BOOK-ENTRY ONLY

*In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Bonds is excludable from gross income for federal income tax purposes, subject to the condition that the City comply with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Bonds, and the Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxes. In the opinion of Bond Counsel, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, that with respect to certain corporations, interest on the Bonds will be taken into account in determining annual adjusted financial statement income for the purpose of computing the federal alternative minimum tax. See **TAX MATTERS** herein.*

CITY OF BENTONVILLE, ARKANSAS
SALES AND USE TAX BONDS
SERIES 2025

INTRODUCTION TO OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and exhibits hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of the City of Bentonville, Arkansas (the "City") is furnished in connection with the offering by the City of its \$65,895,000 principal amount of Sales and Use Tax Bonds, Series 2025 (the "2025 Bonds"). The 2025 Bonds are being issued for the purpose of financing all or a portion of the costs of various capital improvements for the City (collectively, the "2025 Improvements"), funding a portion of a debt service reserve and paying expenses of issuing the 2025 Bonds. See **THE 2025 BONDS, Purposes for Bonds**.

The City is a city of the first class duly organized under the laws of the State of Arkansas (the "State") and is located in northwestern Arkansas. The City is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes. See **THE CITY AND THE COUNTY**.

The 2025 Bonds are not general obligations of the City, but are special obligations payable solely from collections from a 1% sales and use tax (the "Tax") levied by the City (the "Pledged Revenues"). See **THE TAX** and **THE 2025 BONDS, Security**. The Tax is levied under Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated (the "Tax Legislation") and Ordinance No. 2003-108 of the City adopted June 24, 2003, as amended by Ordinance No. 2021-47 of the City adopted on February 9, 2021 (collectively, the "Tax Ordinance"). The issuance of the 2025 Bonds and the pledging of the Tax to the payment of the principal of and interest on the 2025 Bonds was approved at the special election held April 13, 2021. The 2025 Bonds are being issued on a parity of security with the City's Sales and Use Tax Refunding and Improvement Bonds, Taxable Series 2021A (the "2021A Bonds") and Series 2021B (the "2021B Bonds") and the City's Sales and Use Tax Bonds, Series 2023 (the "Series 2023 Bonds" and collectively with the 2021A Bonds and the 2021B Bonds, the "Parity Bonds"). The 2025 Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 2021-139 of the City, adopted on June 22, 2021, as supplemented by Ordinance No. 2025-85 of the City, adopted on May 13, 2025 (collectively, the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE**.

The City has reserved the right in the Authorizing Ordinance to issue additional bonds on a parity of security with the 2025 Bonds and the Parity Bonds (the "Additional Parity Bonds"). See **THE 2025 BONDS, Security**.

The 2025 Bonds will be initially issued in book-entry form and purchasers of 2025 Bonds will not receive certificates representing their interest in the 2025 Bonds purchased. See **THE 2025 BONDS, Book-Entry Only System**. The 2025 Bonds will contain such other terms and provisions as described herein. See **THE 2025 BONDS, Generally**.

The 2025 Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or an integral multiple thereof. Interest is payable November 1, 2025, and semiannually thereafter on each May 1 and November 1. Unless the 2025 Bonds are in book-entry form, payment of principal of the 2025 Bonds will be made to the owners of the 2025 Bonds at the principal office of Simmons Bank, Pine Bluff, Arkansas, as trustee and paying agent for the 2025 Bonds (the "Trustee"). Interest is payable by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the 2025 Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A 2025 Bond may be transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the 2025

Bond, together with a written instrument of transfer, to the Trustee. See **THE 2025 BONDS**, Generally, and Book-Entry Only System.

The 2025 Bonds are subject to extraordinary redemption from proceeds of the 2025 Bonds not needed for the purposes intended and Surplus Pledged Revenues (as hereinafter defined). The 2025 Bonds are subject to optional redemption on and after November 1, 2030. The 2025 Bonds maturing on November 1, 2040 and on November 1, 2045 are subject to mandatory sinking fund redemption as described herein. The Trustee shall give at least thirty (30) days notice of redemption. See **THE 2025 BONDS**, Redemption.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the 2025 Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, that with respect to certain corporations, interest on the 2025 Bonds will be taken into account in determining annual adjusted financial statement income for the purpose of computing federal alternative minimum tax and (iii) the 2025 Bonds and interest thereon are exempt from all State, county and municipal taxes. See **TAX MATTERS**.

It is expected that the 2025 Bonds will be available for delivery on or about June 24, 2025, through the facilities of the Depository Trust Company in New York, New York.

The City and the Trustee have entered into a Continuing Disclosure Agreement in order to assist the Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance, summarized herein, and the Continuing Disclosure Agreement, are available upon request from Raymond James & Associates, Inc., 1 Information Way, Suite 102, Little Rock, Arkansas 72202, Attention: Public Finance and Crews & Associates, Inc., First Security Center, 521 President Clinton Avenue, Suite 800, Little Rock, Arkansas 72202, Attention: Public Finance

THE 2025 BONDS

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the 2025 Bonds. The 2025 Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2025 Bond certificate for each maturity will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each 2025 Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants'

records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2025 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in 2025 Bonds, except in the event that use of the book-entry system for the 2025 Bonds is discontinued.

To facilitate subsequent transfers, all 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2025 Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the 2025 Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, 2025 Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, 2025 Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriters nor the City make any representation or warranty regarding the accuracy or completeness thereof.

So long as the 2025 Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the 2025 Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the 2025 Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The City and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners

with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the 2025 Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of 2025 Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the 2025 Bonds.

Generally. The 2025 Bonds are dated, mature and bear interest as set forth on the inside front cover of this Official Statement. The principal of the 2025 Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the 2025 Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the City kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The 2025 Bonds are issuable in the form of registered bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any 2025 Bond is mutilated, lost or destroyed, the City shall, if not then prohibited by law, execute and the Trustee may authenticate a new 2025 Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each 2025 Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered 2025 Bond or 2025 Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any 2025 Bond for the privilege of registration, but any owner of any 2025 Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new 2025 Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the City nor the Trustee shall be required to transfer or exchange any 2025 Bond selected for redemption in whole or in part.

The person in whose name any 2025 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest of any 2025 Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such 2025 Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the 2025 Bonds or the date fixed for redemption of any 2025 Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The 2025 Bonds are subject to extraordinary, optional and mandatory sinking fund redemption prior to maturity as follows:

(1) Extraordinary Redemption. The 2025 Bonds shall be redeemed from proceeds of the 2025 Bonds not needed for the purposes intended and Surplus Pledged Revenues (hereinafter defined), at least annually, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine), in whole at any time or in part on any interest payment date, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. The 2025 Bonds, the Parity Bonds and any Additional Parity Bonds shall be redeemed in the order set forth below.

"Surplus Pledged Revenues" are 80% of the Pledged Revenues less the amount necessary to (1) insure the prompt payment of the principal of, interest on and Trustee's fees and expenses and other administrative charges

in connection with the 2025 Bonds, the Parity Bonds and any Additional Parity Bonds, (2) maintain the debt service reserve in the required amount and (3) pay any arbitrage rebate due under Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code").

Surplus Pledged Revenues shall be applied to the redemption of the 2021B Bonds, the 2023 Bonds, the 2025 Bonds and any Additional Parity Bonds ratably (based on relative outstanding principal amounts). In the event of a redemption from Surplus Pledged Revenues, the bonds of a particular series shall be redeemed in inverse order of maturity and by lot within a maturity in such manner as the Trustee shall determine.

In case of any defeasance of the 2025 Bonds, redemption of defeased 2025 Bonds shall be scheduled on the basis of mandatory redemption requirements and assuming annual Tax receipts in an amount equal to receipts for the most recent twelve-month period prior to the defeasance being authorized by the City.

(2) Optional Redemption. The 2025 Bonds are subject to redemption at the option of the City, from funds from any source, on and after November 1, 2030, in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the 2025 Bonds shall be called for redemption, the particular maturities of the 2025 Bonds to be redeemed shall be selected by the City in its discretion. If fewer than all of the 2025 Bonds of any one maturity shall be called for redemption, the particular 2025 Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(3) Mandatory Sinking Fund Redemption. To the extent not previously redeemed, the 2025 Bonds maturing on November 1 in the years 2040 and 2045 are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on November 1 in the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

Series 2025 Bonds Maturing November 1, 2040

<u>Year</u> <u>(November 1)</u>	<u>Principal Amount</u>
2038	\$3,560,000
2039	3,705,000
2040 (maturity)	3,860,000

2043	4,350,000
2044	4,520,000
2045 (maturity)	4,705,000

In the case of any redemption of 2025 Bonds prior to maturity, the Trustee shall mail or send via other standard means, including electronic or facsimile communication, a copy of the redemption notice to the registered owners of the 2025 Bonds to be redeemed, in each case not less than 30 nor more than 60 days prior to the date of redemption. After the date for redemption no further interest shall accrue on any 2025 Bond called for redemption if funds for redemption of such 2025 Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Notwithstanding the above, so long as the 2025 Bonds are issued in book-entry only form, if fewer than all the 2025 Bonds are called for redemption, the particular 2025 Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the 2025 Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Trustee will not give any notice of redemption to the Beneficial Owners of the 2025 Bonds.**

Otherwise, any selection of 2025 Bonds by lot shall be effected by the Trustee, by any method chosen by the Trustee in its discretion.

Street Improvements	\$62,525,418
Park and Recreational Improvements	4,528,657

After the issuance of the 2025 Bonds, all of the voter approved bonds for the Park and Recreational Improvements will have been issued. The balance of the voter-approved bonds for the Street Improvements (approximately \$44,140,000) are expected to be issued as Additional Parity Bonds. The City expects to issue the balance of the voter approved bonds for the Street Improvements as Additional Parity Bonds in November 2026.

The proceeds of the 2025 Bonds are estimated by the City to be used as follows:

SOURCES:

Principal Amount of 2025 Bonds	\$65,895,000
Net Original Issue Premium	<u>1,159,075</u>
Total Sources	\$67,054,075

USES:

Costs of Street Improvements	\$60,009,700
Costs of Park and Recreational Improvements	4,346,462
Debt Service Reserve Deposit	2,060,066
Underwriters' Discount	395,370
Costs of Issuance	<u>242,477</u>
Total Uses	\$67,054,075

The payment of Underwriters' discount and the costs of issuing the 2025 Bonds relating to the payment of professional fees will be contingent on the 2025 Bonds being issued. See **MISCELLANEOUS, Underwriting** for a description of the Underwriters' discount. The City will deposit the net proceeds of the 2025 Bonds (principal amount plus any original issue premium, less any original issue discount and less Underwriters' discount, debt service reserve deposit and certain issuance costs) into two construction funds established by the Trustee (each a "Construction Fund" and collectively, the "Construction Funds"). Moneys contained in each Construction Fund will be disbursed in payment of costs of the respective 2025 Improvements, paying necessary expenses incidental thereto and paying costs of issuance. Each Construction Fund will be designated to reflect the purpose, e.g., Street Construction Fund, and will have deposited therein a pro rata portion of 2025 Bond proceeds based upon principal amount. Moneys in each Construction Fund shall be used only for the specific 2025 Improvements related thereto. Disbursements shall be on the basis of checks or requisitions which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; the account from which the payment is to be made; the purpose by general classification of the payment; and that the payment is a proper charge on the account. For a description of how the 2025 Bond proceeds are to be invested pending use and the provisions governing those investments, see **THE AUTHORIZING ORDINANCE, Investments**.

Security. The 2025 Bonds are not general obligations of the City but are special obligations, equally and ratably secured by a pledge of collections of the Tax ("Pledged Revenues"). Pledged Revenues must first be used to pay when due the principal of and interest on the Parity Bonds, the 2025 Bonds and Additional Parity Bonds, Trustee's fees and expenses and other administrative charges and any arbitrage rebate due under Section 148(f) of the Code, to make mandatory redemptions from Surplus Pledged Revenues and to maintain a debt service reserve at the required level. Any balance may be used by the City for any lawful purpose. The 2025 Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see **THE AUTHORIZING ORDINANCE**.

A debt service reserve will be maintained in the Bond Fund in an amount equal to one-half of the maximum annual debt service requirements on the 2025 Bonds, the Parity Bonds and the Additional Parity Bonds. See **THE AUTHORIZING ORDINANCE, The Bond Fund**. The debt service reserve was initially funded in an amount equal to one-half of the maximum principal annual principal and interest requirements on the 2021A

Bonds and the 2021B Bonds with proceeds of the 2021A Bonds and the 2021B Bonds. The debt service reserve was increased in 2023 to its required level upon the issuance of the 2023 Bonds, with proceeds of the 2023 Bonds. The debt service reserve will be increased to its required level at the time that the 2025 Bonds are issued with proceeds of the 2025 Bonds.

The City covenants that it will not issue any additional bonds, or incur any additional obligations, secured by a lien on the Pledged Revenues, except as hereinafter set forth. The City may issue bonds or incur obligations on a parity with the lien on the Pledged Revenues securing the Parity Bonds and the 2025 Bonds ("Additional Parity Bonds") so long as the City has received collections from the Tax for the 12 month period ending on the last day of the month preceding the date that the Additional Parity Bonds are authorized by the City to be issued, in an amount equal to or in excess of 125% of the maximum annual debt service for the Parity Bonds, the 2025 Bonds, any outstanding Additional Parity Bonds and the Additional Parity Bonds proposed to be issued. Notwithstanding the above, nothing herein shall be construed to prohibit the City from refunding any Bonds and pledging the Pledged Revenues to the refunding bonds on a parity with the non-refunded bonds and such refunding bonds shall be a part of the Additional Parity Bonds hereunder.

THE TAX

Generally. Pursuant to the Tax Legislation and the Tax Ordinance, the City has levied the Tax, which is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the Authorizing Ordinance, the City has pledged the Tax receipts to the payment of the 2025 Bonds on a parity with the Parity Bonds. The Tax was approved as security for the 2025 Bonds and the Parity Bonds at the special election held April 13, 2021. The Tax expires on December 31, 2046.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by the State and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within one year from the date of purchase or one year from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax.

Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than \$100 per item), clothing accessories or equipment (which are less than \$50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday.

Set forth in Exhibit A attached hereto is a summary of certain provisions of the statutes authorizing the Tax. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Revenue Fund. See **THE AUTHORIZING ORDINANCE, The Revenue Fund.**

Historical Tax Receipts. Collections of the Tax have been as follows since 2020:

<u>Year</u>	<u>Tax Collections</u>
2020	\$16,337,530
2021	20,948,388
2022	22,785,689
2023	28,836,997
2024	26,029,919

Collections of the Tax for the twelve-month periods ending April 30 have been as follows for the past six years:

<u>Period (Ended April 30)</u>	<u>Tax Collections</u>
2020	\$16,070,680
2021	17,728,605
2022	21,640,587
2023	24,229,782
2024	28,277,015
2025	27,678,399

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the City, which activity is generally dependent upon economic conditions within the City. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the Tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The City has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the City cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the 2025 Bonds.

The United States Supreme Court held in *S. Dakota v. Wayfair, Inc.*, No. 17-494, 2018 WL 3058015 (U.S. June 21, 2018) that in certain circumstances retailers can be required to collect sales tax even in states where they have no physical presence. The Arkansas General Assembly passed Act 822 of 2019, which was signed by the Governor of the State on April 9, 2019, that requires out-of-state sellers without a physical presence in the State to collect and remit sales and use taxes to the State on annual sales of more than \$100,000 from products and services delivered into the State. Alternatively, such sellers would be required to collect and remit sales and use taxes to the State if sales of products and services for delivery in the State consist of 200 or more transactions. These thresholds are identical to those imposed by the United States Supreme Court in *S. Dakota v. Wayfair, Inc.*

THE AUTHORIZING ORDINANCE

This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. **Unless the context clearly indicates otherwise, all references under this heading to the "Bonds" shall include the Parity Bonds, the 2025 Bonds and the Additional Parity Bonds.** The City will covenant as set forth below in the Authorizing Ordinance.

(b) There shall be established and maintained in the Bond Fund a Debt Service Reserve Account in an amount equal to one-half of the maximum annual debt service requirement on the Bonds (the "required level"). The City shall calculate the required level for the Debt Service Reserve Account from time to time as the Bonds are issued and fund any increases at those times. Moneys in the Debt Service Reserve Account shall be used to make the payments required by clauses (1) and (2) of paragraph (a) above if moneys in the Bond Fund are not otherwise sufficient for that purpose. Moneys in the Debt Service Reserve Account over and above the required level shall be immediately transferred from the Debt Service Reserve Account into the Debt Service Account in the Bond Fund.

(c) When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of all the Bonds then outstanding, (2) interest on the Bonds until the next interest payment date, (3) the Trustee's fees and expenses and other administrative charges, and (4) any arbitrage rebate due the United States Treasury under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Pledged Revenues remaining in the Bond Fund after the principal of, premium, if any and interest on the Bonds have been paid may be used by the City for any lawful purpose.

(e) The Trustee shall so invest and reinvest pursuant to the direction of the City and in the Trustee's discretion in the absence of any direct instructions from the City.

(f) "Permitted Investments" are defined to mean:

(a) Direct or fully guaranteed obligations of the United States of America ("Government Securities");

Certain Covenants. The City covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the 2025 Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the 2025 Bonds or Pledged Revenues directly or indirectly in such manner as to cause the 2025 Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the improvements financed by the proceeds of the 2025 Bonds or the proceeds of the 2025 Bonds in such manner as to cause the 2025 Bonds to be private activity bonds within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of Tax, as therein specified and covenanted, the segregating of the Pledged Revenues and the applying of the Pledged Revenues as provided in the Authorizing Ordinance.

(d) It will make any arbitrage rebate payment due the United States under Section 148(f) of the Code from moneys in the Bond Fund.

Defaults and Remedies. (a) If there be any default in the payment of the principal of and interest on the Bonds, or if the City defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of the owners of not less than 25% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the City and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 25% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

(c) All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

(d) No remedy conferred upon or reserved to the Trustee or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) The Trustee may, and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Defeasance. The Bonds shall be deemed paid when there has been deposited with the Trustee in the Bond Fund an amount sufficient to pay the principal or redemption price of and interest on the Bonds to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee cash sufficient to make such payment and/or non-callable Government Securities maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses or provision has been made therefor, if any arbitrage rebate payment has been paid to the United States or provision made therefor, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled, (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds and any rebate due the United States, to be paid over or delivered to or at the direction of the City.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the owners of not less than 25% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the City, and the owners of the Bonds, and either the City, so long as it is not in default under the Authorizing Ordinance, or the majority in principal amount of the owners of the outstanding Bonds may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, the City shall forthwith designate a new Trustee. Every successor Trustee shall be a trust company or bank duly authorized to exercise trust powers and subject to examination by federal or state authority, having a reported capital and surplus of not less than \$50,000,000. The preceding criteria may be met by a parent corporation if the parent corporation has guaranteed the obligations of the successor trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree.

Such written acceptance shall be filed with the City and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the City and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding, shall have the right, from time to time, to consent to and approve the adoption by the City of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding (i) that the Trustee determines is not to the material prejudice of the owners of the Bonds, (ii) in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto or (iii) in connection with the issuance of the Additional Parity Bonds, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of Pledged Revenues superior to the pledge created by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

CONTINUING DISCLOSURE

In the past five years, the City has been a party to certain continuing disclosure agreements in connection with its outstanding bonds. Such agreements require the City to file annual reports with the Municipal Securities Rulemaking Board on its Electronic Municipal Market Access system ("EMMA") within the time periods set forth in the agreements. The following summarizes a non-exhaustive discussion of the City's compliance with its continuing disclosure obligations over the past five years.

As part of each annual report, the City has been obligated to file annual audited financial statements of the City's general purpose funds or the City's electric, water and sewer system, both of which are contained in the City's Annual Comprehensive Financial Report ("ACFR"). The City filed the ACFR on EMMA on a timely basis during each of the past five years.

All of the continuing disclosure agreements require that certain supplemental financial and operating data be provided as part of the annual report. The supplemental data to be provided varies depending on the type of bond issue and how each is secured.

For bond issues secured by sales and use taxes, the supplemental data was filed on EMMA in a timely manner for each of the past five years. The supplemental data, however, failed to include all of the required information each year. The City filed on EMMA a notice of failure to file; however, such notice was not timely filed and it was not filed on all applicable CUSIPs.

For bond issues secured by electric, water and sewer revenues, the supplemental data was filed on EMMA in a timely manner for each of the past five years. The supplemental data, however, failed to include all of the required information each year. A notice concerning such failures was not filed on EMMA.

The continuing disclosure agreements also obligated the City to file a notice of the occurrence of any event listed in Securities and Exchange Commission, Rule 15c2-12(b)(5). The City has timely filed on EMMA a notice of each occurrence of any listed event.

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the City and the Trustee may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the 2025 Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the 2025 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the 2025 Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with

the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the 2025 Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason of the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the City shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

A default under the Continuing Disclosure Agreement shall not be deemed a default under the Authorizing Ordinance, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Trustee and Dissemination Agent and Right of Indemnity. The Dissemination Agent (if other than the Trustee) and the Trustee in its capacity as Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the City, the Trustee, the Dissemination Agent, the Underwriter and the Beneficial Owners and shall create no rights in any other person or entity.

DEBT SERVICE COVERAGE

Set forth below is estimated debt service coverage information for the 2025 Bonds. In arriving at the estimate of annual Pledged Revenues for this calculation, the City examined the collections of the Tax for the twelve-month period ended April 30, 2025.

Actual Tax receipts collected by the City will depend upon, among other things, the level of retail activity within the City, the economic health of the City and surrounding trade area, possible future actions by the people of the State or General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate and there can be no assurance that future Tax receipts will equal the estimate shown below. See **THE TAX, Future Tax Receipts**.

The City currently estimates that the remaining authorized, but not issued, bonds for the Street Improvements (approximately \$44,140,000) will be issued as Additional Parity Bonds in November 2026. There is no assurance that Additional Parity Bonds will be issued in such amount or at such time.

Based upon the pledge of 100% of estimated Pledged Revenues, debt service coverage is as follows:

Estimated Pledged Revenues Available for Debt Service ^(A)	\$27,678,399
Maximum Annual Debt Service for Parity Bonds and the 2025 Bonds ^(B)	11,751,225
Debt Service Coverage ^(A/B)	2.36x

The following tables show amounts required to pay scheduled principal and interest on the 2025 Bonds during each year. However, the City expects to retire the 2025 Bonds earlier than scheduled from Surplus Pledged Revenues through the use of redemption of the 2025 Bonds. See **THE 2025 BONDS**, Redemption and **PROJECTED MANDATORY REDEMPTION**.

PROJECTED MANDATORY REDEMPTION

The table under the caption **DEBT SERVICE REQUIREMENTS** does not reflect possible redemptions from Surplus Pledged Revenues, if available. Surplus Pledged Revenues are 80% of the Pledged Revenues less the amounts needed to pay principal of, interest on, and Trustee's fees and expenses and administrative charges in connection with the Parity Bonds, the 2025 Bonds and Additional Parity Bonds when due, maintain the debt service reserve in the required amount and to pay any arbitrage rebate due under Section 148(f) of the Code. Based upon collections of the Tax for the twelve-month period ended April 30, 2025, the City estimates the Pledged Revenues will be available in the amount of \$27,678,399. The City has also assumed that Additional Parity Bonds will be issued in November 2026 in the aggregate principal amount of approximately \$44,140,000 with scheduled principal due annually from 2027 through 2045 and an average coupon rate of 5.50%. **THERE IS NO GUARANTEE THAT THESE ESTIMATES WILL BE ACCURATE.** See **THE TAX, Future Tax Receipts**. The 2025 Bonds would be paid in full by May 1, 2035 from Surplus Pledged Revenues, if these estimates are correct, as follows:

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the 2025 Bonds, or questioning or affecting the legality of the Tax or the 2025 Bonds or the proceedings and authority under which the 2025 Bonds are to be issued, or questioning the right of the City to adopt the Authorizing Ordinance or to issue the 2025 Bonds or the levy and pledge of the Tax by the City.

Legal Opinions. Legal matters incident to the authorization and issuance of the 2025 Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel. A form of Bond Counsel's approving opinion is attached hereto as Exhibit B.

TAX MATTERS

State Taxation. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law the interest on the 2025 Bonds is exempt from all Arkansas state, county and municipal taxes.

Federal Taxation. In the opinion of Bond Counsel, interest on the 2025 Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, such interest will be taken into account in determining annual adjusted financial statement income for the purpose of computing the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the 2025 Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the 2025 Bonds and the 2025 Improvements. Failure to comply with certain of such requirements could cause the interest on the 2025 Bonds to be so included in gross income retroactive to the date of issuance of the 2025 Bonds. The City has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the 2025 Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the 2025 Bonds, (ii) interest on the 2025 Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the 2025 Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the 2025 Bonds.

Prospective purchasers of the 2025 Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the 2025 Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the 2025 Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

As shown on the inside front cover of this Official Statement, certain of the 2025 Bonds are being sold at an original issue discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth on the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

As shown on the inside front cover of this Official Statement, certain of the 2025 Bonds are being sold at an original issue premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the 2025 Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the 2025 Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any legislative proposals or clarification of the Code or court decisions may affect, perhaps significantly, the market price for, or marketability of, the 2025 Bonds. Prospective purchasers of the 2025 Bonds should consult their own tax advisors regarding any proposed or enacted federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the 2025 Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the City, as issuer, and Raymond James & Associates, Inc. and Crews & Associates, Inc., as underwriters (the "Underwriters"), the 2025 Bonds are being purchased at a price of \$66,658,705.35 (principal amount less Underwriters' discount of \$395,370 plus net original issue premium of \$1,159,075.35). The Agreement provides that the Underwriters will purchase all of the 2025 Bonds if any are purchased. The obligation of the Underwriters to accept delivery of the 2025 Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the 2025 Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the City.

The Underwriters intend to offer the 2025 Bonds to the public initially at the offering prices set forth on the inside front cover of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriters reserve the right to join with dealers and other underwriters in offering the 2025 Bonds to the public. The Underwriters may offer and sell Bonds to certain dealers

(including dealers depositing 2025 Bonds into investment trusts) at prices lower than the public offering price.

Financial Advisor. Stephens Inc. is employed by the City to perform professional services in the capacity of financial advisor. In its role as financial advisor to the City, Stephens Inc. has provided advice on the plan of financing and structure of the 2025 Bonds, and reviewed certain legal and disclosure documents, including this Official Statement, for financial matters. Stephens Inc. has not independently verified the factual information contained in this Official Statement, but relied on the information supplied by the City and other sources and the City's certification as to the Official Statement.

Mark C. Doramus, Chief Financial Officer of Stephens Inc., serves on the Board of Directors of Simmons Bank, the Trustee.

Rating. S&P Global Ratings ("S&P") has assigned its municipal bond rating of "AA-" (stable outlook) to the 2025 Bonds. Any explanation of such rating may only be obtained from S&P. Generally, rating agencies base their ratings upon information and materials supplied to them and on their own investigations, studies and assumptions. There is no assurance that such ratings, once assigned, will remain for any given period of time or that it will not be lowered or withdrawn entirely by the rating agency if in its judgment circumstances so warrant. Any such downward change or withdrawal of the rating assigned to the 2025 Bonds by S&P may have an adverse effect on the market price of the 2025 Bonds. The Underwriters and the City have undertaken no responsibility after issuance of the 2025 Bonds to assure the maintenance of the rating or to oppose any such revision or withdrawal.

Enforceability of Remedies. Rights of the registered owners of the 2025 Bonds and the enforceability of the remedies available under the Authorizing Ordinance may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Authorizing Ordinance resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect. The City is authorized by State law to file for bankruptcy under the United States Bankruptcy Code.

Information in Official Statement. Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or owners of any of the 2025 Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The execution of this Official Statement has been duly authorized by the City.

Re: \$65,895,000 City of Bentonville, Arkansas Sales and Use Tax Bonds, Series 2025

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by the City of Bentonville, Arkansas (the "City") of \$65,895,000 City of Bentonville, Arkansas Sales and Use Tax Bonds, Series 2025 (the "Bonds"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion, including particularly a certified copy of Ordinance No. 2021-139 of the City adopted on June 22, 2021, as supplemented by Ordinance No. 2025-85 of the City adopted on May 13, 2025 authorizing the issuance of the Bonds (collectively, the "Authorizing Ordinance"), and Ordinance No. 2003-108 of the City adopted on June 24, 2003, as amended by Ordinance No. 2021-47 of the City adopted on February 9, 2021 (collectively, the "Tax Ordinance"), levying a 1% sales and use tax within the City (the "Tax").

As to questions of fact material to our opinion we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify such facts by independent investigation.

Based on our examination, we are of the opinion, as of the date hereof and under existing law, as follows:

1. The Bonds have been lawfully authorized and issued under the Constitution and laws of the State of Arkansas now in force, including particularly Amendment No. 62 to the Constitution of the State of Arkansas and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated, and are valid and binding obligations of the City enforceable in accordance with their terms.

2. The Bonds are not general obligations of the City but are special obligations payable from and secured by a pledge of collections of the Tax duly levied by the City under the authority of the Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated and the Tax Ordinance on a parity with the City's Sales and Use Tax Refunding and Improvement Bonds, Taxable Series 2021A and Series 2021B and the City's Sales and Use Tax Bonds, Series 2023. The Bonds are not secured by any lien on or security interest in any physical properties of the City.

3. The interest on the Bonds (including any original issue discount properly allocable thereto) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, such interest will be taken into account in determining annual adjusted financial statement income for the purpose of computing the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. The City has covenanted in the Authorizing Ordinance to comply with all such requirements. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross

income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

4. The Bonds and income thereon are exempt from all Arkansas state, county and municipal taxes.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Sincerely yours,

FRIDAY, ELDREDGE & CLARK, LLP
