity Bonds (as listed in Appendix A hereto under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM, Existing Parity Bonds**) and with subsequent pledges to Additional Parity Bonds (as hereinafter defined). Pledged Revenues shall not include (A) athletic gate receipts and other revenues derived from intercollegiate athletics at UA, Fayetteville or (B) any fees authorized or imposed by UA, Fayetteville and dedicated to a specific purpose unrelated to obligations issued pursuant to the Act or to facilities funded with such obligations.

See **Appendix A – THE UNIVERSITY OF ARKANSAS SYSTEM AND THE FAYETTEVILLE CAMPUS OF THE SYSTEM** hereto and **LEGAL AND LEGISLATIVE MATTERS AND OTHER CONSIDERATIONS** herein.

The Board has also reserved the right to pledge Pledged Revenues to additional bonds issued under the Master Indenture. The pledge may either be on a parity with or subordinate to the pledge in favor of the Bonds. (See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Additional Bonds**, herein.) Pledged Revenues may also be pledged to “Other Obligations.” Other Obligations will not be issued under or secured by the lien of the Master Indenture and may be incurred without complying with the requirements for issuing additional bonds under the Master Indenture. See **SECURITY FOR THE BONDS**, where the types of permitted “Other Obligations” are described. As discussed herein, upon the effective date of the Second Supplement to Master Indenture, certain amendments to the Master Indenture will amend the definition of “Other Obligations.” See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments** herein and Appendices F-1 and F-2 hereto.

The Board has covenanted that it will take all actions necessary to maintain Pledged Revenues at the level necessary to make required debt service payments on all indebtedness issued under the Master Indenture, “Existing Obligations” (defined as obligations of the Board payable from Pledged Revenues that were existing when the Master Indenture was executed, none of which remain outstanding) and Other Obligations. The Board has further covenanted not to pledge the Pledged Revenues as security for any other indebtedness or borrowing (other than Other Obligations) and not to create or permit the creation of any charges upon, liens against, or encumbrances of any kind, on the Pledged Revenues except for Existing Obligations, Other Obligations and bonds issued under and in accordance with the

provisions of the Master Indenture. See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Pledged Revenues; Permitted Encumbrances** herein.

There is no debt service reserve securing the Bonds.

OFFICIAL STATEMENT

BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS VARIOUS FACILITY REVENUE BONDS (FAYETTEVILLE CAMPUS)

\$29,845,000
SERIES 2024A

\$72,295,000
REFUNDING SERIES 2024B

INTRODUCTION

This Official Statement of the Board of Trustees of the University of Arkansas (the “Board”), including the cover page, inside cover page, Summary Statement, and Appendices, is furnished with respect to the sale by the Board of its Various Facility Revenue Bonds (Fayetteville Campus), Series 2024A, in the aggregate principal amount of \$29,845,000 (the “Series 2024A Bonds”), and its Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2024B, in the aggregate principal amount of \$72,295,000 (the “Series 2024B Bonds” and, together with the Series 2024A Bonds, the “Bonds”), each to be dated as of their date of delivery.

There follows in this Official Statement a description of the Bonds, the revenues providing the security for the Bonds, and certain other information concerning this financing and other matters of interest related to the Board and the Fayetteville campus of the University of Arkansas (“UA, Fayetteville”). The financial data with regard to the Board and UA, Fayetteville has been provided from the records of the Board and UA, Fayetteville.

The Bonds are being issued pursuant to and in full compliance with the Constitution and laws of the State of Arkansas (the “State”), particularly Arkansas Code of 1987 Annotated Title 6, Chapter 62, Subchapter 3, as amended (the “Act”), and Resolutions adopted by the Board on March 13, 2024.

The Bonds are equally and ratably secured by a Master Trust Indenture dated as of November 1, 1996 between the Board and Simmons Bank (as successor to Simmons First National Bank), Pine Bluff, Arkansas, as trustee (the “Trustee”), as supplemented by a First Supplement to Master Trust Indenture between the Board and the Trustee dated as of May 1, 2011, as may be further supplemented and amended from time to time (collectively, the “Master Indenture”), as previously supplemented by series indentures specific to the various parity bonds issued under the Master Indenture and as supplemented by a Series 2024 Trust Indenture to be dated as of the date of delivery of the Bonds (the “Series 2024 Indenture”), by and between the Board and the Trustee. The Bonds will be payable from Pledged Revenues (defined below).

The Board has proposed a Second Supplement to Master Trust Indenture, to be dated as of the date of its effectiveness and execution (the “Second Supplement to Master Indenture”) for the purpose, among others, of amending the definition of “Other Obligations” in order to remove certain limitations on the Board’s ability to issue obligations other than under the Master Indenture with a pledge of Pledged Revenues subordinate to the pledge securing the Bonds. By their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds (as hereinafter defined), the Series 2022 Bonds (as hereinafter defined), the Series 2023 Bonds (as hereinafter defined), the Bonds, and each subsequent series of Additional Parity Bonds (as hereinafter defined)), the purchasers and subsequent transferees have been deemed and will be deemed to have consented to the amendments to the Master Indenture contained in the form of the Second Supplement to Master Indenture (with only such revisions or amendments as would be allowed pursuant to Section 1001 of the Master Indenture). In addition, by their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have waived, with respect to the Second Supplement to Master Indenture, the requirements of Section 1002 of the Master Indenture with respect to the approval process for a supplemental indenture. Such amendments shall not become effective until the Existing Parity Bonds (as defined herein) issued prior to December 1, 2021, have been defeased or retired. See SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments herein and Appendices F-1 and F-2 hereto.

The Bonds are issued on a parity of security with the Board's outstanding (i) Various Facility Revenue Bonds (Fayetteville Campus), Series 2014B (the "Series 2014B Bonds"), (ii) Various Facility Revenue Bonds (Fayetteville Campus), Series 2015B (the "Series 2015B Bonds"), (iii) Various Facility Revenue Bonds (Fayetteville Campus), Refunding and Improvement Series 2016A (the "Series 2016A Bonds"), (iv) Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2016B (the "Series 2016B Bonds"), (v) Various Facility Revenue Bonds (Fayetteville Campus), Series 2017 (the "Series 2017 Bonds"), (vi) Various Facility Revenue Bonds (Fayetteville Campus), Tax-Exempt Series 2018A (the "Series 2018A Bonds"), (vii) Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2018B (the "Series 2018B Bonds"), (viii) Various Facility Revenue Bonds (Fayetteville Campus), Refunding and Improvement Series 2019A (the "Series 2019A Bonds"), (ix) Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2019B (the "Series 2019B Bonds"), (x) Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2021 (the "Series 2021 Bonds"), (xi) Various Facility Revenue Bonds (Fayetteville Campus), Series 2022A and Taxable Series 2022B (collectively, the "Series 2022 Bonds"), and (xii) Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2023A and Refunding Series 2023B (collectively, the "Series 2023 Bonds"), and with the foregoing bonds described in clauses (i) through (xii) being sometimes hereinafter referred to collectively as the "Existing Parity Bonds"), all of which bonds were issued under the Master Indenture as previously supplemented by the series indentures specific to the various Existing Parity Bonds. As further set forth in **PURPOSES FOR THE BONDS AND FINANCING PLAN** herein, the Board has invited owners of the Series 2016A Bonds, Series 2017 Bonds, Series 2019B Bonds and Series 2021 Bonds to tender such bonds for purchase by the Board.

The Master Indenture permits the issuance of additional bonds and the incurring of Other Obligations (defined herein under **SECURITY FOR THE BONDS**, as such definition is amended as set forth in **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments** herein and Appendices F-1 and F-2 hereto) secured by Pledged Revenues. The Series 2024 Indenture establishes the terms and conditions upon which the Bonds are issued. The issuance of additional bonds payable from Pledged Revenues will require additional supplemental indentures (each a "Series Indenture") to establish the terms and conditions for issuance of the bonds of the particular series. The Board may incur Other Obligations without complying with the test for issuing additional bonds under the Master Indenture. Specific covenants concerning revenues are described under **SECURITY FOR THE BONDS** herein.

The term "Pledged Revenues" is defined as (i) all tuition and fee revenues collected by UA, Fayetteville, (ii) all sales and services revenues and all auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from facilities funded or refunded with bonds issued under the Master Indenture, and (iii) all surplus sales and services and auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from residence halls, married student apartments, fraternity and sorority houses, residence dining services, the Arkansas Union, and transit and parking services to the extent such revenues are derived from facilities funded with obligations issued pursuant to the Act. Pledged Revenues are pledged to the payment of the Bonds on a parity of security with previous pledges to Existing Parity Bonds (as listed in Appendix A hereto under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM, Existing Parity Bonds**) and with subsequent pledges to Additional Parity Bonds (as hereinafter defined). Pledged Revenues shall not include (A) athletic gate receipts and other revenues derived from intercollegiate athletics at UA, Fayetteville or (B) any fees authorized or imposed by UA, Fayetteville and dedicated to a specific purpose unrelated to obligations issued pursuant to the Act or to facilities funded with such obligations.

See **APPENDIX A – THE UNIVERSITY OF ARKANSAS SYSTEM AND THE FAYETTEVILLE CAMPUS OF THE SYSTEM** hereto and **LEGAL AND LEGISLATIVE MATTERS AND OTHER CONSIDERATIONS** herein.

Descriptions of the Board, the Bonds, the System (as defined in Appendix A hereto), UA, Fayetteville, the Master Indenture as supplemented by the Series 2024 Indenture, and other documents are included in this Official Statement. Such descriptions do not purport to be comprehensive or definitive; all references herein to the Master Indenture, the Series 2024 Indenture, or other documents are qualified in their entirety by reference to such documents, copies of which are available from the Board and any of the underwriters listed on the cover; and all references to the Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto included in the Master Indenture and Series 2024 Indenture. Terms not defined herein shall be given the meaning set forth in the specific instruments or documents.

PURPOSES FOR THE BONDS AND FINANCING PLAN

Series 2024A Bonds

Proceeds of the Series 2024A Bonds will be used to finance costs of certain capital improvements on or for the campus of UA, Fayetteville, including particularly, without limitation, (a) the renovation, acquisition, construction, furnishing, and equipping of the Health, Physical Education, and Recreation Building, (b) the acquisition of property for expansion purposes and other purposes of UA, Fayetteville, and (c) the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for UA, Fayetteville (collectively, the “Project”), and to pay costs of issuance.

Certain components of the Project are further described below:

HPER Building. A portion of the proceeds of the Series 2024A Bonds, along with other available funds, is expected to be used to renovate, acquire, construct, furnish, and equip the Health, Physical Education, and Recreation Building on the campus of UA, Fayetteville. The renovation is anticipated to focus on the second floor of the HPER building, and the renovations are intended to provide new opportunities for student health and wellness through improved group fitness spaces and strength and cardio spaces, and updated and increased areas for study, social, and administrative spaces. The fitness center will be significantly expanded to provide a broader range of free weights and selectorized and cardio equipment. The renovation will also provide a new entrance, improve wayfinding through the building, and improve natural lighting. Construction commenced in June 2024, and completion is expected in December 2025.

Property Purchase. A portion of the proceeds of the Series 2024A Bonds is expected to be used to reimburse UA, Fayetteville for the cost of acquiring an approximately 73,886 square foot commercial office building situated on approximately 6.60 acres of property located at 2231 West Martin Luther King, Jr. Boulevard in Fayetteville, Arkansas to be used as space for UA, Fayetteville employees. At this time, UA, Fayetteville has not made a decision regarding which divisions will be transferred to the new building. The purchase price of the building was \$8,313,257, and the purchase occurred on June 14, 2024.

Series 2024B Bonds

The Board, with the assistance of BofA Securities, Inc., as dealer manager, has released an “Invitation to Tender Bonds for Purchase” dated July 29, 2024, as amended by a Notice of Amendment dated August 5, 2024 (as amended, the “Invitation”), inviting owners of the Series 2016A Bonds, Series 2017 Bonds, Series 2019B Bonds and Series 2021 Bonds (collectively, the Series 2016A Bonds, Series 2017 Bonds, Series 2019B Bonds and Series 2021 Bonds are referred to herein as the “Invited Bonds”) to tender such bonds for purchase by the Board. Proceeds of the Series 2024B Bonds will be used to accomplish the current refunding of certain portions of the Invited Bonds that are validly tendered for purchase (the “Purchased Bonds”) as set forth in **Schedule I – SCHEDULE OF PURCHASED BONDS** and to pay costs of issuance of the Series 2024B Bonds and costs of accomplishing the refunding and purchase of the Purchased Bonds. On the date of delivery of the Series 2024B Bonds (the “Settlement Date”), the Board will purchase for cash the Purchased Bonds, as set forth in **Schedule I – SCHEDULE OF PURCHASED BONDS**. The purchase of the Purchased Bonds will be funded with proceeds of the Series 2024B Bonds. On the Settlement Date, a portion of the proceeds of the Series 2024B Bonds will be used by the Trustee to purchase the Purchased Bonds. The Purchased Bonds will be cancelled on the Settlement Date and will no longer be deemed outstanding under the Master Indenture. Based on the outcome of the Invitation, some of the Invited Bonds may be purchased pursuant to the Invitation and some may remain outstanding.

This description is not intended to summarize the terms of the Invitation or to solicit offers to tender Invited Bonds, and reference is made to the Invitation for a discussion of the terms of the Invitation and the conditions for settlement of the Invited Bonds validly tendered and accepted for purchase. The Board will file the Invitation with the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access system, and a copy is available from the dealer manager identified above.

DESCRIPTION OF THE BONDS

The Bonds will be dated the date of delivery thereof, and will bear interest from that date, payable semiannually on May 1 and November 1 of each year commencing November 1, 2024, at the rates set forth on the inside cover page of this Official Statement, and will mature on November 1 in the years and amounts set forth on the inside cover page of this Official Statement. The Bonds are issuable as fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. Principal of the Bonds is payable at the principal office of the Trustee. Interest will be payable to the person in whose name such Bonds are registered on the registration books maintained by the Trustee (the "Registered Owner") at the close of business on the fifteenth day of the month immediately preceding the month in which any interest payment date on the Bonds occurs. Interest will be payable by check drawn upon the Trustee or by wire transfer if requested by a Registered Owner of Bonds in the principal amount of \$1,000,000 or more.

REDEMPTION

The Bonds shall be subject to redemption prior to maturity, in the principal amount of \$5,000 or any integral multiple thereof, as follows:

Optional Redemption

The Bonds of each series may be redeemed, in whole or in part, at the option of the Board from funds from any source, on any date on and after November 1, 2034, at a price of 100% of the principal amount being redeemed, plus accrued interest to the date of redemption, and if in part, from such maturities as may be selected by the Board.

Mandatory Sinking Fund Redemption

The Series 2024A Bonds maturing on November 1 in the years 2044, 2049 and 2054 are subject to mandatory sinking fund redemption and payment prior to maturity pursuant to the mandatory sinking fund redemption requirements of the Series 2024 Indenture at a price equal to the principal amount being redeemed plus accrued interest to the date of redemption, on November 1, in each of the following years and in the following amounts:

Series 2024A Bonds Maturing November 1, 2044

<u>Year</u>	<u>Principal Amount</u>

2052	1,695,000
2053	1,780,000
2054 (maturity)	1,875,000

Redemption in Part

Whenever Bonds are to be optionally redeemed as provided above under the subcaption **Optional Redemption**, the Bonds to be redeemed shall be selected by the Board from any maturity and series of the Bonds then outstanding and within each series and maturity as provided below under the subcaption **Redemption Within a Maturity**. If Series 2024A Term Bonds are optionally redeemed, each of the sinking fund redemptions for such Series 2024A Term Bonds shall be reduced in the same proportion the optional redemption bears to the total amount of such Series 2024A Term Bonds outstanding at the time of the optional redemption.

Redemption Within a Maturity

So long as the Bonds are issued in book-entry only form (see **BOOK-ENTRY ONLY SYSTEM** herein), if fewer than all of a particular series and maturity of the Bonds are to be called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by The Depository Trust Company ("DTC"). If the Bonds are no longer held pursuant to the Book-Entry Only System, and if fewer than all of a particular series and maturity of the Bonds then outstanding shall be called for redemption, the Bonds or portions of Bonds to be redeemed

within such series and maturity shall be selected by the Trustee by lot in such manner as the Trustee shall determine appropriate.

Notice of Redemption

Notice of redemption shall be given as follows:

(i) The Trustee shall mail a copy of such notice by first-class mail, postage prepaid, not less than thirty (30) days and not more than forty-five (45) days (or not more than thirty-five (35) days in the case of mandatory sinking fund redemption) before such redemption date, to the owner of any Bond, all or a portion of which is to be redeemed, at the last address appearing upon the registration books maintained by the Trustee. Failure to give such notice by mail to any owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of other Bonds.

(ii) The Trustee also shall mail a copy of such notice by registered or certified mail or overnight delivery service or transmit via telecopier, for receipt not less than two business days prior to sending such notice to the owners, to The Depository Trust Company, at its then current notice address as provided by DTC; provided, however, that such mailing shall not be a condition precedent to such redemption and failure to so mail any such notice shall not affect the validity of any proceedings for the redemption of the Bonds.

After the date specified in such call, the Bonds so called will cease to bear interest, provided that funds for their payment have been deposited with the Trustee, and, except for the purpose of payment, shall no longer be protected by the Master Indenture and the Series 2024 Indenture and shall not be deemed to be outstanding under the provisions of the Master Indenture and the Series 2024 Indenture.

While the Bonds are being held by DTC under the book-entry system, notice of redemption will be sent only to DTC. See **BOOK-ENTRY ONLY SYSTEM** herein.

SECURITY FOR THE BONDS

The Board has established a Master Indenture as a means of issuing revenue bonds to finance and refinance facilities at UA, Fayetteville under uniform terms and conditions and with uniform security. Each series of bonds will be issued under the Master Indenture and pursuant to a series indenture specific to the series. The Bonds are issued on a parity of security with the Board's outstanding (i) the Series 2014B Bonds, (ii) the Series 2015B Bonds, (iii) the Series 2016A Bonds, (iv) the Series 2016B Bonds, (v) the Series 2017 Bonds, (vi) the Series 2018A Bonds, (vii) the Series 2018B Bonds, (viii) the Series 2019A Bonds, (ix) the Series 2019B Bonds, (x) the Series 2021 Bonds, (xi) the Series 2022 Bonds, and (xii) the Series 2023 Bonds, in each case to the extent outstanding (the foregoing bonds described in clauses (i) through (xii) being sometimes hereinafter referred to collectively as the "Existing Parity Bonds"). As further set forth in **PURPOSES FOR THE BONDS AND FINANCING PLAN** herein, the Board has invited owners of the Series 2016A Bonds, Series 2017 Bonds, Series 2019B Bonds and Series 2021 Bonds to tender such bonds for purchase by the Board.

The Board has proposed the Second Supplement to Master Indenture for the purpose, among others, of amending the definition of "Other Obligations" in order to remove certain limitations on the Board's ability to issue obligations other than under the Master Indenture with a pledge of Pledged Revenues subordinate to the pledge securing the Bonds. By their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have consented to the amendments to the Master Indenture contained in the form of the Second Supplement to Master Indenture (with only such revisions or amendments as would be allowed pursuant to Section 1001 of the Master Indenture). In addition, by their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have waived, with respect to the Second Supplement to Master Indenture, the requirements of Section 1002 of the Master Indenture with respect to the approval process for a supplemental indenture. Such amendments shall not become effective until all Existing Parity Bonds issued prior to December 1, 2021 have been defeased or retired. See SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments herein and Appendices F-1 and F-2 hereto.

The Bonds will be general obligations only of the Board and will not constitute an indebtedness for which the faith and credit of the State or any of its revenues are pledged, and the Bonds are not secured by a mortgage or lien

on any lands or buildings belonging to the State or to the Board. The Bonds will be secured by a pledge of, and payable first from, the Pledged Revenues and the funds and accounts held pursuant to the Indenture (as hereinafter defined) (with the exception of the Rebate Fund). To the extent the Pledged Revenues are insufficient to pay obligations under the Master Indenture, the Board shall pay such obligations from any other moneys available to it in accordance with the Constitution and laws of the State. See **Appendix A – THE UNIVERSITY OF ARKANSAS SYSTEM AND THE FAYETTEVILLE CAMPUS OF THE SYSTEM** hereto and **LEGAL AND LEGISLATIVE MATTERS AND OTHER CONSIDERATIONS** herein.

The Bonds will be secured by Pledged Revenues on a parity of security with the Existing Parity Bonds. The term “Pledged Revenues” is defined as (i) all tuition and fee revenues collected by UA, Fayetteville, (ii) all sales and services revenues and all auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from facilities funded or refunded with bonds issued under the Master Indenture, and (iii) all surplus sales and services and auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from residence halls, married student apartments, fraternity and sorority houses, residence dining services, the Arkansas Union, and transit and parking services to the extent such revenues are derived from facilities funded with obligations issued pursuant to the Act; provided, however, that such Pledged Revenues are pledged to the payment of the Bonds on a parity of security with previous pledges to the Existing Parity Bonds, and with subsequent pledges to Additional Parity Bonds (as hereinafter defined), and shall not include (A) athletic gate receipts and other revenues derived from intercollegiate athletics at UA, Fayetteville or (B) any fees authorized or imposed by UA, Fayetteville and dedicated to a specific purpose unrelated to obligations issued pursuant to the Act or to facilities funded with such obligations.

Pledged Revenues for certain prior fiscal years are set out in Appendix A hereto under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM, Pledged Revenues**. The amounts of the Existing Parity Bonds payable from Pledged Revenues are shown in Appendix A hereto under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM, Existing Parity Bonds**.

The pledge of Pledged Revenues in favor of the Bonds will rank on a parity with the pledge in favor of the Existing Parity Bonds and will be equally and ratably secured by and entitled to the protection of the Master Indenture, as supplemented by the Series 2024 Indenture and by the series indentures specific to the various Existing Parity Bonds. (See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED**.)

Under the Master Indenture, the Board has reserved the right to pledge Pledged Revenues to additional bonds to be issued under the Master Indenture (see **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Additional Bonds**) and to “Other Obligations,” which may be subsequently issued by the Board other than pursuant to the Master Indenture. The issuance of additional bonds is subject to compliance with the requirements of the Master Indenture, and the pledge in favor of the additional bonds may either be on a parity with or subordinate to the pledge in favor of these Bonds. The Board may incur Other Obligations without complying with the test for issuing additional bonds.

The Master Indenture defines “Other Obligations” as “any capital lease, bond or note payable incurred by or on behalf of UA, Fayetteville, provided that such Other Obligations shall not, in any single instance, exceed \$1,000,000, nor shall the total of Other Obligations incurred, in any fiscal year exceed \$5,000,000.” In the event that the Second Supplement to Master Indenture becomes effective, the definition of “Other Obligations” shall be amended to remove the \$1,000,000 per instance and \$5,000,000 per-year limitation, with the effect that Other Obligations may be incurred with a subordinate pledge of Pledged Revenues in any amount. See **SUMMARY OF THE MASTER INDENTURE, AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments** herein and Appendices F-1 and F-2 hereto.

The Board covenants to promptly pay the principal of and interest on the Bonds and to take all action necessary to maintain Pledged Revenues at the level necessary to make all required debt service payments on the Bonds, any other indebtedness issued under the Master Indenture, the “Existing Obligations” (defined as obligations of the Board payable from Pledged Revenues that were existing when the Master Indenture was executed, none of which remain outstanding) and any Other Obligations.

The Board has covenanted that it will take all actions necessary to maintain Pledged Revenues at the level necessary to make required debt service payments on all indebtedness issued under the Master Indenture, “Existing Obligations” (defined as obligations of the Board payable from Pledged Revenues that were existing when the Master Indenture was executed, none of which remain outstanding) and Other Obligations. The Board has further covenanted not to pledge the Pledged Revenues as security for any other indebtedness or borrowing (other than Other Obligations) and not to create or permit the creation of any charges upon, liens against, or encumbrances of any kind, on the Pledged

Revenues except for Existing Obligations, Other Obligations and bonds issued under and in accordance with the provisions of the Master Indenture. See **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Pledged Revenues; Permitted Encumbrances** herein.

The Board has never defaulted on debt service payments on any bonded indebtedness.

No debt service reserve will secure the Bonds.

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity of a series will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (referred to herein as “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent only to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Board as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Board or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Board, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Board or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The Board may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriters nor the Board make any representation or warranty regarding the accuracy or completeness thereof.

So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Indenture, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Indenture. The Board and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Indenture to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.

CONCERNING THE TRUSTEE

Simmons Bank ("Trustee") will be the Trustee under both the Master Indenture and the Series 2024 Indenture. The Trustee has over sixty (60) years' experience serving as trustee, paying agent and registrar for municipalities, school districts, universities, state and county agencies, hospitals, retirement centers and various non-profit entities, as well as to issuers of corporate debt. The Trustee currently serves as trustee and/or paying agent for approximately 131 issues representing approximately \$2.1 billion of bond debt outstanding. Of these issues, the Trustee serves as trustee for approximately 104 bond issues representing approximately \$1.85 billion in debt outstanding.

The Trustee may resign at any time. The Trustee may be removed at any time (i) by the Board; provided, however, that the Board may not remove the Trustee so long as an Event of Default (as defined under **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED**, herein) shall have occurred which has not been cured, or any event shall have occurred which with the passage of time would lead to an Event of Default, or (ii) by an instrument or concurrent instruments in writing, signed by the registered owners of not less than a majority in principal amount of each series of bonds issued under the Master Indenture and then outstanding. No such resignation or removal will be effective until a successor Trustee is appointed and has accepted the appointment. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of the Master Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the Board or the registered owners of not less than twenty-five percent (25%) in principal amount of all bonds issued under the Master Indenture and then outstanding.

Each successor Trustee must be a corporation organized and doing business under the laws of the United States or of a state that is authorized to exercise trust powers and which has a combined capital stock, capital surplus, and undivided profits of at least \$50,000,000. The preceding criteria may be met by a parent corporation if the parent corporation has guaranteed the obligations of the successor Trustee.

The entity serving as Trustee under the Master Indenture shall also be Trustee under the Series 2024 Indenture and each other Series Indenture securing bonds issued under the Master Indenture.

The Trustee is also the bond registrar and paying agent for the Bonds.

Except during the continuance of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall perform only the duties specifically set forth in the Master Indenture and the Series 2024 Indenture. The Trustee is deemed to have notice only of Events of Default described under paragraphs (a) or (b) under **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Events of Default**, and of other Events of Default of which it has received written notice from the owners of not less than 25% in outstanding principal amount of the series of bonds issued under the Master Indenture which are affected by the Event of Default. During the continuance of an Event of Default of which the Trustee is deemed to have notice, the Trustee is required to use the degree of care and skill in the exercise of its duties as would be exercised by a prudent man in the conduct of his own affairs.

The Trustee shall not be required to take any action in discharging its trust until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees, and other reasonable disbursements, and against all liability.

The Trustee is entitled to reasonable compensation from the Board. The Trustee's compensation will be paid from Pledged Revenues. If an Event of Default has occurred and is continuing, the Trustee's right to compensation from Pledged Revenues shall be entitled to a preference therefor over the claim of owners for payment of principal of and interest on Bonds from such Pledged Revenues.

SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED

The Board has proposed the Second Supplement to Master Indenture for the purpose, among others, of amending the definition of "Other Obligations" in order to remove certain limitations on the Board's ability to issue obligations other than under the Master Indenture with a pledge of Pledged Revenues subordinate to the pledge securing the Bonds. By their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have consented to the amendments to the Master Indenture contained in the form of the Second Supplement to Master Indenture (with only such revisions or amendments as would be allowed pursuant to Section 1001 of the Master Indenture). In addition, by their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have waived, with respect to the Second Supplement to Master Indenture, the requirements of Section 1002 of the Master Indenture with respect to the approval process for a supplemental indenture. See SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments herein and Appendices F-1 and F-2 hereto.

The Master Trust Indenture and the First Supplement to Master Trust Indenture are attached hereto as Appendix F-1. The form of the Second Supplement to Master Indenture is attached hereto as Appendix F-2.

The following is a summary of certain provisions of the Master Indenture, as supplemented by the Series 2024 Indenture (collectively, the "Indenture").

Application of Bond Proceeds

Proceeds of the Series 2024A Bonds (exclusive of accrued interest, if any) will be applied as follows:

Cost of Issuance. The amount of the proceeds of the Series 2024A Bonds necessary to pay the costs of issuing the Series 2024A Bonds shall be deposited into the Series 2024A Cost of Issuance Account of the Construction Fund (described below).

Construction. The amount of proceeds of the Series 2024A Bonds necessary to finance costs of the Project shall be deposited into the Series 2024A Construction Account within the Construction Fund (described below).

Proceeds of the Series 2024B Bonds (exclusive of accrued interest, if any) will be applied as follows:

Purchase of Purchased Bonds. The amount of proceeds of the Series 2024B Bonds necessary to accomplish the current refunding of the Purchased Bonds by paying the purchase price thereof shall be deposited into the Series 2024B Purchase Account within the Construction Fund (described below) and shall be used by the Trustee to purchase the Purchased Bonds. See **PURPOSES FOR THE BONDS AND FINANCING PLAN** herein.

Cost of Issuance. The amount of the proceeds of the Series 2024B Bonds necessary to pay the costs of issuing the Series 2024B Bonds and costs of the refunding and the tender offer shall be deposited into the Series 2024B Cost of Issuance Account of the Construction Fund (described below).

Use of Pledged Revenues and Flow of Funds

Revenue Account. All of the Pledged Revenues (defined under **SECURITY FOR THE BONDS**), as and when received, shall be credited to an account maintained by UA, Fayetteville separately from the funds and accounts established pursuant to the Indenture, which account shall be designated “Various Facility Bond Revenue Account” (the “Revenue Account”). Moneys credited to the Revenue Account shall be used: first, to make required payments into the various funds and accounts established pursuant to the Master Indenture, on a parity of priority and security; and second, for any other lawful purpose.

Bond Fund. The Board has established with the Trustee a special fund in the name of the Board designated “Bond Fund.” Amounts credited to the Bond Fund shall be expended solely (i) to pay the principal of, premium, if any, and interest on the Bonds and other bonds issued pursuant to the Master Indenture, and (ii) to pay the fees and expenses of the Trustee. On each interest payment date, each redemption date, and each principal maturity date for any bonds issued under the Master Indenture, amounts on deposit in the Bond Fund shall be applied as follows: first, to the payment of interest due and payable with respect to the Bonds and any then outstanding Parity Bonds (as defined in the Master Indenture, and including the Existing Parity Bonds), and any Additional Parity Bonds (as hereinafter defined) on a pro rata basis without regard to series; second, to the principal due and payable on the Bonds and any Parity Bonds on a pro rata basis without regard to series; third, to the payment of interest due and payable with respect to Subordinate Bonds (defined as bonds issued under the Master Indenture with a priority of payment that is subordinate to the Bonds and Parity Bonds) without regard to series; fourth, to the payment of principal due and payable on Subordinate Bonds without regard to series; fifth, to the payment of any amounts due and payable on such date to the Trustee as payment for its fees; and sixth, to the payment of any amounts payable on such date to rebate accounts established for Parity Bonds.

On the seventh Business Day immediately preceding each interest payment date on the Bonds, each redemption date, and each maturity date of the Bonds, there shall be deposited in the Bond Fund, from amounts credited to the Revenue Account or from any other source then available for such purpose, any sums required, in addition to amounts already on deposit in the Bond Fund, to equal (i) all amounts due on such interest payment date, redemption date or maturity date with respect to the principal, redemption price, and interest on the Bonds and any additional bonds issued under the Master Indenture, and (ii) any amounts then due the Trustee as payment for its fees and expenses.

Construction Fund. The Board has established with the Trustee a special fund in the name of the Board designated “Construction Fund” (the “Construction Fund”), within which there shall be a Series 2024A Construction Account (the “Series 2024A Construction Account”), a Series 2024A Cost of Issuance Account (the “Series 2024A Cost of Issuance Account”), a Series 2024B Purchase Account (the “Series 2024B Purchase Account”), and a Series 2024B Cost of Issuance Account (the “Series 2024B Cost of Issuance Account”). Moneys in the Series 2024A Construction Account shall be used for the purpose of paying costs of the Project, except as provided in the Indenture. Upon the direction of the Executive Vice Chancellor for Finance and Administration of UA, Fayetteville (the “Vice Chancellor”), or her or his designee, interest earnings on moneys in the Series 2024A Construction Account shall be transferred to the Bond Fund and used to pay interest on the Series 2024A Bonds when due. Moneys in the Series 2024A Cost of Issuance Account shall be used for the purpose of paying the costs incurred in connection with issuing the Series 2024A Bonds. Moneys in the Series 2024A Construction Account will be disbursed by the Trustee on the basis of requisitions prepared by the Board and meeting the requirements of the Indenture. Moneys in the Series 2024B Purchase Account shall be used by the Trustee to purchase the Purchased Bonds. Moneys in the Series 2024B Cost of Issuance Account shall be used for the purpose of paying the costs incurred in connection with issuing the Series 2024B Bonds and costs of accomplishing the refunding and purchase of the Purchased Bonds.

Moneys remaining in the Series 2024A Cost of Issuance Account on December 1, 2024, will be transferred to the Series 2024A Construction Account and used to pay costs of the Project. Moneys remaining in the Series 2024A Construction Account upon completion of the Project will be transferred to the Bond Fund and applied pursuant to the Indenture, first, to make the payment on the Series 2024A Bonds on the next succeeding Interest Payment Date, and second, to redeem the Series 2024A Bonds on the first optional redemption date. Moneys remaining in the Series 2024B Cost of Issuance Account on December 1, 2024, will be transferred to the Bond Fund and used to pay interest on the Series 2024B Bonds.

Notwithstanding the foregoing, if any Event of Default shall have occurred, amounts in the Series 2024 Construction Account shall be applied to the payment of principal of and interest on the Bonds.

Rebate Account. The Board has established with the Trustee a special fund with respect to the Bonds, in the name of the Board designated the “Series 2024 Rebate Account” (the “Rebate Account”). The Board shall, pursuant to the Indenture, at the end of each five-Bond Year period and upon payment of all principal of the Bonds, calculate the amount of money to be rebated to the United States Treasury (the “Rebate Amount”) pursuant to §148(f) of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations established thereunder. The Board shall direct the Trustee to deposit an amount equal to the Rebate Amount with respect to the Bonds into the Rebate Account within 60 days after the end of each five-Bond Year period and upon payment of all principal of the Bonds. Such deposit may be made from any Pledged Revenues. The Rebate Account shall be held in trust for the benefit of the United States of America, and not for the benefit of the owners of the Bonds or of the Trustee. The Board shall pay from the amounts held in the Rebate Account to the United States Treasury the Rebate Amount at times and in amounts necessary to comply with the Code.

Investments. The Construction Fund shall, pursuant to the direction of the Vice Chancellor, be invested and reinvested by the Trustee in Permitted Investments (defined below), which mature or provide for withdrawal, in whole or in part, by the owner thereof at the option of the owner, on or prior to the date on which the funds invested will be needed for authorized expenditures.

Moneys held for the credit of the Rebate Account shall, pursuant to the direction of the Vice Chancellor, be invested and reinvested by the Trustee in Permitted Investments which shall mature, or shall be subject to redemption, in whole or in part, by the owner thereof at the option of the owner, not later than the date or dates on which payments of a Rebate Amount must be made.

Moneys held for the credit of the Bond Fund shall, pursuant to the direction of the Vice Chancellor, be invested and reinvested in Permitted Investments which shall mature, or shall be subject to redemption by the owner thereof, at the option of the owner, not later than the next succeeding interest payment date on the Bonds.

“Permitted Investments” shall mean any of the following:

(a) direct obligations of, or obligations guaranteed as to payment of principal and interest by, the United States of America (“Government Obligations”); or

(b) Money market funds comprised exclusively of Government Obligations, or mutual funds provided such funds are registered under the Federal Investment Company Act of 1940, whose shares are registered under the Federal Securities Act of 1933, and have a rating by S&P Global Ratings, a business unit of Standard & Poor’s Financial Services LLC (“S&P”) of AAAM-G, AAAM, AAAF, or AAM, or by Moody’s Investors Service, Inc. (“Moody’s”) of P-1; or

(c) (i) Federal funds, or banker’s acceptances, maturing in not more than 360 days, issued or accepted by commercial banks which have a rating on their short-term certificates of deposit on the date of purchase of at least A-1 by S&P or P-1 by Moody’s, (ii) U.S. dollar denominated certificates of deposit issued by commercial banks or savings and loans and fully insured by the Federal Deposit Insurance Corporation, or (iii) U.S. dollar denominated certificates of deposit issued by commercial banks or savings and loans, provided (a) the payment of principal of and interest on the certificate is fully secured by a pledge of Government Obligations or obligations described in (d) below, and (b) the Trustee receives an opinion of counsel satisfactory to the Trustee to the effect that the certificate holder holds a valid and legally effective security interest in the pledged obligations; or

(d) Senior debt obligations and mortgage-backed securities of the Federal Home Loan Mortgage Corporation, the Federal Home Loan Bank System, and Federal National Mortgage Association, or guaranteed mortgage-backed bonds and guaranteed pass-through obligations of the Government National Mortgage Association; or

(e) Investment agreements with or guaranteed by banks, other financial institutions, insurance companies, or other entities which are (i) rated (in the case of an insurance company, with respect to its claims-paying ability) not lower than the following categories by S&P and Moody’s: if the investment agreement has a term of one year or less, A-1 or P-1; if the investment agreement has a term of more than one year, AA- or A-1, or Aa3 or P-1; provided, however, that should the rating required above be reduced, such institution shall be permitted to deposit collateral with the Trustee, or an independent party satisfactory to the Trustee, in such amount and under such circumstances as are acceptable to each rating agency then maintaining a rating on the Bonds; or (ii) fully collateralized with Government Obligations; or

(f) “Tax-Exempt Obligations,” defined as obligations the interest on which is excluded from gross income of the owner thereof for federal income tax purposes under Section 103(a) of the Code, that are rated in the two highest long term or the highest short-term rating categories by S&P or Moody’s, and are not private activity bonds under the Code; or

(g) United States Treasury Obligations-State and Local Government Series, demand deposit securities; or

(h) Stock in a Qualified Regulated Investment Company (as defined in the Master Indenture) that is rated in the highest long-term or short-term rating category by S&P or Moody’s.

Obligations so purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account, and the interest accruing thereon and any profit realized from such investment shall be credited to such fund or account, and any loss resulting from such investment shall be charged to such fund or account.

Additional Bonds

No additional bonds may be issued with a prior lien on or a prior pledge of the Pledged Revenues over the lien and pledge securing the Bonds. Additional bonds may be issued ranking on a parity of pledge of the Pledged Revenues (“Additional Parity Bonds”), provided: the Board shall provide to the Trustee a certificate of the Chancellor of UA, Fayetteville or the Vice Chancellor projecting that Pledged Revenues in each of the next two succeeding fiscal years will equal or exceed 110% of the average annual debt service on (i) any Permitted Encumbrances (defined as Existing Obligations (of which none remain outstanding) and Other Obligations as identified above under **SECURITY FOR THE BONDS** (see also **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments** herein and Appendices F-1 and F-2 hereto)) then outstanding, (ii) the Bonds and all Additional Parity Bonds issued under the Master Indenture then outstanding, and (iii) the bonds proposed to be issued. In making the projection described in the preceding sentence, the Chancellor or Vice Chancellor may include in Pledged Revenues amounts reasonably expected to be received as a result of any further additions or expansions of the facilities financed by the bonds to be issued.

Additional bonds may also be issued on a subordinate pledge of the Pledged Revenues if, at the time of issuance, the Board is in compliance with all covenants contained in the Master Indenture, the Series 2024 Indenture, and any other Series Indenture providing for the issuance of additional bonds then outstanding.

Pledged Revenues; Permitted Encumbrances

The Board represents and warrants that as of the date of the Master Indenture, there are no superior liens against the Pledged Revenues, other than the Existing Obligations (defined as obligations of the Board payable from Pledged Revenues that were existing when the Master Indenture was executed, none of which remain outstanding). The Board covenants that it shall use due diligence to ensure collection of the Pledged Revenues and that it shall take all actions necessary to maintain Pledged Revenues at the level necessary to make required debt service payments on all indebtedness issued under the Master Indenture, Existing Obligations, and Other Obligations. The Board has further covenanted not to pledge the Pledged Revenues as security for any other indebtedness or borrowing (other than Other Obligations) and not to create or permit the creation of any charges upon, liens against, or encumbrances of any kind, on the Pledged Revenues except for Existing Obligations, Other Obligations and bonds issued under and in accordance with the provisions of the Master Indenture. See also **SECURITY FOR THE BONDS** herein.

Events of Default

The Master Indenture defines “Events of Default” as:

(a) Payment of the principal and premium, if any, on any of the bonds issued under the Master Indenture shall not be made when the same shall become due and payable (other than Subordinate Bonds, the non-payment of which shall not be an Event of Default unless the Series Indenture relating to such Subordinate Bonds provides otherwise), either at maturity or by proceedings for redemption or otherwise; or

(b) Payment of any installment of interest on any of the bonds issued under the Master Indenture shall not be made when the same shall become due and payable (other than Subordinate Bonds, the non-payment of interest on which shall not be an Event of Default unless the Series Indenture relating to such Subordinate Bonds provides otherwise); or

(c) The Board shall violate any covenant contained in an Arbitrage Certificate (defined as the certificate of the Board in connection with each series of tax-exempt bonds setting forth the reasonable

expectations of the Board concerning certain covenants pertaining to compliance with Section 148 of the Code and procedures to be followed to ensure that interest on the bonds is, and continues to be, excluded from gross income for federal income tax purposes); and such violation is not cured within thirty (30) days of its discovery; or

(d) Any proceeding shall be instituted, with the consent or acquiescence of the Board, for the purpose of adjusting the claims of creditors pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are under any circumstances payable out of Pledged Revenues; or

(e) The Board shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in any bonds issued under the Master Indenture, in any Series Indenture, or in the Master Indenture, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Board by the Trustee, which may give such notice in its discretion and shall give such notice upon the written request of the registered owners of not less than twenty-five percent (25%) in principal amount of the bonds of each affected series then outstanding; provided, however, that if the default is such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by or on behalf of the Board within the applicable period and diligently pursued until the default is corrected.

Upon the occurrence of an Event of Default under (a) or (b) above with respect to the Bonds or with respect to any other series of bonds issued under the Master Indenture, the Trustee shall declare the entire principal of and interest on the bonds of the affected series immediately due and payable. Upon the occurrence of an Event of Default with respect to the Bonds or with respect to any other series of bonds issued under the Master Indenture under (c), (d), or (e) above, the Trustee may, and at the request of the registered owners of twenty-five percent (25%) in principal amount of the outstanding bonds of the affected series shall, by notice to the Board, declare the entire principal of and interest on the bonds of the affected series immediately due and payable. The bonds of the affected series shall immediately be due and payable on such date and no interest shall accrue thereon from and after such date. The Trustee shall pay the principal of and interest on all bonds of the affected series from the revenues and receipts specifically pledged for such purpose and from any other funds made available by the Board.

Upon the occurrence of an Event of Default with respect to a series of bonds under (a) or (b) above, the Trustee may, upon a determination by the Trustee that such an Event of Default impairs the security for other series, accelerate all or some of the series then outstanding and declare the entire unpaid principal of and interest on such series due and payable immediately without further notice and demand and such series shall immediately be due and payable on such date. Upon the occurrence of an Event of Default with respect to a series of bonds under (c), (d) or (e) above, only the affected series of bonds shall be accelerated unless the acceleration of another series has been requested by the registered owners of twenty-five percent (25%) in aggregate principal amount of bonds of such series then outstanding.

Upon the happening and continuance of any Event of Default the Trustee may proceed, and upon the written request of the owners of not less than twenty-five percent (25%) in principal amount of each series of bonds which are affected by such Event of Default shall proceed, subject to the provisions of the Indenture giving the Trustee the right to indemnity (see **CONCERNING THE TRUSTEE**, herein), to protect and enforce its rights and the rights of the registered owners of the bonds of such affected series under the applicable laws of the State or under the Indenture by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of a power herein granted or for the enforcement of any proper legal or equitable remedy, including mandamus, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

If at any time the moneys in the Bond Fund shall not be sufficient to pay the principal of or the interest on the Bonds or on any additional bonds issued under the Master Indenture as the same become due and payable (either by their terms or by acceleration of maturities as provided above), such moneys then available or thereafter becoming available for such purposes after payment of the fees and expenses of the Trustee, whether through the exercise of the remedies provided above or otherwise, shall be applied as follows:

(a) Unless the principal of all the bonds issued under the Master Indenture shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST: To the payment of the persons entitled thereto of all installments of interest then due, in the order of maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installments, to the persons

entitled thereto, without any discrimination or privilege (other than such discrimination as may be required by a Series Indenture with respect to Subordinate Bonds);

SECOND: To the payment to the persons entitled thereto of the unpaid principal of any bonds issued under the Master Indenture which shall have become due (other than bonds called for redemption for the payment of which moneys are held pursuant to the provisions of the Master Indenture), in the order of their due dates, with interest on such bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full the bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto, without any discrimination or privilege (other than such discrimination as may be required by any Series Indenture with respect to Subordinate Bonds); and

THIRD: To the payment of the interest on and the principal of all bonds issued under the Master Indenture and to the redemption of bonds, all in accordance with the provisions of the Master Indenture and the applicable Series Indentures (including the Series 2024 Indenture and the Series Indentures securing the Existing Parity Bonds).

(b) If more than one series of bonds issued under the Master Indenture shall have been accelerated, the payments set forth in clause SECOND above shall be made pro rata with respect to all bonds so accelerated, without regard to series; provided, however, that no payments shall be made with respect to any Subordinate Bonds until all payments due with respect to such other accelerated bonds have been made.

(c) If the principal of all the bonds of a series shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of paragraph (b) in the event that the principal shall later become due or be declared due and payable, the moneys then remaining in and thereafter accruing to the Bond Fund shall be applied in accordance with the provision of paragraph (a).

(d) Whenever moneys are to be applied by the Trustee, such moneys shall be applied by it at such times, and from time to time, as it shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future.

Defeasance

If, when the Bonds secured by the Indenture become due and payable in accordance with their terms or been duly called for redemption or irrevocable instructions to call the Bonds for redemption have been given by the Board to the Trustee, the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds then Outstanding shall be paid or sufficient moneys shall be paid to the Trustee for such purpose under the provisions of the Indenture (if such moneys are invested in noncallable Government Obligations having maturity dates on or prior to the date the moneys will be needed, there may be included in determining the sufficiency of the moneys, the interest to be earned on such investments), and provisions shall also be made for paying all other sums payable under the Indenture by the Board, then and in that case the right, title and interest of the Trustee shall thereupon cease, terminate, and become void, and the Trustee in such case, on demand of the Board, shall release the Indenture and shall execute such documents to evidence such release as may be reasonably required by the Board, and shall turn over to the Board or to such officer, board or body as may then be entitled by law to receive the same any moneys remaining in its hands other than moneys held for the redemption or payment of the Bonds; otherwise the Indenture shall be, continue and remain in full force and effect.

Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of the Indenture when the whole amount of the principal and the interest and the premium, if any, so due and payable upon such Bond shall be paid or sufficient moneys shall be irrevocably set aside exclusively for that purpose under the provisions of the Indenture (if such moneys are invested in noncallable Government Obligations having maturity dates on or prior to the date the moneys will be needed, there may be included in determining the sufficiency of the moneys the interest to be earned on such investments).

The Board may at any time surrender to the Trustee for cancellation by it any Bonds previously authenticated and delivered under the Indenture which the Board may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

Second Supplement to Master Indenture Amendments

The Board has proposed the Second Supplement to Master Indenture, which amends certain provisions of the Master Indenture. The Master Trust Indenture and the First Supplement to Master Trust Indenture are attached hereto as Appendix F-1, and the form of the Second Supplement to Master Indenture is attached hereto as Appendix F-2.

Among other changes, the Second Supplement to Master Indenture amends the definition of “Other Obligations” in order to remove certain limitations on the Board’s ability to issue obligations other than under the Master Indenture with a pledge of Pledged Revenues subordinate to the pledge securing the Bonds. The current definition of “Other Obligations” limits the incurrence of Other Obligations to not more than \$1,000,000 in any single instance, and not more than \$5,000,000 in the aggregate in any fiscal year (see **SECURITY FOR THE BONDS** herein). The Second Supplement to Master Indenture eliminates such limitations on the amount of Other Obligations to enable Board and UA, Fayetteville to incur Other Obligations in any amount. The Board may incur Other Obligations without complying with the test for issuing additional bonds contained in **SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Additional Bonds** herein. The Master Indenture requires that the Board take all action necessary to maintain Pledged Revenues at the level necessary to make all required debt service payments on the Bonds, any other indebtedness issued under the Master Indenture, the Existing Obligations (of which none remain outstanding), and any Other Obligations.

In addition, the Second Supplement to Master Indenture amends the definition of “UA-Fayetteville” contained in the Master Indenture to mean “the Fayetteville campus of the University of Arkansas, whether such campus facilities are located in the City of Fayetteville, Arkansas or elsewhere.” The purpose of this change is to provide that bonds can be issued under the Master Indenture for the benefit of UA, Fayetteville even if the facilities being financed are not located in the City of Fayetteville.

Unless the Board determines that the Second Supplement to Master Indenture should not be effective or executed as provided below, the Second Supplement to Master Indenture shall become effective and be executed and delivered by the Board and the Trustee on the date that the Board files with the Trustee:

- (i) a certificate stating that all the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2011A (which are no longer outstanding), the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2011B (which are no longer outstanding), the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2012B (which are no longer outstanding), the Series 2014B Bonds, the Series 2015B Bonds, the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2015C Bonds (which are no longer outstanding), the Series 2016A Bonds, the Series 2016B Bonds, the Series 2017 Bonds, the Series 2018 Bonds, the Series 2019A Bonds, and the Series 2019B Bonds have been defeased or retired and are no longer outstanding under the Master Indenture;
- (ii) a certificate stating that the Board is not in default under the Master Indenture or any Series Indenture; and
- (iii) an opinion or opinions of bond counsel to the effect that all bonds issued under the Master Indenture prior to December 1, 2021 have been defeased or retired and are no longer outstanding under the Master Indenture.

By their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have consented to the amendments to the Master Indenture contained in the form of the Second Supplement to Master Indenture (with only such revisions or amendments as would be allowed pursuant to Section 1001 of the Master Indenture). In addition, by their purchase of bonds issued under the Master Indenture issued on and after December 1, 2021 (including the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Bonds, and each subsequent series of Additional Parity Bonds), the purchasers and subsequent transferees have been deemed and will be deemed to have waived, with respect to the Second Supplement to Master Indenture, the requirements of Section 1002 of the Master Indenture with respect to the approval process for a supplemental indenture.

At any time prior to the date that the Second Supplement to Master Indenture is effective and executed (as set forth above), the Board may determine that the amendments contained therein should not become effective. In the event of such determination, the Board shall provide written notice to the Trustee that the Second Supplement to Master Indenture shall not become effective. Upon the filing of the notice specified in the preceding sentence with the

Trustee, the Second Supplement to Master Indenture, and the amendments to the Master Indenture contained therein, shall be null and void, and such amendments contained in the Second Supplement to Master Indenture shall not become effective or be executed.

**THE UNIVERSITY OF ARKANSAS SYSTEM AND
THE FAYETTEVILLE CAMPUS OF THE SYSTEM**

FINANCIAL STATEMENTS

UA, Fayetteville

Set forth in **Appendix C** to this Official Statement are the financial statements of UA, Fayetteville for the fiscal year ended June 30, 2023, which financial statements have been audited by the Arkansas Legislative Audit, as indicated in its report dated November 29, 2023, which report is also included in **Appendix C**. The notes set forth in **Appendix C** are an integral part of the financial statements, and the statements and notes should be read in their entirety.

The financial report of UA, Fayetteville includes three primary financial statements: the Statement of Net Position, the Statement of Revenues, Expenses, and Changes in Net Position and the Statement of Cash Flows. The financial statements of two component units are presented discretely from the System. The notes to the financial statements provide additional information that is essential to understanding the primary financial statements. Other required supplementary information provides additional information related to other post-employment benefits.

The financial statements of UA, Fayetteville are presented in accordance with Governmental Accounting Standards Board (GASB) Statement No. 35, Basic Financial Statements-and Management's Discussion and Analysis-for Public Colleges and Universities. The statement establishes standards for financial reporting of public colleges and universities and requires that financial statements be presented on an entity-wide basis to focus on the System as a whole. Statements are prepared using the accrual basis of accounting, which is consistent with the accounting method used by private-sector entities. All of the current year's revenues and expenses are recognized when earned or incurred, regardless of when cash is received or paid.

The System has identified two foundations as component units subject to inclusion in the financial report: the University of Arkansas Fayetteville Campus Foundation, Inc., and the Razorback Foundation, Inc. As component units, their financial information is included in the UA, Fayetteville financial report in accordance with GASB Statement No. 39, Determining Whether Certain Organizations Are Component Units. This statement provides criteria for determining which related organizations should be reported as component units based on the nature and significance of their relationship to the primary government, which is the System. Additional information regarding this reporting requirement is provided at Notes to the Financial Statements (Note) No. 1 "Summary of Significant Accounting Policies", under the "Discretely Presented Component Units" heading.

Reference is made to Management's Discussion and Analysis which is included in full in **Appendix C**.

These financial statements should be read in their entirety.

University of Arkansas System

Set forth in **Appendix D** to this Official Statement are the consolidated financial statements of the University of Arkansas System for the fiscal year ended June 30, 2023, which consolidated financial statements have been audited by the Arkansas Legislative Audit of the State of Arkansas, as indicated in its report dated November 29, 2023, which report is also included in **Appendix D**. The notes set forth in **Appendix D** are an integral part of the consolidated financial report, and the report's financial statements and notes should be read in their entirety. Audited financial statements of the University of Arkansas System for prior fiscal years may be obtained at the University of Arkansas System's website (currently <http://www.uasys.edu/system-administration/finance-and-administration/financial-statements/>) or at the Arkansas Legislative Audit's website (currently <http://www.arklegaudit.gov/>) using the search term "University of Arkansas"). These financial statements should be read in their entirety.

TAX MATTERS

Federal Law

In the opinion of Friday, Eldredge & Clark, LLP, bond counsel, under existing law, interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, such interest will be taken into account in determining annual adjusted financial statement income for the purpose of computing the federal alternative minimum tax. The opinion of bond counsel is subject to the condition that the Board comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal tax purposes. These requirements generally relate to arbitrage, the use of proceeds of the Bonds, and restrictions on the ownership and use of the capital improvements being financed or refinanced with proceeds of the Bonds. The Board has covenanted to comply with each such requirement. Failure to comply with certain of such requirements

may cause the inclusion of interest on the Bonds in gross income for federal tax purposes to be retroactive to the date of issuance of the Bonds.

The proposed opinion of bond counsel is attached as Appendix B hereto. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the Bonds.

Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations and foreign corporations operating branches in the United States); property and casualty insurance companies; banks, thrifts or other financial institutions; certain recipients of Social Security or Railroad Retirement benefits; taxpayers otherwise entitled to claim the earned income tax credit; and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors concerning their tax consequences of purchasing and holding the Bonds.

Current and future legislative proposals, if enacted into law, clarification of the Code, or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. It cannot be predicted whether or in what form any such proposals or clarifications might be enacted or approved or whether, if enacted or approved, it would apply to bonds issued before enactment or approval. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any enacted, pending or proposed federal or state tax legislation, regulations, clarifications or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

As shown on the inside front cover page of this Official Statement, certain of the Bonds are being sold at a premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

State Law

Further, in the opinion of Bond Counsel, under existing laws, the Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxation.

CONTINUING DISCLOSURE

General

The Board has entered into a Continuing Disclosure Agreement with Simmons Bank (the "Disclosure Agreement") pursuant to which the Board has agreed that the Board will provide, annually and as otherwise required, information specified in Rule 15c2-12(b) of the Securities Exchange Act of 1934, as amended. Such information may be posted on the Municipal Securities Rulemaking Board's internet website, www.emma.msrb.org, and may be obtained on the EMMA website on the Board's customized issuer page entitled "Board of Trustees of the University of Arkansas Financial Information." Though the method to access the Board's EMMA issuer page may change in the future due to changes in the website, the Board's EMMA issuer page can currently be accessed through the "Browse Issuers" tab by selecting Arkansas as the state and scrolling down or using the "Search within list" function to locate the "Board of Trustees of the University of Arkansas Financial Information" page. If an interested party is unable to access the Board's EMMA issuer page, assistance can be obtained by contacting the Vice President for Finance and Chief Financial Officer of the System.

The form of the Disclosure Agreement is attached hereto as Appendix E.

Past Compliance

The Board is a party to multiple continuing disclosure agreements for its various bond issues that benefit its campuses. While the Board has not made any determinations as to materiality, the following paragraphs, while not exhaustive, summarize the results of the Board's review of compliance with prior continuing disclosure obligations over the past five years.

The trustee for the Board's Student Fee Refunding Revenue Bonds (Phillips Community College), Series 2015 merged with another banking institution and changed its name effective October 1, 2022. Though no determination of materiality was made, a notice of the change in the trustee's name was not filed on EMMA until March 17, 2023.

In addition, with respect to some of the Board's continuing disclosure filings, there were a few instances in which, due to an inputting error by the trustee for a bond issue, the required disclosure information was not associated with all of the CUSIPs for a bond issue at the time the financial information and operating data were initially filed.

Also, the Board is an obligated person under a continuing disclosure undertaking executed in connection with the Arkansas Development Finance Authority Tobacco Settlement Revenue Bonds, Series 2006 (Arkansas Cancer Research Center Project) (the "Tobacco Bonds") (see Note 22 of the audited financial statements of the University of Arkansas System contained in Appendix D hereto). Pursuant to the Tobacco Bonds continuing disclosure undertaking, the Board is required to make annual filings of audited financial statements of UAMS and the Board, along with certain financial information and operating data with respect to UAMS in the same format and content as that contained in the official statement for the Tobacco Bonds. In certain fiscal years, including the fiscal year ended June 30, 2018, the Board prepared reports containing certain financial information and operating data for UAMS and the Board and provided such reports to the Arkansas Development Finance Authority ("ADFA"), as dissemination agent. ADFA timely filed such reports, but such filings did not contain all statistical information referenced by the Tobacco Bonds continuing disclosure undertaking, or in some cases, such information was not in the same format as that contained in the official statement for the Tobacco Bonds. On July 8, 2019, a supplemental filing containing all missing information and reflecting all information in the correct format was uploaded to the EMMA system. ADFA, in its role as dissemination agent, did not file any notices of non-compliance with the Tobacco Bonds continuing disclosure undertaking.

Further, in the past the Board did not file certain notices of late filings or notices of certain listed events as required. These instances include the failure to file notice of non-compliance with its continuing disclosure undertakings.

The Board has undertaken steps to ensure continued future compliance with its continuing disclosure undertakings.

ENFORCEABILITY OF REMEDIES

Under the United States and Arkansas Constitutions, the Board has sovereign immunity from certain lawsuits, but agents and employees of the Board may, by mandamus, be compelled to perform the duties of the Board under the Master Indenture and the Series 2024 Indenture, including the application of the Pledged Revenues to the payment of the Bonds in accordance with the terms of the Master Indenture and the Series 2024 Indenture. Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Master Indenture and the Series 2024 Indenture may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Master Indenture and the Series 2024 Indenture resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

FINANCIAL ADVISOR

PFM Financial Advisors LLC ("PFM") is employed by the System and by UA, Fayetteville to perform professional services in the capacity of financial advisor. In its role as financial advisor to the System and UA, Fayetteville, PFM has provided advice on the plan of financing and structure of the Bonds, and reviewed certain legal

and disclosure documents, including this Official Statement, for financial matters. PFM has not independently verified the factual information contained in this Official Statement, but relied on the information supplied by UA, Fayetteville, the System, and other sources and the Board's certification as to the Official Statement.

LEGAL AND LEGISLATIVE MATTERS AND OTHER CONSIDERATIONS

Legal Opinions

Legal matters incident to the authorization and issuance of the Bonds are subject to the approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel. The proposed opinion of Bond Counsel is attached as Appendix B hereto. Copies of such opinion will be available at the time of the delivery of the Bonds. Certain legal matters will be passed upon for the Underwriters by Kutak Rock LLP, Little Rock, Arkansas, counsel to the Underwriters.

Litigation

There is no controversy or litigation of any nature now pending or threatened restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds, any proceedings of the Board taken with respect to the issuance or sale thereof, the pledge or application of the Pledged Revenues or other moneys that may be provided for the payment of the Bonds, the existence or powers of the Board or the title of any officers of the Board to their respective positions, or the ability of the Board to make payment on the Bonds.

See the information under the caption **THE UNIVERSITY OF ARKANSAS SYSTEM, ARE-ON Litigation** in Appendix A hereto.

Factors Affecting the Board's Funding

The State portion of the Board's budget is subject to appropriation by the General Assembly of the State every year, and the Board has no control over the amounts so appropriated. There can be no assurance that the levels of future appropriations to the Board will not impair its ability to make payments on the Bonds. The Arkansas Supreme Court has ruled that the State's public school (primary and secondary) funding system is a priority for appropriation of State funds.

In the 2018-2019 fiscal year, the State implemented a productivity-based funding model (the "Productivity-Based Funding Model") for State-supported institutions of higher education, including campuses of the System. The productivity-based funding formula and related policies contain measures for effectiveness, affordability, and efficiency that acknowledge the following priorities: (i) differences in institutional missions; (ii) completion of students' educational goals; (iii) progression toward students' completion of programs of study; (iv) affordability through (A) on-time completion of programs of study, (B) limiting the number of excess credits earned by students, and (C) efficient allocation of resources; (v) institutional collaboration that encourages the successful transfer of students; (vi) success in serving underrepresented students; and (vii) production of students graduating with credentials in science, technology, engineering, mathematics, and high-demand fields. The Productivity-Based Funding Model replaced the prior Arkansas higher education funding formula, which was based largely on student enrollment.

Funding for the fiscal year ended June 30, 2020 and budgeted funding for the fiscal year ending June 30, 2021 was initially impacted by the COVID-19 outbreak, but due to higher than expected State revenues, funding was restored to previous levels. There can be no assurance that COVID-19 related budget or funding decreases related to COVID-19 or related to some other emergency will not be necessary in the future.

State fiscal year 2022 revenues were up 9.2% over fiscal year 2021, resulting in a revenue surplus of approximately \$1.628 billion. Individual income tax collections were 5.1% above collections in fiscal year 2021. In a special session of the Arkansas General Assembly held in late 2021, legislation was adopted reducing the top income tax rates for individuals from 5.9% to 4.9% incrementally over the next four years. For the tax year beginning January 1, 2022, the top rate was reduced to 5.5%. In light of the fiscal year 2022 budget surplus, in August 2022 the State legislature passed additional tax relief designed to accelerate corporate and individual income tax cuts, to change State depreciation requirements to match federal requirements, and to provide a tax credit for lower income individuals. In April 2023 and again in June 2024, the State legislature passed further reductions in individual income tax rates and corporate income tax rates. Despite these developments, there can be no assurance that budget or funding decreases related to COVID-19 or related to some other emergency will not be necessary in the future.

Factors Related to UAMS

General.

The Board has previously issued bonds secured by revenues attributable to in-patient services and other ancillary, therapeutic and diagnostic services (the “UAMS Hospital Revenue Bonds”) provided at hospital facilities of the University of Arkansas for Medical Sciences (“UAMS”). As of June 30, 2023, approximately \$567,625,000 in aggregate principal amount of UAMS Hospital Revenue Bonds was outstanding (the outstanding bonds amount does not include the \$71,378,932 outstanding principal amount of Arkansas Development Finance Authority Tobacco Settlement Revenue Bonds, Series 2006 (Arkansas Cancer Research Center Project), which are secured in part by UAMS revenues (see Note 22 to Appendix D hereto)). The Board has also issued its \$32,390,000 Parking System Revenue Bonds (UAMS Campus), Refunding and Improvement Series 2022A and Taxable Improvement Series 2022B, which are secured by parking revenues of UAMS. The UAMS Hospital Revenue Bonds and other bonds issued for the benefit of UAMS, like the Bonds, are general obligations of the Board, and to the extent the revenues pledged to such obligations are insufficient to pay debt service thereon, the Board is obligated to pay debt service from any other moneys available in accordance with the Constitution and laws of the State.

It should be noted that approximately 36% of the Board’s fiscal year 2022 and approximately 34% of the Board’s fiscal year 2023 operating and non-operating revenues were derived from patient care services provided through UAMS and the UAMS Medical Center (the “Medical Center”). While this exposes the Board to the healthcare sector’s challenges, the Board believes that the Medical Center’s substantial scale, specialty services not provided elsewhere in the State, and strong inpatient and outpatient utilization levels mitigate the overall healthcare risk to the Board’s revenues. As further set forth below, however, legislative mandates, public policy considerations, and the COVID-19 pandemic have had and may continue to have a significant financial impact on UAMS.

The Health Reform Law and the Arkansas Private Option Program.

In recent years, health care reform at both the federal and state levels has been identified as a priority by political leaders and candidates, business leaders and public advocates. In 2010, H.R. 3590, the Patient Protection and Affordable Care Act, amended by H.R. 4872, the Health Care and Education Reconciliation Act of 2010 (collectively, the “Affordable Care Act”) was enacted. Various aspects of the Affordable Care Act are described below.

A significant component of the Affordable Care Act is reformation of the sources and methods by which consumers pay for health care for themselves and their families, and by which employers procure health insurance for their employees and dependents of their employees and, as a consequence, expansion in the overall number of consumers of health care services. The Affordable Care Act was designed, in substantial part, to make available, or subsidize the premium costs of, health care insurance for some of the millions of uninsured (or underinsured) consumers, in particular those who fall below certain income levels. The Affordable Care Act proposed to accomplish that objective through various provisions, including the following: (i) the creation of active markets (referred to as exchanges) in which individuals and small employers can purchase health care insurance for themselves and their families or their employees and dependents; (ii) the provision of means tested subsidies for premium costs to certain individuals and families based upon their income relative to federal poverty levels; (iii) the requirement that individual consumers obtain, and certain employers provide, a minimum level of health care insurance, and the provision of a penalty in the form of taxes on consumers and employers that do not comply with these mandates; (iv) the expansion of private commercial insurance coverage generally through reforms such as prohibition on denials of coverage for pre-existing conditions and elimination of lifetime or annual cost caps; and (v) the expansion of existing public programs for individuals and families, including the Medicaid program. The Affordable Care Act has produced some of the results expected from its passage – an increase in utilization of health care services by those who were avoiding or rationing their health care. Although bad debt expenses and/or charity care may have been reduced as a result of some provisions of the Affordable Care Act, increased utilization has also resulted in increased variable and fixed costs of providing such health care services, which costs may or may not be offset by increased revenues.

The Affordable Care Act contains a number of coverage expansion measures, including prohibitions against insurers denying coverage or imposing coverage exclusions on children with preexisting conditions, provisions permitting young adults to obtain coverage under their parents’ plans, and restrictions on insurance policy coverage limits. An array of coverage expansion, health insurance regulation and tax increase measures are also in effect, including broad insurance coverage mandates for individuals and certain employer mandates.

In June 2012, in response to litigation brought by a group of state attorneys general, the U.S. Supreme Court (*National Federation of Independent Business v. Sebelius*) upheld most provisions of the Affordable Care Act while also substantially limiting the law’s expansion of Medicaid, allowing states to choose between participating in the

expansion while receiving additional federal payments or foregoing the expansion and retaining existing payments. Instead of fully expanding the Arkansas Medicaid program as envisioned by the Affordable Care Act, the State of Arkansas sought and obtained a waiver from the federal government to instead institute a hybrid approach commonly referred to as the “private option.” Under the current version of the private option, individuals in Arkansas earning less than 138% of the federal poverty level income amount are eligible to receive a government subsidy to purchase private insurance through an insurance exchange. The adoption of the State’s private option program by the Arkansas General Assembly, effective June 1, 2014, has resulted in insurance coverage to an estimated 285,000 previously uninsured persons and a corresponding decrease in the costs of uncompensated care to Arkansas hospitals. Subsequent to implementation of the Work Requirement (as hereinafter defined and discussed below), it was estimated that insurance coverage was extended to approximately 227,284 previously uninsured persons. Any repeal or revision of the Affordable Care Act could potentially invalidate the Arkansas private option program, which, in turn, could have a material negative impact on patient revenues of UAMS and its ability to satisfy its payment obligations with respect to its indebtedness, including the Bonds.

Under State law, the private option program requires annual reauthorization and appropriation by a vote of at least 75% of the senators and representatives in each chamber of the Arkansas General Assembly. Approval in 2018 was accomplished with 27 votes (27 required) in the Senate and 79 votes (75 required) in the House. Reauthorization was obtained in 2016, 2017 and 2018 only after a number of amendments to the program such as (i) requiring the payment of small premiums by persons earning between 100% and 138% of the federal poverty level income amount, (ii) the requirement for able-bodied recipients to work, be engaged in work or education training, or volunteer with a charitable organization (the “Work Requirement”), (iii) reducing the retroactive eligibility standard for Medicare coverage from 90 days before enrollment to 30 days prior to enrollment, and (iv) rebranding of the program as “Arkansas Works.” The amendments were approved through a waiver process with the Centers for Medicare and Medicaid Services (“CMS”).

The Work Requirement, the first of its kind in the nation, became effective in June of 2018, and required non-exempt beneficiaries to report 80 hours each month of work, work training, education, or community service. The reporting process, which required the submission of hours through an online portal, proved to be controversial. In August 2018, Arkansas Works had 265,223 total enrollees. By December 2018, 18,000 beneficiaries had been removed from the program. In March of 2019, the Work Requirement was struck down by a federal judge in the United States District Court for the District of Columbia (*Gresham v. Azar*). In February of 2020, a federal appeals court panel for the United States Court of Appeals for the District of Columbia Circuit unanimously upheld the lower court’s ruling striking down the Work Requirement. The Trump Administration petitioned the United States Supreme Court to hear an appeal of the decision and that petition was granted in December 2020. Oral arguments originally set for late March were cancelled at the request of the acting U.S. Solicitor General. The Biden administration reversed the position of the Trump administration regarding waiver approvals for work requirements in conjunction with the Medicaid program. On March 17, 2021, CMS revoked the waiver previously issued to Arkansas. The Supreme Court dismissed the pending appeal as moot on April 18, 2022.

Because the earlier decision did not grant a stay, the Work Requirement was not in effect after March of 2019 and individuals who lost eligibility for Arkansas Works coverage are currently eligible to reapply. Reauthorization and appropriation of the program for 2019 was impacted as a result of the initial decision by the federal judge; although the bill to fund the Division of Medical Services, which implements the state Medicaid program, passed the Senate, it failed in the House of Representatives, achieving only 58 votes (75 required). Brought before the chamber again, the bill received the 75 votes needed to fund the program for 2019. Since the Medicaid Expansion in 2013, it has proven difficult to achieve the 75 necessary votes necessary for the Division of Medical Services’ appropriation. Reauthorization was extended for another year without controversy in April 2020. In 2021, the reauthorization and appropriation bill passed on its fifth try in the House, eventually receiving 78 votes to pass, though it passed on the first vote in the Senate. Reauthorization was extended without controversy in 2022 and 2023.

Given the annual appropriation requirement for the Arkansas private option (which is also subject to a lengthy review and approval process by CMS with respect to any changes to the program), the State budget challenges stemming from the COVID-19 pandemic, and the current political environment, the long-term status of Arkansas’ private option program cannot be assured. In order for the program to continue into the State’s next fiscal year, it will be necessary for the Arkansas House of Representatives and Senate to approve reauthorization by the 75% supermajorities of senators and representatives described above. As noted above, CMS has rescinded the waivers that permitted the work requirements discussed above in connection with Medicaid expansion in several states, including Arkansas. Although a rescission of such waivers is subject to legal challenge by the states that enacted work requirements in reliance thereon, the results of any such challenge are impossible to predict.

Given these developments, legislation known as the Arkansas Health and Opportunity for Me Act (“ARHOME”) has been enacted by the Arkansas General Assembly and signed by the Governor. ARHOME retains the private insurance model for purchasing health insurance plans for participants that exists in the current Arkansas Works program, but makes the private option available only to those applicants who meet certain work requirements similar to those previously included in the Arkansas Works program. Otherwise qualifying applicants who do not satisfy such work requirement incentives will nevertheless be covered under ARHOME on a fee-for-service basis, under which providers are generally reimbursed for services at a lesser rate than by private insurers. CMS approved some provisions of ARHOME on December 21, 2021. CMS did not approve the State’s request to continue to require individuals with income above 100 percent of the federal poverty level to pay a share of the premiums for their coverage. CMS is still considering other provisions of ARHOME, including Life360 HOMES, which would provide additional aid for people with mental illnesses and young people at risk for long-term poverty. CMS has approved a provision relating to Life360 HOMES for additional support for pregnant women. There can be no assurance that any future continuation of the Medicaid expansion program in Arkansas will be enacted, and, if enacted, the impact on Medicaid revenues received by UAMS. The provisions of ARHOME approved by CMS became effective January 1, 2022.

Governor Sarah Huckabee Sanders announced on February 15, 2023 that she had directed the Arkansas Department of Human Services to implement a work requirement for able-bodied adults who receive enhanced Medicaid coverage through ARHOME. Implementation of the work requirement will require an amendment to the ARHOME Section 1115 Medicaid Demonstration Waiver to be approved by CMS. The original proposed effective date for the amendment was January 1, 2024. The proposed amendment to the Section 1115 Demonstration Waiver was filed for CMS approval on June 2, 2023 and remains under CMS review.

Any repeal or revision of the Arkansas private option program that would reduce the number of Arkansans with insurance coverage could have a material negative impact on patient revenues of UAMS and its ability to satisfy its payment obligations with respect to its indebtedness.

Any repeal or amendment of the Affordable Care Act (or change in the implementation thereof) or of Arkansas’ private option expansion could have a material negative impact on revenues of UAMS and its ability to satisfy its payment obligations for its indebtedness.

In 2014, the federal and state health insurance exchanges intended to facilitate the purchase of health insurance became operational. The federal exchange and some state exchanges initially experienced widespread technical difficulties and lower than expected enrollment figures. Issues with respect to the exchanges have been largely resolved. Health insurance providers participating in the health insurance exchanges are subject to regulation of benefit packages and review of premiums. Purchasers of insurance on these exchanges meeting certain income limitations are eligible for tax credits. The U.S. Supreme Court has upheld United States Treasury Regulations permitting health insurance exchange purchasers to receive tax credit subsidies, regardless of whether the purchase is made through a federal or a state-operated health exchange.

In 2015, the employer mandate, after being delayed twice, went into effect for certain employers, and in 2016, the employer mandate for smaller employers became effective. In November 2015, the Bipartisan Budget Act of 2015 repealed a provision of the Affordable Care Act which required employers offering one or more health benefit plans and having more than 200 full-time employees to automatically enroll new full-time employees in a health plan.

The Affordable Care Act contains provisions aimed at reducing Medicare and Medicaid reimbursements to providers and reducing projected growth of the Medicare program, including reducing Medicare Advantage payments, reducing reimbursement under the disproportionate share hospital (“DSH”) program, and tying provider payments more closely to efficiency and quality outcomes. Another major component of the Affordable Care Act is its enhanced health care program integrity provisions. The Affordable Care Act contains more than thirty-two sections relating to health care fraud and abuse and federal health care program integrity, as well as significant amendments to existing criminal, civil and administrative anti-fraud statutes. Specifically, the Affordable Care Act amended the False Claims Act regarding the timing of the obligation to reimburse overpayments. Further, the Affordable Care Act authorizes the Secretary of Health and Human Services (“HHS”) to exclude a provider’s participation in the Medicare, Medicaid and the Children’s Health Insurance Program programs, as well as to suspend payments to a provider, pending an investigation of a credible allegation of fraud against the provider. The potential for increased legal exposure due to the Affordable Care Act’s enhanced compliance and regulatory requirements, disclosure and transparency obligations, quality of care expectations and extraordinary enforcement provisions could increase the UAMS’s operating expenses.

With expanded health insurance coverage under the Affordable Care Act, UAMS has benefitted from reduced charity care write-offs and bad debt expenses. A portion of those gains, however, have been offset by the increase in

high deductible insurance plans under which insured patients are more likely to fail to make payment. UAMS has also benefitted from the expansion of the Medicaid program and increased Medicaid reimbursement for services provided by employed physicians. Conversely, the Affordable Care Act has resulted in lower Medicare reimbursements and reduced Medicare and Medicaid DSH funding. The new reimbursement methodologies have resulted in increased pressures for greater operational efficiency. Also, since commercial and managed care insurers have experienced increased regulation and fees, UAMS's negotiations with those insurers have become more difficult.

Many states have also enacted or are considering health care reform measures. Both as a part of recent reform efforts and throughout the preceding decades, numerous legislative proposals have been introduced or proposed in the Arkansas General Assembly aimed at effecting major changes in health care policy and systems. The purpose of much of the statutory and regulatory activity has been to control health care costs, particularly costs paid under the Medicaid program. A significant portion of UAMS's revenue is derived from the Medicaid program. It is not known what additional proposals may be proposed or adopted or, if adopted, what effect such proposals would have on UAMS's operations or revenue.

The content and implementation of the Affordable Care Act has been, and remains, highly controversial. Accordingly, the Affordable Care Act has continually faced multi-front challenges, including repeated repeal efforts, since its enactment. Management of UAMS cannot predict the impact any major modification or repeal of the Affordable Care Act, or any replacement health care reform legislation, might have on UAMS's business or financial condition, although such effects could be material. In particular, any legal, legislative or executive action that reduces federal health care program spending, increases the number of individuals without health insurance, reduces the number of people seeking health care, or otherwise significantly alters the health care delivery system or insurance markets could have a material adverse effect on UAMS's business or financial condition.

Several attempts to repeal and/or replace the Affordable Care Act have been made since its passage. While past attempts have not been successful in gaining the approval of both chambers of Congress, certain portions of the Affordable Care Act have been repealed or their implementation delayed. As a result of the passage of the Tax Cuts and Jobs Act of 2017, beginning in 2019, the Affordable Care Act's requirement that individuals obtain health insurance or pay a penalty has been eliminated.

In addition to the potential legislative changes discussed above, Affordable Care Act implementation and the Affordable Care Act insurance exchange markets can be significantly impacted by executive branch actions.

As a result of a ruling in a lawsuit (*House of Representatives v. Azar (nee Price, nee Burwell)*) challenging the legality of cost-sharing subsidies paid by the federal government to insurance companies that offer coverage under the Affordable Care Act insurance exchanges, President Trump announced in October 2017 that the payment of such subsidies would terminate immediately. Such action impacted the insurance exchange market by reducing the number of plans available on the Affordable Care Act health insurance exchanges and significantly increasing insurance premiums. In response to such termination, health insurers offering qualified plans enacted rate increases for 2018 and 2019. In Arkansas, the four insurers offering qualified plans enacted 2018 rate increases ranging from 14.2% to 24.78%. Rate increases for 2019 showed more stability, with increases averaging from 1% to 4.4%. Approved rate increases for 2020 ranged from 0.51% to 2.89%. A Kaiser Family Foundation study concluded that 2018 premium increases were a reaction to the termination of cost-sharing subsidy payments, and the 2019 and 2020 rate increases suggest the market is much more stable and sustainable. Approved rate changes for 2021 range from a decrease of -1.77% to an increase of 5.87%. Approved rate changes for 2022 ranged from no increase to an increase of 8.2%. Approved rate changes for 2023 ranged from an increase of 7.1% to 13.7%. Approved rate changes for 2024 range from a decrease of 1.7% to an increase of 9.5% for an overall weighted average increase of 4.1% on the individual market and 5.4% for small group plans. Management cannot predict the likelihood or effect of any such executive actions on UAMS's business or financial condition, though such effects could be material.

More recent executive action presents further questions, the effects of which are impossible to predict. The Office of Management and Budget issued a proposal on May 6, 2019 to change how inflation is used to calculate the official definition of poverty used by the Census Bureau. A final notice of rulemaking has not been published. A lower estimate of inflation would likely mean the poverty level would rise at a slower rate, potentially resulting in the loss of healthcare coverage. The effect of this executive action, as well as any other executive action issued in the future impacting the Affordable Care Act, on the business and financial condition of UAMS cannot be predicted.

Though legislative attempts to overturn the Affordable Care Act in its entirety have not been successful, the Department of Justice has declined to defend the Affordable Care Act in a judicial challenge led by several Republican states (*California v. Texas*, known as *Texas v. United States* before reaching the United States Supreme Court). These states claim that as a result of Congress's repeal of the Affordable Care Act requirement that individuals obtain health

insurance or pay a penalty, Congress's authority can no longer be found in its taxing power and thus the Affordable Care Act in its entirety must be abandoned. A U.S. District Court judge agreed, and the case was appealed to the United States Court of Appeals for the Fifth Circuit which affirmed in part, finding the so-called individual mandate unconstitutional, and remanded the case for a further determination of severability. The Trump administration filed a brief in support of overturning the Affordable Care Act in its entirety. The Court of Appeals affirmed the lower-court ruling in December 2019, determining that the Affordable Care Act's individual mandate, which was reduced to \$0 as a result of the Tax Cuts and Jobs Act of 2017, is no longer considered a tax and therefore Congress no longer has constitutional authority to enforce the mandate. The Court of Appeals, however, was unwilling to rule on whether the individual mandate is severable from the rest of the Affordable Care Act, and remanded the case back to the lower court to decide that issue. The parties asked the Supreme Court to hear an appeal on the matter, and on March 2, 2020, the Supreme Court announced its intent to hear an appeal of the decision of the Fifth Circuit. On November 10, 2020, the Supreme Court heard oral arguments on the case. The Supreme Court issued its opinion upholding the Affordable Care Act on June 17, 2021. In a 7-2 opinion, the Court ruled that neither the states nor the individuals in the case had standing to sue regarding the individual mandate since they were not harmed by that provision. The Court did not reach the question of the Affordable Care Act's constitutionality.

It is not known which additional actions may be proposed or adopted or, if adopted, what effect such actions would have on UAMS's operations or revenue. However, the increased focus and interest on federal and state health care reform may increase the likelihood of further significant changes affecting the health care industry in the near future. There can be no assurance that recently enacted, currently proposed or future health care legislation, regulation or other changes in the administration or interpretation of governmental health care programs will not have an adverse effect on UAMS. Reductions in funding levels of the Medicare or Medicaid programs, changes in payment methods under the Medicare and Medicaid programs, reductions in State funding, or other legislative or regulatory changes could materially reduce UAMS's patient service revenue.

If the Affordable Care Act is repealed or replaced, if repeal or revision of the Affordable Care Act invalidates the Arkansas private option program, if the Arkansas private option program is invalidated by CMS, if the private option program is revised resulting in an increase of uninsured individuals, or if the Arkansas General Assembly fails to reauthorize, continue or approve funding for the private option program, UAMS estimates that approximately \$60-\$70 million in annual revenue could be lost from patients no longer covered by insurance who would return to self-pay status. UAMS management anticipates that the net effect on UAMS's finances would be less than that amount as there would be an opportunity to recover a portion of self-pay costs through the disproportionate share program. Additionally, UAMS could take action to reduce its care of indigent patients for elective medical treatments, as permitted by Board policy, to help offset the potential loss of funds. Although there are mitigation measures available to UAMS, the invalidation of or change to the Arkansas private option program or the failure by the Arkansas General Assembly to reauthorize, continue or approve funding for the Arkansas private option program could have an adverse impact on the results of UAMS's operations.

Effect of COVID-19 on UAMS.

As with most healthcare institutions, the COVID-19 pandemic had a significant impact on UAMS. On or about March 18, 2020, the Centers for Medicare and Medicaid Services ("CMS") issued guidance that all elective surgeries and procedures, including medical and dental, should be postponed nationwide in order to mitigate the expected burden on health systems due to increasing COVID-19 incidence and to make necessary facilities, equipment, supplies (including PPE) and personnel available to treat patients presenting COVID-19 symptoms. Subsequently, the Governor of the State and the Arkansas Department of Health issued orders and directives delaying or cancelling such non-emergent and elective procedures at State health care facilities, including UAMS. Such delays, cancellations, and restrictions significantly impacted UAMS's utilization and patient service statistics, and materially and adversely impacted its financial condition, reducing volumes materially below budgeted levels.

On May 11, 2020, UAMS began reopening for non-emergent procedures and resumed limited elective surgeries with overnight stays (in a geographically separate non-COVID area). As the UAMS Medical Center's inpatient volume of COVID-19 patients climbed due to the delta variant surge of summer 2021, UAMS again delayed certain non-emergent surgical cases because of a lack of hospital facility capacity and staff resource support. UAMS's full elective surgical schedule was reinstated as of October 11, 2021. Additionally, UAMS accommodated the Arkansas Department of Health's requested activation of ICU surge beds from January 11, 2021 to October 9, 2021 due to the delta variant surge. Many areas of the United States, including the State, experienced a COVID-19 case surge attributed to the omicron variant, and UAMS saw an increase in cases beginning in January 2022. In addition to additional patient volume, the omicron variant impacted staffing levels more significantly than earlier variants. UAMS's operations and financial condition may be further materially adversely impacted depending on a number of variables, including the longevity and severity of COVID-19 as an endemic

virus, how quickly effective treatments are developed and made available, the effectiveness of current and future vaccinations and the percentage of the general population who will opt to participate in vaccination programs, the impact of shortages of materials caused by world-wide demand and supply chain issues, how long staffing is affected by virus outbreaks, how quickly normal operations can be restored after staffing shortages, materials shortages, or supply chain issues, how much federal grant or loan forgiveness assistance will be provided to offset losses, and whether the rate of infection might spike again. The impact of a resurgence of COVID-19 or another disease on UAMS's operations or financial condition cannot be predicted, though such impact could be material and adverse.

The COVID-19 pandemic has resulted in decreased revenues and increased expenses for UAMS. For the fiscal year ended June 30, 2020, UAMS's change in net position was a loss of \$15.7 million, with a total reduction in net position of approximately \$60 million attributed to COVID-19 before relief funding. For the fiscal year ended June 30, 2021, UAMS's change in net position was an increase of approximately \$61.5 million, with a total reduction in net position of approximately \$50 million attributed to COVID-19 before relief funding. For the fiscal year ended June 30, 2022, UAMS's change in net position was a decrease of approximately \$31.8 million, with a total reduction in net position of approximately \$20 million attributed to COVID-19 before relief funding. For the fiscal year ended June 30, 2023, UAMS's change in net position was a decrease of approximately \$46.4 million. Relief funding recognized during the fiscal years ended June 30, 2020, June 30, 2021 and June 30, 2022 was approximately \$34.1 million, \$46.4 million and \$36.8 million, respectively. No additional relief funding was received during the fiscal year ended June 30, 2023.

Cybersecurity

The System and its campuses rely on a complex technology environment to conduct their operations. As a recipient and provider of personal, private and sensitive information, the System and its campuses face multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware, phishing, business email compromise, and other attacks on computers and other sensitive digital networks, systems, and assets. Universities and healthcare institutions such as UAMS have been targeted by outside third parties, including technically sophisticated and well-resourced actors, attempting to misappropriate assets or information or cause operational disruption and damage. Further, third parties, such as hosted solution providers, that provide services to the System and its campuses, could also be a source of security risk in the event of a failure of their own security systems and infrastructure.

The System and its campuses use a layered approach that employs sound operational strategies and security technology solutions to secure against, detect, and mitigate the effects of cyber threats on its infrastructure and information assets. Despite its efforts, no assurances can be given that the security and operational control measures employed by the System and its campuses will be successful in guarding against any and each cyber threat and attack, especially because the techniques used are increasingly sophisticated, change frequently, are complex, and are often not recognized until launched. To date, cyber-attacks have not had a material impact on the financial condition, results or business of the System or any System campus; however, the System is not able to predict the severity of these attacks. The results of any attack on the System's or a campus's computer and information technology systems could impact its operations for an unknown period of time, damage the System's and campus's digital networks and systems, and damage the System's and a campus's reputation, financial performance, and customer or vendor relationships, perhaps materially. Such an attack could also result in litigation or regulatory investigations or actions, including regulatory actions by state and federal governmental authorities. The costs of remedying any such damage could be substantial and such damage to the System's or a campus's reputation and relationships could adversely affect the System or a campus and their financial condition.

Cybersecurity incidents have occurred across System campuses in the past several years, but only a few constituted actual breaches and non were material. Actions taken in response to these incidents include: (i) establishing a System-wide cybersecurity program for issuing mandatory security requirements, guidance regarding critical risk and technical assistance; (ii) procuring a third-party risk assessment tool; (iii) obtaining a System-wide cybersecurity insurance policy; (iv) requiring all campuses to upgrade certain software subscriptions to include cybersecurity and anti-ransomware tools; (v) requiring semi-annual written cybersecurity risk assessments, based on National Institute of Science and Technology (NIST) standards, to be provided to the Board of Trustees, President and Campus Chancellors; and (vi) adopting a Board policy requiring cybersecurity incidents to be reported to the System CIO and CISO, Internal Audit and General Counsel. State law requires the reporting of cybersecurity incidents to Arkansas Legislative Audit.

On February 21, 2024, Change Healthcare, one of the nation's largest health payment processing companies, experienced a cyberattack which compromised many of its services and systems. As a result, Change Healthcare took the affected systems offline which led to a significant disruption of claims processing and cash flow to healthcare organizations that utilize its services. Change Healthcare provides UAMS with clearinghouse services for hospital and professional clinical claims submission, payment management, and pre-billing eligibility verification as well as pharmacy claims submission and eligibility verification.

As a result of the disconnection, UAMS took immediate action to mitigate the financial impact by implementing an alternative clearinghouse vendor for commercial claims submission, establishing a direct connection to Medicare, and manually keying claims directly to Medicaid. Payment management was limited to those payers in which UAMS could independently secure an electronic remittance advice.

To mitigate the cash flow impact, which decreased weekly clinical cash flow by as much as 50%, UAMS received a Medicare accelerated payment of \$16.4 million and \$13.2 million from the Change Healthcare (CHC) Temporary Funding Assistance Program. At May 31, 2024, the Medicare accelerated payment has been repaid in full. The repayment of funding from the CHC Temporary Funding Assistance Program will be due 45 days from the date it is invoiced.

As of April 25, 2024, Change Healthcare had fully restored most payer connectivity services and had resumed normal operations for most of its services. Although services have been restored, UAMS still has a significant lingering cash delay that is largely the result of increased denials and continued lag of payment processing by payors. UAMS is not able to estimate when these cash delays will be rectified.

UNDERWRITING

Under a Bond Purchase Agreement (the “Agreement”) entered into by and between the Board and the underwriters listed on the cover page (collectively, the “Underwriters”), the Bonds are being purchased at a purchase price of \$115,596,919.51, being the sum of (i) \$33,114,264.25 (the principal amount of the Series 2024A Bonds plus original issue premium of \$3,335,981.45 and less Underwriters’ discount of \$66,717.20), and (ii) \$82,482,655.26 (the principal amount of the Series 2024B Bonds plus original issue premium of \$10,349,267.65 and less Underwriters’ discount of \$161,612.39). The Agreement provides that the Underwriters will purchase all of the Bonds if any are purchased. The obligation of the Underwriters to accept delivery of the Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Bonds or any proceedings in connection with the issuance thereof and the absence of material adverse changes in the financial or operating condition of the Board.

The Underwriters intend to offer the Bonds to the public initially at the offering prices set forth on the inside cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriters reserve the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price.

BofA Securities, Inc., an underwriter of the Bonds, has entered into a distribution agreement with its affiliate Merrill Lynch, Pierce, Fenner & Smith Incorporated (“MLPF&S”). As part of this arrangement, BofA Securities, Inc. may distribute securities to MLPF&S, which may in turn distribute such securities to investors through the financial advisor network of MLPF&S. As part of this arrangement, BofA Securities, Inc. may compensate MLPF&S as a dealer for their selling efforts with respect to the Bonds.

Certain of the Underwriters and their affiliates together comprise full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. Such activities may involve or relate to assets, securities and/or instruments of the Board, the System and certain of its campuses, and/or UA, Fayetteville (whether directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with (or that are otherwise involved with transactions by) the Board, the System and certain of its campuses, and/or UA, Fayetteville. The Underwriters and their affiliates may have, from time to time, engaged, and may in the future engage, in transactions with, and performed and may in the future perform, various investment banking services for the Board, the System and certain of its campuses, and/or UA, Fayetteville for which they received or will receive customary fees and expenses. Under certain circumstances, the Underwriters and their affiliates may have certain creditor and/or other rights against the Board, the System and certain of its campuses, and/or UA, Fayetteville and any affiliates thereof in connection with such transactions and/or services. In addition, the Underwriters and their affiliates may currently have and may in the future have investment and commercial banking, trust and other relationships with parties that may relate to assets of, or be involved in the issuance of securities and/or instruments by, the Board, the System and certain of its campuses, and/or UA, Fayetteville and any affiliates thereof. The Underwriters and their affiliates also may communicate independent investment recommendations, market advice or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and at any time may hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

BofA Securities, Inc. is also serving as Dealer Manager in connection with the tender offer for the Purchased Bonds pursuant to the terms of a Dealer Manager Agreement dated July 29, 2024, by and between the Board and BofA Securities, Inc., as dealer manager.

Kelly Eichler, Chair of the University of Arkansas Board of Trustees, is the spouse of an officer of Stephens Inc., one of the Underwriters. Mark C. Doramus, Chief Financial Officer of Stephens Inc., one of the Underwriters, serves on the Board of Directors of the Trustee.

DESCRIPTION OF RATING

Moody's Investors Service Inc. has assigned the rating of "Aa2" (Stable Outlook) to the Bonds. The rating reflects only the view of the rating agency. Any explanation as to the significance of the above rating may be obtained only from the rating agency furnishing the same.

The Board has furnished to the above rating agency certain information and materials, some of which have not been included in this Official Statement. Generally, rating agencies base their ratings on such information and materials and investigations, studies and assumptions furnished to and obtained and made by the rating agencies. There is no assurance that a rating will remain for any given period of time or that it may not be lowered or withdrawn entirely by the rating agency if, in its judgment, circumstances so warrant. Neither the Board nor the Underwriters have undertaken any responsibility to bring to the attention of the holders of the Bonds any proposed revision or withdrawal of a rating or to oppose any such revision or withdrawal. Any downward change in or withdrawal of a rating may have an adverse effect on the market price of the Bonds.

FORWARD-LOOKING STATEMENTS

Any forward-looking statements and/or projections contained in this Official Statement reflect various estimates and assumptions by the Board and/or UA, Fayetteville concerning anticipated results. No representations or warranties are made by the Board or UA, Fayetteville as to the accuracy of any such statements, assumptions or projections. Whether or not any such forward looking statements or projections are in fact achieved will depend upon future events, some of which are not within the control of the Board or UA, Fayetteville. Accordingly, actual results may vary from the projected results, and such variations may be material. When used in this Official Statement, the words "anticipate," "believe," "estimate," "project," "predict," "expect," "intend," and words or phrases of similar import are intended to identify forward-looking statements.

Although the Board and UA, Fayetteville believe that the expectations reflected in such forward-looking statements are reasonable, neither the Board nor UA, Fayetteville can give any assurance that such expectations will prove to have been correct. Actual results could differ materially from expectations for other reasons as well. Actual results may vary materially from those described herein as anticipated, believed, estimated, projected, predicted, expected or intended. Forward-looking statements speak only as of the date they are made, and the Board and UA, Fayetteville undertake no obligations to update such statements in light of new information, future events or otherwise.

MISCELLANEOUS

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the Board and the purchasers or owners of any of the Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but it is not guaranteed. To the best of the knowledge of the undersigned, the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

**APPENDIX A –
THE UNIVERSITY OF ARKANSAS SYSTEM AND
THE FAYETTEVILLE CAMPUS OF THE SYSTEM**

THE UNIVERSITY OF ARKANSAS SYSTEM

Generally

The University of Arkansas was established in Fayetteville as a land grant institution, originally named “Arkansas Industrial University,” by legislative act of the General Assembly in 1871. Classes at the University of Arkansas commenced January 22, 1872 and, in 1899, the institution’s name was changed to the University of Arkansas (the “University”). Since then, either through mergers or other authority of the Board, the University has established multiple campuses, divisions, or units, which collectively are referred to as the University of Arkansas System (the “System”). The System’s campuses, divisions, and units (other than UA, Fayetteville, which is described under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM**) are briefly described below:

University of Arkansas for Medical Sciences (“UAMS”). Founded in 1879 as the University of Arkansas Department of Medicine, the University of Arkansas Medical Center was established by the Board as a campus of the University in 1975. In 1981, the name was changed to the University of Arkansas for Medical Sciences. UAMS is comprised of the College of Medicine, the College of Pharmacy, the College of Nursing, the College of Health Professions, the College of Public Health, the Graduate School, the regional Area Health Education Centers, the Outpatient Center (formerly known as the Ambulatory Care Center) and Level 1 Trauma Center, the Winthrop P. Rockefeller Cancer Institute, the Harvey and Bernice Jones Eye Institute, the Jackson T. Stephens Spine and Neurosciences Institute, the Psychiatric Research Institute, the Translational Research Institute, the Orthopaedic and Spine Hospital, and the Donald W. Reynolds Institute on Aging. Students attend classes in Little Rock and at the Northwest Regional Campus in Fayetteville.

University of Arkansas at Little Rock (“UA Little Rock”). UA Little Rock was founded in 1927 as Little Rock Junior College and, in 1957, became a four-year institution called Little Rock University. In 1969, Little Rock University merged into the System and the school adopted the name University of Arkansas at Little Rock. The UA Little Rock William H. Bowen School of Law offers the professional degree of Juris Doctor, and UA Little Rock now offers over 60 other graduate and professional programs and approximately ten doctoral programs. Little Rock, in Pulaski County, is the capital of Arkansas.

University of Arkansas at Monticello (“UAM”). UAM was established in 1909 by Legislative Act of the General Assembly. Originally called the Fourth District Agricultural School, UAM by merger joined the System on July 1, 1971. Monticello, the county seat of Drew County, is located approximately 100 miles southeast of Little Rock. UAM offers Master’s Degree programs in Fine Arts in Creative Writing, Music (Jazz Studies), Education (various specialties), and Science in Forest Resources, as well as Bachelor and Associate Degrees in various fields including Agriculture, Business Administration, Communication Arts, Education, Fine Arts, Forest Resources and Nursing. UAM has satellite campuses in Crossett and McGehee.

University of Arkansas at Pine Bluff (“UAPB”). UAPB was founded in 1873 as Branch Normal College and became a land-grant institution in 1891. It joined the System and changed its name in 1972 to the University of Arkansas at Pine Bluff. Pine Bluff is located approximately 42 miles southeast of Little Rock. UAPB offers approximately 39 Bachelor’s Degree programs, four Associate Degree programs, seven Master’s Degree programs, and one doctoral program among the following academic schools: Agriculture, Fisheries, and Human Sciences, Business and Management, Education, Arts and Sciences, and University College.

University of Arkansas at Fort Smith (“UAFS”). UAFS was first established as Fort Smith Junior College in 1928 as an extension of the local public school system. Until 1950, it operated within the public school system and offered primarily college-parallel courses. In 1950, it was separated from the public school system and incorporated as a private, nonprofit educational institution. UAFS has experienced several name changes since its founding. In 1966, the College was renamed Westark Junior College, in 1972 it became Westark Community College, and in 1998 it became Westark College. On January 1, 2002, pursuant to the Merger Agreement and Plan of Transition dated December 15, 2000, Westark College became the University of Arkansas at Fort Smith. UAFS offers approximately two Master’s Degree programs and approximately 37 Bachelor’s Degree programs. In addition, UAFS offers associates degrees in applied science, general studies, art, and science in 21 academic fields), as well as approximately 49 programs under which students can earn a technical certificate or a certificate of proficiency.

Phillips Community College of the University of Arkansas (“PCCUA”). This campus was established in 1965 as Phillips County Community College under applicable State law and county ordinance. The principal campus is located in Helena – West Helena, Arkansas, and satellite campuses are located in Stuttgart and DeWitt. The College provides comprehensive community college higher education offerings in its area and offers associate degrees and certificate programs. Pursuant to a merger agreement effective July 1, 1996, Phillips County Community College became a part of the System and was designated “The Phillips County Community College of the University of Arkansas.” PCCUA is now known as “Phillips Community College of the University of Arkansas.”

University of Arkansas Community College at Hope - Texarkana (“UAHT”). On July 1, 1965, Hope, Arkansas, was named as a site for Red River Vocational Technical School pursuant to applicable law, and classes began in August, 1966 at a sixty-acre campus donated by the City of Hope. In 1991, under applicable law, the school was changed to technical college status and was named “Red River Technical College.” Effective July 1, 1996, Red River Technical College was merged into the System and was designated “University of Arkansas Community College at Hope.” In 2012, a satellite campus of 22 acres was established in Texarkana, Arkansas. In January 2019, the Board approved modifying the official name of the campus to “University of Arkansas Community College at Hope-Texarkana.”

University of Arkansas Community College at Batesville (“UACCB”). UACCB, formerly Gateway Technical College, became part of the System on October 13, 1997 pursuant to a merger agreement. Originally established as “Gateway Vocational-Technical College” in 1975, the institution became Gateway Technical College under Act 1244 of 1991. After passage of a local sales tax referendum by the citizens of Independence County, Gateway Technical College was renamed the “University of Arkansas Community College at Batesville” by the Board on March 31, 1998.

The University of Arkansas Community College at Morrilton (“UACCM”). The 1961 Arkansas General Assembly established Petit Jean as the State’s second adult vocational-technical school, and classes began in September 1963. In 1991, the General Assembly converted Petit Jean to a degree-granting two-year college. The conversion permitted expansion of the curriculum to include technical, academic and workforce education, community education, and adult education. Initially named “Petit Jean Technical College,” the name was changed to “Petit Jean College” on July 1, 1997. Pursuant to a merger agreement effective July 1, 2001, the institution became a part of the System and was designated “The University of Arkansas Community College at Morrilton.”

Cossatot Community College of the University of Arkansas (“CCCUA”). Cossatot Vocational Technical School was created by the Arkansas General Assembly in 1975 and was constructed on 40 acres of land donated by the DeQueen Chamber of Commerce. In 1991, the General Assembly converted the school into a two-year degree granting institution. With the main campus in DeQueen, the college has teaching centers in Nashville and Ashdown. Pursuant to a merger agreement effective July 1, 2001, the institution became a part of the System and was designated “Cossatot Community College of the University of Arkansas.”

University of Arkansas Community College at Rich Mountain (“UACCRM”). UACCRM was first established in 1983 as Rich Mountain Community College, as a public two-year college with a mission to provide post-secondary educational opportunities to the citizens of Polk County, Arkansas and surrounding areas. Effective February 1, 2017, the institution merged with and became part of the System and was designated “University of Arkansas Community College at Rich Mountain.” UACCRM’s main campus is located in Mena, Arkansas. In addition, UACCRM maintains satellite campuses in Waldron, Arkansas and Mount Ida, Arkansas.

University of Arkansas – Pulaski Technical College (“UA – Pulaski Tech”). The Little Rock Vocational Technical School was established in October 1945 under the supervision of the Little Rock public school system. In October 1969, administration of the institution was transferred to the Arkansas State Board of Vocational Education, and the school was renamed Pulaski Vocational Technical School. The institution moved to its current location in North Little Rock, Arkansas in January 1976. In 1991, Pulaski Vocational Technical School was renamed Pulaski Technical College. Effective February 1, 2017, the institution merged with and became part of the System and was designated “University of Arkansas – Pulaski Technical College.” UA – Pulaski Tech is a two-year college that serves the education needs of central Arkansas through more than 90 occupational/technical degree and certificate programs, a university-transfer curriculum, and specialized programs for business and industry.

Other Programs, Locations and Entities

Other System-affiliated programs, locations and entities are as follows:

Cammack Campus. In 1957 the late Kate Cammack donated to the Board a 40-acre tract of land on North University Avenue in Little Rock to be used for educational and cultural programs of the System. Presently located on the

Cammack Campus are the President's residence and the System Administration offices with a conference room for the Board and other System functions. The Cammack Campus also includes Mrs. Cammack's home, "Pine Border," which has been restored.

University of Arkansas Clinton School of Public Service ("CSPS"). CSPS was established by the Board in 2004. CSPS is located in downtown Little Rock on the grounds of the William J. Clinton Presidential Center and Park. CSPS is the first graduate school in the nation to offer a Master of Public Service degree, helping students further their careers in the areas of government, non-profit, volunteer, and private sector service.

University of Arkansas System eVersity ("eVersity"). In 2014, the Board established eVersity, the System's first 100% online institution. In May, 2022, the Board approved the elimination of the degree programs offered by eVersity and the closure of its operations in order to facilitate the integration of eVersity and UA-Grantham (as defined below under University of Arkansas – Grantham), the newest System campus, into a single entity. This integration has been completed, and the surviving entity will continue to operate as University of Arkansas - Grantham. As part of the integration, all eVersity assets and liabilities have been transitioned to UA-Grantham, and eVersity students have been allowed to transfer to UA-Grantham without any restriction or detriment.

University of Arkansas System Division of Agriculture. The University of Arkansas Division of Agriculture is the statewide research and extension agency serving Arkansas agriculture, communities, families and youth. The mission of the division is to discover new knowledge, incorporate it into practical applications and assist Arkansans in its application. With a presence in all 75 Arkansas counties, the division is comprised of two principal units: the Agricultural Experiment Station and the Cooperative Extension Service. Division faculty and facilities are located on five System campuses, at five regional research and extension centers, eight branch stations and other locations. An extension office is located in each county in cooperation with county governments.

Arkansas Archeological Survey. The mission of the Arkansas Archeological Survey is to study and protect the 13,000-year archeological heritage of Arkansas, to preserve and manage information and collections from archeological sites and to communicate what is learned to the people of the State. The survey has 10 research stations across the State, each with a full-time PhD archeologist associated with regional higher education institutions and state parks. The archeologists conduct research, assist other state and federal agencies and are available to local officials, amateur archeologists, landowners, educators and students in need of information about archeology or archeological sites.

Criminal Justice Institute ("CJI"). CJI is a unit of the System that serves a unique population of non-traditional students - certified law enforcement professionals who are actively employed within the State's police departments and sheriff's offices. The institute is committed to making communities safer by supporting law enforcement professionals through training, education, resources and collaborative partnerships. Utilizing both classroom-based instruction and practical, hands-on application, CJI provides an educational experience designed to enhance the performance and professionalism of law enforcement in progressive areas of criminal justice, including law enforcement leadership and management, forensic sciences, computer applications, traffic safety, illicit drug investigations and school safety.

Arkansas School for Mathematics, Sciences and the Arts ("ASMSA"). ASMSA is the State's premier high school focusing on excellence in math, science and the arts. Located in Hot Springs, ASMSA is one of 15 residential high schools in the country specializing in the education of gifted and talented students who have an interest and aptitude for mathematics and science. All classes are taught at the college level, and the school offers nearly 60 concurrent courses. Through ASMSA's Concurrent Core program, all students graduate high school with an average of at least 50 hours of college credit.

University of Arkansas – Grantham ("UA-Grantham"). On August 30, 2021, the Board entered into an Asset Purchase Agreement to acquire the assets and assume certain liabilities (consisting primarily of service and vendor contracts, any liabilities to students, and office lease obligations) of Grantham University ("Grantham"), a for-profit online institution of higher education with approximately 4,000 active students and more than 60 degree programs. The acquisition was closed on November 1, 2021, and Grantham became known as the "University of Arkansas – Grantham." In order to fund the cost of the acquisition and associated expenses, the Board entered into an unsecured \$8,000,000 variable rate revolving line of credit with Regions Commercial Equipment Finance, LLC. Grantham was founded in 1951 to serve World War II veteran educational needs. It began offering exclusively online programs in the late 1990s. Grantham has maintained a focus on military students, and current or past service members currently make up approximately 67% of its student body. UA-Grantham is accredited through the Distance Education Accrediting Commission. UA-Grantham is also accredited by the Accrediting Board of Engineering and Technology, the Commission of Collegiate Nursing Education, and the International Accreditation Council for Business Education. In May 2022, the Board approved the integration of eVersity with UA-Grantham, and such integration has been completed. UA-Grantham is the surviving institution and has assumed all of the

assets and liabilities of eVersity. eVersity students have been allowed to transfer to UA-Grantham without restriction or detriment.

Acquisitions, Affiliations, Mergers, and Divestitures. The Board and its campuses may from time to time enter into transactions such as acquisitions, affiliations, mergers, and divestitures. Such transactions could include, among others, acquisitions of or mergers with respect to other educational institutions or other forms of affiliations or divestitures of existing affiliates. Given the pace of change in higher education, it is likely that the Board will from time to time be presented with opportunities to enter into transactions of considerable magnitude or significance. At this time, the Board is unable to anticipate whether any such transactions, if entered into in the future, would have a material adverse impact on the Board, its campuses, or the Board's credit rating.

Merger and Plan of Transition with East Arkansas Community College. The Board and the Board of Trustees of East Arkansas Community College ("EACC"), a two-year community college located in Forrest City, St. Francis County, Arkansas in the eastern part of the State, have entered into an Agreement of Merger and Plan of Transition (the "EACC Agreement"). Pursuant to the EACC Agreement, it is contemplated that EACC will become a campus of the System and will be known as the University of Arkansas East Arkansas Community College. The merger will not become effective until approval and confirmation of continued accreditation is received from the Higher Learning Commission of the North Central Association. The System anticipates that this approval and confirmation will be considered in late 2024.

Once the merger is completed, the Board and the System will assume EACC's liabilities. The St. Francis Community College District has issued its Limited Tax General Obligation Refunding Bonds (East Arkansas Community College), Series 2021 (the "EACC Property Tax Bonds"), which are secured by a pledge of collections of a property tax levied within St. Francis County, Arkansas (the "EACC Property Tax"). The EACC Property Tax Bonds, which as of June 30, 2024 were in the outstanding principal amount of \$2,875,000, will continue to be secured by and payable from the EACC Property Tax.

Board of Trustees

The System is governed by a Board of Trustees which was created as a corporate body by statute. There are ten members of the Board of Trustees, appointed for ten-year staggered terms. By statute, eight members of the Board must represent the areas of Congressional Districts of the State, and the balance of the members are selected at large. Members of the Board are appointed by the Governor and confirmed by the State Senate, except that interim appointments are made by the Governor and confirmed by the remaining members of the Board. ⁽¹⁾ Includes full-time equivalent numbers for the University of Arkansas Clinton School of Public Service.

⁽²⁾ For the fall 2021 semester, UAMS began using a new methodology for calculating full-time equivalent enrollment that is better suited to UAMS because UAMS semesters are not the same as those of the System's other campuses. Fall 2019 and 2020 enrollment for UAMS has been restated using this methodology.

⁽³⁾ Includes full-time equivalent numbers for the University of Arkansas System eVersity.

⁽⁴⁾ On November 1, 2021, the acquisition and integration of Grantham University into the System was finalized. In 2022, eVersity was integrated into UA-Grantham, and eVersity students were transferred to UA-Grantham. See **THE UNIVERSITY OF ARKANSAS SYSTEM, Other Programs, Locations and Entities**, University of Arkansas System eVersity and University of Arkansas System – Grantham herein. Prior to the System's acquisition, Grantham University reported a total full-time equivalent enrollment of 4,837 students, 4,402 students and 3,782 students in school years 2019-20, 2020-21 and 2021-22, respectively. UA-Grantham has a different enrollment cycle than other System campuses, with courses starting at the beginning of each month.

ARE-ON Litigation

The Arkansas Research and Education Optical Network (“ARE-ON”) is an unincorporated membership consortium with a mission of promoting, developing, and applying leading technologies to support and enhance research, education, public safety, health care, and economic development in the State. The System is a member of ARE-ON, and certain of ARE-ON’s administrative processes are supported by the System.

An information technology company and a financial institution filed a claim in the Arkansas Claims Commission against the System seeking \$7,275,000 plus interest and fees for alleged breach of two June 2020 contracts between ARE-ON and the information technology company. The contracts were for security software and monitoring services to be offered by ARE-ON to its member institutions, including the System. The information technology company alleges that the System is a party to the contract. The System has denied that it is liable to the claimants. A hearing on the System’s motion to dismiss is scheduled for August 22, 2024. The System estimates that its maximum liability is approximately \$8,000,000.

⁽¹⁾ In March 2020, UA, Fayetteville outsourced the operation of the Bookstore to a third-party for all activities other than sales of technology items. UA, Fayetteville retained operation of what is now known as the Tech Store. The sales for the Tech Store are included on this line along with revenue received from the third-party operator.

⁽²⁾ Effective for the fiscal year ended June 30, 2022, UA, Fayetteville adopted GASB Statement No. 87, Leases. This statement requires recognition of certain lease assets and liabilities for leases that were previously classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. Under the Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. In addition, effective for the fiscal year ended June 30, 2023, UA, Fayetteville adopted GASB Statement No. 96, Subscription-Based Information Technology Arrangements. This statement requires recognition of a subscription right-to-use asset and a corresponding liability for a qualifying subscription-based technology arrangement (SBITA). The amortization of the discount of the subscription liability is recognized as an outflow of resources.

Pledged Revenues

The term “Pledged Revenues” is defined as (i) all tuition and fee revenues collected by UA, Fayetteville, (ii) all sales and services revenues and all auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from facilities funded or refunded with bonds issued under the Master Indenture, and (iii) all surplus sales and services and auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from residence halls, married student apartments, fraternity and sorority houses, residence dining services, the Arkansas Union, and transit and parking services to the extent such revenues are derived from facilities funded with obligations issued pursuant to the Act. Pledged Revenues are pledged to the payment of the Bonds on a parity of security with previous pledges to Existing Parity Bonds and with subsequent pledges to Additional Parity Bonds, and shall not include (A) athletic gate receipts and other revenues derived from intercollegiate athletics at UA, Fayetteville or (B) any fees authorized or imposed by UA, Fayetteville and dedicated to a specific purpose unrelated to obligations issued pursuant to the Act or to facilities funded with such obligations. Other Obligations (described under **THE FAYETTEVILLE CAMPUS OF THE SYSTEM, Other Obligations**) are permitted encumbrances on Pledged Revenues (the “Permitted Encumbrances”) under the Master Indenture. Coverage

Pledged Revenues for the fiscal year ended June 30, 2023, were \$509,392,499. Combined maximum annual debt service for the Existing Parity Bonds and the Bonds is \$54,967,952 (in the fiscal year ending June 30, 2026). Accordingly, the Pledged Revenues for fiscal year ending June 30, 2023 equaled or exceeded 9.27 times the combined maximum annual debt service on the outstanding Existing Parity Bonds and the Bonds.

Other Obligations

The Master Indenture defines “other obligations” as “any capital lease, bond, or note payable incurred by or on behalf of UA, Fayetteville, provided that such Other Obligations shall not, in any single instance, exceed \$1,000,000, nor shall the total of Other Obligations incurred, in any fiscal year, exceed \$5,000,000.” In the event that the Second Supplement to Master Indenture becomes effective, the definition of “Other Obligations” shall be amended to remove the \$1,000,000 per instance and \$5,000,000 per-year limitation, with the effect that Other Obligations may be incurred with a subordinate pledge of Pledged Revenues in any amount and without complying with the test for issuing additional bonds. Such amendments shall not become effective until all currently outstanding Existing Parity Bonds have been defeased or retired. See **SECURITY FOR THE BONDS and SUMMARY OF THE MASTER INDENTURE AS SUPPLEMENTED, Second Supplement to Master Indenture Amendments** herein and Appendices F-1 and F-2 hereto. Currently, there are no outstanding Other Obligations.

Other Debt of UA, Fayetteville

Athletic Facilities Bonds.* UA-Fayetteville has issued bonds for various athletic facilities, secured by and payable from gate receipts and other revenues of the athletic department, other than the Pledged Revenues. Annual debt service on these athletic bonds is as follows:

<u>Fiscal Year</u>	<u>Debt Service</u>	<u>Fiscal Year</u>	<u>Debt Service</u>
2025	\$14,341,149	2032	\$11,651,797
2026	14,542,174	2033	11,656,103
2027	14,538,154	2034	11,655,378
2028	14,542,762	2035	11,655,911
2029	11,655,369	2036	9,180,750
2030	11,658,341	2037	9,178,875
2031	11,653,520		

* Includes debt service on the Board’s outstanding (i) Athletic Facilities Revenue Bonds (Fayetteville Campus), Series 2013A (the “Series 2013A Athletic Bonds”) (which are no longer outstanding), (ii) Athletic Facilities Revenue Bonds (Fayetteville Campus), Tax-Exempt Series 2016A (the “Series 2016A Athletic Bonds”), (iii) Athletic Facilities Revenue Bonds (Fayetteville Campus), Taxable Series 2016B (the “Series 2016B Athletic Bonds”), (iv) Athletic Facilities Revenue Bonds (Fayetteville Campus), Series 2019A (the “Series 2019A Athletic Bonds”), and (v) Athletic Facilities Revenue Bonds (Fayetteville Campus), Refunding Series 2023. Does not include debt service on the Athletic Refunding Master Loan Agreement Notes (as hereinafter defined) (see Athletic Refunding Master Loan Agreement Notes below).

The COVID-19 pandemic and related changes to UA, Fayetteville’s athletics programs, which included particularly, without limitation, certain cancelled games, fewer-than-normal season games, cancellation of the 2020 Men’s NCAA basketball tournament, and attendance limitations caused a reduction in certain athletics pledged revenues, particularly ticket revenue net of game guarantees. However, distributions from the Southeastern Conference were up \$30,406,316 over the previous year, more than offsetting the reduction of ticket sales and other miscellaneous pledged revenues. Such athletics pledged revenues were \$102,179,170 for the fiscal year ended June 30, 2019, \$94,089,916 for the fiscal year ended June 30, 2020, \$107,226,260 for the fiscal year ended June 30, 2021, and \$115,826,056 for the fiscal year ended June 30, 2022, and \$123,674,631 for the fiscal year ended June 30, 2023. Any future cancellations, postponements, attendance limits or other limitations may have a material adverse impact on UA, Fayetteville’s athletic revenues. The Board’s bonded indebtedness are general obligations of the Board, and the Board is obligated to pay its bonded indebtedness from such other moneys as are available to the Board under the Constitution and laws of the State, and in the event revenues pledged are insufficient to pay bonds secured by such revenues, the Board will be obligated to use other sources to pay such indebtedness.

In May 2024, the National Collegiate Athletics Association and certain athletic conferences entered into a settlement with respect to antitrust class action lawsuits brought by former collegiate athletes. The settlement is not yet finalized and is subject to court approval. Although UA, Fayetteville was not a party to the litigation, any finalized settlement may have an adverse financial impact on UA, Fayetteville’s athletic revenues, and such impact may be material. Terms of the proposed settlement are for payment of back-pay damages in excess of \$2.75 billion to be paid

out over a 10-year period. A portion of the settlement funding is expected to be paid by athletic conferences, including the Southeastern Conference, of which UA, Fayetteville is a member. At this time, UA, Fayetteville is not able to estimate the amount of any payment. In addition, as part of the settlement agreement, athletic departments will be permitted to engage in a direct revenue sharing arrangement with student athletes from television and ticket sales revenues. UA, Fayetteville has not yet determined the degree to which it will engage in revenue sharing with its student athletes, but any revenue sharing is expected to have an adverse financial impact on UA, Fayetteville's net athletic revenues, and such impact may be material.

Athletic Refunding Master Loan Agreement Notes. On September 11, 2020, the Board, on behalf of UA, Fayetteville, entered into a Master Loan Agreement with Regions Capital Advantage, Inc. and Regions Commercial Equipment Finance, LLC (the "Athletic Refunding Master Loan Agreement") for the purpose of providing funds to refund the Board's Athletic Facilities Revenue Refunding Bonds (Fayetteville Campus), Series 2010 (the "Series 2010 Athletic Bonds"), the September 15, 2020 and 2021 maturities of the Series 2013A Athletic Bonds, the September 15, 2020 and 2021 maturities of the Series 2015A Athletic Bonds, the September 15, 2020 and 2021 maturities of the Series 2016B Athletic Bonds, and the September 15, 2021 maturity of the Series 2019A Athletic Bonds. The Board's obligations under the Athletic Refunding Master Loan Agreement are evidenced by three promissory notes with an aggregate principal amount of \$18,655,000 (collectively, the "Athletic Refunding Master Loan Agreement Notes"). On September 11, 2020, \$9,934,423.50 was drawn under the Athletic Refunding Master Loan Agreement Notes and used to refund the Series 2010 Athletic Bonds and the September 15, 2020 maturities of the Series 2013A Athletic Bonds, the Series 2015A Athletic Bonds, and the Series 2016B Athletic Bonds. The remaining \$8,729,576.50 was drawn on August 9, 2021 for the purpose of refunding the September 15, 2021 maturities of the Series 2013A Athletic Bonds, the Series 2015A Athletic Bonds, the Series 2016B Athletic Bonds, and the Series 2019A Athletic Bonds. The Athletic Refunding Master Loan Agreement Notes bear interest at rates from 1.38% to 1.81% per annum and are payable semi-annually on each March 15 and September 15, with interest only payments until September 15, 2024 and amortized semi-annual installments of principal and interest payable thereafter until the Athletic Refunding Master Loan Agreement Notes mature on September 15, 2028. The Athletic Refunding Master Loan Agreement Notes are general obligation of the Board, but the Athletic Refunding Master Loan Agreement Notes are not secured by Pledged Revenues or other revenues of UA, Fayetteville.

Other Indebtedness of UA, Fayetteville. Other outstanding indebtedness of UA, Fayetteville as of June 30, 2023 is summarized in Note 8 to the audited financial statements of UA, Fayetteville for the fiscal year ended June 30, 2023 attached hereto as **Appendix C**. Since June 30, 2023, UA, Fayetteville has incurred additional indebtedness as follows: (1) the Series 2023 Bonds, (2) the Series 2023 Athletic Bonds, (3) \$-0- in aggregate principal amount of notes, (4) \$-0- in aggregate principal amount of installment contracts, (5) an estimated \$11,978,511 (unaudited) in aggregate principal amount of leases, and (6) an estimated \$3,982,016 (unaudited) in aggregate principal amount of SBITAs.

For additional information concerning the outstanding debt of the Board, see Note 10 to the audited consolidated financial statements for the University of Arkansas System for the fiscal year ended June 30, 2023, attached hereto as **Appendix D**.

In addition to the Bonds, the Board has authorized, but not yet issued, (i) its Various Facilities Revenue Bonds (Pine Bluff Campus), Refunding Series 2024 (the "Pine Bluff Bonds"), for the purpose of refunding bonds for debt service savings, (ii) its Student Fee Revenue Bonds (Fort Smith Campus), Refunding Series 2024 (the "Fort Smith Bonds"), for the purpose of refunding bonds for debt service savings, and (iii) its Student Fee Revenue Bonds (University of Arkansas Community College at Morrilton), Series 2024 (the "Morrilton Bonds"), for the purpose of financing improvements for the University of Arkansas Community College at Morrilton. The maximum authorized principal amount of the Pine Bluff Bonds and the Fort Smith Bonds is the respective amount necessary to accomplish the refundings. The maximum authorized principal amount of the Morrilton Bonds is \$12,000,000.

Simmons Bank, as Trustee
Pine Bluff, Arkansas

Re: \$29,845,000 Board of Trustees of the University of Arkansas Various Facility Revenue Bonds
(Fayetteville Campus), Series 2024A

\$72,295,000 Board of Trustees of the University of Arkansas Various Facility Revenue Bonds
(Fayetteville Campus), Refunding Series 2024B

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Board of Trustees of the University of Arkansas (the “Issuer”) of its \$29,845,000 Various Facility Revenue Bonds (Fayetteville Campus), Series 2024A (the “Series 2024A Bonds”) and its \$72,295,000 Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2024B (the “Series 2024B Bonds” and, together with the Series 2024A Bonds, the “Bonds”), each dated August 28, 2024, pursuant to Arkansas Code of 1987 Annotated, Title 6, Chapter 62, Subchapter 3 (the “Act”) and a Master Trust Indenture dated as of November 1, 1996 between the Issuer and Simmons Bank (as successor to Simmons First National Bank), as trustee thereunder (the “Trustee”), as supplemented by a First Supplement to Master Trust Indenture dated as of May 1, 2011 (collectively, the “Master Indenture”), between the Issuer and the Trustee, and that certain Series 2024 Trust Indenture dated as of August 28, 2024, between the Issuer and the Trustee (the “Series 2024 Indenture”) (the Master Indenture and the Series 2024 Indenture are referred to herein, collectively, as the “Indenture”).

The Bonds are secured by a pledge of, and payable first from, Pledged Revenues as described in the Indenture, and are issued on a parity of security with the Issuer’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2014B (the “Series 2014B Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Series 2015B (the “Series 2015B Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Refunding and Improvement Series 2016A (the “Series 2016A Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2016B (the “Series 2016B Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Series 2017 (the “Series 2017 Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Tax-Exempt Series 2018A and Taxable Series 2018B (collectively, the “Series 2018 Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Refunding and Improvement Series 2019A (the “Series 2019A Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2019B (the “Series 2019B Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2021 (the “Series 2021 Bonds”), Various Facility Revenue Bonds (Fayetteville Campus), Series 2022A and Taxable Series 2022B (collectively, the “Series 2022 Bonds”), and Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2023A and Refunding Series 2023B (collectively, the “Series 2023 Bonds”), in each case to the extent outstanding. The Bonds are general obligations only of the Issuer and do not constitute an indebtedness for which the full faith and credit of the State of Arkansas (the “State”) or any of its revenues are pledged and the Bonds are not secured by a mortgage or lien on any land or building belonging to the State or the Issuer.

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Indenture and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based on the foregoing, we are of the opinion, as of the date hereof and under existing law, as follows:

(1) The Issuer is duly created and validly existing as a body politic and corporate and is a state-supported educational institution under and by virtue of the laws of the State with the corporate power to enter into the Indenture and perform the agreements on its part contained therein and to issue the Bonds.

(2) The Indenture has been duly authorized, executed and delivered by the Issuer and, assuming the authorization, execution, and delivery thereof by the Trustee, constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

(3) Pursuant to the Act, the Indenture creates a valid lien on the funds pledged by the Indenture for the security of the Bonds on a parity of security with the Series 2014B Bonds, the Series 2015B Bonds, the Series 2016A Bonds, the Series 2016B Bonds, the Series 2017 Bonds, the Series 2018 Bonds, the Series 2019A Bonds, the Series 2019B Bonds, the Series 2021 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, and other bonds (other than any Subordinate Bonds, as such term is defined in the Indenture) issued or to be issued under the Indenture, as described in the Indenture, in each case to the extent outstanding.

(4) The Bonds have been duly authorized, executed and delivered by the Issuer, and are valid and binding obligations of the Issuer, payable from the sources provided therefor in the Indenture.

(5) The interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, such interest will be taken into account in determining annual adjusted financial statement income for the purpose of computing the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted in the Indenture to comply with each requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

(6) The Bonds and interest thereon are exempt from all present Arkansas state, county, and municipal taxes.

(7) The Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability of the Bonds and the Indenture may be subject to bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

FRIDAY, ELDREDGE & CLARK, LLP

The University of Arkansas has a long history of offering learning, discovery and service to the state of Arkansas and to society more broadly. The work our university accomplishes every day truly contributes to the betterment of individuals, communities and the world. And we're excited for our opportunity to further position the university to make an even bigger impact for the next 150 years.

Fiscal Year (FY) 2023 represented an opportunity to renew our focus and operate with even greater confidence. We have been working hard on three clear strategic priorities – advancing student success, achieving research excellence and enhancing the university's status as an employer of choice.

This annual financial report, which outlines the university's financial activities for the fiscal year ending June 30, 2023, describes some of the ways we invested in those strategic priorities and the long-term approach we're taking to prepare our university to build on our past successes and strengthen the effects of our land-grant mission – now and for generations to come. But these numbers can also never fully capture the role that people play in furthering those efforts.

We are profoundly appreciative of our staff members who ensure our environment is conducive to the instruction and research performed daily, and to our faculty members' unwavering commitment to caring for students and making life-changing discoveries. We also have a wide range of supportive stakeholders – including, but not limited to, alumni, benefactors, community members and parents – whose generosity and support allow us to achieve our vision. And most of all, we are thankful for our students, who gift us with purpose and hope every single day.

Advancing Student Success

The university kicked off the 2023-24 academic year earlier this fall, breaking last year's record with more than 32,000 students enrolled for the semester. Additionally, both our freshman class and our overall total enrollment include a record number of Arkansans. Over the last five years, the number of Arkansans in the incoming class has increased by 19.5%.

From a financial standpoint, we were able to make important investments in FY23 toward financial aid for students, in our academic buildings and classrooms, and toward a wide range of student-support services. First and foremost, we kept tuition flat for in-state students in FY23 and were fortunate to be able to do so again for FY24.

Using federal, state, institutional and private funding, the university provided \$134 million in academic and need-based scholarships to students. In FY23, we remained committed to growing institutional scholarships devoted solely to Arkansans. Since 2019, annual institutional scholarship funding for Arkansans has increased by \$7 million.

The School of Art in the Fulbright College of Arts and Sciences officially opened its new Studio and Design Center for the 2023 spring semester. The 155,000-square-foot center is part of the Windgate Art and Design district located in the heart of south Fayetteville, which was funded by bond proceeds, university reserves, and \$40 million in gifts. The state-of-the-art facility now houses the studio art program areas in ceramics, drawing, painting, photography, printmaking and graphic design.

Construction also continues in the district for our Anthony Timberlands Center for Design and Materials Innovation, which is expected to open in 2025. Part of the Fay Jones School of Architecture and Design, the new research center was recognized by The Architectural Review alongside 16 projects sited in the United Kingdom, Australia, Brazil, Denmark, Norway, Germany, Burkina Faso, Cyprus and Northern Ireland. The center was named the overall winner in the 2023 AR Future Projects Awards, while also winning a new award for education-related projects. In addition, the center won the WAFX award in the Building Technology category from the World Architecture Festival and is one of nine projects shortlisted in the Future Projects: Education category.

We also allocated \$53 million toward renovations to our residence halls, the Arkansas Union and Mullins Library to continue enhancing the on-campus experience for our students.

Achieving Research Excellence

The U of A remains one of the top research institutions in the nation, with the highest, "R1," designation from the Carnegie Classification of Institutions of Higher Education. As a result of our historic successes, our geographic location and the partnerships we're building, our leadership team and key stakeholders believe the U of A can continue contributing transformative benefits to our state, region and country.

For many years, our university has proactively pursued ways to contribute to the domestic research and manufacturing of semiconductors – which are essential materials in most electronic devices that advance performance in fields such as healthcare, the military, computing and transportation. After the CHIPS (Creating Helpful Incentives to Produce Semiconductors) and Science Act was signed into law nationally last year, the U of A broke ground on the Multi-User Silicon Carbide Research and Fabrication Facility, or MUSiC, which will serve as a one-of-a-kind facility to enable federal government, businesses of all sizes and other universities to move from developmental research to prototyping and testing of silicon carbide microelectronic chips, in preparation for high volume manufacturing. The \$36 million facility is set to open in 2025.

Construction also continues for the new home of the Institute for Integrative and Innovative Research (I³R), which will have capacity for about 200 researchers as well as multiple laboratories and collaborative spaces to grow convergence research and deploy innovations to scale. The institute held a topping off ceremony in June to mark the completion of the building's framing – a major construction milestone.

While I³R is scheduled to open in late 2024, the institute's team of researchers are already fulfilling their mission of "solving wicked problems that address the grand challenges of today." In fact, this past year, the first Arkansan – and only the second person in the world – received a prosthetic hand that restores a meaningful sense of touch and grip force following surgery at the University of Arkansas for Medical Sciences.

Enhancing the University's Status as an Employer of Choice

In FY23, the university employed approximately 3,300 staff members, 1,500 faculty members and 1,500 graduate assistants – all of whom are vital to our institution's success. At the beginning of the fiscal year, we were able to absorb inflation increases for health plan participants and provide salary increases. In the lead-up to the year's conclusion, we continued to invest in our employees, approved as part of the FY24 budget. The investments included another round of salary increases and lump-sum payments for employees that were paid in July, covering cost increases for health plans for the second year in a row, and transitioning nearly 700 remaining classified roles into non-classified roles.

Looking ahead, we are focused on completing the classification and compensation project, which is foundational work designed to foster consistent, transparent pay structures across campus, clearer paths for career growth and advancement, and access to development resources to support employees in reaching their career aspirations.

We are also committed to providing our employees with the tools, processes and data to help them make the biggest possible impact in their roles – particularly in support of students and research. Last year, we began engaging approximately 200 data specialists across campus to help identify campus needs for data domains and governance as we begin establishing an enterprise data hub that will make insights and analytics more accessible for a wide range of users and use cases. We're also continually optimizing our systems and business processes to make it easier for employees to better manage their workday and spend more time focused on advancing our land-grant mission.

150 Forward as One University

We recently finalized a set of goals and objectives that align to our 150 Forward strategic priorities and shared those with leaders of our colleges and administrative units. Although each member of our campus community may play a very different role, we are one university – bound by a vision of a better world that we're determined to build together.

We look forward to reporting on the investments and progress the University of Arkansas has made to advance student success, achieve research excellence and enhance our status as an employer of choice again a year from now. And we are confident in the long-term impact our institution and the members of our campus community will continue to have on our state, on society and on the world.

Thank you, as always, for your continued support of the U of A.

Go Hogs!

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the business-type activities and the aggregate discretely presented component units of the University of Arkansas, Fayetteville (University), an institution of higher education of the State of Arkansas, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the University's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate discretely presented component units of the University as of June 30, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We did not audit the financial statements of The University of Arkansas Fayetteville Campus Foundation, Inc. and The Razorback Foundation, Inc., which represents 100% of the assets and revenues of the aggregate discretely presented component units. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for The University of Arkansas Fayetteville Campus Foundation, Inc. and The Razorback Foundation, Inc., is based solely on the report of the other auditors. The financial statements of The University of Arkansas Fayetteville Campus Foundation, Inc. and The Razorback Foundation, Inc. were not audited in accordance with *Government Auditing Standards*. We are required to be independent of the University and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1V to the financial statements, in 2023 the University adopted new accounting guidance, Governmental Accounting Standards Board Statement No. 96, Subscription-Based Information Technology Arrangements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the University's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the University's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, certain information pertaining to postemployment benefits other than pensions, and certain information pertaining to pensions be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the message from University Leaders and the Board of Trustees, University Officials sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 29, 2023 on our consideration of the University's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. That report will be issued separately in the *University of Arkansas System Audit Report*. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the University's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the University's internal control over financial reporting and compliance.

Management's Discussion and Analysis (unaudited)

Introduction

The University of Arkansas (the university) is pleased to present its financial statements for the fiscal year 2023. While audited financial statements for fiscal year 2022 are not presented with this report because of implementation of new GASB pronouncements, condensed operations and financial position data will be presented in this discussion and analysis to illustrate certain increases and decreases. However, the emphasis of discussions about these statements will be on the current year data. The university's financial statements, notes to the financial statements and discussion and analysis are the responsibility of and have been prepared by management. This discussion and analysis should be read in conjunction with financial statements and notes. All references to "2023" and "2022" or another year refer to the fiscal year ended June 30, unless otherwise noted.

Overview of the Financial Report and Financial Analysis

The university's financial report includes three basic financial statements: the Statement of Net Position, which presents the assets, deferred outflows of resources, liabilities, deferred inflows of resources and net position of the university as of the fiscal year end; the Statement of Revenues, Expenses, and Changes in Net Position, which reflects revenues and expenses recognized during the fiscal year; and the Statement of Cash Flows, which provides information on the major sources and uses of cash during the fiscal year. These financial statements and related note disclosures are prepared in accordance with standards issued by the Governmental Accounting Standards Board (GASB). Financial statements are prepared under the accrual basis of accounting, whereby revenues and assets are recognized when services are provided, and expenses and liabilities are recognized when others provide the services, regardless of when cash is exchanged. The report also includes additional required supplementary information for other postemployment benefits and pension liabilities.

Effective for the year ending June 30, 2023, the university adopted GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. This statement enhances the relevance and reliability of governments' financial statements by requiring a government to report a subscription asset and subscription liability for a subscription-based information technology arrangement (SBITA) and to disclose essential information about the arrangement. The disclosures allow users to understand the scale and important aspects of a government's SBITA activities and evaluate a government's obligations and assets resulting from SBITAs.

As a result, the university recognized the following in the Statement of Net Position as of June 30, 2023:

Effects of GASB 96 Implementation on Statement of Net Position	
	June 30, 2023
Assets	
Current Assets	
Other Assets	\$892,921
Noncurrent Assets	
Other Assets	12,940,407
Capital Assets, Net of Depreciation	(1,565,741)
Liabilities	
Current Liabilities	
Bonds, Notes, Leases and Installment Contracts Payable - Current Portion	\$1,968,382
Noncurrent Liabilities	
Bonds, Notes, Leases and Installment Contracts Payable	3,650,906
Net Position	
Net Invested in Capital Assets	\$7,630,585
Unrestricted	(982,286)

Sufficient information was not available to restate the 2022 statements, and accordingly no comparative amounts for 2022 are presented. The beginning net position balance for 2023 was restated by \$1,486,263 on the Statement of Revenues, Expenses, and Changes in Net Position to recognize the effects of implementation of the GASB statement.

The university has two legally separate foundations that are discretely presented in its financial statements: The University of Arkansas Fayetteville Campus Foundation, Inc. and the Razorback Foundation, Inc. that meet the criteria set forth for component units under GASB Statement No. 39, *Determining Whether Certain Organizations are Component Units*. Both foundations provide financial support for the objectives, purposes, and programs of the university. Although the university does not control the timing, purpose or amount received by the foundations, the resources (and income thereon) they hold and invest are dedicated to benefit the university. Because these resources held by the foundations can only be used by, or for the benefit of, the university, they are considered component units and are discretely presented in the financial report. Additional information about component units is provided at Notes to the Financial Statements (Note 1 "Summary of Significant Accounting Policies", under the "Discretely Presented Component Units" heading).

Note 15 "Other Entities" refers to the University of Arkansas Foundation, Inc. (UA Foundation). The university is the beneficiary of 54.4% of the net assets of the UA Foundation; therefore, it does not meet the requirements of a component unit.

Statement of Net Position

The Statement of Net Position provides a fiscal snapshot of the university as of the end of the fiscal year. All assets (property that we own and what we are owed by others), deferred outflows of resources (consumption of net position by the university that is applicable to a future reporting period), liabilities (what we owe to others and have collected from others before we have provided the service), deferred inflows of resources (acquisition of net position by the university that is applicable to a future reporting period) and net position (assets and deferred outflows of resources minus liabilities and deferred inflows of resources) are reported in this statement. Assets and liabilities are presented in the order of their relative liquidity and are identified as current or noncurrent. Current assets are those assets that can be realized in the coming year and current liabilities are expected to be paid within the next year. Noncurrent assets and liabilities are not expected to be realized as cash or paid in the subsequent year. Assets, deferred outflows of resources, liabilities and deferred inflows of resources are generally measured using current values with the exception of capital assets, which are stated at historical cost less accumulated depreciation.

Net Position is presented in four categories:

Net invested in capital assets – capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction, or improvement of those assets.

Restricted nonexpendable – net position subject to externally imposed stipulations that it be maintained permanently by the university.

Restricted expendable – net position whose use by the university is subject to externally imposed stipulations that can be fulfilled by actions of the university pursuant to those stipulations or that expire with the passage of time.

Unrestricted – net position that is not subject to externally imposed stipulations but can be used at the discretion of the governing board to meet current expenses for any purpose if not limited by contractual agreements with outside parties.

The following summarizes the university's assets, deferred outflows of resources, liabilities, deferred inflows of resources and net position as of June 30, 2023, and 2022:

*As originally reported in 2022 financial report. See Note 1V for breakdown of restatement.			

The university's financial position strengthened again in 2023 with net position increasing by \$67.4 million. The most significant changes were as follows:

Current assets increased \$46.7 million overall due to a combination of several factors. Current cash, cash equivalents, and short-term investments increased in aggregate by \$66.7 million due to increased collections on receivables throughout the year evidenced by the decline in accounts receivable, net of \$12.7 million. Short-term investments increased due to additional investments in the university's three-tiered fixed income operating fund portfolios. Record enrollment numbers coupled with modest increases in student fees and non-resident tuition resulted in increased cash collections from student tuition and fees of \$23.8 million. The receipt of a \$30.0 million capital gift for the Windgate Galleries, an early-stage capital project, contributed to this overall increase in cash and short-term investments in 2023.

Other increases in current assets include \$3.8 million in deposits with bond trustees due to the issuance of new debt for capital projects during 2023 and an increase of \$2.1 million in other assets due to the recognition of a prepaid expense of \$1.8 million related to payments made for capitalizable initial implementation costs incurred prior to the commencement of the SBITA subscription term as a result of the adoption of GASB 96.

The increase in cash, cash equivalents and short-term investments is offset by the decrease in accounts receivable net of \$12.7 million due to better collections, a decline in current pledges receivable of \$11.8 million due to collection of large previously recorded pledges during 2023, and a decline in notes receivable, net of \$1.4 million due to the continuing process of winding down the Perkins Loan program.

The increase in capital assets, net of depreciation, of \$22.7 million is a reflection of the university constructing or acquiring capital assets at a rate greater than these assets are disposed of or depreciated. The section "Significant Changes in Capital Assets and Long-Term Debt Activity" below and Note 4 "Capital Assets" provide additional information.

The following summarizes the changes in capital assets as of June 30, 2023, and 2022:

Condensed Changes in Capital Assets		
	2023	2022*
Restatement GASB 96	\$3,915,448	
Restatement GASB 87		\$7,226,880
Additions	22,103,126	17,595,465
Reductions	(3,366,615)	(4,728,592)
Total Changes	\$22,651,959	\$20,093,753
<i>*As originally reported in 2022 financial report. See Note 1V for breakdown of restatement.</i>		

The increase in other noncurrent assets of \$59.2 million is attributable to an increase in deposits with bond trustees of \$62.4 million resulting from the issuance of new capital debt in 2023. Endowment investments increased \$2.2 million due to improved investment performance over the previous year. Other long-term investments increased by \$3.0 million due to additional investment by the University of Arkansas Division of Agriculture and improved investment performance. Other assets increased \$14.4 million due to the restatement in prior year balance of \$5.4 million resulting from the adoption of GASB 96, the recording of \$7.5 million in prepaid expenses related to SBITAs in 2023, and the recording of lease receivables of \$2.3 million.

Offsetting these increases in noncurrent assets were decreases of \$21.7 million in pledges receivable due to the early receipt of a pledge receivable recorded at the end of 2022, and a decrease of \$1.1 million in notes receivable due to the ongoing process of winding down the Perkins Loan program.

Current liabilities increased \$11.1 million. This increase includes \$8.4 million in accounts payable substantially caused by the accrual of additional construction invoices of \$5.8 million and the related construction contract retainage of \$1.1 million. The credit card clearing payable increased \$2.0 million. Advance receipts increased \$2.2 million, and current bonds, notes, leases, and installment contracts payable increased \$1.7 million due to the increase in overall debt outstanding. Offsetting these increases was a decline of \$1.9 million in accrued payroll liabilities due to the timing of payment of retirement benefits for the second monthly payroll in June occurring in the month of June rather than in July.

Noncurrent liabilities increased \$51.8 million. Noncurrent bonds, notes, leases, and installment contracts payable increased \$51.7 million as a result of the issuance of new debt in 2023 coupled with the normal amortization of principal on outstanding long-term debt throughout the year. Pension liability increased \$6.2 million as a result of actuarially compiled statistics on the statewide pension plans in which university employees and retirees participate. However, this increase was offset by a \$3.1 million decrease in the liability for other postemployment benefits (OPEB) also as a result of actuarially compiled statistics. The refundable federal advance – Perkins Loan – declined \$2.6 million as a result of the ongoing process of winding down the Perkins Loan program.

Deferred inflows of resources decreased \$1.8 million. Deferred inflows related to OPEB increased \$2.5 million, and deferred inflows related to pensions decreased \$5.7 million. Additional information about these computations can be found in Note 11 “Employee Benefits” and Note 12 “Other Postemployment Benefits (OPEB)”. Other deferred inflows increased \$1.4 million as a result of the extension of lease agreements recognized as a result of GASB 87.

The following summarizes the composition of unrestricted net position owned by the units of the University of Arkansas Fund as of June 30, 2023, and 2022:

Unrestricted Net Position			
Unit	2023	2022	Change
Fayetteville Campus	\$450,106,100	\$427,337,462	\$22,768,638

Total Unrestricted Net Position	\$529,840,573	\$499,286,002	\$30,554,571

Unrestricted net position for the Fayetteville Campus as of June 30, 2023, and 2022 is allocated as follows:

Unrestricted Net Position - Fayetteville Campus			
Allocation	2023	2022	Change
Educational and General Department Uses	\$227,023,768	\$217,790,645	\$9,233,123
Service Operations	7,442,153	6,419,150	1,023,003
Auxiliaries	33,201,516	49,486,265	(16,284,749)
Plant Funds	165,388,990	136,525,123	28,863,867
Quasi-Endowment Funds	17,049,673	17,116,279	(66,606)
Total Fayetteville Campus Unrestricted Net Position	\$450,106,100	\$427,337,462	\$22,768,638

Although unrestricted net position is not subject to externally imposed restrictions, the university's unrestricted net position is largely subject to internal designations to meet various specific commitments. These commitments include reserves established for capital projects, scholarships, and other academic or research priorities, working capital for self-supporting auxiliary enterprises, reserves for the continued recognition of OPEB and pension obligations, and unrestricted quasi-endowments.

Statement of Revenues, Expenses, and Changes in Net Position

The Statement of Revenues, Expenses, and Changes in Net Position present the revenues earned and expenses incurred during the year. Activities are reported as either operating or nonoperating. Generally, operating revenues are received for providing goods and services to the various customers and constituencies of the university. Operating expenses are those expenses paid to acquire or produce the goods and services provided in return for operating revenues, and to conduct the mission of the university. Nonoperating revenues are revenues received for which goods and services are not provided. In accordance with GASB standards, significant recurring sources of university revenue such as state appropriations, gifts, investment income and certain grants and contracts are reported as nonoperating revenues. As a result, the operating loss of \$360.9 million highlights the university's dependency on nonoperating revenues to meet the costs of operations and provide funds for the acquisition of capital assets. The utilization of capital assets is reflected in the statement as depreciation, which amortizes the cost of an asset over its expected useful life. Changes in total net position, as presented on the Statement of Net Position, is based on the activity presented in the Statement of Revenues, Expenses, and Changes in Net Position. The statement presents the revenues earned by the university, both operating and nonoperating, and the expenses incurred by the university, both operating and nonoperating, and any other revenues, expenses, gains, and losses received or spent by the university.

The following summarizes the university's revenues, expenses, and changes in net position for the years ended June 30, 2023, and 2022:

Statement of Revenues, Expenses, and Changes in Net Position			
	2023	2022*	Change

Other Revenues and Changes in Net Position	42,900,880	50,997,419	(8,096,539)
Increase in Net Position	\$65,912,317	\$91,132,168	\$(25,219,851)

**As originally reported in 2022 financial report. See Note 1V for breakdown of restatement.*

Operating revenue increased \$56.1 million in 2023. There were three key contributors to this overall increase. Net student tuition and fees increased \$23.8 million due to a total enrollment increase of almost 1,200 in 2023 from 2022 coupled with slight increases in student fee rates and non-resident tuition. Residence life increased approximately \$14.5 million in 2023 due to an increase of almost eight hundred contracts over the previous year as well as resumption of regular conference activities after COVID-19 pandemic. These increases are partially offset with decreases in other operating revenue of \$2.7 million due primarily to specific contractual obligations received from the university's contracted food service provider and bookstore operator in 2022. In 2022, \$5.4 million was received from these two service providers as dictated by their contractual obligations to the university. Similar payments received in 2023 were only \$1.5 million.

Federal grants and contracts increased almost \$21.0 million over 2022. The increase continues a general trend for the university over time and is reflective of the university's effort to achieve research excellence. Whereas there was no large single instance leading to this overall increase, there were several grant awards recognized in 2023 that provided significant funding for major equipment purchases tied to specific research grants. These accounted for about half the overall increase. The remainder of the increase is attributed to overall growth in the university's research enterprise as several large awards have been received over the last few years.

Operating expenses increased \$87.0 million with the single largest increase coming in salaries, wages, and benefits of approximately \$47.2 million. Included in that overall increase, the Fayetteville campus saw regular salaries for classified and non-classified employees, including faculty, increase over \$23.4 million. Lump sum payments for merit increased \$5.4 million, other compensation increased \$2.9 million and student and graduate assistant pay increased \$1.8 million. These increases are attributable to growth of the campus due to record levels of enrollment in 2023, the university's ongoing efforts to compensate faculty and staff at equitable levels and dedication to providing employment opportunities for our undergraduate and graduate students. Salaries for adjunct faculty increased by \$1.8 million and \$1.6 million for extra help. Benefits expenses grew along with the compensation expenses by \$6.7 million.

For the other units included in our report, there were modest overall increases in salaries, wages and benefits totaling \$2.8 million.

Supplies and other services increased approximately \$42.3 million which was an overall change of 14.7%. There was an increase of \$10.0 million in grant subawards which is consistent with increased research activities. Residence life experienced a \$9.3 million increase resulting from the significant increase in student housing contracts, in particular over five hundred off-campus housing units needed to serve the record freshman class. Expenses relating to guest housing and conferences increased \$4.5 million due to the resumption of normal operations after the COVID-19 pandemic. Costs for athletic travel and postseason events increased \$9.3 million over the previous year. Other increases in general and administrative costs include an increase of \$5.0 million for library database subscriptions and a \$1.3 million increase in ongoing ERP system support. Finally, expenses for professional and administrative costs increased \$3.0 million due to higher professional consultant costs.

Depreciation increased \$16.0 million overall. There was a \$6.7 million dollar increase in depreciation due to amortization of new leases on right to use assets recorded in 2023 in compliance with accounting standards. Due to the implementation of GASB 96 in 2023, there was amortization expense of \$4.8 million on newly recognized SBITAs that were not recorded as right to use assets in the previous year. Finally, there were two significant capitalized buildings placed into service during 2023 that began depreciating: the Studio and Design Center in the Windgate Art and Design District, \$1.9 million and the Cordia Harrington Center for Excellence, \$1.2 million.

Scholarships and fellowships decreased approximately \$18.4 million. This decrease is due to the end of funds distributed directly to students from the Higher Education Emergency Relief Funds (HEERF), received from the federal government in previous years in response to the effects of the COVID-19 pandemic. In 2022, the university recorded over \$21.0 million in such scholarship payments directly to students.

Net other nonoperating revenues increased by approximately \$13.9 million. Investment income saw an increase from the previous year of approximately \$38.9 million. This was a rebound after a significant decline in 2022 due to the challenging investment environment seen across the country.

Gifts increased approximately \$15.5 million over the previous year. Of this increase, approximately \$13.1 million represents increased expense activity on existing gifts resulting in greater reimbursement distributions from the university's related foundations. In addition, there were additional new gifts received directly by the university of approximately \$2.4 million.

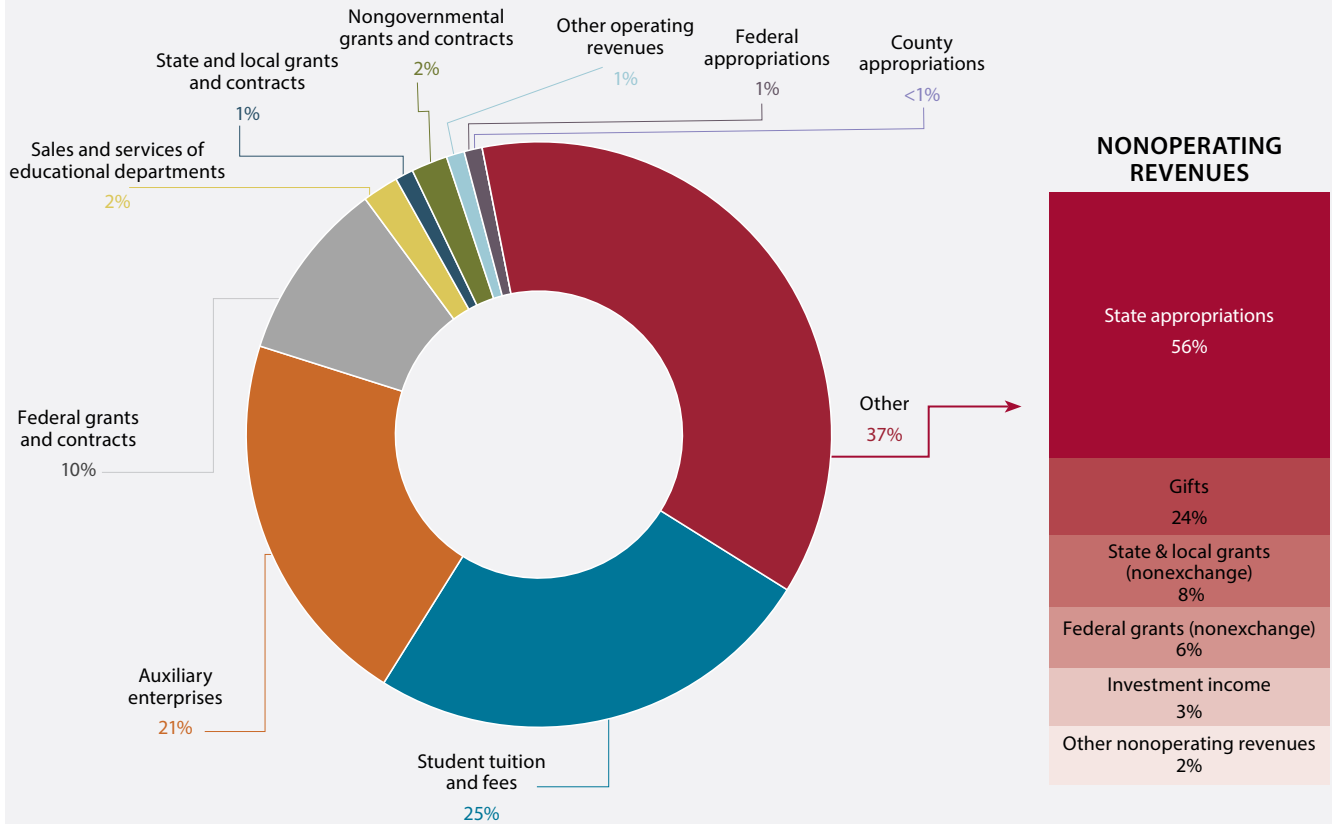

State appropriations increased approximately \$1.1 million across all the units included in the annual report.

Offsetting this increase was a decrease in federal grants (nonexchange) of \$42.2 million. The drop was due to the end of the federal government's HEERF funds, of which the university received approximately \$44.5 million in 2022. That overall drop was offset slightly by an increase in Pell funding received of approximately \$2.0 million.

The decrease in other revenues and changes in net position of \$8.1 million is due primarily to a decrease in capital gifts and grants of \$9.8 million. During 2022, an exceptional capital gift of \$30.0 million was recorded for the Windgate Studio and Design Center and \$9.4 million was received for the Institute for Integrative and Innovative Research (I³R). For 2023, the university recorded capital grants and gifts of approximately \$39.6 million. This amount largely consisted of \$27.9 million received for I³R. Other notable gifts recorded were \$2.0 million for the Anthony Timberlands Center and \$1.2 million for the implementation of a new customer relationship management system.

Statement of Cash Flows

The Statement of Cash Flows provides information about the cash activity of the university during the year. The statement is divided into five parts. The first part deals with operating cash flows and shows the net cash used by the operating activities of the institution. The second section reflects cash flows from noncapital financing activities. This section reflects the cash received and spent for nonoperating, noninvesting, and noncapital financing purposes. The third section deals with cash flows from capital and related financing activities. This section deals with the cash used for the acquisition and construction of capital and related items. The fourth section reflects the cash flows from investing activities and shows the purchases, proceeds, and interest received from investing activities. The fifth section reconciles the net cash used to the operating income or loss reflected in the Statement of Revenues, Expenses and Changes in Net Position.

The statement aids in the assessment of the university's ability to meet obligations as they become due, the need for external financing, and the ability to generate future cash flow.

The following summarizes the university's cash flows for the years ended June 30, 2023, and 2022:

Condensed Summary of Cash Flows			
	2023	2022	Change
Net Cash Used by Operating Activities	\$(235,447,760)	\$(218,218,271)	\$(17,229,489)
Net Cash Provided by Noncapital Financing Activities	384,161,116	408,066,004	(23,904,888)
Net Cash Provided by Operating and Noncapital Financing Activities	\$148,713,356	\$189,847,733	\$(41,134,377)
Net Cash Used by Capital and Related Financing Activities	\$(88,540,191)	\$(139,342,472)	\$50,802,281
Net Cash Used by Investing Activities	\$(45,334,138)	\$(84,321,245)	\$38,987,107
Net Increase (Decrease) in Cash	\$14,839,027	\$(33,815,984)	\$48,655,011

The university used \$235.4 million of cash for operating activities in 2023 offset by cash provided by noncapital financing activities of \$384.2 million. Like the operating loss on the Statement of Revenues, Expenses, and Changes in Net Position, net cash used by operating activities does not include state support and other significant nonoperating cash items and is therefore best viewed in combination with noncapital financing activities. Net cash provided by operating and noncapital financing activities is a more meaningful number for the university and the positive amount of \$148.7 million for 2023 indicates that these activities contributed to cash and liquidity for the year.

Cash used by capital and related financing activities reflects the university's continued use of bonded debt to finance the acquisition of capital assets. Net cash used by investing activities illustrates the continuation of the operating investments policy.

Significant Changes in Capital Assets and Long-Term Debt Activity

The university follows its long-range Facilities Renewal and Stewardship Plan to renew, upgrade, and add facilities to expand capacity and modernize the campus. A dedicated facilities fee established in 2009 and the creation of several targeted, operating budget lines provides a revenue stream that is used to leverage bonded debt and other resources to fund a portion of this aggressive plan. University gifts, central reserves, various grants, Athletics support, targeted facilities operating budget lines, energy saving performance contracts and other miscellaneous sources of funds all contribute to this overall program. The condition of the university's capital assets is a critical measure of the university's overall financial health. Creating and maintaining facilities that provide an exceptional academic environment in which to learn, live and work is vital to attracting new students, as well as recruiting excellent faculty and staff. The university maintains a Facility Condition Index to assist in assessment of the overall stewardship of capital assets. The index trend is positive, demonstrating the positive effect of renewal, stewardship, renovations, and the continued reduction of deferred maintenance to campus infrastructure and educational and general buildings.

A summary of the change in net invested in capital assets is as follows:

Note 4, "Capital Assets" provides additional information related to the University's depreciable and non-depreciable capital assets.

Capital projects continued at a healthy pace in 2023, with two significant construction projects that began in previous years completed or significantly completed, continued progress on multi-year projects, and new projects initiated.

The list of projects begun in previous years completed in 2023 includes:

- Studio and Design District Buildings – Construction of a new 155,000-square-foot facility for the School of Art at the southeast corner of Martin Luther King Jr. Boulevard and Hill Avenue to consolidate several disciplines across campus and to support the expected growth of students and faculty in the School of Art. The project cost is \$55 million funded by bond proceeds, university resources, and \$40 million in gifts. This project was substantially completed in early 2023.
- 1021 Food Hall Retail Shops Renovation – Renovation of the ground floor retail space to accommodate student demand based on increased customer counts, student feedback, and food service trends. The change will improve the variety of offerings, speed of service, and increase seating. The project cost is \$5.6 million funded by dining contract revenue and university reserves. The project was substantially completed in Fall 2022.

Ongoing construction and new projects beginning in 2023 include:

- Mullins Library Renovation First and Second Floors – Renovation consists of installing fire sprinklers, abating asbestos, and renovating 166,000 square feet on the first and second floors to upgrade study and collaboration spaces as well as special collections. Estimated project cost is \$38.5 million to be funded from gifts, bond proceeds, and university reserves. Estimated completion is Summer 2024.
- Ventilation Improvements – Project will prioritize replacement of air handling units and high efficiency filtration systems across campus to increase ventilation in classroom spaces to mitigate spread of the SARS-COV-2 virus. Estimated project cost is \$7.6 million from HEERF funds. Estimated completion date is Summer 2024.
- North Chilled Water Plant Modernization – Replacement of the existing 1994 chiller at the North Chiller Water Plant with a new nominal 2,500-ton capacity unit which will provide a 100% capacity increase. The project also replaces supporting process systems, including the plant electrical switchgear and cooling tower fan drive systems. Total cost is \$4.3 million. Funding consists of bond proceeds and university reserves. Estimated completion is Summer 2024.
- I³R Research Facility – Construction of a new campus research facility to serve as a home to the Institute for Integrative & Innovative Research. The current facility is approximately 135,000 gross square feet located on the main campus. The current project budget is \$121.7 million, which will be funded from gifts, university reserves, and bonds. Estimated completion is Fall 2024.
- Fine Arts Restoration – Renovation of the interior and exterior of 55,000 square feet of the Fine Art building originally constructed in 1951. The exterior landscape and public spaces will be restored to their historic condition. Classrooms, concert hall, and library will be upgraded to meet current capacity and building requirements. The total estimated cost is \$38.0 million funded by bonds, gifts, and university reserves. Estimated completion is Fall 2024.
- Nano Clean Room Fit-Out – Project will fit-out a 3,600 square foot clean room with an additional 3,600 square feet for mechanical equipment. The clean room will support research into fabrication and characterization of nanomaterials or semiconductor devices. Estimated project cost is \$14.4 million funded through gifts and university reserves. Estimated completion is Fall 2024.
- Anthony Timberlands Center for Design and Material Innovation – Construction of a 44,000 square foot facility located at the northeast corner of the Windgate Art and Design District. This facility will provide space for a timber and wood design graduate program and an applied research center for wood innovation. This will include classroom, studio, conference, office, and fabrication space. The estimated project cost is \$39.7 million funded by gifts, university reserves, state funds, and bond proceeds. Estimated completion is Spring 2025.

- **MUSiC National Research Fabrication Facility** –The project includes 21,700 square feet of new clean room facility with eight clean room bays. Estimated project cost is \$36.2 million from gifts, grants, and university reserves and bonds. Estimated completion is Spring 2025.
- **Arkansas Union Interior Fit Out for Student Organizations** – Improve the function of student-focused organizations on the second and fourth floors of the Union. The spaces will be configured to improve space utilization and improve the functionality and character of the spaces. Total estimated project cost is \$9.3 million to be funded by university reserves. Estimated completion is Spring 2025.
- **Biology Greenhouse Addition** – Construction of a new wing to the two original wings, including both headhouse and greenhouse components. This new wing will accommodate instructional use while expanding the department's available research space. Estimated project cost is \$1.75 million to be funded from university reserves. Estimated completion is Summer 2025.
- **Reid Hall Window Replacement** – To replace all the original single pane aluminum windows with new insulated windows. The project will improve resident comfort and reduce energy costs. Limited asbestos abatement will be required. Total estimated project cost is \$3.0 million to be funded from university reserves. Estimated completion is Fall 2025.
- **Windgate Galleries** – Project will construct a new 44,000 square foot facility containing professional quality galleries, a fabrication lab, and art foundation studios. It will allow for movement of faculty and students between the other two art buildings located in the Windgate Art and Design District. The estimated cost is \$44.9 million from gifts and university reserves. Estimated completion is Spring 2026.
- **Razorback Field Fieldhouse** – Project will add approximately 27,000 square feet of locker rooms, team lounge, training spaces, coaches' offices, and support spaces improving team facilities and fan accommodations with the creation of a new fieldhouse. The estimated project cost is \$20.0 million. Estimated completion is to be determined.
- **Bogle Park Renovation and Expansion** – Transform indoor practice facility by adding approximately 21,000 square feet to the facility. The project will improve amenities for home team including larger locker rooms, team lounge, clubhouse, and training room. It also adds to the coaches' offices, public restrooms, and back of house operations. The total estimated project cost is \$17.75 million. Estimated completion is to be determined.

Note 8 "Long-Term Debt" provides additional information related to the university's long-term debt.

During the fiscal year ending June 30, 2023, the university issued \$72,655,000 in tax-exempt bonds with coupon rates ranging from 4.00% to 5.25 % to finance various construction and renovation projects on the university campus. The bonds were issued with a net premium of \$5,251,112. Financed projects include the Anthony Timberlands Center for Design and Materials Innovation, the renovation and restoration of the Fine Arts Center, the renovation of the first and second floors of Mullins Library, the construction of the Windgate Studio and Design Center and the acquisition, construction, furnishing, and equipping of other various capital projects on the university campus.

The university also issued \$4,025,000 in taxable bonds with coupon rates ranging from 4.70% to 5.28%. The bonds were issued to provide funds for the roof replacement project at the Engineering Research Center and for other various acquisitions, construction, capital improvements and equipping of other capital improvements and infrastructure on the university campus.

Leases totaling \$19,976,254 were executed and recorded during the fiscal year ending June 30, 2023. This amount represents the lease liability for the present value of all future lease payments at the commencement of the leases as required by GASB Statement 87, *Leases*. These lease liabilities relate to right to use leased assets and have terms extending greater than one year. The leased facilities include student housing, theater and studio space, and administrative office space.

Conditions and other factors having a significant effect

Financial and political support from the state government remains a critical element to the continued financial health of the university. In 2023, the total general revenue distribution from the state increased to \$225.1 million from the \$218.8 million reported in 2022. The forecast for 2024 indicates general revenue and Educational Excellence Trust Fund distributions from the state may increase 2.3%. If state revenue continues to be as strong as the state has reported in early 2023, management will continue to institute both internal and external efforts to maximize state resources available while seeking ways to minimize the risk of state funding levels not keeping pace with growth.

In 2017, The Arkansas State Legislature enacted Act 148, which adopted a productivity-based funding model for most state-supported higher education institutions. As provided in the act, the Arkansas Division of Higher Education developed a productivity-based funding model with measures for effectiveness, affordability and efficiency. That model was first used to determine funding recommendations for the 2018-2019 academic year and resulted in a slight increase in university funding based on those measures. The university does not anticipate material changes in its funding level over the short term based on this funding policy.

The university continues to seek ways to manage the cost of attendance so that it remains affordable while achieving revenue support necessary to offer a high-quality university experience. Diverse revenue sources, including state appropriations, tuition and fees (net of scholarship allowance), private support, and sponsored grants and contracts all contribute to support the mission of teaching, research and service. For the 2023-2024 academic year, enrollment and state appropriations are anticipated to exceed budget. Tuition and mandatory fee increases of less than 1.0% for undergraduate resident students and just under 5.0% for undergraduate non-resident students were necessary in 2024 to maintain the facilities, faculty and other support needed to fulfill our mission.

The university continues to see strong philanthropic support. After a challenging market environment experienced nationwide in fiscal year 2022, the university's overall endowment balance rebounded 4.1% to \$1.53 billion as of June 30, 2023.

University of Arkansas alumni and friends continued to bolster funding for student and faculty support, capital improvements, and programs through a tradition of private gift support, and saw \$93 million in new gifts and received \$173 million in cash payments on existing commitments in fiscal year 2023. This tally includes gifts of cash, gifts-in-kind, planned gifts and new pledges received from July 1, 2022 through June 30, 2023. Approximately \$8.6 million was directed by donors for use as endowment when received.

Preliminary figures indicate that the university enrolled 32,140 students for the Fall 2023 semester. This represents an overall increase of 3.9% over the previous year. The university also continues to set new records for retention and graduation rates. As the charts below indicate, university enrollment has increased 22.5%, or 5,903 students, over the past ten years. Enrollment exceeded 32,000 for the first time ever, and the Fall 2023 term enrolled the second-largest incoming freshman class in the history of the university. Although the number of incoming freshmen, 6,336, is down from the previous year, it is the university's best-prepared freshman class and includes a record number of Arkansans with an increase of 5.3% year over year. Over the last five years, the number of Arkansans in the incoming class has increased by 19.5%.

Preliminary numbers indicate another strong incoming freshman class for the Fall 2024 semester as well. The applicant growth experienced in fiscal year 2023 and expected in fiscal year 2024, on top of three years of very stable enrollment numbers, illustrates the continuing strength and value proposition of the university.

Also, in 2023, the university launched its "150 Forward" strategic planning process, a reflection of having concluded its sesquicentennial celebration. This is a campuswide, collaborative effort to map out where we are as a land-grant institution and align the entire campus to three critical pillars that will continue our forward momentum: student success, research excellence, and employer of choice initiatives.

Due to our strong net position as discussed above, high level of liquidity, indications of stable state support, continuing high levels of philanthropic support, a positive enrollment outlook, and our conservative budgeting approach to the 2023-2024 fiscal year, we have a high level of confidence that the university will maintain its strong position in the future.

1. Summary of Significant Accounting Policies

1A Nature of the Organization

The University of Arkansas, Fayetteville (the university) is a state-supported institution of higher education and the flagship of the University of Arkansas System. The university was established at Fayetteville in 1871 under the provisions of the Morrill Act as both a state university and the land-grant college of Arkansas and is one of fourteen campuses of the University of Arkansas System.

The university is granted an annual appropriation for operating purposes as authorized by the Arkansas General Assembly. The Appropriation Act authorizes expenditures from funds appropriated from the General Fund of the State and authorizes expenditures of total operating funds. An appropriation is construed to be available for the one-year period following the legislative session in which it was approved. All appropriations lapse at the end of the year unless otherwise provided. The laws of the State and the policies and procedures specified by the State for state agencies and institutions are applicable to the activities of the university.

The university is tax exempt under Internal Revenue Service code except for tax on unrelated business income. The university had no significant unrelated business income for the year ended June 30, 2023. It is also exempt from state income taxes under Arkansas law. Accordingly, no provision for income taxes is made in the financial statements.

The university is governed by a ten-member Board of Trustees which has been accorded constitutional status for the exercise of its powers and authority by Amendment 33 to the Arkansas Constitution. The Board of Trustees has delegated to the President the administrative authority for all aspects of the university's operations. Administrative authority is further delegated to the Chancellors, the Vice President for Agriculture, the Dean of the Clinton School, the Director of the Criminal Justice Institute, the Director of the Archeological Survey and the Executive Director of the Arkansas Research and Education Optical Network who have responsibility for the programs and activities of the respective campus or state-wide operating division.

1B Financial Reporting Entity

Governmental Accounting Standards Board (GASB) Statement No. 14, *The Financial Reporting Entity*, as amended by GASB Statements No. 39, *Determining Whether Certain Organizations are Component Units - an amendment of GASB Statement No. 14* and No. 61, *The Financial Reporting Entity: Omnibus - an amendment of GASB Statements No. 14 and No. 34*, defines the financial reporting entity as the primary government, organizations for which the primary government is financially accountable and other organizations for which the nature and significance of their relationship with the primary government are such that exclusion could cause the financial statements to be misleading or incomplete. Under the provisions of these statements, the university is a component unit of the State of Arkansas (primary government). Although the guidance is written from the perspective of the primary government, its requirements apply to the separately issued financial statements of a component unit, and therefore, the component unit should apply the provisions as if it was a primary government.

For purposes of financial reporting, the primary government of the University includes the academic units in Fayetteville, the University of Arkansas Division of Agriculture (UADA), the Arkansas Archeological Survey (AAS), the Criminal Justice Institute (CJI), the Clinton School of Public Service (CSPS), and the Arkansas Research Education Optical Network (AREON). The academic units in Fayetteville include ten colleges, schools and divisions: the Dale Bumpers College of Agricultural, Food, and Life Sciences, the Fay Jones School of Architecture and Design, the J. William Fulbright College of Arts and Sciences, the Sam M. Walton College of Business, the College of Education and Health Professions, the College of Engineering, the School of Law, the Honors College, the Graduate School and International Education, and the Global Campus.

1C Discretely Presented Component Units

Under the provisions of the GASB statements discussed above, the university has identified two organizations that should be reported as component units based on the nature and significance of their relationship with the primary government. The qualifying organizations are the University of Arkansas Fayetteville Campus Foundation, Inc., and the Razorback Foundation, Inc. Although the university does not control the timing or amount of receipts from any of these foundations, most resources or income thereon, which the foundations hold and invest, is restricted to the activities of the university by donors.

Because these restricted resources held by the foundations can be used only by, or for the benefit of, the university, and their individual net assets are considered as having met the financial accountability criteria of GASB Statement No. 39 by management, these foundations are considered component units of the university and are discretely presented in the university's financial statements.

The University of Arkansas Fayetteville Campus Foundation, Inc. (Campus Foundation) is a charitable organization described in Section 501 (c) (3) of the Internal Revenue Code of 1986, as amended, and was established by the Walton Family Charitable Support Foundation, Inc., for the exclusive benefit of the University of Arkansas, Fayetteville campus. The Campus Foundation was established on March 11, 2003, and exists primarily to support the Honors College, the Graduate School and International Education and the university's library. The Board of Trustees of the Foundation is made up of seven members, including three members who are also employees of the university.

The Campus Foundation distributed \$24,954,040 to the university during the fiscal year ended June 30, 2023, for both restricted and unrestricted purposes. Complete financial statements for the Campus Foundation can be obtained from the administrative office at 535 Research Center Blvd Suite 120, Fayetteville, AR 72701.

The Razorback Foundation, Inc. (the Razorback Foundation) was incorporated on October 17, 1980 as a not-for-profit organization whose sole purpose is to support intercollegiate athletics at the university.

The Razorback Foundation distributed \$23,541,227 to the university, and provided equipment, facilities, improvements and supplies in the amount of \$2,569,327 during the fiscal year ended June 30, 2023. Complete financial statements for the Razorback Foundation can be obtained from the administrative office at 1295 S. Razorback Road, Fayetteville, AR 72701.

1D Basis of Presentation

The financial statements for the university have been prepared in accordance with generally accepted accounting principles accepted in the United States of America, as prescribed by the Governmental Accounting Standards Board.

1E Basis of Accounting

For financial reporting purposes, the university is considered a special-purpose government engaged in business-type activities. Accordingly, the financial statements of the university have been prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recognized in the period in which they are incurred, if measurable, including depreciation.

1F Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, deferred inflows, deferred outflows, revenues and expenses at the date of the financial statements. Significant estimates include separation of accrued compensated absences between current and noncurrent and depreciation expense. Actual results could differ from those estimates.

1G Cash and Cash Equivalents

Cash and cash equivalents on the Statement of Net Position includes all readily available sources of cash such as petty cash, demand deposits, and cash on deposit with the State Treasurer.

1H Investments

Investments are stated at fair value. Changes in unrealized gain (loss) on the carrying value are reported as a component of investment income on the Statement of Revenues, Expenses, and Changes in Net Position.

1I Accounts Receivable

Accounts receivable are stated at estimated net realizable values; that is, the gross amount of the receivable is reduced by allowances for estimated uncollectible accounts.

1J Inventories

Inventories are valued at cost with costs generally using retail, and first in first out valuation methods, depending on the best practices of the university department to which the inventory belongs. An allowance of \$86,897 was computed based on estimated obsolete inventory values as of June 30, 2023.

1K Capital Assets

Capital assets consisting of land, buildings, furniture, fixtures, equipment, improvements, infrastructure, construction in progress, and intangible assets are stated at cost or acquisitive value for donated assets.

Buildings, improvements, and infrastructure additions are capitalized when the cost is \$50,000 or more. Renovations to buildings, infrastructure and land improvements are also capitalized when they significantly increase the value or extend the useful life of the structure and the cost exceeds \$50,000.

In accordance with the university's capitalization policy, equipment includes all furniture, fixtures and equipment with a unit cost of \$5,000 or more and an estimated useful life of one year or more.

Intangible assets are capitalized when the cost is \$500,000 or more for purchased software, \$1,000,000 or more for internally developed software, or \$250,000 or more for easements, land use rights, trademarks and copyrights, and patents.

Library holdings are generally defined as collections of books and reference materials and are valued using average prices for library acquisitions. A library book is a literary composition bound into a separate volume and identifiable as a separate copyrighted unit. Library reference materials are information sources other than books which include journals, periodicals, microforms, audio/visual media, computer-based information, manuscripts, maps, documents, and similar items.

Livestock is under the control of the Department of Animal Sciences and is maintained primarily for research purposes with any other benefits derived from the operations considered as incidental to the primary mission of the Department. The inventory value placed on the animals is determined by department heads utilizing current market prices and breeding and research intangibles.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally 15 to 30 years for buildings, 15 to 20 years for infrastructure and land improvements, three to 10 years for equipment and 10 years for library holdings. Amortization of intangible assets, except for those determined to have indefinite useful lives, is computed using the straight-line method over the estimated useful lives of the assets, generally five years for purchased software; 10 years for internally developed software; 15 years for easements, land use rights, trademarks, and copyrights; and 20 years for patents.

1L Deferred Outflows of Resources

Deferred outflows of resources represent a decrease of net position that applies to future periods. Thus, these items will not be recognized as an outflow of resources (an expense or expenditure) until a future period.

1M Advance Receipts

Advance receipts consist primarily of athletic ticket sales and related fees and unearned student revenues for a summer session and the fall semester. These monies were collected in advance and were not earned as of the end of each fiscal year.

1N Noncurrent Liabilities

Noncurrent liabilities include principal amounts of revenue bonds payable, notes payable, lease obligations and installment contracts payable with contractual maturities greater than one year, as well as estimated amounts for accrued compensated absences, net pension obligations, refundable advances on student loans, net other postemployment benefits obligation, and other liabilities that will not be paid within the next fiscal year.

1O Deferred Inflows of Resources

Deferred inflows of resources represent an increase of net position that applies to future periods. These items will not be recognized as an inflow of resources (revenue) until a future period.

1P Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Arkansas Public Employees Retirement System and the Arkansas Teacher Retirement System (the respective Systems) and additions to/deductions from the respective System's fiduciary net position have been determined on the same basis as they are reported by the respective Systems. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

1Q Net Position

The university's net position is classified as follows:

Net invested in capital assets: Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Restricted:

Nonexpendable: Portion subject to externally imposed stipulations that they be maintained permanently by the university. Such assets include the university's permanent endowment funds.

Expendable: Portion whose use by the university is subject to externally imposed stipulations that can be fulfilled by actions of the university pursuant to those stipulations or that expire by the passage of time. There is no formal policy requiring restricted net position to be used either before or after unrestricted net position that may be used for the same purpose. Responsible officials determine at the time funds are expended whether to use any unrestricted net position that may be available.

Unrestricted: Portion that is not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Board of Trustees or may otherwise be limited by contractual agreements with outside parties. Substantially all unrestricted net position is designated for academic and research programs and initiatives as well as capital programs.

1R Classification of Revenues

The university has classified its revenues as either operating or nonoperating revenues according to the following criteria:

Operating revenues: Operating revenues include activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, net of scholarship discounts and allowances, (2) sales and services of auxiliary enterprises, net of scholarship discounts and allowances, and (3) most federal, state and local grants and contracts.

Nonoperating revenues: Nonoperating revenues include activities that have the characteristics of nonexchange transactions, such as gifts and contributions, and other revenue sources that are defined as nonoperating revenues by GASB Statement No. 34, *Basic Financial Statements— and Management's Discussion and Analysis—for State and Local Governments*, such as state appropriations and investment income.

1S Scholarship Discounts and Allowances

Student tuition and fee revenues, and certain other revenues from students, are reported net of scholarship discounts and allowances in the Statement of Revenues, Expenses, and Changes in Net Position. Scholarship discounts and allowances are the difference between the stated charge for goods and services provided by the university and the amount that is paid by students and/or third parties making payments on the students' behalf. Certain governmental grants and nongovernmental programs are recorded as either operating or nonoperating revenues in the university's financial statements. To the extent that revenues from such programs are used to satisfy tuition and fees and other student charges, the university has recorded a scholarship discount and allowance.

1T Encumbrances

Encumbrances representing commitments and outstanding purchase orders for goods and services not received as of the last day of the fiscal year are not reported as expenses or included in liabilities in the accompanying financial statements.

1U New Accounting Pronouncements

The GASB issued the following statements, which became effective for the fiscal years identified below. In fiscal year 2020, the GASB issued Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*, which became effective immediately and delayed the implementation dates as indicated on the applicable statements below.

For the year ending June 30, 2023:

- Statement No. 91, *Conduit Debt Obligations* (original date of FY ended 6/30/21)
- Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements* (original date of FY ended 6/30/22)
- Statement No. 96, *Subscription-Based Information Technology Arrangements*
- Statement No. 99, *Omnibus 2022, the requirements related to leases, PPPs, and SBITAs*

Management has determined that Statements No. 91, 94, and 99 did not materially impact the university. Statement No. 96 established standards of accounting and financial reporting for subscription-based technology arrangements. As a result, beginning net position, as reported on the Statement of Revenues, Expenses and Changes in Net Position, was increased by \$1,486,263. Details of the effect of implementing this statement are discussed in detail in Note 1V.

For the year ending June 30, 2024:

- Statement No. 99, *Omnibus 2022, the requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement 53*
- Statement No. 100, *Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62*
- Statement No. 101, *Compensated Absences*

Management has not yet determined the effects of these statements on the university's financial statements.

1V Restatement of Prior Year

Net position has been restated due to the implementation of GASB Statement No. 96 as detailed below:

Effects of GASB 96 on June 30, 2022 Reported Balances			
	As Reported	Adjustment	Restated
Assets			
Other assets - current	\$7,469,385	\$(304,767)	\$7,164,618
Other assets - noncurrent	7,164,230	5,395,191	12,559,421
Capital assets, net	1,545,982,343	3,915,448	1,549,897,791
Liabilities			
Bonds, notes, leases and installment contracts payable - current portion	\$50,010,992	\$1,667,256	\$51,678,248
Bonds, notes leases and installment contracts payable	771,033,498	5,852,353	776,885,851

The net effect of these adjustments is reflected in the amount reported as of June 30, 2022 as net invested in capital assets.

In addition, due to the adoption of GASB Statement No. 96, a total of \$982,286 was transferred from unrestricted net position to net invested in capital assets.

The cumulative effects of these adjustments to net position as of June 30, 2022 are detailed below:

2022 Net Position			
	As Reported	Adjustment	Restated
Net invested in capital assets	\$721,837,717	\$2,468,549	\$724,306,266
Unrestricted	\$499,286,002	\$(982,286)	\$498,303,716

2. CASH, CASH EQUIVALENTS, AND INVESTMENTS

Arkansas Code Annotated (ACA) §19-4-805 authorizes institutions of higher learning to determine the depositories and nature of investments of any of the cash funds which are not currently needed for operating purposes.

2A Cash and Cash Equivalents

The university uses commercial banks for its cash deposits. Cash deposits are carried at cost. The University of Arkansas System Administration (System Administration) does not maintain separate bank accounts. System Administration deposits are commingled in University of Arkansas, Fayetteville bank accounts. The carrying value of the System Administration funds was \$8,031,797 at June 30, 2023.

The following schedule reconciles the amount of deposits to the Statement of Net Position at June 30, 2023:

Cash and Cash Equivalents	
	June 30, 2023
Cash on deposit, carrying value	\$159,787,148
Cash equivalents	
Cash held at state treasury	946,779
Imprest funds, non-bank	7,988
Items in transit	
Less: System Administration cash	(8,031,797)
Total	\$152,710,118

Custodial Credit Risk – Deposits. Custodial credit risk is the risk that in the event of a bank failure, the university's deposits may not be returned to it. Deposits are exposed to custodial risk if they are not insured by Federal Deposit Insurance Corporation (FDIC) and are uncollateralized, collateralized with securities held by the pledging institution or collateralized with securities held by the pledging institution's agent but not in the university's name. Board of Trustees policy requires that all cash deposits be either insured by the FDIC or collateralized by securities held at a third-party financial institution (preferably the Federal Reserve Bank) in the university's name. At June 30, 2023, none of the university's bank balances were exposed to custodial credit risk.

2B Investments

The following is a summary of the university's investments held at June 30, 2023:

Investments	
Investment Type	Fair Value at June 30, 2023
Mutual treasury money market funds	\$47,356,133
U.S. Treasuries	298,726,658

Negotiable certificates of deposit	22,271
External investment pool	187,032,110
Other investments	1,395,625
Total	\$707,593,188

At June 30, 2023, total investments of \$707,593,188 includes \$66,523,398 reported as deposits with bond trustees on the Statement of Net Position. The above schedule does not include nonnegotiable certificates of deposit of \$8,407,053 at June 30, 2023 which are considered deposits for GASB Statement No. 40, *Deposit and Investment Risk Disclosures—an amendment of GASB Statement No. 3*.

Investment Risk

The university is required under GASB Statement No. 40 to provide investment risk disclosures for all invested funds. Disclosures related to the External Investment Pool are shown separately. No disclosures are made for other investments. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The university does not have a formal investment policy addressing interest rate risk for nonoperating investments.

In accordance with its Operating Funds Investment Policy, the university limits its exposure to fair value losses arising from rising interest rates by limiting investment maturities as follows:

Investment Maturities	
Investment Type (Sector)	Maximum Maturity
U.S. Treasury	10 Years
Federal agency/government sponsored enterprise	10 Years
Municipals	10 Years
Corporate notes	10 Years
Commercial paper	270 Days
Negotiable certificates of deposit	5 Years

The University of Arkansas' investments subject to GASB Statement No. 40 interest rate risk disclosure are summarized below:

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The university does not have a formal investment policy addressing credit risk for nonoperating investments. In accordance with its Operating Funds Investment Policy, the university applies the “prudent investor” standard which states that, “In making investments, the fiduciaries shall exercise the judgement and care, under the circumstances then prevailing, which an institutional investor of ordinary prudence, discretion, and intelligence exercises in the management of large investments entrusted to it, not in regard to speculation, considering probable safety of capital as well as probable income.”

The university manages its exposure to fair value losses arising from credit risks as follows:

2C External Investment Pool-University of Arkansas System

In 1997, the University of Arkansas and the University of Arkansas Foundation (UA Foundation) established an external investment pool. This arrangement pools the moneys of more than one legally separate entity and invests, on the participants' behalf, in an investment portfolio. Subsequent to its establishment, other entities have joined including the Walton Arts Foundation in 1998, the Fayetteville Campus Foundation in 2003, the University of Arkansas Community College at Hope Foundation in 2007, the Razorback Foundation in 2012, and the University of Arkansas Technology Development Foundation in 2016.

The external investment pool is exempt from registration with the Securities and Exchange Commission. The university of Arkansas Board of Trustees and the UA Foundation Board of Trustees were the sponsors of this investment pool and were responsible for operation and oversight for the pool. All participation in this investment pool is voluntary.

In January 2010, the University of Arkansas Investment Committee approved an agreement which delegated authority to the UA Foundation to manage university funds held in the pool. The agreement included delegation of all responsibility for all investment guidelines and performance objectives for accounts within the pool. The agreement also delegated to the UA Foundation authority for further delegation of portfolio implementation decisions to one or more investment managers. In January 2010, the UA Foundation entered into such an agreement with Cambridge Associates, LLC.

The implementation of GASB Statement No.72, *Fair Value Measurement and Application*, during the fiscal year ended June 30, 2016, caused management to reassess the University of Arkansas Board of Trustees' sponsorship role. Based on the UA Foundation's fiduciary responsibilities outlined in the January 2010 agreement, management concluded that the UA Foundation acts as sole sponsor of this investment pool.

The university's ownership of the Total Return Pool was as follows:

Short-Term Investment Fund Pool

This pool was created during fiscal year 2019 for campuses to invest funds on a short-term basis so that the funds would be accessible within a short period to them as needed. At June 30, 2023, UADA owned 64.95% of this pool. The following tables contain information on the risk disclosures of the Short-Term Investment Fund.

2D Donor-Restricted Endowments

ACA §28-69-804 states “Subject to the intent of a donor expressed in the gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless stated otherwise in the gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution.”

The computation of net appreciation on investments of donor-restricted endowments that are available for authorization for expenditure is as follows:

Endowment Available for Expenditure	
Investment Type	June 30, 2023
Endowment investments	\$103,457,719
Operating investment sweep	546,774
Amounts receivable	8,924
Funds treated as endowment	(17,049,673)
Nonexpendable portion of endowment	(28,876,685)
Total	\$58,087,059

Note: The amounts shown as available for expenditure and the funds treated as endowments are reported as expendable net position on the Statement of Net Position. The table above does not include any amounts reported as endowments on the Statement of Net Position by UADA. The university uses a total return policy for investing endowed funds. The university's spending policy is to expend 4.4% of the balance of the endowment averaged over the previous twelve quarters. For 2023, the total takedown percentage of 5.261% includes 0.861% for administrative costs plus other external fees.

3. RECEIVABLES

3A Accounts Receivable

Accounts receivable represent charges due the university from various student fees, room and board, student fines, and other charges. Accounts receivable also include unreimbursed expenses relating to research contracts with federal, state, and private agencies.

A summary of accounts receivable balances at June 30, 2023, are as follows:

Accounts Receivable			
June 30, 2023			
Type	Gross	Allowance	Balance
Student accounts receivable	\$21,636,282	\$(7,198,811)	\$14,437,471
Non-student accounts receivable	27,560,624	(899,992)	26,660,632
Unreimbursed research contract expenses	42,048,347	(3,103,117)	38,945,230
Totals	\$91,245,253	\$(11,201,920)	\$80,043,333

3B Notes Receivable

Notes receivable consist of resources made available for financial loans to students of the university, financing agreements between the university and certain organizations for the purpose of facilities construction, and an interfund loan between the university and the University of Arkansas System eVersity to help fund its initial startup. The resources for loans to students include federal funds, funds from other external sources, and university funds. New student loans totaling \$9,375 were issued under the Student Loan Programs for the year ended June 30, 2023. Most total campus-based loans are from Perkins funds provided by the federal government. The federal government halted the issuance of Perkins loans after June 30, 2018 due to the sunset of the program. The university will continue collecting on the outstanding loans until management decides to liquidate the program. The federal student loan default rate based on the U.S. Department of Education Cohort default rate was 10.00% for the year ended June 30, 2023. Notes receivable totaling \$1,603,622 were written off during the fiscal year ended June 30, 2023.

A summary of notes receivable balances at June 30, 2023, are as follows:

Notes Receivable				
June 30, 2023				
Type	Gross	Allowance	Balance	Current Portion
Student loans	\$4,249,954	\$(336,674)	\$3,913,280	\$965,050

Note: Land of \$415,652 and building of \$4,824,755 related to the joint endeavor between the University of Arkansas and the City of Fayetteville are included in the above amounts. See Note 14.

Museum Collection

The financial statements do not include the university's museum collection which consists of numerous historical relics, artifacts, displays, and memorabilia. Major collections are in archeology, physical anthropology, ethnography, geology, zoology, and history. The value of these collections has not been established by professionals in their respective fields.

5. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

Accounts payable balances are summarized as follows:

Accounts Payable	
Type	June 30, 2023
Payable to outside vendors	\$34,917,161
Retainage on construction contracts	6,567,380
Total	\$41,484,541

Accrued payroll liabilities are summarized as follows:

Accrued Payroll Liabilities	
Type	June 30, 2023
Net salaries and wages payable	\$1,067,147
Employee withholdings payable	11,461,632
Total	\$12,528,779

6. SHORT-TERM BORROWING

GASB Statement No. 38, *Certain Financial Statement Note Disclosures*, states that governments should provide details about short-term debt activity during the year, even if no short-term debt is outstanding at year-end. The university had no short-term debt activity during the fiscal year, nor is there any outstanding balance of short-term debt as of June 30, 2023.

7. COMPENSATED ABSENCES

Employees accrue and accumulate annual and sick leave in accordance with policies established by the Board of Trustees. Full time university employees accrue annual leave at the rate of fifteen hours per month, classified employees at a variable rate (from 8 to 15 hours per month) dependent upon number of years of employment in state government. Under the university's policy, an employee may carry accrued leave forward from one calendar year to another, up to a maximum of 240 hours (30 working days). Employees who terminate their employment are entitled to payment for all accumulated annual leave, up to the maximum allowed.

Classified employees who meet the conditions to be considered retirees at the time of termination of employment are entitled to a partial payment of accumulated, unused sick leave in accordance with the provisions of ACA §21-4-501. As of July 1, 2023, the university transitioned classified positions to non-classified roles. In accordance with the policy established by the Board of Trustees, the portion of the sick leave accrued as a classified employee will no longer be paid out upon any retirement, effective on or after July 1, 2023, for those employees whose roles transitioned from classified to non-classified. As of June 30, 2023, the sick leave accrual included only the known payouts in fiscal year 2024 for June 30, 2023 retirements.

The university recognizes a liability for compensated absences. The liability is based on the value of unused employee vacation and compensatory time as of year-end, including the associated benefits: contributions to Social Security, Medicare, Workers' Compensation, and Unemployment Insurance.

The university recognizes the estimated amount of the liability that will be incurred within the next year as a current liability and the balance as noncurrent.

Changes in compensated absences for the year ended June 30, 2023 are as follows:

Compensated Absences					
June 30, 2023					
	Beginning Balance	Additions	Reductions	Ending Balance	Current Portion
Compensated absences	\$23,435,074	\$24,689,350	\$24,696,788	\$23,427,636	\$2,270,707

8. LONG-TERM DEBT

The retirement of some bond issues is secured by a specific pledge of certain gross revenues, surplus revenues and specific fees. Separate accounting is not required for these facilities under the provisions of the debt instruments; accordingly, segment reporting is not required for financial reporting purposes.

The university adopted GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, as of July 1, 2022. A subscription-based information technology arrangement (SBITA) is defined as a contract that conveys the right to use another party's information technology software, alone or in combination with tangible capital assets, as specified in a contract for a period of time in an exchange or exchange-like transaction. This statement establishes that a SBITA results in a right-to-use subscription asset and a corresponding liability. The subscription liability is initially measured at the present value of the subscription payments expected to be made during the subscription term. Future subscription payments are discounted using the interest rate the SBITA vendor charges or the university's incremental borrowing rate if an interest rate is not readily determinable. The university recognizes the amortization of the discount on the subscription liability as an outflow of resources. The adoption date for GASB 96, July 1, 2022, was used as the commencement date for all the subscription liabilities entered into prior the adoption date. The intangible right-to-use lease asset is recorded in the schedule of assets. See Note 4. The outstanding liability of future subscription payments is recorded in the schedule of liabilities. Subsequent payments are made like debt service payments by recording an expenditure for principal and interest equaling the subscription payment and reducing the liability by the principal payment amount in the schedule of liabilities.

¹For the purposes of calculating pledged revenues, Computer Store revenues shown include internally generated revenues from sales to the university campus of \$4,419,634 for the year ending June 30, 2023.

The Various Facility revenue pledge is used to repay 13 various facilities revenue bond issues as detailed in the schedule above. Proceeds from the bonds provided financing for the construction and renovation of various campus buildings; utility and other infrastructure; land purchases; and refunding of existing debt issues. The maturity date on the issues range from November 2022 through November 2052. Annual principal and interest payments on the bonds are expected to require approximately 9.98% of gross revenues. The total principal and interest remaining to be paid on the bonds is \$929,787,157. Principal and interest paid for the current year and gross revenues were \$50,830,947 and \$509,392,499, respectively.

The Athletics revenue pledge is used to repay five athletic facilities revenue bond issues as detailed in the schedule above. Proceeds from the bonds provided financing for the construction and renovation of various athletic facilities as well as the refunding of existing debt issues. The maturity date on the issues range from September 2022 to September 2036. Annual principal and interest payments on the bonds are expected to require approximately 12.30% of net revenues pledged. The total principal and interest remaining to be paid on the bonds is \$172,650,110. Principal and interest paid for the current year and net revenues were \$15,212,130 and \$123,674,631, respectively.

8E Fiscal Year 2023 Long-Term Debt Transactions

On November 9, 2022, the university issued \$72,655,000 in Various Facility Revenue Bonds (Fayetteville Campus), Series 2022A, with interest rates between 4.00% and 5.25%. The bonds were issued to provide funds to finance various construction and renovation projects on the university campus and were issued on a tax-exempt basis. Projects include (a) the acquisition, construction, furnishing, and equipping of the Anthony Timberlands Center for Design and Materials Innovation; (b) the renovation, restoration, acquisition, construction, improvement, furnishing, and equipping of the Fine Arts Center; (c) the renovation, acquisition, construction, improvement, furnishing, and equipping of the first and second floors of Mullins Library; (d) the acquisition, construction, furnishing, and equipping of the Windgate Studio and Design Center; and (e) the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for the University of Arkansas, Fayetteville.

On November 9, 2022, the university issued \$4,025,000 in Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2022B, with interest rates between 4.70% and 5.28%. The bonds were issued to provide funds to finance various construction and renovation projects on the university campus and were issued on a taxable basis. Projects include the acquisition, construction, installation, and equipping of a roof replacement for the Engineering Research Center and the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for the University of Arkansas, Fayetteville.

In July 2022, the university entered into a perpetual software licensing arrangement totaling \$959,704 for 36 months at an interest rate of 2.23%.

Five long-term leasing arrangements for facilities requiring disclosure under GASB Statement No. 87, *Leases*, were added to long-term debt in 2023.

- In July 2022, the university amended a leasing arrangement to convey control of the underlying asset and extend the terms through May 15, 2024 to provide additional classroom and venue space. The present value of the future lease payments due totaled \$126,720 using the university's estimated incremental borrowing rate of 2.69%. Variable payments based on usage not included in the lease liability were \$3,064 for the year ended June 30, 2023.
- In August 2022, the university amended a previous short-term leasing arrangement to extend the terms through May 31, 2026 to provide overflow housing to certain undergraduate university students. The present value of the future lease payments due totaled \$7,656,153 using the university's estimated incremental borrowing rate of 2.69%. Variable payments related to fees based on usage not included in the lease liability were \$156,745 for the year ended June 30, 2023.
- In October 2022, the university amended a previous short-term leasing arrangement to extend the terms through May 31, 2024 to provide overflow housing to certain undergraduate university students. The present value of the future lease payments due totaled \$2,315,569 using the university's estimated incremental borrowing rate of 2.69%. Variable payments related to fees based on usage not included in the lease liability were \$2,940 for the year ended June 30, 2023.
- In November 2022, the university amended a previous short-term leasing arrangement to extend the terms through May 31, 2026 to provide overflow housing to certain undergraduate university students. The present value of the future lease payments due totaled \$7,325,220 using the university's estimated incremental borrowing rate of 2.69%. Variable payments related to fees based on usage not included in the lease liability were \$148,366 for the year ended June 30, 2023.
- In January 2023, the Criminal Justice Institute amended a previous short-term leasing arrangement to extend the terms through December 2027 for office and storage space. The present value of the future lease payments due totaled \$2,552,592 using the estimated incremental borrowing rate of 2.69%. There were no variable payments not included in the lease liability for the year ended June 30, 2023.

9. FAIR VALUE MEASUREMENTS

In February 2015, GASB issued Statement No. 72, *Fair Value Measurement and Application*. The statement established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

An individual investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the university. The university considers observable data to be market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of that investment and does not necessarily correspond to the university's perceived risk of that investment.

The three levels of the fair value hierarchy are as follows:

Level 1: Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the university can access at the measurement date. Publicly traded equity securities and mutual funds are the primary investments included in Level 1 and are valued at the individual security's closing market price.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. Observable inputs are those that reflect the assumptions market participants would use in pricing the asset developed based on market data obtained from independent sources. These types of sources would include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, models or other valuation methodologies. Level 2 investments include U.S. and international government debt securities valued at market corroborated prices and certain equity and fixed income investments in commingled investment vehicles reported at net asset value derived from the market prices of security holdings.

Level 3: Inputs that are unobservable. Unobserved inputs are those that reflect the university's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available. These types of sources would include investment manager pricing for private equities, hedge funds and certain limited partnerships. Limited partner interests in private equity and other partnerships and hedge fund investments are included in Level 3 and are valued using the individual investment manager's reported estimates of fair value developed in accordance with reasonable valuation policies.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the university believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the valuation hierarchy, university invested funds, including amounts reported as deposits with bond trustees on the Statement of Net Position, at June 30, 2023:

Investment Instruments Measured at Fair Value				
Investments by Fair Value Level	June 30, 2023	Fair Value Measurements Using

Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Debt and equity securities classified in Level 2 of the fair value hierarchy are valued using a funds accounting technique or are provided by the security custodian. Securities classified in Level 3 are valued using par value on the face of the investments or provided by the security custodian. Life-interest in real estate classified in Level 3 is valued using an independent appraisal dated June 22, 2023.

¹This type includes investments in a broadly diversified external investment pool. Pooled investments include allocations to global equities, both public and private, hedge funds, and bonds. The assets in the pool are accounted for at fair value determined according to the principles of the Financial Accounting Standards Board. A one-week notice is required for redemptions over \$1 million. There is also a requirement for 30-days written notice if total withdrawals will exceed \$25 million in any 30-day period.

²This type includes investments in an external investment pool comprised of fixed income investments. The pooled investments are allocated primarily to intermediate and short-term government bonds and investment-grade corporate bonds. The pool also includes allocations to commercial paper, negotiable certificates of deposit, and money market funds. The assets in the pool are accounted for at fair value determined according to the principles of the Governmental Accounting Standards Board. A three-day notice is required for redemptions.

10. NATURAL AND FUNCTIONAL CLASSIFICATIONS OF OPERATING EXPENSES

The following is a reconciliation of the natural classifications as presented in the Statement of Revenues, Expenses, and Changes in Net Position to the functional classifications for the year ended June 30, 2023:

11. EMPLOYEE BENEFITS

11A Retirement Plans

New employees of the university who are employed half-time or greater and are on at least a nine month appointment period and similar employees who transfer to or from another campus within the University of Arkansas System with more than a 30 calendar-days break will be required to participate in the University of Arkansas Retirement Plan. Employees who transfer to or from another campus within the University of Arkansas System with fewer than 30-days break and who were participating in either APERS or ATRS can elect at their new campus to participate in APERS or the University of Arkansas Retirement Plan. Employees who are participants prior to July 1, 2020 who terminate employment and have a break in service of more than 30 days and who are rehired on or after July 1, 2020 are considered new participants. Employees who previously were not benefits-eligible, and who become benefits-eligible on or after July 1, 2020, and employees who retire with APERS and ATRS and who become participants in this plan on or after July 1, 2020 are considered new participants. All employees are eligible to make voluntary elective employee contributions under the plan even if they are not eligible for employer contributions.

University of Arkansas Retirement Plan

Plan Description

The University of Arkansas Retirement Plan is a defined contribution plan, offering both a 403(b) program and a 457(b) program, as defined by the Internal Revenue Service (IRS) Code. The authority under which the Plan's benefit provisions are established or amended is the President of the university or his designee. Contributions to Fidelity Investments shall be applied to individual annuities issued under an annuity account and/or to various mutual fund companies held at Fidelity Investments. Contributions to Teachers Insurance Annuity Association (TIAA) can be allocated among their various annuity accounts held at TIAA.

Contributions

Effective July 1, 2020, all benefits-eligible employees of the University of Arkansas are required to contribute 5% of their regular salary to the TIAA and/or Fidelity Investments. The university automatically contributes 5% of an employee's regular salary to a TIAA and/or Fidelity Investments retirement account, allocated between the two companies according to the employee's choice. For any contributions an employee makes in excess of 5% of their regular salary, the university makes an equal contribution, up to the IRS limit. IRS regulations limit the compensation taken into account when determining employer and employee contributions to \$330,000 in 2023. Employee contributions in excess of 10% are allowed by the plans in accordance with IRS regulations but the university does not match these additional contributions. All benefits attributable to plan contributions made by the participant are vested immediately. All benefits attributable to contributions made by the university for faculty and staff hired on or after July 1, 2016 will be vested at the end of 24 consecutive months of employment, upon death, attainment of age 65 while actively employed, or should they become disabled while actively employed as determined by the Social Security Administration or the university's long-term disability insurance provider. The university's and participants' TIAA contributions for the year ending June 30, 2023 were \$18,086,882 and \$22,273,230, respectively. The university's and participants' Fidelity Investment contributions for the year ending June 30, 2023 were \$14,527,975 and \$18,323,133, respectively.

Arkansas Public Employees Retirement System (APERS)

Plan Description

The Arkansas Public Employees Retirement System (APERS) is a cost-sharing, multiple-employer, defined benefit plan administered by the State of Arkansas. The plan was established by the authority of the Arkansas General Assembly with the passage of Act 177 of 1957. The costs of administering the plan are paid out of investment earnings. The general administration and responsibility for the proper operation of the System is vested in the thirteen members of the Board of Trustees of the Arkansas Public Employees' Retirement System. Membership includes five state and five non-state employees, all appointed by the Governor, and three ex-officio trustees, including the Auditor of State, Treasurer of State, and the Director of the Department of Finance and Administration. APERS issues a publicly available financial report that can be obtained at <https://www.apers.org/publications>.

Benefits Provided

Benefit provisions are set forth in ACA §24-4 and may only be amended by the Arkansas General Assembly. APERS provides retirement, disability, and death benefits. Retirement benefits are determined as a percentage of the member's compensation times the member's years of service. The 93rd State of Arkansas General Assembly, in Act 370, amended the law concerning the number of years used in the computation of the final average compensation (FAC) to five years for members first hired on or after July 1, 2022. Members hired prior to July 1, 2022 have their FAC computed using their highest 3-year average compensation. The percentage used is based upon whether a member is contributory or noncontributory as follows:

Contributory, prior to 7/1/2001	2.11%
Contributory, prior to 7/1/2005	2.07%
Contributory, 7/1/2005 – 6/30/2007	2.03%
Contributory, on or after 7/1/2007	2.00%
Non-Contributory, prior to 7/1/2007	1.75%
Non-Contributory	1.72%

The Contributory member's multiplier will be increased by 0.5% for service accrued after July 1, 2009 that exceeds 28 years.

Members are eligible to retire with a full benefit under the following conditions:

- at age 65 with five years of service,
- at any age with 28 years actual service. Members may retire with a reduced benefit at age 55 with at least five years of actual service or at any age with 25 years of service.

Members are eligible for disability benefits with five years of service. Disability benefits are computed as an age and service benefit, based on service and pay at disability. Death benefits are paid to a surviving spouse as if the member had five years of service and the monthly benefit is computed as if the member had retired and elected the Joint & 75% Survivor option. A cost-of-living adjustment of 3% of the current benefit is added each year. For members first hired on or after July 1, 2022, the redetermined amount is the monthly benefit payable as of the preceding July 1 increased by the lesser of 3% or the percentage change in the Consumer Price Index for Urban Wage Earnings and Clerical Workers over the one-year period ending in the December preceding the redetermination date.

Effective July 1, 2016, new employees of the university are no longer eligible to participate in APERS. Existing APERS participants can continue APERS participation.

Contributions

Contribution requirements are set forth in ACA §24-4. The contributions are expected to be sufficient to finance the costs of benefits earned by members during the year and make a level payment that, if paid annually over a reasonable period of future years, will fully cover the unfunded costs of benefit commitments for services previously rendered. Members who began service prior to July 1, 2005 and elected to remain in the non-contributory plan, are not required to make contributions to APERS. Members who began service on or after July 1, 2005 are required to participate in the contributory plan and contribute 5% of their salaries. Beginning July 1, 2022, and continuing each following fiscal year, the rate increases in increments of twenty-five hundredths of one percent until it reaches a maximum of 7%. Employers are required to contribute at a rate established by the APERS Board of Trustees based on an actuary's determination of a rate required to fund the plan. The university contributed 15.32% of applicable compensation for the fiscal year ended June 30, 2023. The university's and members' contributions for the year ending June 30, 2023 were \$1,004,874 and \$299,007, respectively.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2023, the university reported a liability of \$8,743,872 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The university's proportion of the net pension liability was based on the university's share of contributions to the pension plan relative to the total contributions of all participating employers. At June 30, 2023, the university's proportion was 0.2297% for Fayetteville and 0.0946% for UADA, for a total proportion of 0.3243%; which was a decrease of 0.0414 from its total proportion measured as of June 30, 2022.

There were no significant assumption changes or changes in other inputs for the fiscal year ended June 30, 2022.

There were no significant changes in benefit terms for the fiscal year ended June 30, 2022.

For the year ended June 30, 2023, the university recognized pension expense of \$137,356. At June 30, 2023, the university reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Net Pension Deferred Inflows and Outflows		
	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$209,882	\$105,568
Changes of assumptions or other inputs		
Net difference between projected and actual earnings on pension plan investments	1,844,533	
Changes in the proportion and differences between the employer contributions and share of contributions	131,517	1,215,474
University contributions subsequent to the measurement date	1,004,874	
Totals	\$3,190,806	\$1,321,042

Deferred outflows of resources of \$1,004,874 is related to university contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in the pension expense in the financial statements as follows:

Amortization of Other Deferred Inflows and Outflows	
Year Ended June 30,	Amount
2024	(207,627)
2025	(54,261)
2026	(159,579)
2027	1,286,359

Actuarial Assumptions

The total pension liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions and applied to all periods included in the measurement:

Actuarial Assumptions	
Actuarial Cost Method	Entry Age Normal
Amortization Method	Level of Percent of Payroll, Closed
Remaining Amortization Period	25 years
Asset Valuation Method	4-year smoothed market; 25% corridor
Investment Rate of Return	7.15%
Salary Increases	3.25% – 9.85% including inflation
Wage Inflation	3.25%
Post-Retirement Cost-of-Living Increases	3.00% Annual Compounded Increase; For members first hired on or after July 1, 2022, the redetermined amount is the monthly benefit payable as of the preceding July 1 increased by the lesser of 3% or the percentage change in the Consumer Price Index for Urban Wage Earnings and Clerical Workers over the one-year period ending in the December preceding the redetermination date.
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition.
Mortality Table	Based on RP-2006 Healthy Annuitant benefit weighted generational mortality tables for males and females. Mortality rates are multiplied by 135% for males and 125% for females and are adjusted for fully generational mortality improvements using Scale MP-2017.
Average Remaining Service Life of All Members	3.7989

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the current asset allocation percentage and by adding expected price inflation. Best estimates of arithmetic real rates of return for the 10-year period from 2020 to 2029 were based upon capital market assumptions provided by plan's investment consultant(s). For each major asset class that is included in the pension plan's current asset allocation as of June 30, 2022, these best estimates are summarized in the following table:

Expected Rate of Return		
Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Broad domestic equity	37 %	6.22 %
International equity	24	6.69
Real estate	16	4.81
Absolute return	5	3.05
Domestic fixed	18	0.57
Total	100 %	
Total real rate of return		4.93 %
Plus: Price inflation - actuary's assumption		2.50
Less: Investment expenses (passive)		
Net Expected Rate of Return		7.43 %

Discount Rate

A single discount rate of 7.15% was used to measure the total pension liability. This single discount rate was based on the expected rate of return on pension plan investments of 7.15%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the university’s proportionate share of the net pension liability using the discount rate of 7.15%, as well as what the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.15%) or 1-percentage-point higher (8.15%) than the current rate:

Sensitivity of Discount Rate		
1% Decrease (6.15%)	Discount Rate (7.15%)	1% Increase (8.15%)
\$ 13,901,158	\$ 8,743,872	\$ 4,486,070

Pension Plan Fiduciary Net Position

Detailed information about the pension plan’s net position is available in the separately issued APERS financial report.

Payables to the Pension Plan

The university reported payables to APERS of \$30,868 at June 30, 2023.

Arkansas Teacher Retirement System (ATRS)

Plan Description

The Arkansas Teacher Retirement System (ATRS) is a cost-sharing, multiple-employer, defined benefit pension plan administered by the State of Arkansas. The plan was established by the authority of the Arkansas General Assembly with the passage of Act 266 of 1937. The costs of administering the plan are paid out of investment earnings. The general administration and responsibility for the proper operation of the System is vested in the fifteen members of the Board of Trustees of the Arkansas Teacher Retirement System. Membership includes eleven members who are elected and consist of seven active members of ATRS with at least five years of actual service, three retired members receiving an annuity from ATRS, and one active or retired member from a minority racial ethnic group. There are also four ex officio members, including the State Bank Commissioner, the Treasurer of the State, the Auditor of the State and the Commissioner of Elementary and Secondary Education. ATRS issues a publicly available financial report that can be obtained at <https://www.artrs.gov/publications>.

Benefits Provided

Benefit provisions are set forth in ACA §24-7 and may only be amended by the Arkansas General Assembly. ATRS provides retirement, disability and death benefits. Retirement benefits are determined as a percentage of the member's highest 3-year average compensation times the member's years of service. The percentage used is based upon whether a member is contributory or noncontributory as follows:

Contributory:

10 years or more of service	2.15%
Less than 10 years of service through 6/30/2018	2.15%
Less than 10 years of service after 7/1/2018	1.75%

Non-Contributory:

10 years or more of service through 6/30/2019	1.39%
10 years or more of service beginning 7/1/2019	1.25%
Less than 10 years of service through 6/30/2018	1.39%
Less than 10 years of service after 7/1/2018	1.00%

Members are eligible to retire with a full benefit under the following conditions:

- at age 60 with five years of actual or reciprocal service,
- at any age with 28 years of actual service.

Members with 25 years of actual or reciprocal service who have not attained age 60 may retire with a reduced benefit.

Members are eligible for disability benefits with five years of credited service. Disability benefits are computed as an age and service benefit, based on service and pay at disability. Survivor benefits are payable to qualified survivors upon the death of an active member with five years of credited service. The monthly benefit paid to eligible spouse survivors is computed as if the member had retired and elected 100% Survivor Annuity. Minor child survivors receive a percentage of the member's highest salary earned. ATRS also provides a lump sum death benefit for active and retired members with 10 years of actual service. The amount for contributory members will be up to \$10,000 and up to \$6,667 for noncontributory members. A cost-of-living adjustment of 3% of the current benefit is added each year.

Effective July 1, 2011, new employees of the university are no longer eligible to participate in the ATRS. Existing ATRS participants are allowed to continue ATRS participation.

Contributions

Contribution requirements are set forth in ACA §24-7. The contributions are expected to be sufficient to finance the costs of benefits earned by members during the year and make a level payment that, if paid annually over a reasonable period of future years, will fully cover the unfunded costs of benefit commitments for services previously rendered. ATRS has contributory and noncontributory plans. The contributory plan has been in effect since the beginning of ATRS. The noncontributory plan became available July 1, 1986. Act 81 and 907 of 1999, effective July 1, 1999, require all new members under contract for 181 or more days to be contributory. Effective July 1, 2021 the number of contracted days increased to 185. Act 93 of 2007 allows any noncontributory member to make an irrevocable election to become contributory on July 1 of each fiscal year. Employers are required to contribute at a rate established by the ATRS Board of Trustees based on an actuary's determination of a rate required to fund the plan. The university contributed 15.00% of applicable compensation for the fiscal year ended June 30, 2023. The university's and members contributions for the year ending June 30, 2023 were \$87,870 and \$33,482, respectively.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2023, the university reported a liability of \$855,823 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The university's proportion of the net pension liability was based on the university's share of contributions to the pension plan relative to the total contributions of all participating employers. At June 30, 2023, the university's proportion was 0.0086% for Fayetteville and 0.0076% for UADA, for a total proportion of 0.0162%, which was a decrease of 0.0049 from its total proportion measured as of June 30, 2022.

There were no significant assumption changes or changes in other inputs for the fiscal year ended June 30, 2022.

There were no significant changes in benefit terms for the year ended June 30, 2022.

For the year ended June 30, 2023, the university recognized pension expense of \$67,193. At June 30, 2023, the university reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Net Pension Deferred Inflows and Outflows		
	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$16,496	\$1,843
Changes of assumptions or other inputs	88,800	
Net difference between projected and actual earnings on pension plan investments	125,260	
Changes in the proportion and differences between the employer contributions and share of contributions		225,268
University contributions subsequent to the measurement date	87,870	
Totals	\$ 318,426	\$227,111

Deferred outflows of resources of \$87,870 is related to university contributions made subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the year ended June 30, 2024.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in the pension expense in the financial statements as follows:

Amortization of Other Deferred Inflows and Outflows	
Year Ended June 30,	Amount

Actuarial Assumptions

The total pension liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Assumptions	
Actuarial Cost Method	Entry Age Normal
Amortization Method	Level of Percent of Payroll, closed
Amortization Period	30 years
Asset Valuation Method	4-year smoothed market; 20% corridor
Salary Increases	2.75 – 7.75% including inflation
Wage Inflation	2.75%
Investment Rate of Return	7.25% compounded annually
Post-Retirement Cost-of-Living Increases	3.00% Simple
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition based on the results of an actuarial experience study for the period July 1, 2015 through June 30, 2020.
Mortality Table	Pub-2010 Healthy Retired, General Disabled Retiree, and General Employee Mortality weighted tables were used for males and females. Mortality rates were adjusted for future mortality.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return were adopted by the plan's trustees after considering input from the plan's investment consultant and actuary.

For each major asset class included in the pension plan's target asset allocation as of June 30, 2022, these best estimates are summarized below:

Expected Rate of Return		
Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Total equity	53 %	5.3 %
Fixed income	15	1.3
Alternatives	5	4.8
Real assets	15	4.0
Private equity	12	7.6
Cash equivalents		0.5
Total	100 %	

Discount Rate

A single discount rate of 7.25% was used to measure the total pension liability based on the expected rate of return on pension plan investments. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be 14.75% of payroll. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the university's proportionate share of the net pension liability using the discount rate of 7.25%, as well as what the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.25%) or 1-percentage-point higher (8.25%) than the current rate:

Sensitivity of Discount Rate		
1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
\$ 1,360,484	\$ 855,823	\$ 437,139

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's net position is available in the separately issued ATRS financial report.

Payables to the Pension Plan

The university reported no payable to ATRS at June 30, 2023.

Other Plans

Cooperative Extension Service employees who previously held appointments with the U.S. Department of Agriculture are covered by either the Civil Service Retirement System (CSRS) or the Federal Employees Retirement System (FERS), depending on date of appointment. Both plans are single employer defined benefit plans. The CSRS plan became effective in 1920, and established retirement benefits for certain Federal employees. Congress created the FERS plan in 1986, becoming effective on January 1, 1987. Since that time new Federal civilian employees who have retirement coverage are covered under the FERS plan. FERS provides benefits from three different sources: a Basic Benefit Plan, Social Security and the Thrift Savings Plan. As of June 30, 2023, one active employee was covered under the CSRS plan and seven active employees were covered under the FERS plan. Participants in the CSRS plan contribute 7%, 7.5%, or 8% of salaries and employers match the employee's CSRS contributions. Participants in the FERS plan are required to contribute 0.80% of salaries and employers are required to contribute 18.4% for the Basic Benefit and Social Security portions of the plan benefits. The university's and participants' CSRS and FERS contributions were \$106,268 and \$5,430, respectively, for the fiscal year ended June 30, 2023.

The Thrift Savings Plan (TSP) is the third component of the FERS plan and is a supplement to the CSRS plan. It is a defined contribution plan designed to provide retirement income for Federal employees similar to a 401(k) plan. The TSP is administered by the Federal Retirement Thrift Investment Board. For FERS participants, employers are required to contribute an amount equal to 1% of salaries to a TSP account established for the participant. Employees may also contribute to their TSP account, with employer matching on the first 5% of employee contributions up to 4%. There is no employer matching for CSRS participants. All contributions are exempt from taxation. The university's and participants' TSP contributions were \$22,527 and \$52,594, respectively, for the fiscal year ended June 30, 2023.

Additionally, employees covered by these plans may also participate in the University of Arkansas Retirement Plan which includes TIAA and Fidelity Investments but are not eligible for any additional university contribution.

The university's participation in the Federal retirement system plans is not considered material by university management.

11B Self-Insurance Plans

The Board of Trustees of the University of Arkansas System sponsors self-funded health (including prescription coverage) and dental plans for University of Arkansas System employees and their eligible dependents. All campuses in the University of Arkansas System participate in the health plan which is administered by the System Administration. The plans are also offered to employees of the University of Arkansas Winthrop Rockefeller Institute, the University of Arkansas Foundation, Inc., the Razorback Foundation, Inc., the Walton Arts Center, and the University of Arkansas Technology Development Foundation. Operations of the plans are recorded in the separate University of Arkansas consolidated financial report.

As of January 1, 2014, post age 65, Medicare eligible retirees no longer participate in the University of Arkansas' self-funded health and dental benefit plan but may elect a fully-insured Medicare Advantage Plan which includes Part D drug coverage.

For the year ending June 30, 2023, a total of 4,601 active employees, former employees, and retirees were participants in the health plan. The university's contributions to health coverage are based on the employee's salary and percent of appointment. Four salary bands are used to determine the employer contribution with the average contribution for 75%-100% appointed employees being:

Salary Bands – UAF, AAS, AREON, CJI, CSPS			
Salary Range	Employer Contribution		
	Classic Plan	Health Savings Plan	Premier Plan
Under \$39,000	76.53 %	86.57 %	50.28 %
From \$39,000 to \$54,999	74.53	84.29	48.97
From \$55,000 to \$99,999	72.32	81.76	47.52
\$100,000 and above	70.64	79.81	46.42

Salary Bands – UADA			
Salary Range	Employer Contribution		
	Classic Plan	Health Savings Plan	Premier Plan
Under \$39,000	78.11 %	88.27 %	51.63 %
From \$39,000 to \$59,999	74.17	83.73	49.05
From \$60,000 to \$99,999	71.33	80.44	47.18
\$100,000 and above	67.73	76.35	44.84

The university pays 75% for the health plan for federal employees.

11C Life Insurance Plan

The University of Arkansas System's life insurance carrier is the Standard Life Insurance Company. The university's life insurance is a fully-insured arrangement with the premiums being sent directly to the life insurance carrier.

Expenditures for all employee benefits are included as expenditures within the appropriate functional area.

The university has, from time to time, negotiated early retirement agreements with faculty and staff which may include the provision of healthcare or other benefits for future periods.

There was no liability for these type of agreements at June 30, 2023.

12. OTHER POSTEMPLOYMENT BENEFITS (OPEB)

12A General Information about the OPEB Plan

Plan description: The University of Arkansas System Health Plan (Plan) is a non-ERISA, self-funded medical benefit plan that provides other postemployment benefits (OPEB) to eligible retirees. The Plan is a single-employer, defined benefit plan authorized by the Board of Trustees of the University of Arkansas and administered by the university president. Within the scope of applicable federal and state regulation, the university president in conjunction with the University of Arkansas System Office establishes and amends the benefit terms and financing requirements.

In June 2015, GASB issued Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, which became effective for the fiscal year ending June 30, 2018. This Statement requires governmental entities to recognize total OPEB liability (asset), payables to OPEB plans, and deferred outflows and inflows of resources related to certain changes in the total OPEB liability (asset) not yet recognized in the OPEB expense on the Statement of Net Position and that most changes in the total OPEB liability be included in OPEB expense in the period of the change. For defined benefit OPEB, this Statement also requires that Actuarial Standards of Practice be applied in developing assumptions and establishes additional requirements for the measurement of the total OPEB liability and the disclosure of significant assumptions and other inputs used to calculate the OPEB liability. As a result of the implementation of this Statement, the university accrued \$22,075,000 in retiree healthcare liability as of June 30, 2023. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB 75.

Benefits provided: The university offers postemployment health (including prescription drugs) and dental benefits to eligible retirees. Employees who retired on or before December 31, 2020 are eligible for life insurance coverage of \$10,000. Employees retiring on or after January 1, 2021 are not eligible for this coverage. Health and dental benefits are provided in the university's self-funded plan sponsored by the Board of Trustees of the University of Arkansas System for current and pre-65 retired employees. Although benefits are also provided under the University's plan for the University of Arkansas Foundation, Inc., the Razorback Foundation, Inc., the University of Arkansas Technology Development Foundation, the Walton Arts Center, and the University of Arkansas Winthrop Rockefeller Institute, no postemployment benefit is accrued by the university for these private entities. Financial activities of the plan are reported in the University of Arkansas consolidated financial report.

Retirees qualify for postretirement benefits as follows:

Participation: Employees who retire with a combination of age and years of service of at least 70 and if, immediately prior to retirement they have completed 10 or more consecutive years of continuous coverage under the plan. Retirees may cover spouses and eligible dependent children. Surviving spouses can continue coverage after retiree's death.

Benefit Provided: Retirees participate in the plan at the same premium rate as an active employee.

Required Contribution Ratio: Retirees pay 100% of premium. Employer costs are funded on a pay-as-you-go basis.

Employees covered by benefit terms. At June 30, 2023, the following employees were covered by the benefit terms:

Employees Covered by Benefit Terms	June 30, 2023	
	Medical	Life
Inactive employees currently receiving benefit payments (retirees, spouses, and survivors)	87	815
Inactive employees entitled to but not yet receiving benefit payments		
Active employees	4,957	
Totals	5,044	815

Covered employee data was provided as of February 2023. Since the data represents school employees who usually retire/terminate in June, all the new hires after July 1, 2022 were set to have a hire date as of July 1, 2022. This adjustment was done to capture the true census of the systems during the academic year.

12B OPEB Liability

At June 30, 2023, the university reported a liability of \$22,075,000 for its proportionate share of the total OPEB liability. The total OPEB liability was measured as of June 30, 2022 and was determined by an actuarial valuation as of that date.

Actuarial assumptions and other inputs. The total OPEB liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Actuarial Assumptions and Other Inputs

Valuation Date	July 1, 2022
Actuarial Cost Method	Entry Age Normal
Amortization Method	30 years rolling, Level of Percentage of Payroll
Asset Valuation Method	N/A
Actuarial Assumptions:	
Rate of Medical Inflation	7.00% grading to 4.14% over 20 years
Rate of Pharmacy Inflation	9.00% grading to 4.14% over 20 years
Discount Rate	3.54% per annum
Rate of Salary Increase for Amortization	4.00%
Healthy Mortality Rate	Pub-2010 Teachers Headcount weighted Mortality Tables for employees, contingent annuitants, and healthy retirees projected generationally using projection scale MP-2021 from base year 2010.
Disabled Mortality Rate	Pub-2010 Teachers Headcount weighted Mortality Tables for disabled retirees projected generationally using projection scale MP-2021 from base year 2010.

The discount rate was based on the 20-year tax-exempt general obligation bond rates published in the Bond Buyer index as of the valuation date.

Effective January 1, 2014, the plan for Medicare eligible retirees was changed to a fully insured Medicare Advantage program. Retirees pay 100% of the premium directly to the insurance carrier. As a result, no liabilities for Medicare eligible retiree medical benefits are included in this valuation.

The dental rates are set to match projected costs. Retirees pay 100% of the budget rate for coverage. Therefore, the cost for dental coverage was excluded from this valuation.

12D OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2023, the university recognized OPEB expense of \$1,536,000. At June 30, 2023, the university reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Total OPEB Deferred Inflows and Outflows		
	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$1,460,000	\$1,756,000
Changes of assumptions	1,533,000	2,563,000
Contributions subsequent to the measurement date	704,000	
Totals	\$3,697,000	\$ 4,319,000

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

13. RISK MANAGEMENT

The University of Arkansas Risk Management Program provides insurance coverage for all campuses within the University of Arkansas System. The role of the System Administration is to analyze and recommend insurance coverage, but it is ultimately up to each campus to inform the System Administration regarding their specific coverage requirements.

All campuses are currently covered under the property and auto coverage provided through the System Administration. The property coverage is insured through Arkansas Multi-Agency Insurance Trust (AMAIT) with a \$250,000 deductible. It is the responsibility of each campus to confirm all building and content values to be covered. The AMAIT policy also contains earthquake and flood insurance coverage. The System Administration has also secured domestic and foreign terrorism coverage.

Likewise, with the auto coverage, each campus is responsible for providing a list of vehicles to be covered under the auto coverage through Cypress Insurance. The auto coverage has a physical damage deductible of \$1,000 and provides coverage against liability losses up to \$1 million per occurrence.

The University of Arkansas has an insurance policy covering the Razorback Foundation, Inc. and Board of Trustees of the University of Arkansas for the owned aircraft, which provides coverage liability losses up to \$50 million per occurrence and medical coverage of \$50,000 per person.

The University of Arkansas has a cyber insurance policy through AMAIT.

The University of Arkansas does not purchase general liability, errors or omissions, or tort immunity for claims arising from third-party losses on university property as the University of Arkansas has sovereign immunity against such claims. Claims against the University of Arkansas for such losses are heard before the State Claims Commission. In such cases where the University of Arkansas enters into a lease agreement to hold a function at a location not owned by the University of Arkansas, general liability coverage may be purchased for such functions.

The University of Arkansas maintains workers' compensation coverage through the State of Arkansas program. Premiums are paid through payroll and are based on a formula calculated by the Department of Finance and Administration which is provided to the campuses around April 1 of each year to be used for the upcoming fiscal year. The types of benefits and expenditures that are paid include the following: medical expenses, hospital expenses, death benefits, disability, and claimant's attorney fees.

Additionally, the University of Arkansas participates in the State of Arkansas Fidelity Bond Program for claims of employee dishonesty. This program has a limit of \$300,000 recovery per occurrence with a \$2,500 deductible. Premiums are paid annually via a fund transfer from state appropriations to the Department of Finance and Administration.

There have been no reductions in insurance coverage from the prior fiscal year. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

14. WALTON ARTS CENTER

In 1987, the University of Arkansas and the City of Fayetteville engaged in a joint endeavor to operate the Walton Arts Center. Funds were pooled from each entity to provide for the construction and operation of the center. The University of Arkansas/City of Fayetteville Arts Foundation, Inc., now called the Walton Arts Center Foundation, Inc., was established to administer this project and its funds. Activities of the Foundation were managed by nine directors - three appointed by the university, three by the City of Fayetteville, and three recommended by the Foundation that were approved by the mayor and chancellor.

The Walton Arts Center Council, Inc. was formed to construct, operate, manage, and maintain the Arts Center in Fayetteville, Arkansas, in accordance with the Interlocal Cooperation Agreement between the City of Fayetteville and the university of Arkansas. The ownership of the Arts Center facilities, including land, is held equally by the City and the university. The Arts Center Council was required to submit an annual budget to both the City and the university for approval. The Board of Trustees of The Arts Center Council was comprised of five members appointed by the university, five members appointed by the City, and ten members appointed at large, all of whom served as volunteers.

On August 14, 2014, the governing documents establishing and defining the joint endeavor between the City of Fayetteville and the University of Arkansas to operate the Walton Arts Center were revised to ensure clarity and flexibility to allow the Walton Arts Center to meet the arts and entertainment needs of all residents of Northwest Arkansas with a multi-venue system, while at the same time confirming support of the original partnership. Revisions were made to the respective Articles of Incorporation of the Walton Arts Center Foundation, Inc. and the Walton Arts Center Council, Inc. to clarify the purpose of each entity to encompass multiple venues in the Northwest Arkansas region; to allow the Walton Family Foundation to appoint nine additional directors to the Board of Directors of the Arts Center Council while ensuring that the City and university maintain their proportionate number of directors on the Board; to return the City of Fayetteville's initial payment of \$1.5 million to the Foundation back to the City for the City's use in the construction of a parking facility adjacent to the Walton Arts Center or as otherwise determined by the Fayetteville City Council; and with consent by the university to expend the institution's initial payment of \$1.5 million to the Foundation to help defray the construction costs of the proposed enlargement and enhancement of the Walton Arts Center. To date, the university's funds placed in the endowment have not been spent. Accordingly, the relationship of the university and Walton Arts Center Foundation, Inc. remains unchanged. In the event the funds are expended, as provided in the revised agreement, the Walton Arts Center Foundation, Inc. would no longer be an agent for the university nor would the university have the right of appointment of Walton Arts Center Foundation, Inc. directors.

An Amended and Restated Interlocal Cooperation Agreement was also executed that permits the Walton Arts Center to conduct business as a separate, free-standing non-profit corporation; that budget and operational oversight rests exclusively with the Walton Arts Center Council and confirms the Walton Arts Center is no longer an agent of the university or the City, nor restricted to the terms of the original agreement; and affirms the Walton Arts Center must comply with the terms of a new lease agreement executed by the university, City of Fayetteville, and the Walton Arts Center Council.

The lease agreement extends the term to 25 years and recognizes the changed scope of the Walton Arts Center. The lease also provides assurances regarding the on-going quality and type of performances at the Walton Arts Center in Fayetteville.

15. OTHER ENTITIES

University of Arkansas Foundation, Inc. - The Foundation operates as a nonprofit benevolent corporation for charitable educational purposes. The Board of Trustees of the Foundation includes one member who is also a member of the university's Board of Trustees. The audited financial statements of the Foundation, as of and for the year ended June 30, 2023 which has been audited by an independent certified public accountant, are presented below in summary form. The University of Arkansas, Fayetteville is the beneficiary of 54.4% of the net assets of the Foundation for the year ended June 30, 2023. The remaining 45.6% benefit other University of Arkansas campuses for the year ended June 30, 2023. 16. RELATED PARTIES

There were no additional significant related party transactions other than those with component units discussed in Note 1.

17. COMMITMENTS AND CONTINGENCIES

Construction

The university has contracted for the construction and renovation of several facilities. At June 30, 2023, the estimated remaining cost to complete the construction and renovation of these facilities is \$152,534,734 which is expected to be financed from bond proceeds, private gifts and other university funds.

Other Commitments

The university has agreed to supplement the base rent received from existing tenants of the Enterprise Center at the Arkansas Research and Technology Park to the degree necessary to ensure the related debt obligations are met. There was no obligation for the year ended June 30, 2023.

The university has entered into lease agreements with five different Greek organizations (Lessees) that may create future commitments to the university. The lease agreements allow the Greek organizations to either construct new residence facilities or renovate existing residence facilities on university owned property. The construction and/or renovation of these facilities is the responsibility of the organizations and shall be financed through a combination of gifts as well as financing from banks and/or national house corporations to be repaid through each chapter's generated revenue. The period in which the financing arrangements are being repaid is known as the Chapter House Amortization Period. As of June 30, 2023, all five Greek facilities were completed. Four organizations had entered into financing agreements for the construction or renovation of their residence facilities as of June 30, 2018.

In the lease agreements, it is stipulated that if the university exercises its right to terminate the agreement for cause and extinguish the Lessee's leasehold estate for cause at any time during the Chapter House Amortization Period, the university shall pay the Lessee an amount equal to the sum of the value of the remaining unamortized value of the bank financing plus the value of the financing coming from the national organizations if any.

The university's total potential commitment resulting from these lease agreements totaled \$49,817,004 as of June 30, 2023.

Contingencies

The university has been named as defendant in several lawsuits. It is the opinion of management and its legal counsel that the ultimate outcome of litigation will not have a material effect on the future operations or financial position of the university.

18. SUBSEQUENT EVENTS

Long-Term Debt

On August 3, 2023, the university issued \$10,260,000 in Athletic Facilities Revenue Bonds (Fayetteville Campus), Refunding Series 2023, with an interest rate of 5.00%. The proceeds of the bonds will be used to refund the Board's Athletic Facilities Revenue Bonds (Fayetteville Campus), Series 2013A (except for the September 15, 2023 maturity thereof), and to pay costs of issuance. Net bond proceeds and premiums of \$10,649,438 from Series 2023 was deposited into an escrow account to retire the bonds. The refunding resulted in a difference between the reacquisition price and the net carrying amount of the old debt of \$1,021,484. This difference, reported in the accompanying financial statements as Deferred outflows of resources, will be amortized through fiscal year 2028. The university completed the refunding to reduce its total debt service payments over the next five years by \$406,275 and to obtain a net present value economic gain of \$399,900.

On August 17, 2023, the university issued \$62,335,000 in Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2023A, with interest rates between 4.751% and 5.467%. The bonds were issued to finance costs of certain capital improvements on or for the campus of the Fayetteville Campus including, without limitation, (a) the acquisition, construction, furnishing, and equipping of the Institute for Integrative and Innovative Research (I³R), (b) the acquisition, construction, furnishing, and equipping of the Multi-User Silicon Carbide Research and Fabrication Facility (MUSiC), and (c) the acquisition of construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for University of Arkansas, Fayetteville.

On July 7, 2023, an Invitation to Tender Bonds for Purchase was released inviting owners of the following (collectively referred to herein as the Invited Bonds) to tender such bonds for purchase by the Board.

Various Facility Revenue Bonds (Fayetteville Campus) Refunding and Improvement Series 2016A (the Series 2016A Bonds)

Various Facility Revenue Bonds (Fayetteville Campus), Series 2017 (the Series 2017 Bonds)

Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2019B (the Series 2019B Bonds)

Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2021 (the Series 2021 Bonds)

On August 17, 2023, the university issued \$60,075,000 in Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2023B, with an interest rate of 5.00%. The proceeds of the Series 2023B Bonds were used to accomplish the current refunding of certain portions of the Invited Bonds that are validly tendered for purchase (the "Purchased Bonds") and to pay costs of issuance of the Series 2023B Bonds and costs of accomplishing the refunding and purchase of the Purchased Bonds. The amount outstanding of the Invited Bonds, amount refunded upon issuance of the Series 2023B Bonds, and respective interest rates prior to refunding are as follows:

Invited Bonds	Amount Outstanding	Tendered Amount	Interest Rate Range
Series 2016A Bonds	\$77,055,000	\$20,450,000	5.00%
Series 2017 Bonds	\$87,910,000	\$20,735,000	5.00%
Series 2019B Bonds	\$131,080,000	\$13,330,000	2.256% to 2.850%
Series 2021 Bonds	\$160,350,000	\$13,340,000	0.863% to 2.685%

A total of \$68,698,689 was deposited into the escrow account upon closing. The purchase price to retire the bonds was funded with net bond proceeds and premiums from the Series 2023B Bonds of \$67,923,060 and a contribution from the university of \$775,629 representing the interest on the retired bonds accrued to the closing date of the Series 2023B Bonds. The combined refunding resulted in a difference between the reacquisition price and the net carrying amount of the old debt of \$3,951,439. This difference, reported in the accompanying financial statements as Deferred outflows of resources, will be amortized through the fiscal year 2045. The university completed the refunding to reduce its total debt service payments over the next 22 years by \$7,035,998 and to obtain an economic gain of \$4,818,148.

Land Purchase

On May 28, 2023, the Board approved the purchase of approximately three acres of land for \$5,050,000. The property included four structures; two of which are slated for demolition and two that are rented through a third-party property management company. The land purchase was settled July 6, 2023.

Land Sale

On September 15, 2023, the Board approved the sale of a university owned property in Washington County which includes the former Southwest Experimental Fast Oxide Reactor (SEFOR) for \$1,150,000. The property was appraised for a market value of \$1,150,000. Additionally, a forest inventory and timber valuation conducted on the property values the timber at \$406,983. In the event of sale of any timber on the property, the buyer would execute a sponsored research agreement with the university for not-less-than 50% of the gross proceeds generated. The land, held by the university since 1971, had a cost of \$61,970 as of June 30, 2023.

Board of Trustees and
President Donald R. Bobbitt:

It is my pleasure to transmit to you the Audited Financial Statements of the University of Arkansas System for the fiscal year ended June 30, 2023. The data presented, including the Management's Discussion and Analysis, Statement of Net Position, Statement of Revenues, Expenses, and Changes in Net Position, and Statement of Cash Flows, are presented on a consolidated basis and include all components of the System: UAF (University of Arkansas, Fayetteville, including the Division of Agriculture, Arkansas Archeological Survey, Criminal Justice Institute, and Clinton School of Public Service), UAFS (University of Arkansas at Fort Smith), UALR (University of Arkansas at Little Rock), UAMS (University of Arkansas for Medical Sciences), UAM (University of Arkansas at Monticello), UAPB (University of Arkansas at Pine Bluff), CCCUA (Cossatot Community College of the University of Arkansas), PCCUA (Phillips Community College of the University of Arkansas), UACCB (University of Arkansas Community College at Batesville), UACCHT (University of Arkansas Community College at Hope-Texarkana), UACCM (University of Arkansas Community College at Morrilton), UAPTC (University of Arkansas Pulaski Technical College), UACCRM (University of Arkansas Community College at Rich Mountain), ASMSA (Arkansas School for Mathematics, Sciences and the Arts), and SYSTEM (University of Arkansas System Administration, including the University of Arkansas Grantham).

These statements were prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). The financial statements used to prepare the consolidated report, except for the Medical Sciences campus and the discretely presented component units, were audited by Arkansas Legislative Audit. The financial statements from the Medical Sciences campus were audited by FORVIS, LLP. The consolidated financial statements received an unmodified audit opinion.

Sincerely,

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the business-type activities and the aggregate discretely presented component units of the University of Arkansas System (University), an institution of higher education of the State of Arkansas, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the University's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate discretely presented component units of the University as of June 30, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We did not audit the financial statements of the University of Arkansas for Medical Sciences, a unit of the System, whose statements reflect total assets and revenues constituting 32% and 53%, respectively, of the related combined totals. Additionally, we did not audit the financial statements of the University of Arkansas Foundation, Inc. and the University of Arkansas Fayetteville Campus Foundation, Inc., which represent 100% of the assets and revenues of the aggregate discretely presented component units. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the University of Arkansas for Medical Sciences, the University of Arkansas Foundation, Inc., and the University of Arkansas Fayetteville Campus Foundation, Inc., is based solely on the report of the other auditors. The financial statements of the University of Arkansas Foundation, Inc., and the University of Arkansas Fayetteville Campus Foundation, Inc. were not audited in accordance with *Government Auditing Standards*. We are required to be independent of the University and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Notes 1 and 23 to the financial statements, the University adopted Governmental Accounting Standards Board (GASB) Statement no. 96, *Subscription-Based Information Technology Arrangements*, during the year ended June 30, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the University's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the University's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, certain information pertaining to postemployment benefits other than pensions, and certain information pertaining to pensions on pages 8-19, 104-106, and 102-103 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the University's basic financial statements. The Statement of Net Position by Campus (Schedule 2), the Statement of Revenues, Expenses, and Changes in Net Position by Campus (Schedule 3), the Statement of Cash Flows – Direct Method – by Campus (Schedule 4) are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Statement of Net Position by Campus, the Statement of Revenues, Expenses, and Changes in Net Position by Campus, and the Statement of Cash Flows – Direct Method – by Campus are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the Schedule of Selected Information for the Last Five Years (Schedule 1) but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 29, 2023 on our consideration of the University's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the University's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the University's internal control over financial reporting and compliance.

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

Introduction

The University of Arkansas System ("the University") is pleased to present its financial statements for the fiscal year ended June 30, 2023. While audited financial statements for fiscal year 2022 are not presented in this report because of implementation of new GASB pronouncements, condensed operations and financial position data will be presented in this discussion and analysis in order to illustrate certain increases and decreases.

The University of Arkansas System ("the University"), which prior to 1969 consisted of the Fayetteville and the Medical Sciences campuses, was expanded in 1969 to include the Little Rock campus (formerly Little Rock University), in 1971 to include the Monticello campus (formerly Arkansas A&M College), in 1972 to include the Pine Bluff campus (formerly Arkansas AM&N College), in 1996 to include the Phillips campus (formerly Phillips County Community College) and the Hope campus (formerly Red River Technical College), and in 1998 to include the Batesville campus (formerly Gateway Technical College). On July 1, 2001, the University was expanded to include campuses in Morrilton (formerly Petit Jean College) and DeQueen (formerly Cossatot Community College). The Fort Smith campus (formerly Westark College) joined the University on January 1, 2002. Forest Echoes Technical Institute and Great Rivers Technical Institute merged with the Monticello campus on July 1, 2003. The Arkansas School for Mathematics, Sciences and the Arts, a residential high school, joined the University on January 1, 2004. On February 1, 2017, Pulaski Technical College and Rich Mountain

Community College joined the University becoming the University of Arkansas-Pulaski Technical College and the University of Arkansas Community College at Rich Mountain. In addition to these campuses, the University includes the System Administration, whose financial statements include University of Arkansas Grantham, which was acquired in November 2021, and the following units that are included in the financial statements of the Fayetteville campus: Clinton School of Public Service, Division of Agriculture (Agricultural Experiment Station and the Cooperative Extension Service), Arkansas Archeological Survey, and Criminal Justice Institute.

All programs and activities of the University of Arkansas are governed by its ten-member Board of Trustees who are appointed by the Governor for ten-year terms, which has delegated to the President the administrative authority for all aspects of the University's operations. Administrative authority is further delegated to the Chancellors, the Vice President for Agriculture, the Dean of the Clinton School, the Director of the Criminal Justice Institute, the Director of the Arkansas Archeological Survey, and the Director of the Arkansas School for Mathematics, Sciences and the Arts, who have responsibility for the programs and activities of their respective campuses or state-wide operating division.

Overview of the Financial Statements and Financial Analysis

The University's financial statements are prepared in accordance with standards issued by the Governmental Accounting Standards Board (GASB). The financial statement presentation provides a comprehensive, entity-wide perspective

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

of the University's assets, deferred outflows, liabilities, deferred inflows, net position, revenues, expenses, changes in net position, and cash flows. The financial statements included are the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position, and the Statements of Cash Flows. This discussion has been prepared by management and should be read in conjunction with the financial statements and notes following this section.

The University has identified two legally separate foundations, the University of Arkansas Foundation, Inc. and the University of Arkansas Fayetteville Campus Foundation, Inc., that meet the criteria set forth for component units. These foundations provide financial support for the objectives, purposes, and programs of the University. Although the University does not control the timing, purpose or amount received by these Foundations, the resources (and income thereon), they hold and invest are dedicated to the benefit of the University. Because these resources held by the foundations can only be used by, or for the benefit of, the University, and are deemed material, they are considered component units and are discretely presented in the financial statement report. Additional information about component units is provided in Note 1.

Statements of Net Position

The Statement of Net Position provides a fiscal snapshot of the University as of the end of the fiscal year. All assets (property that we own and what we are owed by others), deferred outflows of resources (consumption of net position by the University that is applicable to a future reporting period), liabilities (what we

owe to others and have collected from others before we have provided the service), deferred inflows of resources (acquisition of net position by the University that is applicable to a future reporting period), and net position (assets and deferred outflows of resources minus liabilities and deferred inflows of resources) are reported in this statement. Assets and liabilities are presented in the order of their relative liquidity and are identified as current or noncurrent. Current assets are those assets that can be realized in the coming year, and current liabilities are expected to be paid within the next year. Noncurrent assets and liabilities are not expected to be realized as cash or paid in the subsequent year. Assets, deferred outflows of resources, liabilities and deferred inflows of resources are generally measured using current values. One exception is capital assets, which are stated at historical cost less accumulated depreciation.

Net position is divided into three major categories. The first category, invested in capital assets, net of related debt, reflects the equity in property, plant and equipment owned by the University. The next category is restricted net position, which is divided into two subcategories, expendable and nonexpendable. The expendable category is available for expenditure by the University but must be spent for purposes as determined by donors and/or external entities that have placed time or purpose restrictions on the use of the assets. The corpus of nonexpendable restricted resources is only available for investment purposes. The final category is unrestricted net position which is available for any lawful purpose of the University.

The University's total assets increased \$84.0 million, or 1.5%. Cash and cash equivalents decreased \$178.5 million, and investments increased by \$72.7 million. UAMS accounted for \$173.4 million of the decrease in cash and cash equivalents, with a \$22.8 million decrease at UAPB, and a \$5.7 million decrease at UACCHT net a \$23.4M increase across the remaining campuses. UAF increased investments \$57.1 million, System Administration increased investments \$7.4 million, and UAMS increased \$5.4 million, with a net increase of \$2.8 million across the remaining campuses. Deposits held in trust decreased by \$13.5 million of which UAF increased by \$66.2 million and UAPB increased by \$18.2 which are related to bond proceeds offset by

UAMS's decrease of \$91.6 million and UAM's decrease of \$6.3 million. Patient accounts receivable at UAMS increased \$9.7 million and Accounts Receivable increased by \$50.3 million. Student accounts receivable increased by \$5.1 million, Grants and contracts increased by \$36.2 million, while non-student accounts decreased by \$5.8 million. The increase of \$149.3 million in Capital assets relates to GASB 96 (SBITA) adjustments of \$25.2 million, additions of \$399.3 million net of depreciation expense of \$260.1 million offset by a decrease for assets disposed of \$15.1 million. Fayetteville had an increase in capital asset additions of \$132.9 million including construction in progress increases of \$81.1 million with \$65.7 million placed into service. At UAF,

(UNAUDITED)**

Mullins Library Renovation, Ventilation Improvements, North Chilled Water Plant Modernization, I³R Research Facility, Fine Arts Restoration, Nano Clean Room Fit-Out, Anthony Timberlands Center for Design & Material Innovation, MUSiC National Research Fabrication Facility, Arkansas Union Interior Fit Out for Student Organizations, Biology Greenhouse Addition, Reid Hall Window Replacement, Windgate Galleries, Razorback Field Fieldhouse and Bogle Park Renovation and Expansion are in progress. UAMS had an increase in capital asset additions of \$214.1 million including construction in progress increases of \$111.7 million with \$205.2 million moved into service. Progress at UAMS continues for Parking Deck 4, the Northwest Arkansas Orthopaedic and Sports Medicine Facility, and the relocation of Outpatient Center Infusion 1.

Deferred outflows of resources consist of deferred amounts on refinancing of debt and deferred amounts related to pensions and other post-employment benefits (OPEB). Overall, deferred outflows increased \$1.9 million, or 4.8%. Deferred outflows related to OPEBs decreased \$3.4 million while pension increased \$7.0 million. The decrease in amortization of the debt refunding, net of additions, was \$1.7 million.

Total liabilities increased \$50.9 million, or 2.0%. Accounts payable and other accrued liabilities decreased \$14.7 million with UAMS decreasing \$20.5 million and UAF increasing \$7.6 million. The liability for bonds, notes, leases and installment contracts increased \$81.0 million (see Note 10). Netted in that amount, UAF issued \$76.7 million of new bonded debt with a net premium of

\$5.3 million, UAPB issued \$16.7 million of new bonded debt with a net premium of \$1.2 million. UAMS issued notes payable totaling \$18.3 million. UAMS and UAF executed \$52.0 and \$20.0 million in leases, respectively. Also included in the net increase is the \$26.3 million increase related to the GASB 96 (SBITA) adjustment and other debt issued in the amount of \$3.0 million. The additional debt is offset by a total of \$138.5 million in repayments during fiscal 2023. The UAMS liability for estimated third party payor settlements decreased by \$29.0 million with repayments of the advances from CMS. Unearned revenues, deposits and other increased \$2.3 million primarily related to UALR unearned grant and gift revenue. Compensated absences increased \$2.7 million. The UA Health Plan experienced an overall plan loss ratio of 95% compared to a loss ratio of 91% in the previous fiscal year (Note 14).

Deferred inflows of resources decreased by \$18.1 million in total with pension plans decreasing \$26.5 million as a result of actuarially determined amounts. In addition, deferred inflows-other increased \$1.1 million primarily related to the extension of cell phone tower leases at UAF.

The increase in net position was \$53.2 million, or 1.8%. The increase is the result of 2023 revenues, expenses and changes in net position. Net investments in capital assets increased \$64.8 million. Restricted net position, expendable and non-expendable, increased \$6.3 million. Unrestricted net position decreased \$17.8 million. In total, UAF increased \$30.6 million, while UAMS decreased \$53.4 million. These changes were offset by increases and decreases at the remaining campuses. Although unrestricted net

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

position is not subject to externally imposed restrictions, the majority of the University's unrestricted net position is subject to internal designations to meet various specific commitments. These commitments include reserves established for future capital projects, other academic or research priorities; working capital for self-supporting auxiliary enterprises; and reserves for the continued recognition of OPEB and pension obligations.

Statements of Revenues, Expenses and Changes in Net Position

Changes in total net position, as presented on the Statements of Net Position, is based on the activity presented in the Statements of Revenues, Expenses and Changes in Net Position. The statements present the revenues earned by the

University, both operating and non-operating, and the expenses incurred by the University, both operating and non-operating, and any other revenues, expenses, gains and losses received or spent by the University. Operating revenues are received for providing goods and services to the various customers and constituencies of the University. Operating expenses are those expenses paid to acquire or produce the goods and services provided in return for operating revenues and to carry out the mission of the University. Non-operating revenues are revenues received for which goods and services are not provided. In accordance with GASB standards, significant recurring sources of University revenue such as state appropriations, gifts, investment income and certain grants and contracts are reported as non-operating revenues.

The 2023 operating loss of \$900.2 million highlights the University's dependence on non-operating revenues, including state appropriations, to meet the costs of operations and provide funds for the acquisition of capital assets.

Operating revenues increased \$150.3 million, or 5.4%. Net student tuition and fees increased \$23.9 million, with UAF experiencing an increase of \$23.8 million. The rest of the campuses experienced small increases and decreases in net student tuition and fee revenue. While gross patient revenue increased for UAMS, net patient services

decreased \$9.0 million or 0.7% due to an increase in patient services contractual allowances. Grants and contracts increased \$81.2 million, of which UAF increased \$15.6 million and UAMS increased \$45.2 million. Auxiliary revenues increased \$17.9 million. Other operating revenue increased \$36.3 million, of which UAMS contributed \$34.8 million to the increase primarily driven by an increase in retail and contract pharmacy revenue.

Total operating expenses increased \$238.0 million, or 6.7%. Compensation and benefits increased \$114.8 million, or

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

5.9%, over the previous year. The cost of supplies and services increased \$119.8 million, UAMS and UAF increased \$46.6 million and \$42.3 million, respectively. Increases at UAF are mainly attributed to grant subawards with increased research activities, increase in student housing contracts, and guest housing and conferences with the return of operating at full capacity after the pandemic. Increases at UAMS are largely due to increases in medical supplies and drugs and medicines for patient care. Scholarships and fellowships decreased \$52.5 million due primarily to a decrease of \$18.4 million at UAF, \$6.6 million at UAPTC, and \$6.3 million at UALR. The decrease is due to the end of funds distributed directly to students from the Higher Education Emergency Relief Funds (HEERF), that were received from the Federal government in previous years as a response to the effects of the pandemic. Depreciation increased \$38.3 million with UAMS accounting for \$18.1 million of the increase and UAF had an increase of \$16.0 million. The remaining change was spread throughout the campuses. The insurance plan expenses increased \$17.6 million due primarily to increased claims expenses in the health plan. Expenses are tied to an increase in catastrophic claims, utilization, and increases in pharmacy expenses.

Net non-operating revenues increased by \$49.3 million, or 5.8%. State appropriations increased \$20.3 million with UAMS increase net of Medicaid match of \$16.9 million largely driven by pass-through state funding included in appropriations. UAF also had an increase of \$1.1 million. The remaining change was spread throughout the campuses. Federal grants decreased \$106.0 million primarily due to the end of the federal government's HEERF funds. Investment

income increased \$99.9 million with UAMS accounting for \$48.5 million and UAF, \$38.9 million.

Other changes in net position decreased \$11.9 million, or 19.8%. Capital grants and gifts decreased \$8.5 million.

Gifts reported reflect only a portion of the gifts available to the University. Most gifts for the benefit of the University are made to the University of Arkansas Foundation, whose financial information is presented in Note 1.

Statements of Cash Flows

The Statement of Cash Flows provides information about the cash activity of the University during the year. The statement is divided into five parts. The first part shows the net cash used by the operating activities of the institution. The second section reflects cash flows from non-capital financing activities. The third section deals with cash flows from capital and related activities, such as the acquisition and construction of capital assets and proceeds from, and payment of, capital asset debt. The fourth section reflects the cash flows from investing activities and shows the purchases, proceeds, and investment income received from these activities. The fifth section, not shown in the condensed statement below, reconciles the net cash used by operating activities to the net operating income or loss reflected on the Statement of Revenues, Expenses and Changes in Net Position. This statement aids in the assessment of the University's ability to meet obligations as they become due, the need for external financing, and the ability to generate future cash flow.

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

Similar to the operating loss on the Statement of Revenues, Expenses, and Changes in Net Position, net cash used in operating activities does not reflect all resources available to the University because generally accepted accounting principles require state appropriations, gifts and grants to be reported as nonoperating financing activities. The

net cash provided by the combination of operating and noncapital financing activities is a better depiction of the results achieved for the year. The net cash for 2023 is \$131.2 million, a decrease of \$126.6 million from the prior year. The changes are explained in the discussion in relation to the Statements of Revenues, Expenses and Changes in Net Position.

Purchases of capital assets and repayments of long-term debt and related interest and fees exceeded debt proceeds, capital grants and gifts, and insurance proceeds during 2023 which was consistent with the previous years. The overall cash position declined by \$178.5 million for the year ended June 30, 2023.

Capital Assets and Long-Term Debt Activity

At June 30, 2023, the University had \$3.4 billion of capitalized assets, net of accumulated depreciation of \$3.5 billion. Capital additions in 2023 totaled \$399.3 million which was offset by depreciation of \$260.1 million, \$15.1 million of transfers and deletions and \$25.2 million related to GASB 96 adjustments, resulted in a net increase in capital assets of \$149.3 million.

New debt issued for bonds, notes, leases and installment contracts offset by payments of principal was a net increase of \$81.0 million for 2023. The University issued a total of \$99.8 million in bonds for all campuses, with repayments, of \$87.5 million. More detailed information about debt activity was discussed previously and is presented in Note 10.

Economic Outlook

The University's net position increased \$53.2 million for 2023. Moody's last reaffirmed the University's rating of Aa2 with a stable outlook on June 29, 2023. One of the University's greatest strengths is the diverse stream of revenue which funds its operations, including tuition, patient services revenue, state appropriations, investment income, grants and contracts, and support from individuals, foundations, and

corporations. The 2023 fiscal year remains impacted by challenges initially brought on by the pandemic. It continues to be a struggle for our medical center to overcome record levels of inflation in labor and supplies, but significant efforts are underway to drive efficiencies in processes that increase revenue and reduce expense. Because the Fayetteville campus and the Medical Sciences campus account for 73.2% of total consolidated net position and 89.6% of consolidated operating revenues, the discussion below is centered on these two campuses.

UAMS

UAMS closed fiscal year 2023 with a decrease in net position of \$46,400,000, compared to the budgeted loss of \$7,900,000 for the period. The budget for fiscal year 2023 included the impact of the startup and anticipated opening of The Orthopaedic & Spine Hospital and assumed increases in patient volumes in both the inpatient and outpatient areas. While some clinical volumes exceeded prior year, staffing challenges have resulted in patient volumes being less than expected and are the reason net patient services revenue is below budget. In addition, supply costs increased in several areas over prior year, specifically in pharmacy expense, medical supplies, and services.

The fiscal year 2024 budget for UAMS is a decrease in net position of \$8,100,000, which is comparable to the fiscal year 2023 budgeted decrease of \$7,900,000. The recent completion of capital projects across the system to support growth in clinical programs has resulted in an increase in depreciation expense for fiscal year 2024, which is the primary driver behind the budgeted decrease in net position. Due to the significant year-over-

year increase in depreciation expense and the fact that the associated clinical programs have a ramp-up period to expected financial performance, UAMS is taking a multi-year approach to fully funding the associated depreciation expense. Despite the budgeted decrease in net position, UAMS expects to be cash flow positive for fiscal year 2024.

Budgeted operating revenues are expected to increase by \$137,300,000 over the fiscal year 2023 budget. Tuition revenue is projected to decrease slightly over the fiscal year 2023 budget. Increases of \$89,600,000 are expected in net patient service revenue. In addition to The Orthopaedic and Spine Hospital (opened in June 2023), the opening of the UAMS Health Urology Center is another source of new revenue for the fiscal year 2024 budget.

Finally, the College of Medicine is projecting estimated growth at 9% related to additional physician recruitments to be deployed at Arkansas Children's Hospital. Grants and contracts revenue are also projected to see an increase from the fiscal year 2023 budget.

Fiscal year 2024 operating expenses are budgeted to increase \$132,700,000 over the fiscal year 2023 budget. The increase in overall spending is due to increases in compensation and benefits, increased cost of medical supplies, drugs and medicine; and an increase in depreciation expenses for capital projects across UAMS.

Nonoperating revenue for fiscal year 2024 includes a decrease of \$10,500,000 in state appropriations. Noncapital investment spending is expected to be less than was budgeted in fiscal year 2023, primarily due to large capital

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

expenditures budgeted in fiscal year 2023. Additionally, an increase in the Medicaid Match is projected. This is the result of a lower Federal Medical Assistance Percentage (FMAP) rate in fiscal year 2024 due to the end of the COVID-19 public health emergency. Investment income is budgeted at \$9,970,000 for fiscal year 2024, which is consistent with historical actuals. Interest expense of \$23,120,000 is budgeted for fiscal year 2024, which is consistent with prior year.

The financial results for the first two months of fiscal year 2024 have been better than budgeted by \$1,900,000. Through August, UAMS realized a decrease in net position of \$5,400,000, versus a budgeted decrease of \$7,300,000. Patient volumes have been less than projected, but expenses have flexed with volume. Nonoperating revenue, including appropriations and gift revenue, is more than projected for the first two months.

Over the past few years, the healthcare industry has experienced significant financial challenges. These challenges, initially brought on by the pandemic, have persisted due to record levels of inflation in labor as well as supplies. UAMS has not been immune to this and has experienced the same financial challenges as other healthcare organizations across the state and the U.S. Further, UAMS' overall financial performance depends on the margin it generates from the clinical enterprise to subsidize its other mission areas of research and education. To address these challenges, UAMS has significant efforts underway to drive efficiencies in processes that increase revenue and reduce expense. UAMS believes these efforts will improve its financial

performance in the coming months and expects to end the fiscal year within its budget.

UAF

Financial and political support from state government remains a critical element to the continued financial health of the University. In 2023, the total general revenue distribution from the State increased to \$225.1 million from the \$218.8 million reported in 2022. The forecast for 2024 indicates general revenue and Educational Excellence Trust Fund distributions from the State may increase 2.3%. If state revenue continues to be as strong as the State has reported in early 2023, management will continue to institute both internal and external efforts to maximize state resources available while seeking ways to minimize the risk of state funding levels not keeping pace with growth.

In 2017, The Arkansas Legislature enacted Act 148 which adopted a productivity-based funding model for most state-supported higher education institutions. As provided in the Act, the Arkansas Division of Higher Education developed a productivity-based funding model with measures for effectiveness, affordability, and efficiency. That model was first used to determine funding recommendations for the 2018-19 academic year and resulted in a small increase in university funding based on those measures. The University does not anticipate material changes in its funding level over the short term based on this funding policy.

The University continues to seek ways to manage the cost of attendance so that it remains affordable while achieving revenue support necessary to offer a high-quality university experience. Diverse

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

revenue sources, including state appropriations, tuition, and fees (net of scholarship allowance), private support, and sponsored grants and contracts all contribute to support the mission of teaching, research, and service. For the 2023-2024 academic year, enrollment and state appropriations are anticipated to exceed budget. Tuition and mandatory fee increases of less than 1.0% for undergraduate resident students and just under 5.0% for undergraduate non-resident students were necessary in 2024 to maintain the facilities, faculty and other support needed to fulfill our mission.

The University continues to see strong philanthropic support. After a challenging market environment experienced nationwide in fiscal year 2022, the University's overall endowment balance rebounded 4.1% to \$1.53 billion as of June 30, 2023.

U of A alumni and friends continued to bolster funding for student and faculty support, capital improvements and programs through a tradition of private gift support, and saw \$93 million in new gifts and received \$173 million in cash payments on existing commitments in fiscal year 2023. This tally includes gifts of cash, gifts-in-kind, planned gifts and new pledges received from July 1, 2022, through June 30, 2023. Approximately \$8.6 million was directed by donors for use as endowment when received.

Preliminary figures indicate that the University enrolled 32,140 students for the Fall 2023 semester. This represents an overall increase of 3.9% over the previous year. The University also continues to set new records for retention and graduation rates. As the charts below indicate, University enrollment has

increased 22.5%, or 5,903 students, over the past ten years. Enrollment exceeded 32,000 for the first time ever and the Fall 2023 term enrolled the second largest incoming freshman class in the history of the University. Although the number of incoming freshmen, 6,344, is down from the previous year, it is the University's best prepared freshman class and includes a record number of Arkansans with an increase of 5.3% year over year. Over the last five years, the number of Arkansans in the incoming class increase by 19.5%.

Preliminary numbers indicate another strong incoming freshman class for the Fall 2024 semester as well. The applicant growth experienced in fiscal year 2023 and expected in fiscal year 2024 on top of three years of very stable enrollment numbers illustrates the continuing strength and value proposition of the University.

Also, in FY23, the University of Arkansas launched its "150 Forward" strategic planning process, a reflection of having concluded its sesquicentennial celebration and forward momentum into the future. This campuswide, collaborative effort to map out where we are as a land-grant institution and align the entire campus to three critical pillars: student success, research excellence and employer of choice initiatives.

Due to our strong net position as discussed above, high level of liquidity, indications of stable State support, continuing high levels of philanthropic support, a positive enrollment outlook, and our conservative budgeting approach to the 2023-24 fiscal year, we have a high level of confidence that the University will maintain its strong position in the future.

UNIVERSITY OF ARKANSAS SYSTEM: Management's Discussion and Analysis (UNAUDITED)

All Campuses

Financial support from state government for all campuses remains a critical element to the continued financial health of the University. Arkansas appears to have a healthy economy, as general revenue forecasts have been very positive, and the state budget remains balanced. As a result of these and other economic challenges, enrollment in higher education may remain flat or

decrease at most campuses as has been the case this fall, so management will continue to budget conservatively and to emphasize cost containment.

Preliminary data shows that the number of enrolled students (headcount) has decreased from the fall semester of 2022 to the fall semester of 2023, from 65,362 to 64,293. The number of full-time equivalent students has also decreased from 53,847 to 53,829.

Note 1: Summary of Significant Accounting Policies

The financial statements for the University of Arkansas (“the University”) have been prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). The accompanying notes to the financial statements are an integral part of the financial statements.

The following acronyms are used for the various campuses and divisions of the University as reported in the financial statements: UAF (University of Arkansas, Fayetteville, including the Division of Agriculture (UADA), which includes the Agricultural Experiment Station and Cooperative Extension Service, Arkansas Archeological Survey (AAS), Criminal Justice Institute (CJI), and Clinton School of Public Service), UAFS (University of Arkansas at Fort Smith), UALR (University of Arkansas at Little Rock), UAMS (University of Arkansas for Medical Sciences), UAM (University of Arkansas at Monticello), UAPB (University of Arkansas at Pine Bluff), CCCUA (Cossatot Community College of the University of Arkansas), PCCUA (Phillips Community College of the University of Arkansas), UACCB (University of Arkansas Community College at Batesville), UACCHT (University of Arkansas Community College at Hope-Texarkana), UACCM (University of Arkansas Community College at Morrilton), University of Arkansas-Pulaski Technical College (UAPTC), University of Arkansas Community College at Rich Mountain (UACCRM), ASMSA (Arkansas School for Mathematics, Sciences and the Arts), and SYSTEM (University of Arkansas System Administration, including the University of Arkansas Grantham [UAG]).

Basis of Presentation and Measurement Focus

For financial reporting purposes, the University is considered a special-purpose government engaged in business-type activities. Accordingly, the University’s financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recognized in the period in which they are incurred, if measurable, including depreciation.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, deferred inflows, deferred outflows, revenues and expenses at the date of the financial statements. Significant estimates affecting the financial statements include the determination of allowances for uncollectible accounts, patient services-related contractual adjustments and third-party payor settlements, and various investment risks and fair market valuations. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include short-term, highly liquid investments that are readily convertible to cash and have a maturity at acquisition of three months or less.

Investments

Investments and funds held in trust by others of marketable securities are reported at fair value as established by major securities markets. The fair value of venture capital and other investments is based on the most current information reported to the University by the respective investment managers. Changes in unrealized gain (loss) on the carrying value are reported as a component of investment income on the statement of revenues, expenses and changes in net position.

Accounts Receivable

Receivables that represent charges due to the University from various student fees, room and board, student fines, patient care services, and other charges are stated at estimated net realizable values; that is, the gross amount of the receivable is reduced by allowances for estimated uncollectible accounts and refunds or discounts. Receivables can also include unreimbursed expenses relating to research contracts with federal, state, and private agencies.

Patient Accounts Receivable

Patient accounts receivable are shown net of contractual allowances and an allowance for doubtful accounts. Credit balances representing refunds due are reported as accounts payable. The amount of the allowance for doubtful accounts is based upon management's assessment of historical and expected net collections, business and economic conditions, trends in federal and state governmental care coverage and other collection indicators.

Inventories

Inventories are valued at the lower of cost or market, with cost generally being determined on a first-in, first-out (FIFO) or average-cost basis.

Capital Assets

Capital assets consisting of land, buildings, improvements, furniture, equipment, intangible assets, and construction in progress, are stated at cost at the date of acquisition, or acquisition value at date of donation if acquired by gift. Library holdings are generally valued using average prices for library acquisitions. If material, in previous years, interest on borrowings to finance facilities was capitalized during construction, net of any investment income earned through the temporary investment of project borrowings. Interest is no longer capitalized in accordance with Governmental Accounting Standards Board Statement No. 89. The University's capitalization policy includes all furniture, fixtures and equipment with a unit cost of \$5,000 or more and an estimated useful life of one year or more. Intangible assets are capitalized when the cost is \$500,000 or more for purchased software, \$1,000,000 or more for internally developed software, or \$250,000 or more for easements, land use rights, trademarks and copyrights, and patents.

Livestock is maintained primarily for research purposes with any other benefits derived from the operations considered as incidental to the primary mission of the University. The inventory value placed on the animals is determined by utilizing current market prices and breeding and research intangibles.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets -- generally 15-30 years for buildings, 15-20 years for infrastructure and land improvements, 3-10 years for equipment, 10 years for library holdings, and the applicable term for leases.

UAMS bases its estimated useful lives on guidelines established by the American Hospital Association (AHA) which may differ slightly from those shown above for the other campuses.

Lease Assets

Lease assets are initially recorded at the initial measurement of the lease liability, plus lease payments made to the lessor at or before the commencement of the lease term, less any lease incentives received from the lessor at or before the commencement of the lease, plus initial direct costs that are ancillary to place the asset into service. Lease assets are amortized on a straight-line basis over the shorter of the lease term or the useful life of the underlying asset.

Subscription Assets

Subscription assets are initially recorded at the initial measurement of the subscription liability, plus subscription payments made to the subscription-based information technology arrangement (SBITA) vendor at the commencement of the SBITA term, less any SBITA vendor incentives received from the SBITA vendor at the commencement of the SBITA term, plus capitalizable initial implementation costs. Subscription assets are amortized on a straight-line basis over the shorter of the SBITA term or the useful life of the underlying IT asset.

Deferred Outflows of Resources

Deferred outflows of resources represent a decrease of net position that applies to future periods; therefore, these items will not be recognized as an expense or expenditure until that period.

Compensated Absences

Vested or accumulated vacation and sick leave of University employees are recorded as an expense and liability as the benefits are earned. Amounts recorded include salary expense as well as salary-related payments (e.g., FICA taxes, retirement, etc.). No liability is recorded for nonvested accumulated rights to receive sick leave benefits. The current portion of compensated absences is determined using the average balance paid annually in the prior two-year period.

Unearned Revenue

Unearned revenue consists primarily of student tuition and fees and athletic ticket sales related to future fiscal years, and amounts received from grant and contract sponsors that have not yet been earned under the terms of the agreements.

Deferred Inflows of Resources

Deferred inflows of resources represent an increase of net position that applies to future periods; therefore, these items will not be recognized as revenue until that period.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Arkansas Public Employees Retirement System and the Arkansas Teacher Retirement System (the respective Systems) and additions to/deductions from the respective System's fiduciary net position have been determined on the same basis as they are reported by the respective Systems. For this purpose, benefit payments (including refunds of employee

contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Net Position

The University's net position is classified as follows:

- *Net investment in capital assets* - Capital assets, net of accumulated depreciation and outstanding principal balances of debt obligations related to those capital assets. However, unexpended debt proceeds at year-end are reported as net position restricted for capital projects.
- *Restricted:*
 - Non-expendable – Portion subject to externally-imposed stipulations that they be maintained permanently by the University. Such assets include the University's permanent endowment funds.
 - Expendable – Portion whose use by the University is subject to externally-imposed stipulations that can be fulfilled by actions of the University pursuant to those stipulations or that expire by the passage of time. There is no formal policy requiring restricted net position to be used either before or after unrestricted net position is used for the same purpose. Responsible officials determine at the time funds are expended to use any unrestricted net position that may be available.
- *Unrestricted* – Portion that is not subject to externally imposed stipulations. This portion may be designated for specific purposes by management or the Board of Trustees or may be otherwise limited by contractual agreements with outside parties.

Classification of Revenues

The University has classified its revenues as either operating or non-operating according to the following criteria:

- *Operating Revenue* – includes activities that have the characteristics of exchange transactions, such as student tuition and fees (net of scholarship discounts and allowances), patient services (net of contractual agreements), most federal, state, and local grants and contracts, revenues associated with auxiliary enterprises (net of scholarship discounts and allowances), interest on institutional student loans, and the University's self-funded insurance plans.
- *Non-Operating Revenue* – includes activities that have the characteristics of non-exchange transactions, such as gifts and contributions, state appropriations, interest on debt, and investment income.

Scholarship Discounts and Allowances

Student tuition and fee revenues, and certain other revenues from students, are reported net of scholarship discounts and allowances. Scholarship discounts and allowances are the differences between the stated charge for goods and services provided by the University, and the amount that is paid by students and/or third parties making payments on the students' behalf. Certain governmental grants, such as Pell grants, and other federal, state, or nongovernmental programs, are recorded as either operating or non-operating revenues in the University's financial statements.

To the extent that revenues from such programs are used to satisfy tuition and fees and other student charges, the University has recorded a scholarship discount and allowance.

Net Patient Services Revenue

Patient care revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Retroactive adjustments arising under reimbursement agreements with third-party payors are accrued on an estimated basis in the period in which the related services are rendered and adjusted as final settlements are determined.

Charity Care

UAMS provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because UAMS does not pursue collection of amounts determined to qualify as charity care, these amounts are accounted for as a reduction of patient services revenue at the time the services are rendered.

Grants and Contracts

The University has been awarded grants and contracts for operations for which the moneys have not been received or expended. These awards have not been reflected in the financial statements but represent commitments of sponsors to provide funds for specific research and training projects.

Federal research grants and contracts normally provide for the recovery of direct and indirect costs, subject to adjustment based upon review by the granting agencies. The University recognizes revenue associated with direct costs as the related costs are incurred. The recovery of indirect costs is recorded at predetermined rates negotiated with the federal government.

State Appropriations

State appropriations are reported as non-operating revenue, net of the Medicaid match payments required under various contracts between UAMS and the Arkansas Department of Human Services. The match payments were \$61,074,000 for the fiscal year ended June 30, 2023.

Component Units

In fiscal year 2023, there were two qualifying foundations determined to be component units for the University of Arkansas System: The University of Arkansas Foundation, Inc. and the University of Arkansas Fayetteville Campus Foundation, Inc. Although the University does not control the timing, or amount, of receipts from either of these foundations, the majority of resources or income thereon, which the foundations hold and invest, is restricted to the activities of the University by the donors. Because these restricted resources held by the foundations can be used only by, or for the benefit of, the University, and their individual net assets are considered as having met the financial accountability criteria by management, these two foundations are considered component units and are discretely presented in the University's financial statements.

The University of Arkansas Foundation, Inc. is a separate not-for-profit organization, which operates for charitable educational purposes, including the administration and investment of gifts and other amounts received directly or indirectly for the benefit of the University of Arkansas. The Board of Directors has twenty-eight members, four of which are current or previous members of the Board of Trustees of the University of Arkansas. During the years ended June 30, 2023 and

2022, the Foundation distributed \$124,617,407 and \$94,208,388, respectively, to or on behalf of the University. Complete financial statements for the Foundation can be obtained from the administrative office at 535 *Research Center Boulevard, Suite 120, Fayetteville, AR 72701*.

The University of Arkansas Fayetteville Campus Foundation, Inc. is a not-for-profit charitable organization which was established by the Walton Family Charitable Support Foundation, Inc., for the exclusive benefit of the University of Arkansas, Fayetteville campus. The Foundation was established on March 11, 2003, and exists primarily to support the Honors College, the Graduate School, and the University's library. The Board of Trustees of the Foundation is made up of seven members, including three members who are also employees of the University. During the years ended June 30, 2023 and 2022, the Foundation distributed \$24,996,293 and \$22,418,322, respectively, to or on behalf of the University. Complete financial statements for the Foundation can be obtained from the administrative office at 535 *Research Center Boulevard, Suite 120, Fayetteville, AR 72701*.

Encumbrances

Encumbrances representing commitments and outstanding purchase orders for goods and services not received as of the last day of the fiscal year are not reported as expenses or included in liabilities in the accompanying financial statements.

New Accounting Pronouncements

The GASB issued the following statements, which became effective for the fiscal years identified below.

For the year ended June 30, 2023:

- Statement No. 91, *Conduit Debt Obligations*
- Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*
- Statement No. 96, *Subscription-Based Information Technology Arrangements*
- Statement No. 99, *Omnibus 2022, the requirements in paragraphs 11-25 related to leases, PPPs, and SBITA*

Management has determined that the Statements No. 91, 94, and 99 did not materially impact the System. Statement No. 96 established standards of accounting and financial reporting for Subscription-based information technology arrangements (SBITAs). As a result, beginning net position, as reported on the Statement of Revenues, Expenses and Changes in Net Position, was increased by \$4,194,796. Details of the effect implementing this statement are discussed in detail in Footnote 23.

For the year ending June 30, 2024:

- Statement No. 99, *Omnibus 2022, the requirements in paragraphs 4-10 related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement 53*
- Statement No. 100, *Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62*

For the year ending June 30, 2025:

- Statement No. 101, *Compensated Absences*

Management has not yet determined the effects of these statements on the University’s financial statements.

Note 2: Reporting Entity

The University of Arkansas System, which prior to 1969 consisted of the Fayetteville and Medical Sciences campuses, was expanded in 1969 to include the Little Rock campus (formerly Little Rock University), in 1971 to include the Monticello campus (formerly Arkansas A&M College), in 1972 to include the Pine Bluff campus (formerly Arkansas AM&N College), in 1996 to include the Phillips campus (formerly Phillips County Community College), and the Hope campus (formerly Red River Technical College), and in 1998 to include the Batesville campus (formerly Gateway Technical College). On July 1, 2001, the University was expanded to include campuses in Morrilton (formerly Petit Jean College) and DeQueen (formerly Cossatot Community College). The Fort Smith campus (formerly Westark College) joined the University on January 1, 2002. Forest Echoes Technical Institute in Crossett and Great Rivers Technical Institute in McGehee merged with the Monticello campus on July 1, 2003. The Arkansas School for Mathematics, Sciences and the Arts, a residential high school, joined the University on January 1, 2004. On February 1, 2017, Pulaski Technical College and Rich Mountain Community College became the sixth and seventh two-year colleges to join the UA System. In addition to these campuses, the University includes the System Administration, whose financial statements include eVersity and the University of Arkansas Grantham (acquired on November 1, 2021 and formerly Grantham University), and the following units that are included in the financial statements of the Fayetteville campus: Clinton School of Public Service, Division of Agriculture (Agricultural Experiment Station and the Cooperative Extension Service), Arkansas Archeological Survey, and the Criminal Justice Institute.

On November 1, 2021, the University of Arkansas Board of Trustees closed a transaction to acquire Grantham University (GU), now known as University of Arkansas Grantham (UAG). As explained at the time of the decision to acquire GU, the plan was to integrate the operations of two universities (eVersity and Grantham University) into a single entity under the name the University of Arkansas Grantham. The process to wind down eVersity began in January 2022 with the transfer of students from eVersity to UAG and continued through August 2022.

All programs and activities of the University of Arkansas System are governed by its Board of Trustees, which has been accorded constitutional status for the exercise of its powers and authority by Amendment 33 to the Arkansas Constitution. The Board of Trustees has delegated to the President the administrative authority for all aspects of the University's operations. Administrative authority is further delegated to the Chancellors, the Vice President for Agriculture, the Dean of the Clinton School, the Director of the CJI, the Director of AAS, and the Director of ASMSA, who have responsibility for the programs and activities of their respective campuses or state-wide operating division.

The financial reporting entity consists of (a) the primary government; (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Under the provisions of this statement, the University is an institution of higher education of the State of Arkansas (primary government).

Note 3: Net Patient Services Revenue and Charity Care

Patient care operations are included in the accompanying financial statements under accounting principles generally followed by governmental colleges and universities. Patient accounts receivable at June 30, 2023, are recorded net of an allowance for doubtful accounts of \$297,136,000.

Net patient services revenue for the year ended June 30, 2023, is as follows:

GROSS PATIENT REVENUE	2023
Gross patient revenue	\$ 3,868,467,000
Less: patient services contractual allowances	(2,515,912,000)
Less: provision for bad debt	(26,890,000)
TOTAL	\$ 1,325,665,000

UAMS provided approximately \$ 14,881,000 in charity care, based on established rates, during the year ended June 30, 2023. Because UAMS does not pursue collection of amounts determined to qualify as charity care, they are not included in gross patient revenue above. Net patient services revenue for the year ended June 30, 2023 includes approximately \$36,192,000 from the Medicaid program representing payments relating to Upper Payment Limit and Disproportionate Share reimbursements. These payments are available to state-operated teaching hospitals under Medicaid regulations.

The Hospital, Faculty Group Practice (FGP), and Regional Campuses have agreements with governmental and other third-party payors that provide for reimbursement at amounts different from their established rates. Contractual adjustments under third-party reimbursement programs represent the difference between the billings at established rates for services and amounts reimbursed by third-party payors. A summary of the basis of reimbursement with significant third-party payors is as follows:

Hospital:

Medicare – Certain inpatient acute care services are paid at prospectively determined rates per discharge based on clinical, diagnostic and other factors. Transplantation services are paid based on cost-reimbursement methodologies subject to certain limits. Physician services are paid based upon established fee schedules. Outpatient services are paid using prospectively determined rates. The Hospital is reimbursed for certain services at tentative rates with final settlement determined after submission of annual cost reports by the Hospital and audits thereof by the Medicare administrative contractor.

Medicaid – Inpatient and outpatient services rendered to Medicaid program beneficiaries are reimbursed based upon a cost-reimbursement methodology. The Hospital is paid at a tentative rate with final settlement determined after submission of an annual cost report by the Hospital and audits by the Medicaid audit contractor. The Hospital is required to pay the federal match for the difference in reimbursement between the Tax Equity and Fiscal Responsibility Act inpatient rate and full cost. For outpatient services, the Hospital is required to pay the federal match for the difference reimbursed between the outpatient prospective rates and the cost of providing outpatient services to Medicaid beneficiaries.

Other – Payment agreements with certain commercial insurance carriers, health maintenance organizations and preferred provider organizations provide for payment using prospectively determined rates per discharge, discounts from established charges and prospectively determined daily rates

FGP and Regional Campuses:

Services rendered to both Medicare and Medicaid program beneficiaries are reimbursed on prospectively determined rates per unit of service.

The FGP and Regional Programs have payment agreements with certain commercial insurance carriers, health maintenance organizations and preferred provider organizations that provide for payment using prospectively determined rates per discharge, discounts from established charges and prospectively determined daily rates.

Additionally, UAMS has agreements to provide healthcare professionals to independent healthcare providers at contractually determined rates. These providers are responsible for billing and collecting from patients and third-party payors, as applicable, for the services provided by UAMS staff supplied by these contracts.

Approximately 48% of net patient service revenue is from participation in the Medicare and state-sponsored Medicaid programs for the year ended June 30, 2023. Management believes that UAMS is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. While no such regulatory inquiries have been made, compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action, including fines,

penalties, and exclusion from the Medicare and Medicaid programs. As a result, it is reasonably possible that recorded estimates will change materially in the near term.

Note 4: Cash, Cash Equivalents and Investments

A.C.A. §19-4-805 authorizes institutions of higher learning to determine the depositories and nature of investments of any of their cash funds which are not currently needed for operating purposes.

Cash and Cash Equivalents

Cash deposits are carried at cost. The following schedule reconciles the amount of deposits to the statement of net position at June 30, 2023:

Cash and Cash Equivalents	
Cash deposits at year end	\$ 373,679,523
cash held on deposit in state treasury	8,707,798
cash equivalents	164,241,102
cash on hand	175,181
Less: cash/cash equiv shown as deposits held in trust on SNP	(162,090,299)
adjustment for deposits in transit within the system	287,681
TOTAL	\$ 385,000,986

Deposits are exposed to custodial risk if they are not covered by depository insurance (FDIC) and are uncollateralized. At June 30, 2023, none of the University's bank balances related to a Certificate of Deposit at a local bank were exposed to custodial credit risk.

Investments

Investments are reported at fair value, which, for reporting purposes, is market value. The following is a summary of the University's investments held at June 30, 2023:

Investment Type	Fair Value
Mutual & Money Market Funds	\$ 213,750,714
Corporate & Municipal Bonds	135,164,144

-shown as deposits held in trust on Stmt of Net Position	(66,593,636)
Investments as reported on Stmt of Net Position	\$ 1,051,663,160

The University is required to provide investment risk disclosures for all invested funds. Interest rate risk is the risk that changes if interest rates will adversely affect the fair value of an investment. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The following tables show these risks for the University's funds outside the external investment pool and short-term investment fund pool.

External Investment Pool

In 1997, the University of Arkansas and the University of Arkansas Foundation established an external investment pool. This arrangement commingles (pools) the moneys of more than one legally separate entity and invests, on the participants' behalf, in an investment portfolio. Subsequent to its establishment, other entities have joined including the Walton Arts Foundation in 1998, the Fayetteville Campus Foundation in 2003, the University of Arkansas Community College at Hope Foundation in 2007, the Razorback Foundation in 2012, and the University of Arkansas Technology Development Foundation in 2016.

The external investment pool is exempt from registration with the Securities and Exchange Commission. The University of Arkansas Board of Trustees and the University of Arkansas Foundation Board of Trustees were the sponsors of this investment pool and were responsible for operation and oversight for the pool. All participation in this investment pool is voluntary.

In January 2010, the University of Arkansas Investment Committee approved an agreement which delegated authority to the UA Foundation to manage University funds held in the Pool. The agreement included delegation of all responsibility for all investment guidelines and performance objectives for accounts within the Pool. The agreement also delegated to the UA Foundation authority for further delegation of portfolio implementation decisions to one or more investment managers. In January 2010, the UA Foundation entered into such an agreement with Cambridge Associates, LLC.

In 2018, the UA Foundation revised their investment policies to only allow endowed monies to be maintained in the investment pool. In response to the change, the UA System Investment

Committee approved an agreement with Wilmington Trust to create a short-term investment pool for non-endowed investments. PFM Asset Management LLC was selected through a request for proposals to act as an investment advisor for the UA System for this pool designated as the Short-Term Investment Fund, or STIF (see below for additional information).

At June 30, 2023, four campuses and one division (UAF, Division of Agriculture, UALR, UAMS, and UAM) and six foundations participated in the Pool, whose net assets totaled \$2,725,101,292. The Pool was combined with 7.53% of the net assets owned by the University of Arkansas and external portions as follows: 66.29% by the University of Arkansas Foundation, 23.99% by the Fayetteville Campus Foundation, 0.65% by the Walton Arts Foundation, 0.11% by the University of Arkansas Community College at Hope Foundation, 0.03% by the University of Arkansas Technical Development Foundation, and 1.40% by the Razorback Foundation. The following tables contain information on the risk disclosures of the Pool.

Short-Term Investment Fund Pool

This pool was created for campuses to invest funds on a short-term basis so that the funds would be accessible within a short period to them as needed. There are five campuses or divisions currently invested in the STIF. The breakdown by campus or division at June 30, 2023 is as follows: System-30.20%, UAMS-0.52%, UAM-1.41%, PCCUA-2.92%, and the Division of Agriculture-64.95%. The following tables contain information on the risk disclosures of the STIF.

Extended Fixed-Income Investment Fund and Intermediate Term Growth Fund

In September 2021, the UA System Investment Committee approved an agreement with Wilmington Trust to expand the external investment pool with the following additional tiers and funds for investing: Extended Fixed-Income Investment Fund (Tier 2) and Intermediate Term Growth Fund (Tier 3).

The Extended Fixed-Income Investment Fund (Tier 2) seeks to provide long-term capital appreciation through the investment of high-quality bonds. The Fund expects to maintain an average duration, under normal circumstances, of not more than three years. The Intermediate Term Growth Fund (Tier 3) seeks to provide long-term capital appreciation through the investment of diversified portfolio of stocks and bonds. The Fund's investment objectives are based on a long-

term investment horizon of five years or longer. The following tables contain information on the risk disclosures for the Extended Fixed-Income Investment and Intermediate Term Growth Funds.

Endowment Funds

A.C.A. § 28-69-804 states, “Subject to the intent of a donor expressed in the gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless stated otherwise in the gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution. The University does not have a uniform policy addressing the authorization and spending of investment income. Such policies have been established at the applicable campuses and include spending rates averaged over a specified period and compliance with donor restrictions. The computation of net appreciation on investments of donor-restricted endowments that are available for expenditure at June 30, 2023, is as follows:

Total Endowment	\$ 198,034,398
Less: Funds treated as endowment	(33,167,798)
Less: Non-expendable portion of endowment	<u>(96,788,830)</u>
Available for Expenditure	<u>\$ 68,077,770</u>

Note 5: Fair Value Measurement

The University's fair value hierarchy that prioritizes the inputs to valuation techniques gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

An individual investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the University. The University considers observable data to be market data, which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of that investment and does not necessarily correspond to the University's perceived risk of that investment.

The three levels of the fair value hierarchy are as follows:

Level 1: Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the University has the ability to access at the measurement date. Publicly traded equity securities and mutual funds are the primary investments included in Level 1 and are valued at the individual security's closing market price.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. Observable inputs are those that reflect the assumptions market participants would use in pricing the asset developed based on market data obtained from independent sources. These types of sources would include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, models or other valuation methodologies. Level 2 investments include U.S. and international government debt securities valued at market corroborated prices and certain equity and fixed income investments in commingled investment vehicles reported at net asset value derived from the market prices of security holdings.

Level 3: Inputs that are unobservable. Unobserved inputs are those that reflect the University's own assumptions about what market participants would use in pricing the asset developed based on the best information available. These types of sources would include investment manager pricing for private equities, hedge funds and certain limited partnerships. Limited partner interests in private equity and other partnerships and hedge fund investments are included in Level 3 and are valued

using the individual investment manager's reported estimates of fair value developed in accordance with reasonable valuation policies.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the University believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the valuation hierarchy, University invested funds, including amounts reported as deposits with bond trustees on the Statement of Net Position, at June 30, 2023:

- (1) This type includes investments in a broadly diversified external investment pool. Pooled investments include allocations to global equities, hedge funds, bonds, natural resources and real estate. The assets in the pool are accounted for at fair value determined according to the principles of the Financial Accounting Standards Board. A one-week notice is required for redemptions over \$1 million. There is also a requirement for 30 days written notice if total withdrawals will exceed \$25 million in any 30-day period.
- (2) This type includes investments in a short-term investment pool comprised of fixed income investments with a duration of two years or less. The pooled investments are allocated primarily to treasuries, government agency bonds, corporate bonds, commercial paper, negotiable certificates of deposit, and money-market funds. The assets in the STIF are accounted for at fair value determined according to the principles of the Financial Accounting Standards Board. A three-day notice is requested for redemptions of any amount.
- (3) This type includes investments in a short-term investment pool comprised of fixed income investments with a duration of three years or less. The pooled investments are allocated primarily international developed bonds, government agency bonds, corporate bonds, and money-market funds. The assets in the STIF are accounted for at fair value determined according to the principles of the Financial Accounting Standards Board. A two-day notice prior to month-end is requested for redemptions of any amount.
- (4) This type includes a diversified portfolio of stocks and bonds investments with a duration of five years or longer. The pooled investments are allocated primarily to equities, bonds, natural resources, real estate, and money-market funds. The assets in the pool are accounted for at fair value determined according to the principles of the Financial Accounting Standards Board. A two-day notice prior to month-end is requested for redemptions of any amount.

Note 8: Short-Term Borrowing

GASB Statement No. 38, Certain Financial Statement Note Disclosures, states that governments should provide details about short-term debt activity during the year, even if no short-term debt is outstanding at year-end. The University had the following short-term debt activity and outstanding balance as of June 30, 2023:

Short-Term Borrowing	June 30, 2022			June 30, 2023		June 30, 2023

TOTALS	\$ -	\$ -	\$ -	\$ -	\$	8,000,000

Note 9: Compensated Absences

Employees accrue and accumulate annual and sick leave in accordance with policies established by the Board of Trustees. The University accrues the dollar value of leave benefits in accordance with generally accepted accounting principles which require accrual of salary-related payments directly and incrementally associated with compensated absences, such as employer's share of social security taxes, as well as applicable salary expenses. These leave benefits are payable upon retirement, termination, or death of employees, up to the maximum allowed.

Full-time, non-classified employees accrue annual leave at the rate of fifteen hours per month and full-time classified employees accrue at a variable rate (from eight to fifteen hours per month) depending upon the number of years of employment in state government. Employees who are less than full-time, but are at least 50% time, accrue annual leave at prorated amounts. Under the University's policy, an employee may carry accrued annual leave forward from one calendar year to another, up to a maximum of 240 hours (30 working days). Classified employees who meet the conditions to be considered retirees at the time of termination of employment, are entitled to a partial payment of accumulated, unused sick leave in accordance with the provisions of Arkansas Code Annotated (A.C.A.) § 21-4-501. In accordance with A.C.A. § 21-4-505, two-year institutions may, at their discretion, provide to non-classified employees the same compensation for accumulated unused sick leave provided to classified employees. The Code also allows four-year institutions the same option. In no event shall an employee receive a sick leave amount upon separation that exceeds \$7,500.

Effective July 1, 2023, the University transitioned classified positions to non-classified roles. In accordance with the policy established by the Board of Trustees, the portion of the sick leave accrued as a classified employee will no longer be paid out upon any retirement, effective on or after July 1, 2023, for those employees whose roles transitioned from classified to non-classified. As of June 30, 2023, the sick leave accrual included only the known payouts in fiscal 2024 for June 30, 2023 retirements.

Changes in compensated absences are shown below:

Note 10: Bonds, Notes, Leases, Installment Contracts, and Subscription Payable

The retirement of some bond issues is secured by a specific pledge of certain gross revenues, surplus revenues and specific fees. Separate accounting is not required for these facilities under the provisions of the debt instruments; accordingly, segment reporting is not required for financial reporting purposes. A summary of long-term debt by campus is shown below. Total debt of \$2,040,937,638 shown in these schedules, which is related to bonds, notes, leases and installment contracts, differs from the amount of \$2,035,589,467 shown on the Statement of Net Position. This is due to an elimination entry of \$5,348,171 to account for two loans between UA campuses (see Note 19).

The current portion shown above for bonds, notes, leases, installment contracts and subscription arrangements differs from the statement of net position by \$352,922 which is the current portion of elimination entries related to intercompany debt (see Note 19).

Future Principal and Interest Payments

Total long-term debt principal and interest payments are shown below. Interest payments for variable rate debt have been calculated using the rate in effect at the financial statement date, though actual rates will vary. Total debt of \$2,040,937,638 shown in these schedules, which is related to bonds, notes, leases and installment contracts, differs from the amount of \$2,035,589,467 shown on the Statement of Net Position. This is due to an elimination entry of \$5,348,171 to account for two loans between UA campuses (see Note 19).

New Bonds Payable and Refundings

For the year ended June 30, 2023:

On August 25, 2022, the University issued \$16,655,000 in Various Facilities Revenue Bonds, (UAPB Campus) Series 2022, with various interest rates of 4.00% - 5.00%. Proceeds from this sale will be used to finance a portion of the costs of certain capital improvements, including the acquisition, construction, equipping, and furnishing of a student center (the “Student Center Facility”) and the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for UAPB (collectively, the “Project”) and to pay costs of issuance of the Bonds.

On November 9, 2022, the University issued \$72,655,000 in Various Facility Revenue Bonds (Fayetteville Campus), Series 2022A, with interest rates of between 4.00% and 5.25%. The bonds were issued to provide funds to finance various construction and renovation projects on the University

campus and were issued on a tax-exempt basis. Projects include (a) the acquisition, construction, furnishing, and equipping of the Anthony Timberlands Center for Design and Materials Innovation; (b) the renovation, restoration, acquisition, construction, improvement, furnishing, and equipping of the Fine Arts Center; (c) the renovation, acquisition, construction, improvement, furnishing, and equipping of the first and second floors of Mullins Library; (d) the acquisition, construction, furnishing, and equipping of the Windgate Studio and Design Center; and (e) the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for the University of Arkansas, Fayetteville.

On November 9, 2022, the University issued \$4,025,000 in Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2022B, with interest rates of between 4.70% and 5.28%. The bonds were issued to provide funds to finance various construction and renovation projects on the University campus and were issued on a taxable basis. Projects include the acquisition, construction, installation, and equipping of a roof replacement for the Engineering Research Center and the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for the University of Arkansas, Fayetteville.

Note 11: Commitments

The University has contracted for the construction and renovations of several facilities. At June 30, 2023, the estimated remaining costs to complete these facilities are shown below.

Campus	Contract Balance
UAF	\$ 152,534,734
UAFS	3,707,480
UALR	11,188,262
UAMS	34,849,000

PCCUA	460,382
UACCHT	148,479
ASMSA	3,361,693
	<u>\$ 217,708,278</u>

Note 12: Income Taxes

The University is tax exempt under the Internal Revenue Code except for tax on unrelated business income. The University had no significant unrelated business income for the year ended June 30, 2023. It is also exempt from state income taxes under Arkansas law. Accordingly, no provision for income taxes is made in the financial statements.

Note 13: Risk Management

The University of Arkansas Risk Management Program provides insurance coverage for all campuses within the University of Arkansas System. The role of the System Office is to analyze and recommend insurance coverage, but it is ultimately a campus decision on the specific levels of coverage to be bound.

In July 2022, the University entered the Arkansas Multi Agency Insurance Trust (AMAIT) property insurance program of the Arkansas Insurance Department. With that program the per claim deductible is \$250,000 (\$100,000 available to smaller campuses) and the University has access to the staff and property risk expertise of the Insurance Department. The University had limited property losses during the year.

The University also participates in the Arkansas Insurance Department Cyber Liability Insurance program. The policy addresses business interruption, data recovery, security and privacy, regulatory proceedings, and other aspects of cyber risks.

Auto coverage, through Cypress Insurance, a Berkshire Hathaway company, has a physical damage deductible of \$1,000 and provides coverage against liability losses up to \$1,000,000 per occurrence.

The Medical Sciences campus separately maintains malpractice insurance for certain clinical employees under a claims-made policy.

The University does not purchase general liability, errors or admissions, or tort immunity for claims arising from third-party losses on University property as the University of Arkansas has sovereign immunity against such claims. Claims against the University for such losses are conducted before the State Claims Commission. In such cases where the University enters into a lease agreement to hold a function at a location not owned by the University, for associated business projects, or for special events, general liability coverage may be purchased specific to that event or project.

The University maintains worker's compensation coverage through the State of Arkansas program. Premiums are paid through payroll and are based on a formula calculated by the Arkansas Department of Finance and Administration. The types of benefits and expenditures that are paid include the following: medical expenses, hospital expenses, death benefits, disability and claimant's attorney fees.

Additionally, the University participates in the State of Arkansas Fidelity Bond Program for claims of employee dishonesty. This program has a limit of \$300,000 recovery per occurrence with a \$2,500 deductible. Premiums are paid annually via a fund transfer from state appropriations to the Arkansas Department of Finance and Administration. There have been no reductions in insurance coverage from the prior fiscal year. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

Note 14: Employee Benefits***Insurance Plans***

The Board of Trustees of the University of Arkansas System sponsors self-funded health (including prescription coverage) and dental benefit plans for University employees and their eligible dependents. All campuses participate in the health and dental plans. The plans are also offered to employees of the University of Arkansas Winthrop Rockefeller Institute, the University of Arkansas Foundation, Inc., the Razorback Foundation, Inc., the Walton Arts Center Council, Inc., and the University of Arkansas Technology Development Foundation.

At June 30, 2023, a total of 17,610 active employees, former employees, and pre-65 retirees were participants in the health plan. As of June 30, 2023, there were three health plan design offerings: the Classic Plan, the Premier Plan and the Health Savings Plan. Within the System subsidy guidelines, each campus makes its contribution determination based on budget considerations. A total of 19,709 active employees, former employees, and retirees were participants in the dental plan as of June 30, 2023. Campus subsidies for dental vary from 0% to 100% by campus and by enrollment tier. Retirees, and former employees, through COBRA, participate on a fully contributory basis in the health and dental plans. Medicare-eligible retirees are not eligible to continue in the University's health plan but may elect a fully-insured Medicare Advantage Plan which includes Part D drug coverage.

The University health and dental plans are accounted for on the accrual basis. The System administration estimates the medical, pharmacy and dental claims liability to be \$18,873,600 at June 30, 2023. This liability is established for incurred but not paid (IBNP) claims, and includes a related accrual for claim adjustment expenses, which are expenses incurred in the ultimate settlement of the claim. The claims and claims adjustment accrual for health, pharmacy and dental is based on the calculation prepared by Segal Consulting.

The System administration purchases specific reinsurance to reduce its exposure to large claims. In a fiscal year, after paying claims of more than \$1,400,000 for any one covered individual, the University pays an aggregating specific deductible of \$375,000, on the first claim exceeding \$1,400,000 in paid claims, before being reimbursed from the reinsurance company. The plan has not purchased any annuity contracts on behalf of claimants. If needed, the University would make arrangements through its reinsurance carrier.

The funding levels for the Plan were established based upon anticipated year-end loss ratios of 100%. As of June 30, 2023, the loss ratio for the health plan was 95% and the loss ratio for the dental plan was 95%.

The System administration retains and accounts for all of the risk financing associated with the self-insurance plan's activities in accordance with GAAP.

Reconciliation of Changes in the Liability for Future Insurance Claims	
	FY23

Total unpaid claims and claim adjustment expenses at end of year	\$ 18,873,600

The liability for future insurance claims includes health, pharmacy and dental incurred but not paid (IBNP) claims/claim adjustment expenses only.

Retirement Plans

Over ninety-seven percent of all employees of the University participate in the University of Arkansas Retirement Program (URP). The URP is a defined contribution 403(b) and 457(b) program as defined by the Internal Revenue Service Code. The authority under which the URP's benefits provisions are established or amended is through the President of the University through the Board of Trustees. Arkansas Code Annotated authorizes participation in the plan. Active recordkeeper/vendors to the URP include Teachers Insurance Annuity Association (TIAA) and Fidelity Investments.

The URP is a contributory plan with the required employee contribution and the University matching contribution, within IRS match limits. That contribution formula requires an employer base contribution equal to 5% of an employee's eligible salary to their TIAA or Fidelity Investments retirement account, allocated between the two companies according to the employee's choice, with a required employee contribution of 5%.

The University makes a one-for-one contribution for employee contributions in excess of 5%, with a maximum total University contribution of 10% of eligible salary up to the IRS match limit, which at June 30, 2023, was \$33,000. Employee contributions in excess of 10% are allowed by the plans in accordance with Internal Revenue Service regulations, but the University does not match these additional contributions.

All benefits attributable to plan contributions made by the participant are immediately vested in the participant, and contributions made by the University are cliff vested upon completion of two consecutive years of URP participation. The University's TIAA and Fidelity contributions for the

fiscal year 2023 were \$ 125,009,990. The participants' contributions for the fiscal year 2023 were \$146,985,821.

Other than a small number of employees enrolled in federal retirement programs due to their position and funding, the remaining benefits eligible employees of the University participate in one of the two State-sponsored defined benefit retirement plans which are closed to new University participant enrollment. Current University employees who are participants in the Arkansas Public Employees Retirement System (APERS) or the Arkansas Teachers Retirement System (ATRS) can continue in that participation. Current University employees who are current APERS or ATRS participants and who transfer without a break in service between University System campuses may continue in APERS participation.

APERS is a cost-sharing multiple employer defined benefit pension plan administered by the State of Arkansas. The University's required contribution rate was an amount equal to 15.32% of eligible salary in fiscal year 2023. Those employees hired after July 1, 2005, must be contributory unless they had prior service as a state employee. Employees hired before that date may be contributory. The University's contributions for the fiscal year 2023 were \$3,508,778. Participants' contributions for the fiscal year 2023 were \$932,326, respectively. The annual required contribution amounts and the percentage contributed are determined by the annual actuarial valuation as set forth in Arkansas Code. APERS issues a publicly available financial report, which may be obtained by writing: APERS, One Union National Plaza, 124 W. Capitol, 5th Floor, Little Rock, AR 72201.

ATRS is a cost-sharing multi-employer defined benefit pension plan. The University contributed an amount equal to 15.00% of all covered employees' salaries in fiscal year 2023. Under certain conditions, covered employees may voluntarily contribute 7% of their salary. The University's contribution for the fiscal year 2023 were \$1,223,605. Participants' contributions for the fiscal years 2023 were \$434,199. The annual required contribution amounts and the percentage contributed are determined by the annual actuarial valuation as set forth in Arkansas Code. ATRS issues a publicly available financial report, which may be obtained by writing: ATRS, 1400 W. 3rd Street, Little Rock, AR 72201.

The University has, from time to time, negotiated voluntary early retirement agreements with faculty and staff which may include the provision of a stipend and healthcare or other benefits for future periods. The amount of liability established for these type agreements was \$29,189 at June 30, 2023.

NOTE 15: Defined Benefit Pension Plans

Arkansas Public Employees Retirement System (APERS)

Plan Description

APERS is a cost-sharing, multiple-employer, defined benefit pension plan administered by the State of Arkansas. The plan was established by the authority of the Arkansas General Assembly with the passage of Act 177 of 1957. The costs of administering the plan are paid out of investment earnings. The general administration and responsibility for the proper operation of the System is

vested in the nine members of the Board of Trustees of the Arkansas Public Employees Retirement System (the Board). Membership includes three state and three non-state employees, all appointed by the Governor, and three ex-officio trustees, including the Auditor of the State, the Treasurer of the State and the Director of the Department of Finance and Administration. APERS issues a publicly available financial report that can be obtained at <http://www.apers.org/publications>.

Benefits Provided

Benefit provisions are set forth in Arkansas Code Annotated, Title 24, Chapter 4 and may only be amended by the Arkansas General Assembly. APERS provides retirement, disability and death benefits. Retirement benefits are determined as a percentage of the member's highest 3-year average compensation times the member's years of service. The 93rd State of Arkansas General Assembly, in Act 370, amended the law concerning the number of years used in the computation of the final average compensation (FAC) to five years for members first hired on or after July 1, 2022. Members hired prior to July 1, 2022 have their FAC computed using their highest 3-year average compensation. The percentage used is based upon whether a member is contributory or noncontributory as follows:

Contributory, prior to 7/1/2001	2.11%
Contributory, prior to 7/1/2005	2.07%
Contributory, 7/1/2005 – 6/30/2007	2.03%
Contributory, on or after 7/1/2007	2.00%
Non-Contributory, prior to 7/1/2007	1.75%
Non-Contributory	1.72%

Members are eligible for full retirement benefits under the following conditions:

- at age 65 with 5 years of service,
- at any age with 28 years credited service.

Members may retire with a reduced benefit at age 55 with at least 5 years of actual service at age 55, or at any age with 25 years of service. The plan also provides disability and survivor benefits.

Effective July 1, 2016, new employees of the University are no longer eligible to participate in the Arkansas Public Employees Retirement System (APERS). Existing APERS participants are allowed to continue APERS participation.

Contributions

Contribution requirements are set forth in Arkansas Code Annotated, Title 24, Chapter 4. The contributions are expected to be sufficient to finance the costs of benefits earned by members during the year and make a level payment that, if paid annually over a reasonable period of future years, will fully cover the unfunded costs of benefit commitments for services previously rendered. Members who began service prior to July 1, 2005, who elected to remain in the non-contributory plan, are not required to make contributions to APERS. Members who began service on or after July 1, 2005, are required to participate in the contributory plan and contribute 5.25% of their salaries. Employers are required to contribute at a rate established by the Board of Trustees of APERS based on an actuary's determination of a rate required to fund the plan. The University contributed 15.32% of applicable compensation for the fiscal year ended June 30, 2023.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources to Pensions

At June 30, 2023, the University reported a liability of \$31,287,627 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The university's proportion of the net pension liability was based on the university's share of contributions to the pension plan relative to the total contributions of all participating employers. At June 30, 2023, the university's proportion was 1.160%, which was a decrease of 0.218% from its proportion measured as of June 30, 2022.

For the year ended June 30, 2023, the University recognized pension expense of \$(1,778,492). At June 30, 2023, the University reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

APERS	Deferred outflows	Deferred inflows
Diff - expected & actual experience	\$ 751,017	\$ (377,754)
Changes of assumptions		
Net difference in projected/actual earnings	6,600,246

University contributions subsequent to measure	3,508,778	
	<u>\$ 11,512,195</u>	<u>\$ (6,744,996)</u>

Deferred outflows of resources of \$3,508,778 related to pensions resulting from University contributions subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in the pension expense in the financial statements as follows:

2024	\$ (1,774,248)

Actuarial Assumptions

The total pension liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll, Closed
Remaining Amortization Period	25 years
Asset Valuation Method	4-year smoothed market; 25% corridor
Investment Rate of Return*	7.15%

Salary Increases	3.25% – 9.85% including inflation
Wage Inflation	3.25%
Post-retirement cost-of-living increases	3% Annual Compounded Increase
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition.
Mortality Table	Based on RP-2006 Healthy Annuitant benefit weighted generational mortality tables for males and females. Mortality rates are multiplied by 135% for males and 125% for females and are adjusted for fully generational mortality improvements using Scale MP-2017.
Average Service Life of All Members	3.7989

*Net of investment and administrative expenses.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the current asset allocation percentage and by adding expected price inflation. Best estimates of arithmetic real rates of return for the 10-year period from 2020 to 2029 were based upon capital market assumptions provided by the plan's investment consultant. For each major asset class included in the plan's current asset allocation as of June 30, 2022, these best estimates are summarized in the following table:

Asset Class	Current Allocation	Long-Term Expected Real Rate of Return
Broad Domestic Equity	37%	6.22%
International Equity	24	6.69
Real Assets	16	4.81
Absolute Return	5	3.05
Domestic Fixed	18	0.57
Total	100%	

The total real rate of return expected is 3.90% with the actuary's price inflation assumption of 3.25% resulting in a Net Expected Rate of Return of 7.15%.

Discount Rate

A single discount rate of 7.15% was used to measure the total pension liability. This single discount rate was based on the expected rate of return on pension plan investments of 7.15%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term

expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the University's proportionate share of the net pension liability using the discount rate of 7.15%, as well as what the net pension liability would be if it were calculated using a single discount rate that is 1%-point lower (6.15%) and 1%-point higher (8.15%) than the current rate:

Sensitivity of Discount Rate		
1% Decrease	Discount Rate	1% Increase
6.15%	7.15%	8.15%
\$ 49,742,162	\$ 31,287,627	\$ 16,052,388

Arkansas Teacher Retirement System (ATRS)

Plan Description

ATRS is a cost-sharing, multiple-employer, defined benefit pension plan administered by the State of Arkansas. The plan was established by the authority of the Arkansas General Assembly with the passage of Act 266 of 1937. The costs of administering the plan are paid out of investment earnings. The general administration and responsibility for the proper operation of the System is vested in the fifteen members of the Board of Trustees of the Arkansas Teacher Retirement System (the Board). Membership includes eleven members who are elected and consist of seven active members of ATRS with at least five years of actual service, three retired members receiving an annuity from ATRS, and one active or retired member from a minority racial ethnic group. There are also four ex officio members, including the State Bank Commissioner, the Treasurer of the State, the Auditor of the State and the Commissioner of Education. ATRS issues a publicly available financial report that can be obtained at <https://www.arters.gov/publications>.

Benefits Provided

Benefit provisions are set forth in Arkansas Code Annotated, Title 24, Chapter 7 and may only be amended by the Arkansas General Assembly. ATRS provides retirement, disability and death benefits. Retirement benefits are determined as a percentage of the member's highest 3-year average compensation times the member's years of service. The percentage used is based upon whether a member is contributory or noncontributory as follows:

Contributory, 10 years or more of service	2.15%
Contributory, less than 10 years of service through 6/30/2018	2.15%
Contributory, less than 10 years of service after 7/1/2018	1.75%
Non-Contributory, 10 years or more of service through 6/30/2019	1.39%
Non-Contributory, 10 years or more of service beginning 7/1/2019	1.25%
Non-Contributory, less than 10 years of service through 6/30/2018	1.39%

Non-Contributory, less than 10 years of service after 7/1/2018

1.00%

Members are eligible to retire with a full benefit under the following conditions:

- at age 60 with 5 years of actual or reciprocal service,
- at any age with 28 years credited service.

Members with 25 years of actual or reciprocal service who have not attained age 60 may retire with a reduced benefit.

Members are eligible for disability benefits with 5 years of service. Disability benefits are computed as an age and service benefit, based on service and pay at disability. Survivor benefits are payable to qualified survivors upon the death of an active member with 5 years of service. The monthly benefit paid to eligible spouse survivors is computed as if the member had retired and elected the Joint & 100% Survivor option. Minor child survivors receive a percentage of the member's highest salary earned. ATRS also provides a lump sum death benefit for active and retired members with 10 years of actual service. The amount for contributory members will be up to \$10,000 and up to \$6,667 for noncontributory members. A cost-of-living adjustment of 3% of the current benefit is added each year.

Effective July 1, 2011, new employees of the University are no longer eligible to participate in the Arkansas Teacher Retirement System (ATRS). Existing ATRS participants are allowed to continue ATRS participation.

Contributions

Contribution requirements are set forth in Arkansas Code Annotated, Title 24, Chapter 7. The contributions are expected to be sufficient to finance the costs of benefits earned by members during the year and make a level payment that, if paid annually over a reasonable period of future years, will fully cover the unfunded costs of benefit commitments for services previously rendered. ATRS has contributory and noncontributory plans. Employers are required to contribute at a rate established by the Board of ATRS based on an actuary's determination of a rate required to fund the plan. The University contributed 15.00% of applicable compensation for the fiscal year ended June 30, 2023.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources to Pensions

At June 30, 2023, the University reported a liability of \$12,777,998 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The University's proportion of the net pension liability was based on the University's share of contributions to the pension plan relative to the total contributions of all participating employers. At June 30, 2023, the University's proportion was 0.242%, which was a decrease of 0.041% from its proportion measured as of June 30, 2022.

For the year ended June 30, 2023, the University recognized pension expense of \$(1,611,516). At June 30, 2023, the University reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

ATRS	Deferred outflows	Deferred inflows
Diff - expected & actual experience	\$ 246,291	\$ (27,504)
Changes of assumptions	1,325,844	
Net difference in projected/actual earnings	1,870,225

University contributions subsequent to measure	1,223,605	
	<u>\$ 4,676,022</u>	<u>\$ (4,127,385)</u>

Deferred outflows of resources related to pensions of \$1,223,605 resulting from University contributions subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in the pension expense in the financial statements as follows:

2024	\$ (763,867)

Actuarial Assumptions

The total pension liability in the June 30, 2022, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll
Amortization Period	30 years
Asset Valuation Method	4-year smoothed market for funding purposes; 20% corridor
Wage Inflation	2.75%
Salary Increases	2.75 – 7.75% including inflation
Investment Rate of Return	7.25%
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition. Last updated for the 2021 valuation pursuant to an experience study for the period July 1, 2015 – June 30, 2020.

Mortality Table	Pub-2010 Healthy Retired, General Disabled Retiree, and General Employee Mortality weighted tables were used for males and females. Mortality rates were adjusted for future mortality improvements using projection scale MP-2020 from 2010: Healthy Annuitant: Male-105% Female-105% Disabled Annuitant: Male-104% Female-104% Employee Mortality: Male-100% Female-100%
-----------------	---

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return were adopted by the plan's trustees after considering input from the plan's investment consultant and actuary. For each major asset class included in the pension plan's target asset allocation as of June 30, 2022, these best estimates are summarized below:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Total Equity	53%	5.3%
Fixed Income	15	1.3
Alternatives	5	4.8
Real Assets	15	4.0
Private Equity	12	7.6
Cash Equivalents	0	0.5
Total	100%	

Discount Rate

A single discount rate of 7.25% was used to measure the total pension liability based on the expected rate of return on pension plan investments. The current member and employer contribution rates are 7% and 15% of active member payroll, respectively. Although not all members contribute, the member and employer rates were scheduled to increase by 0.25% increments ending in fiscal year 2023. The ultimate member and employer rates are 7% and 15%, respectively. The projection of cash flows used to determine this single discount rate assumed that member and employer contributions will be made in accordance with this schedule. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the University's proportionate share of the net pension liability using the discount rate of 7.25%, as well as what the plan's net pension liability would be if it were calculated using a single discount rate that is 1%-point lower (6.25%) or 1%-point higher (8.25%):

Sensitivity of Discount Rate		
1% Decrease	Discount Rate	1% Increase
6.25%	7.25%	8.25%

NOTE 16: Other Postemployment Benefits (OPEB)

The University offers postemployment health (including prescription drugs) and dental benefits, along with life insurance (\$10,000 available coverage), to eligible retirees. Employees retiring on or after January 1, 2021, will not be eligible for life insurance coverage. Health and dental benefits are provided in the University's self-funded plan sponsored by the Board of Trustees of the University of Arkansas System for current and pre-65 retired employees. The plan is considered a single-employer, defined benefit plan. The System Administration manages and administers the plan. Although benefits are also provided under the University's plan for the employees of the University of Arkansas Foundation, Inc., the University of Arkansas Winthrop Rockefeller Institute, the Walton Arts Center Foundation, Inc., the Razorback Foundation, Inc., and the University of Arkansas Technology Development Foundation, no postemployment benefit is accrued by the University for these private entities. Financial activities of the plan are reported in the accompanying consolidated financial report. No assets are accumulated in a trust. Retirees pay 100% of premiums for all campuses with the following exceptions:

UACCRM, who paid 83% of the premium for single coverage for a closed group of employees through 1/1/19, but none of the premium for a spouse or unmarried dependent. Employees who retire currently and since December 31, 2018, will pay 100% of premiums for single and spouse coverage.

Employer costs are funded on a pay-as-you-go basis for all campuses. Retirees qualify for postemployment benefits as follows:

Employees must have a combination of age and years of service of at least 70 with at least 10 years of coverage under the plan. Retirees may cover spouses and eligible dependent children. Surviving spouses can continue coverage after retiree's death.

Retirees pay 100% of the fully insured premium directly to United Healthcare. As a result, no liabilities for Medicare eligible retiree benefits are included in this valuation.

Employees Covered by Benefit Terms

At June 30, 2023, the following employees were covered by the benefit terms:

Employees covered by Benefit Terms	Medical	Life
Inactive employees or beneficiaries currently receiving benefit payments	292	1,932
Active employees	19,127	
Total Employees covered by Benefit Terms	19,419	1,932

Total OPEB Liability

Total OPEB liability as of June 30, 2023 was \$70,782,000, determined by actuarial valuations as of July 1, 2022, rolled forward.

Summary of Key Actuarial Methods and Assumptions

Valuation date	July 1, 2022 valuation for the year ended June 30, 2023
Valuation year	Census data collected as of February 2023
Actuarial cost method	Entry Age Normal
Amortization method	Level percent of payroll
Remaining amortization period	30 years rolling
Asset valuation method	N/A
Actuarial assumptions:	
Investment rate of return	3.54%
Rate of salary increase for amortization	4.00%
Medical inflation rate	7.00% grading to 4.14% over 20 years
Pharmacy inflation rate	9.00% grading to 4.14% over 20 years
Retiree contribution inflation rate	7.50% grading to 4.14% over 20 years

The discount rate used to measure the Total OPEB Liability (TOL) as of June 30, 2021 was 2.16%, the unfunded rate determined as of June 30, 2021 based on the Bond Buyer 20-year-Bond GO Index. The discount rate used to measure the Total OPEB Liability (TOL) as of June 30, 2022 was 3.54%, the unfunded rate determined as of June 30, 2022 based on the Bond Buyer 20-year-Bond GO Index.

Mortality Rates:

Healthy	Pub-2010 Teachers Headcount weighted Mortality Tables for employees, contingent annuitants, and healthy retirees projected generationally using projection scale MP-2021 from base year 2010.
Disabled	Pub-2010 Teachers Headcount weighted Mortality Tables for disabled retirees projected generationally using projection scale MP-2021 from base year 2010.

General Overview of the Valuation Methodology

The Entry Age Actuarial Cost Method was used to value the Plan's actuarial liabilities and to set the normal cost. Under this method, the normal cost rate is the percentage of pay contribution which would be sufficient to fund the Plan benefits if it were paid from each member's entry into the Plan until termination or retirement. The unfunded liability is amortized over a rolling 30-year period. The amortization method is a level percentage of pay.

The claims costs were developed from the active premium rates for the period July 1, 2022 to June 30, 2023. 74.1% of the premium was assumed to be for medical, 21.8% for pharmacy, and 4.1% for expenses based on information provided by University of Arkansas System.

The dental rates are set to match projected costs. Based on a comparison of the recent dental claims plus fees, the dental rates are set at a level sufficient to cover projected costs. Retirees pay 100% of the budget rate for coverage. Therefore, the cost for dental coverage was excluded from this valuation.

Changes in Actuarial Assumptions and Methods since the Prior Valuation

The claim costs and trends were updated to reflect changes in benefits and experience and our expectation for the future costs. The initial retiree contribution was adjusted to reflect current contribution rates.

The discount rate changed from 2.16% to 3.54%.

The report does not reflect future changes in benefits, penalties, taxes (including future excise taxes), or administrative costs that may be required as a result of the Patient Protection and Affordable Care Act of 2010, related legislation, or regulations. It does reflect all ACA costs to date.

Changes in the Total OPEB Liability

The table below shows the changes in the total OPEB liability (TOL) during the measurement period ended on June 30, 2023.

	2023
Balances at 6/30/2021 (Reporting Date 6/30/2022)	\$ 80,318,000
Changes for the year:	
Service cost	5,244,000
Interest (includes interest on service cost)	1,818,000
Changes of benefit terms	
Differences between expected and actual experience	(4,434,000)
Changes of assumptions	(9,569,000)
Benefit payments, including refunds of member contributions	(2,595,000)
Net changes in total OPEB liability	(9,536,000)
Balances at 6/30/2022 (Reporting Date 6/30/2023)	\$ 70,782,000

During the measurement year, the TOL decreased by approximately \$9.5 million. The service cost and interest cost increased the TOL by approximately \$7.1 million while benefit payments decreased the TOL by approximately \$2.6 million.

The discount rate changed from 2.16% to 3.54% between June 30, 2021 and June 30, 2022.

Sensitivity of the Total OPEB Liability

Changes in the discount rate affect the measurement of the TOL. Lower discount rates produce a higher TOL and higher discount rates produce a lower TOL. The table below shows the sensitivity of the TOL to the discount rate.

Sensitivity of Total OPEB Liability to Changes in Discount Rate		
1% Decrease	Discount Rate	1% Increase
2.54%	3.54%	4.54%
\$77,524,000	\$70,782,000	\$64,755,000

Changes in the healthcare trends affect the measurement of the TOL. Lower healthcare trends produce a lower TOL and higher healthcare trends produce a higher TOL. The table below shows the sensitivity of the TOL to the healthcare trends.

Sensitivity of Total OPEB Liability to Changes in Healthcare Cost Trend Rates		
1% Decrease	Healthcare Trend	1% Increase
\$64,282,000	\$70,782,000	\$78,372,000

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2023, the University recognized OPEB expense of \$3,340,000. At June 30, 2023, the University reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources.

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 1,643,000	\$ 8,095,000
Changes in assumptions	5,170,000	8,129,000
Contributions subsequent to the measurement date	2,189,000	
Total	\$ 9,002,000	\$ 16,224,000

The \$2,189,000 reported as deferred outflows of resources resulting from the University's contributions subsequent to the measurement date will be recognized as a reduction of the total OPEB liability in the year ended June 30, 2024. Other amounts reported as deferred outflows of

resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense in the financial statements as follows:

Year ended June 30:

2024	\$	(2,020,000)
2025		(1,660,000)
2026		(2,259,000)

Note 19: Elimination of Inter-Company Transactions

The consolidated financial statements were prepared from financial statements submitted by each campus and the System Administration of the University. The inclusion of inter-company transactions in the consolidated financial statements is not considered materially significant to distort the amounts presented in the consolidated financial statements with the following exceptions, which were eliminated.

FY23 - Statement of Net Position

An elimination entry was made to reduce accounts receivable and accounts payable by \$19,389,307, which represent amounts owed by the campuses to the System Administration for insurance premiums and campus billings for services rendered, amounts owed between campuses, and interest due from a System Administration loan for eVersity from the campuses.

Three loans between University entities were eliminated to reduce assets and liabilities: (1) \$531,089 (current portion \$33,433) to reflect a loan from UAMS to UAF, and (2) \$4,817,139 (current portion \$319,489) to reflect a loan from the campuses to eVersity and (3) inter-institutional loans between the System Administration and 11 campuses to assist in financing the ERP implementation costs. The following schedule details the balance of the loans at June 30, 2023 which were eliminated against current and long-term debt (current portion \$3,297,135) and Other non-current assets:

Campus	Balance at June 30, 2023
UAFS	\$ 595,210
UALR	1,717,119
UAM	428,518
UAMS	15,082,943

UAPTC	390,450
UACCRM	68,276
ASMSA	112,704
Total	<u>\$ 19,456,362</u>

FY23 - Statement of Revenues, Expenses, and Changes in Net Position

As explained in Note 14, the System Administration administers the self-funded insurance programs for the University. Insurance premiums remitted to the System Administration by the campuses are shown as insurance revenues, and insurance claims paid are shown as insurance expenditures on the System Administration's financial statements. The premiums expensed by the campuses are recorded as part of compensation and benefits. An elimination entry was made to reduce insurance revenue and compensation/benefits expenditures in the amount of \$141,352,349.

An elimination entry was made for billings by System Administration to the campuses for services rendered to reduce operating sales and services revenue and operating supplies/services expense in the amount of \$4,438,039. An elimination entry for services provided among campuses in the amount of \$864,594. These amounts decreased operating sales and services, other operating revenues and operating supplies/services.

An elimination entry for the System Administration's interest expense for a loan from the campuses was made to decrease other non-operating revenues (expenses) and investment income in the amount of \$87,071. An elimination entry for the System Administration's interest income for the loans referred to above with 11 campuses was made to decrease interest expense and investment income in the amount of \$657,119.

FY23 - Statements of Cash Flows

The effects of the elimination entries described above to the statement of net position and the statement of revenues, expenses and changes in net position are also reflected in the statement of cash flows.

Note 20: Joint Endeavor

In 1987, the University of Arkansas and the City of Fayetteville engaged in a joint endeavor to operate the Walton Arts Center. Funds were pooled from each entity to provide for the construction and operation of the center. The University of Arkansas/City of Fayetteville Arts Foundation, Inc., now called the Walton Arts Center Foundation, Inc., was established to administer this project and its funds. Activities of the foundation were managed by nine directors - three appointed by the

University, three by the City of Fayetteville, and three recommended by the Foundation that were approved by the mayor and chancellor.

The Walton Arts Center Council, Inc. was formed to construct, operate, manage, and maintain the Arts Center in Fayetteville, Arkansas, in accordance with the Interlocal Cooperation Agreement between the City of Fayetteville and the University of Arkansas. The ownership of the Arts Center facilities, including land, is held equally by the City and the University. The Arts Center Council was required to submit an annual budget to both the City and the University for approval. The Board of Trustees of The Arts Center Council was comprised of five members appointed by the University, five members appointed by the City, and ten members appointed at large, all of whom served as volunteers.

On August 14, 2014, the governing documents establishing and defining the joint endeavor between the City of Fayetteville and the University of Arkansas to operate the Walton Arts Center were revised to ensure clarity and flexibility to allow the Walton Arts Center to meet the arts and entertainment needs of all residents of Northwest Arkansas with a multi-venue system, while at the same time confirming support of the original partnership. Revisions were made to the respective Articles of Incorporation of the Walton Arts Center Foundation, Inc. and the Walton Arts Center Council, Inc. to clarify the purpose of each entity to encompass multiple venues in the Northwest Arkansas region; to allow the Walton Family Foundation to appoint nine additional directors to the Board of Directors of the Arts Center Council while ensuring that the City and University maintain their proportionate number of directors on the Board; to return the City of Fayetteville's initial payment of \$1.5 million to the Foundation back to the City for the City's use in the construction of a parking facility adjacent to the Walton Arts Center or as otherwise determined by the Fayetteville City Council; and with consent by the University to expend the institution's initial payment of \$1.5 million to the Foundation to help defray the construction costs of the proposed enlargement and enhancement of the Walton Arts Center located in Fayetteville, Arkansas. To date, the University's funds placed in the endowment have not been spent. Accordingly, the relationship of the University and Walton Arts Center Foundation, Inc, remains unchanged. In the event the funds are expended, as provided in the revised agreement, the Walton Arts Center Foundation, Inc. would no longer be an agent for the University nor would the University have the right of appointment of Walton Arts Center Foundation, Inc. directors.

An Amended and Restated Interlocal Cooperation Agreement was also executed that permits the Walton Arts Center to conduct business as a separate, free-standing non-profit corporation; that budget and operational oversight rests exclusively with the Walton Arts Center Council and confirms the Walton Arts Center is no longer an agent of the University or the City, nor restricted to the terms of the original agreement; and affirms the Walton Arts Center must comply with the terms of a new lease agreement executed by the University, City of Fayetteville and the Walton Arts Center Council.

The lease agreement extends the term to twenty-five years and recognizes the changed scope of the Walton Arts Center. The lease also provides assurances regarding the on-going quality and type of performances at the Walton Arts Center in Fayetteville.

Note 21: Related Parties

The Chancellor for the Rich Mountain campus is a member of the Board of Directors of Union Bank of Mena based in Mena, AR. At June 30, 2023, bank and certificate of deposit balances held at Union Bank of Mena for the Rich Mountain campus totaled \$2,616,640 (book balances shown on the statement of net position for the campus total \$2,323,330). Union Bank of Mena also serves as the note holder for a note payable shown on the statement of net position for the campus at June 30, 2023 at a balance of \$685,909.

Note 22: Contingencies

The University has been named as defendant in several lawsuits. It is the opinion of management and its legal counsel that these matters will be resolved without material adverse effect on the future operations or financial position of the University.

Immunity provisions in Arkansas law prohibit suits for damages against the Board of Trustees of the University of Arkansas System (UA Board) in Arkansas state courts. In addition, Arkansas law provides that state employees are “immune from suit, except to the extent they may be covered by liability insurance, for damages for acts or omissions, other than malicious acts or omissions, occurring within the course and scope of their employment.” Therefore, employees of the University of Arkansas for Medical Sciences (UAMS) acting in good faith in the course and scope of their employment may be sued in state courts, but only to the extent of maintained insurance coverage. UAMS maintains malpractice insurance for certain employees under a claims-made policy. Premiums are accrued based on estimated claims, with the final premium amount determined based on actual claims experience. The cost of this policy is included in supplies and other expenses. A party may bring an action against the University through the Arkansas State Claims Commission (the Claims Commission). The Claims Commission may award a claim of up to \$15,000 without further review or appropriation. Awards that the Claims Commission makes in excess of \$15,000 must be approved and appropriated by the Arkansas State Legislature. Appropriations of this type, if any, reduce appropriations from the state to the University in the period in which the claim is appropriated.

In the fiscal year ended June 30, 2006, the Arkansas Development Finance Authority (the Authority) issued \$36,775,000 in Tobacco Settlement Revenue Bonds. The Authority made the proceeds of the bonds available to the UA Board to fund an expansion to the Arkansas Cancer Research Center, now known as the Winthrop P. Rockefeller Cancer Institute, which is on the campus of UAMS. The bonds have an approximate yield to maturity of 4.77% to 5.10% and principal and accumulated interest are payable beginning in 2021 through 2031 for \$22,158,000 of serial bonds and beginning in 2036 through 2046 for \$14,617,000 of term bonds.

Funds received from the Arkansas Tobacco Settlement Funds Act of 2000 are pledged for debt service and are the primary source of payment for the bonds. In accordance with a Loan Agreement dated June 1, 2006, between the UA Board and the Authority, the UA Board will be required to make debt service payments on the Series 2006 bond issue in the event of a shortfall in tobacco settlement revenues. However, no such payments will be made unless the debt service revenues are insufficient to make such payments. Management believes the debt service revenues

will be sufficient to service the entire principal and interest due. The *Global Insights USA, Inc.* report, prepared in August 2006, on the *Forecast of U.S. Cigarette Consumption (2004-2046)* indicated that tobacco consumption in 2046 is expected to decline by 54% from the 2003 level. For fiscal year 2003, Arkansas received \$60,067,457 from the Tobacco Settlement Fund. Using the 54% decline from above, Arkansas should receive approximately \$27.6 million in 2046 with the first \$5 million dedicated to pay the debt service on this bond issue.

If debt service revenues had been considered insufficient at June 30, 2023, the University would have incurred a liability of \$71,379,000 related to the issue. This amount includes drawdown of funds related to the project, issuance costs, discounts, accreted interest, and other expenses related to the issue. The revenues pledged by UAMS to secure the Loan Agreement consist of inpatient service fees and fees collected from other ancillary, therapeutic, and diagnostic services provided within the walls of the hospital but exclude physician-generated revenues, State appropriations, and revenues restricted for other purposes.

Note 23: Restatements

Statement of Revenues, Expenses, and Changes in Net Position

The University adopted GASB Statement No. 96, Subscription-Based Information Technology Arrangements in fiscal year 2023. GASB Statement No. 96 defines a subscription-based information technology arrangement (SBITA), establishes that a SBITA would result in a right-to-use Information Technology (IT) asset and a corresponding liability, provides capitalization criteria, and requires new note disclosures. The subscription asset is amortized in a systematic and rational manner over the shorter of the subscription term or the useful life of the underlying IT asset to amortization expense (which may be combined with depreciation expense). Subsequent SBITA payments are accounted for consistent with how debt service payments on long-term debt are recorded, including segregating the SBITA payments between interest and principal. The current portion of the subscription liability is also segregated from the long-term portion.

Beginning in fiscal year 2023, the University started recognizing intangible “right to use” subscription assets equal to the present value of the SBITA payments. This increase in assets is offset by a corresponding increase in subscription liability. Prior to GASB 96, SBITAs were expensed as payments were made.

As a result of GASB 96, subscription assets, in fiscal year 2023, are reported separately as a right-to-use Information Technology (IT) asset. Subscriptions were recognized and measured using the facts and circumstances that existed at the beginning of fiscal year 2023. The present value of the subscriptions assets are calculated using the term of the lease and the incremental borrowing rate for the university at the beginning of the lease. The subscription terms vary according to the conditions of the individual SBITAs.

Beginning net position, as reported on the Statement of Revenues, Expenses and Changes in Net Position, was restated due to the implementation of GASB Statement 96, as amended. As a result, Net Position – beginning of the year was increased by \$4,194,796 to reflect the net effect of

recognizing the University's total right-to use subscription asset offset by subscription payables attributable to the year ended June 30, 2022.

Beginning net position, as reported on the Statement of Revenues, Expenses and Changes in Net Position, has also been restated for the year ended June 30, 2022 to adjust prior year grant revenue and receivables for the University of Arkansas, Hope-Texarkana due to overstatement in the amount of \$520,682.

Statement of Net Position

The net effect of these restatements was an overall increase to total net position of \$3,674,114. The net adjustment is reflected in the net position amounts reported as of June 30, 2022 for Net Investment in Capital Assets, and Unrestricted. The Statement of Cash Flows was also restated to reflect the changes.

On July 1, 2022, UAMS adopted GASB Statement No. 96, Subscription-Based Information Technology Arrangements (GASB 96), that addresses the accounting for the costs related to subscription-based information technology arrangements. The effect of this adoption in 2023 was to increase subscription IT assets by \$35,836,590, which included prior years capitalized implementation costs of approximately \$23,218,000 reported as construction in progress in 2022, and \$2,551,148 of payments before the subscription term, and subscription liabilities (see UAMS Note 9) by \$10,067,442. The adoption had no impact on beginning of year net position but did require the restatement of the beginning of year balances in related disclosures. (UAMS Note 5).

Note 24: Subsequent Events

Bond Issues

On August 3, 2023, the University issued \$10,260,000 in Athletic Facilities Revenue Bonds (Fayetteville Campus), Refunding Series 2023, with an interest rate of 5.00%. The proceeds of the bonds will be used to refund the Board's Athletic Facilities Revenue Bonds (Fayetteville Campus),

Series 2013A (except for the September 15, 2023 maturity thereof), and to pay costs of issuance. Net bond proceeds and premiums of \$10,649,438 from Series 2023 was deposited into an escrow account to retire the bonds. The refunding resulted in a difference between the reacquisition price and the net carrying amount of the old debt of \$1,021,484. This difference, reported in the accompanying financial statements as Deferred outflows of resources, will be amortized through fiscal year 2028. The University completed the refunding to reduce its total debt service payments over the next five years by \$406,275 and to obtain a net present value economic gain of \$399,900.

On August 17, 2023, the University issued \$62,335,000 in Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2023A, with interest rates between 4.751% and 5.467%. The bonds were issued to finance costs of certain capital improvements on or for the campus of the Fayetteville Campus including, without limitation, (a) the acquisition, construction, furnishing, and equipping of the Institute for Integrative and Innovative Research (I3R), (b) the acquisition, construction, furnishing, and equipping of the Multi-User Silicon Carbide Research and Fabrication Facility (MUSiC), and (c) the acquisition of construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for University of Arkansas, Fayetteville.

On July 7, 2023, an Invitation to Tender Bonds for Purchase was released inviting owners of the following (collectively referred to herein as the Invited Bonds) to tender such bonds for purchase by the Board.

- Various Facility Revenue Bonds (Fayetteville Campus) Refunding and Improvement Series 2016A (the Series 2016A Bonds)
- Various Facility Revenue Bonds (Fayetteville Campus), Series 2017 (the Series 2017 Bonds)
- Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2019B (the Series 2019B Bonds)
- Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2021 (the Series 2021 Bonds)

On August 17, 2023, the University issued \$60,075,000 in Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2023B, with an interest rate of 5.00%. The proceeds of the Series 2023B Bonds were used to accomplish the current refunding of certain portions of the Invited Bonds that are validly tendered for purchase (the “Purchased Bonds”) and to pay costs of issuance of the Series 2023B Bonds and costs of accomplishing the refunding and purchase of the Purchased Bonds. The amount outstanding of the Invited Bonds, amount refunded upon issuance of the Series 2023B Bonds, and respective interest rates prior to refunding are as follows:

Invited Bonds	Amount Outstanding	Tendered Amount	Interest Rate Range
Series 2016A Bonds	\$77,055,000	\$20,450,000	5.00%
Series 2017 Bonds	\$87,910,000	\$20,735,000	5.00%

Series 2019B Bonds	\$131,080,000	\$13,330,000	2.256% to 2.850%
Series 2021 Bonds	\$160,350,000	\$13,340,000	0.863% to 2.685%

A total of \$68,698,689 was deposited into the escrow account upon closing. The purchase price to retire the bonds was funded with net bond proceeds and premiums from the Series 2023B Bonds of \$67,923,060 and a contribution from the University of \$775,629 representing the interest on the retired bonds accrued to the closing date of the Series 2023B Bonds. The combined refunding resulted in a difference between the reacquisition price and the net carrying amount of the old debt of \$3,951,439. This difference, reported in the accompanying financial statements as Deferred outflows of resources, will be amortized through the fiscal year 2045. The University completed the refunding to reduce its total debt service payments over the next twenty-two years by \$7,035,998 and to obtain an economic gain of \$4,818,148.

On August 3, 2023, the Board of Trustees of the University of Arkansas issued the Series 2023 Revenue Bonds (the 2023 Bonds) on behalf of UAMS. The 2023 Bonds consist of Various Facilities Revenue Bonds in the original amount of \$64,630,000, with a premium of \$8,923,760, which bear interest at 5.00%. The 2023 Bonds are payable in annual installments through November 2034. Proceeds from the issuance of the bonds were used to current refund Various Facilities Revenue Refunding Bonds, Series 2013.

On August 3, 2023, the Board of Trustees of the University of Arkansas issued the Series 2023 Revenue Bonds (the 2023 Bonds) on behalf of UALR. The 2023 Bonds consist of Various Facilities Revenue Bonds in the original amount of \$13,765,000 with a premium of \$1,201,176, which bear interest at 5.00%. The 2023 Bonds are payable in annual installments through October 2030. Proceeds from the issuance of the bonds were used to current refund the Student Fee Revenue Capital Improvement Bonds, Series 2013C.

Land Purchase

On May 28, 2023, the Board approved the purchase of approximately three acres of land for \$5,050,000. The property included four structures; two of which are slated for demolition and two that are rented through a third-party property management company. The land purchase was settled July 6, 2023.

Land Sale

On September 15, 2023, the Board approved the sale of a University owned property in Washington County which includes the former Southwest Experimental Fast Oxide Reactor (SEFOR) for \$1,150,000. The property was appraised for a market value of \$1,150,000. Additionally, a forest inventory and timber valuation conducted on the property values the timber at \$406,983. In the event of sale of any timber on the property, the buyer would execute a sponsored research agreement with the University for not-less-than 50% of the gross proceeds generated. The land, held by the University since 1971, had a cost of \$61,970 as of June 30, 2023.

Budget Stabilization Trust Fund Loan

On July 28, 2023, UAMS was approved for a loan of \$30,000,000 from the Budget Stabilization Trust Fund based upon the general revenue allocated to UAMS for fiscal year 2024. The loan funds were distributed to level the cash flow of UAMS and prevent the need to transfer funds from the intermediate-term investment fund pool, which had not regained market losses experienced over the last few years. The loan will be repaid in 10 monthly installments of \$3,000,000 beginning September 2023 and ending June 2024.

Notes to Schedule:

No assets for the Plan are accumulated in a trust.

Change of Assumptions:

During the measurement year, the TOL decreased by approximately \$9.5 million. The service cost and interest cost increased the TOL by approximately \$7.1 million while benefit payments decreased the TOL by approximately \$2.6 million

The discount rate changed from 2.16% as of June 30, 2021 to 3.54% as of June 30, 2022. In addition, claims costs and trends were updated to reflect changes in benefits and experience and our expectation of future cost. Combined, these assumption changes resulted in a gain of \$9.6 million. This gain will be amortized over the average expected remaining service life of all active and inactive members of the Plan. The actual experience decreased the NOL by \$4.4 million due to changes in population, which will be amortized over the average expected remaining service life of all active and inactive members of the Plan.

Change of Benefits:

There were no benefit changes during 2023.

The University of Arkansas System is a comprehensive, publicly-supported higher education system composed of unique institutions, units and divisions that share the singular goal of serving Arkansas residents and others by developing and sharing knowledge to impact an ever-changing world. The System provides access to academic and professional education and develops intellectual growth and cultural awareness in its students, staff and faculty. The System further promotes an atmosphere of excellence that honors the heritage and diversity of our state and nation, and provides students, researchers and professionals with tools to promote responsible stewardship of human, natural and financial resources at home and abroad.

Enrollment listed by campus are the preliminary official 11th-day headcounts as provided in September 2023 to the Arkansas Division of Higher Education for Fall 2023.

The University of Arkansas Community College at Rich Mountain's (UACCRM) main campus in Mena is situated on a pristine 40-acre campus at the foot of Arkansas' second highest peak, Rich Mountain, with satellite campuses located in Waldron and Mount Ida.

A two-year public community college offering six associate degrees, seven associate workforce degrees, fifteen technical/certificate programs and a growing list of athletic programs, as well as an adult education program, UA Rich Mountain provides transformative education to all learners with an average 14:1 student to faculty ratio.

Originally founded as a vocation-technical school, Rich Mountain became a community college in 1983, and has continued to evolve to meet the needs of its students and community. The main campus includes a 13,000 s.f. event venue and on-campus residential housing.

ARKANSAS SCHOOL FOR MATHEMATICS, SCIENCES AND THE ARTS

Established: 1993

Joined System: 2004

asmsa.org

The Arkansas School for Mathematics, Sciences and the Arts (ASMSA) is the state's premier high school focusing on excellence in mathematics, science and the arts. Located in Hot Springs, ASMSA is one of seventeen public residential high schools in the country specializing in the education of gifted and talented students who have an interest and aptitude for mathematics, science and the arts. All classes are taught at the college level, and the school offers nearly 70 concurrent courses. Through the school's "college bridge" program, ASMSA graduates average 50 hours of college credit while finishing high school.

UNIVERSITY OF ARKANSAS CLINTON SCHOOL OF PUBLIC SERVICE

Established: 2004

www.clintonschool.uasys.edu

Located on the grounds of the William J. Clinton Presidential Center and Park in Little Rock, the University of Arkansas Clinton School of Public Service is the first graduate school in the nation to offer a Master of Public Service (MPS) degree, both in a classic campus setting and online. As part of the school's unique curriculum, students complete hands-on public service projects, including local work in Arkansas communities and international projects across the world.

The model is unique in higher education because most of the school's financial investment is in scholarship and service and not in infrastructure and overhead. Little Rock's River Market serves as its student union. The Central Arkansas Main Library is the school library. When there is a need for auditorium space, the school accesses the Clinton Library, the Statehouse Convention Center or the Ron Robinson Theater – all of which are within walking distance.

The school's curriculum is enhanced with a national and international speaker series which brings in leaders and scholars from the arts, business, education, government, international development, nonprofits, philanthropy and public service and are free and open to the public. The speakers have included United States presidents and ambassadors, Pulitzer Prize recipients, and Nobel Prize winners.

DIVISION OF AGRICULTURE

Established: 1959

www.division.uaex.edu

The University of Arkansas System Division of Agriculture is the statewide organization providing land grant research and extension to Arkansas agriculture, communities, families and youth. The mission of the division is to discover new knowledge, incorporate it into practical applications and assist Arkansans in its application. The division is comprised of two principal units: the Arkansas

Agricultural Experiment Station and the Cooperative Extension Service. Division faculty, staff and facilities are located on several university campuses, at regional research and extension centers, branch stations, extension centers and other locations. An extension office is located in all 75 counties in cooperation with county governments.

The Division of Agriculture has earned patents in a variety of research programs in food science, animal science, plant pathology, horticulture, biological and agricultural engineering, poultry science, crop, soil, and environmental sciences; and the Rice Research and Extension Center. Volunteers are an extremely important component of delivering Extension programs, particularly in 4-H, Extension Homemakers and Master Gardeners.

ARKANSAS ARCHEOLOGICAL SURVEY

Established: 1967

<https://archeology.uark.edu/>

The mission of the Arkansas Archeological Survey is to study and protect the 13,000-year archeological heritage of Arkansas, to preserve and manage information and collections from archeological sites, and to communicate what is learned to the people of the state. The survey has 10 research stations across the state, each with a full-time Ph.D. archeologist associated with regional higher education institutions and state parks. The archeologists conduct research, assist other state and federal agencies to help promote the economic importance of the state's heritage resources, and are available to local officials, landowners, educators and students, and citizens in need of information about archeology or archeological sites.

Arkansas Archeological Survey databases contain information on more than 50,000 archeological sites and 8,000 projects, available to qualified professional archeologists at state and federal agencies, colleges and universities, and federally recognized tribes. The Survey's curation facility, managed jointly with the University of Arkansas Museum, provides a secure, state-of-the-art home for both Survey and University artifact collections. Students and teachers across Arkansas use the Survey's educational websites to learn about our state's prehistoric and historic cultural heritage.

CRIMINAL JUSTICE INSTITUTE

Established: 1988

www.cji.edu

The Criminal Justice Institute (CJI) is a campus of the University of Arkansas System that serves a unique population of non-traditional students—certified law enforcement professionals who are actively employed within the state's law enforcement organizations. The Institute is committed to making communities safer by supporting law enforcement professionals through training, education, resources and collaborative partnerships.

Utilizing both online learning opportunities and classroom-based instruction, CJI provides an educational experience designed to enhance the performance and professionalism of law enforcement in progressive areas of policing, including law enforcement leadership and management, forensic sciences, computer technologies and related crimes, traffic safety, illicit

drug investigations and school safety. In addition, the Institute develops and delivers curriculum in cyberterrorism and sexual assault management and investigation through the National Center for Rural Law Enforcement (NCRLE), a division of CJI committed to helping rural law enforcement agencies effectively combat crime in their communities.

UNIVERSITY OF ARKANSAS GRANTHAM

Established: 1951

Enrollment: 4,065

www.uagrantham.edu

On Nov. 1, 2021, Grantham University (Lenexa, Kan.) joined the University of Arkansas System and officially became University of Arkansas Grantham. As a 100 percent-online institution, UA Grantham joined forces with UA System eVersity and is now a stronger institution with greater ability to serve the thousands of students already enrolled in more than 50 fully-online degree and certificate programs. UA Grantham relocated its headquarters to Little Rock and kept its operational location in Lenexa, Kan.

Since its founding in 1951, Grantham has sought to enable access to education for adult learners. Now part of the UA System, UA Grantham is better-positioned to grow the number of quality, affordable, professionally-relevant programs it offers to learners in Arkansas, across the country, and around the world.

UNIVERSITY OF ARKANSAS SYSTEM

www.uasys.edu

The System administration carries out the governance and administration of the University of Arkansas System in accordance with policies of the Board and the President.

The System administration includes the activities that further the efforts to meet the goals of the strategic plan for the UA System and to achieve its comprehensive mission. In this capacity, the System office provides the oversight and development of policies and procedures to assist the campuses and units; provides oversight of the preparation of annual operating budgets and financial reports to the Board; prepares the consolidated annual financial statements; administers a program of employee benefits and risk management; provides legal advice and representation; provides internal audits and risk assessments of the fiscal operations of the campuses and entities; and coordinates public and media relations, communications, and governmental relations activities on behalf of the System, campuses and entities. The System Office further provides administrative staff support for the Board and President. Academic Affairs provides leadership and guidance to assist campuses and entities to meet statewide goals in student retention and graduation.

APPENDIX E

FORM OF CONTINUING DISCLOSURE AGREEMENT

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the “Disclosure Agreement”) is executed and delivered by the Board of Trustees of the University of Arkansas (the “Issuer”) and Simmons Bank, in connection with the issuance by the Issuer of its Various Facility Revenue Bonds (Fayetteville Campus), Series 2024A and Refunding Series 2024B in the aggregate principal amount of \$102,140,000 (collectively, the “Bonds”), dated August 28, 2024. The Bonds are being issued pursuant to a Master Trust Indenture between the Issuer and Simmons Bank, as trustee (the “Trustee”), dated as of November 1, 1996, as supplemented by a First Supplement to Master Trust Indenture between the Issuer and the Trustee, dated as of May 1, 2011 (collectively, the “Master Indenture”), and a Series 2024 Trust Indenture between the Issuer and the Trustee dated as of the date of delivery of the Bonds (together with the Master Indenture, the “Indenture”). The Issuer and Simmons Bank, in its capacity as the Trustee and as the initial Dissemination Agent, covenant and agree as follows:

SECTION 1. Purpose of the Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the Issuer and Simmons Bank for the benefit of the Owners of the Bonds and in order to assist the Participating Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b)(5). The Dissemination Agent shall have no liability with respect to the content of any disclosure provided hereunder and shall be liable only to the Issuer for sending notices hereunder.

SECTION 2. Definitions. In addition to the definitions set forth in the Indenture, which apply to any capitalized term used in this Disclosure Agreement unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Report” shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

“Beneficial Owner” of a Bond shall mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

“Disclosure Representative” shall mean the Vice Chancellor for Finance and Administration of UA-Fayetteville or her or his designee, or such other officer or employee as the Issuer shall designate in writing to the Trustee from time to time.

“Dissemination Agent” shall mean Simmons Bank, acting in its capacity as Dissemination Agent hereunder, or any successor Dissemination Agent designated in writing by the Issuer and which has filed with the Trustee a written acceptance of such designation.

“EMMA” shall mean the Electronic Municipal Market Access system as described in 1934 Act Release No. 59062 and maintained by the MSRB for purposes of the Rule.

“Financial Obligation” shall mean a

- (A) debt obligation;
- (B) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or
- (C) guarantee of obligations described in (A) or (B).

The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

“Listed Events” shall mean any of the events listed in Section 5(a) of this Disclosure Agreement.

“MSRB” shall mean the Municipal Securities Rulemaking Board.

“Participating Underwriters” shall mean any of the original underwriters of the Bonds required to comply with the Rule in connection with the offering of the Bonds.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“State” shall mean the State of Arkansas.

“UA-Fayetteville” shall mean the University of Arkansas, Fayetteville.

SECTION 3. Provision of Annual Reports.

(a) The Issuer shall, or shall cause the Dissemination Agent to, not later than December 31 of each year (or 180 days after the end of the Issuer’s fiscal year if the Issuer’s fiscal year changes), commencing with the report after the end of the fiscal year ending June 30, 2024, provide to the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any similar system acceptable to the Securities and Exchange Commission, an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement. The Annual Report shall be filed in an electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. The Annual Report may be submitted as a single document or as separate documents comprising a package and may cross-reference other information as provided in Section 4 of this Disclosure Agreement; provided that the audited financial statements of the Issuer and UA-Fayetteville may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date, but, in such event, such audited financial statements shall be submitted not more than 60 days after becoming available. If the Issuer’s or UA-Fayetteville’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(f). The Annual Reports and audited financial statements may be posted on the EMMA system on the Issuer’s customized EMMA issuer page entitled “Board of Trustees of the University of Arkansas Financial Information.” So long as such Annual Reports and audited financial statements shall be posted as set forth in the previous sentence within the time period set forth in this Section 3, the Issuer shall be deemed to have complied with this Section 3.

(b) Not later than fifteen (15) business days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Issuer shall provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). If by such date, the Trustee has not received a copy of the Annual Report, the Trustee shall contact the Issuer and the Dissemination Agent to determine if the Issuer is in compliance with the first sentence of this subsection (b).

(c) If the Dissemination Agent is unable to verify that the Annual Report has been provided to the MSRB by the date required in subsection (a), the Dissemination Agent shall file a notice thereof with the MSRB in substantially the form set forth in Exhibit A hereto or in the form as prescribed by the MSRB.

(d) On or prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Dissemination Agent shall file a report with the Issuer and (if the Dissemination Agent is not the Trustee) the Trustee specifying filings made by it pursuant to Section 3 of this Disclosure Agreement and stating the date or dates such filings were provided to the MSRB.

SECTION 4. Content of Annual Reports. The Issuer’s Annual Report shall contain or include by reference the following:

(a) Information of the type set forth in the Official Statement dated August 14, 2024, relating to the Bonds, in Appendix A thereto under the caption **THE FAYETTEVILLE CAMPUS OF THE SYSTEM** with respect to Student Enrollment, Pledged Revenues and Existing Parity Bonds.

(b) The annual audited financial statements of the Issuer and of UA-Fayetteville, each prepared in accordance with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board or applicable State law.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the Issuer or related public entities, which have been filed on the EMMA system

or any successor MSRB internet website or otherwise submitted to the MSRB or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Issuer shall clearly identify each such other document so incorporated by reference.

SECTION 5. Reporting of Listed Events. (a) Pursuant to the provisions of this Section 5, the Issuer shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds within ten (10) business days of the occurrence thereof.

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events adversely affecting the tax status of the Bonds;
7. Modifications to rights of security holders, if material;
8. Bond calls, if material, and tender offers (except for mandatory sinking fund redemption);
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the securities, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Issuer or UA-Fayetteville;
13. The consummation of a merger, consolidation or acquisition involving the Issuer or UA-Fayetteville or the sale of all or substantially all of the assets of the Issuer or UA-Fayetteville, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor or additional trustee, or the change of name of a trustee, if material;
15. Incurrence of a Financial Obligation of the Issuer or UA-Fayetteville, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer or UA-Fayetteville, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer or UA-Fayetteville, any of which reflect financial difficulties.

(b) The Dissemination Agent shall, within one (1) business day of obtaining actual knowledge of the occurrence of any of the Listed Events, contact the Disclosure Representative, inform such person of the event, and request that the Issuer promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to subsection (f).

(c) After the occurrence of a Listed Event, the Issuer shall determine, in a timely manner which will allow the Dissemination Agent to file the notice within the time frame prescribed by subsection (f), if such event must be reported under applicable federal securities laws.

(d) If the Issuer has determined that the occurrence of a Listed Event must be reported under applicable federal securities laws, the Issuer shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to subsection (f). The Issuer may submit to the Dissemination Agent the form of the notice to be provided pursuant to subsection (f).

(e) If in response to a request under subsection (b), the Issuer determines that the Listed Event would not be required to be reported under applicable federal securities laws, the Issuer shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (f).

(f) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall file in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any other similar system that is acceptable to the Securities and Exchange Commission, with a copy to the Issuer. If the Issuer has provided a form of the notice as set forth in subsection (d) of this Section, the Dissemination Agent shall file the Issuer's form of notice. Each notice of the occurrence of a Listed Event shall be captioned "Notice of Listed Event" and shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. Such notices may be posted on the EMMA system on the Issuer's customized EMMA issuer page entitled "Board of Trustees of the University of Arkansas Financial Information." So long as such notices shall be posted as set forth in the previous sentence within the time period set forth in this Section 5(f), the Issuer shall be deemed to have complied with this Section 5(f). Notwithstanding the foregoing, notice of the Listed Events described in clauses (a)8 and (a)9 need not be given any earlier than the notice for the underlying event is given to registered owners of affected Bonds pursuant to the terms of the Indenture.

(g) The Trustee shall provide the Issuer with notice of the occurrence of the change of name of the Trustee in a timely manner which will allow the Issuer to make a filing of a Listed Event within the time-frame set forth in this Section.

SECTION 6. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all the Bonds. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event under Section 5(f).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Issuer pursuant to this Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be Simmons Bank.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall agree to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an "obligated person" with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of the Beneficial Owners, or (ii) does not, in the opinion of the Trustee or nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles,

on the presentation) of financial information or operating data being presented with respect to the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(f), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of a Participating Underwriter, or the Owners of at least 25% in aggregate principal amount of Outstanding Bonds, shall), or any Owners or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer or Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. Article VIII of the Master Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and unless prohibited by law, the Issuer agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

SECTION 12. Notices. Any notices or communications to or among any of the parties to this Disclosure Agreement may be given as follows:

Attention: Corporate Trust Department
Facsimile: 870-541-1418

Any person may, by written notice to the other persons listed above, designate a different address or telephone number(s) to which subsequent notices or communications should be sent.

SECTION 13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Trustee, the Dissemination Agent, the Participating Underwriters and Owners and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

SECTION 14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 15. Governing Law. The provisions of this Disclosure Agreement shall be governed by the laws of the State, without regard to conflict of law principles.

MASTER TRUST INDENTURE

This Master Trust Indenture (the "Master Indenture"), dated as of November 1, 1996, by and between the Board of Trustees of the University of Arkansas (the "Board"), a body politic and corporate and a state-supported educational institution organized under and existing by virtue of the laws of the State of Arkansas, and Simmons First National Bank (the "Trustee"), a national banking association duly organized and existing under and by virtue of the laws of the United States of America and having its principal office and place of business in Pine Bluff, Arkansas;

WITNESSETH:

WHEREAS, the Board is the governing body of the University of Arkansas (the "University") and is authorized under the Constitution and laws of the State of Arkansas, particularly Arkansas Code Annotated Sections 6-62-301 et seq. (the "Act"), to borrow money for the purchase of land, and the constructing, reconstructing and equipping of buildings, structures and facilities which the Board deems proper or suitable for University purposes; and

WHEREAS, the Board has determined, and hereby finds and declares, that there will be a need from time to time to issue revenue bonds to fund certain capital improvements on the Fayetteville campus of the University, and from time to time to refund certain prior bonds, both in accordance with the purposes set forth in the Act, and that it will be in the best interests of the University to issue certain series of revenue bonds that fund projects on the Fayetteville campus under the terms of a Master Indenture; and

WHEREAS, in order to secure various series of revenue bonds for the Fayetteville campus (the "Bonds"), and to establish the terms and conditions pursuant to which all such series of Bonds will be issued, it is necessary to adopt a Master Indenture; and

WHEREAS, each series of Bonds under the Master Indenture will be issued pursuant to a separate Series Trust Indenture specific to such series of Bonds (the "Series Indentures"), which Series Indentures will be approved and adopted in connection with the issuance of each such series of Bonds; and

WHEREAS, the Board has determined that there is a need to issue certain revenue Bonds at this time to finance certain projects on the Fayetteville campus, and is, contemporaneously with the execution of this Master Indenture, executing a Series Indenture setting forth in detail the terms of its Series 1996 Bonds; and

WHEREAS, the execution and delivery of this Master Indenture has been in all respects duly and validly authorized by resolution of the Board, adopted and approved on the 29th day of October, 1996;

NOW, THEREFORE, THIS MASTER INDENTURE WITNESSETH:

The Board, in consideration of the premises and the acceptance by the Trustee of the trust hereby created and of the purchase and acceptance of the Bonds by the Owners thereof, in order to secure the payment of the principal of and interest on the Bonds according to their tenor and effect, the performance and observance by the Board of all covenants expressed or implied herein and in each Series Indenture, and in the Bonds whether now or hereafter existing and whether absolute or contingent, does hereby grant, bargain, sell, alien, demise, convey, assign, transfer, mortgage, hypothecate, pledge, set over, and confirm a security interest in the following (hereinafter collectively referred to as "Trust Estate") to the Trustee, and to its successors in trust, and to them and their assigns for the benefit of the Owners of the Bonds, forever:

GRANTING CLAUSE FIRST

All of the Board's interest in the Pledged Revenues, as hereinafter defined, whether such Pledged Revenues be in the form of general intangibles, accounts, cash or other form, including contract rights and the right to collect and withdraw the Pledged Revenues; provided, however, that the pledge of such Pledged Revenues is subject to the prior pledge of any of such revenues to secure the Existing Obligations, as defined herein;

GRANTING CLAUSE SECOND

All right, title, interest and privileges of the Board in any Credit Enhancement, as hereinafter defined, and the revenues, moneys, evidences of indebtedness and securities in and payable into the funds and accounts created pursuant to this Master Indenture and any Series Indenture, including the Revenue Account established and maintained by the University of Arkansas - Fayetteville, and any contract or any evidence of indebtedness or other rights of the Board to receive any of the same whether now existing or hereafter coming into existence, and whether now or hereafter acquired, (but excluding from this Granting Clause Second (i) the revenues, moneys, evidences of indebtedness and securities in any Rebate Fund established pursuant to a Series Indenture, (ii) the revenues, moneys, evidences of indebtedness and securities deposited in any fund or account that is specifically excluded from the pledge hereof by the terms of any Series Indenture, and (iii) the revenues, moneys, evidences of indebtedness and securities deposited in connection with any escrow fund irrevocably set aside in connection with any refunding of any of the Bonds);

GRANTING CLAUSE THIRD

All proceeds from any property described in these Granting Clauses and any and all other property of every name and nature from time to time hereafter by delivery or by writing of any kind conveyed, pledged, assigned or transferred, as and for additional security hereunder by the Board or by anyone in its behalf or with its written consent to the Trustee, which is hereby authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms hereof;

TO HAVE AND TO HOLD all the same with all privileges and appurtenances hereby granted, bargained, sold, aliened, demised, conveyed, assigned, transferred, mortgaged, hypothecated, pledged, set over, and confirmed, or agreed or intended so to be, to the Trustee and its successors in said trust and to them and their assigns forever;

IN TRUST NEVERTHELESS, upon the terms and trusts herein set forth, first, for the equal and proportionate benefit, security and protection of all Owners of the Bonds issued pursuant to and secured by this Master Indenture, without privilege, priority or distinction as to lien or otherwise of any of said Bonds over any of the others except as otherwise expressly provided herein or in a Series Indenture.

PROVIDED, HOWEVER, that if the Board, its successors or assigns, shall well and truly pay, or cause to be paid, the principal of the Bonds and the interest due and to become due thereon, or provide fully for payment thereof as herein provided, at the times and in the manner mentioned in the Bonds according to the true intent and meaning thereof, and shall make the payments into the funds and accounts as required herein or in any Series Indenture, or shall provide, as permitted hereby or thereby, for the payment thereof by depositing with the Trustee sums sufficient for payment of the entire amount of principal and interest due and to become due thereon as herein provided, and shall well and truly keep, perform and observe all the covenants and conditions pursuant to the terms of this Master Indenture and each Series Indenture to be kept, performed and observed by it, and shall pay to the Trustee all sums of money due or to become due to it in accordance with the terms and provisions hereof and thereof, then this Master Indenture and the rights hereby granted shall cease, terminate and be void, otherwise, this Master Indenture shall be and remain in full force and effect;

AND FURTHER PROVIDED, it is hereby agreed between the parties hereto and the Owners of all Bonds issued hereunder and secured by this Master Indenture (the Owners of said Bonds evidencing their consent by their acceptance of the Bonds hereunder), that in the performance of any of the agreements of the Board herein contained or contained in any Series Indenture, any obligation that the Board may thereby incur for the payment of money shall constitute a general obligation only of the Board and shall not constitute an indebtedness for which the faith and credit of the State of Arkansas or any of the revenues of the State of Arkansas are pledged and shall not be secured by a mortgage or lien on any lands or buildings belonging to the State of Arkansas, but shall be payable from the funds and other properties constituting the Trust Estate and such other sources as are available to the Board pursuant to the Constitution and laws of the State of Arkansas;

NOW, THEREFORE, it is mutually covenanted and agreed for the equal and proportionate benefit of all Owners of the Bonds, as follows:

ARTICLE I
Definitions of Terms

Section 101. Definitions. Unless the context otherwise requires, the terms defined in this Article shall, for all purposes of this Master Indenture and of any Series Indenture or other indenture supplemental hereto, have the meanings hereinafter specified:

"DTC" shall mean The Depository Trust Company, New York, New York, as the initial depository, and its successors and assigns.

"Event of Default" shall mean any occurrence or event specified in and defined by Section 701 hereof.

"Existing Obligations" shall mean those obligations previously issued by the Board which are also secured by the Pledged Revenues, as described in Exhibit B hereto.

"Fiscal Year" shall mean the Board's fiscal year at the time of determination, which at the time of this Master Indenture is July 1 to June 30 of the following year.

"Government Obligations" shall mean direct obligations of, or obligations guaranteed as to payment of principal and interest by, the United States of America.

"Indenture" shall mean, collectively, this Master Indenture and all subsequent Series Indentures.

"Interest Payment Date" shall mean, with respect to each Series, each of such dates as may be established pursuant to the applicable Series Indenture on which interest on such Series of Bonds is required to be paid.

"Letter of Representations" shall mean, with respect to any Series of Bonds, the Letter of Representations by and among DTC, the Board, and the Trustee, in the form attached to the applicable Series Indenture; or, in the event a master Letter of Representations is allowed and entered into by the Board, such master Letter of Representations.

"Master Indenture" shall mean this Master Indenture, dated as of November 1, 1996, between the Board and the Trustee.

"Other Obligations" shall mean those types of obligations described under the heading "Other Obligations" on Exhibit B hereto which may be subsequently issued by the Board and which are not secured pursuant to this Master Indenture.

"Outstanding" shall describe, as of the date of determination or computation, all Bonds heretofore issued and delivered under this Master Indenture, except:

- (i) Bonds heretofore canceled by the Trustee or delivered to the Trustee canceled or for cancellation;

- (ii) Bonds and portions of Bonds that are deemed to be defeased pursuant to Article XI hereof;

- (iii) Bonds in exchange for or in lieu of which other Bonds shall have been issued and delivered pursuant to this Master Indenture and any Series Indenture; and

- (iv) Bonds which are no longer Outstanding pursuant to the terms of any applicable Series Indenture.

"Owner" shall mean, as to any Bond Outstanding, the person shown as the registered owner of such Bond on the registration book maintained by the Trustee pursuant to Section 205 hereof.

"Parity Bonds" shall mean any Bonds issued hereunder with a priority of payment that is on a parity with all Bonds issued hereunder, other than Subordinate Bonds.

"Participant" shall mean a participant in the Book-Entry System maintained by DTC or any successor depository to DTC.

"Permitted Encumbrances" shall mean the Existing Obligations and Other Obligations listed in Exhibit B hereto.

"Permitted Investments" shall mean any of the following:

(a) Government Obligations;

(b) Money market funds comprised exclusively of Government Obligations, or mutual funds provided such funds are registered under the Federal Investment Company Act of 1940, whose shares are registered under the federal Securities Act of 1933, and have a rating by Standard & Poor's Ratings Group of AAAm-G, AAAm, AAAf, or AAm, or by Moody's Investors Service, Inc. of P-1;

(c) (i) Federal funds, or banker's acceptances, maturing in not more than 360 days, issued or accepted by commercial banks which have a rating on their short-term certificates of deposit on the date of purchase of not lower than A-1 by Standard & Poor's Ratings Group or P-1 by Moody's Investors Service, Inc.; (ii) U. S. dollar denominated certificates of deposit issued by commercial banks or savings and loans and fully insured by the Federal Deposit Insurance Corporation; or (iii) U. S. dollar denominated certificates of deposit issued by commercial banks or savings and loans, provided (A) the payment of principal of and interest on the certificate is fully secured by a pledge of Government Obligations or obligations described in (d) below, and (B) the Trustee receives an opinion of counsel satisfactory to the Trustee to the effect that the holder holds a valid and legally effective security interest in the pledged obligations;

(d) Senior debt obligations and mortgage-backed securities of the Federal Home Loan Mortgage Corporation, the Federal Home Loan Bank System, and the Federal National Mortgage Association, or guaranteed mortgage-backed bonds and guaranteed pass-through obligations of the Government National Mortgage Association;

(e) Investment agreements with or guaranteed by banks, other financial institutions, insurance companies, or other entities which are (i) rated (in the case of an insurance company, with respect to its claims-paying ability) not lower than the following categories by Standard & Poor's Corporation and Moody's Investors Service, Inc.: if the investment agreement has a term of one year or less, A-1 or P-1; if the investment agreement has a term of more than one year, AA- or A-1, or Aa3 or P-1; provided, however, that should the rating required above be reduced, such institution shall be permitted to deposit collateral with the

Trustee, or an independent party satisfactory to the Trustee, in such amount and under such circumstances as are acceptable to each Rating Agency; or (ii) fully collateralized with Government Obligations;

(f) Tax-Exempt Obligations;

(g) United States Treasury Obligations-State and Local Government Series, demand deposit securities; or

(h) Stock in a Qualified Regulated Investment Company that is rated in the highest long-term or short-term rating category by Standard & Poor's Ratings Group or Moody's Investors Service, Inc.

"Pledged Revenues" shall mean (i) all tuition and fee revenues collected by UA-Fayetteville, (ii) all sales and services revenues and all auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from facilities funded or refunded with the Bonds, and (iii) all surplus sales and services and auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from residence halls, married student apartments, fraternity and sorority houses, residence dining services, the Arkansas Union, and transit and parking services to the extent such revenues are derived from facilities funded with obligations issued pursuant to the Act; provided, however, that such Pledged Revenues are subject to previous pledges to Existing Obligations as described in Section 6.03 hereof and shall not include (A) athletic gate receipts and other revenues derived from intercollegiate athletics at UA-Fayetteville, or (B) any fees authorized or imposed by UA-Fayetteville and dedicated to a specific purpose unrelated to obligations issued pursuant to the Act or to facilities funded with such obligations.

"President" shall mean the chief executive officer of the University of Arkansas system.

"Principal Office" shall mean, when used with respect to the Trustee, the principal corporate trust office of such Trustee situated in the city in which such Trustee is described as being located, and, when used with respect to any other party, the office of such party designated as the notice address for such party pursuant to any applicable Series Indenture.

"Projects" shall mean any (i) capital improvements or (ii) refundings of previously issued obligations, which are financed in whole or in part with Bonds issued pursuant to this Master Indenture, which Projects shall be more fully described and defined in each Series Indenture.

"Qualified Regulated Investment Company" means a corporation that: (i) is a Regulated Investment Company within the meaning of Section 852(a) of the Code and meets the requirements of Section 852(a) of the Code for the calendar year; (ii) has only one class of stock authorized and outstanding; (iii) invests all of its assets in tax-exempt bonds to the extent practicable; and (iv) has at least 98% of (A) its gross income derived from interest on, or gain from the sale of or other

disposition of, tax-exempt bonds or (B) the weighted average value of its assets represented by investments in tax-exempt bonds.

"Rating Agency" shall mean any nationally recognized rating agency designated by the Board and which is at the time then maintaining a rating on any of the Bonds.

"Record Date" means, with respect to each Series of Bonds issued hereunder, the day or days defined as "Record Date," "Regular Record Date," or "Special Record Date" in the Series Indenture pertaining to such Series of Bonds.

"Revenue Account" shall mean the account created pursuant to Section 402 hereof, and maintained separately from the funds and accounts created pursuant to this Master Indenture and the Series Indentures.

"Secretary" and "Secretary of the Board of Trustees" shall mean the Secretary or Assistant Secretary of the Board.

"Series" shall mean a series of Bonds issued pursuant to a Series Indenture.

"Series Indenture" shall mean a supplemental indenture providing for the issuance of Bonds pursuant to Section 209 hereof, which Series Indenture shall set forth the terms, conditions, provisions, and security for such Series of Bonds.

"State" shall mean the State of Arkansas.

"Subordinate Bonds" shall mean any Bonds issued hereunder with a priority of payment that is subordinate to any other Bonds issued hereunder, as may be established and described in any subsequent Series Indenture.

"Tax-Exempt Obligations" means obligations the interest on which is excluded from gross income of the owner thereof for federal income tax purposes under Section 103(a) of the Code, that are rated in the two highest long-term or the highest short-term rating categories by Standard & Poor's Ratings Group or Moody's Investors Service, Inc., and are not private activity bonds under the Code.

"Trust Estate" shall mean the revenues, moneys, and properties described in Granting Clauses First through Third on page 2 hereof, and such other moneys and assets as are described in the Granting Clauses of any Series Indenture.

"Trustee" shall mean Simmons First National Bank, a national banking association organized and existing under the laws of the United States of America, and its successors and assigns, or, if applicable, any other trustee appointed to serve as trustee pursuant to this Master Indenture and the Series Indentures.

"UA-Fayetteville" shall mean the Fayetteville campus of the University of Arkansas in Fayetteville, Arkansas.

"University" shall mean the University of Arkansas, a body politic and corporate and a state-supported educational institution organized under and existing by virtue of the laws of the State with campuses, facilities and educational operations in Fayetteville, Little Rock and elsewhere in the State.

"Vice Chancellor" shall mean any person, regardless of title, designated by the Board to perform, or performing the normal duties of chief fiscal officer for UA-Fayetteville, or of a treasurer, and having charge of and responsibilities for the finances, moneys and accounts pertaining to UA-Fayetteville, or his designee.

Section 1.02. Rules of Interpretation. For all purposes of this Master Indenture, except as otherwise expressly provided or unless the context otherwise requires:

(a) All references in this Master Indenture to designated "Articles," "Sections," and other subdivisions are to the designated Articles, Sections, and other subdivisions of this Master Indenture as originally executed. The words "herein," "hereof," and "hereunder" and other words of singular import refer to this Master Indenture as a whole and not to any particular Article, Section or other subdivision.

(b) The terms defined in this Article have the meanings assigned to them in this Article and include the plural as well as the singular.

(c) The terms defined elsewhere in this Master Indenture or in any Series Indenture shall have the meanings therein ascribed to them.

(d) Words of the masculine gender shall be deemed and construed to include correlative words of the feminine and neuter genders.

(e) The headings used in this Indenture are for the convenience of reference only and shall not define or limit the provisions hereof.

(f) The words "maturity," "due," and "payable" and like terms refer to and include both scheduled maturity and mandatory redemption from sinking fund payments.

[END OF ARTICLE I]

ARTICLE II
Form, Execution and Registration of the Bonds

Section 201. Authorized Amounts of Bonds. The aggregate principal amount of each Series of Bonds which may be issued hereunder and be secured hereby shall be set forth in the Series Indenture applicable to such Series. The Board may from time to time approve the issuance of Bonds to be issued pursuant to a Series Indenture under Section 209 hereof.

Section 202. Details of Bonds: Form of Bonds. Each Series Indenture shall set forth details in regard to the corresponding Series of Bonds, and shall have attached as an exhibit the form of such Bonds. All Bonds shall be identified by the year in which the Series is being issued, and, if necessary, with an alphabetical letter indicating different Series within the same year. The Bonds shall be issuable only as fully registered Bonds in Authorized Denominations. Bonds of each Series shall be numbered from R-1 consecutively upwards, and such other identifiers as are needed may be added to the Bond number.

Each Series Indenture shall set forth the interest rate or rates for Bonds of that Series, and the manner in which interest will be paid to Owners of the Bonds. The manner of payment of principal and redemption price of the Bonds of such Series shall also be set forth in the Series Indenture. The Bonds of any Series may have such other features as are established pursuant to the Series Indenture, including, without limitation, provisions for paying a variable rate of interest on such Series, provisions for such Series to be periodically remarketed, provisions for such Series to be periodically sold at auction, provisions for interest on such Series to be subject to federal income taxation, provisions for Credit Enhancement on such Series, and provisions that certain Bonds within a Series or issued in another Series pursuant to the same Series Indenture will be subordinate in priority of payment to other Bonds issued hereunder.

Section 203. Execution of Bonds: Not an Obligation of the State. The Bonds shall be executed on behalf of the Board by the Chairman and Secretary (with either manual or facsimile signatures) and shall have impressed or imprinted thereon a facsimile of the seal of the University. The Bonds and interest thereon shall constitute general obligations only of the Board and shall not constitute an indebtedness for which the faith and credit of the State, or any of the State's revenues are pledged and shall not be secured by a mortgage or a lien on any lands or buildings belonging to the State. In case any officer whose signature or a facsimile of whose signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until such delivery.

Section 204. Authentication. Only such Bonds as shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in the applicable Series Indenture, duly executed by the Trustee (or a tender agent, in the case of variable rate Bonds), shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such Certificate of Authentication shall have been duly executed, and such execution upon any such

Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Master Indenture and the applicable Series Indenture. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Trustee (or the tender agent), but it shall not be necessary that the same officer sign the Certificate of Authentication on all of the Bonds which may be issued hereunder or on all of the Bonds of a particular Series.

Section 205. Registration of Bonds; Transfer and Exchange. The Trustee shall maintain and keep, at its principal corporate trust office, books for the registration and transfer of Bonds, which at all reasonable times shall be open for inspection by the Board and the Owners; and, upon presentation for such purpose of any Bond entitled to registration or transfer at the Principal Office of the Trustee, the Trustee shall register the transfer of such Bond in such books, under such reasonable regulations as the Trustee may prescribe. The Trustee shall make all necessary provisions to permit the exchange or registration of transfer of Bonds at its principal corporate trust office.

The transfer of any Bond shall be registered upon the books of the Trustee at the written request of the Owner thereof or his attorney duly authorized in writing, upon surrender of such Bond at the Principal Office of the Trustee, together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney. Upon the transfer of any such Bond, the Board shall issue in the name of the transferee, in Authorized Denominations, a new Bond or Bonds in the same aggregate principal amount and maturity and of the same Series as the surrendered Bond or Bonds.

The Board and the Trustee may deem and treat the Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and neither the Board nor the Trustee shall be affected by any notice to the contrary. All such payments so made to any such Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

If a Bond is transferred between a Record Date and the next succeeding Interest Payment Date, the Owner registered on the Record Date shall receive interest through the Interest Payment Date, and the registration of a new Owner of the Bond shall be effective as of the Business Day next succeeding such Interest Payment Date.

Bonds, upon surrender thereof at the Principal Office of the Trustee may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount and maturity of Bonds of the same Series of any Authorized Denomination.

Section 206. Payment of Governmental Charges. In all cases in which the privilege of exchanging Bonds or registering the Bonds is exercised, the Board shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Master Indenture and the applicable Series Indenture. For every such exchange or registration of transfer of Bonds,

whether temporary or definitive, the Trustee may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, which sum or sums shall be paid by the person requesting such exchange or registration of transfer as a condition precedent to the exercise of the privilege of making such exchange or registration of transfer.

Section 207. Delivery of Bonds. With respect to each Series of Bonds, the Board shall execute and deliver such Bonds to the Trustee (or a tender agent, if applicable) and the Trustee (or a tender agent, if applicable) shall authenticate such Bonds and deliver them to the initial purchasers thereof as directed hereinafter in this Section 207, or as may be otherwise directed pursuant to the applicable Series Indenture.

Prior to the delivery on original issuance of the authenticated Bonds of a Series, the Trustee shall have received:

- (a) a duly certified copy of the resolution of the Board authorizing the issuance of such Series of the Bonds;
- (b) original duly executed counterparts or duly certified copies of this Master Indenture and the applicable Series Indenture;
- (c) an original, duly executed counterpart or a duly certified copy of the Board's Arbitration Certificate with respect to such Series of Bonds;
- (d) an original, duly executed counterpart or a duly certified copy of the Delivery Instructions with respect to such Series of Bonds; and
- (e) an original, duly executed approving opinion of Bond Counsel with respect to such Series of Bonds.

Section 208. Mutilated, Destroyed, or Lost Bonds. In case any Bond issued hereunder shall become mutilated or be destroyed or lost, the Board shall, if then permitted by law, cause to be executed, and the Trustee may authenticate and deliver, a new Bond of like maturity, tenor, and Series in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, upon the Owner paying the reasonable expenses and charges of the Board and the Trustee in connection therewith, and, in the case of a Bond destroyed or lost, his filing with the Trustee evidence satisfactory to it and to the Board that such Bond was destroyed or lost, and of his ownership thereof, and furnishing the Board and the Trustee with indemnity satisfactory to them.

Section 209. Issuance and Priority of Bonds.

(a) No Bonds may be issued hereunder the payment of which is secured by a pledge of the Pledged Revenues that is prior to that securing the payment of any Parity Bonds then Outstanding. Parity Bonds and Subordinate Bonds may be issued upon satisfying the applicable terms and conditions set forth in this Section 209.

(b) No Parity Bonds shall be issued until the Board shall have obtained and provided to the Trustee a certificate of the Chancellor or Vice Chancellor projecting that Pledged Revenues in each of the next two succeeding Fiscal Years will equal or exceed 110% of the Average Annual Debt Service on (i) all Permitted Encumbrances then Outstanding; (ii) the Parity Bonds then Outstanding, and (iii) the Parity Bonds proposed to be issued. In making the projection described in the preceding sentence, the Chancellor or Vice Chancellor may include in Pledged Revenues amounts reasonably expected to be received as a result of any further additions or expansions of the facilities financed by the Bonds to be issued.

(c) Subordinate Bonds may be issued under this Master Indenture at any time, provided that the Board is then in compliance with all covenants contained herein and in all Series Indentures providing for the issuance of Bonds then Outstanding.

Section 210. Book-Entry System.

(a) The Board intends that all Bonds issued pursuant to this Master Indenture shall be book-entry-only Bonds. The Bonds are expected to be issued in the form of separate single certificated fully registered Bonds registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC. Except as provided in Section 210(b) hereof, all of the Outstanding Bonds shall be registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC.

(b) With respect to Bonds registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC, the Board and the Trustee (except as otherwise provided in this Master Indenture or in the applicable Series Indenture) shall have no responsibility or obligation to any Participant or to any person on behalf of which a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Board and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any Participant with respect to any ownership interest in the Bonds, (ii) except as otherwise provided in this Master Indenture or the applicable Series Indenture, the delivery to any Participant or any other person, other than an Owner, as shown in the registration books kept by the Trustee, of any notice with respect to the Bonds, or (iii) except as otherwise provided in this Master Indenture or the applicable Series Indenture, the payment to any Participant or any other person, other than an Owner, as shown in the registration books kept by the Trustee, of any amount with respect to principal of, premium, if any, or interest on the Bonds. Except as otherwise provided in this Master Indenture or the applicable Series Indenture, the Board and the Trustee may treat and consider the person on

whose name each Bond is registered in the registration books kept by the Trustee as the holder and absolute Owner of such Bond for the purpose of payment of principal, premium and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and the interest on the Bonds only to or upon the order of the respective Owners, as shown in the registration books kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Board's obligations with respect to the extent of the sum or sums so paid. No person other than an Owner, as shown in the registration books kept by the Trustee, shall receive a certificated Bond evidencing the obligation of the Board to make payments of principal, premium, if any, and interest pursuant to this Master Indenture and the applicable Series Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions contained in each Series Indenture with respect to Record Dates, the word "Cede" in this Indenture shall refer to such new nominee of DTC.

(c) The President or his designee is hereby authorized to execute, with respect to each Series of Bonds, a Letter of Representations in substantially such form as shall be attached to the applicable Series Indenture, with such changes, omissions, insertions and revisions as the President shall approve, and the President shall execute and deliver such Letter of Representations. The approval of the President or his designee of any such changes, omissions, insertions and revisions shall be conclusively established by the execution and delivery of the Letter of Representations by the President or his designee, which shall not in any way limit the provisions of Section 210(b) hereof or in any other way impose upon the Board any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners. The Trustee shall take all action necessary for all representations of the Board in the Letter of Representations with respect to the paying agent and the bond registrar, respectively, to at all times be complied with. If any subsequent Series of Bonds requires a new or different Letter of Representations, provisions relating to such Letter of Representations shall be set forth in the applicable Series Indenture.

- (d) (i) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Board or the Trustee and discharging its responsibilities with respect thereto under applicable law.
- (ii) The Board, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the Board determines that:
 - (A) DTC is unable to discharge its responsibilities with respect to the Bonds, or
 - (B) a continuation of the requirement that all of the Outstanding Bonds be registered in the registration books kept by the Trustee in the name

of Cede, or any other nominee of DTC, is not in the best interest of the Beneficial Owners of the Bonds.

- (iii) Upon the termination of the services of DTC with respect to the Bonds pursuant to subsection 210(d)(ii)(B) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to subsection 210(d)(i) or subsection 210(d)(ii)(A) hereof after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Board, is willing and able to undertake such functions upon reasonable and customary terms, the Board is obligated to deliver Bond certificates at the expense of the Beneficial Owners of the Bonds, as described in this Master Indenture and any applicable Series Indenture, and the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede as nominee of DTC, but may be registered in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

(e) Notwithstanding any other provision of this Master Indenture to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations applicable to such Bonds.

(f) If acceptable to DTC, the President or his designee is hereby authorized to execute one or more general Letters of Representations, each applicable to a specific type of Bond, and such Letter of Representations may be applicable to more than one Series of Bonds.

ARTICLE III Redemption of Bonds

Section 301. Redemption of Bonds. The Bonds of each Series may be subject to optional or mandatory redemption prior to maturity, in whole or in part, as set forth in the applicable Series Indenture.

Section 302. Method of Selection of Bonds. So long as the Bonds of a Series are issued in book-entry-only form, if fewer than all of such Bonds of a particular maturity are called for redemption as provided in the applicable Series Indenture, the particular Bonds of such maturity to be redeemed will be selected pursuant to the procedures established by DTC. If the Bonds of a Series are no longer held pursuant to a Book-Entry System, the method of selecting Bonds of a particular maturity for redemption shall be as set forth in the applicable Series Indenture.

Section 303. Notice of Redemption.

(a) When Bonds of a Series are to be redeemed pursuant to the applicable Series Indenture, the Trustee, in accordance with the provisions of this Master Indenture and the applicable Series Indenture, shall select the Bonds to be redeemed and shall give notice, in the name of the Board, of the redemption of Bonds, which notice shall specify the following:

- (i) the maturity of the Bonds;
- (ii) the CUSIP number, if any, of the Bonds to be redeemed, provided that any such notice shall state that no representation is made as to the correctness of CUSIP numbers either as printed on such Bonds or as contained in the notice of redemption and the reliance may be placed only on the identification numbers contained in the notice or printed on such Bonds;
- (iii) the date of such notice;
- (iv) the dated date for such Bonds;
- (v) the redemption date;
- (vi) the place or places where such Bonds are to be surrendered for redemption (which shall be the Principal Office of the Trustee) and where amounts due upon such redemption will be payable;
- (vii) if fewer than all of the Bonds of such Series are to be redeemed, the certificate numbers, including any prefixes of such Bonds so to be redeemed;

(viii) in the case of a Bond to be redeemed in part only, the portion of the principal amount thereof to be redeemed; and

(ix) that on the redemption date there shall become due and payable upon each Bond to be redeemed the specified portion of the principal thereof together with interest accrued to the redemption date, and that from and after the redemption date interest thereon shall cease to accrue and be payable.

(b) The Trustee shall mail a copy of such notice, by first-class mail, postage prepaid, not less than thirty (30) days and not more than forty-five (45) days (thirty-five (35) days in the case of mandatory sinking fund redemption) before such redemption date, to the Owners of any Bond, all or a portion of which is to be redeemed, at the last address, appearing upon the registration books maintained by the Trustee. Failure to give such notice by mail to any Owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of other Bonds.

(c) The Trustee also shall mail a copy of such notice by registered or certified mail or overnight delivery service or transmit via telecopier, for receipt not less than two Business Days prior to sending such notice to the Owners as provided in Section 303(b) hereof to the following: The Depository Trust Company, 711 Stewart Avenue, Garden City, New York 11530, Attention: Call Notification Department (telecopier number: 516-227-4190 or 516-227-4039), or such other notice address as is subsequently provided by DTC; provided, however, that such mailing shall not be a condition precedent to such redemption and failure to so mail any such notice shall not affect the validity of any proceedings for the redemption of the Bonds.

(d) Additional provisions relating to notice of redemption may be set forth in each Series Indenture.

Section 304. Payment of Redemption Price. Payment of the redemption price of Bonds called for redemption shall be made in accordance with the provisions of the applicable Series Indenture.

[END OF ARTICLE III]

ARTICLE IV
Disposition of Pledged Revenues

Section 401. Pledged Revenues. The Bonds are secured by a pledge of, and are payable from, the Pledged Revenues, which shall be held in or credited to the Revenue Account (as defined below), and by the Trust Estate. The Board hereby pledges the Pledged Revenues to the payment of the principal of, premium if any, and interest on the Bonds. To the extent the Pledged Revenues and the Trust Estate are insufficient to pay the obligations of the Board pursuant to this Indenture, the Board shall pay such obligations from such other monies as are available to the Board under the Constitution and laws of the State.

Section 402. Creation of Revenue Account. All of the Pledged Revenues, as and when received, shall be credited to an account, maintained by UA-Fayetteville separately from the funds and accounts established pursuant to this Master Indenture and Series Indentures, which account shall be designated the "Various Facility Bond Revenue Account" (the "Revenue Account"). Moneys credited to the Revenue Account shall be used: first, to make the required payments into the various funds and accounts established pursuant to this Master Indenture and the Series Indentures; and second, for any other lawful purpose.

[END OF ARTICLE IV]

ARTICLE V
Creation of Funds and Accounts; Flow of Funds

Section 501. Creation of Funds and Accounts. There are hereby created and established the following funds and accounts to be held by the Trustee pursuant to this Master Indenture:

- (a) the Construction Fund (the “Construction Fund”),
- (b) the Bond Fund (the “Bond Fund”);
- (c) the Reserve Fund (the “Reserve Fund”); and
- (d) the Rebate Fund (the “Rebate Fund”).

Section 502. Construction Fund. The Construction Fund shall be maintained by the Trustee and, to the extent so directed pursuant to a Series Indenture, proceeds of the Bonds shall be deposited in the Construction Fund. A separate account may be established for each Series of Bonds as necessary, and such subaccounts as may be necessary or desirable may be established within such separate accounts in the Construction Fund. Moneys in the Construction Fund shall be expended as set forth in the applicable Series Indenture.

Section 503. Bond Fund. The Bond Fund shall be maintained by the Trustee, and shall be expended and used solely for the following purposes: (i) to pay the principal of, premium, if any, and interest on the Bonds; (ii) to pay the fees and expenses of the Trustee; and (iii) to make required payments to the Rebate Fund. On each Interest Payment Date, each redemption date, and the maturity of the Bonds, amounts on deposit in the Bond Fund shall be applied as follows: First, to the payment of interest due and payable with respect to the Bonds (other than Subordinate Bonds, if any) on a pro rata basis without regard to Series; second, to the payment of principal due and payable on the Bonds (other than Subordinate Bonds, if any) on a pro rata basis without regard to Series; third, to payment of interest due and payable with respect to Subordinate Bonds without regard to Series; fourth, to the payment of principal due and payable on Subordinate Bonds without regard to Series; fifth, to the payment of any amounts due and payable on such date to the Trustee as payment for its fees; and sixth, to the payment of any amounts payable on such date to the Rebate Fund.

On the Business Day immediately preceding each Interest Payment Date, each redemption date, and the maturity date of the Bonds, the Vice Chancellor shall cause to be deposited in the Bond Fund, from amounts credited to the Revenue Account, any Reserve Fund account established with respect to the Series of Bonds the interest or principal of which is then being paid, or from any other source then available for such purpose, any sums required, in addition to amounts already on deposit in the Bond Fund, to equal (i) all amounts due on such Interest Payment Date, redemption date or maturity date with respect to the principal and redemption price of and interest on the Bonds, and (ii) any amounts then due to the Trustee as payment for its fees. The Trustee shall credit such sums to the Bond Fund and, upon receipt of the amounts described in (i) above, pay such amounts to the

Owners pursuant to this Indenture. The amounts described in (ii) above shall be transferred to the Trustee.

Section 504. Reserve Fund. The Reserve Fund shall be maintained by the Trustee. Each Series Indenture may require an amount specified in such Series Indenture to be deposited and maintained in an account specific to the Series of Bonds issued pursuant to such Series Indenture. If a Reserve Fund Account is specified in any Series Indenture, such Series Indenture shall set forth the uses of such amounts and any provisions for replenishment of amounts withdrawn from such Reserve Fund account. Each account established within the Reserve Fund shall bear a designation indicating the Series of Bonds to which it relates. Each Reserve Fund account may secure more than one Series of Bonds if so set forth in the applicable Series Indenture.

Section 505. Rebate Fund.

(a) The Rebate Fund shall be held in trust by the Trustee and, subject to paragraph (c) of this Section 505, shall be held for the benefit of the United States of America. The Rebate Fund shall not be held for the benefit of the Owners of the Bonds or the Trustee. The Trustee shall have no lien on or security interest in the Rebate Fund with respect to the payment of any fees, charges or expenses due to the Trustee under this Indenture.

(b) Each Series Indenture shall set forth whether, with respect to such Series of Bonds, a separate account within the Rebate Fund for such Series of Bonds shall be established, and whether and in what manner determinations shall be made as to the amounts to be deposited in such Series account.

(c) Notwithstanding the foregoing, in the event the Trustee is furnished with a written opinion of Bond Counsel to the effect that it is not necessary under existing laws, regulations, rulings and decisions to pay any portion of earnings on investments held under this Indenture or otherwise to the United States in order to assure the exclusion from gross income for federal income tax purposes of interest on a Series of Bonds, the requirements set forth in the preceding portions of this Section and any applicable Series Indenture (with respect to the portion of such earnings specified in such opinion) need not be complied with and shall no longer be effective, and all amounts at the time on deposit in the account of the Rebate Fund applicable to such Series of Bonds (to the extent covered by such opinion) shall be transferred as specified in such opinion.

Section 506. Investment of Funds.

(a) The Construction Fund shall, pursuant to the direction of the Vice Chancellor, be invested and reinvested by the Trustee in Permitted Investments. The Permitted Investments must mature or provide for withdrawal, in whole or in part, at the option of the owner, on or prior to the date on which the funds so invested will be needed for the Projects relating to the Series of Bonds issued to finance such Projects.

(b) Moneys held for the credit of the Rebate Fund shall, pursuant to the direction of the Vice Chancellor, be invested and reinvested by the Trustee in Permitted Investments which shall mature, or shall be subject to redemption, in whole or in part, by the owner thereof, at the option of the owner, not later than the date or dates on which payments of the Rebate Amount must be made to the United States Treasury.

(c) Moneys held for the credit of the Bond Fund shall, pursuant to the direction of the Vice Chancellor, be invested and reinvested by the Trustee in Permitted Investments, which shall mature, or shall be subject to redemption by the owner thereof, at the option of the owner, not later than the next succeeding Interest Payment Date.

(d) Except as otherwise provided herein or in any Series Indenture, obligations so purchased as an investment of moneys in any such fund shall be deemed at all times to be a part of such fund, and the interest accruing thereon and any profit realized from such investment shall be credited to such fund, and any loss resulting from such investment shall be charged to such fund.

(e) All investments described in paragraphs (a) - (c) above shall be made with respect to the various Series accounts in accordance with the permitted yields described for each fund in the Arbitrage Certificate applicable to each Series.

[END OF ARTICLE V]

ARTICLE VI Particular Covenants

Section 601. Performance of Covenants. The Board covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Master Indenture, in each Series Indenture, and in each and every Bond executed, authenticated and delivered hereunder, and in all resolutions of the Board relating thereto; and that it will promptly pay the principal of and interest on every Bond issued hereunder in coin or currency which on the respective dates of payment of such principal and interest is legal tender for the payment of debt due the United States of America, on the dates and in the places and manner prescribed in such Bond, first, from the Pledged Revenues, and second, from its full faith and credit to the fullest extent permitted under the Constitution and laws of the State of Arkansas, and specifically, the Act.

Section 602. Authority of Board. The Board represents and warrants that it is duly authorized under the Constitution and laws of the State of Arkansas to issue the Bonds and to execute this Master Indenture and to pledge the Pledged Revenues in the manner and to the extent hereinabove set forth; that all action on its part for the execution and delivery of this Master Indenture has been duly and effectively taken.

Section 603. Pledged Revenues; Permitted Encumbrances. The Board represents and warrants that as of the date hereof, there are no superior liens against the Pledged Revenues, other than the Existing Obligations listed as part of the Permitted Encumbrances in Exhibit B hereto. Exhibit B shall be amended from time to time as necessary to remove Existing Obligations that have been repaid in full by the Board. The Board covenants that it shall use due diligence to insure collection of the Pledged Revenues until all Bonds secured by this Indenture have been retired in full. The Board covenants that it will take all actions necessary to maintain Pledged Revenues at the level necessary to make required debt service payments on all Bonds and Permitted Encumbrances. The Board covenants not to pledge the Pledged Revenues as security for any other indebtedness or borrowing (other than the Other Obligations listed as part of the Permitted Encumbrances in Exhibit B hereto) and not to create or permit the creation of any charges upon, liens against, or encumbrances of any kind (other than the Permitted Encumbrances) on the Pledged Revenues, except as permitted to secure additional Bonds as permitted in Section 209 hereof, as long as any Bonds are Outstanding, and to promptly discharge all claims and judgments which will become liens against the Pledged Revenues.

Section 604. Books of Record and Account; Inspection. The Board covenants that so long as any Bonds issued hereunder shall be Outstanding and unpaid, the Board will keep proper books of record and account in which full, true and correct entries will be made of all dealings and all transactions relating to the Pledged Revenues and that it will:

(a) At such times as the Trustee shall reasonably request, furnish statements in reasonable detail showing the income, expenditures and financial condition of UA-Fayetteville;

(b) From time to time furnish to the Trustee such data as to UA-Fayetteville and its properties and revenues as the Trustee shall reasonably request;

(c) Following the end of each Fiscal Year, furnish to the Trustee and each Rating Agency then maintaining a rating on any of the Bonds, as soon as practicable after the receipt thereof by the Board, financial statements based on an examination covering the operations of the UA-Fayetteville, including the Pledged Revenues, for the Fiscal Year next preceding, and showing the income and expenses for such period. Such financial statements shall reflect in reasonable detail the financial condition of UA-Fayetteville and the Pledged Revenues, and the status of the accounts and funds required by this Master Indenture and each Series Indenture; and

(d) Following the end of each Fiscal Year, furnish to the Trustee and each Rating Agency then maintaining a rating on any of the Bonds, as soon as practicable after the receipt thereof by the Board, financial statements based on an examination covering the operations of the University of Arkansas system for the Fiscal Year next preceding.

The Board further covenants that all books and records pertaining to the Pledged Revenues shall at all times be open to the inspection of accountants or other representatives of the Trustee.

Section 605. Covenant to Furnish Further Instruments. The Board covenants that it will, upon request of the Trustee, execute and deliver such other instruments and do such further acts as may be necessary or proper to carry out more effectually the purposes of this Indenture.

[END OF ARTICLE VI]

ARTICLE VII
Default Provisions and Remedies

Section 701. Events of Default. Each of the following events with respect to each Series of Bonds is hereby declared an "Event of Default," that is to say, if:

(a) Payment of the principal and premium, if any, on any of the Bonds shall not be made when the same shall become due and payable (other than Subordinate Bonds, the non-payment of which shall not be an Event of Default unless the Series Indenture relating to such Subordinate Bonds provides otherwise), either at maturity or by proceedings for redemption or otherwise; or

(b) Payment of any installment of interest on any of the Bonds shall not be made when the same shall become due and payable (other than Subordinate Bonds, the non-payment of interest on which shall not be an Event of Default unless the Series Indenture relating to such Subordinate Bonds provides otherwise); or

(c) The Board shall violate any covenant contained in the Arbitrage Certificate, and such violation is not cured within thirty (30) days of its discovery; or

(d) Any proceeding shall be instituted, with the consent or acquiescence of the Board, for the purpose of adjusting the claims of creditors pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are under any circumstances payable out of Pledged Revenues; or

(e) The Board shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds, in any Series Indenture, or in this Master Indenture, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Board by the Trustee, which may give such notice in its discretion and shall give such notice upon the written request of the Owners of not less than twenty-five percent (25%) in principal amount of the Bonds of each affected Series then Outstanding; provided, however, that if the default is such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by or on behalf of the Board within the applicable period and diligently pursued until the default is corrected.

Section 702. Acceleration of Bonds. Upon the occurrence of an Event of Default with respect to a Series of Bonds under Section 701(a) or (b) of this Master Indenture, the Trustee shall, and upon the occurrence of an Event of Default with respect to a Series of Bonds under Section 701(c), (d), or (e) of this Master Indenture, may, or at the request of the Owners of twenty-five percent (25%) in aggregate principal amount of Bonds of the affected Series then Outstanding, shall, by notice to the Board, declare the entire unpaid principal of and interest on the Bonds of such Series due and payable immediately without further notice and demand and the Bonds of such Series shall immediately be due and payable on such date and no interest shall accrue thereon from and after such

date. Upon any such declaration, the Trustee shall pay the principal of and interest on all the Bonds of such Series from the revenues and receipts herein specifically pledged and from any other funds made available by the Board.

Upon the occurrence of an Event of Default with respect to a Series of Bonds under Section 701(a) or (b) hereof, the Trustee may, upon a determination by the Trustee that such Event of Default impairs the security for other Series, accelerate all or some of the Series then Outstanding and declare the entire unpaid principal of and interest on such Series due and payable immediately without further notice and demand and such Series shall immediately be due and payable on such date. Upon the occurrence of an Event of Default with respect to a Series of Bonds under Section 701(c), (d), or (e) hereof, only the affected Series of Bonds shall be accelerated unless the acceleration of another Series has been requested by the Owners of twenty-five percent (25%) in aggregate principal amount of Bonds of such Series then Outstanding

Section 703. Other Remedies: Rights and Obligations With Reference to Remedies. Upon the happening and continuance of any Event of Default specified in Section 701 of this Article, then and in every such case the Trustee may proceed, and upon the written request of the Owners of not less than twenty-five percent (25%) in principal amount of each Series of Bonds then Outstanding hereunder which are affected by such Event of Default, shall proceed, subject to the provisions of Section 802 of this Indenture, to protect and enforce its rights and the rights of the Owners of the Bonds of such affected Series under the applicable laws of the State or under this Indenture by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of a power herein granted or for the enforcement of any proper legal or equitable remedy, including mandamus, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

Section 704. Application of Available Moneys. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Bond Fund shall not be sufficient to pay the principal of or the interest on any Bonds as the same become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 702 of this Article), such moneys then available or thereafter becoming available for such purposes after payment of the fees and expenses of the Trustee, whether through the exercise of the remedies in this Article provided for or otherwise, shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST: To the payment of the persons entitled thereto of all installments of interest then due, in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege (other than such discrimination as may be required by any Series Indenture with respect to Subordinate Bonds);

SECOND: To the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full the Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date to the persons entitled thereto without any discrimination or privilege (other than such discrimination as may be required by any Series Indenture with respect to Subordinate Bonds); and

THIRD: To the payment of the interest on and the principal of the Bonds, and to the redemption of Bonds, all in accordance with the provisions of this Master Indenture and the applicable Series Indentures.

(b) If more than one Series of Bonds shall have been accelerated pursuant to the provisions of Section 702 hereof, the payments set forth in clause SECOND of Section 704(a) shall be made pro rata with respect to all Bonds so accelerated, without regard to Series; provided, however, that no payments shall be made with respect to any Subordinate Bonds until all payments due with respect to such other accelerated Bonds have been made. Any Series Indenture executed in connection with Subordinate Bonds may contain additional restrictions on the payment of such Subordinate Bonds.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article, then, subject to the provisions of paragraph (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys then remaining in and thereafter accruing to the Bond Fund shall be applied in accordance with the provision of paragraph (a) of this Section.

(d) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by it at such times, and from time to time, as it shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Owner of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

(e) In applying the provisions of this Section 704, the Trustee shall use any moneys held in the Reserve Fund in the manner set forth with respect to each account within the Reserve Fund

in the applicable Series Indenture. No amounts in the Reserve Fund shall secure any Series of Bonds other than as provided in the Series Indenture pursuant to which amounts have been deposited in the Reserve Fund.

Section 705. Termination of Proceedings. In case any proceeding taken by the Trustee on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the Board, the Trustee, and the Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 706. Right of Majority of Owners to Direct Proceedings. The Owners of a majority in principal amount of a Series of Bonds then Outstanding hereunder shall have the right, subject to the provisions of Section 702 of this Master Indenture, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder with respect to such Series of Bonds, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Indenture, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to the Owners of Bonds not parties to such direction.

Section 707. Rights and Remedies of Owners. No Owner of any of the Bonds shall have any right to institute any suit, action, mandamus or other proceeding, in equity or at law, for the execution of any trust hereunder or for the protection or enforcement of any right under this Indenture or under the laws of the State of Arkansas, unless such Owner shall have previously given to the Trustee written notice of the Event of Default or breach of trust or duty on account of which such suit, action or proceeding is to be taken, and unless the Owners of not less than twenty-five percent (25%) in principal amount of each affected Series of Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee reasonable opportunity either to proceed to exercise the powers herein granted or granted by the laws of the State of Arkansas, or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture or to any other remedy hereunder. It is understood and intended that no one or more Owners of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture, or to enforce any right thereunder except in the manner herein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Owners of such Outstanding Bonds, and that any individual rights of action or right given to one or more of such Owners by law are restricted by this Indenture to the rights and remedies herein provided.

Section 708. Remedies Vested in Trustee. All rights of action under this Indenture or under any of the Bonds secured hereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of the Owners of such Bonds, subject to the provisions of this Indenture.

Section 709. Waivers of Events of Default. No delay or omission of the Trustee or of any Owners to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by this Article to the Trustee and the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon the written request of the Owners of not less than twenty-five percent (25%) in principal amount of each affected Series of Bonds then Outstanding, shall, waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provision of this Master Indenture or before the completion of the enforcement of any other remedy under this Master Indenture, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 710. Notice of Default. The Trustee shall mail to all Owners of the Bonds then Outstanding, without regard to the particular Series owned, at their addresses as they appear on the registration books written notice of the occurrence of any Event of Default set forth in clause (a) or in clause (b) of Section 701 of this Article within thirty (30) days after any such Event of Default shall have occurred. The Trustee shall not, however, be subject to any liability to any Owner by reason of its failure to mail any notice required by this Section.

[END OF ARTICLE VII]

ARTICLE VIII
Concerning the Trustee

Section 801. Acceptance of Trusts. The Trustee accepts and agrees to execute trusts imposed upon it by this Master Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Master Indenture, to all of which the parties hereto and the respective Owners of the Bonds agree. Prior to the occurrence of any Event of Default (of which the Trustee is deemed to have knowledge under Section 808 hereof) and after the curing of all such events of default that may have occurred, the Trustee shall perform such duties and only such duties of the Trustee as are specifically set forth in this Master Indenture and any applicable Series Indenture. During the existence of any such default that has not been cured the Trustee shall exercise any of the rights and powers vested in it by this Master Indenture and any applicable Series Indenture, subject to the provisions of this Article VIII. At all times subsequent to and during the continuance of an Event of Default the Trustee shall use the same degree of care and skill in the exercise of such duties as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

Any provision contained in this Master Indenture or any Series Indenture to the contrary notwithstanding, the entity serving as Trustee pursuant to this Master Indenture shall be the Trustee for all Series of Bonds then Outstanding

No provision of this Master Indenture, any Series Indenture, or any Bond shall be construed to relieve the Trustee from liability for its own negligent failure to act, or its own willful misconduct, except that:

(a) prior to any Event of Default (of which the Trustee is deemed to have knowledge under Section 808 hereof) hereunder, and after the curing of any events of default that may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Master Indenture and any applicable Series Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations of the Trustee as are specifically set forth in this Master Indenture and any applicable Series Indenture, and no implied covenants or obligations shall be read into this Master Indenture or any Series Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the accuracy of the statements and the correctness of the opinions expressed therein, upon any instructions, directions, certificates or opinions furnished to it conforming to the requirements of this Master Indenture and any applicable Series Indenture; and

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(1) the Trustee shall not be liable for any error of judgment made in good faith by a responsible officer or officers of the Trustee unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(2) the Trustee shall not be liable with respect to any action with respect to particular Series of Bonds taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than 25% in aggregate principal amount of such Series of Bonds then Outstanding relating to the time, method and place of conducting any proceedings for any remedy available to the Trustee, or exercising any power conferred upon the Trustee under this Master Indenture or any applicable Series Indenture; provided, in the event the Trustee shall receive inconsistent or conflicting requests and indemnity from two or more groups of Owners, the Trustee in its sole discretion may determine what actions, if any, shall be taken;

(3) the Trustee shall not be liable for any interest on any funds held uninvested hereunder, except as it may otherwise specifically agree in writing; and

(4) the permissive right of the Trustee to do things enumerated in this Master Indenture and any applicable Series Indenture shall not be construed as a duty of the Trustee.

None of the provisions contained in this Master Indenture or any Series Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

Section 802. Trustee Shall Not be Obligated to Institute Suit, Etc. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Master Indenture or any Series Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees, and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment properly to be done by it as such Trustee, without indemnity, and in any such case the Board shall reimburse the Trustee from Pledged Revenues for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Board shall fail to make such reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Master Indenture or any applicable Series Indenture (other than moneys held in the Rebate Fund) and shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 803. Trustee Not Liable or Responsible for Failure of Board. The Trustee shall not be liable or responsible because of the failure of the Board or of any of its employees or agents to make any collections or deposits or to perform any act herein required of them or because of the loss of any moneys arising through the insolvency or the act, default or omission of any depository in

which such moneys shall have been deposited under the provision of this Master Indenture or any Series Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any moneys deposited with it and paid out, withdrawn or transferred in accordance with the provisions of this Master Indenture and any Series Indenture. The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 804. Board to Pay Trustee for Services and Expenses. Subject to the provisions of any contract between the Board and the Trustee, the Board shall pay to the Trustee from the Pledged Revenues reasonable compensation based on the fee schedule negotiated between the Board and the Trustee for all services performed by it hereunder as Trustee and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents or employees incurred in and about the administration and execution of the trusts thereby created and the performance of its powers and duties hereunder. So long as no Event of Default shall have occurred or any Event of Default shall have been cured, if the Board shall fail to make any payment required by this Section, the Trustee may make such payment from moneys remaining in the Bond Fund pursuant to the priorities for use of moneys in the Bond Fund pursuant to Section 503 hereof. So long as an Event of Default shall have occurred and is continuing, if the Board shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Indenture (except money held in the Rebate Fund) and shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 805. Trustee to Rely Upon Certificate for Taking Action or Non-Action Under Indenture. In case at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Trustee, and in any case in which this Master Indenture or any Series Indenture provides for permitting or taking any action, the Trustee may rely upon any certificate required or permitted to be filed with it under the provisions of this Master Indenture or any Series Indenture, and any such certificate shall be evidence of such fact to protect it in any action that it may or may not take in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Master Indenture or any Series Indenture, any request, notice or other instrument from the Board to the Trustee shall be deemed to have been signed by the proper party or parties if signed by the Chairman or Secretary of the Board, the President of the University, or the Vice Chancellor.

Section 806. Trustee May Deal in Bonds Under Indenture. The bank or trust company acting as Trustee under this Indenture, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds issued under the provisions of this Indenture, and may join in any action which any Owner may be entitled to take with like effect as if such bank or trust company were not the Trustee.

Section 807. Recitals in Indenture and Bonds Made on Part of Board and Not Trustee. The recitals, statements and representations contained herein, in any Series Indenture, and in the Bonds (excluding the Trustee's Certificate on the Bonds) shall be taken and construed as made by and on

the part of the Board and not by the Trustee, and the Trustee assumes and shall be under no responsibility for the correctness of the same. Except as to the acceptance of the trusts by its execution of this Indenture, the Trustee shall have no responsibility in respect to the validity or sufficiency by this Master Indenture or any Series Indenture or the due execution or acknowledgment thereof, or, except as to the authentication thereof, in respect of the validity of the Bonds or the due execution or issuance thereof.

Section 808. Trustee Protected in Relying Upon Resolutions, Etc. The Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith and in accordance with the terms of this Master Indenture or any Series Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Series Indenture, or upon the written opinion of any attorney (who may be counsel for the Board), architect or accountant believed by the Trustee to be qualified in relation to the subject matter.

Except upon the happening of an Event of Default specified in clause (a) or clause (b) of Section 701, the Trustee shall not be obligated to take notice or be deemed to have notice of any Event of Default unless given written notice by the Owners of not less than twenty-five percent (25%) in principal amount of the affected Series of Bonds then Outstanding, or to take any action or proceeding by reason of any statement or report filed with it under the provisions of this Master Indenture or any Series Indenture or by reason of any information contained therein.

Section 809. Resignation by Trustee. The Trustee may resign and thereby become discharged from the trusts hereby created, by notice in writing given to the Board, but such resignation shall not take effect until a new Trustee shall be appointed and shall accept the trusts hereof.

Section 810. Removal of Trustee. The Trustee may be removed at any time (i) by the Board; provided, however, that the Board may not remove the Trustee so long as an Event of Default shall have occurred which has not been cured, or any event shall have occurred which with the passage of time would lead to an Event of Default, or (ii) by an instrument or concurrent instruments in writing, signed by the Owners of not less than a majority in principal amount of each Series of Bonds hereby secured and then Outstanding and filed with the Board. Any removal of the Trustee shall not take effect until a successor Trustee shall be appointed and shall accept the trusts hereof. A true copy of each such instrument shall be delivered promptly by the Board to the Trustee. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the Board or the Owners of not less than twenty-five percent (25%) in principal amount of all Bonds then Outstanding.

Section 811. Appointment of Successor Trustee: Temporary Trustee. If at any time hereafter the Trustee is removed, resigns, shall be dissolved, or otherwise become incapable of acting, or if the bank or trust company acting as Trustee shall be taken over by any governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If the position of the Trustee shall become vacant for any of the foregoing reasons or for any other reason, the Board shall appoint a Trustee to fill such vacancy. Any successor Trustee appointed pursuant to this Master Indenture shall be a corporation organized and doing business under the laws of the United States or of any state, authorized under such laws to exercise trust powers, which has combined capital stock, capital surplus and undivided profits of at least \$50,000,000. The foregoing requirement may be met by a parent corporation of the successor Trustee, provided that such parent corporation has guaranteed the obligations of the successor Trustee and further provided that such parent corporation has combined capital stock, capital surplus and undivided profits of at least \$50,000,000.

If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section, the Owner of any Bond Outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Section 812. Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become duly vested with all rights, immunities, powers and trusts, and subject to all the duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of its successor or of the Board, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are payable pursuant to the provisions of Section 804 of this Master Indenture, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor. Should any instrument in writing from the Board be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Board.

Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Indenture and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the assets and business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

ARTICLE IX
Execution of Instruments By Owners
and Proof of Ownership of Bonds

Section 901. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Series Indenture to be signed or executed by an Owner may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Owners or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken by it under such instrument if made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. But nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of execution which it may deem sufficient.

(b) The ownership of Bonds shall be proved by the registration books kept under the provisions of Section 205 hereof.

Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee in pursuance of such request or consent.

[END OF ARTICLE IX]

ARTICLE X
Supplemental Indentures

Section 1001. Supplemental Indentures Not Requiring Consent of Owners of Bonds. The Board and the Trustee may, from time to time and at any time, enter into such indentures supplemental hereto, including the Series Indentures, as shall not be inconsistent with the terms and provisions hereof (which supplemental indentures shall thereafter form a part hereof),

(a) to cure any ambiguity or formal defect or omission in this Master Indenture or in any Series Indenture, or

(b) to grant to or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Owners or the Trustee, or

(c) to issue Bonds in accordance with Section 209 hereof, or

(d) to insert such provision clarifying matters or questions arising under this Master Indenture or any Series Indenture as are necessary or desirable and are not contrary to or inconsistent with this Master Indenture or the applicable Series Indenture, or

(e) to make any other change, which, in the judgment of the Trustee, does not materially adversely affect the Owners.

Section 1002. Supplemental Indentures Requiring Consent of Owners of Bonds. With respect to a supplemental indenture affecting this Master Indenture, and subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of each Series of Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the Board and the Trustee of such indenture or indentures supplemental hereto as shall be deemed necessary or desirable by the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Master Indenture. With respect to a supplemental indenture affecting only one or more particular Series of Bonds, and subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of each affected Series of Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the Board and the Trustee of such supplemental indenture or indentures as shall be deemed necessary or desirable by the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Series Indentures. Subject to the following paragraph, nothing herein contained shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on any Bond issued hereunder, or (b) a reduction in the rate of interest thereon (except in the case of Bonds bearing interest at a variable rate), or (c) any modification in the priority of payment of any Bond or Bonds

over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indentures. Nothing herein contained, however, shall be construed as making necessary the approval by the Owners for the execution of any supplemental indenture as authorized in Section 1001 hereof.

At any time one hundred percent (100%) of the Owners may consent to and approve the execution by the Board and the Trustee of an indenture or indentures supplemental hereto permitting the modifications described in clauses (a), (b), (c) or (d) in the first paragraph of this Section 1002. If the proposed supplemental indenture or indentures amends only the provisions of a particular Series Indenture, then one hundred percent (100%) of the Owners of such Series of Bonds may consent to such supplemental indenture or indentures without the consent of the Owners of other Series unaffected by such supplemental indenture or indentures.

If at any time the Board shall request the Trustee to enter into any supplemental indenture for any of the purposes of this Section, the Trustee shall, at the expense of the Board, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all Owners at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Owners. The Trustee shall not, however, be subject to any liability to any Owner by reason of its failure to mail the notice required by this Section, and any such failure shall not affect the validity of such supplemental indenture when consented to and approved as provided in this Section 1002.

Whenever, at any time within one year after the date of mailing of such notice, the Board shall deliver to the Trustee an instrument or instruments in writing purporting to be executed by the Owners of not less than sixty-six and two-thirds percent ($66\frac{2}{3}\%$) in aggregate principal amount of each affected Series of Bonds Outstanding, which instrument or instruments shall refer to the proposed supplemental indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Trustee may execute such supplemental indenture in substantially such form, without liability or responsibility to any Owner of any Bond, whether or not such Owner shall have consented thereto.

If the Owners of not less than sixty-six and two-thirds ($66\frac{2}{3}\%$) in aggregate principal amount of each affected Series of Bonds Outstanding at the time of the execution of such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have the right to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Board from executing the same or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental indenture pursuant to the provisions of this Section, this Master Indenture or the affected Series Indenture shall be and be deemed to be modified and

amended in accordance therewith, and the respective rights, duties and obligations under this Master Indenture and the Series Indenture of the Board, the Trustee and all Owners of Bonds then Outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 1003. Any Supplemental Indenture to be Part of Indenture. The Trustee is authorized to join with the Board in the execution of any supplemental indenture and to make the further agreements and stipulations which may be contained therein. Any supplemental indenture executed in accordance with the provisions of this Article shall thereafter form a part of this Indenture, and all of the terms and conditions contained in any such supplemental indenture as to any provisions authorized to be contained therein shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes. In case of the execution and delivery of any supplemental indenture, express reference may be made thereto in the text of any Bonds issued thereafter, if deemed necessary or desirable by the Trustee.

Section 1004. Trustee to Rely on Opinion of Counsel as to Compliance of Supplemental Indenture with Indenture. In each and every case provided for in this Article, the Trustee shall be entitled to exercise its discretion in determining whether or not any proposed supplemental indenture, or any term or provisions therein contained, is proper or desirable, having in view the purposes of such instrument, the needs of the Board, the rights and interests of the Owners, and the rights, obligations and interests of the Trustee, and the Trustee shall not be under any responsibility or liability to the Board or to any Owner or to anyone whomsoever for its refusal in good faith to enter into any such supplemental indenture if such indenture is deemed by it to be contrary to the provisions of this Article. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it, who may be counsel for the Board, as evidence that any such proposed supplemental indenture does or does not comply with the provisions of this Indenture, and that it is or is not proper for it, under the provisions of this Article, to join in the execution of such supplemental indenture.

[END OF ARTICLE X]

ARTICLE XI

Defeasance

Section 1101. Defeasance of Series. If, when the Bonds of any Series secured hereby shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds for redemption shall have been given by the Board to the Trustee, the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds of such Series then Outstanding shall be paid or sufficient moneys shall be irrevocably set aside for such purpose under the provisions of this Master Indenture (if such moneys are invested in noncallable Government Obligations having maturity dates on or prior to the date the moneys will be needed, there may be included in determining the sufficiency of the moneys, the interest to be earned on such investments), and provisions shall also be made for paying all other sums payable hereunder by the Board with respect to such Series of Bonds, then and in that case the right, title and interest of the Trustee with respect to such Series of Bonds shall thereupon cease, terminate, and become void, and the Trustee in such case, on demand of the Board, shall release the applicable Series Indenture. The Master Indenture and other Series Indentures shall be unaffected by such defeasance.

Section 1102. Defeasance of All Bonds. If, when all of the Bonds secured hereby shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds for redemption shall have been given by the Board to the Trustee, the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds then Outstanding shall be paid or sufficient moneys shall be irrevocably set aside for such purpose under the provisions of this Master Indenture (if such moneys are invested in noncallable Government Obligations having maturity dates on or prior to the date the moneys will be needed, there may be included in determining the sufficiency of the moneys, the interest to be earned on such investments), and provisions shall also be made for paying all other sums payable hereunder by the Board, then and in that case the right, title and interest of the Trustee shall thereupon cease, terminate, and become void, and the Trustee in such case, on demand of the Board, shall release the Master Indenture and all Series Indentures and shall execute such documents to evidence such release as may be reasonably required by the Board, and shall turn over to the Board or to such officer, board or body as may then be entitled by law to receive the same any moneys remaining in its hands other than moneys held for the redemption or payment of Bonds or held in any Rebate Fund; otherwise this Master Indenture and all Series Indentures shall be, continue and remain in full force and effect.

[END OF ARTICLE XI]

ARTICLE XII
Miscellaneous Provisions

Section 1201. Covenants, Stipulations, Obligations and Agreements of Board. All covenants, stipulations, obligations and agreements of the Board contained in this Master Indenture and any Series Indenture shall be deemed to be covenants, stipulations, obligations and agreements of the Board and the University to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall bind or inure to the benefit of the successor or successors thereof from time to time and any officer, board, body or commission to whom or to which any power or duty affecting such covenants, stipulations, obligations, and agreements shall be transferred by or in accordance with law.

Except as otherwise provided in this Master Indenture or in any Series Indenture, all rights, powers and privileges conferred and duties and liabilities imposed upon the Board by the provisions of this Master Indenture and any Series Indenture shall be exercised or performed by the Board, or by such other officers, board, body or commission as may be required by law to exercise such powers or to perform such duties.

No covenant, stipulation, obligation or agreement herein contained shall be deemed to be a covenant, stipulation, obligation or agreement of any member, agent or employee of the Board in his individual capacity, and neither the members of the Board nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 1202. Giving of Notice.

(a) Any notice, demand, direction, request or other instrument authorized or required by this Indenture to be given to or filed with the Board or the Trustee shall be deemed to have been sufficiently given or filed for all purposes of this Indenture if and when sent by registered or certified mail, return receipt requested, addressed as follows:

(b) Notwithstanding any other provision of this Indenture, the Board shall cause notice of any of the following events to be sent to each Rating Agency: (i) any change in the identity of the Trustee; (ii) any material change in the Master Indenture or any Series Indenture, or any related documents; (iii) the redemption or defeasance in full of the Bonds; or (iv) any acceleration of the Bonds pursuant to Section 702 hereof.

(c) All documents received by the Trustee under the provisions of this Master Indenture or any Series Indenture, or photographic copies thereof, shall be retained in its possession, subject at all reasonable times to the inspection of the Board, any Owner, and the agents and representatives thereof.

Section 1203. Indenture for Sole and Exclusive Benefit of Parties to Indenture. Except as herein otherwise expressly provided, nothing in this Indenture expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto any right, remedy or claim, legal or equitable, under or by reason of this Indenture or any provision hereof, this Indenture and all its provisions being intended to be and being for the sole and exclusive benefit of the parties hereto and the Owners from time to time of the Bonds issued hereunder.

Section 1204. Faith and Credit of State Not Pledged. Nothing in the Bonds or in this Indenture shall be construed as pledging the faith and credit of the State or as creating any debt of the State in violation of any constitutional or statutory limitation.

Section 1205. Severability. In case any one or more provisions of this Indenture or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Indenture or of the Bonds, but this Indenture

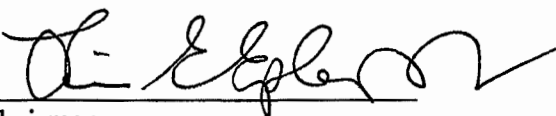

and the Bonds shall be construed and enforced as if such illegal or invalid provision had not been contained therein. In case any covenant, stipulation, obligation or agreement contained in the Bonds or in this Indenture shall for any reason be held to be in violation of the law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Board to the full extent of the law. No member, officer, agent or employee of the Board shall incur any personal liability in acting or proceeding or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture and the laws of the State. This Indenture is executed with the intent that the laws of the State shall govern its construction.

Section 1206. Board Authorized to Act Under Indenture. The officers and agents of the Board are hereby authorized and directed to do all things and acts required of them by the Bonds and this Indenture for the full, punctual and complete performance of all of the terms, covenants, provisions and agreements contained in the Bonds and this Indenture.

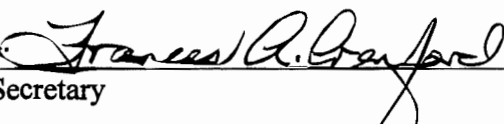

[END OF ARTICLE XII]

IN WITNESS WHEREOF, the Board of Trustees of the University of Arkansas has caused this Indenture to be executed by its Chairman and its Secretary and to be sealed with the corporate seal of the University, and Simmons First National Bank, Pine Bluff, Arkansas has caused this Indenture to be executed on its behalf and its corporate seal to be impressed hereon and attested by its duly authorized officers, identified below, all as of the day and year first above written.

Re: \$12,105,000 Board of Trustees of the University of Arkansas
Various Facility Refunding Revenue Bonds, (Payetteville
Campus) Series 1996
[Issue Description]

Ladies and Gentlemen:

This letter sets forth our understanding with respect to certain matters relating to the above-referenced issue (the "Bonds"). Agent will act as trustee, paying agent, fiscal agent, or other agent of Issuer with respect to the Bonds. The Bonds will be issued pursuant to a trust indenture, bond resolution, or other such document authorizing the issuance of the Bonds dated November 1, 1996 (the "Document"). Llama Company is distributing the Bonds through The Depository Trust Company ("DTC").
[Underwriter]

To induce DTC to accept the Bonds as eligible for deposit at DTC, and to act in accordance with its Rules with respect to the Bonds, Issuer and Agent, if any, make the following representations to DTC:

1. Prior to closing on the Bonds on November 14, 1996, there shall be deposited with DTC one Bond certificate registered in the name of DTC's nominee, Cede & Co., for each stated maturity of the Bonds in the face amounts set forth on Schedule A hereto, the total of which represents 100% of the principal amount of such Bonds. If, however, the aggregate principal amount of any maturity exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount. Each Bond certificate shall bear the following legend:

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest therein.

2. In the event of any solicitation of consents from or voting by holders of the Bonds, Issuer or Agent shall establish a record date for such purposes (with no provision for revocation of consents or votes by subsequent holders) and shall, to the extent possible, send notice of such record date to DTC not less than 15 calendar days in advance of such record date.

3. In the event of a full or partial redemption or an advance refunding of part of the outstanding Bonds, Issuer or Agent shall send a notice to DTC specifying: (a) the amount of the redemption or refunding; (b) in the case of a refunding, the maturity date(s) established under the refunding; and (c) the date such notice is to be mailed to beneficial owners or published (the "Publication Date"). Such notice shall be sent to DTC by a secure means (e.g., legible teletype, registered or certified mail, overnight delivery) in a timely manner designed to assure that such notice is in DTC's possession no later than the close of business on the business day before the Publication Date. Issuer or Agent shall forward such notice either in a separate secure transmission for each CUSIP number or in a secure transmission for multiple CUSIP numbers (if applicable) which includes a manifest or list of each CUSIP submitted in that transmission. (The party sending such notice shall have a method to verify subsequently the use of such means and the timeliness of such notice.) The Publication Date shall be not less than 30 days nor more than 60 days prior to the redemption date or, in the case of an advance refunding, the date that the proceeds are deposited in escrow.

4. In the event of an invitation to tender the Bonds, notice by Issuer or Agent to Bondholders specifying the terms of the tender and the Publication Date of such notice shall be sent to DTC by a secure means in the manner set forth in the preceding Paragraph.

5. All notices and payment advices sent to DTC shall contain the CUSIP number of the Bonds.

6. Notices to DTC pursuant to Paragraph 2 by teletype shall be sent to DTC's Reorganization Department at (212) 709-6896 or (212) 709-6897, and receipt of such notices shall be confirmed by telephoning (212) 709-6870. Notices to DTC pursuant to Paragraph 2 by mail or by any other means shall be sent to:

Supervisor, Proxy
Reorganization Department
The Depository Trust Company
7 Cannon Square, 23rd Floor
New York, NY 10004-2655

7. Notices to DTC pursuant to Paragraph 3 by teletype shall be sent to DTC's Call Notification Department at (516) 227-4164 or (516) 227-4190. If the party sending the notice does not receive a teletype receipt from DTC confirming that the notice has been received, such party shall telephone (516) 227-4070. Notices to DTC pursuant to Paragraph 3 by mail or by any other means shall be sent to:

Call Notification Department
The Depository Trust Company
711 Stewart Avenue
Garden City, NY 11530-4719

8. Notices to DTC pursuant to Paragraph 4 and notices of other actions (including mandatory tenders, exchanges, and capital changes) by telecopy shall be sent to DTC's Reorganization Department at (212) 709-1093 or (212) 709-1094, and receipt of such notices shall be confirmed by telephoning (212) 709-6884. Notices to DTC pursuant to the above by mail or by any other means shall be sent to:

Manager, Reorganization Department
Reorganization Window
The Depository Trust Company
7 Hanover Square, 23rd Floor
New York, NY 10004-2695

9. Agent must provide DTC, no later than noon (Eastern Time) on the payment date, CUSIP numbers for each issue for which payment is being sent, as well as the dollar amount of the payment for each issue. Notification of payment details should be sent using automated communications.

10. Interest payments and principal payments that are part of periodic principal-and-interest payments shall be received by Cede & Co., as nominee of DTC, or its registered assigns in same-day funds no later than 2:30 p.m. (Eastern Time) on each payment date (in accordance with existing arrangements between Issuer or Agent and DTC). Absent any other arrangements between Issuer or Agent and DTC, such funds shall be wired as follows:

The Chase Manhattan Bank
ABA 021000021
For credit to A/C The Depository Trust Company
Dividend Deposit Account 056-025775

Issuer or Agent shall provide interest payment information to a standard announcement service subscribed to by DTC. In the unlikely event that no such service exists, Issuer agrees that it or Agent shall provide this information directly to DTC in advance of the interest record date as soon as the information is available. This information should be conveyed directly to DTC electronically. If electronic transmission is not available, absent any other arrangements between Issuer or Agent and DTC, such information should be sent by telecopy to DTC's Dividend Department at (212) 709-1723 or (212) 709-1686, and receipt of such notices shall be confirmed by telephoning (212) 709-1270. Notices to DTC pursuant to the above by mail or by any other means shall be sent to:

Manager, Announcements
Dividend Department
The Depository Trust Company
7 Hanover Square, 22nd Floor
New York, NY 10004-2885

11. DTC shall receive maturity and redemption payments allocated with respect to each CUSIP number on the payable date in same day funds by 2:30 p.m. (Eastern Time). Absent any other arrangements between Issuer or Agent and DTC, such funds shall be wired as follows:

The Chase Manhattan Bank
ABA 021000021
For credit to A/C The Depository Trust Company
Redemption Account 056-027306

12. DTC shall receive all reorganization payments and CUSIP-level detail resulting from corporate actions (such as tender offers, recapitalizations, or mergers) on the first payable date in

same-day funds by 2:30 p.m. (Eastern Time). Absent any other arrangements between Issuer or Agent and DTC, such funds shall be wired as follows:

The Chase Manhattan Bank
ABA 021000021
For credit to A/C The Depository Trust Company
Reorganization Account 086-027608

13. DTC may direct Issuer or Agent to use any other telephone number or address as the number or address to which notices or payments of interest or principal may be sent.

14. In the event of a redemption, acceleration, or any other similar transaction (e.g., tender made and accepted in response to Issuer's or Agent's invitation) necessitating a reduction in the aggregate principal amount of Bonds outstanding or an advance refunding of part of the Bonds outstanding, DTC, in its discretion: (a) may request Issuer or Agent to issue and authenticate a new Bond certificate, or (b) may make an appropriate notation on the Bond certificate indicating the date and amount of such reduction in principal except in the case of final maturity, in which case the certificate will be presented to Issuer or Agent prior to payment if required.

15. In the event that Issuer determines that beneficial owners of Bonds shall be able to obtain certificated Bonds, Issuer or Agent shall notify DTC of the availability of Bond certificates. In such event, Issuer or Agent shall issue, transfer, and exchange Bond certificates in appropriate amounts, as required by DTC and others.

16. DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to Issuer or Agent (at which time DTC will confirm with Issuer or Agent the aggregate principal amount of Bonds outstanding). Under such circumstances, at DTC's request Issuer and Agent shall cooperate fully with DTC by taking appropriate action to make available one or more separate certificates evidencing Bonds to any DTC Participant having Bonds credited to its DTC accounts.

17. Issuer: (a) understands that DTC has no obligation to, and will not, communicate to its Participants or to any person having an interest in the Bonds any information contained in the Bond certificate(s); and (b) acknowledges that neither DTC's Participants nor any person having an interest in the Bonds shall be deemed to have notice of the provisions of the Bond certificate(s) by virtue of submission of such certificate(s) to DTC.

18. Nothing herein shall be deemed to require Agent to advance funds on behalf of Issuer.

Notes:

A. If there is an Agent (as defined in this Letter of Representations), Agent, as well as Issuer, must sign this Letter. If there is no Agent, in signing this Letter Issuer must undertake to perform all of the obligations set forth herein.

B. Under Rules of the Municipal Securities Rulemaking Board relating to "good delivery," a municipal securities dealer must be able to determine the date that a series of a partial call or of an advance refunding of a part of an issue is published (the "publication date"). The establishment of such a publication date is addressed in Paragraph 3 of the Letter.

C. Schedule B contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfer of securities distributed through DTC, and certain related matters.

FIRST SUPPLEMENT TO MASTER TRUST INDENTURE

THIS FIRST SUPPLEMENT TO MASTER TRUST INDENTURE dated as of May 1, 2011 between the Board of Trustees of the University of Arkansas (the "Board") and Simmons First Trust Company, N.A. (as successor to Simmons First National Bank), a national banking association organized and existing under the laws of the United States of America with its principal office and place of business in Pine Bluff, Arkansas (the "Trustee");

WITNESSETH:

WHEREAS, the Board and the Trustee have entered into a Master Trust Indenture dated as of November 1, 1996 (the "Original Master Indenture") for the purpose of securing various series of revenue bonds for the Fayetteville campus of the University of Arkansas and to establish the terms and conditions pursuant to which all such series of bonds will be issued; and

WHEREAS, in the Original Master Indenture, the Board represented and warranted that, as of the date thereof, there were no liens against the Pledged Revenues (as defined in the Original Master Indenture), other than the Existing Obligations (as defined in the Original Master Indenture) listed as part of the Permitted Encumbrances (as defined in the Original Master Indenture) in Exhibit B to the Original Master Indenture; and

WHEREAS, the Board has outstanding a \$3,000,000 original principal amount U.S. Department of Education Promissory Note dated August 20, 1992 (the "1992 Note") evidenced by the Security and Pledge Agreement dated August 20, 1992 by and between the Board, acting for the University of Arkansas, Fayetteville, and the United States of America, acting by and through the Secretary of Education; and

WHEREAS, the 1992 Note has a lien on certain dormitory revenues which are included as part of the Pledged Revenues; and

WHEREAS, the 1992 Note was omitted from the list of Existing Obligations set forth on Exhibit B to the Original Master Indenture; and

WHEREAS, all Existing Obligations listed on Exhibit B to the Original Master Indenture have been retired; and

WHEREAS, it is necessary to supplement and amend the Original Master Indenture in order to remove from Exhibit B thereto all listed Existing Obligations which have been retired and to add to Exhibit B thereto the 1992 Note as an Existing Obligation; and

WHEREAS, the Board and the Trustee agree that such supplement and amendment to the Original Master Indenture is necessary to cure an omission from the Original Master Indenture and that such supplement and amendment do not and will not materially adversely affect the owners of any bonds outstanding under the Original Master Indenture;

NOW, THEREFORE, for and in consideration of the issuance of the mutual covenants and benefits exchanged herein and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Board and the Trustee hereby agree as follows:

Section 1. Exhibit B to the Original Master Indenture is hereby supplemented and amended to read as set forth on Exhibit B hereto.

Section 2. The Original Master Indenture, as supplemented hereby, is confirmed and continued for the benefit of the Trustee and the holders of the bonds issued under the Original Master Indenture.

Section 3. If any provision of this First Supplement to Master Trust Indenture shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 4. This First Supplement to Master Trust Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the Board of Trustees of the University of Arkansas and the Trustee have, by their officers duly authorized, entered into this First Supplement to Master Trust Indenture, as of the date and year first above written.

SECOND SUPPLEMENT TO MASTER TRUST INDENTURE

THIS SECOND SUPPLEMENT TO MASTER TRUST INDENTURE dated as of _____, 20__ (this “Supplement”) between the Board of Trustees of the University of Arkansas (the “Board”) and Simmons Bank (as ultimate successor to Simmons First National Bank), a banking association organized and existing under the laws of the State of Arkansas, with its principal office and place of business in Pine Bluff, Arkansas (the “Trustee”);

WITNESSETH:

WHEREAS, the Board and the Trustee have entered into a Master Trust Indenture dated as of November 1, 1996, as supplemented and amended by a First Supplement to Master Trust Indenture dated as of May 1, 2011 (collectively, the “Original Master Indenture”) for the purpose of securing various series of revenue bonds for the Fayetteville campus of the University of Arkansas and to establish the terms and conditions pursuant to which all such series of bonds will be issued; and

WHEREAS, immediately prior to December 1, 2021, the following bond issues were outstanding under the Original Master Indenture:

- (1) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2011A (the “Series 2011A Bonds”);
- (2) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2011B (the “Series 2011B Bonds”);
- (3) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2012A (the “Series 2012A Bonds”);
- (4) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2012B (the “Series 2012B Bonds”);
- (5) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2013A (the “Series 2013 Bonds”);
- (6) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2014A (the “Series 2014A Bonds”);
- (7) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2014B (the “Series 2014B Bonds”);
- (8) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2015A (the “Series 2015A Bonds”);
- (9) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Series 2015B (the “Series 2015B Bonds”);
- (10) the Board’s Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2015C (the “Series 2015C Bonds”);

- (11) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Refunding and Improvement Series 2016A (the "Series 2016A Bonds");
- (12) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Refunding Series 2016B (the "Series 2016B Bonds");
- (13) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Series 2017 (the "Series 2017 Bonds");
- (14) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Tax-Exempt Series 2018A (the "Series 2018A Bonds");
- (15) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Taxable Series 2018B (the "Series 2018B Bonds");
- (16) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Refunding and Improvement Series 2019A (the "Series 2019A Bonds"); and
- (17) the Board's Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2019B (the "Series 2019B Bonds"); and

WHEREAS, on December 1, 2021, the Board issued its Various Facility Revenue Bonds (Fayetteville Campus), Taxable Refunding Series 2021 (the "Series 2021 Bonds") for the purpose of refunding in full the Series 2012A Bonds, the Series 2013 Bonds, the Series 2014A Bonds, and the Series 2015A Bonds; and

WHEREAS, the Series 2021 Trust Indenture dated December 1, 2021 (the "Series 2021 Indenture") executed and delivered in connection with the issuance of the Series 2021 Bonds provides that by their purchase of Bonds issued on and after December 1, 2021 (including the Series 2021 Bonds and each subsequent Series of Bonds), the Owners will be deemed to have consented to the amendments to the Original Master Indenture contained in this Supplement and will be deemed to have waived, with respect to this Supplement, the requirements of Section 1002 of the Original Master Indenture with respect to the approval process for a supplemental indenture; and

NOW, THEREFORE, for and in consideration of the issuance of the mutual covenants and benefits exchanged herein and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Board and the Trustee hereby agree as follows:

Section 1. The second WHEREAS clause of the Original Master Indenture is hereby amended to read as follows:

"WHEREAS, the Board has determined, and hereby finds and declares, that there will be a need from time to time to issue revenue bonds to fund certain capital improvements for, or for the benefit of, UA-Fayetteville (as hereinafter defined), and from time to time to refund certain prior bonds, both in accordance with the purposes set forth in the Act, and that it will be in the best interests of the University to issue certain series of revenue bonds that fund projects for, or for the benefit of, UA-Fayetteville under the terms of a Master Indenture; and"

Section 2. The third WHEREAS clause of the Original Master Indenture is hereby amended to read as follows:

“WHEREAS, in order to secure various series of revenue bonds for, or for the benefit of, UA-Fayetteville (the “Bonds”), and to establish the terms and conditions pursuant to which all such series of Bonds will be issued, it is necessary to adopt a Master Indenture; and”

Section 3. The fifth WHEREAS clause of the Original Master Indenture is hereby amended to read as follows:

“WHEREAS, the Board has determined that there is a need to issue certain revenue Bonds at this time to finance certain projects for, or for the benefit of, UA-Fayetteville, and is, contemporaneously with the execution of this Master Indenture, executing a Series Indenture setting forth in detail the terms of its Series 1996 Bonds; and”

Section 4. The definition of “Master Indenture” in Section 101 of the Original Master Indenture is hereby amended to read as follows:

“‘Master Indenture’ shall mean the Master Trust Indenture, dated as of November 1, 1996, as supplemented by a First Supplement to Master Trust Indenture, dated as of May 1, 2011, and by a Second Supplement to Master Trust Indenture dated as of _____, 20____ [such date to be completed with the date this Supplement is effective and executed], each between the Board and the Trustee, as may be further supplemented and amended from time to time.”

Section 5. The definition of “Other Obligations” in Section 101 of the Original Master Indenture is hereby amended to read as follows:

“‘Other Obligations’ shall mean those types of obligations (i) which may be subsequently issued by UA-Fayetteville or the Board on its own behalf and for its own benefit or on behalf of UA-Fayetteville and for the benefit of UA-Fayetteville, or otherwise, (ii) which are not secured pursuant to this Master Indenture, (iii) but are secured by a subordinate pledge of Pledged Revenues.”

Section 6. The definition of “Permitted Encumbrances” in Section 101 of the Original Master Indenture is hereby amended to read as follows:

“‘Permitted Encumbrances’ shall mean the Existing Obligations and any Other Obligations.”

Section 7. The definition of “UA-Fayetteville” in Section 101 of the Original Master Indenture is hereby amended to read as follows:

“‘UA-Fayetteville’ shall mean the Fayetteville campus of the University of Arkansas, whether such campus facilities are located in the City of Fayetteville, Arkansas or elsewhere.”

Section 8. Section 603 of the Original Master Indenture is hereby amended to read as follows:

“Section 603. Pledged Revenues; Permitted Encumbrances. The Board represents and warrants that as of the date hereof, there are no superior liens against the Pledged Revenues, other than the Existing Obligations listed as part of the Permitted Encumbrances

in Exhibit B hereto. Exhibit B shall be amended from time to time as necessary to remove Existing Obligations that have been repaid in full by the Board. The Board covenants that it shall use due diligence to ensure collection of the Pledged Revenues until all Bonds secured by this Indenture have been retired in full. The Board covenants that it will take all actions necessary to maintain Pledged Revenues at the level necessary to make required debt service payments on all Bonds and Permitted Encumbrances. The Board covenants not to pledge the Pledged Revenues as security for any other indebtedness or borrowing (other than Other Obligations) and not to create or permit the creation of any charges upon, liens against, or encumbrances of any kind (other than Permitted Encumbrances) on the Pledged Revenues, except as permitted to secure additional Bonds as permitted in Section 209 hereof and except for the issuance of Other Obligations, as long as any Bonds are Outstanding, and to promptly discharge all claims and judgments which will become liens against the Pledged Revenues.”

Section 9. Exhibit B to the Original Master Indenture is hereby supplemented and amended to read as set forth on Exhibit B hereto.

Section 10. (a) This Supplement shall not become effective and be executed by the Board and the Trustee until such date that the Board files with the Trustee:

- (i) a certificate stating that the Series 2011A Bonds, the Series 2011B Bonds, the Series 2012B Bonds, the Series 2014B Bonds, the Series 2015B Bonds, the Series 2015C Bonds, the Series 2016A Bonds, the Series 2016B Bonds, the Series 2017 Bonds, the Series 2018A Bonds, the Series 2018B Bonds, the Series 2019A Bonds, and the Series 2019B Bonds (collectively, the “Original Master Indenture Bonds”) have been defeased or retired and are no longer outstanding under the Master Indenture;
- (ii) a certificate stating that the Board is not in default under the Master Indenture or any Series Indenture; and
- (iii) an opinion or opinions of Bond Counsel to the effect that all Original Master Indenture Bonds have been defeased or retired and are no longer outstanding under the Master Indenture.

(b) By their purchase of Bonds issued on and after December 1, 2021 (including the Series 2021 Bonds and each subsequent Series of Bonds), the Owners will be deemed to have consented to the amendments to the Original Master Indenture contained in this Supplement. In addition, by their purchase of Bonds issued on and after December 1, 2021 (including the Series 2021 Bonds and each subsequent Series of Bonds), the Owners will be deemed to have waived, with respect to this Supplement, the requirements of Section 1002 of the Original Master Indenture with respect to the approval process for a supplemental indenture.

Section 11. Capitalized terms used herein and not otherwise defined shall have the meaning assigned thereto in the Original Master Indenture.

Section 12. The Original Master Indenture, as supplemented hereby, is confirmed and continued for the benefit of the Trustee and the holders of the bonds issued under the Original Master Indenture.

Section 13. If any provision of this Supplement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 14. This Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.
