## About LendingPoint

LendingPoint is a fintech platform that provides financing solutions for consumers, e-commerce and point-of-sale partners, and lending institutions. The company's fraud prevention, risk and asset management algorithms are used to create financing opportunities across the credit spectrum. Its LendingPoint Merchant Solutions platform provides ecommerce platforms, merchants, and other service providers fully integrated, one-stop financing solutions to convert more customers. LendingPoint was founded in 2014 and is based in Kennesaw, Georgia.
