

## Cell and Gene Therapy Expert Call w/ Cell One Partners

AUGUST 23, 2022 | 2:00PM ET

Stephens is hosting a conference call for institutional investors with Strategic Advisors Tony Gringeri, PhD, Rosemary Mazanet, MD, PhD, and Stephen Chang, PhD from Cell One Partners. Cell One Partners is a network of strategic advisors and industry insiders that helps cell and gene therapy companies advance quickly and efficiently towards commercialization.

This call will focus on key cell and gene therapy industry trends, including the industrialization of the industry and outlook for approvals, the current funding backdrop, key bioprocessing, manufacturing, and distribution trends, among other areas.

### About Cell One Partners

Cell One Partners helps cell and gene therapy companies advance quickly and efficiently towards commercialization by offering a hands-on client team and network of strategic advisors and industry insiders with unparalleled depth of experience. They support all aspects of the commercialization pathway including clinical development planning, product pipeline assessment, manufacturing strategy and relationships, management and organization, communications program development and execution, and regulatory and approval pathway development. Strategic Advisors Tony Gringeri, PhD, Rosemary Mazanet, MD, PhD, and Stephen Chang, PhD will be representing Cell One Partners on the call.

**Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.**

**August 23, 2022 | 2:00PM ET**

#### Topics of Discussion:

- High level CGT industry trends: the current funding environment, the outlook for approvals in coming years, and the LT opportunity for cell and gene therapies.
- Industry debates: autologous vs. allogeneic, scale up vs. scale out, insourcing vs. outsourcing.
- Key manufacturing and distribution challenges for the CGT industry and what is necessary to optimize these processes.
- The viral vector industry including supply/demand trends.
