About Installed Building Products

Installed Building Products, headquartered in Columbus, OH, is the second largest new residential insulation installer in the U.S. with a national platform of over 190 locations in 48 states and D.C. IBP also installs garage doors, shower doors, shelving and mirrors, rain gutters, and other building products. Insulation represents approx. 64% of net revenue and approx. 63% of net revenue is tied to new single family residential completions.
