

NEW ISSUE - Book-Entry Only

RATING - Moody's: "Aaa"
(See "RATING" herein)

In the opinion of Butler Snow LLP, Bond Counsel, under existing statutes, regulations, published rulings and judicial decisions, interest on the Series 2022A Bonds described herein is excludable from gross income of the owners thereof for federal income tax purposes. Interest on the Series 2022A Bonds is not a separate tax preference item for purposes of the federal alternative minimum tax. See "TAX MATTERS" for information regarding assumptions as to compliance with the Internal Revenue Code of 1986, as amended (the "Code"), upon which the foregoing opinions are based. In the further opinion of Bond Counsel, under present law, interest on the Series 2022AB Bonds is exempt under the Act (as defined herein) from taxes directly imposed by the State of Mississippi, except for estate or gift taxes and taxes on transfers.

Series 2022A (Non-AMT) (Social Bonds)

\$4,000,000

MISSISSIPPI HOME CORPORATION
Single Family Mortgage Revenue Refunding Bonds
Series 2022B (Federally Taxable)

Dated: Date of Initial Delivery

Due: As shown on inside cover

The above described Series 2022A Bonds and Series 2022B Bonds (collectively, the "Series 2022AB Bonds") are issuable by the Mississippi Home Corporation (the "Corporation") only as fully registered bonds, without coupons, in denominations of \$5,000 each or any integral multiple thereof. The Series 2022AB Bonds will be issued by means of a book-entry only system evidencing ownership and transfer of Series 2022AB Bonds on the records of The Depository Trust Company ("DTC") and its participants. Purchasers of the Series 2022AB Bonds will not receive certificates representing their interest in the Series 2022AB Bonds. The principal of, premium, if any, and interest on the Series 2022AB Bonds are payable by Hancock Whitney Bank, Jackson, Mississippi, as Trustee, to DTC, or its nominee, Cede & Co., which will in turn remit such principal, premium, if any, and interest to its Direct Participants, which will in turn remit such principal, premium, if any, and interest to the Indirect Participants or the Beneficial Owners of the Series 2022AB Bonds, as described herein. See "THE SERIES 2022AB BONDS – Book-Entry Only System." Interest on the Series 2022AB Bonds is payable each June 1 and December 1, commencing June 1, 2022.

The Series 2022AB Bonds constitute parity obligations, equally and ratably secured with outstanding Single Family Mortgage Revenue Bonds previously issued or to be issued by the Corporation under its Single Family Mortgage Bond Resolution adopted by the members of the Corporation on July 15, 2009, as amended and supplemented (the "General Bond Resolution"). The Series 2022A Bonds are being issued to provide the Corporation funds to finance the purchase of (a) Ginnie Mae Certificates,

(b) Fannie Mae Securities, (c) Freddie Mac PCs, (d) Uniform Mortgage-Backed Securities, each as defined herein and collectively, the "Program Securities," and (e) subordinate loans to mortgagors, the proceeds of which will be used to provide down payment assistance on financed single family residences (the "Second Mortgage Loans"). Both the mortgage loans which back the Program Securities and the Second Mortgage Loans will be made to qualified persons or families of low or moderate income to finance the purchase of single family residences in the State of Mississippi. The Series 2022B Bonds are being issued to provide the Corporation funds to finance the current refunding of certain prior obligations of the Corporation as described herein (collectively, the "Refunded Bonds"). As a result of the refunding of the Refunded Bonds certain Program Securities currently allocable to the Refunded Bonds will become allocated to the Series 2022AB Bonds on the date of the refunding and payment of the Refunded Bonds. See "REFUNDING PLAN."

The Series 2022AB Bonds are subject to redemption prior to maturity, including optional and mandatory redemption at par, as more fully described herein. See "THE SERIES 2022AB BONDS – Redemption Provisions."

THE SERIES 2022AB BONDS ARE LIMITED OBLIGATIONS OF THE CORPORATION PAYABLE SOLELY AS PROVIDED IN THE CORPORATION RESOLUTION (AS DESCRIBED HEREIN). THE SERIES 2022AB BONDS DO NOT CONSTITUTE AN OBLIGATION, EITHER GENERAL OR SPECIAL, OF THE STATE OF MISSISSIPPI, ANY MUNICIPALITY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF MISSISSIPPI. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF MISSISSIPPI OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED FOR PAYMENT OF THE SERIES 2022AB BONDS. THE CORPORATION HAS NO TAXING POWER. THE SERIES 2022AB BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY THEREOF, OR GINNIE MAE, FANNIE MAE OR FREDDIE MAC AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

The Series 2022AB Bonds are offered for delivery when, as and if issued by the Corporation, subject to receipt of an approving opinion by Butler Snow LLP, Ridgeland, Mississippi, Bond Counsel. Certain legal matters will be passed upon for the Corporation by its counsel, Balch & Bingham LLP, Jackson, Mississippi. Certain legal matters will be passed upon for the Underwriters by their counsel, Jones Walker LLP, Jackson, Mississippi. Government Consultants, Inc., Madison, Mississippi, is the independent registered municipal advisor to the Corporation. It is expected that the Series 2022AB Bonds will be available for delivery through the facilities of DTC on or about January 26, 2022.

INTRODUCTION

This Official Statement of the Mississippi Home Corporation (the “Corporation”) is provided for the purpose of setting forth certain information in connection with the issuance by the Corporation of its \$70,675,000 Single Family Mortgage Revenue Bonds, Series 2022A (Non-AMT) (Social Bonds) (the “Series 2022A Bonds”), and its \$4,000,000 Single Family Mortgage Revenue Refunding Bonds, Series 2022B (Federally Taxable) (the “Series 2022B Bonds”; and together with the Series 2022A Bonds, the “Series 2022AB Bonds”). The Series 2022AB Bonds will be issued pursuant to the provisions of the Mississippi Home Corporation Act, Sections 43-33-701 et seq., Mississippi Code of 1972, as amended (the “Act”), the Single Family Mortgage Revenue Bond Resolution of the Corporation adopted by the members of the Corporation on July 15, 2009, as amended and supplemented (the “General Bond Resolution”), and the Single Family Mortgage Revenue Bond Series 2022AB Resolution of the Corporation adopted December 8, 2021 authorizing the sale and issuance of the Series 2022AB Bonds (the “Series 2022AB Resolution,” and together with the General Bond Resolution, the “Corporation Resolution”). Certain capitalized terms used in this Official Statement and not otherwise defined shall have the definitions ascribed to them under the heading “**APPENDIX A - DEFINITIONS OF CERTAIN TERMS.**”

The Series 2022AB Bonds rank on parity with the outstanding principal amount of Single Family Mortgage Revenue Bonds previously issued by the Corporation under the General Bond Resolution (the “Prior Bonds”). There are eighteen (18) series of Prior Bonds outstanding under the General Bond Resolution in the aggregate principal amount, as of September 30, 2021, of \$489,312,608. See “**SECURITY FOR THE BONDS - Additional Parity Bonds**” and **APPENDIX H - BONDS OUTSTANDING UNDER THE GENERAL BOND RESOLUTION** herein for additional information. The Series 2022AB Bonds, the Prior Bonds and any additional parity obligations issued pursuant to the General Bond Resolution (collectively, the “Bonds”) are equally and ratably secured under the General Bond Resolution. Hancock Whitney Bank, Jackson, Mississippi (the “Trustee”), has been appointed by the Corporation under the General Bond Resolution as Trustee for the Bonds.

The Corporation is authorized to issue Bonds under the General Bond Resolution to refund prior obligations of the Corporation and to make moneys available to finance (a) the purchase of (i) fully modified mortgage-backed securities (the “Ginnie Mae Certificates”), guaranteed as to timely payment of monthly principal and interest by the Government National Mortgage Association (“Ginnie Mae”), backed by pools of qualifying FHA insured, VA guaranteed or USDA/RD guaranteed Mortgage Loans, (ii) mortgage backed securities (the “Fannie Mae Securities”) guaranteed as to timely payment of monthly principal and interest by the Federal National Mortgage Association (“Fannie Mae”), backed by pools of qualifying conventional Mortgage Loans, (iii) participation certificates (the “Freddie Mac PCs”), guaranteed as to timely payment of monthly principal and interest by the Federal Home Loan Mortgage Corporation (“Freddie Mac”), backed by pools of qualifying conventional Mortgage Loans, and (iv) single mortgage-backed securities known as Uniform Mortgage-Backed Securities (“UMBS” or “Uniform Mortgage-Backed Securities”), guaranteed by either Fannie Mae or Freddie Mac depending upon the issuer of such UMBS, with characteristics similar to Fannie Mae Securities, each of which is backed by interest

bearing mortgage loans (the “Mortgage Loans”) made to qualified Mortgagors for the purchase of owner occupied, single family residences located in the State of Mississippi (the “State”) and (b) the purchase of subordinate Second Mortgage Loans that will be secured by a Second Mortgage on the acquired Residential Housing Unit. The Ginnie Mae Certificates, Fannie Mae Securities, Freddie Mac PCs, and UMBS are referred to herein, collectively, as “Program Securities.”

The Series 2022A Bonds are being issued to provide funds to finance (a) the purchase of approximately \$71,556,000 of Program Securities (the “Series 2022A New Money Program Securities”) backed by pools of Mortgage Loans made to Mortgagors for the purpose of financing owner-occupied, single family residences located in the State (the “Series 2022A First Mortgage Loans”), and (b) subordinate loans made from the Corporation to Mortgagors of approximately \$3,444,000 (the “Series 2022A Second Mortgage Loans,” and together with the Series 2022AB Program Securities, the “Series 2022A Program Obligations”), which Series 2022A Second Mortgage Loans will be used to provide down payment assistance to Mortgagors of the related single family residence. The Series 2022B Bonds are being issued to provide funds to currently refund in their entirety on or before March 1, 2022, the Corporation’s outstanding \$38,070,000 (original aggregate principal amount) Single Family Mortgage Revenue Refunding Bonds, Series 2013A (Federally Taxable – Monthly Pass-Through) dated June 27, 2013 (the “Refunded Bonds”).

As a result of refunding the Refunded Bonds, certain of the Ginnie Mae Certificates and Fannie Mae Securities currently allocable to the Refunded Bonds (the “Transferred Program Securities”) will become allocated to and provide security for the Bonds, including the Series 2022AB Bonds, on the date the proceeds of the Series 2022AB Bonds are used to provide payment for the redemption of the Refunded Bonds. As of November 30, 2021, the Transferred Program Securities consist of Ginnie Mae Certificates and Fannie Mae Securities in an aggregate outstanding principal amount of approximately \$10,250,000 with a weighted average Pass Through Rate of 5.99%. See **APPENDIX E - TRANSFERRED PROGRAM SECURITIES** for a list of the expected Transferred Program Securities.

The Series 2022A New Money Program Securities and the Transferred Program Securities are together the “Series 2022AB Program Securities.”

The Series 2022AB Program Securities will bear interest at fixed interest rates with level monthly payments of principal and interest. The Series 2022A First Mortgage Loans will be originated by certain participating mortgage lending institutions (the “Lenders”) to qualified persons or families of low or moderate income, to finance the purchase of single family residences in the State. Mortgage Loans will be originated pursuant to the Mortgage Origination Agreements, as the same may be amended from time to time (collectively, the “Origination Agreements”), entered into by and among the Corporation, each Lender and the mortgage servicing institution (which may be such Lender) designated by the related Lender (each, a “Servicer”).

The Mortgage Loans which back the Program Securities pledged under the General Bond Resolution are serviced by the applicable Servicer pursuant to the terms of the related Mortgage Servicing Agreement, as the same may be amended from time to time (collectively, the “Servicing Agreements”), by and between the Corporation and each Servicer. Each Servicer servicing Mortgage Loans which back Ginnie Mae Certificates must be a Ginnie Mae approved issuer servicer of FHA insured, VA guaranteed and USDA/RD guaranteed Mortgage Loans and an authorized issuer of Ginnie Mae Certificates. Each Servicer servicing Mortgage Loans which back Fannie Mae Securities must be a Fannie Mae-approved seller servicer of Fannie Mae Securities. Each Servicer servicing Mortgage Loans which back Freddie Mac PCs must be a Freddie Mac-approved seller-servicer of Freddie Mac PCs.

Series 2022A Second Mortgage Loans will be made to Mortgagors in connection with the making of a related Series 2022A First Mortgage Loan. Series 2022A Second Mortgage Loans will be secured by a Second Mortgage on the acquired Residential Housing Unit, will be subordinate to the related Series

2022A First Mortgage Loan, and may be subordinate to other mortgages on the real property that are included in the Mortgagor's financing of the acquisition of the financed Residential Housing Unit. Second Mortgage Loans will have a term of ten years, will be non-interest bearing loans, and may be subject to automatic reductions in principal upon the occurrence of certain specified events, as appropriate, pursuant to the Corporation's Program and the Corporation's objectives to be accomplished through the delivery of such Second Mortgage Loans. Second Mortgage Loans are not required by the Corporation to be insured or guaranteed pursuant to any federal or private mortgage insurance or guaranty program. The Corporation expects that Second Mortgage Loans in connection with the Series 2022A Bonds will be provided in the form of a Series 2022A Second Mortgage Loan and will be made by a Lender to each Mortgagor in the amount of \$7,000. The Corporation will use a portion of the proceeds of the Series 2022A Bonds to reimburse each Lender for each Series 2022A Second Mortgage Loan advance when the Corporation physically receives all required Program documentation from such Lender.

It is the initial intention of the Corporation that no principal on the Second Mortgage Loans will be due thereon during the ten (10) year term of such Second Mortgage Loan unless (i) the Residential Housing Unit purchased with the related Series 2022A First Mortgage Loan is sold during such period, (ii) the Series 2022A First Mortgage Loan related to the Second Mortgage Loan is refinanced, (iii) the Residential Housing Unit ceases to be the Mortgagor's primary residence, or (iv) there is a default under the Series 2022A First Mortgage Loan related to the Second Mortgage Loan. If none of the events described in the preceding sentence occur during the ten (10) year term of the Second Mortgage Loan, 100% of the original principal of the related Second Mortgage Loan will be forgiven and satisfied by the Corporation on the tenth anniversary of the origination of the Second Mortgage Loan; *provided, however*, that in the event of certain Mortgage Loan refinancings the Corporation, in its sole discretion, reserves the right to allow a Second Mortgage Loan to remain outstanding but subordinate to any new mortgage made in connection with such refinancing. If the Corporation determines to maintain an outstanding Second Mortgage Loan when a Mortgage Loan is refinanced, such Second Mortgage Loan will continue to provide security for the Bonds, and any repayment of principal of the Second Mortgage Loan prior to the forgiveness thereof will be paid to the Trustee as a Principal Receipt.

Until the principal of a Series 2022A Second Mortgage Loan is completely forgiven, the Series 2022A Second Mortgage Loan will be a "Second Mortgage Loan" for purposes of the Series 2022AB Resolution and any repayment of principal thereof will provide security for Bonds issued under the General Bond Resolution. Any principal repayments on the Series 2022A Second Mortgage Loans received by the Trustee as a result of the occurrence of any of the events listed in (i) through (iv) in the immediately preceding paragraph will constitute a "Principal Receipt" and will be applied by the Trustee under the Series 2022AB Resolution as provided herein under "**SECURITY FOR THE BONDS.**"

The Series 2022A Bonds are designated as "Social Bonds". See "**DESIGNATION OF THE SERIES 2022A BONDS AS SOCIAL BONDS**" herein.

Brief descriptions of the Series 2022AB Bonds, the security for the Bonds, the Ginnie Mae Program, the Fannie Mae Program, the Freddie Mac Program, the Corporation Resolution and the Corporation are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entireties by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the Series 2022AB Bonds are further qualified in their entireties by reference to the forms of the Series 2022AB Bonds included in the Corporation Resolution and the provisions with respect thereto included in the aforesaid documents, copies of which are available for inspection at the corporate trust office of the Trustee in Jackson, Mississippi.

THE SERIES 2022AB BONDS

Description of the Series 2022AB Bonds

Individual purchases of the Series 2022AB Bonds will be made in denominations of \$5,000 or any integral multiple thereof. All individual purchases of the Series 2022AB Bonds will be made in book-entry only form. Purchasers of the Series 2022AB Bonds will not receive certificates representing their interests in the Series 2022AB Bonds. The Series 2022AB Bonds will mature on the dates and bear interest at the rates shown on the inside cover of this Official Statement. Interest on the Series 2022AB Bonds shall be payable by the Trustee to The Depository Trust Company (“DTC”), New York, New York, or its nominee, Cede & Co., as registered owner of the Series 2022AB Bonds, on June 1 and December 1 of each year, commencing June 1, 2022 (each an “Interest Payment Date”). Interest shall be calculated on the basis of a 360-day year of twelve (12) thirty (30) day months. Principal of and premium, if any, on the Series 2022AB Bonds are payable by the Trustee to DTC upon constructive surrender by DTC of the Series 2022AB Bonds at the principal corporate trust office of the Trustee. See “**THE SERIES 2022AB BONDS - Book-Entry Only System**” herein.

The Series 2022AB Bonds shall be dated as of their date of initial authentication and delivery and shall bear interest from the Interest Payment Date next preceding the date of registration thereof unless it is registered as of a day during the period from the fifteenth (15th) day of the month immediately preceding an Interest Payment Date to such Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date. The date of authentication of each Series 2022AB Bond shall be the date such Series 2022AB Bond is registered by the Trustee.

Purchasers of Series 2022AB Bonds will receive principal and interest payments pursuant to the following provisions only if the book-entry only system is terminated. The principal of, premium, if any, and interest of the Series 2022AB Bonds shall be payable in coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts of the United States of America. Interest shall be payable by check or draft or, upon the written request of a Holder of not less than \$1,000,000 in aggregate principal amount of Series 2022AB Bonds, by wire transfer on each Bond Payment Date from the Trustee to the Holder thereof as the Record Date; provided, however, that so long as all of the Outstanding Series 2022AB Bonds are registered in the name of DTC, or its nominee, payment of interest on the Series 2022AB Bonds shall be made in accordance with operational arrangements of DTC as agreed to by the Corporation. The principal of, purchase price and any redemption premium, if any, with respect to the Series 2022AB Bonds shall be payable at the principal corporate trust office of the Trustee upon presentation and surrender of the applicable Series 2022AB Bonds on or after the date of maturity or redemption thereof; provided, however, that so long as all Outstanding Series 2022AB Bonds are registered in the name of DTC, or its nominee, DTC, may, in its discretion, make a notation on any such Series 2022AB Bond indicating the date and amount of any reduction of principal except in the case of a final maturity or full redemption, in which case the Series 2022AB Bonds shall be surrendered to the Trustee for payment.

Redemption Provisions

Optional Redemption.

The Series 2022A Bonds are subject to redemption prior to their maturity at the option of the Corporation, in whole or in part, on any date on or after December 1, 2030, from any moneys available to the Corporation for that purpose, at a Redemption Price equal to the Principal Amount thereof plus interest accrued thereon to date of redemption, without premium; provided, however, any Series 2022A PAC Bonds redeemed from optional redemption shall be at a Redemption Price equal to 100% of the principal amount of such Series 2022A PAC Bonds being redeemed, plus interest accrued to the date fixed for redemption, plus the unamortized premium thereon as determined by the Corporation by an effective interest rate

amortization of the original issue premium on the Series 2022A PAC Bonds between their date of issue and December 1, 2032, at which date the premium would reduce to zero.

In the event of a partial optional redemption of the Series 2022A Bonds, the Corporation may direct a particular maturity or maturities and the amounts thereof to be redeemed. If the Corporation makes no direction with respect to an optional redemption of the Series 2022A Bonds, then the Series 2022A Bonds (or portions thereof) to be redeemed shall be selected by the Trustee from among all the existing maturities and of the Outstanding Series 2022A Bonds on a reasonably proportionate basis in such manner as the Trustee deems fair.

An optional redemption effected when the Series 2022A Bonds are held in the DTC book-entry only system will be made in accordance with DTC's then current practices. See "**Book-Entry Only System**" below.

The Series 2022B Bonds are not subject to optional redemption.

Sinking Fund Redemption.

The Series 2022A Bonds maturing on December 1, 2036 are subject to mandatory sinking fund redemption in part on June 1, 2034 and each December 1 and June 1 thereafter at a Redemption Price equal to the Principal Amount thereof, plus accrued interest thereon, without premium, on the dates and in the amounts as follows:

<u>Date</u>	<u>Principal Amount</u>	<u>Date</u>	<u>Principal Amount</u>
June 1, 2034	\$1,220,000	December 1, 2035	\$1,120,000
December 1, 2034	1,145,000	June 1, 2036	1,135,000
June 1, 2035	1,105,000	December 1, 2036 [†]	1,155,000

[†] Final Maturity

The Series 2022A Bonds maturing on June 1, 2042 are subject to mandatory sinking fund redemption in part on June 1, 2037 and each December 1 and June 1 thereafter at a Redemption Price equal to the Principal Amount thereof, plus accrued interest thereon, without premium, on the dates and in the amounts as follows:

<u>Date</u>	<u>Principal Amount</u>	<u>Date</u>	<u>Principal Amount</u>
June 1, 2037	\$1,145,000	June 1, 2040	\$1,255,000
December 1, 2037	1,160,000	December 1, 2040	1,275,000
June 1, 2038	1,175,000	June 1, 2041	1,295,000
December 1, 2038	1,200,000	December 1, 2041	1,315,000
June 1, 2039	1,215,000	June 1, 2042 [†]	1,120,000
December 1, 2039	1,235,000		

[†] Final Maturity

[Remainder of page intentionally left blank]

The Series 2022A PAC Bonds maturing on June 1, 2050 are subject to mandatory sinking fund redemption in part on June 1, 2042 and each December 1 and June 1 thereafter at a Redemption Price equal to the Principal Amount thereof, plus accrued interest thereon, without premium, on the dates and in the amounts as follows:

<u>Date</u>	<u>Principal Amount</u>	<u>Date</u>	<u>Principal Amount</u>
June 1, 2042	\$215,000	December 1, 2046	\$1,540,000
December 1, 2042	1,360,000	June 1, 2047	1,565,000
June 1, 2043	1,375,000	December 1, 2047	1,585,000
December 1, 2043	1,400,000	June 1, 2048	1,615,000
June 1, 2044	1,425,000	December 1, 2048	1,635,000
December 1, 2044	1,445,000	June 1, 2049	1,665,000
June 1, 2045	1,465,000	December 1, 2049	1,690,000
December 1, 2045	1,495,000	June 1, 2050 [†]	1,670,000
June 1, 2046	1,510,000		

[†] Final Maturity

The mandatory Sinking Fund Installments for the Series 2022A Bonds may be reduced at the option of the Corporation by the amount of Series 2022A Bonds which have been redeemed (other than through the operation of Sinking Fund Redemption) or purchased and cancelled as provided in the Series 2022A Resolution.

Special Redemption.

Redemption of Series 2022A Bonds from Unexpended Proceeds. The Series 2022A Bonds, other than the Series 2022A Bonds maturing on or before June 1, 2029 (the “Lock-Out Bonds”), are subject to special mandatory redemption in whole or in part prior to their respective stated maturities at a Redemption Price equal to 100% of their issue price (as stated on the inside cover hereof), plus interest accrued to the date fixed for redemption, from unexpended proceeds of the Series 2022A Bonds described in (a) and (b) below; provided, however, any Series 2022A PAC Bonds redeemed from unexpended proceeds of the Series 2022A Bonds shall be at a Redemption Price equal to 100% of the principal amount of such Series 2022A Bonds being redeemed, plus interest accrued to the date fixed for redemption, plus the unamortized premium thereon as determined by the Corporation by an effective interest rate amortization of the original issue premium on the Series 2022A PAC Bonds between their date of issue and December 1, 2032, at which date the premium would reduce to zero. In the event of a special redemption of the Series 2022A Bonds from unexpended proceeds of the Series 2022A Bonds pursuant to (a) or (b) below, Series 2022A Bonds shall be redeemed as directed by the Corporation and at random within a maturity; provided, however, that the Series 2022A PAC Bonds may not be redeemed in an amount in excess of its proportionate amount of Series 2022A Bonds (other than the Lock-Out Bonds) then Outstanding.

(a) At any time during the Delivery Period, upon receipt of a Corporation Request, the Trustee shall, subject to the provisions of the Origination Agreements and the Servicing Agreements, transfer to the Series 2022AB Special Redemption Account unexpended proceeds of the Series 2022A Bonds remaining on deposit in the Series 2022A New Money Acquisition Account which are not expected to be used to purchase Series 2022A Program Obligations on or prior to the end of the Delivery Period, to be applied to the redemption of Series 2022A Bonds (other than the Lock-Out Bonds) on the earliest permissible date and in no event later than the end of the Delivery Period (as such date may be extended as described in paragraph (f) under the heading “**APPLICATION OF CERTAIN ACCOUNTS UNDER THE SERIES 2022AB RESOLUTION - Application of Acquisition Accounts**” below); and

(b) To the extent funds remain on deposit in the Series 2022A New Money Acquisition Account on the date 20 days prior to the end of the Delivery Period, including any extension thereof as described in paragraph (f) under the heading “**APPLICATION OF CERTAIN ACCOUNTS UNDER THE SERIES 2022AB RESOLUTION - Application of Acquisition Accounts**” below which are not expected to be used to purchase Series 2022A Program Obligations on or prior to the end of the Delivery Period, the Trustee shall, without need for instruction from the Corporation, transfer all such funds to the Series 2022AB Special Redemption Account to be applied to the redemption of the Series 2022A Bonds (other than the Lock-Out Bonds) on the earliest permissible date and in no event later than May 1, 2025.

Redemption of Series 2022A PAC Bond from Directed Principal Receipts. The Series 2022A PAC Bonds are subject to special mandatory redemption from Directed Principal Receipts (as defined below) at any time, but at least once during each semiannual period set forth in the table below, to the extent that, as of such date, the aggregate amount of the Series 2022A PAC Bonds outstanding is not less than the respective “Series 2022A PAC Bonds Applicable Outstanding Amount” set forth in the table below for such date (as each such Applicable Outstanding Amount may be reduced as described below), at the Redemption Price equal to 100% of the principal amount of Series 2022A PAC Bonds being redeemed, plus accrued interest to the Redemption Date. While the Corporation is required to redeem Series 2022A PAC Bonds only once during each semiannual period, the Corporation has historically redeemed similarly structured bonds more frequently than once each semiannual period and as frequently as monthly. In addition, the Corporation may apply available Principal Receipts (as defined below) and Excess Revenues under the General Bond Resolution to redeem Series 2022A PAC Bonds to the extent that the application of Directed Principal Receipts is not sufficient to redeem Series 2022A PAC Bonds in an amount to cause the Series 2022A PAC Bonds to be Outstanding in an amount equal to the Series 2022A PAC Bonds Applicable Outstanding Amount as of the applicable Interest Payment Date. No assurance can be provided, however, that any Principal Receipts or Excess Revenues will be available for such purpose or that if any Principal Receipts or Excess Revenues are available under the General Bond Resolution for such purpose that they will be applied to the redemption of the Series 2022A PAC Bonds.

“Directed Principal Receipts” means, with respect to the Series 2022A PAC Bonds and so long as Series 2022A PAC Bonds remain outstanding, as of any date of computation, the amount of Series 2022A Principal Receipts and Principal Receipts from the Transferred Program Securities allocable to the Series 2022AB Bonds not applied or allocated (or due to be applied or allocated on the applicable Redemption Date or maturity date) to the scheduled payment of principal of the Series 2022AB Bonds upon mandatory sinking fund redemption or upon maturity.

The approximately \$71,556,000 of Series 2022A First Mortgage Loans and approximately \$3,444,000 of Series 2022A Second Mortgage Loans expected to be financed with proceeds of the Series 2022A Bonds are assumed to have the following characteristics:

Type	Par	Mortgage Loan Weighted Average Coupon	Program Security Weighted Average Coupon	Weighted Average Remaining Term (months)
Series 2022A First Mortgage Loans	\$71,556,000	3.14%	2.64%	360
Series 2022A Second Mortgage Loans	\$3,444,000	0%	NA	120

“Principal Receipts” means the portion of any Mortgage Repayments and Mortgage Prepayments relating to Mortgage Loans, Second Mortgage Loans and Program Securities financed by any Series of Bonds under the General Bond Resolution, to the extent such Mortgage Repayments and Mortgage Prepayments are not otherwise pledged or dedicated to the redemption of a particular Series of Bonds or maturity thereof.

If Directed Principal Receipts are insufficient in any semiannual period to redeem the Series 2022A PAC Bonds in an amount described above, the Series 2022A PAC Bonds will continue to be redeemed in future semiannual periods from such Directed Principal Receipts received in such future semiannual periods in the same manner as described above.

If there are excess Directed Principal Receipts with respect to any semiannual period, after application thereof as set forth above, such excess may, to the extent permitted by federal tax law, be applied by the Corporation as permitted under the General Bond Resolution, including the purchase of Program Securities or redemption of any Outstanding Bonds (other than the Lock-Out Bonds) subject to redemption at the option of the Corporation in accordance with the applicable Series Resolution; provided, however, that Series 2022A PAC Bonds may only be redeemed with excess Directed Principal Receipts if there are no other Series 2022A Bonds (other than the Lock-Out Bonds) then Outstanding.

The Series 2022A PAC Bonds Applicable Outstanding Amount table set forth below is determined by utilizing the standard prepayment model of The Bond Market Association and a Mortgage Loan prepayment rate equal to 100% of the standard prepayment model. See “**AVERAGE LIFE OF SERIES 2022A PAC BONDS**” herein.

If the Series 2022A PAC Bonds are redeemed on a date other than an Interest Payment Date, the Series 2022A PAC Bonds Applicable Outstanding Amount as of such Redemption Date will be determined by straight line interpolation between the Series 2022A PAC Bonds Applicable Outstanding Amounts for the Interest Payment Dates immediately preceding and succeeding such Redemption Date.

The Series 2022A PAC Bonds Applicable Outstanding Amounts set forth in the table above will be reduced on a pro-rata basis to the extent of any special mandatory redemption of Series 2022A PAC Bonds from unexpended proceeds as described under the heading “- *Redemption of Series 2022A Bonds from Unexpended Proceeds*” above.

The Series 2022A PAC Bonds are subject to redemption from any amounts available under the General Bond Resolution other than Directed Principal Receipts to the extent that such redemption will not reduce the outstanding principal amount of the Series 2022A PAC Bonds to an amount less than the Series 2022A PAC Bonds Applicable Outstanding Amounts shown in the table above for each applicable period, as such amounts may have been adjusted due to a redemption of the Series 2022A PAC Bonds from unexpended proceeds as described above, unless there are no other Series 2022A Bonds Outstanding.

Redemption of Series 2022A Bonds from Tax Restricted Principal Receipts. The Series 2022A Bonds are subject to special mandatory redemption at any time, but at least once during each semiannual period ending on each Interest Payment Date commencing June 1, 2022, in an amount equal to any unsatisfied Tax Restricted Principal Receipts Requirement, at the Redemption Price equal to 100% of the principal amount of such Series 2022A Bonds being redeemed, plus accrued interest to the Redemption Date.

“*Tax Restricted Receipts Requirement*” means the cumulative amount of Tax Restricted Principal Receipts with respect to the Series 2022A New Money Program Securities during a semiannual period, less the amount previously allocated to the payment or redemption of the Series 2022A Bonds during such semiannual period.

“*Tax Restricted Principal Receipts*” means the applicable percentage of the principal of Series 2022A Principal Receipts received during the respective time period set forth in the table below; provided, however, that the approximate percentages and the dates set forth in the following table may be modified to the extent that the Corporation provides the Trustee an opinion of Bond Counsel to the effect that compliance with such modified schedule will not adversely affect the exemption of interest on the Series 2022A Bonds from gross income for federal income tax purposes:

<u>Commencement Date</u>	<u>Ending Date</u>	<u>Percentage of Principal Receipts</u>
January 26, 2022	January 25, 2032	0.00000%
January 26, 2032	Final Maturity	100.00000%

In the event of a partial redemption of Series 2022A Bonds from Tax Restricted Principal Receipts Requirement as described above, the Tax Restricted Principal Receipts Requirement shall be applied (i) first to the Series 2022A PAC Bonds to the extent any Series 2022A PAC Bonds are Outstanding in an amount not less than the applicable Series 2022A PAC Bond Applicable Outstanding Amount for such semiannual redemption period, (ii) second, to any other Series 2022A Bonds Outstanding (other than the Series 2022A PAC Bonds and the Lock-Out Bonds), until such Bonds are no longer outstanding as directed by the Corporation and at random within a maturity, (iii) third to the Series 2022A PAC Bonds until such Bonds are no longer outstanding, and (iv) fourth, to the Lock-Out Bonds.

Redemption of Series 2022AB Bonds from Principal Receipts. The Series 2022AB Bonds (other than the Lock-Out Bonds) are subject to special redemption at the direction of the Corporation as a whole

or in part, at any time, at the Redemption Price equal to 100% of the principal amount of such Series 2022AB Bonds being redeemed, plus accrued interest to the Redemption Date, from any Principal Receipts available under the General Bond Resolution, to the extent such Principal Receipts are not otherwise pledged or dedicated to the redemption of a particular Series of Bonds or maturity thereof.

In the event of a partial redemption of the Series 2022AB Bonds from Principal Receipts as described above, the Series 2022AB Bonds to be redeemed shall be selected as directed by the Corporation; provided, however, that unless there are no other Series 2022AB Bonds Outstanding (other than the Lock-Out Bonds), no Series 2022A PAC Bonds will be so redeemed unless, after giving effect to such redemption, the principal amount of Series 2022A PAC Bonds Outstanding on the date of such redemption will not be less than the Series 2022A PAC Bonds Applicable Outstanding Amount applicable to such date of redemption. The Series 2022A PAC Bonds may be redeemed with Principal Receipts without regard to the Series 2022A PAC Bonds Applicable Outstanding Amount if there are no other Series 2022AB Bonds Outstanding (other than the Lock-Out Bonds).

Redemption of Series 2022AB Bonds from Excess Revenues. The Series 2022AB Bonds (other than the Lock-Out Bonds) are subject to special redemption at the direction of the Corporation as a whole or in part, at any time, at a Redemption Price equal to 100% of the principal amount of such Series 2022AB Bonds being redeemed, plus accrued interest to the Redemption Date, from any Excess Revenues available under the General Bond Resolution.

In the event of a partial redemption of Series 2022AB Bonds from Excess Revenues as described above, the Series 2022AB Bonds to be redeemed shall be selected as directed by the Corporation; provided that unless there are no other Series 2022AB Bonds Outstanding (other than the Lock-Out Bonds), no Series 2022A PAC Bonds will be so redeemed unless, after giving effect to such redemption, the principal amount of Series 2022A PAC Bonds Outstanding on the date of such redemption will not be less than the Series 2022A PAC Bonds Applicable Outstanding Amount applicable to such date of redemption. The Series 2022A PAC Bonds may be redeemed with Excess Revenues without regard to the Series 2022A PAC Bonds Applicable Outstanding Amount if there are no other Series 2022AB Bonds Outstanding (other than the Lock-Out Bonds).

Purchase In Lieu of Redemption.

The Corporation may, in lieu of redeeming Series 2022AB Bonds as provided above, purchase such Series 2022AB Bonds (other than the Lock-Out Bonds) as provided in the General Bond Resolution.

Selection of Series 2022AB Bonds for Redemption.

Any redemption of less than all of the Series 2022AB Bonds Outstanding shall be made in such a manner that all Series 2022AB Bonds Outstanding after such redemption are in Authorized Denominations. Except as otherwise provided in “- **Optional Redemption**” and “- **Special Redemption**” above, if less than all of the Series 2022AB Bonds of a particular series and maturity are to be redeemed, the particular maturity (or portions thereof) to be redeemed shall be selected at random in such manner as the Trustee deems fair.

Redemption Notice and Payments.

When any Series 2022AB Bonds are to be redeemed, the Trustee shall give notice of the redemption of the Series 2022AB Bonds in the name of the Corporation specifying (i) the complete name of such Series 2022AB Bonds to be redeemed, (ii) the date of such notice, (iii) the date of issue, the interest rate and the maturity date of the Series 2022AB Bonds to be redeemed, (iv) the Redemption Date; (v) the Redemption Price; (vi) the numbers and other distinguishing marks of the Series 2022AB Bonds to be redeemed (except in the event that all of the Outstanding Series 2022AB Bonds are to be redeemed); (vii) the CUSIP number

(if any) of the maturity to be redeemed; (viii) the place or places where amounts due upon such redemption will be payable (including the name and appropriate address of the Trustee); (ix) in the case of Series 2022AB Bonds to be redeemed in part only, the respective portions of the principal thereof to be redeemed; (x) the name and telephone number of the contact person at the Trustee; and (xi) with respect to any optional redemption, that such redemption shall be conditioned upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of premium, if any, and interest on such Series 2022AB Bonds or portions thereof to be redeemed, and that if such moneys shall not have been received said notice shall be of no force and effect and the Corporation shall not be required to redeem such Series 2022AB Bonds or portions thereof. Such notice shall further state that on such date there shall become due and payable upon each Series 2022AB Bond to be redeemed the Redemption Price thereof, together with interest accrued to the Redemption Date, and that, from and after such date, interest thereon shall cease to accrue. The Trustee shall mail a copy of such notice, by certified mail, not less than 15 days nor more than 30 days prior to the Redemption Date to the Holders of any Series 2022AB Bonds or portions of Series 2022AB Bonds which are to be redeemed at their last addresses appearing upon the registration books and to one or more national services which record bond redemption data. At least two days prior to the mailing of such a notice of redemption, the Trustee shall send by certified mail a copy of such notice to DTC or to any other depository institution substituted for DTC pursuant to the Series 2022AB Resolution. Unless otherwise directed by the Corporation pursuant to a Corporation's Request, the obligation of the Trustee to give the notice required by this section shall not be conditioned upon the prior payment to the Trustee of moneys or Defeasance Obligations sufficient to pay the Redemption Price of the Series 2022AB Bonds to which such notice related or the interest thereon to the Redemption Date. In the event a notice of redemption contains a condition as in (xi) above and such moneys have not been received, the redemption shall not be made and the Trustee shall within five (5) days thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not received.

Notice of redemption having been given as provided in the immediately preceding paragraph, the Series 2022AB Bonds or portions thereof so to be redeemed shall become due and payable on the date fixed for redemption at the Redemption Price specified therein plus accrued interest to the Redemption Date, and upon presentation and surrender thereof at the place specified in such notice, such Series 2022AB Bonds or portions thereof shall be paid at the Redemption Price, plus accrued interest to the redemption date. On and after the redemption date (unless the Corporation has defaulted in the payment of the Redemption Price and accrued interest), (i) such Series 2022AB Bonds shall cease to bear interest, and (ii) such Series 2022AB Bonds shall no longer be considered as Outstanding under the Corporation Resolution. If moneys sufficient to pay the Redemption Price and accrued interest have not been made available by the Corporation to the Trustee on the Redemption Date, such Series 2022AB Bonds shall continue to bear interest until sufficient provision is made for the redemption thereof.

Failure by the Trustee to mail notice of redemption set forth above to any one or more of the respective Holders of any Series 2022AB Bonds designated for redemption, or to any one or more national services which record bond redemption data, shall not affect the sufficiency of the proceedings for redemption with respect to the Holders to whom such notice was mailed.

In the event that any Holder to whom notice of redemption was mailed has not surrendered its Series 2022AB Bonds or portions thereof for redemption on or before 60 days after the redemption date the Trustee shall mail a duplicate copy of the original notice of redemption by certified mail to such Holder; provided, however, that failure by the Trustee to mail such duplicate copy of the notice of redemption shall not affect the sufficiency of the proceedings for redemption with respect to such Holder.

Book-Entry Only System

The information provided under this caption has been provided by DTC. No representation is made by the Corporation, the Underwriters or the Trustee as to the accuracy or adequacy of such information, or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2022AB Bonds. The Series 2022AB Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Series 2022AB Bond certificate will be issued for the Series 2022AB Bonds, in the aggregate principal amount of the Series 2022AB Bonds, and will be deposited with DTC. Purchasers may own beneficial interests in the Series 2022AB Bonds in the United States through DTC.

DTC, the world’s largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2022AB Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2022AB Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2022AB Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmation providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2022AB Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2022AB Bonds, except in the event that use of the book entry system for the Series 2022AB Bonds is discontinued.

To facilitate subsequent transfers, all Series 2022AB Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2022AB Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2022AB Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2022AB Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements

as may be in effect from time to time. Beneficial Owners of Series 2022AB Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2022AB Bonds, such as redemptions, tenders, defaults, and proposed amendments to the documents relating to the Series 2022AB Bonds. For example, Beneficial Owners of Series 2022AB Bonds may wish to ascertain that the nominee holding the Series 2022AB Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2022AB Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity, or maturities, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2022AB Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2022AB Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2022AB Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2022AB Bonds at any time by giving reasonable notice to the Corporation and the Trustee. Under such circumstances, in the event that a substitute or successor securities depository is not obtained, bond certificates will be printed and delivered as provided in the General Bond Resolution.

The Corporation may decide to discontinue use of the system of book entry only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered as provided in the General Bond Resolution.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Corporation believes to be reliable, but Corporation takes no responsibility for the accuracy thereof.

THE CORPORATION, THE TRUSTEE AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE SERIES 2022AB BONDS (I) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE SERIES 2022AB BONDS; (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN SERIES 2022AB BONDS; OR (III) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE SERIES 2022AB BONDS, OR THAT THEY WILL DO SO ON

A TIMELY BASIS OR THAT DTC OR DIRECT OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT “RULES” APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT “PROCEDURES” OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE CORPORATION, THE TRUSTEE NOR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE SERIES 2022AB BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (3) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST OR PREMIUM, IF ANY, ON THE SERIES 2022AB BONDS; (4) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE CORPORATION RESOLUTION TO BE GIVEN TO BONDHOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2022AB BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

So long as Cede & Co. is the registered holder of the Series 2022AB Bonds as nominee of DTC, references herein to the Holders, holders, Owners or registered owners of the Series 2022AB Bonds mean Cede & Co. and not the Beneficial Owners of the Series 2022AB Bonds.

AVERAGE LIFE OF SERIES 2022A PAC BONDS

Weighted average life refers to the average amount of time that will elapse from the date of issuance of a security until each dollar of principal of such security will be repaid to the investor. The weighted average life of the Series 2022A PAC Bonds will be influenced by the rate at which principal on the Mortgage Loans securing the Series 2022AB Bonds is paid. Principal payments on Mortgage Loans may be in the form of scheduled amortizations or prepayments (for this purpose, the term “prepayment” includes prepayments and liquidations due to default or other dispositions of the Mortgage Loans). Mortgage Prepayments on Mortgage Loans are commonly measured by a prepayment standard or model. The model used in the following discussion is The Securities Industry Financial Markets Association, formerly the Bond Market Association (herein, the “PSA”) prepayment standard or model (the “PSA Prepayment Model”). The PSA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of the Mortgage Loans. The PSA Prepayment Model assumes a prepayment rate of 0.2% in the first month, increasing by 0.2% in each succeeding month until the thirtieth month of the Mortgage Loans’ life and then assumes a constant prepayment rate of six percent (6%) per annum of the unpaid principal balance for the remaining life of the Mortgage Loans. The PSA Prepayment Model is sometimes referred to by market participants as the BMA Prepayment Model or the SIFMA Prepayment Model.

As used in the following table, “0% PSA” assumes no prepayments on the principal of the Mortgage Loans. “25% PSA” assumes the principal of Mortgage Loans will prepay at a rate of one-quarter times as fast as prepayment rates for 100% of the PSA Prepayment Model. “50% PSA” assumes the principal of Mortgage Loans will prepay at a rate one-half times as fast as the prepayment rates for 100% of the PSA Prepayment Model. “75% PSA” assumes the principal of Mortgage Loans will prepay at a rate three-quarters times as fast as prepayment rates for 100% of the PSA Prepayment Model. “100% PSA” assumes the principal of the Mortgage Loans will prepay at a rate equal to the prepayment rates for 100% of the PSA Prepayment Model. “200% PSA” assumes the principal of the Mortgage Loans will prepay at a rate twice as fast as the prepayment rates for 100% of the PSA Prepayment Model. “300% PSA” assumes the principal of the Mortgage Loans will prepay at a rate three times as fast as the prepayment rates for 100% of the PSA Prepayment Model. “400% PSA” assumes the principal of the Mortgage Loans will

prepay at a rate four times as fast as the prepayment rates for 100% of the PSA Prepayment Model. “500% PSA” assumes the principal of the Mortgage Loans will prepay at a rate five times as fast as the prepayment rates for 100% of the PSA Prepayment Model.

There is no assurance, however, that prepayment of the principal of the Mortgage Loans will conform to any level of the PSA Prepayment Model. The rate of principal payments on pools of Mortgage Loans is influenced by a variety of economic, geographic, social and other factors, including the level of mortgage interest rates, general economic conditions and the rate at which homeowners sell their homes or default on their Mortgage Loans. In general, if prevailing interest rates fall significantly, the Mortgage Loans are likely to be subject to higher prepayment rates than if prevailing rates remain at or above the interest rates on such Mortgage Loans. Conversely, if interest rates rise, the rate of prepayment would be expected to decrease. Other factors affecting prepayment of Mortgage Loans include changes in Mortgagors’ housing needs, job transfers, unemployment and Mortgagors’ net equity in the mortgaged properties. In addition, as homeowners move or default on their Mortgage Loans, the houses are generally sold and the Mortgage Loans prepaid, although under certain circumstances the Mortgage Loans as well as the Corporation’s right to elect to optionally redeem the Series 2022A Bonds as described under the heading “**THE SERIES 2022AB BONDS - Redemption Provisions - Optional Redemption,**” may be assumed by a new buyer. Because of the foregoing and since the rate of payment of principal of each Series 2022AB Bond will depend on the rate of repayment (including prepayments) of the Mortgage Loans, the actual maturity of any Series 2022AB Bond is likely to occur earlier, and could occur significantly earlier, than its stated maturity.

The computation of the weighted average life of the Series 2022A PAC Bonds under each of the scenarios represented in the table below is based on one of two sets of indicated assumptions about the exercise of the optional redemption provisions under the Series 2022AB Resolution (each of which assumes that Series 2022A PAC Bond redemptions occur only on scheduled Interest Payment Dates): (a) in the case of scenarios labeled “Optional Redemption Not Exercised,” it is assumed that the Corporation will not exercise its right to optionally redeem the Series 2022A Bonds; and (b) in the case of scenarios labeled “Optional Redemption Exercised,” it is assumed that the Corporation will exercise its right to optionally redeem all then eligible Series 2022A Bonds on December 1, 2030.

Based on such assumptions, some or all of which are unlikely to reflect actual experience, the following table provides certain projected weighted average life information for the Series 2022A PAC Bonds.

The figures in the following table and the table included in **APPENDIX F - PROJECTED PERCENTAGES OF INITIAL PRINCIPAL BALANCES OUTSTANDING AND WEIGHTED AVERAGE LIVES OF THE SERIES 2022A PAC BONDS** were computed utilizing the Program assumptions as described under the heading “**PROGRAM ASSUMPTIONS AND BONDHOLDERS’ RISKS**” herein and various additional assumptions. The table assumes that all Series 2022A Program Obligations prepay at the various rates listed. There can be no assurance that such assumptions will in fact prove to be accurate. Investors owning less than all of the Series 2022A PAC Bonds, as applicable, may experience redemption at a rate that varies from the projected weighted average lives shown in the table.

REFUNDING PLAN

On the date of delivery of the Series 2022AB Bonds, the Trustee shall transfer \$4,000,000 of the amount on deposit in the Series 2022B Refunding Acquisition Account to the Series 2013A Optional Redemption Account of the Redemption Fund established under the Series 2013A Resolution for the Refunded Bonds, which amount, together with other funds available under the Series 2013 Resolution, will be used by the Trustee to effect the current refunding of the outstanding Refunded Bonds on or prior to March 1, 2022. As a result of the refunding, the Transferred Program Securities relating to the Refunded Bonds will be transferred by the Trustee under the General Bond Resolution and become allocated to and provide security for the Bonds. The Trustee will hold all such proceeds of the Series 2022B Bonds uninvested in the Series 2013A Optional Redemption Account until used to current refund all outstanding Refunded Bonds. As of November 30, 2021, the Transferred Program Securities had an aggregate principal amount of approximately \$10,250,000, a weighted average interest rate of approximately 6.51%, a weighted average maturity of approximately 134 months, and a 1 Year PSA and a Lifetime PSA of approximately 215% and 247% respectively. See “**APPENDIX E - TRANSFERRED PROGRAM SECURITIES**” for additional information.

APPLICATION OF CERTAIN ACCOUNTS UNDER THE SERIES 2022AB RESOLUTION

Application of Acquisition Accounts

(a) As of November 26, 2021, the Corporation had approximately \$20,240,000 in unexpended Prior Bond proceeds, however, the Corporation has accepted (i) approximately \$47,000,000 of reservations for Mortgage Loans intended to be pooled into future Program Securities, and (ii) approximately \$2,200,000 of reservations for Second Mortgage Loans, each for such Prior Bonds or the Series 2022AB Bonds.

During the Delivery Period the Servicers shall acquire additional Mortgage Loans from Lenders as provided in the Servicing Agreements. Mortgage Loans will be acquired from the Lenders at a price equal to 100% of the principal amount thereof plus accrued interest plus the amount of any Second Mortgage Loan, with the Servicer paying an amount equal to 100% of the principal amount plus accrued interest pursuant to the provisions of the Servicing Agreements and the Corporation paying the amount of any Second Mortgage Loan. The Servicers will pool the applicable Series 2022A First Mortgage Loans into Series 2022A New Money Program Securities as provided in the Servicing Agreements.

(b) The Trustee shall disburse moneys from the Series 2022A New Money Acquisition Account for the acquisition and purchase of Series 2022A Program Obligations from the Corporation and from the Servicers pursuant to the Servicing Agreements. The Trustee shall pay the Servicers or the Corporation, as the case may be, an amount equal to 100% of the principal amount of each Series 2022A New Money Program Security acquired and purchased from the Servicers or the Corporation, as the case may be, plus accrued interest, if any. In connection with Series 2022A First Mortgage Loans financed together with Series 2022A Second Mortgage Loans, the Trustee shall also pay to the Corporation from the Series 2022A New Money Acquisition Account an amount equal to the Series 2022A Second Mortgage Loan for each Series 2022A New Money Program Security constituting a pool of Series 2022A First Mortgage Loans acquired from a Servicer. The then accrued and unpaid interest on such Series 2022A New Money Program Security shall be paid from the Series 2022AB Bond Revenue Account. The Trustee shall provide notice to the provider of the Investment Agreement, if any, of amounts to be withdrawn from the Series 2022A New Money Acquisition Account, at the times and as required under the Investment Agreement, for the amount of funds necessary to provide for the purchases and payments required under the Series 2022AB Resolution.

(c) The Trustee shall not disburse moneys from the Series 2022A New Money Acquisition Account for the acquisition of Series 2022A New Money Program Securities unless (1) such Series 2022A

New Money Program Securities shall be acquired in accordance with this paragraph; (2) the principal amount of such Series 2022A New Money Program Securities is at least equal to the principal amount of the Mortgage Loans backing such Series 2022A New Money Program Securities; (3) such Series 2022A New Money Program Securities bear interest at the rate equal to the rate of interest on the Mortgage Loans backing such Series 2022A New Money Program Securities minus the applicable servicing and guaranty fee; (4) the Mortgage Loans backing such Series 2022A New Money Program Securities bear interest at a rate not less than the Minimum Mortgage Rate, (5) either (i) the Trustee or its custodial agent has physical possession of the Series 2022A New Money Program Securities, and such Series 2022A New Money Program Securities are registered in the name of the Trustee, (ii) the Series 2022A New Money Program Securities are credited to the account of the Trustee at a clearing corporation, as defined under and pursuant to the Uniform Commercial Code applicable to the clearing corporation, and the clearing corporation is registered as a clearing agency under the Securities Exchange Act of 1934, (iii) for a Series 2022A New Money Program Security issued in book-entry form through a book-entry system operated by the Federal Reserve System, the Series 2022A New Money Program Security shall have been registered on the books of the Federal Reserve Bank in the name of the Trustee (acting as a “depository” within the meaning of 24 C.F.R. Section 350.2), and the Trustee shall have received confirmation in writing that the depository is holding such Series 2022A New Money Program Security on behalf of, and has identified such Series 2022A New Money Program Security on its records as belonging to, the Trustee, or (iv) a combination of (i), (ii) and (iii) so that the Trustee at all times has a first priority perfected security interest in such Series 2022A New Money Program Security; (6) the required withdrawal from the Series 2022A New Money Acquisition Account equal to 100% of the principal amount of Series 2022A New Money Program Securities comprised of Mortgage Loans does not exceed the balance in the Series 2022A New Money Acquisition Account; and (7) the Trustee shall have received a certificate from the Corporation to the effect that each Mortgage Loan in the Pool represented by the Series 2022A New Money Program Securities shall have received a Purchase Certification.

(d) Upon receipt of a Corporation Request, the Trustee shall disburse money from the Series 2022A New Money Acquisition Account to the Corporation as provided in the Series 2022AB Resolution, in payment for a portion of the cost of acquiring the Series 2022A New Money Program Securities from the Servicer constituting pools of Series 2022A First Mortgage Loans made to Mortgagors receiving assistance from a Series 2022A Second Mortgage Loan. The Trustee shall provide notice to the provider of the Investment Agreement, if any, of amounts to be withdrawn from the Series 2022A New Money Acquisition Account for such purpose as required under the Investment Agreement.

(e) At any time during the Delivery Period, upon receipt of a Corporation Request, the Trustee shall, subject to the provisions of the Origination Agreements and the Servicing Agreements, transfer to the Series 2022AB Special Redemption Account unexpended proceeds remaining on deposit in the Series 2022A New Money Acquisition Account which are not expected to be used to purchase Series 2022A Program Obligations on or prior to the end of the Delivery Period, to be applied to the redemption of Series 2022A Bonds (other than the Lock-Out Bonds), in accordance with “**THE SERIES 2022AB BONDS - Redemption Provisions - Special Redemption - Redemption of Series 2022A Bonds from Unexpended Proceeds**” herein, on the earliest permissible date and in no event later than the end of the Delivery Period (as such date may be extended as provided in paragraph (f) below).

To the extent funds remain on deposit in the Series 2022A New Money Acquisition Account on the date 20 days prior to the end of the Delivery Period, including any extension thereof as provided in the following paragraph (f), which are not expected to be used to purchase Series 2022A Program Obligations on or prior to the end of the Delivery Period, the Trustee shall, without need for instruction from the Corporation, transfer all such funds to the Series 2022AB Special Redemption Account to be applied to the redemption of the Series 2022A Bonds (other than the Lock-Out Bonds), in accordance with “**THE SERIES 2022AB BONDS - Redemption Provisions - Special Redemption - Redemption of Series 2022A Bonds from Unexpended Proceeds**” herein, on the earliest permissible date and in no event later than May 1, 2025.

(f) The Corporation may also (instead of redeeming Series 2022A Bonds from unexpended proceeds) extend the Origination Period and the Delivery Period with respect to all or any portion of the unexpended amounts remaining in the Series 2022A New Money Acquisition Account for such period or periods as the Corporation shall determine consistent with the final sentence of this paragraph, but only if the Corporation shall have delivered to the Trustee on or prior to the scheduled Redemption Date pursuant to this paragraph: (1) an opinion of Bond Counsel that such extension will not cause the interest on the Series 2022A Bonds to be includable in gross income for purposes of federal income taxation, and (2) a Certificate of the Corporation (i) designating the new ending dates for the Origination Period and Delivery Period, (ii) certifying that the Corporation has received cash flow projections, or other financial analysis satisfactory to satisfy requirement of the Rating Agency as described in (v) below, from an investment banking firm, financial consulting firm or accounting firm, in each case nationally recognized with respect to the cash-flow analysis of mortgage revenue bonds, the interest on which is excluded from gross income for federal income tax purposes, which shows that such extension will not adversely affect the availability of Revenues sufficient to make timely payment of principal of and interest on the Series 2022A Bonds in the current and each subsequent Bond Year, and all Senior Expenses, and that at all times the assets of the Program will equal or exceed the liabilities of the Program, which cash flow projections shall accompany the Certificate; (iii) certifying that, to the extent necessary to satisfy the requirements of the cash flow projections and the Rating Agency, a Permitted Investment has been arranged for investment of amounts in the Series 2022A New Money Acquisition Account to a date not earlier than the ending date of the extended Delivery Period; (iv) designating the amount of any additional deposits required by the cash flow projections and the Rating Agency to be made into funds held under the Series 2022AB Resolution in connection with such extension, which deposits shall be made on or before the date of expiration of the then-current Origination Period and shall be made only from the Corporation's funds; and (v) certifying that the Corporation has notified the Rating Agency that such extension is being planned and has provided to the Rating Agency copies of the cash flow projections, or other financial analysis satisfactory to satisfy the requirements of the Rating Agency, together with such other documentation as the Rating Agency may request, and has received a Rating Certificate with respect to the Series 2022AB Bonds. On any date or dates subsequent to any extension of the Origination Period and the Delivery Period, but subject to the provisions of the Origination Agreements and the Servicing Agreements, the Corporation may transfer any unexpended proceeds remaining in the Series 2022A New Money Acquisition Account to the Series 2022AB Special Redemption Account to be applied to redemption of Series 2022A Bonds as provided in **"THE SERIES 2022AB BONDS - Redemption Provisions - Special Redemption - Redemption of Series 2022A Bonds from Unexpended Proceeds"** herein. The Origination Period and Delivery Period may not be extended beyond the dates set forth in the applicable definitions thereof.

Notwithstanding any provision in the above paragraph (f) to the contrary, the Series 2022AB Resolution provides that the Trustee shall transfer not less than 100% of the amounts remaining on deposit in the Series 2022A New Money Acquisition Account to the Series 2022AB Special Redemption Account to be applied to the redemption of Series 2022A Bonds (other than the Lock-Out Bonds) in accordance with **"THE SERIES 2022AB BONDS - Redemption Provisions - Special Redemption - Redemption of Series 2022A Bonds from Unexpended Proceeds"** herein, which redemption shall occur no later than May 1, 2025 to the extent that such amount has not been previously applied to the redemption of the Series 2022A Bonds.

SECURITY FOR THE BONDS

General; Limited Obligations

The Bonds, together with interest thereon, are limited obligations of the Corporation payable solely and only from amounts derived by the Corporation from Revenues. Such moneys are pledged and assigned to the Trustee under the Corporation Resolution as security for the equal and ratable payment of the Bonds and shall be used for no other purpose than to pay the principal of and interest and premium, if any, on the Bonds, except as may be otherwise expressly authorized in the Corporation Resolution, the Origination Agreements or the Servicing Agreements.

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE LIMITED OBLIGATIONS OF THE CORPORATION THAT ARE PAYABLE SOLELY AS PROVIDED IN THE CORPORATION RESOLUTION. THE BONDS DO NOT CONSTITUTE AN OBLIGATION, EITHER GENERAL OR SPECIAL, OF THE STATE, ANY MUNICIPALITY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE. THE CORPORATION HAS NO TAXING POWER. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA OR ANY AGENCY THEREOF, OR GINNIE MAE, FANNIE MAE OR FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

Pledge

In the General Bond Resolution, there are pledged to secure the payment of the principal of and interest on the Bonds, all of the Revenues, all of the proceeds of the Bonds and any other amounts held in any Fund or Account established pursuant to the General Bond Resolution or any Series Resolution (except amounts in the Rebate Fund and the Cost of Issuance Fund) and all of the right, title and interest of the Corporation in each Mortgage Loan, Program Security, Servicing Agreements and Origination Agreements (including all agreements entered into under each such agreement). Said pledge shall constitute a first and prior lien on and security interest in such assets and shall attach, be perfected and be valid and binding without any physical delivery thereof or further act. In compliance with clause (i) of the definition of Revenues in the General Bond Resolution, it is specified and provided that the term Revenues does not include income received by the Corporation under the Servicing Agreements in the form of Servicing Acquisition Fees which the Corporation may receive at any time free and clear of the lien of the General Bond Resolution.

The Trustee shall be entitled to and shall collect and receive all of the Revenues, and any Revenues collected or received by the Corporation shall be deemed to be held, and to have been collected or received, by the Corporation as the agent of the Trustee and shall forthwith be paid by the Corporation to the Trustee. The Trustee also shall be entitled to and shall take all steps, actions and proceedings reasonably necessary in its judgment to enforce the terms, covenants and conditions of the Program Securities, the Servicing Agreements and the Origination Agreements to the extent provided therein, and to preserve and protect the priority of its interest in and under each Program Security, Servicing Agreements and Origination Agreements.

Payment of Program Securities

Each Servicer, as servicer of the Mortgage Loans in the Pools underlying the Program Securities, is obligated (except in the month of purchase of the applicable Program Security) to pay to the Trustee or its nominee the principal of and interest on the related Program Security in an amount equal to scheduled principal of and interest on the underlying Mortgage Loans (less the applicable Ginnie Mae, Fannie Mae and Freddie Mac guaranty fees and servicing fees), whether or not such Servicer has received principal and interest payments on the Mortgage Loans, and is also required to pay to the Trustee or its nominee an amount equal to any Mortgage Prepayments received on such Mortgage Loans and liquidation proceeds in the event of a foreclosure or other disposition of any Mortgage Loan. See “**GOVERNMENT NATIONAL MORTGAGE ASSOCIATION PROGRAM**,” “**FEDERAL NATIONAL MORTGAGE ASSOCIATION PROGRAM**” and “**FREDDIE MAC PARTICIPATION CERTIFICATES PROGRAM**” herein.

To date, there are eighteen (18) series of Prior Bonds outstanding under the General Bond Resolution in the outstanding aggregate principal amount, as of September 30, 2021, of \$489,312,608. See “**APPENDIX H - BONDS OUTSTANDING UNDER THE GENERAL BOND RESOLUTION**.” As of such date, Program Securities in an aggregate outstanding principal amount of approximately \$467,094,408 were held by the Trustee under the General Bond Resolution as security for the Bonds.

Additional Parity Bonds

Upon the satisfaction of a number of conditions precedent, the General Bond Resolution permits the issuance of additional Bonds for the purposes set forth in the General Bond Resolution. Any additional Bonds issued under the General Bond Resolution will be on parity with the Series 2022AB Bonds, the Prior Bonds and all Bonds hereafter issued under the General Bond Resolution and will be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the General Bond Resolution and the Series Resolutions under which they were issued. The Corporation currently intends to continue to issue additional Bonds under the General Bond Resolution from time to time to provide funds for bonds thereunder from time to time as required by the Program.

Permitted Investments

Bond proceeds and other moneys on deposit in Funds and Accounts held under the General Bond Resolution may be invested in Permitted Investments as defined in the General Bond Resolution (see **APPENDIX A - DEFINITIONS OF CERTAIN TERMS**). The Series 2022AB Resolution provides that amounts on deposit in the Funds and Accounts established thereunder may be invested in guaranteed investment contracts meeting the definition of a Permitted Investment under the General Bond Resolution (each, an “Investment Agreement”). An Investment Agreement, if any, will obligate the Investment Agreement Provider to make specific payments to the Trustee pursuant thereto and does not guarantee payment of the principal of or interest on the Series 2022AB Bonds. Any amounts not invested under an Investment Agreement or other guaranteed investment contract as authorized by the Series 2022AB Resolution shall be invested in other Permitted Investments.

The Corporation makes no representation about the financial condition or creditworthiness of any Permitted Investment or provider thereof. For a description of certain risks associated with the Permitted Investments, including the Investment Agreement see “**PROGRAM ASSUMPTIONS AND BONDHOLDERS’ RISKS – Other Risks**” herein.

DESIGNATION OF THE SERIES 2022A BONDS AS SOCIAL BONDS

General

The Corporation is designating the Series 2022A Bonds as Social Bonds based on, among other things, the intended use of proceeds of the Series 2022A Bonds to finance affordable home loans to primarily low and moderate income first-time homebuyers throughout the State. The Corporation’s Social Bonds designation reflects the intended use of the proceeds of the Series 2022A Bonds in a manner that is consistent with the four core components (the “Social Bond Principles”) promulgated by the International Capital Market Association (“ICMA”): 1. Use of Proceeds; 2. Process for Project Evaluation and Selection; 3. Management of Proceeds; and 4. Reporting.

It should be noted that there is currently no clearly defined definition of (legal, regulatory, or otherwise), nor market consensus as to what constitutes a “social bond” or an equivalently labeled program or as to what precise attributes are required for a particular program to be defined as “social” or such other equivalent label. No assurance can be given that such a clear definition will develop over time, or that, if developed, will include the program to be financed with the Series 2022A Bond proceeds. Accordingly, no assurance is or can be given to investors that any uses of the Series 2022A Bonds will meet investor expectations regarding such “social” or other equivalently labeled performance objectives.

Furthermore, the term “Social Bonds” is neither defined in nor related to provisions in the Corporation Resolution. The use of such term herein is for identification purposes only and is not intended to provide or imply that an owner of Social Bonds is entitled to any additional security beyond that provided therefor in the Corporate Resolution. Holders of Social Bonds do not assume any specific risk

with respect to any of the Series 2022A New Money Program Securities by reason of the Series 2022A Bonds being designated as Social Bonds, and such Series 2022A Bonds are secured on a parity with all other Bonds issued and to be issued under the General Bond Resolution.

Use of Proceeds. The core component of a Social Bond is the use of proceeds of the Social Bond consistent with the Social Bond Principles. The Social Bond Principles include project categories for the most commonly used types of projects (defined as “Social Projects”) supported by or expected to be supported by the Social Bond market. Social Projects include “affordable housing.” The Corporation’s programs, as summarized below, provide affordable housing in the State and serve certain of the target populations included by the ICMA in the Social Bond Principles such as (i) excluded and/or marginalized populations and (ii) communities that are underserved regarding affordable homeownership. The Corporation’s Social Bonds designation also reflects the process by which the Corporation has determined that its activities further advance affordable housing in the State, including the way the Corporation tracks the use of Series 2022A Bond proceeds to fund its affordable housing programs and reports on such activities. The proceeds of the Series 2022A Bonds will be used to finance the purchase of Series 2022A Program Obligations pursuant to the Corporation’s Program. See “**THE PROGRAM**” and “**TAX MATTERS**” herein.

Program Evaluation and Selection. Mortgage Loans funded by the proceeds of the Series 2022A Bonds will be originated by participating Lenders and are expected to be consistent with the Program, as described in “**THE PROGRAM**” herein.

Management of Proceeds. Net of certain transaction costs, the proceeds of the Series 2022A Bonds will be invested in Permitted Investments until disbursed to finance the Series 2022A Program Obligations and the acquisition of the Transferred Program Securities. Such disbursements will be tracked by the Corporation and the Mortgage Loans are tracked for compliance with Program requirements.

Reporting. The Corporation will provide annual updates regarding the disbursement of the lendable proceeds of the Series 2022A Bonds, generally in the form included in “**APPENDIX I - FORM OF SOCIAL BONDS ANNUAL REPORT**”. Once all the lendable proceeds of the Series 2022A Bonds have been fully expended, no further updates will be provided.

The Corporation expects to post these updates as voluntary filings on EMMA (as hereinafter defined). Although the Corporation intends to provide such updates, the Corporation is not required to provide these updates pursuant to its Continuing Disclosure Agreement (as hereinafter described) with respect to the Series 2022AB Bonds or any other agreement to provide continuing disclosure and the failure to do so will not constitute an event default thereunder or under the General Bond Resolution.

Mission & Summary Statistics

The Corporation’s mission is to assist in providing a range of affordable housing opportunities for Mississippi, including through the Corporation’s Program which advances the Corporation’s mission by, among other things, financing Mortgage Loans for owner-occupied housing for persons and families of low and moderate income in the State. With few exceptions, such homebuyers at the time of the funding of a Mortgage Loan satisfy the “first-time homebuyers restrictions,” discussed further herein. Moreover, the Series 2022A Second Mortgage Loans, made to Mortgagors in connection with the making of a related Series 2022A First Mortgage Loan, assist Eligible Borrowers with down payment and closing costs associated with the purchase of a home. See “**INTRODUCTION**,” “**THE PROGRAM**” and “**TAX MATTERS**” herein.

The Corporation's historical information from 2018 through November 30, 2021 demonstrates that, under the Corporation's Program, the Corporation purchased approximately \$357,648,927 of Program Securities from proceeds of its Bonds to finance 2,736 Mortgage Loans to qualified homebuyers, over 69% of which proceeds served populations below 100% Area Median Income ("AMI") and 41% of which served populations below 80% AMI, as broken down by AMI banks in the table below. These Mortgage Loans were provided to residents throughout the State and approximately 52% of the Eligible Borrowers identified themselves as Black/Hispanic/Latino. The average Eligible Borrower household income was \$48,212. 100% of such Eligible Borrowers received down payment and closing costs assistance from the Corporation. The Corporation's down payment and closing cost assistance programs are described in greater detail herein under the heading "INTRODUCTION" and "THE PROGRAM."

GOVERNMENT NATIONAL MORTGAGE ASSOCIATION PROGRAM

The summary of the Ginnie Mae Program, Ginnie Mae Certificates and other documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the Ginnie Mae Guide (copies of which may be obtained from Ginnie Mae at the Office of Mortgage-Backed Securities, 451 Seventh Street, S.W., Washington, D.C. 20410) and to the Ginnie Mae Certificates and other documents for full and complete statements of their provisions.

General

Ginnie Mae is a wholly owned corporate instrumentality of the United States of America within the Department of Housing and Urban Development ("HUD") whose principal office is located in Washington, D.C.

Ginnie Mae is authorized by Section 306(g) of Title III of the National Housing Act to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by trusts or pools composed of mortgage loans insured or guaranteed under the National Housing Act, Title V of the Housing Act of 1949, the Servicemen's Readjustment Act, Chapter 37 of Title 38 of the United States Code or Section 184 of the Housing and Community Development Act of 1992 or guaranteed by the USDA/RD under its guaranteed Single Family Rural Housing Program. Section 306(g) further provides that "the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty by Ginnie Mae." An opinion, dated December 9, 1969, of an Assistant Attorney General of the United States states that such guarantees under Section 306(g) of mortgage-backed certificates are authorized to be made by Ginnie Mae and "would constitute general obligations of the United States backed by its full faith and credit."

There are two Ginnie Mae MBS programs, Ginnie Mae I and Ginnie Mae II. Any Ginnie Mae Certificate acquired pursuant to the Program will be a "fully modified pass-through" security (guaranteed by Ginnie Mae pursuant to its Ginnie Mae I or Ginnie Mae II MBS program) which will require the servicer to pass through to the holder thereof the regular monthly payments on the underlying mortgage loans (less the service fees), whether or not the servicer receives such payments from the mortgagors on the underlying mortgage loans, plus any unscheduled recoveries of principal of the mortgage loans received by the servicer during the previous month. In order to meet its obligations under such guaranty, Ginnie Mae, in its corporate capacity under Section 306(d) of Title III of the National Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable Ginnie Mae, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the Ginnie Mae Certificate. The Treasury Department is authorized to purchase any obligations so issued by Ginnie Mae and has indicated in a letter, dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD, that the Treasury Department will make loans to Ginnie Mae, if needed, to implement the aforementioned guaranty.

Under the terms of its guaranty, Ginnie Mae also warrants to the holder of the Ginnie Mae Certificate that, in the event Ginnie Mae is called upon at any time to make payment on its guaranty of the principal of and interest on the Ginnie Mae Certificate, it will, if necessary, in accordance with Section 306(d) of Title III of the National Housing Act, apply to the Secretary of the United States Treasury Department for a loan or loans in amounts sufficient to make such payments of principal and interest.

Servicing of the Mortgages

Under contractual agreements entered into by and between the servicer and Ginnie Mae, the servicer is responsible for servicing and otherwise administering the mortgage loans underlying the Ginnie Mae Certificates in accordance with generally accepted practices of the mortgage banking industry and the Ginnie Mae Servicer's Guide (the "Ginnie Mae Guide").

The monthly remuneration of the servicer, for its servicing and administrative functions, and the guaranty fee charged by Ginnie Mae are based on the unpaid principal amount of the Ginnie Mae Certificates outstanding. The Ginnie Mae Certificates carry an interest rate that is fixed at .50% below the interest rate on the underlying mortgage loans; the servicing and guaranty fees (equal on a monthly basis to 1/12 of .50% of the outstanding principal balance of the mortgage loans) are deducted from payments on the mortgage loans before payments are passed through to the holder of the Ginnie Mae Certificate.

It is expected that interest and principal payments on the mortgage loans underlying the Ginnie Mae Certificates received by the servicer will be the source of payments on the Ginnie Mae Certificates. If such payments are less than what is due, the servicer is obligated to advance its own funds to ensure timely payment of all amounts coming due on the Ginnie Mae Certificates. Ginnie Mae guarantees such timely payment in the event of the failure of the servicer to pay an amount equal to the scheduled payments (whether or not made by the mortgagors on the underlying mortgages).

The servicer is required to advise Ginnie Mae in advance of any impending or actual default on scheduled payments so that Ginnie Mae, as guarantor, will be able to continue such payments as scheduled on the applicable payment date. If, however, such payments are not received as scheduled, the holder has recourse directly to Ginnie Mae.

Default by Servicer

In the event of a default by the servicer, Ginnie Mae shall have the right, by letter to the servicer, to effect and complete the extinguishment of the servicer's interest in the mortgage loans underlying the Ginnie Mae Certificates, and such mortgage loans shall thereupon become the absolute property of Ginnie Mae, subject only to the unsatisfied rights of the owner of the Ginnie Mae Certificate. In such event, Ginnie Mae will be the successor in all respects to the servicer with respect to the transaction and the agreements set forth or arranged for in the Ginnie Mae Guide.

Payment of Principal and Interest on the Ginnie Mae Certificates

Under the Ginnie Mae I Program, the servicer makes separate payments, by the fifteenth day of each month, directly to each owner of Ginnie Mae Certificates for each of the Ginnie Mae Certificates held.

Payment of principal of each Ginnie Mae Certificate is expected to commence on the fifteenth day of the month following issuance of the Ginnie Mae Certificate.

Each installment on a Ginnie Mae Certificate is required to be applied first to interest and then in reduction of the principal balance then outstanding on the Ginnie Mae Certificate. Interest is to be paid at the specified rate on the unpaid portion of the principal of the Ginnie Mae Certificate. The amount of principal due on the Ginnie Mae Certificate shall be in an amount at least equal to the scheduled principal amortization currently due on the mortgage loans. However, payment of principal and interest is to be adjustable as set forth below.

Each of the monthly installments on a Ginnie Mae Certificate is subject to adjustment by reason of any prepayments or other unscheduled recoveries of principal on the underlying mortgage loans. In any event, the servicer will pay to the holder of the Ginnie Mae Certificate monthly installments of not less than the interest due on the Ginnie Mae Certificate at the rate specified in the Ginnie Mae Certificate, together with any scheduled installments of principal, whether or not such interest or principal is collected from the mortgagors, and any prepayments or unscheduled recovery of principal. Final payment shall be made upon surrender of the outstanding Ginnie Mae Certificate.

FEDERAL NATIONAL MORTGAGE ASSOCIATION PROGRAM

The summary of the Fannie Mae MBS Program (as defined below), the Fannie Mae Securities and other documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides and the Fannie Mae Securities and other documents for full and complete statements of their provisions.

Fannie Mae Mortgage-Backed Securities Program

Fannie Mae (formerly the Federal National Mortgage Association) is a federally government-sponsored enterprise organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 et seq.). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market. Fannie Mae is subject to the supervision and regulation of the Federal Housing Finance Agency ("FHFA") to the extent provided in the Housing and Economic Recovery Act of 2008 ("HERA"). The FHFA has placed Fannie Mae into conservatorship.

THE SECURITIES OF FANNIE MAE ARE NOT GUARANTEED BY THE UNITED STATES GOVERNMENT (INCLUDING THE DEPARTMENT OF THE TREASURY) AND DO NOT CONSTITUTE A DEBT OR AN OBLIGATION OF THE UNITED STATES OR ANY AGENCY OR INSTRUMENTALITY THEREOF, INCLUDING THE DEPARTMENT OF THE TREASURY AND FHFA, OTHER THAN FANNIE MAE.

Although the Secretary of the Treasury has certain discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency thereof is obligated to finance Fannie Mae's obligations or to assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae issues securities backed by pools of mortgage loans (the "Fannie Mae MBS Program"). The obligations of Fannie Mae, including its obligations under the Fannie Mae Securities, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

Beginning June 3, 2019, Fannie Mae Securities are issued in the form of Uniform Mortgage-Backed Securities. The term "Fannie Mae Securities" includes UMBS issued by Fannie Mae.

The terms of the Fannie Mae MBS Program are governed by the Fannie Mae Guides, as modified by a Pool Contract, and, in the case of mortgage loans such as the Mortgage Loans, a Trust Indenture, dated as of November 1, 1981, as amended (the "Fannie Mae Trust Indenture"), and a supplement thereto to be issued by Fannie Mae in connection with each pool. The Fannie Mae MBS Program is further described in a prospectus issued by Fannie Mae (the "Fannie Mae Prospectus"). The Fannie Mae Prospectus is updated from time to time. No Fannie Mae Prospectus Supplement will be available as to any Fannie Mae Securities acquired pursuant to the Program.

Copies of the Fannie Mae Prospectus and Fannie Mae's most recent annual and quarterly reports and proxy statement are available from Fannie Mae, Office of Investor Relations, 3900 Wisconsin Avenue, N.W., Washington, D.C. 20016.

Fannie Mae Securities

Any Fannie Mae Security acquired pursuant to the Program will represent the entire interest in a specified pool of conventional mortgage loans purchased by Fannie Mae from the servicer and identified in records maintained by Fannie Mae. The conventional mortgage loans backing each Fannie Mae Security will bear interest at a specified rate per annum, and each Fannie Mae Security will bear interest at a lower rate per annum (the "pass-through rate"). The difference between the interest rate on the conventional mortgage loans and the pass-through rate on the Fannie Mae Security will be collected by the servicer and used to pay the servicer's servicing fee and Fannie Mae's guaranty fee. Fannie Mae may change such fee and impose other charges from time to time.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Securities that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the conventional mortgage loans in the pools represented by such Fannie Mae Securities, whether or not received, and the full principal balance of any foreclosed or other finally liquidated mortgage loan, whether or not such principal balance is actually received. THE OBLIGATIONS OF FANNIE MAE UNDER SUCH GUARANTEES ARE OBLIGATIONS SOLELY OF FANNIE MAE AND ARE NOT BACKED BY, NOR ENTITLED TO, THE FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. IF FANNIE MAE WERE UNABLE TO SATISFY SUCH OBLIGATIONS, DISTRIBUTIONS TO THE REGISTERED HOLDER OF FANNIE MAE SECURITIES WOULD CONSIST SOLELY OF PAYMENTS AND OTHER RECOVERIES ON THE UNDERLYING MORTGAGE LOANS AND, ACCORDINGLY, MONTHLY DISTRIBUTIONS TO THE HOLDER OF FANNIE MAE SECURITIES

WOULD BE AFFECTED BY DELINQUENT PAYMENTS AND DEFAULTS ON SUCH MORTGAGE LOANS.

Payments on Mortgage Loans; Distributions on Fannie Mae Securities

Payments on a Fannie Mae Security are made to the owner thereof on the twenty-fifth day of each month (beginning with the month following the month such Fannie Mae Security is issued) or, if such twenty-fifth day is not a business day, on the first business day next succeeding such twenty-fifth day. With respect to each Fannie Mae Security, Fannie Mae will distribute to the beneficial owner an amount equal to the total of (i) the principal due on the mortgage loans in the related pool underlying such Fannie Mae Security during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any mortgage loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose any mortgage loan repurchased by Fannie Mae because of Fannie Mae's election to repurchase the mortgage loan after it is delinquent, in whole or in part with respect to four consecutive installments of principal and interest, or because of Fannie Mae's election to repurchase such mortgage loan under certain other circumstances as permitted by the Fannie Mae Trust Indenture), (iii) the amount of any partial prepayment of a mortgage loan received in the second month next preceding the month of distribution and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Security as reported to the holder thereof in connection with the previous distribution (or, with respect to the first distribution, the principal balance of the Fannie Mae Security on its issue date).

For purposes of distributions, a mortgage loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such mortgage loan has been received, whether or not such full amount is equal to the stated principal balance of the mortgage loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution, but is under no obligation to do so.

FREDDIE MAC PARTICIPATION CERTIFICATES PROGRAM

General

The summary of the Federal Home Loan Mortgage Corporation ("Freddie Mac"), the Freddie Mac Guarantor Program, Freddie Mac PCs and Freddie Mac's mortgage purchase and servicing standards does not purport to be complete and is qualified in its entirety by reference to Freddie Mac's current Mortgage Participation Certificates Offering Circular, any applicable Offering Circular and Pool Supplements, Freddie Mac's current Mortgage Participation Certificates Agreement, as amended, Freddie Mac's Information Statement, any Information Statement Supplements and any other documents made available by Freddie Mac. Copies of these documents can be obtained from Freddie Mac at 8200 Jones Branch Drive, McLean, Virginia 22102. At the time of printing this Official Statement, the documents mentioned above and general information regarding Freddie Mac can be accessed at <http://www.freddiemac.com>. However, NIFA makes no representation regarding the content, accuracy or availability of any such document or any information provided at such web site. Such web site is not part of this Official Statement.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act and Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. Sections 1451-1459 (the "Freddie Mac Act"). Freddie Mac is subject to the supervision and regulation of the Federal Housing Finance Agency ("FHFA") to the extent provided in HERA. The FHFA has placed Freddie Mac into conservatorship.

THE SECURITIES OF FREDDIE MAC ARE NOT GUARANTEED BY THE UNITED STATES GOVERNMENT (INCLUDING THE DEPARTMENT OF THE TREASURY) AND DO NOT CONSTITUTE A DEBT OR AN OBLIGATION OF THE UNITED STATES OR ANY AGENCY OR

INSTRUMENTALITY THEREOF, INCLUDING THE DEPARTMENT OF THE TREASURY AND FHFA, OTHER THAN FREDDIE MAC.

Although the Secretary of the Treasury has certain discretionary authority to purchase obligations of Freddie Mac, neither the United States nor any agency thereof is obligated to finance Freddie Mac's obligations or to assist Freddie Mac in any manner.

Freddie Mac's statutory mission is to provide stability in the secondary market for home mortgages, to respond appropriately to the private capital market and to provide ongoing assistance to the home mortgage secondary market by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for home mortgage financing. The principal activity of Freddie Mac consists of the purchase of first lien, conventional, residential mortgages and participation interests in such mortgages from mortgage lending institutions and the resale of the whole loans and participations so purchased in the form of guaranteed mortgage securities (the "Freddie Mac PCs"). Freddie Mac generally matches its purchases of mortgages with sales of Freddie Mac PCs. Mortgages retained by Freddie Mac are financed with short- and long-term debt and equity capital.

Beginning June 3, 2019, Freddie Mac PCs are issued in the form of Uniform Mortgage-Backed Securities. The term "Freddie Mac PCs" includes UMBS issued by Freddie Mac. Freddie Mac PCs issued prior to June 3, 2019, may be exchanged by holders thereof for UMBS issued by Freddie Mac.

Freddie Mac PCs

Each Freddie Mac PC will represent an undivided interest in a pool of fixed-rate, first-lien conventional mortgage loans or FHA- and VA-guaranteed mortgage loans, or participation interests therein. Freddie Mac guarantees to each registered holder of an Freddie Mac PC that it will distribute amounts representing such holder's proportionate interest in interest payments on the mortgage loans in the pool represented by such Freddie Mac PCs (less servicing and guarantee fees aggregating the excess of the interest on such mortgage loans over the Freddie Mac PCs' pass-through rate), whether or not such amount is actually received. With respect to certain Freddie Mac PCs, Freddie Mac guarantees the holder's proportionate interest in scheduled principal payments on such mortgage loans, if timely received, and also guarantees ultimate collection of scheduled principal payments, prepayments of principal and the remaining principal balance in the event of a foreclosure or other disposition of a mortgage loan. With respect to such Freddie Mac PCs, Freddie Mac may remit the amount due on account of its guarantee of collection of principal at any time after default on an underlying mortgage, but not later than (i) 30 days following foreclosure sale, (ii) 30 days following payment of the claim by any mortgage insurer or (iii) 30 days following the expiration of any right of redemption, whichever occurs later, but in any event no later than one year after demand has been made upon the mortgagor for accelerated payment of principal. Freddie Mac PCs may also include those Freddie Mac PCs (the "Fully Guaranteed Freddie Mac PCs") as to which Freddie Mac has guaranteed the timely payment of the holder's proportionate interest in scheduled principal payments on the underlying mortgage loans, as calculated by Freddie Mac.

THE OBLIGATIONS OF FREDDIE MAC UNDER ITS GUARANTEES ARE OBLIGATIONS SOLELY OF FREDDIE MAC AND ARE NOT BACKED BY, OR ENTITLED TO, THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. IF FREDDIE MAC WERE UNABLE TO SATISFY SUCH OBLIGATIONS, DISTRIBUTIONS TO THE REGISTERED HOLDERS OF FREDDIE MAC CERTIFICATES WOULD CONSIST SOLELY OF PAYMENTS AND OTHER RECOVERIES ON THE UNDERLYING MORTGAGE LOANS AND, ACCORDINGLY, MONTHLY DISTRIBUTIONS TO THE HOLDERS OF FREDDIE MAC CERTIFICATES WOULD BE AFFECTED BY DELINQUENT PAYMENTS AND DEFAULTS ON SUCH MORTGAGE LOANS.

Conforming Loan Limits

The Freddie Mac Act limits the maximum original principal amount of single-family mortgages that Freddie Mac may purchase. These limits are referred to as “conforming loan limits.” For loans delivered during 2021, Freddie Mac’s conforming loan limit for a first lien conventional single-family mortgage is \$548,250 for a one-family dwelling in Mississippi. The conforming loan limit for second-lien mortgages, if any, is 50 percent of the limit for first-lien mortgages on one-family dwellings. When Freddie Mac purchases both the first-lien and second-lien mortgage on the same property, the Freddie Mac Act provides that the total amount Freddie Mac may purchase may not exceed the applicable conforming loan limit.

The Freddie Mac Act also prohibits Freddie Mac from purchasing first-lien conventional single-family mortgages if the outstanding principal balance at the time of purchase exceeds 80 percent of the value of the real property securing the mortgage unless Freddie Mac has a level of credit protection (such as mortgage insurance from an approved mortgage insurer, a seller’s agreement to repurchase or replace any mortgage that has defaulted) or the retention of at least a 10 percent participation interest in the mortgages by the seller. This requirement does not apply to FHA- or VA-guaranteed mortgage loans.

The single-family mortgages purchased and guaranteed by Freddie Mac generally are subject to the credit, appraisal, underwriting and other purchase policies and guidelines set forth in Freddie Mac’s *Single-Family Seller/Servicer Guide*. Freddie Mac may modify these guidelines or grant waivers for certain mortgages that it purchases.

Servicing of the Mortgages

Freddie Mac services or supervises the servicing of the mortgages it purchases. In performing its servicing responsibilities, Freddie Mac may employ servicing agents or independent contractors. Each such servicer generally is required to perform all activities concerning the calculation, collection and processing of mortgage payments and related borrower inquiries, as well as all mortgage administrative responsibilities, including claims collection, workouts, foreclosures and reports. Servicers service mortgages, either directly or through approved subservicers, and receive fees for their services. Freddie Mac monitors a servicer’s performance through periodic and special reports and inspections to ensure it complies with its obligations.

The interest rates of the mortgages in mortgage pools underlying a Freddie Mac PC are the Freddie Mac PC interest rate plus any minimum required servicing, management and guarantee fees. Subject to certain adjustments, Freddie Mac will retain from monthly interest payments on each mortgage a management and guarantee fee, which equals any interest received by Freddie Mac from the servicer over the amount of interest payable to holders of the Freddie Mac PC.

THE PROGRAM

General Description

The Mortgage Loans which back the Program Securities were or will be first mortgage liens on Residential Housing Units in the State, senior to any Second Mortgage Loan. Residential Housing Units may include condominium units or units in a planned unit development (“PUD”), single family attached and detached residences meeting the requirements of FHA, USDA/RD, VA or the PMI Insurer, as applicable, and the Ginnie Mae Guide, the Fannie Mae Guide or the Freddie Mac Guide, as applicable. Mortgage Loans have been or must be made to persons or families of low or moderate income who qualify for such financing based upon the income limits established from time to time by the Department of Housing and Urban Development with adjustments allowed under the Code.

Each Series 2022A First Mortgage Loan has been or must be secured by a first mortgage lien on the Residential Housing Unit acquired thereby, and made substantially in accordance with the Lender's then current underwriting policies, all other requirements established by the Origination Agreements and the Code subject to the final review of the Corporation. In addition, Mortgage Loans which back Ginnie Mae Certificates must satisfy the then current underwriting policies of FHA, USDA/RD or VA, as applicable, and the then current criteria set forth in the Ginnie Mae Guide. Mortgage Loans which back Fannie Mae Securities must satisfy the then current underwriting policies of the PMI Insurer, if any, and the then current criteria set forth in the Fannie Mae Guide. Mortgage Loans which back Freddie Mac PCs must satisfy the then current underwriting policies of the Freddie Mac Act, and the then current criteria set forth in the Freddie Mac Guide.

Each Mortgage Loan that backs a Transferred Program Security and each Series 2022A First Mortgage Loan has or shall (a) provide for substantially level monthly payments of principal and interest due the first day of each month (which payments shall be accompanied by amounts for deposit in an escrow account to provide for timely payment of taxes and insurance), (b) have an original term of 360 months, (c) be assumable only under the terms and conditions set forth in the Origination Agreements and described herein, (d) comply in all respects with the Origination Agreements, the Ginnie Mae Guide, the Fannie Mae Guide, the Freddie Mac Guide and FHA, USDA/RD, or VA rules and regulations, as applicable, (e) be in a principal amount not exceeding such amount as conforms to the eligibility and credit underwriting standards specified in the Origination Agreements and the applicable limitations of FHA, USDA/RD, or VA, as applicable, and the Ginnie Mae Guide, the Fannie Mae Guide or the Freddie Mac Guide, as applicable, (f) be the subject of a mortgagee's title insurance policy, and (g) be the subject of appropriate standard hazard insurance as long as the Mortgage Loan is outstanding. See "**THE PROGRAM - Insurance or Guarantee**" herein.

Series 2022A Second Mortgage Loans will be made to Mortgagors in connection with the making of a related Series 2022A First Mortgage Loan. Series 2022A Second Mortgage Loans will be secured by a Second Mortgage on the acquired Residential Housing Unit, will be subordinate to the related Series 2022A First Mortgage Loan, and may be subordinate to other mortgages on the real property that are included in the Mortgagor's financing of the acquisition of the financed Residential Housing Unit. Series 2022A Second Mortgage Loans will have a term of ten years, will be non-interest bearing loans, and may be subject to automatic reductions in principal upon the occurrence of certain specified events, as appropriate pursuant to the Corporation's Program and the Corporation's objectives to be accomplished through the delivery of such Series 2022A Second Mortgage Loans. The Corporation expects that Series 2022A Second Mortgage Loans in connection with the Series 2022A Bonds will be made by a Lender to each Mortgagor in the amount of \$7,000. The Corporation will reimburse each Lender for each Series 2022A Second Mortgage Loan advance when the Corporation physically receives from such Lender all required documentation under the Program.

It is the initial intention of the Corporation that no principal on the Series 2022A Second Mortgage Loans will be due thereon during the term of such Series 2022A Second Mortgage Loan unless (i) the Residential Housing Unit purchased with the related Series 2022A First Mortgage Loan is sold during such period, (ii) the Series 2022A First Mortgage Loan related to the Second Mortgage Loan is refinanced, (iii) the Residential Housing Unit ceases to be the Mortgagor's primary residence, or (iv) there is a default under the Series 2022A First Mortgage Loan related to the Series 2022A Second Mortgage Loan; *provided, however*, that in the event of certain refinancings of any Mortgage Loan the Corporation, in its sole discretion, reserves the right to allow a Second Mortgage Loan to remain outstanding but subordinate to any new mortgage made in connection with such refinancing. If none of the events described in the preceding sentence occur during the ten year term of the Series 2022A Second Mortgage Loan, 100% of the original principal of the related Series 2022A Second Mortgage Loan will be forgiven and satisfied by the Corporation on the tenth anniversary of the origination thereof.

Federal Tax Law Requirements

The Code provides that the interest on qualified mortgage bonds will not be included in the gross income of the owners thereof if, among other requirements, all of the proceeds of the applicable Series of Bonds remaining after the payment of costs of issuance and the funding of a reasonably required reserve fund (the “lendable proceeds”) are applied to the purchase of mortgage loans of which at least ninety-five percent (95%) of such mortgage loans complied with certain mortgage eligibility requirements described below at the time such mortgage loans were made. The Code provides that (a) in determining whether ninety-five percent (95%) of the lendable proceeds of the issue are used to make mortgages satisfying the mortgage eligibility requirements the issuer of the bonds may rely on certain specified certifications and closing affidavits of mortgagors and sellers and certain specified examinations made by the issuer or its agent, (b) the issuer must in good faith attempt to meet all of the mortgage eligibility requirements before the mortgages are executed, and (c) the issuer must correct any failure of a mortgage loan to meet such requirements within a reasonable period after such failure is discovered. The Corporation has covenanted to comply with the Code and the procedures required by the Origination Agreements, and the Origination Agreements include the certifications and closing affidavits and examinations which the Code specifies may be relied upon by the Corporation in determining compliance with such requirements. These requirements and procedures are summarized below.

First-Time Homebuyer Requirement. The Code requires that at least ninety-five percent (95%) of the net lendable proceeds of a Series of Bonds be used to finance residences of Eligible Borrowers who have not had a present ownership interest in a principal residence during the three-year period preceding the date on which the Mortgage is executed. The portion of such proceeds used to make Mortgage Loans in Targeted Areas is treated as used for such purpose. Under the Code the Corporation may rely on its or its agents’ examination of the most current year’s federal income tax returns or transcripts, Mortgagor’s credit reports, Fraud Guard or equivalent report containing the Ownership and Occupancy module and the Mortgagor’s certifications and closing affidavit to ascertain compliance with this requirement. The Origination Agreements require each Lender to obtain, and the Lender and the Corporation to examine, for each of the preceding three years federal income tax returns of each of the Mortgagors or a Mortgagor’s certifications containing the statement that such Mortgagor was not required by law to file any such income tax returns for such year.

Residence Requirement. As required by the Code, all residences for which owner-financing is provided must be Residential Housing Units located within the State. Both the Corporation and the Eligible Borrowers must reasonably expect that the financed residence will become the Mortgagor’s principal residence within a reasonable time (60 days) after the Mortgage Loan is executed or assumed. The Origination Agreements require each Lender to obtain from each Mortgagor a certification that at the closing of the Mortgage Loan such Mortgagor intends to make the Residential Housing Unit its principal residence within 60 days from the date of such closing. Under the Code, the Corporation may rely on such certification for purposes of ascertaining compliance with this requirement.

Income Limitations. As required by the Code, the family income of each Mortgagor may not exceed the applicable percentage of the current median gross income for the area of the State in which such Residential Housing Unit is located. The Maximum Permissible Family Income Limit under the Code ranges from 100% to 140% of current area median gross income, depending on the particular county in which the Residential Housing Unit is located and the number of persons in the family. The Program requires that Eligible Borrowers supply a certification and closing affidavit setting forth their family income. Under the Code, the Corporation may rely on such certifications and closing affidavits for purposes of ascertaining compliance with this requirement.

Acquisition Price Limitations. The Code requires that the “acquisition cost” (as defined in the Code) of each Residential Housing Unit being financed may not exceed 90% (110% in the case of residences located in a Targeted Area) of the average area purchase price applicable to such Residential

Housing Unit. The determination of the average area purchase price applicable to each Residential Housing Unit being financed must be made as of the date on which the Lender commits to make the Mortgage Loan or, if earlier, the date of purchase of the Residential Housing Unit.

In accordance with the Code, the United States Treasury Department publishes certain “safe harbor” average area purchase price limitations for Residential Housing Units financed by bond-financed mortgage loans. The Program requires that the Eligible Borrowers supply a certification setting forth the Acquisition Cost of the Residential Housing Unit and certifying that the Residential Housing Unit is a completed residential unit that includes only such land as reasonably maintains the basic livability of the Residential Housing Unit. The Code prohibits the financing of a residence which will be used in the trade or business of a Mortgagor; accordingly, the Program requires that the Eligible Borrowers certify that they do not expect to so use the mortgaged property. Under the Code, the Corporation may rely on such certifications and closing affidavits for purposes of ascertaining compliance with these requirements.

New Mortgage Requirement. The Code does not allow proceeds of a qualified mortgage issue to be used to acquire existing mortgages or to refinance existing loans, except construction period loans, bridge loans or other similar temporary initial financing of 24 months or less. The Origination Agreements each require that all Eligible Borrowers supply a Borrower certification certifying that the Mortgage Loan proceeds will not be used in a manner which would violate this requirement. Under the Code, the Corporation may rely on such certifications and closing affidavits for purposes of ascertaining compliance with this requirement.

Requirements Relating to Assumptions. The Code requires that any mortgage loan financed with the proceeds of a qualifying mortgage issue may be assumed only if the applicable mortgage eligibility requirements relating to principal residence, absence of home ownership for the prior three years, intent to occupy the residence, income limitations, and acquisition cost limitations applicable to a newly-originated mortgage loan, are met with respect to the assumption. The determination as to compliance with these requirements is to be made as of the date on which the mortgage loan is being assumed. Accordingly, the Corporation must determine the relevant average area purchase prices and the current applicable median family income and must assure compliance with each of the applicable requirements of the Code for any such assumptions. The Origination Agreements provide that any person or family assuming a Mortgage Loan must meet each of the eligibility requirements and be approved by the Corporation in the same manner as newly originated mortgages are approved.

Correction of Non-Compliance. The Code provides that issuers of mortgage backed securities are required to cure any failure of a Mortgage Loan to comply with Code requirements within a reasonable time after discovery of such failure. The Origination Agreements require the Lenders to repurchase any such defective Mortgage Loans at the direction of the Corporation, and the Mortgage documents provide that if a Mortgagor under a Mortgage Loan is found not to be an Eligible Borrower, such Mortgage Loan may be declared immediately due and payable.

Targeted Area Requirement. The Code requires issuers of mortgage backed securities to make available an amount of funds totaling at least the lesser of (a) twenty percent (20%) of the lendable proceeds of the non-refunding portion of bonds, or (b) forty percent (40%) of the average annual aggregate principal amount of mortgages executed in the preceding three calendar years for single family owner-occupied residences located in Targeted Areas (together, as applicable, the “Targeted Area Requirement”), to purchase mortgage loans made to finance the purchase of Residential Housing Units in the Targeted Areas for a period of at least one year from the date bond proceeds are first made available for the origination of Mortgage Loans and to use reasonable diligence to place such funds in qualified mortgages in Targeted Areas. The Code specifically permits the purchase of a mortgage loan made to an Eligible Borrower who had a present ownership interest in a principal residence within the three-year period next preceding the execution of the Mortgage if the residence financed with the proceeds of the Mortgage Loan is located within a Targeted Area. The Code provides that an issue is treated as satisfying the Targeted Area

requirements of the Code if (i) the issuer in good faith attempted to meet these requirements, and (ii) any failure to meet these requirements is due to inadvertent error after taking reasonable steps in complying with such requirements.

Information Reporting Requirement. The Code requires issuers of mortgage revenue bonds to file information reports with the Internal Revenue Service. The Corporation is required to file annual information reports containing information on the borrowers of the original proceeds of a Series of Bonds. These annual reports are required to be filed with respect to the one-year reporting periods ending June 30th of each year that Mortgage Loans were originated under the Program, and must be filed by August 15th of each such year. The Corporation has covenanted to file the reports required to be filed. The Code provides that an issue is treated as satisfying the information reporting requirements of the Code if the issuer in good faith attempted to meet such requirements.

Arbitrage Requirements. The Code contains special arbitrage provisions applicable to issues of tax exempt bonds. The Code requires that issuers pay to the United States of America certain investment earnings on nonpurpose investments (investments other than mortgages) to the extent that the amount of such earnings exceeds the amount that would have been earned on such investments if those investments were earning a return equal to the yield on the issue.

Recapture Provision. The Code requires a payment to the United States of America from certain Mortgagors with respect to Mortgage Loans originated after December 31, 1990 upon sale or other disposition of their homes financed by a Mortgage Loan (the "Recapture Provision"). The Recapture Provision requires that an amount determined to be the subsidy provided by qualified mortgage bond financing (but not in excess of 50% of the gain on the sale) be recaptured on disposition of the house within nine years of the later of the closing or assumption of the Mortgage Loan. The recapture amount increases over the period of ownership, with full recapture occurring if the house is sold at the end of the fifth year. The recapture amount declines ratably to zero with respect to sales occurring in years six through nine. An exception excludes from recapture part or all of the subsidy in the case of assisted individuals whose income is less than prescribed amounts at the time of the disposition.

Origination and Purchase

In connection with each Mortgage Loan, the Lender may charge and collect from the Mortgagor, the seller of a Residential Housing Unit or the Corporation at the time of closing of the Mortgage Loan, total origination fees not in excess of the fees then authorized by the Corporation (currently from one percent (1.00%) to one and one-half percent (1.50%) of the principal amount of such Mortgage Loan). In addition, the Lender may collect from the Eligible Borrower or the seller all reasonable and customary out-of-pocket costs permitted by law paid or incurred by Lender. Such fees and expenses may be collected only once in connection with the origination of the Mortgage Loan and shall not exceed limits established from time to time by federal law or State law and in any event may not exceed like amounts charged in such area in cases where owner financing is not provided through tax-exempt revenue bonds.

With respect to a unit of a condominium or a PUD, such unit must be acceptable to FHA, VA, or USDA/RD, as applicable, and Ginnie Mae, Fannie Mae or Freddie Mac standards, as applicable. There is no restriction on the percentage of condominium or PUD Mortgage Loans that a Lender may originate.

The Lenders are required to consider each application for a Mortgage Loan in the order in which received, on a fair and equal basis. A Lender is not permitted to arbitrarily reject a Mortgage Loan application because of the location and/or age of the property and will not, in the case of a proposed Mortgagor, arbitrarily vary the terms of a Mortgage Loan or the application procedures therefore or reject a Mortgage Loan applicant because of the race, color, religion, national origin, age, sex or marital status of such applicant. In addition, Mortgage Loans can be made only to those persons who certify their intent to

occupy the property as their principal residence and whose Annualized Monthly Income does not exceed the Maximum Permissible Family Income Limit.

Insurance or Guarantee

All Mortgage Loans which back Ginnie Mae Certificates, if any, are required to be insured by FHA or guaranteed by either USDA/RD or VA before they are pooled by a Servicer and delivered to Ginnie Mae upon the issuance of a Ginnie Mae Certificate. FHA's authority to issue commitments to insure the Mortgage Loans is subject to a statutory limit on the dollar amount of commitments to insure that FHA may issue during a federal fiscal year.

All Mortgage Loans which back Fannie Mae Securities, if any, will be required to be insured by a policy of private mortgage insurance to the extent required by Fannie Mae before they are pooled by a Servicer and delivered to Fannie Mae upon the issuance of a Fannie Mae Security.

All Mortgage Loans which back Freddie Mac PCs, if any, will be required to be insured by a policy of private mortgage insurance to the extent required by Freddie Mac before such Mortgage Loans are pooled by a Servicer and delivered to Freddie Mac upon the issuance of a Freddie Mac Participation Certificate.

Lenders; Reservation System

Each Lender must be either a commercial bank, savings and loan association, or a mortgage banking institution approved by the Corporation which is (a) currently participating in the local private home lending market in the State and (b) an FHA approved mortgagee, a USDA/RD eligible lender, a VA approved lender, a Fannie Mae approved lender, or a Freddie Mac approved lender.

Funds made available for the origination of Mortgage Loans are not allocated or assigned to any particular Lender, but are reserved on a first-come, first-served basis for all Lenders. Lenders may reserve available funds for Mortgage Loans on a case-by-case basis by registering the loan online on the Corporation's website or other electronic means acceptable to the Corporation. The Corporation will, upon such request, reserve the amount requested for a particular Mortgage Loan. It is a condition to any such reservation that within ten calendar days following any such reservation by registering the loan online on the Corporation's website or other electronic means, the Corporation must physically receive from the Lender, among other things, the following with respect to each reservation: (a) a copy of the real estate purchase contract executed by both the proposed Mortgagor(s) and seller(s); (b) a copy of the executed Mortgage Loan application; (c) Original Potential Recapture Federal tax form, if any, executed by the proposed Mortgagor(s) and Lender; (d) the Original Notice to Borrower – Second Mortgage form executed by the proposed Mortgagor(s); (e) Mortgage Revenue Bond ("MRB") Reservation form; (f) MRB Reservation Confirmations; (g) MRB Program Checklist; and (h) a copy of the Homebuyers Education Certificate. The Corporation presently maintains a policy that once the Corporation has allocated or assigned an amount of Mortgage Loans to be reserved by a Lender, under no circumstances will the Corporation allow the Lender to cancel the reservation and/or allow a borrower to subsequently request, under the same Lender or a different Lender, a new reservation from a subsequent issue of the Corporation's bonds which carries a lower Mortgage Loan interest rate than the Mortgage Loan interest rate of the initial reservation.

Servicing of the Mortgage Loans

Each Servicer will service the Mortgage Loans which back the Program Securities issued by such Servicer and will have full power and authority, acting alone, to take such actions as may be necessary to discharge its duties with respect to servicing. Each Servicer shall be entitled to a monthly servicing fee, and, under certain circumstances, compensation from insurance proceeds or liquidation proceeds. Additional compensation in the form of late payment charges, assumption fees, or otherwise may be

received by a Servicer to the extent permitted by law and by Ginnie Mae, Fannie Mae and Freddie Mac, as applicable, and FHA, USDA/RD, VA or the PMI Insurer, as applicable. Each Servicer shall be required to pay all expenses incurred by it in connection with its servicing activities under its related Servicing Agreements (including maintenance of its errors and omissions insurance policy and fidelity bond) and shall not be entitled to reimbursement therefore, except as specifically provided in the Servicing Agreements.

Each Servicer is required to perform all of its duties in servicing Mortgage Loans with due care, diligence and reasonable promptness and to use at least the same degree of care in servicing Mortgage Loans under the Program as it employs in servicing mortgage loans in its own portfolio. The Servicer is required to conform to at least the minimum requirements established by Ginnie Mae, Fannie Mae or Freddie Mac, as applicable.

PROGRAM ASSUMPTIONS AND BONDHOLDERS' RISKS

Program Assumptions

The Sinking Fund Installments and maturities of the Series 2022AB Bonds have been established in part on the basis of the consolidated scheduled payments of Program Securities under the General Bond Resolution. The interest rates to be borne by the Series 2022A New Money Program Securities are established, from time to time, at rates so that, together with the Transferred Program Securities, payments of principal of and interest on the Series 2022A New Money Program Securities expected to be purchased and acquired with the proceeds of the Series 2022A Bonds, plus the moneys on deposit in the various Funds and Accounts under the General Bond Resolution, including earnings thereon (except for amounts in the Rebate Accounts), will generate sufficient revenues to pay on a timely basis the principal of, premium, if any, and interest on the Series 2022A Bonds. The sufficiency of such revenues is based on the following assumptions:

(a) Series 2022A New Money Program Securities in the aggregate principal amount of approximately \$71,556,000 and Series 2022A Second Mortgage Loans in the aggregate principal amount of approximately \$3,444,000 will be purchased by the Trustee on behalf of the Corporation on or prior to August 1, 2022. It is anticipated that substantially all of such Series 2022A New Money Program Securities will be Ginnie Mae Certificates.

(b) All Series 2022A New Money Program Securities will be secured by Series 2022A First Mortgage Loans which provide for level monthly payments of principal and interest and which bear interest at an assumed weighted average rate of approximately 3.14% per annum. An amount equal to approximately one-half of one percent (0.50%) per annum of the aggregate outstanding principal amount of the Mortgage Loans is paid to the related Servicer for the guarantee and servicing fees resulting in a Pass-Through Rate on Series 2022A New Money Program Securities equal to an assumed weighted average rate of approximately 2.64% per annum.

(c) On or prior to March 1, 2022, a portion of the proceeds of the Series 2022B Bonds in the amount of approximately \$4,000,000 will be used to currently refund the Refunded Bonds and as a result of the refunding, Transferred Program Securities relating to the Refunded Bonds will transfer to and become allocated to and provide security for the Series 2022AB Bonds. As of November 30, 2021, the Transferred Program Securities were in an aggregate principal amount of approximately \$10,250,000, a weighted average interest rate of approximately 6.51%, a weighted average maturity of approximately 134 months, and a 1 Year PSA and a Lifetime PSA of approximately 215% and 247% respectively.

(d) All Series 2022A Second Mortgage Loans will be secured by a Second Mortgage on the acquired Residential Housing Unit, which Second Mortgage shall be subordinate to the related Series 2022A First Mortgage Loan and which may be subordinate to other mortgages on the real property that are

included in the Mortgagor's financing of the acquisition of the property. Series 2022A Second Mortgage Loans will be non-interest bearing loans that are assumed to be forgiven on the tenth anniversary of the origination of such loan, unless otherwise prepaid and no longer outstanding.

(e) All Series 2022A First Mortgage Loans which back the Series 2022A New Money Program Securities will have level monthly payments of principal and interest over 360 months. The Series 2022A Bond maturities and Sinking Fund Installments are based on an assumed 0% PSA prepayment rate on the related Series 2022A First Mortgage Loans, though such Series 2022A First Mortgage Loans may be prepaid at any time without penalty.

(f) Amounts on deposit in the various Funds and Accounts under the General Bond Resolution allocable to the Series 2022AB Bonds will be invested at 0% per annum until January 1, 2026, 0.50% per annum from January 1, 2026 until January 1, 2028, 1.00% per annum from January 1, 2028 until January 1, 2032, and 1.50% per annum thereafter.

(g) All Senior Expenses with respect to the Series 2022AB Bonds, including the Trustee's Fee and the Corporation's Fee, will be paid in full on a timely basis from investment income on funds held by the Trustee and a portion of interest paid on the Series 2022AB Program Securities; provided, however, that payment of such fees is on parity with the payment of unpaid interest or Principal Amount or Sinking Fund Installments due and payable on the Bonds. See "**APPENDIX B - SUMMARY OF CERTAIN GENERAL BOND RESOLUTION PROVISIONS**" attached hereto.

Special Considerations Relative to the Origination of Mortgage Loans

The Series 2022AB Bonds will be issued on or about January 26, 2022. Subject to the Corporation's right to extend the date for such redemption (see paragraph (e) under "**APPLICATION OF CERTAIN ACCOUNTS UNDER THE SERIES 2022AB RESOLUTION - Application of Acquisition Accounts**"), the Series 2022A Bonds are subject to mandatory redemption from and to the extent that funds remain on deposit in the Series 2022A New Money Acquisition Account of the Program Fund as described under the heading "**THE SERIES 2022AB BONDS - Redemption Provisions - Special Redemption - Redemption of Series 2022A Bonds from Unexpended Proceeds.**"

The staff of the Corporation has conducted interviews and informational meetings with Lenders which have expressed an interest in participating in the Program. See "**THE PROGRAM - Lenders; Reservation System**" herein. The purpose of the interviews, Lender meetings and required Lender trainings either in person or by online webinar has been to explain the financing details of the Program and to attempt to ascertain potential Lender demand for the origination of the Mortgage Loans. Based upon the foregoing, the Corporation reasonably expects that Series 2022A First Mortgage Loans and Series 2022A Second Mortgage Loans in an aggregate principal amount of \$75,000,000 will be originated during the Origination Period. No assurances can be made, however, that such expectation will be realized.

There are numerous reasons why Series 2022A First Mortgage Loans and Series 2022A Second Mortgage Loans may not be originated and Series 2022A Program Obligations not purchased in an aggregate principal amount up to \$75,000,000 thereby triggering mandatory redemption of all or a portion of the Series 2022A Bonds. See "**THE SERIES 2022AB BONDS - Redemption Provisions - Special Redemption - Redemption of Series 2022A Bonds from Unexpended Proceeds.**" One of the principal factors in originating real estate loans is the availability of funds to make such loans at interest rates and on other terms that prospective Mortgagors can afford. The Corporation has determined that there is at the present time a shortage of funds in the State to make such loans at interest rates competitive with the interest rate specified for the Mortgage Loans. This condition could change during the Origination Period for the Mortgage Loans. In addition, the Corporation could issue, and has in the past issued, additional single family mortgage revenue bonds at more favorable rates and terms than the rates and terms on the Mortgage Loans. In the event that, prior to all the Mortgage Loans being originated by the Lenders, funds to make

Mortgage Loans were to become available in the State at rates competitive with those specified for the Mortgage Loans, the Lenders may not be able to utilize all of the funds available for the origination of Mortgage Loans. The table below describes the Corporation’s origination history for the past 10 years.

TABLE OF BOND ISSUANCE AND UNEXPENDED PROCEEDS REDEMPTION
From January 1, 2011 through and including September 30, 2021

Program Year	Bonds Issued to Purchase Program Securities (\$ millions)	Non-Origination Redemptions (\$ millions)
2011	\$100.0	\$0.0
2012	0.0	0.0
2013	0.0	0.0
2014	0.0	0.0
2015	0.0	0.0
2016	20.0	0.0
2017	44.3	0.0
2018	39.2	0.0
2019	124.0	0.0
2020	86.5	0.0
2021	115.1	0.0

The Corporation also has alternate means to finance the acquisition of mortgage-backed securities that is not funded with proceeds of bonds. In addition to funding its single family mortgage production by issuing bonds, the Corporation currently operates its Smart Solution program (the “Smart Solution Program”) to facilitate the financing of mortgage loans. The Smart Solution Program mortgages are (i) made by the Corporation’s participating lenders, (ii) purchased by the Corporation’s master servicer, (iii) pooled and securitized into mortgage-backed securities by the master servicer, and then (iv) such mortgage-backed securities are sold by the master servicer to a third party purchaser. From March 6, 2014 through December 1, 2021, the Corporation’s Smart Solution Program has originated approximately \$381,691,585 of mortgage-backed securities, an estimated \$340,000,000 of which may have been eligible to be financed with federally tax-exempt bonds. The Corporation’s current practice is to establish interest rates for the Mortgage Loans to be purchased with proceeds of the Series 2022A Bonds at rates lower than those offered in connection with the Smart Solution Program, though such practice cannot be guaranteed in the future.

Prior to the Smart Solution Program, from November of 2012 to November of 2013, the Corporation originated approximately \$6.5 million of mortgage loans pursuant to a prior additional third party arrangement.

The Code requires the Corporation to make available an amount of funds totaling at least the lesser of (a) 20% of the lendable proceeds of the Series 2022A Bonds, or (b) 40% of the average annual aggregate principal amount of mortgages executed in connection with Series 2022A Bonds in the preceding three calendar years for single family owner-occupied residences located in Targeted Areas to purchase Mortgage Loans made to finance Residential Housing Units in the Targeted Areas of the State for a period of at least one year from the date such Series 2022A Bond proceeds are first made available for the origination of Mortgage Loans and to use reasonable diligence to place such proceeds in qualified mortgages in Targeted Areas as described under the heading “**THE PROGRAM - Federal Tax Law Requirements - Targeted Area Requirement**” herein. If such portion of the proceeds of the Series 2022A Bonds does not satisfy the requirements of (a) or (b) above, then, the remaining portion of the proceeds of the Series 2022A Bonds on deposit in the Series 2022A New Money Acquisition Account of the Program Fund will be set aside for the purchase of Program Securities, or portions thereof, backed by Mortgage Loans in Targeted Areas to satisfy such requirements of the Code.

For the purposes of Mortgage Loans originated from the remaining portion of the proceeds of the Series 2022A Bonds, out of 82 counties in the State, the Targeted Areas consist of 42 counties and portions of 10 additional counties.

Since the Targeted Area for the purposes of the Series 2022A Bonds will consist of the counties in the State that constitute primarily rural and low income areas that historically have not generated a large number of mortgage loans under the Corporation's prior programs, no assurances can be made that such amounts reserved for the origination of Mortgage Loans in Targeted Areas will be expended within such one year period to originate Mortgage Loans. Moneys reserved for the origination of Mortgage Loans in Targeted Areas must be used to finance Mortgage Loans in Targeted Areas until the termination of the one year reservation period and as otherwise allowed by the Corporation Resolution and the Code.

The Code imposes certain requirements as to the qualification of potential Mortgagors for Mortgage Loans to be acquired by the Servicers under the Program and the purchase price of the residences which may become subject to a Mortgage Loan. These requirements restrict the ability of potential Mortgagors and residential units to qualify for Mortgage Loans and thereby may materially impair the ability of Lenders to originate Mortgage Loans and, consequently, the issuance of Series 2022A New Money Program Securities backed by such Mortgage Loans. The requirements are subject to change and may become more restrictive, thereby resulting in a decrease in the number of potential Mortgagors or residential units eligible for inclusion in the Program. Moreover, the Code may require that some or all of the premium cash advance, if any, offered to Eligible Borrowers by the Corporation as part of the Program be included in the taxable income of such Eligible Borrowers. Such tax treatment may further decrease demand among potential Mortgagors.

The Code requires a payment to the United States of America from certain Mortgagors with respect to loans closed after December 31, 1990 as described under "**THE PROGRAM - Federal Tax Law Requirements - Recapture Provision**" herein (the "Recapture Provision"). The Recapture Provision may result in reduced demand for Mortgage Loans and thereby adversely affect the ability of the lenders to originate Mortgage Loans.

In order to qualify for inclusion in a pool of mortgages securing a Ginnie Mae Certificate, Mortgage Loans must be insured by FHA or guaranteed by VA or USDA/RD. In the event that FHA's authority to insure Mortgage Loans or VA's or USDA/RD's authority to guarantee Mortgage Loans is restricted or withdrawn during the Origination Period, the ability of the Lenders to originate Mortgage Loans could be impaired significantly.

Business Disruption Risk; COVID-19

Certain external events, such as pandemics, natural disasters, severe weather, technological emergencies, riots, acts of war or terrorism or other circumstances, could potentially disrupt the Corporation's ability to conduct its business. A prolonged disruption in the Corporation's operations could have an adverse effect on the Corporation's financial condition and results of operations. No assurances can be given that the Corporation's efforts to mitigate the effects of an emergency or other event will be successful in preventing any and all disruptions to its operations in the event of an emergency.

One such external event is the recent global outbreak of COVID-19 ("COVID-19"), a respiratory disease declared to be a pandemic (the "Pandemic") by the World Health Organization, which is affecting the national capital markets and may negatively impact the State's housing market and its overall economy. The threat from the Pandemic is being addressed on a national, federal, state and local level in various forms, including executive orders and legislative actions.

On March 13, 2020, the President of the United States declared a national emergency with respect to the Pandemic. In addition, the United States Congress recently enacted several COVID-19-related bills,

including the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”), signed into law on March 27, 2020, the Consolidated Appropriations Act (the “COVID Relief Act”), signed into law on December 27, 2020, and the American Rescue Plan Act of 2021 (the “ARP Act”), signed into law on March 11, 2021. The CARES Act provides over \$2 trillion of direct financial aid to American families, payroll and operating expense support for small businesses, and loan assistance for distressed industries, as well as providing funds to and directing the Federal Reserve System to support the capital markets. The COVID Relief Act provides over \$900 billion of direct financial aid to American families, payroll and operating expense support for small businesses, loan assistance for distressed industries, education funding, assistance for vaccine testing, tracing and development, and transportation funding. Among other things, the ARP Act established the \$9.961 billion Homeowner Assistance Fund (the “HAF”) in the Department of Treasury to mitigate financial hardships associated with the Pandemic. The Department of Treasury will allocate more than \$9 billion of the HAF to all states of the United States, the District of Columbia and the Commonwealth of Puerto Rico (collectively, the “HAF States”) based on homeowner need of each HAF State relative to all HAF States as determined by reference to: (a) the average number of individuals who are unemployed and (b) the total number of mortgagors with mortgages that are (i) more than 30 days past due or (ii) in foreclosure. Each HAF State will be allocated no less than \$50 million from the HAF. Each HAF State is required to request such allocated funds within forty-five (45) days of the date of enactment of the ARP Act and any unrequested funds will be reallocated amongst those HAF States that have requested allocated funds. Once disbursed to the HAF States, such funds can be used for certain qualified expenses under the ARP Act which include, among others, mortgage payments, reinstating a mortgage after a period of forbearance, delinquency or default, and payment of utilities, internet service, homeowner’s, flood and mortgage insurance premiums and homeowner’s and condominium association fees and common charges.

Among other things, the CARES Act provides that (a) lenders are prohibited from foreclosing all mortgage loans which are FHA insured, VA, HUD or Rural Housing guaranteed, or purchased or securitized by Fannie Mae or Freddie Mac (collectively, “Federal Single Family Loans”) for a period of sixty (60) days commencing on March 18, 2020 and ended on May 17, 2020, and (b) during the COVID-19 emergency, Federal Single Family Loan borrowers directly or indirectly facing economic difficulties as a result of the coronavirus can seek up to 360 days of payment forbearance. HUD, USDA and VA have extended the timeframe for homeowners with mortgages guaranteed or insured by HUD, USDA or VA to request a forbearance in response to COVID-19 until June 30, 2021 and have expanded forbearance to allow up to two forbearance extensions of up to three months each, in addition to the 360 days authorized under the CARES Act, for certain homeowners who are in a COVID-19 forbearance plan as of June 30, 2020. The Federal Housing Finance Agency (“FHFA”) also expanded its forbearance rules for loans purchased or securitized by Fannie Mae or Freddie Mac to allow up to two forbearance extensions of up to three months each, in addition to the 360 days authorized under the CARES Act, for certain homeowners who are in a COVID-19 forbearance plan as of February 28, 2021. In addition to the foreclosure and eviction relief provided by the CARES Act, HUD/FHA and FHFA also ordered the servicers of Federal Single Family Loans to suspend foreclosures and evictions related to Federal Single Family Loans; HUD/FHA and FHFA have extended their foreclosure and eviction moratoriums for single-family residences until at least June 30, 2021. On September 4, 2020, the Centers for Disease Control and Prevention (the “CDC”), in the federal Department of Health and Human Services, issued an Order (the “CDC Order”) which prevents any entity with a legal right to pursue eviction, or other possessory action, from evicting certain covered persons (as defined in the CDC Order) from residential properties for non-payment through December 31, 2020. The CDC Order was initially extended to January 31, 2021 by the COVID Relief Act and further extended through June 30, 2021 by order of the Director of the CDC. Such foreclosure and eviction moratoriums are subject to possible further extension. On February 25, 2021, the U.S. District Court for the Eastern District of Texas entered a declaratory judgment declaring the CDC Order unconstitutional. The court did not enter an injunction against enforcement of the CDC Order but left open that possibility if the federal government does not abide by the declaratory judgment. The U.S. Department of Justice has appealed the decision to the U.S. Court of Appeals for the Fifth Circuit. In the last several months, several other courts have considered various statutory and constitutional challenges to the CDC

Order. The U.S. District Court for the District of Columbia ruled that the CDC exceeded its authority with the CDC Order. The U.S. Court of Appeals for the Sixth Circuit denied a motion to stay a U.S. District Court decision that held that the CDC Order exceeded the CDC's authority. Two other U.S. District Courts, however, have declined to enjoin the CDC Order at the preliminary injunction stage.

On April 9, 2021, the Consumer Financial Protection Bureau (the "CFPB") published a rule (the "CFPB Proposed Rule") containing certain proposed amendments to the Real Estate Settlement Procedures Act of 1974 ("RESPA"), entitled "Protections for Borrowers Affected by the COVID-19 Emergency Under the Real Estate Settlement Procedures Act (RESPA), Regulation X" (86 Fed. Reg. 18840), pursuant to its authority under RESPA and the Dodd-Frank Wall Street Reform and Consumer Protection Act. Among other things, the CFPB Proposed Rule would establish a temporary COVID-19 emergency pre-foreclosure review period that would generally prohibit servicers from making the first notice or filing required by applicable law for any judicial or non-judicial foreclosure process for principal residences until after December 31, 2021. In the CFPB Proposed Rule, the CFPB proposes that any final rule relating to the CFPB Proposed Rule take effect on or before August 31, 2021, and at least 30 days, or if it is a major rule, at least 60 days, after publication of the final rule in the Federal Register.

The FHFA announced on April 21, 2020, that servicers of Fannie Mae and Freddie Mac Program Securities would have a limited four-month obligation to advance scheduled monthly principal and interest payments for single-family mortgage loans backing Fannie Mae and Freddie Mac Program Securities; once a servicer has advanced four months of missed payments on a loan, it will have no further obligation to advance scheduled payments. Loans backing any such Program Securities that are granted forbearance pursuant to the CARES Act will remain part of the related Program Security during any forbearance term.

The Governor of the State has declared a State emergency with respect to the Pandemic. The Governor has issued numerous executive orders aimed at addressing various aspects of the Pandemic. The Governor has also announced plans for a phased reopening of the State's economy. Each such executive order and plan may be extended or modified as conditions warrant.

As part of the State's response to the Pandemic, the Governor allocated approximately \$8,000,000 of the State's CARES Act funds to the Corporation, for use in a Rental Assistance for Mississippians Program (the "RAMP Program"). The RAMP Program is designed to provide short-term rental assistance, rental arrears, and housing stability case management to eligible individuals and families due to the Pandemic.

The Pandemic is an ongoing situation. At this time, the Corporation cannot predict (i) the duration or extent of the Pandemic or any other outbreak emergency; (ii) the duration or expansion of any foreclosure or eviction moratorium affecting the Corporation's ability to foreclose and collect on delinquent mortgage loans; (iii) the number of Mortgage Loans that will be in forbearance or default as a result of the Pandemic and subsequent federal, state and local responses thereto; (iv) whether and to what extent the Pandemic or other outbreak or emergency may disrupt the local or global economy, real estate markets, manufacturing, or supply chains, or whether any such disruption may adversely impact the Corporation or its operations; (v) whether or to what extent the Corporation or other government agencies may provide additional deferrals, forbearances, adjustments, or other changes to payments on mortgage loans; or (vi) the effect of the Pandemic on the State budget, or whether any such effect may adversely impact the Corporation or its operations. However, the continuation of the Pandemic and the resulting containment and mitigation efforts could have a material adverse effect on the Corporation, its programs, its operations, its finances and rating. See "RATING" herein.

Other Risks

The Corporation intends to utilize Permitted Investments, which may include guaranteed investment contracts or other agreements, to invest amounts on deposit in all Funds and Accounts under

the Series 2022AB Resolution (other than the Rebate Accounts of the Revenue Fund and the Costs of Issuance Account of the Program Fund) from time to time. The Series 2022AB Resolution provides that amounts on deposit in the Series 2022A New Money Acquisition Account may be initially invested under an Investment Agreement. Any such Investment Agreement will obligate the Investment Agreement Provider to make specified payments to the Trustee pursuant to the terms thereof and will not guarantee payment of the principal of or interest on the Series 2022AB Bonds. The Corporation makes no representation about the financial condition or creditworthiness of any Permitted Investments or the providers thereof. Prospective investors are urged to make their own investigations into the creditworthiness and financial condition of each Permitted Investment.

The remedies available to the Owners of the Series 2022AB Bonds upon an event of default under the Corporation Resolution or an event of default under the other documents described herein are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies available under the documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022AB Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by the application of equitable principles.

THE CORPORATION

Purposes and Powers

The Corporation, a public body corporate and politic, separate and apart from the State, was created in 1989 as the legal successor-in-interest to the Mississippi Housing Finance Corporation (“MHFC”). MHFC was created in 1980 as a body public and corporate of the State, pursuant to the Mississippi Housing Finance Corporation Act, Sections 43-33-507, Mississippi Code of 1972, for the purpose of raising funds from private investors to make such private funds available to finance the acquisition, construction and improvement of residential housing for persons of low and moderate income within the State. While granting the Corporation a broader set of powers than those possessed by MHFC, the Mississippi Home Corporation Act, Sections 43-33-701 et seq., Mississippi Code of 1972, as amended (the “Act”), vested all property, rights, and powers of MHFC in the Corporation, subject to all pledges, covenants, agreements and trusts made or created by MHFC.

The Act grants the Corporation the power, among other things, to make loans to mortgage lenders and to purchase loans from mortgage lenders to finance the making of new residential mortgage loans and rehabilitation mortgage loans for the benefit of persons and families of low and moderate income, to include in any borrowing amounts to pay Corporation expenses necessary or incidental to such borrowing, to issue bonds and notes and to do any and all things necessary or convenient to carry out its purposes and exercise the powers granted in the Act.

Membership

The powers of the Corporation are vested in nine (9) members. The Governor, with the advice and consent of the Senate, shall appoint six (6) members of the Corporation, who shall be residents of the State. The Governor shall appoint two (2) members from each Supreme Court District. The Lieutenant Governor shall appoint three (3) members of the Corporation, who shall be residents of the State. The Lieutenant Governor shall appoint one (1) member from each Supreme Court district. Appointments are for terms of six (6) years. Each member shall hold office until his or her successor has been appointed and qualified. Members shall be eligible for reappointment. In the appointment process, the Governor and Lieutenant Governor will attempt to see that all portions of society and its diversity are represented in the membership of the Corporation. In the appointment process, the Governor and Lieutenant Governor will attempt to see

that persons with substantial housing and financial experience are represented in the membership of the Corporation.

The current members of the Corporation are as follows:

Mrs. Temple-Putnam attended Mississippi State University and began her career in the Mortgage Banking industry in 1981 in Dallas, Texas as Vice President of the former Lomas & Nettleton Company.

TAX MATTERS

In the opinion of Butler Snow LLP, Ridgeland, Mississippi, Bond Counsel, under existing laws, regulations, rulings and judicial decisions, assuming compliance with the Origination Agreements, the Servicing Agreements and the Corporation Resolution, and the covenants of the Corporation and the Servicers contained therein, designed to meet the federal tax law requirements described under “**THE PROGRAM - Federal Tax Requirements**” herein, the interest on the Series 2022A Bonds is excludable from gross income of the owners thereof for federal income tax purposes.

The Code imposes additional limitations related to the excludability from gross income for federal income tax purposes of interest on the Series 2022A Bonds. Such limitations include that interest on the Series 2022A Bonds is not a specific preference item for purposes of federal alternative minimum tax.

Although Bond Counsel has rendered its opinion that interest on the Series 2022A Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Series 2022A Bonds may otherwise affect the federal income tax liability of the recipient’s particular tax status of other items of income or deduction. Bond Counsel expresses no opinion on the date of issuance of the Series 2022A Bonds regarding any such consequences. Purchasers of the Series 2022A Bonds, particularly purchasers that are corporations (including subchapter S corporations and foreign corporations operating branches in the United States of America), property or casualty insurance companies, banks, thrifts or other financial institutions or certain recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to claim the earned income credit and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations, are advised to consult their tax advisors as to the tax consequences of purchasing or holding the Series 2022A Bonds.

In addition, Bond Counsel is also of the opinion that interest on the Series 2022AB Bonds is exempt under the Act from taxes directly imposed by the State of Mississippi, except for estate or gift taxes and taxes on transfers.

The proposed form of the opinion to be rendered by Bond Counsel in connection with the issuance of the Series 2022AB Bonds is attached hereto as **APPENDIX D**.

Bond Premium

Series 2022A Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) (“Premium Bonds”) will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner’s basis in a Premium Bond, will be reduced by the amount of amortizable bond premium allocable to the Beneficial Owner. Beneficial Owners of Premium should consult with their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances, including with respect to the state and local tax consequences of the Premium Bonds.

Changes in Federal and State Tax Laws

From time to time, there are legislative proposals introduced and regulatory actions proposed or announced at the federal or state level that, if enacted, could alter or amend directly or indirectly relevant federal and state tax matters, including, without limitation, those mentioned hereinabove or could adversely affect the market value of the Series 2022AB Bonds. It cannot be predicted whether or when or in what form any such legislative or regulatory proposal might be enacted or implemented or whether if enacted or implemented it would apply to tax exempt obligations issued prior to enactment or implementation. In addition, from time to time litigation is threatened or commenced which, if concluded in a particular

manner, could adversely affect relevant tax matters or the market value of the Series 2022AB Bonds. It cannot be predicted how any particular litigation or judicial action will be resolved or whether the Series 2022AB Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 2022AB Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2022AB Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed legislation, regulatory initiatives or litigation.

NO LITIGATION

On the date of issuance of the Series 2022AB Bonds, the Corporation will provide the Underwriters with a certificate to the effect that there is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body where service of process has been effectuated on the Corporation or, to the knowledge of the Corporation, threatened against or affecting the Corporation or, to its knowledge, any basis therefore, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by this Official Statement, or the validity or enforceability of the Series 2022AB Bonds, the Corporation Resolution, the Servicing Agreements or any agreement or instrument to which the Corporation is a party and which is used or contemplated for use in the transactions contemplated by this Official Statement.

APPROVAL OF LEGAL PROCEEDINGS AND VALIDATION

Certain legal matters incident to the authorization, issuance, sale and delivery of the Series 2022AB Bonds will be passed upon by Butler Snow LLP, Ridgeland, Mississippi, Bond Counsel, on the date of issuance of the Series 2022AB Bonds. Certain legal matters in connection with the issuance of the Series 2022AB Bonds will be passed upon for the Corporation by Balch & Bingham LLP, Jackson, Mississippi, and for the Underwriters, by their counsel Jones Walker LLP, Jackson, Mississippi. Prior to issuance and delivery, the Series 2022AB Bonds shall be validated before the Chancery Court of the First Judicial District of Hinds County, Mississippi, as provided in Sections 31-13-1 to 31-13-11 of the Mississippi Code of 1972, as amended.

FINANCIAL ADVISOR

Government Consultants, Inc., Madison, Mississippi (the “Financial Advisor”), is employed by the Corporation as an independent registered municipal advisor in connection with the issuance of the Series 2022AB Bonds and, in such capacity, has responsibility primarily for providing the Corporation with information on interest rates, re-offering prices and underwriting fees on similar financings being sold under current market conditions. The Financial Advisor has not independently verified any of the data contained herein. Accordingly, no assurance is made by the Financial Advisor as to the accuracy or completeness of any information herein. No person is permitted to rely upon the participation of the Financial Advisor as an implicit or explicit expression of opinion as to such completeness and accuracy.

QUANTITATIVE CONSULTANT AND CASH FLOW STATEMENT

cfX Incorporated, New York, New York (“cfX”), is employed by the Corporation as a quantitative consultant pursuant to an engagement agreement. Subject to the terms of the engagement agreement, cfX will provide certain quantitative work products to the Corporation and the Trustee to be utilized in connection with their respective operating obligations related to the Bonds of the General Bond Resolution. Each such work product will be based solely on information provided to cfX by the Corporation and the Trustee, certain assumptions provided to cfX by the Corporation and certain instructions from Bond Counsel. cfX will make no representation with respect to the accuracy of such information or as to the reasonableness of such assumptions and instructions. cfX is not obligated to undertake and has not

undertaken to make an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement and is not obligated to review or ensure compliance with continuing disclosure undertakings.

As a condition to the issuance of the Series 2022AB Bonds, the Corporation will provide the Trustee with its Cash Flow Statement in the form required by the General Bond Resolution. cfX will provide the Corporation with the supporting cash flows to be attached to the Cash Flow Statement in connection with the Series 2022AB Bonds. The supporting cash flows and the conclusions of cfX contained in its accompanying cash flow letter will be based solely on information provided to cfX by the Corporation and certain assumptions provided to cfX by the Corporation, and upon scenarios specified by Moody's to be tested in connection with the issuance of the Series 2022AB Bonds. cfX will make no representation with respect to the accuracy of such information or as to the reasonableness of such assumptions and scenarios. cfX makes no representation that any of the scenarios in any supporting cash flows will reflect the actual course of events or that Revenues will be sufficient to provide for timely payments of interest, principal on the Bonds and expenses.

PLAN OF DISTRIBUTION

The Series 2022AB Bonds are being purchased by Wells Fargo Bank, National Association, Raymond James & Associates, Inc., Duncan-Williams, Inc. and Stephens Inc. (collectively, the "Underwriters") at the purchase prices set forth on the inside cover page hereof. The Underwriters will be paid an underwriting fee of \$520,042.52 in connection with the sale of the Series 2022AB Bonds. The obligation of the Underwriters to accept delivery of the Series 2022AB Bonds is subject to various conditions stated in the Bond Purchase Agreement dated the date hereof by and between Wells Fargo Bank, as representative of the Underwriters and the Corporation.

The Bond Purchase Agreement provides that the Underwriters will purchase all of the Series 2022AB Bonds if any are purchased. The Series 2022AB Bonds are being offered for sale to the public at the prices shown on the inside cover page hereof. The Underwriters reserve the right to lower such initial offering prices as they deem necessary in connection with the marketing of the Series 2022AB Bonds. The Underwriters may offer and sell the Series 2022AB Bonds to certain dealers (including dealers depositing the Series 2022AB Bonds into investment trusts) and others at prices lower than the initial public offering price or prices set forth in the Official Statement. The Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series 2022AB Bonds at levels above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

The Corporation intends to use all of the proceeds from this offering to finance the purchase of Series 2022A Program Obligations and to redeem the Refunded Bonds. To the extent an Underwriter or an affiliate thereof is an owner of Refunded Bonds, such Underwriter or its affiliate, as applicable, would receive a portion of the proceeds from the issuance of the Series 2022AB Bonds contemplated herein in connection with such Refunded Bonds being redeemed by the Corporation.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. In the various course of their various business activities, the underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively traded securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Corporation (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Corporation. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas

and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

Wells Fargo Corporate & Investment Banking (which may be referred to elsewhere as “CIB,” “Wells Fargo Securities” or “WFS”) is the trade name used for the corporate banking, capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association (“WFBNA”), a member of the National Futures Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Finance Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

WFBNA, acting through its Municipal Finance Group, one of the underwriters of the Series 2022AB Bonds, has entered into an agreement (the “WFA Distribution Agreement”) with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name “Wells Fargo Advisors”) (“WFA”), for the distribution of certain municipal securities offerings, including the Series 2022AB Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the Series 2022AB Bonds with WFA. WFBNA has also entered into an agreement (the “WFSLLC Distribution Agreement”) with its affiliate Wells Fargo Securities, LLC (“WFSLLC”), for the distribution of municipal securities offerings, including the Series 2022AB Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

RATING

Moody’s has assigned a rating of “Aaa” to the Series 2022AB Bonds. Such rating reflects only the view of Moody’s at the time such rating is issued. An explanation of the significance of such rating may be obtained from Moody’s Investors Service, Inc., 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, telephone (212) 553-0300. Investors should be aware that any rating assigned to a Series 2022AB Bond by Moody’s will reflect Moody’s assessment solely of the likelihood that holders of such Series 2022AB Bond will receive payments required to be made under the Corporation Resolution. Such rating will not constitute an assessment of the likelihood of the occurrence of principal prepayments on the Mortgage Loans or of the degree to which the timing of such prepayments may differ from that originally anticipated. No such rating will address the possibility that investors in a particular Series 2022AB Bond might suffer a lower than anticipated yield. There is no assurance that the rating of a Series 2022AB Bond will continue for any period of time or that it will not be revised or withdrawn entirely by Moody’s if in its judgment, circumstances so warrant. Therefore, after the date hereof, investors should not assume that such rating is still in effect. A revision or withdrawal of such rating of a Series 2022AB Bond may have an adverse effect on the market price of such Series 2022AB Bond. A security rating is not a recommendation to buy, sell or hold securities. The Corporation has not assumed any responsibility either to notify the owners of any proposed change in or withdrawal of such rating subsequent to the date of the Official Statement, except in connection with the reporting of events as provided in the Continuing Disclosure Agreement (as defined and described below), or to contest any such revision or withdrawal.

CONTINUING DISCLOSURE

The Corporation will enter into a continuing disclosure agreement (the “Continuing Disclosure Agreement”), a form of which is attached hereto as **APPENDIX C**, for the benefit of the holders and beneficial owners of the Series 2022AB Bonds. The Corporation is required to observe the Continuing Disclosure Agreement for so long as the Series 2022AB Bonds remain Outstanding. Under this Continuing Disclosure Agreement, the Corporation will be obligated while any Series 2022AB Bonds remain

Outstanding to provide certain updated financial information and operating data annually, and timely notice of specified events, to the Electronic Municipal Market Access (“EMMA”) system of the Municipal Securities Rulemaking Board. Information filed with EMMA may be obtained at www.emma.msrb.org. Certain financial information on the Corporation, including certain bond calls, is available on the Corporation’s website at <http://www.mshc.com/>.

The Corporation has adopted a formal policy governing ongoing disclosure to investors. The Corporation has also enrolled in the EMMA automated e-mail reminder system which alerts issuers to upcoming filing deadlines for financial and operational information.

The Corporation has prior series of bonds outstanding that are subject to continuing disclosure requirements that require the Corporation to provide its audited financial statements and certain other financial and operational information concerning the Corporation. In the last five years, the Corporation did not associate a redemption notice with the CUSIPS for the 2007D-1 Bonds. For fiscal year end June 30, 2018, the Corporation did not timely file the audit or the required financial and operational information on three series of outstanding bonds, and for years 2016, 2017 and 2018, did not file or did not timely file certain operating information with respect to numerous issues (many of which are no longer outstanding). Notices of failure to file were not contemporaneously filed in connection with the occurrences described above. The Corporation has posted a remedial failure to file notice and has also filed any missing documents for bond issues that remain outstanding.

AVAILABLE FINANCIAL STATEMENTS OF THE CORPORATION

Included in **APPENDIX G** hereto are the audited financial statements of the Corporation as of June 30, 2021 and 2020, which have been audited by BKD, LLP, independent certified public accountants, as stated in their independent auditors’ report dated October 13, 2021.

BKD, LLP has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. BKD, LLP also has not performed any procedures relating to this Official Statement.

All other financial information concerning the Corporation contained herein (other than in **APPENDIX G**), including, without limitation, other information elsewhere herein after June 30, 2021, and any financial forecast or projection, is unaudited information provided by the Corporation. The Corporation’s independent auditors do not express an opinion or any other form of assurance on any financial forecast or projection contained herein.

APPENDIX A

DEFINITIONS OF CERTAIN TERMS

[THIS PAGE INTENTIONALLY LEFT BLANK]

DEFINITIONS OF CERTAIN TERMS

The following terms have the following meanings when used in this Official Statement unless otherwise specified.

“*Accounts*” means all accounts established by the General Bond Resolution and any Series Resolution.

“*Acquisition Cost*” means the cost of acquiring a Residential Housing Unit from the seller as a completed residential unit, as more fully described in the Origination Agreements.

“*Act*” means the Mississippi Home Corporation Act, Sections 43-33-701 et seq., Mississippi Code of 1972, as amended.

“*Agreements*” means, collectively, the Origination Agreements and the Servicing Agreements.

“*Annualized Monthly Income*” means Gross Monthly Income multiplied by twelve (12).

“*Bond*” or “*Bonds*” means, collectively, any one or all, as the case may be, of the obligations of the Corporation issued pursuant to the General Bond Resolution, including the Series 2022AB Bonds.

“*Bond Counsel*” means Butler Snow LLP, Ridgeland, Mississippi, whose opinion is rendered in connection with the Series 2022AB Bonds, or their successors appointed by the Corporation. In the event that such firm of attorneys resigns or is removed by the Corporation and the Corporation has not appointed its successor, then the term “Bond Counsel” shall mean a firm of nationally recognized attorneys at law, approved by the Corporation and experienced in the financing of qualified mortgage bond programs through the issuance of tax-exempt revenue bonds under the exemptions provided under Section 143 of the Code.

“*Bond Year*” means the annual period commencing on December 2 of any calendar year and ending on the first day of December of the next succeeding calendar year; provided, however, that the initial Bond Year shall commence on the date of issuance of the Series 2022AB Bonds and end on December 1, 2022.

“*Bondholder*,” “*Bondowner*,” “*Holder*” or “*Owner*” or any similar terms mean the registered owner of any Bond.

“*Bond Payment Date*” means an Interest Payment Date, a Principal Installment Date or a Redemption Date.

“*Business Day*” means any day other than (a) a Saturday, Sunday or legal holiday, (b) a day on which banking institutions in New York, New York, Jackson, Mississippi, or in the city in which the principal corporate trust office of the Trustee is located, are authorized or obligated by law or executive order to be closed for business, or (c) a day on which the New York Stock Exchange is closed.

“*Code*” means the Internal Revenue Code of 1986, as amended, together with corresponding and applicable final, temporary or proposed regulations and revenue rulings issued or amended with respect thereto by the United States Treasury Department or Internal Revenue Service, to the extent applicable to a Series of Bonds or the Mortgage Loans.

“*Conventional Mortgage Loan*” means a Mortgage Loan, other than an FHA Mortgage Loan, a VA Mortgage Loan, or a USDA/RD Mortgage Loan, which meets the requirements of the Origination Agreements, Fannie Mae and Freddie Mac, as applicable.

“*Corporation*” means the Mississippi Home Corporation, a public body corporate and politic separate and apart from the State constituting a governmental instrumentality duly created, organized and existing under the laws of the State, or any body, issuer or instrumentality which shall hereafter succeed to the powers, duties and functions of the Corporation.

“*Corporation Contribution*” means the equity contribution by the Corporation of \$1,098,294.43, which funds will be used to finance Costs of Issuance.

“*Corporation Resolution*” means, collectively, the General Bond Resolution and the Series 2022AB Resolution of the Corporation adopted in connection with the issuance of a Series of Bonds granting approval for the issuance of such Series of Bonds and authorizing the sale of such Series of Bonds.

“*Corporation’s Fee*” means a fee payable to the Corporation on the first day of each month, commencing March 1, 2022, in an amount equal to 1/12 of 0.20% of the then outstanding principal amount of Series 2022AB Program Obligations held by the Trustee with respect to the Series 2022A Bonds plus an amount equal to 1/12 of 0.25% of the then outstanding principal amount of Transferred Program Securities held by the Trustee with respect to the Series 2022B Bonds. The Corporation’s Fee shall be paid from available moneys in the Series 2022AB Revenue Account; provided, however, that if moneys held in the Series 2022AB Revenue Account are not sufficient to pay the Corporation’s Fee due on the first day of any month, available moneys held under the one or more of the Accounts of the Revenue Fund of the General Bond Resolution may be used to pay the Corporation’s Fee as provided in the General Bond Resolution.

“*Costs of Issuance*” means items of expense payable or reimbursable directly or indirectly by the Corporation and related to the authorization, sale and issuance of a Series of Bonds, which items of expense shall include, but not be limited to, printing costs, costs of reproducing documents, filing and recording fees, initial fees, charges and expenses of the Corporation and the Trustee, Underwriters’ fees and expenses, legal fees and charges (including, without limitation, the fees and expenses of Bond Counsel and General Counsel), professional consultants’ fees (including, without limitation, the fees and expenses of the Financial Advisor), costs of credit ratings, fees and charges for execution, transportation and safekeeping of Series 2022AB Bonds, and any other costs, charges and fees in connection with the foregoing.

“*Delivery Period*” means the period of time for the purchase of Series 2022A New Money Program Securities from a Servicer, ending not more than 60 days after the end of the Origination Period; the Delivery Period shall end on the date provided in the Series 2022AB Resolution (or such earlier date on which all Series 2022A New Money Program Securities have been purchased), unless extended by the Corporation pursuant to the Series 2022AB Resolution; provided the Delivery Period may not be extended beyond May 1, 2025.

“*Direct Obligations*” means direct obligations of the United States of America or securities fully and unconditionally guaranteed as to the timely payment of principal of and interest by the United States of America, or as such terms may be defined in a Series Resolution.

APPENDIX B

**SUMMARY OF CERTAIN GENERAL
BOND RESOLUTION PROVISIONS**

[THIS PAGE INTENTIONALLY LEFT BLANK]

The following is a summary of certain provisions of the General Bond Resolution adopted by the Corporation on July 15, 2009.

General Bond Resolution Constitutes a Contract

In consideration of the purchase and acceptance of any and all of the Bonds authorized to be issued under the General Bond Resolution by those who shall hold the same from time to time: (i) the General Bond Resolution shall be deemed to be and shall constitute a contract between the Corporation, the Trustee and the Holders from time to time of the Bonds; and (ii) the pledge of certain Funds, Accounts, Revenues and other moneys, rights and interests made therein and the covenants and agreements set forth therein to be performed by and on behalf of the Corporation shall be for the equal and ratable benefit, protection and security of the Holders of any and all of the Bonds, all of which regardless of the time or times of their issue or maturity shall be of equal rank without preference, priority or distinction of any of such Bonds over any other thereof, except as expressly provided in or permitted by the General Bond Resolution.

Pledge Effected by General Bond Resolution

There are pledged for the payment of the principal or Redemption Price of and interest on the Bonds in accordance with their terms and the provisions of the General Bond Resolution and any Series Resolution and the Trustee is granted in the General Bond Resolution an express lien on: (i) all right, title and interest of the Corporation in and to the Origination Agreements and the Servicing Agreements entered into pursuant to a Series Resolution, including all extensions and renewals of their terms, if any, including, but without limiting the generality of the foregoing, the present and continuing right to make claim for, collect, receive and receipt for any income, revenues, receipts, issues, profits, insurance proceeds and other sums of money payable to or receivable by the Corporation under such Origination Agreements or Servicing Agreements, whether payable pursuant to the Origination Agreements, the Servicing Agreements or otherwise (except for Corporation Fees, unless otherwise specified in a Series Resolution, and except for the Corporation's rights to enforce and receive payment of money directly and for its own purposes under any Origination Agreements or Servicing Agreements as specified in a Series Resolution, and except for certain indemnification rights of the Corporation, and rights of the Corporation to give consents and receive notices), to bring actions and proceedings under such Origination Agreements and Servicing Agreements or for the enforcement thereof, and to do any and all things which the Corporation is or may become entitled to do under such Origination Agreements and such Servicing Agreements; (ii) all right, title and interest of the Corporation in and to the Mortgage Loans or Program Securities purchased pursuant to the General Bond Resolution and any Series Resolution and any Hedge Instrument, including all extensions and renewals of any of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to make claim for, collect, receive and receipt for any income, revenues, receipts, issues and profits and other sums of money payable to or receivable by the Corporation under such Mortgage Loans or Program Securities, or such Hedge Instrument, whether payable pursuant to Mortgage Loans or Program Securities, or Hedge Instrument, or otherwise, to bring actions and proceedings under such Mortgage Loans or Program Securities, or Hedge Instrument, or for the enforcement thereof, and to do any and all things which the Corporation is or may become entitled to do under such Mortgage Loans or Program Securities, or Hedge Instrument; and (iii) the Revenues (as defined herein) and all moneys and securities from time to time held by the Trustee in the Funds and Accounts created by, pursuant to and subject to the terms of the General Bond Resolution or any Series Resolution, including the investments thereof, if any, except moneys and securities in the Rebate Fund and the Cost of Issuance Fund, and any and all other real or personal property of every name and nature from time to time hereafter by delivery or by writing of any kind conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the General Bond Resolution by the Corporation or by anyone on its behalf or with its written consent, to the Trustee which is authorized under the General Bond Resolution to receive any and all such Property at any and all times and to hold and apply the same subject to the terms thereof.

Authorization of Bonds

In order to provide sufficient moneys for the Corporation to conduct the Program and to make the deposits to certain Funds and Accounts specified in the General Bond Resolution or in any Series Resolution, there are authorized to be issued by the General Bond Resolution from time to time without limitation as to amount except as provided in the General Bond Resolution or by law, Bonds of the Corporation (the interest of which may or may not be subject to inclusion in gross income for State or federal income tax purposes, as may be provided in a Series Resolution) in one or more Series, as hereinafter provided, to be known and designated as "Single Family Mortgage Revenue Bonds." The Bonds shall be issued subject to the terms, conditions and limitations established in the General Bond Resolution, and secured by the pledge provided in the General Bond Resolution.

Authorization for Issuance of Bonds in Series

(a) From time to time when authorized by the General Bond Resolution and subject to the terms, limitations and conditions established in the General Bond Resolution, the Corporation may authorize the issuance of a Series of Bonds upon adoption of a Series Resolution. The Bonds of each Series shall, as an addition to the title "Single Family Mortgage Revenue Bonds," bear a letter or number issue designation as may be appropriate to distinguish such Series of Bonds from the Bonds of every other Series and may, in addition to such title, bear the number of the year in which the Series is issued. Bonds of any Series may be authorized to be issued in any form as provided in a Series Resolution.

(b) Each Series Resolution authorizing the issuance of a Series of Bonds shall include a determination by the Corporation to the effect that the principal amount of said Series of Bonds is necessary to provide sufficient funds to be used and expended for the Program and shall specify and determine:

- (1) The authorized principal amount of said Series of Bonds;
- (2) The purposes for which the proceeds of such Series of Bonds (and any funds directed by the Series Resolutions to be contributed to the Program from any other source) may be used, which shall be to provide funds for one or more of the following:
 - (i) For the making or purchase of Mortgage Loans or Program Securities;
 - (ii) For the refunding of Outstanding Bonds or other obligations, including any or all interest and redemption premiums thereon;
 - (iii) Incident to these purposes, for the funding of the deposit of amounts determined by or pursuant to the Series Resolution to be credited and paid into the Funds or Accounts referred to in the General Bond Resolution;
- (3) The form, title and designation, and denominations of, and the manner of numbering and lettering, such Bonds;
- (4) The date or dates of maturity of such Bonds, and the Delivery Date of such Series;
- (5) The rates of interest to be borne by or the manner of determining such rate or rates of the Bonds of such Series and the initial Bond Payment Date of such Bonds;

- (6) The portion of the Series of Bonds which are Term Bonds (if any) and the portion of the same which are Serial Bonds (if any); and the portion of the Series of Bonds which are Bonds of any other nature (if any);
- (7) The Redemption Price or Redemption Prices and the redemption date or redemption dates and other terms of redemption (if any), and/or the optional or mandatory purchase price (if any) and purchase dates (if any) and other terms of purchase (if any) of any such Bonds;
- (8) The Paying Agent or Paying Agents appointed for such Bonds;
- (9) The amount and date of each Sinking Fund Installment, if any, required by such Series Resolution to be paid by the Corporation for the retirement of any of such Bonds;
- (10) The manner in which Bonds of such Series are to be sold and provisions for the sale thereof;
- (11) The designation of any Accounts to be established and specification of the sources and amounts of funds to be deposited in all such Accounts;
- (12) The Delivery Period for the purchase of Mortgage Loans or Program Securities with respect to such Series, including any provisions for extensions of such period;
- (13) The relevant terms of each Hedge Instrument, if any, related to such Series Resolution;
- (14) The relevant terms of each Credit Enhancement, if any, related to such Series Resolution; and
- (15) Any other provisions deemed advisable by the Corporation, not in conflict with or in substitution for the provisions of the General Bond Resolution.

Conditions Precedent to Authentication and Delivery of Additional Bonds

Except as provided in the General Bond Resolution, the Trustee shall authenticate and deliver any of the Bonds authorized to be issued pursuant to the General Bond Resolution and a Series Resolution, to or upon the order of the Corporation, only upon delivery to the Trustee of:

- (a) A copy of the General Bond Resolution and the applicable Series Resolution, each certified by an Authorized Officer, except that a copy of the General Bond Resolution need not be delivered for the second or any subsequent Series of Bonds unless it has been amended since the delivery of the preceding Series;
- (b) A Corporation Request as to the delivery of such Bonds, designating the purchaser or purchasers to whom such Bonds are to be delivered, and stating the purchase price of such Bonds;
- (c) An Authorized Officer's certificate stating (i) the amounts to be deposited in the Funds and Accounts established by the General Bond Resolution or by any Series Resolution, and (ii) the provisions required in the event that the Series Resolution directs the refunding of any Outstanding Bonds or other obligations.

(d) An opinion or opinions of Bond Counsel or General Counsel to the effect that the General Bond Resolution and the applicable Series Resolution have been duly and lawfully adopted by the Corporation; that the General Bond Resolution and the applicable Series Resolution are in full force and effect, are valid and binding upon the Corporation and enforceable in accordance with their terms, subject to State and federal bankruptcy, insolvency and other similar laws affecting the enforcement of creditors' rights and to the availability of equitable remedies; that the General Bond Resolution and the applicable Series Resolution create the valid pledge they purport to create; and that the Bonds have been duly and validly authorized and issued and constitute valid and binding obligations of the Corporation, enforceable in accordance with their terms and the terms of the General Bond Resolution and the applicable Series Resolution subject to State and federal bankruptcy, insolvency and other similar laws affecting the enforcement of creditors' rights and to the availability of equitable remedies, and are entitled to the benefits of the General Bond Resolution and the applicable Series Resolution;

(e) A rating on the Bonds of the applicable Series, which is not lower than the rating on the Outstanding Bonds issued pursuant to the General Bond Resolution, by the Rating Agency, and confirmation by the Rating Agency that the issuance of the Series will not cause the rating on the Outstanding Bonds to be reduced or withdrawn as a result of such issuance; and

(f) Any agreements, instruments, opinions, or other documents required to be delivered to the Trustee pursuant to the applicable Series Resolution.

Refunding Bonds

(a) In the event that a Series Resolution provides for the refunding of any Outstanding Bonds of one or more series and any or all of the interest or redemption premiums thereon, the Authorized Officer's certificate required in paragraph (c) above shall include irrevocable instructions to the Trustee, satisfactory to it:

(1) Identifying the Bonds, interest and redemption premiums, if any, to be refunded, and identifying separately those Bonds to be paid at their respective maturity dates and those to be redeemed at specified Redemption Prices, and on specified dates.

(2) Directing the Trustee to make due publication of a notice of redemption and refunding which shall include all information required by the General Bond Resolution with respect to the Bonds to be redeemed prior to maturity and shall also specify the Series and maturities of the Bonds or portions of Bonds to be paid at maturity, and shall identify the Bonds or portions thereof and interest and redemption premiums which are deemed to have been paid and as to which the covenants, agreements and other obligations of the Corporation are deemed to be discharged and satisfied, by reason of the deposit to be made with the Trustee.

(3) Stating that funds will be deposited with the Trustee at or before the time of delivery of the refunding Bonds, sufficient to effect retirement of the Bonds, interest and redemption premiums to be refunded in accordance with the provisions of paragraph (b) immediately below.

(b) At or before the time of delivery of refunding Bonds, the Corporation shall deposit with the Trustee an amount of money and/or Permitted Investments sufficient to comply with the provisions of the section entitled "**Defeasance of Bonds**" herein below with reference to all of the Bonds (or portions thereof), interest and redemption premiums to be refunded; which shall be held by the Trustee in a special account separate from all other Funds or Accounts created by or pursuant to the Resolution, irrevocably in trust for and assigned to the respective Holders of Bonds being refunded, and used to pay when due the

Principal Installments and Redemption Prices of and interest on the refunded Bonds in accordance with the terms thereof and the terms of the notice of redemption and refunding required in paragraph (a) immediately above. In addition to the proceeds of refunding Bonds, the Corporation may direct the deposit in said account (1) certain funds of the Corporation, and/or (2) amounts held in any Fund created by or pursuant to the Resolution, provided that sufficient funds remain in or are transferred to each Fund to comply with all provisions of the General Bond Resolution and applicable Series Resolutions securing the Bonds which will remain Outstanding.

(c) In the General Bond Resolution, the Corporation also reserves the privilege of providing by Series Resolution for the issuance of Bonds to refund obligations and interest and redemption premiums secured under the provisions of any resolution or indenture other than the General Bond Resolution, which obligations were issued by the Corporation or its predecessor for the purpose of financing mortgage loans subject to the following conditions:

(1) All necessary actions shall be taken for the refunding and immediate discharge of the obligations of the Corporation with reference to such refunded obligations, interest and redemption premiums in accordance with the provisions of the resolutions or indentures pursuant to which the refunded obligations were issued.

(2) All mortgage loans or Program Securities held in funds and accounts established by or pursuant to such resolutions or indentures for the security of the obligation(s) refunded, or prepayments of said mortgage loans or other funds held or available for payment of the refunded obligations in an amount at least equal to the proceeds of the Bonds, after satisfaction and discharge of such obligations, are subjected to the provisions of the General Bond Resolution, and, subject to such provisions, are pledged to the Trustee for the payment of the Principal Installments, redemption premium, if any, and interest on the Bonds, at the times and in the manner provided in the General Bond Resolution and applicable Series Resolutions.

(d) The Corporation expressly reserves the right in the General Bond Resolution, to the extent now or hereafter permitted by law, without subjecting the interest on any Bonds to federal income taxation (in connection with those Bonds the interest on which is excluded from federal income taxation), of providing for the defeasance of the rights and obligations created by the General Bond Resolution with respect to part or all of the Bonds of any Series, and with respect to the Principal Installments of or the interest payments thereon or both, and of providing for the payment from the proceeds of refunding Bonds, and from income from the investment thereof, of any part of the Principal Installments of or interest on the refunding Bonds, as well as the Bonds refunded.

Payment of Bonds

The Corporation covenants in the General Bond Resolution that it will promptly pay the principal of, Redemption Price and interest on every Bond issued under the General Bond Resolution or the Series Resolution at the place, on the dates and in the manner provided therein according to the true intent and meaning thereof, provided that the principal, Redemption Price and interest are payable by the Corporation solely from the proceeds of the Bonds, the income, revenues and receipts and other amounts derived from the Program Securities, and certain investment earnings. Nothing in the Bonds or the General Bond Resolution should be considered as assigning or pledging any other funds or assets of the Corporation other than such Revenues and other amounts and the right, title and interest of the Corporation, if any, in the Program Securities, the Origination Agreements and the Servicing Agreements.

Extension of Payment of Bonds

The General Bond Resolution provides that the Corporation shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled in case of any default under the General Bond Resolution or any Series Resolution to the benefit of the General Bond Resolution or any Series Resolution or to any payment out of any assets of the Corporation or the funds (except funds held in trust for the payment of particular Bonds or claims for interest pursuant to the General Bond Resolution or any Series Resolution) held by the Trustee, except subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest. Nothing in this paragraph shall be deemed to limit the right of the Corporation to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of the maturity of the Bonds.

Further Assurances

The Corporation agrees in the General Bond Resolution that the Trustee may defend its rights to the payments and other amounts due under the Program Securities for the benefit of the Owners of the Bonds against claims and demands of all persons whomsoever. At any and all times the Corporation shall, so far as it may be authorized or permitted by law, pass, make, do, execute, acknowledge and deliver, all and every such further indentures, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning, confirming and effecting all and singular the rights, Revenues and other moneys, securities, funds and Property thereby pledged or assigned, or intended so to be, which the Corporation may hereafter become bound to pledge or assign. The Corporation shall at all times comply with provisions of the Act relating to the Program, including, without limitation, the undertaking of an annual audit of the Corporation by a firm of certified public accountants which audit shall be made available to any Bondholder who requests, in writing, a copy of such audit; provided, however, that such Bondholder shall pay the Corporation any costs and expenses incurred in connection with the forwarding of such audit.

Power to Issue Bonds and Pledge Revenues and Other Funds

The General Bond Resolution provides that the Corporation is duly authorized under all applicable laws to issue the Bonds and to adopt the General Bond Resolution and to pledge the Revenues and other moneys, securities, rights and interests purported to be pledged by the General Bond Resolution in the manner and to the extent provided in the General Bond Resolution. The Revenues and other moneys, securities, rights and interests so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto (other than liens of Fiduciaries) prior to, or of equal rank with, the pledge created by the General Bond Resolution and all action on the part of the Corporation to that end have been and will be duly and validly taken. The Bonds and the provisions of the General Bond Resolution are and will be the legal and valid limited obligations of the Corporation, enforceable in accordance with their terms and the terms of the General Bond Resolution. The Corporation, to the extent permitted by law, at all times shall defend, preserve and protect the pledge of the Revenues and other moneys, securities, rights and interests pledged under the General Bond Resolution and all the rights of the Bondholders under the General Bond Resolution against all claims and demands of all persons whomsoever.

To secure its obligation to make payments on a Hedge Instrument, the Corporation may grant to the Hedge Instrument counterparty a subordinate and junior pledge and security interest (subordinate and

junior to the pledge and security interest granted to the Bondholders) in all or any of the collateral pledged pursuant to the foregoing paragraph.

Cash Flow Statements and Cash Flow Certificates

(a) The General Bond Resolution requires that the Corporation shall file with the Trustee a current Cash Flow Statement accompanied (other than in the case of the issuance of the initial Series of Bonds under the General Bond Resolution) by a Rating Certificate, whenever any Series of Bonds is issued, upon any conversion of any Series of Bonds or remarketing of any Bonds in connection with a change in the tender period except as required at the time of their issuance, upon entering into a Hedge Instrument, upon a withdrawal from the Surplus Fund by the Corporation, and in connection with amending the General Bond Resolution or any Series Resolution (as permitted by the General Bond Resolution), unless such filing is not required by a Rating Agency, provided that the Corporation shall file with the Trustee a current Cash Flow Statement at least annually.

(b) A Cash Flow Statement shall consist of a certification and calculation made by or for the Corporation and signed by an Authorized Officer giving effect to the action proposed to be taken and demonstrating that:

- (1) Revenues, and
- (2) any other moneys or funds pledged to the payment of the Bonds,

will be sufficient, in the judgment of an Authorized Officer of the Corporation, to pay the principal of and interest on all Outstanding Bonds, Fiduciary Expenses, Senior Expenses, Subordinate Expenses, and payments on Hedge Instruments (other than termination payments) in the current and in each succeeding Bond Year. A Cash Flow Statement shall include all Outstanding Bonds, together with any new Series of Bonds that the Corporation plans to issue, all as may be required by the General Bond Resolution. To the extent specified in a Supplemental Resolution, a fund or account established in said Supplemental Resolution shall not be taken into account when preparing a Cash Flow Statement.

In addition, the Cash Flow Statement shall demonstrate that: (1) the amount of moneys and Permitted Investments held in any Fund or Account (except the Rebate Account) (valued at their cost to the Corporation, as adjusted by amortization of the discount or premium paid upon purchase of such obligations ratably to their respective maturities), together with accrued but unpaid interest thereon, (2) the outstanding principal balance of Mortgage Loans and Program Securities, together with accrued but unpaid interest thereon, and (3) any other assets, valued at their realizable value, pledged for the payment of the Bonds, will equal or exceed the aggregate principal amount of and accrued but unpaid interest on Outstanding Bonds; provided that in the event a Series Resolution specifies that, for purposes of the requirements of this paragraph, the Mortgage Loans and Program Securities financed by such Series of Bonds shall be valued at other than their outstanding principal balance, then, with respect to such Mortgage Loans and Program Securities, such other value shall be used in the calculations required by this paragraph.

The Cash Flow Statement shall be based upon the Corporation's reasonable expectations and the specific Program information provided in the Series Resolution, and shall be based upon assumptions consistent with those used in the most recent Cash Flow Statement or such other assumptions as shall not adversely affect any of the Rating Agency's ratings on the Bonds. In calculating the amount of interest due on Bonds in the current and each succeeding Bond Year in which Bonds are scheduled to be Outstanding on Bonds bearing interest at a variable rate as defined in a Supplemental Resolution, such minimum interest rate or rates as shall not adversely affect any of the Rating Agency's ratings on the Bonds shall be used. In the case of a Hedge Instrument which is being entered into for the purpose of limiting interest rate risk with

respect to specific Bonds, the amount to be withdrawn to pay interest on such Bonds shall be adjusted to give effect to the Hedge Instrument, so long as such adjustment shall not adversely affect any of the Rating Agency's ratings on the Bonds.

Upon filing a Cash Flow Statement with the Trustee, the Corporation shall thereafter perform its obligations under the General Bond Resolution in accordance, in all material respects, with the assumptions set forth in such Cash Flow Statement and in any subsequent Cash Flow Certificate. Except with respect to actions being taken contemporaneously with the delivery of a Cash Flow Statement, facts reflected in a Cash Flow Statement may be as of a date or reasonably adjusted to a date which coincides with the date of the most recently available audited financial statements of the Corporation.

(c) The Corporation shall file with the Trustee a current Cash Flow Certificate: (i) upon purchase or redemption of Bonds of a Series in a manner other than (A) as contemplated in the most recent Cash Flow Statement filed by the Corporation with the Trustee, or (B) on a basis whereby the Bonds of each maturity bears to the total amount of all Outstanding Bonds of such Series, with respect to purchases or redemptions to be made from Recovery Payments; (ii) prior to withdrawing moneys for payment to the Corporation free and clear of the pledge and lien of the General Bond Resolution, in an amount or amounts in excess of the amounts determined to be available for such purpose in the most recent Cash Flow Statement filed with the Trustee; (iii) except as otherwise provided in the General Bond Resolution, prior to selling or otherwise transferring any Mortgage Loan or Program Security not in default; (iv) prior to recycling Revenues at interest rates lower than the Minimum Mortgage Rate, if any, set forth in the Series Resolution or the most recent Cash Flow Statement; or (v) as otherwise may be required by a Supplemental Resolution or a Series Resolution. The Corporation may file one or more successive Cash Flow Certificates.

(d) A Cash Flow Certificate shall consist of a statement of an Authorized Officer of the Corporation to the effect of one of the following: (i) the proposed action is consistent with the assumptions set forth in the most recent Cash Flow Statement; or (ii) after giving effect to the proposed action, in the current and each succeeding Bond Year in which Bonds are scheduled to be Outstanding, the amounts described in clauses (i) and (ii) of paragraph (b) above will be sufficient, in the judgment of an Authorized Officer of the Corporation, to pay the principal of and interest on all Outstanding Bonds described in the calculations, except that to the extent specified in a Supplemental Resolution, a fund or account established in said Supplemental Resolution shall not be taken into account in connection with such Cash Flow Certificate; or (iii) the proposed action will not in and of itself materially adversely affect the amounts described in clauses (i) and (ii) of subsection (b) above, except with respect to such funds or accounts which may be specified in such Supplemental Resolution to not be taken into account in connection with such Cash Flow Certificate. The Corporation, at its option, may file a Cash Flow Statement in lieu of a Cash Flow Certificate in any instance when it is required to file a Cash Flow Certificate.

Hedge Instruments

Any Hedge Instrument secured in whole or in part by the General Bond Resolution shall be authorized and entered into pursuant to, and secured by, the General Bond Resolution pursuant to the authorization contained in a Series Resolution.

In connection with the execution of any Hedge Instrument, there shall be delivered to the Trustee the following: (i) a copy of the General Bond Resolution and the Series Resolution duly certified by an Authorized Officer; (ii) a Bond Counsel's opinion stating that (A) the General Bond Resolution and the applicable Series Resolution have been duly adopted and are valid and binding upon the Corporation (subject to reasonable exceptions with respect to enforceability under bankruptcy laws, the police power of the State or other similar laws, and the availability of specific performance and other equitable remedies under State law), and (B) the Hedge Instrument is a valid and legally binding obligation of the Corporation

(subject to reasonable exceptions with respect to enforceability under bankruptcy laws, the police power of the State or other similar laws, and the availability of specific performance and other equitable remedies under State law) secured in the manner and to the extent set forth in the General Bond Resolution and the applicable Series Resolution; and (iii) a Cash Flow Statement conforming to the requirements of the above section entitled “**Cash Flow Statements and Cash Flow Certificates,**” accompanied by a Rating Certificate.

Establishment of Funds and Accounts

(a) The following Funds and Accounts are created and established as special trust funds pursuant to the General Bond Resolution:

- (i) the Program Fund, consisting of:
 - (A) the Acquisition Accounts;
 - (B) the Premium Accounts; and
 - (C) the Costs of Issuance Accounts;
- (ii) the Revenue Fund, consisting of:
 - (A) the Revenue Accounts;
 - (B) the Rebate Accounts;
 - (C) the Capitalized Interest Accounts; and
 - (D) the Reserve Accounts;
- (iii) the Redemption Fund, consisting of:
 - (A) the Special Redemption Accounts; and
 - (B) the Optional Redemption Accounts;
- (iv) the Surplus Fund, consisting of:
 - (A) the Restricted Account; and
 - (B) the Unrestricted Account;

(b) Within each of the Funds (other than the Unrestricted Account of the Surplus Fund) the Trustee shall maintain a separate Series Account, as applicable, designated by a name or number descriptive of each Series of Bonds issued pursuant to the General Bond Resolution, for the purpose of recording the proceeds of such Bonds and any other amounts directed by the applicable Series Resolution to be deposited therein, the Mortgage Loans or Program Securities and Permitted Investments purchased therefrom, and the Revenues derived from such Mortgage Loans, Permitted Investments and Hedge Instruments, if any, and from the reinvestment of the same, to the extent and in the manner (if applicable) required by Code Section 143 and 148 of Code.

(c) Each Series Resolution may also establish separate Funds or Accounts and subaccounts to be held by the Trustee within any of the Funds (other than the Surplus Fund), as specified in the applicable Series Resolution.

(d) All Funds and Accounts shall be held by the Trustee in trust for application only in accordance with the provisions of the General Bond Resolution and the applicable Series Resolution.

(e) Pursuant to the General Bond Resolution, the references below to the various Accounts pertain to the specific Accounts established for each Series by the appropriate Series Resolution authorizing the issuance of said Series of Bonds.

Deposit of Bond Proceeds and Other Contributed Moneys

The proceeds of the sale and delivery of the Bonds of each Series, together with funds contributed by or on behalf of the Corporation from any other source when directed by a Series Resolution, shall be deposited in the applicable Accounts for each Series set forth below or such other or additional Accounts established by a Series Resolution:

(a) To the Revenue Account, the amount, if any, received as accrued interest upon the delivery of the Bonds;

(b) To the Costs of Issuance Account, the amount as shall be specified in the applicable Series Resolution as necessary to pay or provide for payment of Costs of Issuance;

(c) To the Capitalized Interest Account, if applicable, the amount as shall be specified in the applicable Series Resolution;

(d) To the Reserve Account, if applicable, the amount as shall be specified in the applicable Series Resolution;

(e) To a separate, designated and segregated trust fund or account to be held by the Trustee or other depository, in the event that any Outstanding Bonds or other obligations, interest or redemption premiums are directed by a Series Resolution to be refunded pursuant to the General Bond Resolution (which depository may be a trustee previously designated under a resolution or indenture securing the refunded obligations), the amount needed (together with any other available funds) for payment or to provide for payment of such principal, interest, or redemption premiums; and

(f) To the applicable Acquisition Accounts and Premium Accounts, if applicable, the sum of the balance of such proceeds, as shall be specified in the applicable Series Resolution.

Program Fund; Acquisition Account and Premium Account

(a) Deposit of Moneys. Pursuant to the General Bond Resolution, there shall be paid into the Acquisition Accounts and Premium Accounts established within the Program Fund the respective amounts of the proceeds of the Bonds and other moneys in accordance with the section entitled “**Deposit of Bond Proceeds and Other Contributed Moneys**” above and by the applicable Series Resolution. There may also be paid into the Program Fund, and a designated Acquisition Account and/or Premium Account therein, at the option of the Corporation, any moneys received by the Corporation from any other source, unless required to be otherwise applied as provided by the General Bond Resolution or by the applicable Series Resolution.

(b) Application of Acquisition Accounts. Pursuant to the General Bond Resolution, proceeds of the Bonds and other moneys deposited in the Acquisition Accounts shall be used and withdrawn as provided in the applicable Series Resolution, but, in any event, solely for the (1) purchase of all or a portion of Program Securities or Mortgage Loans, and (2) the purchase or redemption of Bonds.

(c) Application of Premium Accounts. Pursuant to the General Bond Resolution, proceeds of the Bonds and other moneys deposited in the Premium Accounts, if any, shall be used and withdrawn as

provided in the applicable Series Resolution, but, in any event, solely for (1) the purchase of that portion of the aggregate initial principal balances of the related Program Securities or Mortgage Loans (or pools thereof) as may be specified in such Series Resolution to provide for the Cash Advance Program in connection with such Program Securities or Mortgage Loans (or pools thereof), and (2) the purchase or redemption of Bonds.

(d) Unexpended Bond Proceeds. Pursuant to the General Bond Resolution, any moneys deposited in an Acquisition Account and a Premium Account, if applicable, which are not used or to be used to purchase Program Securities or Mortgage Loans which are not used by the end of the Delivery Period specified in such Series Resolution, or by such earlier date as may be required by the Code and specified in such Series Resolution, shall be transferred by the Trustee to the Special Redemption Account in accordance with the provisions of the applicable Series Resolution, and applied to redeem Bonds.

Costs of Issuance Accounts

(a) Upon the issuance, sale and delivery of the Bonds pursuant to the General Bond Resolution and a Series Resolution, the Trustee shall deposit in the applicable Costs of Issuance Account such moneys, if any, as shall be specified in such Series Resolution. Moneys in the Costs of Issuance Account shall be used to pay the Costs of Issuance of the Bonds and for no other purposes. The Trustee shall make disbursements from the applicable Costs of Issuance Account upon being furnished with a Corporation's Request, in form and substance satisfactory to the Trustee. Any excess remaining upon payment of all Costs of Issuance of the applicable Series of Bonds shall (i) if not proceeds of the applicable Series of Bonds, be transferred by the Trustee to another Account established for the applicable Series of Bonds, or to the Surplus Fund, or to the Corporation, and (ii) if proceeds of the applicable Series of Bonds, be transferred by the Trustee to the Acquisition Account or Capitalized Interest Account for the applicable Series of Bonds, upon receipt by the Trustee of a Certificate of the Corporation stating that such moneys are no longer needed for the payment of Costs of Issuance, and specifying into which account the funds shall be transferred, whereupon the applicable Costs of Issuance Account shall be closed.

(b) In the event that the moneys deposited in the applicable Costs of Issuance Account pursuant to the General Bond Resolution and the applicable Series Resolution are not sufficient to pay all Costs of Issuance incurred with respect to the applicable Series of Bonds, or in the event that no such deposit to pay Costs of Issuance with respect to the Bonds is made, the Costs of Issuance of the Bonds may be paid from the Unrestricted Account of the Surplus Fund or any available funds of the Corporation not pledged to the Single Family Mortgage Bond Resolution.

Revenue Fund

(a) Deposit of Revenues. Pursuant to the General Bond Resolution, all Revenues received by the Corporation shall be paid to the Trustee immediately upon their receipt by the Corporation. All Revenues, other than those required to be deposited in a Rebate Account as set forth in a Corporation's Request, shall be deposited by the Trustee in the applicable Revenue Account.

There may also be deposited in the Revenue Fund, at the option of the Corporation, any other moneys of the Corporation, unless required to be otherwise applied as provided by the General Bond Resolution.

(b) Accrued Interest on Mortgage Loans or Program Securities. Pursuant to the General Bond Resolution, upon the purchase of Program Securities or Mortgage Loans from the moneys on deposit in the applicable Acquisition Account and/or Premium Account, the Trustee shall, in accordance with the provisions of the applicable Series Resolution, withdraw from the applicable Revenue Account, or, if funds

available therein are not sufficient, from the applicable Capitalized Interest Account, or, if funds available therein are not sufficient, from the applicable Reserve Account, and pay to the applicable Servicer the then accrued and unpaid interest on such Program Securities or Mortgage Loans.

(c) Payment of Bonds and Certain Expenses and Transfers to Certain Funds. Pursuant to the General Bond Resolution, on or before each Bond Payment Date or date Bonds are to be purchased in accordance with the provisions of the General Bond Resolution and any applicable Series Resolution, the Trustee shall pay or transfer from the Revenue Accounts the following amounts in the following order of priority:

First, to pay on an equal and proportionate basis, without preference or discrimination (i) Senior Expenses, (ii) any scheduled Hedge Instrument payments, other than termination payments, and (iii) to the respective Paying Agents for any of the Bonds, (A) on each Bond Payment Date, the amounts required for scheduled Debt Service Payments due on the Outstanding Bonds on such Bond Payment Date, including any amounts required by a Series Resolution to be transferred to an applicable Special Redemption Account to pay interest and the Redemption Prices, if any, of Bonds to be redeemed on such Bond Payment Date (less amounts, if any, applied to pay interest on the Bonds from the Capitalized Interest Accounts under the applicable Series Resolution), (B) on the date of purchase of any Bonds, the amounts required for the payment of the purchase price of the Outstanding Bonds being purchased, and (C) on the date of purchase of any Bonds in lieu of redemption by Sinking Fund Installment, the amount (exclusive of accrued interest) required for the purchase of such Bonds, and all such amounts shall be applied by the respective recipients to such payments;

Second, to the credit of any other Fund or Account, the amount of any withdrawal previously made as provided below in the section entitled “**Withdrawals from Funds to Prevent Default**” in inverse order of such withdrawal, to the extent not previously restored; and

Third, to pay any Subordinate Expenses.

(d) Transfers and Payments from Capitalized Interest Accounts. Pursuant to the General Bond Resolution, moneys deposited in a Capitalized Interest Account in accordance with the provisions of a Series Resolution shall be used to pay interest on the Bonds as provided in such Series Resolution, and/or to pay accrued interest upon the purchase of a Program Security or a Mortgage Loan as provided in subsection (b) above. Any amounts remaining in the applicable Capitalized Interest Account on the Bond Payment Date after the end of the Delivery Period (as specified in such Series Resolution) shall be transferred by the Trustee as specified in such Series Resolution.

(e) Transfers to and Withdrawals from Rebate Accounts. Pursuant to the General Bond Resolution, the Trustee shall make the following, and only the following, transfers to and withdrawals from the Rebate Accounts:

(1) If the net investment earnings received with respect to any Series exceed at any time the earnings permitted under Section 148 of the Code to be retained, the excess amount shall be paid over to the United States, at the times and in the manner provided in the applicable Series Resolution or Rebate Certificate. Such excess amount may be transferred to the applicable Rebate Account in the Revenue Fund at such times and in such amounts as may be required to assure compliance with Section 148 of the Code, notwithstanding the requirements of other Funds as set forth in subsection (c) above;

(2) Promptly upon receipt of a Certificate of the Corporation to the effect that the amount on deposit in a Rebate Account exceeds the amount required to be on deposit

therein for the purpose of making rebates to the United States in accordance with the applicable provisions of Section 148 of the Code, an amount equal to the amount of such excess shall be transferred for credit to the applicable Revenue Account, the applicable Special Redemption Account, or such other account or Fund as may be directed in such Certificate; and

(3) All amounts in the Rebate Accounts shall be used and withdrawn by the Trustee solely for the purposes set forth in this subsection. In the event that the amount in any Rebate Account is for any reason insufficient to pay to the United States the amounts due as provided in this subsection, the Trustee shall transfer to such Rebate Account the amount of such deficiency by withdrawing said amount from the following funds in the following order of priority, regardless of any other claim on such funds: (1) the Surplus Fund (to the extent of cash and cash equivalents on deposit therein); (2) the Revenue Fund; or (3) from any other Fund or Account established pursuant to the General Bond Resolution or the applicable Series Resolution.

(f) Transfers and Payments from Reserve Account. Pursuant to the General Bond Resolution, amounts on deposit in the Reserve Accounts, if any, will be expended and utilized as provided in any Series Resolution.

(g) Application of Surplus Revenues. Pursuant to the General Bond Resolution, any amounts remaining in a Revenue Account after making the payments and deposits required by subsections (b), (c), (d), (e) or (f) above, shall be held in the Revenue Fund until and unless directed by a Corporation's Request or an applicable Series Resolution to be transferred to the Program Fund, the Redemption Fund, or Restricted Account of the Surplus Fund. Furthermore, upon submission of a Cash Flow Statement or a Cash Flow Certificate, as appropriate, the Corporation may direct the transfer of amounts remaining in a Revenue Account to the Unrestricted Account of the Surplus Fund and/or to the Corporation, in specified amounts, free and clear of any lien or pledge created by the General Bond Resolution.

Redemption Fund

(a) Moneys deposited in the Special Redemption Accounts shall be applied by the Trustee for the purchase or redemption of Bonds pursuant to the General Bond Resolution and any Series Resolution.

(b) Moneys deposited in the Optional Redemption Accounts shall be used to purchase or redeem Bonds as directed by the Corporation in accordance with the General Bond Resolution and any Series Resolution.

Surplus Fund

(a) Deposits of Moneys or Assets into the Restricted Account of the Surplus Fund. Pursuant to the General Bond Resolution, unless otherwise specified in a Series Resolution or other resolution of the Corporation, the Corporation shall not be required to maintain any minimum balance in the Restricted Account. Moneys and assets may be transferred into the Restricted Account as follows:

(1) Upon receipt of a Corporation's Request, the Trustee shall deposit in the Restricted Account (1) surplus funds from the Revenue Account pursuant to the section entitled "**Revenue Fund - Application of Surplus Revenues**" above, and (2) any funds, securities or other investments, loans or other Property provided by the Corporation and not otherwise pledged hereunder.

(2) Upon receipt of a Corporation's Request, the Trustee shall transfer any funds or assets from the Unrestricted Account to the Restricted Account.

(b) Deposits of Moneys or Assets into the Unrestricted Account of the Surplus Fund. Pursuant to the General Bond Resolution, moneys and assets may be transferred into the Unrestricted Account as follows:

(1) Upon receipt of a Corporation's Request, the Trustee shall deposit in the Unrestricted Account any funds, securities or other investments, loans or other Property provided by the Corporation and not otherwise pledged hereunder.

(2) The Trustee shall transfer any funds or assets from the Restricted Account to the Unrestricted Account upon receipt of a Corporation's Request accompanied by a Cash Flow Certificate and a Rating Certificate.

(c) Application of Restricted Account. Pursuant to the General Bond Resolution, funds within the Restricted Account may be used as follows, in the following order of priority:

(1) Available funds on deposit in the Restricted Account shall be used to make up deficiencies in the Revenue Fund and, unless otherwise directed by an Authorized Officer, shall be transferred to the Revenue Fund when required on any Bond Payment Date or other payment date prior to any transfer otherwise required by the section entitled "**Withdrawals from Funds to Prevent Default**" below.

(2) Any remaining available funds on deposit in the Restricted Account shall be used to (a) fund termination payments on Hedge Instruments, if any, and (b) pay principal due pursuant to acceleration of principal under any Credit Enhancement agreement, if any, in excess of principal which would otherwise be payable in accordance with the terms thereof, but only after providing for, and subject and subordinate to the other transfers, payments pursuant to (c)(1) above.

(3) Any remaining available funds shall be transferred to any Series Account of the Program Fund, Revenue Fund or Redemption Fund as directed by an Authorized Officer.

(4) Any remaining available funds shall be invested or reinvested in any Permitted Investments or Program Securities as may be authorized by law and as may be directed in writing by an Authorized Officer. Any maturing principal, interest or income earned with respect to such investments shall be retained in the Restricted Account.

(d) Application of Unrestricted Account. Pursuant to the General Bond Resolution, funds within the Unrestricted Account may be used for anything permitted under the Act. The following provisions shall apply to the Unrestricted Account:

(1) Maturing principal, interest or income earned with respect to funds and investments held in the Unrestricted Account shall be retained in the Unrestricted Account.

(2) The Corporation shall not be required to maintain any minimum balance in the Unrestricted Account and makes no covenant to Bondholders or any other party that funds or other assets will be available in the Unrestricted Account in the event of a deficiency in the Revenue Fund on a Bond Payment Date or other payment date.

(3) Funds and assets held in the Unrestricted Account shall not be included in a Cash Flow Certificate.

(4) Any funds or assets held in the Unrestricted Account may be removed at any time by the Corporation upon receipt of a Corporation's Request.

Withdrawals from Funds to Prevent Default

Notwithstanding any other provision of the General Bond Resolution, if on any Bond Payment Date, the amount in the Revenue Fund (other than the Rebate Accounts) is less than the amount of the Debt Service Payment becoming due and payable on such Bond Payment Date on all Outstanding Bonds, the Trustee, after making any transfer in accordance with the section entitled "**Surplus Fund - Application of Restricted Accounts**" above, shall transfer from the following Accounts to the Revenue Fund in the following order the amount of such deficit and apply such amount first to pay interest and then to pay Principal Installments, as necessary:

- (a) Reserve Accounts, if any,
- (b) Costs of Issuance Accounts,
- (c) Optional Redemption Accounts,
- (d) Special Redemption Accounts,
- (e) Acquisition Accounts; and
- (f) Premium Accounts.

Moneys in (1) the Redemption Fund which are to be used to redeem Bonds for which notice of redemption has been given or for which binding arrangements to purchase Bonds in lieu of redemption have been made by the Trustee or (2) the Acquisition Accounts and Premium Accounts, if applicable, against which the Corporation has outstanding commitments to purchase Mortgage Loans or Program Securities shall not be so applied.

The Corporation covenants in the General Bond Resolution that it will pay to the Trustee for deposit in the Revenue Fund the amount of any remaining deficiency, but only from Revenues.

Prepayments

Pursuant to the General Bond Resolution, all Mortgage Prepayments and Mortgage Repayments shall be initially deposited by the Trustee for credit to the applicable Revenue Account.

Investment of Moneys Held by the Trustee

(a) Pursuant to the General Bond Resolution, subsections (b) - (g) below shall apply to moneys in all Funds and Accounts held by the Trustee other than moneys held in the Unrestricted Account of the Surplus Fund. The investment of moneys held in the Unrestricted Account of the Surplus Fund shall be governed in accordance with the section entitled "**Surplus Fund**" above.

(b) Pursuant to the General Bond Resolution, moneys in all Funds and Accounts held by the Trustee shall be invested by the Trustee in such Permitted Investments as the Corporation shall direct, or as shall be specified in the applicable Series Resolution. The Trustee shall notify the Corporation in writing,

at least monthly, of all Permitted Investments purchased by the Trustee. The maturity date or the date on which such Permitted Investments so purchased may be redeemed at the option of the holder thereof shall coincide as nearly as practicable with (but in no event shall be later than) the date or dates on which moneys in the Funds or Accounts for which the investments were made will be required for the purposes thereof as provided in the General Bond Resolution and the applicable Series Resolution.

(c) Pursuant to the General Bond Resolution, amounts credited to any Fund or Account (except the Rebate Account) may be invested, together with amounts credited to one or more other Funds or Accounts, in the same Permitted Investment or Permitted Investments, provided that each such investment complies in all respects with the provisions of subsection (b) above as they apply to each Fund or Account for which the joint investment is made and the Trustee maintains separate records for each Fund and Account and such investments are accurately reflected therein.

(d) The Trustee may make any investment permitted by the General Bond Resolution through or with its own commercial banking or bond departments unless otherwise directed by the Corporation.

In computing the amount in any Fund or Account, (i) Permitted Investments shall be valued at par or, if purchased at other than par, at their Amortized Value, and in either event inclusive of accrued interest, and (ii) Program Securities or Mortgage Loans shall be valued at 100% of the Outstanding principal balance thereof (inclusive of accrued interest).

(e) Except as otherwise specifically provided in the General Bond Resolution, the income or interest earned by, or increment to, all Funds and Accounts due to the investment thereof shall be transferred by the Trustee upon receipt thereof to the appropriate Account of the Revenue Fund (including the Rebate Account) in accordance with the section entitled “**Revenue Fund - Deposit of Revenue**” above.

(f) The Trustee, upon receipt of a Corporation’s Request, shall sell at the best price obtainable, or present for redemption, any Permitted Investment purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment from the Fund or Account for which such investment was made. The Trustee may, to the extent required to make transfers of moneys among Funds and Accounts, transfer Permitted Investments.

Liability of Trustee for Investments

The Trustee shall not be liable or responsible for the making of any investment authorized by the provisions of the General Bond Resolution in the manner provided in the General Bond Resolution or for any loss resulting from any such investment so made, except for its own negligence or misconduct.

Corporation’s Purchase of Bonds

(a) Subject to the section entitled “**Restrictions on Corporation’s Purchase of Bonds**” below, the Trustee may and, upon receipt of a Corporation’s Request, shall apply moneys deposited in the Redemption Fund to purchase Bonds in such manner as the Trustee shall determine or as provided in a Corporation’s Request, as the case may be, at any time prior to the 30th day preceding the next succeeding Bond Payment Date.

(b) Subject to the section entitled “**Restrictions on Corporation’s Purchase of Bonds**” below, the Trustee may and, upon receipt of a Corporation’s Request, shall apply available moneys in the Revenue Account to purchase Bonds in such manner as the Trustee shall determine or as provided in a Corporation’s Request, as the case may be, at any time prior to the 30th day preceding the due date of the applicable Sinking Fund Installment.

(c) Unless otherwise directed by the Corporation in a Corporation Request, Bonds purchased by the Trustee pursuant to (a) and (b) above shall be cancelled.

Restrictions on Corporation's Purchase of Bonds

Pursuant to the General Bond Resolution, the Trustee shall not purchase any Bonds at a cost or price (including any brokerage fee or commission and other charges) which exceeds the sum of the face amount of such Bonds, plus accrued interest to the date of purchase, unless the Corporation shall represent to the Trustee in a Corporation's Request that such purchase is at least as economically beneficial to the Bondholders and the Corporation as any available alternative for the use of the moneys to be applied to the purchase.

Events of Default

Each of the following events is hereby declared an "Event of Default" under the General Bond Resolution:

(a) The Corporation shall fail to pay from Revenues any Principal Installment or the Redemption Price of any Bond when and as the same shall become due and payable, whether at maturity or by call for redemption or otherwise;

(b) The Corporation shall fail to pay from Revenues any installment of interest on any Bond when and as the same shall become due and payable;

(c) The Corporation shall fail to perform or observe any other covenant, agreement or condition on its part contained in the General Bond Resolution and the Resolution and such failure shall continue for a period of 45 days after written notice thereof to the Corporation by the Trustee or to the Corporation and to the Trustee by the Holders of not less than 25% in principal amount of the Bonds Outstanding;

(d) The State shall limit or alter the rights of the Corporation pursuant to the Act, as in force on the date of the General Bond Resolution, to fulfill the terms of any agreements made with the Owners of the Bonds or in any way impair the rights and remedies of the Owners of the Bonds while any Bonds are Outstanding; or

(e) The Corporation shall file a petition seeking a composition of indebtedness under the Federal Bankruptcy Laws, or under any other applicable law or statute of the United States of America or of the State.

Acceleration; Annulment of Acceleration

(a) Upon the occurrence of an Event of Default under paragraphs (a), (b) or (e) of the section entitled "**Events of Default**" above, the Trustee may and, upon the written request of the Holders of not less than 25% in aggregate principal amount of Bonds Outstanding shall, give 30 days' notice in writing to the Corporation and, if then required by law, to the Governor and the Attorney General of the State, of its intention to declare all Bonds Outstanding immediately due and payable. At the end of such 30-day period, if such Event of Default is then continuing, the Trustee may, and upon the written request of the Holders of not less than 25% in aggregate principal amount of Bonds Outstanding shall, by notice in writing to the Corporation, declare all Bonds Outstanding immediately due and payable; then such Bonds shall become and be immediately due and payable, anything in the Bonds or in the General Bond Resolution to the contrary notwithstanding. In such event, there shall be due and payable on the Bonds, an amount equal to

the total principal amount of all such Bonds plus all interest accrued thereon and which will accrue thereon to the date of payment.

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the General Bond Resolution, the Trustee may annul such declaration and its consequences with respect to any Bonds not then due by their terms if (i) moneys shall have been deposited with the Trustee (other than in the Rebate Account) sufficient to pay all matured installments of interest and principal or Redemption Price (other than principal then due only because of such declaration) of all Outstanding Bonds; (ii) moneys shall have been deposited with the Trustee sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and any Paying Agents; (iii) all other amounts then payable by the Corporation under the General Bond Resolution shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Trustee (other than a default in the payment of the principal of such Bonds then due only because of such declaration) shall have been remedied to the satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Additional Remedies and Enforcement of Remedies

(a) Pursuant to the General Bond Resolution, upon the happening and continuance of any Event of Default, the Trustee may, and upon the written request of the Holders of not less than 25% in aggregate principal amount of the Bonds Outstanding, together with indemnification of the Trustee to its satisfaction therefor, shall, proceed forthwith to protect and enforce its rights and the rights of the Bondholders under the Act, the Bonds and the General Bond Resolution by such suits, actions or proceedings as the Trustee, being advised by counsel, shall deem expedient, including but not limited to:

- (1) Enforcement of the right of the Bondholders to collect and enforce the payment of principal of and interest due or becoming due on Mortgage Loans and collect and enforce any rights in respect to the Mortgages securing such Mortgage Loans and to require the Corporation to carry out its duties and obligations under the terms of the General Bond Resolution, and to require the Corporation to perform its duties under the Act;
- (2) Suit upon all or any part of the Bonds;
- (3) Civil action to require the Corporation to account as if it were the trustee of an express trust for the Holders of Bonds;
- (4) Civil action to enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of Bonds; and
- (5) Enforcement of any other right of the Bondholders conferred by law, the Act or by the General Bond Resolution.

(b) Regardless of the happening of an Event of Default, the Trustee, if requested in writing by the Holders of not less than 25% in aggregate principal amount of the Bonds then Outstanding, shall, upon being indemnified to its satisfaction therefor, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient (i) to prevent any impairment of the security under the General Bond Resolution by any acts which may be unlawful or in violation of the General Bond Resolution, or (ii) to preserve or protect the interests of the Bondholders, provided that such request is in accordance with law

and the provisions of the General Bond Resolution and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Holders of Bonds not making such request.

Application of Revenues and Other Moneys After Default

(a) Pursuant to the General Bond Resolution, the Corporation covenants that if an Event of Default shall happen and shall not have been remedied, the Corporation, upon demand of the Trustee, shall pay or cause to be paid over to the Trustee (i) forthwith, all moneys and securities, if any, then held by the Corporation in any Fund or Account under the General Bond Resolution, except for those funds held in the Unrestricted Account of the Surplus Fund, and (ii) as promptly as practicable after receipt thereof, all Revenues and other payments or receipts pledged under the General Bond Resolution.

(b) During the continuance of an Event of Default arising under paragraphs (a), (b) or (c) of “Events of Default” above, the Trustee shall apply such moneys, securities, Revenues (excluding amounts required to be deposited in the Rebate Account, which shall continue to be deposited in the Rebate Account) payments and receipts and the income therefrom as follows and in the following order:

(1) To the payment of the amounts required for reasonable and necessary Fiduciary Expenses;

(2) To the payment of unpaid Senior Expenses, scheduled payments on Hedge Instruments, and to the interest and Principal Installments or Redemption Price then due on the Outstanding Bonds, subject to the provisions of the section entitled “**Acceleration; Annulment of Acceleration**” above, as follows:

(A) Unless the principal of all the Outstanding Bonds shall become or have been declared due and payable:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference;

Second: To the payment to the persons entitled thereto of the unpaid scheduled Hedge Instrument payments (other than termination payments), and the unpaid Principal Installments or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all scheduled Hedge Instrument Payments and the Bond payments due on any date, then to the payment thereof ratably, according to the amounts of scheduled Hedge Instrument Payments, Principal Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference; and

Third: To the payment of any unpaid Senior Expenses which are due and payable.

(B) If the principal of all the Outstanding Bonds shall have become or have been declared due and payable, to the payment of unpaid Senior Expenses, unpaid scheduled Hedge Instrument payments (other than termination payments), the principal and interest then due and unpaid upon the Bonds without preference or priority of any such payment over any other such payment, ratably, according to the amounts due respectively to the persons entitled thereto without any discrimination or preference.

(3) Termination Payments then due on any Hedge Instruments, if any, to the extent determined by the Trustee.

(4) Any unpaid Subordinate Expenses to the extent determined by the Trustee.

Remedies Not Exclusive

No remedy by the terms of the General Bond Resolution conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the General Bond Resolution or existing at law or in equity or by statute (including the Act) on or after the date of adoption of the General Bond Resolution.

Remedies Vested in Trustee

All rights of action (including the right to file proof of claims) under the General Bond Resolution or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds. Subject to the provisions of the General Bond Resolution, any recovery of judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

Majority Bondholders Control Proceedings

Pursuant to the General Bond Resolution, if an Event of Default shall have occurred and be continuing, notwithstanding anything in the General Bond Resolution to the contrary, the Holders of at least a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of the General Bond Resolution or for the appointment of a receiver or any other proceedings under the General Bond Resolution, provided that such direction is in accordance with law and the provisions of the General Bond Resolution (including indemnity to the Trustee in accordance with the section entitled “**Additional Remedies and Enforcement of Remedies**” above) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of Bondholders not joining in such direction and provided further that nothing herein shall impair the right of the Trustee in its discretion to take any other action under the General Bond Resolution which it may deem Property and which is not inconsistent with such direction by Bondholders.

Individual Bondholder Action Restricted

(a) No Holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the General Bond Resolution or for the execution of any trust under the General Bond Resolution or for any remedy under the General Bond Resolution unless:

(1) an Event of Default has occurred in accordance with subsection (a) or (b) of the section entitled “**Event of Default**” above as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing,

(2) the Holders of at least 10% in aggregate principal amount of Bonds Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted in the General Bond Resolution or to institute such action, suit or proceeding in its own name,

(3) such Bondholders shall have offered the Trustee indemnity as provided in accordance with the section entitled “**Additional Remedies and Enforcement of Remedies**” above, and

(4) the Trustee shall have failed or refused to exercise the powers herein granted or to institute such action, suit or proceeding in its own name for a period of 60 days after receipt by its of such request and offer of indemnity.

(b) No one or more Holders of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of the General Bond Resolution or to enforce any right under the General Bond Resolution except in the manner herein provided and for the equal benefit of the Holders of all Bonds Outstanding.

(c) Nothing contained in the General Bond Resolution shall affect or impair, or be construed to affect or impair, the right of the Holder of any Bond (i) to receive payment of the principal of or interest on such Bond, as the case may be, on or after the due date thereof or (ii) to institute suit for the enforcement of any such payment on or after such due date; provided, however, no Holder of any Bond may institute or prosecute any such suit or enter judgment therein if, and to the extent that, the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien of the General Bond Resolution on the moneys, funds and properties pledged under the General Bond Resolution for the equal and ratable benefit of all Holders of Bonds.

Termination of Proceedings

In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Bondholders, the Corporation, the Trustee and the Bondholders shall be restored to their former positions and rights under the General Bond Resolution, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceeding had been taken.

Waiver and Non-Waiver of Event of Default

(a) No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by the General Bond Resolution to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(b) The Trustee may waive any Event of Default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of the General Bond Resolution, or before the completion of the enforcement of any other remedy under the General Bond Resolution.

(c) Notwithstanding anything contained in the General Bond Resolution to the contrary, the Trustee, upon the written request of the Holders of at least a majority of the aggregate principal amount of Bonds then Outstanding, shall waive any Event of Default under the General Bond Resolution and its consequences; provided, however, that except under the circumstances set forth in subsection (b) of the section entitled “**Acceleration; Annulment of Acceleration**” above or subsection (b) of this section entitled “**Waiver and Non-Waiver of Event of Default**”, a default in the payment of the principal of, premium, if any, or interest on, any Bond, when the same shall become due and payable by the terms thereof or upon call for redemption, may not be waived without the written consent of the Holders of all the Bonds at the time Outstanding.

(d) In case of any waiver by the Trustee of an Event of Default under the General Bond Resolution, the Corporation, the Trustee and the Bondholders shall be restored to their former positions and rights under the General Bond Resolution, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with the General Bond Resolution.

Notice of Defaults

(a) Within 30 days after (i) the receipt of notice of an Event of Default as provided in subsection (a)(1) of the section entitled “**Individual Bondholder Action Restricted**” above or (ii) the occurrence of an Event of Default under subsection (a) or (b) of the section entitled “**Events of Default**” above, of which the Trustee is deemed to have notice, the Trustee shall, unless such Event of Default shall have theretofore been cured, give written notice thereof by first class mail to each registered owner of Bonds then Outstanding, provided that, except in the case of a default in the payment of Principal Installments or the Redemption Price of or interest on any of the Bonds, the Trustee may withhold such notice if, in its sole judgment, it determines that the withholding of such notice is in the best interests of the Bondholders.

(b) The Trustee shall immediately notify the Corporation of any Event of Default known to the Trustee.

Supplemental Resolutions Effective Upon Filing With the Trustee

Pursuant to the General Bond Resolution, for any one or more of the following purposes, and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon the filing with the Trustee of a copy thereof, shall be fully effective in accordance with its terms:

(a) To close the Bond Resolution against, or provide limitations and restrictions in addition to the limitations and restriction contained in the General Bond Resolution on, the issuance of future Bonds or of other Bonds, obligations or evidences of indebtedness;

(b) To add to the covenants and agreements of the Corporation in the General Bond Resolution or any Series Resolution other covenants and agreements to be observed by the Corporation which are not contrary to or inconsistent with the General Bond Resolution as theretofore in effect;

(c) To add to the limitations and restrictions in the General Bond Resolution or any Series Resolution other limitations and restrictions to be observed by the Corporation which are not contrary to or inconsistent with the General Bond Resolution as theretofore in effect;

(d) To amend the General Bond Resolution in any manner consistent with Sections 143 and 148 of the Code as in effect at the time of the amendment;

(e) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the General Bond Resolution or any Series Resolution of the Revenues or of any other moneys, securities or funds;

(f) To modify any of the provisions of the General Bond Resolution or any Series Resolution in any respect whatever, provided that the modification, in the sole judgment of the Corporation, is reasonably necessary to assure that the interest on the Bonds remains exempt from income taxation under Section 143 of the Code to the extent applicable; or

(g) To specify, determine or authorize by Series Resolution any and all matters and things relative to the Bonds of a Series or the proceeds thereof which are not contrary to or inconsistent with the General Bond Resolution as theretofore in effect.

Supplemental Resolutions Effective Upon Consent of Trustee

Pursuant to the General Bond Resolution, for any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon the filing with the Trustee of a copy thereof and the filing with the Trustee and the Corporation of an instrument in writing made by the Trustee consenting thereto, shall be fully effective in accordance with its terms:

(a) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the General Bond Resolution or any Series Resolution;

(b) To insert such provisions clarifying matters or questions arising under the General Bond Resolution or any Series Resolution as are necessary or desirable and are not contrary to or inconsistent with the General Bond Resolution theretofore in effect;

(c) To provide for additional duties of the Trustee;

(d) To waive any right reserved to the Corporation, provided that the loss of such right shall not adversely impair the Revenues (other than amounts required to be deposited in the Rebate Account) available to pay the Outstanding Bonds; or

(e) To make any other change which in the judgment of the Trustee does not materially affect the Bondholders.

Supplemental Resolution Requiring Consent of Bondholders

At any time or from time to time, the Corporation may adopt a Supplemental Resolution subject to consent by the Bondholders in accordance with and subject to the provisions of the General Bond Resolution, which Supplemental Resolution, upon compliance with the provisions of the General Bond Resolution, shall become fully effective in accordance with its terms as provided in the General Bond Resolution.

General Provisions

(a) The General Bond Resolution and any Series Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of the General Bond Resolution. Nothing contained in the General Bond Resolution shall affect or limit the right or obligations of the Corporation to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument in accordance with the section entitled “**Additional Remedies and Enforcement of**

Remedies” above or the right or obligations of the Corporation to execute and deliver to any Fiduciary any instrument which elsewhere in the General Bond Resolution it is provided shall be delivered to said Fiduciary.

(b) (i) Any Supplemental Resolution referred to and permitted or authorized in accordance with the sections entitled “**Supplemental Resolutions Effective Upon Filing With The Trustee**” and “**Supplemental Resolutions Effective Upon Consent of Trustee**” above, may be adopted by the Corporation without notice to or consent by any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided therein, respectively; (ii) The copy of every Supplemental Resolution, when filed with the Trustee, shall be accompanied by an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of the General Bond Resolution, is authorized or permitted by the General Bond Resolution and is valid and binding upon the Corporation and enforceable in accordance with its terms (subject to State and federal bankruptcy, insolvency and other similar laws affecting the enforcement of creditors’ rights and to the availability of equitable remedies); (iii) The copy of every Supplemental Resolution adopted pursuant to subsection (d) or (f) of the section entitled “**Supplemental Resolutions Effective Upon Filing With The Trustee**” above, when filed with the Trustee, shall be accompanied by an opinion of Bond Counsel to the effect that (A) any such modification made pursuant to subsection (d) of the section entitled “**Supplemental Resolutions Effective Upon Filing With The Trustee**” above is reasonably designed to assure that the interest on the Bonds remains exempt from income taxation under Section 143 of the Code and (B) any such modification made pursuant to subsection (f) of the section entitled “**Supplemental Resolutions Effective Upon Filing With The Trustee**” above will not cause the interest on the Bonds to become subject to income taxation under Section 143 of the Code.

(c) The Trustee is authorized under the General Bond Resolution to accept the delivery of and consent to any Supplemental Resolution and, subject to a requirement of Bondholders’ consent, if any, to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action shall be fully protected in relying on an opinion of counsel that such Supplemental Resolution or document is authorized or permitted by the provisions of the General Bond Resolution.

(d) Notwithstanding any other provisions of the General Bond Resolution, no Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

Discharge of General Bond Resolution in Entirety

The General Bond Resolution provides that if the Corporation shall pay or cause to be paid, or there shall otherwise be paid, to the Bondholders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the General Bond Resolution, and all Fiduciary Expenses, then the pledge provided in the above section entitled “**Pledge Effected By General Bond Resolution**” and all covenants, agreements and other obligations of the Corporation to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Corporation all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the Corporation all moneys or securities held by them pursuant to the Resolution which are not required for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption.

Defeasance of Bonds

Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee or any one or more additional Paying Agents (through deposit by the Corporation of moneys for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in the above section entitled “**Discharge of General Bond Resolution in Entirety.**” Any Outstanding Bonds of a Series or portions thereof, as applicable, shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in the above section entitled “**Discharge of General Bond Resolution in Entirety**” if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Corporation shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail notice of redemption of such Bonds on said date as provided in the General Bond Resolution; (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Obligations the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price of and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be; and (iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Corporation shall have given the Trustee in form satisfactory to it irrevocable instructions to mail a notice to the Bondholders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this paragraph and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price of said Bonds. Neither Defeasance Obligations nor moneys deposited with the Trustee pursuant to this paragraph nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, of and interest on said Bonds and any bonds or other obligations issued by the Corporation the proceeds of which were used to acquire such Defeasance Obligations, in whole or in part; provided, that no such principal of or interest on such Defeasance Obligations shall be applied to the payment of the principal or Redemption Price of or interest on such bonds or other obligations unless (a) the Trustee shall have received a schedule showing, for each year from the date of deposit of such Defeasance Obligations until the redemption date or maturity date of said Bonds, as the case may be, the amount of principal of and interest on such Defeasance Obligations and moneys, if any, deposited with the Trustee at the same time which will be available to pay the principal or Redemption Price of and interest due on said Bonds in each such year, plus the amount of any excess in each such year, and (b) the amount of such principal of or interest on such Defeasance Obligations to be so applied to the payment of such bonds or other obligations does not exceed in any year the amount of such excess for, or accumulated and unexpended to, such year. Notwithstanding any other provision of this paragraph, any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Trustee, if not then needed for such purpose, shall to the extent practicable and consistent with the provisions of the General Bond Resolution be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, of and interest due and to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be.

Powers of Amendment

Any modification or amendment of the General Bond Resolution or any Resolution or of the rights and obligations of the Corporation and of the Bondholders under the General Bond Resolution or any Resolution, in any particular, may be made by a Supplemental Resolution, with the written consent given as provided in accordance with the section entitled “**Consent of Holders of the Bonds**” below of the Holders of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity

of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Bondholders of all such Bonds, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

Consent of Holders of Bonds

The Corporation may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the section entitled “**Powers of Amendment**” above, to take effect when and as provided herein of the General Bond Resolution. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Corporation to the Holders of the Bonds. Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in the section entitled “**Powers of Amendment**” above and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Corporation in accordance with the provisions of the General Bond Resolution, is authorized or permitted by the General Bond Resolution, and is valid and binding upon the Corporation and enforceable in accordance with its terms, subject to State and federal bankruptcy, insolvency and other similar laws affecting the enforcement of creditors’ rights and to the availability of equitable remedies, and (ii) a notice shall have been mailed as hereinafter provided. Any such consent shall be binding upon the Bondholder giving such consent and, anything in the General Bond Resolution to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Bondholder thereof has notice thereof) unless such consent is revoked in writing by the Bondholder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee provided for herein is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Bondholders of the required percentage of Bonds shall have filed their consent to the Supplemental Resolution, the Trustee shall make and file with the Corporation and the Trustee a written statement that the Bondholders of such required percentage of Bonds have filed such requests. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Corporation on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentage of Bonds and will be effective as provided herein, may be given to Bondholders by the Corporation by mailing such notice to Bondholders not more than 90 days after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution and the written statement of the Trustee hereinabove provided for is filed. The Corporation shall file with the Trustee a Certificate of the Corporation as to the mailing thereof. A record, consisting of the papers required or permitted herein to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Corporation, the Fiduciaries and the Holders of all Bonds at the expiration of 30 days after the filing with the Trustee of the Certificate of the Corporation as to mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that any Fiduciary and the Corporation during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action or to refrain from taking such action, with respect to such Supplemental Resolution, as they may deem expedient.

Modifications by Unanimous Consent

The terms and provisions of the General Bond Resolution or any Supplemental Resolution and the rights and obligations of the Corporation and of the Bondholders may be modified or amended in any respect upon the issuance and filing by the Corporation of a Supplemental Resolution and the consent of the Bondholders of all Bonds then Outstanding, such consent to be given as provided in the section entitled “**Consent of Holders**” above, except that no notice of such consent to Bondholders either by mailing or publication shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders.

Notation on Bonds

Bonds delivered after the effective date of any action taken as provided in the General Bond Resolution, may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Corporation and the Trustee as to such action, and in that case upon demand of any Bondholder of any Bond Outstanding at such effective date and presentation of the Bondholder’s Bond for the purpose at the Corporate Trust Office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If the Corporation or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Corporation to conform to such action shall be prepared, delivered, and upon demand of the Bondholders of any Bond then Outstanding shall be exchanged for Bonds of the same maturity then Outstanding, upon surrender of such Bonds.

Parties Interested in General Bond Resolution

Nothing in the General Bond Resolution expressed or implied is intended or shall be construed to confer upon, or to give to, any person or corporation, other than the Corporation, the Fiduciaries and the Bondholders any right, remedy or claim under or by reason of the Resolution or any covenant, condition or stipulation of the Resolution; and all the covenants, stipulations, promises and agreements in the General Bond Resolution contained by and on behalf of the Corporation shall be for the sole and exclusive benefit of the Corporation, the Fiduciaries and the Bondholders.

Applicable Law

The General Bond Resolution shall be governed exclusively by the applicable laws of the State.

[THIS PAGE INTENTIONALLY LEFT BLANK]

CONTINUING DISCLOSURE AGREEMENT

THIS CONTINUING DISCLOSURE AGREEMENT (this “Agreement”), dated as of January 26, 2022, by the **Mississippi Home Corporation** (the “Corporation”), under a General Bond Resolution, dated as of July 15, 2009 (the “General Bond Resolution”) and the Series 2022AB Resolution, adopted December 8, 2021 (the “Series 2022AB Resolution,” together with the General Bond Resolution, the “Corporation Resolution”), of the Corporation is executed and delivered in connection with the issuance of the Corporation’s Single Family Mortgage Revenue Bonds, Series 2022A (Non-AMT) (Social Bonds) (the “Series 2022A Bonds”), and the Corporation’s Single Family Mortgage Revenue Refunding Bonds, Series 2022B (Federally Taxable) (the “Series 2022B Bonds”; and together with the Series 2022A Bonds, the “Series 2022AB Bonds”). Capitalized terms used but not otherwise defined herein shall have the meanings assigned thereto in the Corporation Resolution.

Section 1. Purpose of this Agreement. This Agreement is executed and delivered by the Corporation as of the date set forth below, for the benefit of the beneficial owners of the Series 2022AB Bonds and in order to assist the Participating Underwriter (as defined below) in complying with the requirements of the Rule (as defined below). The Corporation represents that it will be the only obligated person (as defined in the Rule) with respect to the Series 2022AB Bonds at the time the Series 2022AB Bonds are delivered to the purchasers thereof and that no other person is expected to become an obligated person at any time after the issuance of the Series 2022AB Bonds.

Section 2. Definitions. The terms set forth below shall have the following meanings in this Agreement, unless the context clearly otherwise requires.

“*Annual Financial Information*” means the financial information and operating data described in Exhibit I.

“*Annual Financial Information Disclosure*” means the dissemination of disclosure concerning Annual Financial Information and the dissemination of the Audited Financial Statements as set forth in Section 4.

“*Audited Financial Statements*” means the audited consolidated financial statements of the Corporation, prepared pursuant to the standards and as described in Exhibit I.

“*Commission*” means the Securities and Exchange Commission.

“*Dissemination Agent*” means any agent designated as such in writing by the Corporation and which has filed with the Corporation a written acceptance of such designation, and such agent’s successors and assigns.

“*EMMA*” means the Electronic Municipal Market Access System found at www.emma.msrb.org, which is the electronic format prescribed by the MSRB pursuant to the Rule.

“*Exchange Act*” means the Securities Exchange Act of 1934, as amended.

“*Listed Event*” means the occurrence of any of the events with respect to the Series 2022AB Bonds set forth in Exhibit II.

“*Listed Events Disclosure*” means dissemination of a notice of a Listed Event as set forth in Section 5.

“*MSRB*” means the Municipal Securities Rulemaking Board.

“*Participating Underwriter*” means each broker, dealer or municipal securities dealer acting as an underwriter in any primary offering of the Series 2022AB Bonds.

“*Prescribed Form*” means, with regard to the filing of Annual Financial Information, Audited Financial Statements and notices of Listed Events with the MSRB at www.emma.msrb.org (or such other address or addresses as the MSRB may from time to time specify), such electronic format, accompanied by such identifying information, as shall have been prescribed by the MSRB and which shall be in effect on the date of filing of such information.

“*Rule*” means Rule 15c2-12 adopted by the Commission under the Exchange Act, as the same may be amended from time to time.

“*State*” means the State of Mississippi.

“*Trustee*” means Hancock Whitney Bank, as trustee under the Corporation Resolution.

“*Undertaking*” means collectively the obligations of the Corporation pursuant to Sections 4 and 5.

Section 3. CUSIP Numbers/Final Official Statement. The CUSIP Numbers of the Series 2022AB Bonds are as listed in the final Official Statement relating to the Series 2022AB Bonds, dated January 12, 2022 (the “Final Official Statement”).

Section 4. Annual Financial Information Disclosure. Subject to Section 9 of this Agreement, the Corporation hereby covenants that it will disseminate the Annual Financial Information and the Audited Financial Statements (in the form and by the dates set forth below and in Exhibit I) by one of the following methods: (i) the Corporation may deliver such Annual Financial Information and the Audited Financial Statements to the MSRB within 180 days of the completion of the Corporation’s fiscal year or (ii) delivery of an Official Statement of the Corporation to the MSRB within 180 days of the completion of the Corporation’s fiscal year, but only to the extent such Official Statement includes such Annual Financial Information and Audited Financial Statements.

The Corporation is required to deliver such information in Prescribed Form and by such time so that such entities receive the information within the time specified.

If any part of the Annual Financial Information can no longer be generated because the operations to which it is related have been materially changed or discontinued, the Corporation will disseminate a statement to such effect as part of its Annual Financial Information for the year in which such event first occurs.

If any amendment is made to this Agreement, the Annual Financial Information for the year in which such amendment is made (or in any notice or supplement provided to the MSRB) shall contain a narrative description of the reasons for such amendment and its impact on the type of information being provided.

Section 5. Listed Events Disclosure. Subject to Section 9 of this Agreement, the Corporation hereby covenants that it will disseminate in a timely manner, not in excess of 10 business days after the occurrence of the event, Listed Events Disclosure to the MSRB in Prescribed Form. Notwithstanding the foregoing, notice of optional or unscheduled redemption of any Series 2022AB Bonds or defeasance of any Series 2022AB Bonds need not be given under this Agreement any earlier than the notice (if any) of such

redemption or defeasance is given to the owners of the Series 2022AB Bonds pursuant to the Corporation Resolution.

Section 6. Duty to Update EMMA/MSRB. The Corporation shall determine, in the manner it deems appropriate, whether there has occurred a change in the MSRB's e-mail address or filing procedures and requirements under EMMA each time it is required to file information with the MSRB.

Section 7. Consequences of Failure of the Corporation to Provide Information. The Corporation shall give notice in a timely manner, not in excess of 10 business days after the occurrence of the event, to the MSRB in Prescribed Form of any failure to provide Annual Financial Information Disclosure when the same is due hereunder.

In the event of a failure of the Corporation to comply with any provision of this Agreement, the beneficial owner of any Series 2022AB Bond may seek specific performance by court order to cause the Corporation to comply with its obligations under this Agreement. A default under this Agreement shall not be deemed an Event of Default under the Corporation Resolution or any other agreement, and the sole remedy under this Agreement in the event of any failure of the Corporation to comply with this Agreement shall be an action to compel performance.

Section 8. Amendments; Waiver. Notwithstanding any other provision of this Agreement, the Corporation may amend this Agreement, and any provision of this Agreement may be waived, if:

(i) (A) The amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Corporation or type of business conducted;

(B) This Agreement, as amended, or the provision, as waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(C) The amendment or waiver does not materially impair the interests of the beneficial owners of the Series 2022AB Bonds, as determined either by parties unaffiliated with the Corporation (such as the Trustee) or by an approving vote of the beneficial owners of the Series 2022AB Bonds holding a majority of the aggregate principal amount of the Series 2022AB Bonds (excluding Series 2022AB Bonds held by or on behalf of the Corporation or its affiliates) pursuant to the terms of the Corporation Resolution at the time of the amendment; or

(ii) The amendment or waiver is otherwise permitted by the Rule.

Section 9. Termination of Undertaking. The Undertaking of the Corporation shall be terminated hereunder when the Corporation shall no longer have any legal liability for any obligation on or relating to the repayment of the Series 2022AB Bonds. The Corporation shall give notice to the MSRB in a timely manner and in Prescribed Form if this Section is applicable.

Section 10. Dissemination Agent. The Corporation may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

Section 11. Additional Information. Nothing in this Agreement shall be deemed to prevent the Corporation from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual

Financial Information Disclosure or notice of occurrence of a Listed Event, in addition to that which is required by this Agreement. If the Corporation chooses to include any information from any document or notice of occurrence of a Listed Event in addition to that which is specifically required by this Agreement, the Corporation shall not have any obligation under this Agreement to update such information or include it in any future disclosure or notice of the occurrence of a Listed Event.

Section 12. Beneficiaries. This Agreement has been executed in order to assist the Participating Underwriter in complying with the Rule; however, this Agreement shall inure solely to the benefit of the Corporation, the Dissemination Agent, if any, the Trustee and the beneficial owners of the Series 2022AB Bonds, and shall create no rights in any other person or entity.

Section 13. Recordkeeping. The Corporation shall maintain records of all Annual Financial Information Disclosure and Listed Events Disclosure, including the content of such disclosure, the names of the entities with whom such disclosure was filed and the date of filing such disclosure.

Section 14. Assignment. The Corporation shall not transfer its obligations under the Corporation Resolution unless the transferee agrees to assume all obligations of the Corporation under this Agreement or to execute a continuing disclosure undertaking under the Rule.

Section 15. Governing Law. This Agreement shall be governed by the laws of the State.

Section 16. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute one instrument.

PROPOSED FORM OF OPINION OF BOND COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

January 26, 2022

Mississippi Home Corporation
Jackson, Mississippi

Re: \$70,675,000 Single Family Mortgage Revenue Bonds, Series 2022A (Non-AMT) (Social Bonds) (the “Series 2022A Bonds”)

\$4,000,000 Single Family Mortgage Revenue Refunding Bonds, Series 2022B (Federally Taxable) (the “Series 2022B Bonds”; and together with the Series 2022A Bonds, the “Bonds”)

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance and sale by the Mississippi Home Corporation (the “Corporation”) of the above defined Bonds. The Bonds are authorized to be issued under the Mississippi Home Corporation Act, Sections 43-33-701, et seq., Mississippi Code of 1972, as amended (the “Act”), and the Single Family Mortgage Bond Resolution adopted by the Members of the Corporation on July 15, 2009, as supplemented and amended from time to time (as so supplemented and amended, the “General Bond Resolution”), and a Series 2022AB Resolution adopted by the Members of the Corporation on December 8, 2021, and as supplemented by a certificate of the Corporation dated January 26, 2022 (collectively, the “Series Resolution”). The General Bond Resolution and the Series Resolution are referred to herein together as the “Bond Resolution.” Reference is hereby made to the Bonds and the Bond Resolution for further description of the terms and conditions governing payment thereof, including the interest rates and the dates on which interest is payable, maturity and provisions for redemption prior to maturity. Words and phrases defined in the Bond Resolution referred to below and used in this opinion letter have the same meanings therein and herein.

The Corporation has issued previous series of bonds under the General Bond Resolution (the “Prior Bonds”) and has reserved the right to issue additional bonds on the terms and conditions and for the purposes stated in the General Bond Resolution. Under the General Bond Resolution the Bonds, the Prior Bonds and all additional bonds issued in the future will be equally and ratably secured by the pledge and the covenants contained in the General Bond Resolution.

The Bonds shall constitute limited obligations of the Corporation, secured solely by a pledge of the pledged Revenues under the Bond Resolution. The Bonds do not constitute an obligation, either general or special, of the State of Mississippi (the “State”), any municipality or any other political subdivision of the State. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged for payment of the Bonds. The Corporation has no taxing power. The Bonds are not a debt of the United States of America or any agency thereof or the Government National Mortgage Association, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation and are not guaranteed by the full faith and credit of the United States of America.

In connection with the issuance of the Bonds, we have examined (a) certified copies of the General Bond Resolution and the Series Resolution authorizing the issuance of the Bonds, adopted by the Members of the Corporation pursuant to and under the provisions of the Act, (b) the forms of the Bonds, (c) the forms of the Corporation’s Servicing Agreements and the Mortgage Origination Agreements, which agreements require delivery of certain certifications and closing affidavits and other documents prior to the purchase of any Program Securities originated thereunder, and (d) such other opinions, documents, certificates and letters, including calculations prepared by cfX Incorporated, upon which we rely without independent

verification, as we deem relevant and necessary in rendering the legal opinions in this letter. Regarding questions of fact material to our opinions in this letter, we have not investigated or verified original proceedings, records, data or other material, but have relied solely upon the certified transcript of proceedings described in this paragraph and on the authenticity, truthfulness and completeness set forth in such documents, instruments and certificates. As to certificates, we have assumed the same to be properly given and accurate. We have not assumed any responsibility with respect to the financial condition or capabilities of the Corporation or the disclosure thereof in connection with the sale of the Bonds.

Based on the foregoing, assuming due authorization, execution and delivery of all documents by parties other than the Corporation, and subject to the qualifications, assumptions, and statements of reliance herein, we are of the opinion on the date hereof that:

1. The Corporation is validly organized and existing under State law with full power and authority to execute and deliver the Bond Resolution and to issue and sell the Bonds.

2. The Bonds have been duly authorized and issued in accordance with the Act and, assuming due authentication thereof by the Trustee, constitute valid and binding limited obligations of the Corporation, payable solely out of the Revenues, money or assets pledged under the Bond Resolution for the payment thereof. The Bonds do not create or constitute an indebtedness or obligation or a pledge of the faith and credit of the State or its agencies. The issuance of the Bonds will not directly or indirectly obligate the State to levy or pledge any form of taxation whatever therefore or make any appropriation for their payment.

3. The Bond Resolution has been duly authorized, executed and delivered by the Corporation, constitutes a valid and binding obligation of the Corporation, and is enforceable against the Corporation in accordance its terms. The Bond Resolution creates the valid pledge of and lien on the Revenues and all the Funds established by the Bond Resolution (except any “rebate funds”), to secure payment of the Bonds and all additional bonds under the General Bond Resolution, subject only to the provisions of the Bond Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Bond Resolution.

4. Under existing statutes, regulations, published rulings and judicial decisions, assuming compliance with certain covenants set forth in the Bond Resolution, the Servicing Agreements and the Mortgage Origination Agreements which contain such provisions as are necessary to satisfy the requirements of Section 143 of the Internal Revenue Code of 1986, as amended (the “Code”), and except as set forth below, (i) interest on the Series 2022A Bonds is excludable from the gross income of the owners thereof for federal income tax purposes, and (ii) interest on the Series 2022A Bonds is not treated as a specific item of tax preference under Section 57 of the Code in calculating the federal alternative minimum tax imposed by Section 55 of the Code. In rendering the opinions contained in this paragraph 4, we have assumed continuing compliance by the Corporation with the requirements of the Code that must be met after the issuance of the Series 2022A Bonds in order that interest on the Series 2022A Bonds be excludable from gross income of the owners thereof for federal income tax purposes. The failure to meet such requirements may cause interest on the Series 2022A Bonds to be included in gross income of the owners thereof for federal income tax purposes retroactive to the date of issuance of the Series 2022A Bonds. In the Bond Resolution and certain certificates and agreements, the Corporation has agreed to comply with or to require compliance with the requirements of the Code in order to maintain the excludability of interest on the Series 2022A Bonds from gross income of the owners thereof for federal income tax purposes.

We express no opinion regarding any other consequences affecting federal income tax liability of a recipient of interest on the Bonds except as expressly stated hereinabove. Each owner of the Bonds should

consult its own tax advisor concerning the effects of the receipt or accrual of interest on the Bonds and the effects of the additional limitations imposed by the Code on its own individual tax liability.

5. Under existing law, interest on the Bonds is exempt from taxes directly imposed by the State, except for estate or gift taxes and taxes on transfers.

It is understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Bond Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar law affecting creditors' rights heretofore or hereafter enacted and that the enforcement thereof may be subject to the exercise of judicial discretion in accordance with general principles of equity.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certificates, the Bond Resolution, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We also have assumed the genuineness of the signatures appearing upon such public records, certifications, Bond Resolution, documents and proceedings. We express no opinion herein as to the accuracy or completeness of any information, including the Preliminary Official Statement dated January 4, 2022, or the Official Statement dated January 12, 2022, relating to the Bonds that may have been relied upon by anyone in making the decision to purchase the Bonds. In rendering this opinion letter we have relied upon the opinion of Balch & Bingham LLP, acting as counsel for the Corporation, dated the date hereof, as to the due authorization and execution by and enforceability against the Corporation as to the Bonds and the Bond Resolution.

This opinion letter is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion letter as to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,

BUTLER SNOW LLP

PROJECTED PERCENTAGES OF INITIAL PRINCIPAL BALANCE OUTSTANDING

WEIGHTED AVERAGE LIVES OF SERIES 2022A PAC BONDS

[THIS PAGE INTENTIONALLY LEFT BLANK]

Set forth in the following table are projected percentages of initial principal balance outstanding and projected weighted average lives for the Series 2022A PAC Bonds under a number of different prepayment speeds. “Projected percentages of initial principal balance outstanding” refers to the principal balance of the Series 2022A PAC Bonds that will be outstanding on a specified date expressed as a percentage of the initial principal amount of such Series 2022A PAC Bonds. The “projected weighted average life” of the Series 2022A PAC Bonds refers to the average amount of time that is projected to elapse from the date of delivery of the Series 2022A PAC Bonds to the date of projected payment to the investor of each dollar paid to reduce the principal of the Series 2022A PAC Bonds (assuming no losses). The projected weighted average life of a security is determined by (a) multiplying each projected reduction, if any, of the outstanding amount of such security by the number of years from the date of delivery of such security to the related redemption date or maturity date, (b) adding the results and (c) dividing the sum by the initial outstanding amount of such security.

Report on the Combined Financial Statements

We have audited the accompanying combined financial statements of Mississippi Home Corporation (“the Corporation”), an instrumentality of the State of Mississippi, as of and for the years ended June 30, 2021 and 2020, and the related notes to the combined financial statements, which collectively comprise the Corporation's basic combined financial statements as listed in the table of contents.

Management's Responsibility for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2021 and 2020, and the respective changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and pension information listed in the table of contents be presented to supplement the basic combined financial statements. Such information, although not part of the basic combined financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic combined financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic combined financial statements and other knowledge we obtained during our audit of the basic combined financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming an opinion on the basic combined financial statements as a whole. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic combined financial statements.

The supplementary schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic combined financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic combined financial statements or to the basic combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules are fairly stated in all material respects in relation to the basic combined financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 13, 2021, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Years Ended June 30, 2021 and 2020

This Management's Discussion and Analysis ("MD&A") seeks to provide readers with a narrative overview of Mississippi Home Corporation's (the "Corporation") financial activities for the fiscal years ended June 30, 2021 and 2020. This MD&A should be read in conjunction with the accompanying basic combined financial statements and notes thereto, as well as our independent auditor's report thereon.

Required Basic Financial Statements

The required basic combined financial statements of the Corporation report information about the Corporation using accounting methods similar to those used by private sector companies. These statements offer information about the Corporation's activities. The combined statements of net position include all of the Corporation's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and the obligations to the Corporation's creditors (liabilities). The assets are presented in order of liquidity, and liabilities are presented in order of nearness to payment.

All of the reporting period's revenues and expenses are accounted for in the combined statements of revenues, expenses and changes in net position. These statements measure the activities of the Corporation's operations and can be used to determine whether the Corporation has successfully recovered all of its costs through its services provided.

The last required financial statement is the combined statements of cash flows. The primary purpose of these statements is to provide information about the Corporation's cash receipts and cash payments during the reporting period. The statements report cash receipts, cash payments and net changes in cash resulting from operating, noncapital financing, capital and related financing and investing activities and provide information regarding the sources and uses of cash and the changes in the cash balances during the reporting period.

The Corporation reported total assets and deferred outflows of resources of \$867.8 million at June 30, 2021. This represented an increase of \$292.3 million compared to June 30, 2020. Total liabilities and deferred inflow of resources for the same period increased \$294.4 million, while total net position decreased \$2.1 million.

Cash and cash equivalents increased \$233.3 million to \$289.4 million at June 30, 2021, compared to June 30, 2020. The increase was due primarily to cash related to the Treasury Emergency Rental Assistance Program and Homeowner Assistance Fund.

Investments increased \$57.1 million to \$524.4 million at June 30, 2021, compared to June 30, 2020. The increase was the result of two factors:

- Scheduled payments and prepayments of mortgage-backed securities in the Mortgage Revenue Bond program as a result of homeowners refinancing their mortgages, as well as loans being purchased out of the mortgage-backed securities due to loan restructurings; offset by
- The purchase of \$108.7 million in mortgage-backed securities under the Corporation's open indenture.

Management's Discussion and Analysis

Years Ended June 30, 2021 and 2020

The increase in deferred outflows of resources of \$0.6 million in 2021 is primarily related to pension allocation adjustments.

The increase in total liabilities of \$294.6 million in 2021 was attributable primarily to:

- A net increase in bonds payable of \$49.9 million resulting from the following factors:
 - Issuance of the Series 2020B and 2021A revenue bonds
 - Calls resulting from the mortgage-backed securities prepayments
- An increase in grant fund unearned revenues of \$241.6 million due to funds received from awarding agencies pending use for program and administrative expenses.

Total operating revenues before fair value adjustments for fiscal year 2021 were \$50.7 million, compared to \$40.8 million for fiscal year 2020. The increase in operating revenues was attributable primarily to an increase in “flow-through” revenues of \$10.9 million from the Corporation’s management of federal grant programs.

Total operating expenses were \$48.1 million in fiscal year 2021, up from \$37.5 million in fiscal year 2020. The increase in operating expenses was attributable primarily to an increase in “flow-through” expenses of \$10.7 million from the Corporation’s management of federal grant programs.

As a result of the above factors, operating income before fair value adjustments was \$2.6 million in 2021, compared to \$3.3 million in 2020.

2020 Financial Highlights

- Total assets and deferred outflows of resources increased \$99.9 million, or 21.0 percent

The Corporation reported total assets and deferred outflows of resources of \$575.5 million at June 30, 2020. This represented an increase of \$99.9 million compared to June 30, 2019. Total liabilities and deferred inflow of resources for the same period increased \$86.0 million, while total net position increased \$13.9 million.

Cash and cash equivalents decreased \$4.0 million to \$56.1 million at June 30, 2020, compared to June 30, 2019. The net decrease was due primarily to a decrease in cash equivalents to fund up front down payment assistance related to an increase in mortgage revenue bond activity and an increase in cash related to the Hardest Hit Fund.

Investments increased \$100.6 million to \$467.3 million at June 30, 2020, compared to June 30, 2019. The increase was the result of two factors:

- The purchase of \$119.5 million in mortgage-backed securities under the Corporation's open indenture; and

Management's Discussion and Analysis

- Scheduled payments and prepayments of mortgage-backed securities in the Mortgage Revenue Bond program as a result of homeowners refinancing their mortgages, as well as loans being purchased out of the mortgage-backed securities due to loan restructurings.

The decrease in deferred outflows of resources of \$0.2 million in 2020 is primarily related to pension allocation adjustments.

The increase in total liabilities of \$86.2 million in 2020 was attributable primarily to:

- A net increase in bonds payable of \$76.0 million resulting from the following factors:
 - Calls resulting from the mortgage-backed securities prepayments; offset by
 - Issuance of the Series 2019B and 2020A revenue bonds; and
- An increase in grant fund unearned revenues of \$7.9 million due to funds received from awarding agencies pending use for program and administrative expenses.

Total operating revenues before fair value adjustments for fiscal year 2020 were \$40.8 million, compared to \$33.8 million for fiscal year 2019. The increase in operating revenues was attributable primarily to two factors:

- An increase in interest income of \$2.9 million, which resulted from an overall higher level of earning assets; and
- An increase in “flow-through” revenues of \$2.9 million from the Corporation’s management of federal grant programs.

Total operating expenses were \$37.5 million in fiscal year 2020, up from \$31.8 million in fiscal year 2019. The increase in operating expenses was attributable primarily to two factors:

- An increase in interest expense of \$2.6 million, which resulted from a higher level of bonds payable; and
- An increase in “flow-through” expenses of \$2.4 million from the Corporation’s management of federal grant programs.

As a result of the above factors, operating income before fair value adjustments was \$3.3 million in 2020, compared to \$2.0 million in 2019.

Management's Discussion and Analysis

Debt Administration

The Corporation sells bonds to investors in order to raise capital. These bonds are marketable securities backed by mortgage loans on residential properties. The Corporation's bond issues require cash reserves along with mortgage insurance and other safeguards in addition to the mortgage on the property being financed, all of which gives the investor or bondholder additional assurance that the issuer, in this case the Corporation, will repay the bonds.

Economic Factors

The primary business activity of the Corporation is funding the purchase of single-family home mortgages. The Corporation's mortgage financing activities are sensitive to the level of interest rates; the spread between the rate available on the Corporation's loans and the rates available in the conventional mortgage markets; and the availability of affordable housing. The availability of long-term tax-exempt financing on favorable terms is a key element in providing the funding necessary for the Corporation to continue its mortgage financing activities.

Mississippi Home Corporation

Notes to Combined Financial Statements

June 30, 2021 and 2020

Note 1: Organization and Summary of Significant Accounting Policies

Mississippi Home Corporation (the “Corporation”), formerly known as Mississippi Housing Finance Corporation, is a governmental instrumentality of the State of Mississippi (the “State”) created under the Mississippi Home Corporation Act of 1989 (the “Act”). Pursuant to the Act, the Corporation is authorized and empowered, among other things, to issue bonds to provide monies for financing residential housing and provide other services in regard to housing for persons and families of low and moderate income in the State. Bonds and other obligations issued by the Corporation are not a debt or liability of the State, but are secured solely by assets of the individual mortgage purchase programs. The reporting entity includes the Corporation (the primary government entity), the Mississippi Affordable Housing Development Program (see *Note 7*) and the House Bill 530 Program (see *Note 8*) for which the Corporation is accountable.

Members of the Board of Directors of the Corporation (the “Board”) are appointed by the Governor and the Lieutenant Governor of the State. The appointed members serve six-year staggered terms and cannot be removed without cause. The Board controls the appointment of the Executive Director, who is responsible for the staffing of the Corporation. The State assumes no responsibility for the Corporation’s day-to-day operations. The Board is solely responsible for reviewing, approving and revising the Corporation’s budget. The State is not responsible for financing any deficit or operating deficiencies of the Corporation. The Corporation controls the use of surplus funds.

The significant accounting policies used by the Corporation in preparing and presenting its combined financial statements follow.

Accounting Method

The Corporation’s accounts are organized as a separate set of self-balancing accounts that comprise the assets, liabilities, net position, revenues and expenses of the Mortgage Revenue Bond Program, the Down Payment Assistance Program, the Mississippi Affordable Housing Development Program, the House Bill 530 Program and the General Corporate Fund (each of the programs is further described in the accompanying notes). The measurement focus is on determining operating income and capital maintenance.

The accompanying financial statements present the combined activities of the Mortgage Revenue Bond Program, the Down Payment Assistance Program, the Mississippi Affordable Housing Development Program, the House Bill 530 Program and the General Corporate Fund. Since the assets and net position of each program are generally restricted, aggregating the accounts of the separate programs does not indicate that the assets and net position are available in any manner other than that provided for in the bond resolutions or other agreements of the separate programs. All material interfund balances and transactions have been eliminated in the combined financial statements.

Mississippi Home Corporation

Notes to Combined Financial Statements

June 30, 2021 and 2020

Net Position

The restricted net position in the individual mortgage programs is restricted pursuant to the Corporation's agreements with bondholders as determined in each bond resolution. The restricted net position of the Mississippi Affordable Housing Development Program and the House Bill 530 Program is restricted in accordance with the Corporation's agreement with the State (see *Note 7* and *Note 8*).

Classification of Revenues

The Corporation recognizes revenues as follows:

- Interest income is calculated based on the individual interest-earning asset and recognized when earned;
- Net increase (decrease) in fair value of investments represents the difference between the fair value and net book value of the investments; and
- Grant fund revenues represent the various state and federal funds received for the reimbursement of costs incurred. Certain federal and state grants are for the purchase of goods and services and, therefore, are deemed to be exchange transactions. Accordingly, such grant revenues are recognized as goods are provided or services are rendered.

Cash, Cash Equivalents, Restricted Cash and Restricted Cash Equivalents

Cash and cash equivalents include General Corporate Fund cash, General Corporate Fund investments with original maturities of less than three months at date of purchase, and unrestricted cash in certain other funds.

Restricted cash consists of cash which is restricted as to its use and is held primarily by the Mississippi Affordable Housing Development Program, the House Bill 530 Program, the Mortgage Revenue Bond Program, and the General Corporate Fund.

Restricted cash equivalents consist substantially of: proceeds from the sales of bonds pending the purchase of Government National Mortgage Association ("Ginnie Mae") mortgage-backed securities, Federal National Mortgage Association ("Fannie Mae") mortgage-backed securities and Federal Home Loan Mortgage Corporation ("Freddie Mac") participation certificates (collectively, Mortgage-Backed Securities); proceeds from the issuance of notes payable; and principal and interest payments of the Mortgage-Backed Securities. These funds are held in money market accounts and U.S. Treasury Bills. The indentures of the respective mortgage purchase programs stipulate that these funds may be used only for the acquisition of Mortgage-Backed Securities, or the early redemption of the respective mortgage revenue program bonds outstanding. These instruments are considered cash equivalents because they are readily convertible into cash at the discretion of the Corporation. Money market investments and other highly liquid investments with no stated maturity are considered cash equivalents and are reported at amortized cost.

Mortgage Loans Receivable, Mortgage-Backed Securities and Investments

A portion of the mortgage loans in the General Corporate Fund is secured by first liens on multi-family residential properties, while the remainder is secured by first liens on single family residential properties. Mortgage loans in the Down Payment Assistance Program are secured by second liens on single-family residential properties. A portion of the mortgage loans in the Mississippi Affordable Housing Development Program is secured by second liens on single family residential properties, while the remainder is secured by first liens on multi-family residential properties. Mortgage loans in the House Bill 530 Program are secured by first liens on single-family residential properties. Proceeds from bond issues are invested principally in Mortgage-Backed Securities, representing pools of mortgage loans originated under the respective programs.

The Corporation is authorized by Mississippi statute, subject to any agreement with bondholders or noteholders, to invest in the following:

- Direct obligations of or obligations guaranteed by the United States;
- Bonds, debentures, notes or other evidence of indebtedness issued by U.S. Government agencies;
- Direct and general obligations of the State;
- Repurchase agreements secured by collateral;
- Investment contracts or agreements with entities rated “A” or better by a nationally recognized rating agency; and
- Certificates of deposit or time deposits of qualified depositories and money market funds.

Allowance for Losses on Mortgage Loans

Losses incurred on mortgage loans are charged to the allowance for losses on mortgage loans (the allowance). The allowance is established with a corresponding amount charged to expense when, in management’s opinion, the realization of all or a portion of the loans or recovery on properties owned is doubtful. The allowance can be reduced when proceeds from loan payoffs exceed management’s previous estimates.

In evaluating the allowance, management considers the age of the various loans, the relationship of the allowances to outstanding mortgage loans, collateral values, insurance claims and economic conditions.

Management believes that the allowance is adequate. While management uses available information to recognize losses on mortgage loans, future additions to the allowance may be necessary based on changes in economic conditions. The provision for mortgage loan losses totaled \$26,455 and \$282,352 in 2021 and 2020, respectively.

Deferred Losses on Refunding, Discounts and Premiums

Costs related to the issuance of bonds are expensed in the respective bond issues. During the years ended June 30, 2021 and 2020, \$1,453,218 and \$1,956,700 of issuance costs were expensed, respectively.

Deferred losses on refundings result from a difference between the acquisition price and the net carrying amount of the old debt and are amortized using the effective interest rate method over the shorter of the life of the old debt or the new debt. During the years ended June 30, 2021 and 2020, no refunding losses were deferred.

In addition, discounts and premiums on the sale of bonds are deferred and amortized over the life of the bonds. Prepayments of principal are not anticipated in amortizing deferred losses on refundings, bond discounts or bond premiums.

Grant Fund Unearned Revenues

Certain mortgage loans were originated from federal grant funds awarded to the Corporation. Loan payments received by the Corporation are required to be expended pursuant to the underlying grant agreements and are recorded as grant fund unearned revenues until the earnings process is completed.

Grant fund unearned revenues also include funds received from awarding agencies pending use by the Corporation for program and administrative expenses.

Net Pension Liability

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Public Employees' Retirement System of Mississippi (PERS) and additions to/deductions from PERS fiduciary net position have been determined on the same basis as they are reported by PERS. As provided in Governmental Accounting Standards Board (GASB), the net position liability is required to be measured as of a date no earlier than the end of the Corporation's prior fiscal year (the measurement date). The Corporation has elected to utilize actuarial information as of the beginning of the period in accordance with the available elections under GASB 68, consistently applied from period to period. Benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Program Fees

Program fees consist of monies paid to the Corporation by borrowers, developers or financial institutions for processing, application, commitment or reservation purposes in the Corporation's affordable housing programs.

Income Taxes

As a tax-exempt, quasi-governmental organization created by legislative statute, the Corporation is exempt from federal and state income taxes. Accordingly, no provision for income taxes has been included in the combined financial statements.

Fair Value of Financial Instruments

GASB 72, *Fair Value and Measurement Application*, established a hierarchy for financial assets and liabilities recorded at fair value. This standard requires the Corporation to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Investments measured at fair value on a recurring basis are summarized below:

	2021			
	Fair Value at June 30, 2021	Fair Value Measurements Using		
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)

The valuation technique used to measure fair value for the items in the tables above is the fair value of securities available-for-sale are determined by obtaining matrix pricing, which is a mathematical technique widely used in the industry to value debt securities without relying on the securities' relationship to other benchmark quoted securities (Level 2 inputs).

Loans and bonds are valued at their carrying amounts, which approximate fair value, due to the structured financing characteristics of the Corporation's bond issues. Mortgage rates on loans originated, and subsequently securitized into Mortgage-Backed Securities from bond proceeds, are based directly on the bond rates established at the time of issuance. For bonds issued through June 30, 2021, Mortgage-Backed Securities are pledged under the applicable trust indenture. The Corporation is restricted under various trust indentures from selling Mortgage-Backed Securities at a value which would impair its ability to service the bonds to which those certificates are specifically pledged.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Change in Accounting Principles

Effective July 1, 2020, the Corporation adopted GASB 84, *Fiduciary Activities* and GASB 97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans, an amendment of GASB No. 14 and No 84, and a supersession of GASB No. 32*. These standards clarify whether a government has a fiduciary responsibility and is required to present a fiduciary fund financial statement. The adoption of these

standards did not result in the identification of any fiduciary activities for the Corporation nor in the previously reported net position.

Note 2: Cash Equivalents and Investments

At June 30, 2021, the carrying amount of the Corporation's cash and cash equivalents was \$289,391,708, and the bank balance was \$289,444,587. The differences between the carrying amount and bank balance were the result of transactions in transit. Of the \$289,444,587 bank balance, \$5,448,392 was either insured by federal regulatory authorities or collateralized with securities held by the Corporation or by its agent in the Corporation's name. Of the remaining bank balance of \$283,996,195, \$275,535,612 related to Treasury Programs (Hardest Hit Fund, Emergency Rental Assistance Program and Homeowner Assistance Fund) and the Mortgage Revenue Bond Program. The Hardest Hit Fund is a program created by the U.S. Treasury to provide funding for State Housing Finance Authorities to develop locally-tailored foreclosure prevention solutions in areas that have been hit hard by high unemployment and home price declines. The Emergency Rental Assistance Program and Homeowner Assistance Fund are programs created by the U.S. Treasury to provide funding for State Housing Finance Authorities to develop locally-tailored rental, mortgage and utility payment solutions in areas that have been hit hard by the COVID-19 pandemic.

At June 30, 2020, the carrying amount of the Corporation's cash and cash equivalents was \$56,130,717, and the bank balance was \$56,391,499. The differences between the carrying amount and bank balance were the result of transactions in transit. Of the \$56,391,499 bank balance, \$6,808,985 was either insured by federal regulatory authorities or collateralized with securities held by the Corporation or by its agent in the Corporation's name. Of the remaining bank balance of \$49,582,514, \$44,798,629 related to the Hardest Hit Fund and the Mortgage Revenue Bond Program. The Hardest Hit Fund is a program created by the U.S. Treasury to provide funding for State Housing Finance Authorities to develop locally-tailored foreclosure prevention solutions in areas that have been hit hard by high unemployment and home price declines.

Interest Rate Risk

In general, the Corporation's investment strategy is designed to match the life of the asset with the maturity date of its related liability. With this strategy, investments would be expected to reach maturity with limited realized gains or losses. Most of the Corporation's investments are in mortgage-backed securities, which are subject to prepayment risk as market interest rates change.

Credit Risk

Investments for each bond issue are those permitted by the various bond indentures and bond resolutions adopted by the Corporation. As of June 30, 2021, the Corporation's investments in certain Municipal Debt Securities of \$3,648,124 and Other Asset-Backed Securities of \$46,987 were unrated. The Corporation's remaining investments are rated by Moody's Investor Service or Standard and Poor's as follows:

Investment Type	Rating	Estimated Value
U.S. Government agency securities	Aaa	\$ 11,903,784
Municipal debt securities	Aa	5,353,991
Mortgage-backed securities	Aaa	501,629,037

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Corporation would not be able to recover the value of its investments or collateral securities that are in possession of an outside party. Substantially all of the Corporation's investments are held in the Corporation's name by its trustee.

Concentration of Credit Risk

The Corporation's investment policy places no limits on the amount the Corporation may invest in any one issuer. As of June 30, 2021, the Corporation held Ginnie Mae investments (rated Aaa) with a fair value of \$455,540,812 and Fannie Mae investments (rated Aaa) with a fair value of \$43,987,922, which represent approximately 95 percent of the Corporation's total investment holdings. Ginnie Mae investments are a direct obligation of the U.S. Government and backed by the full faith and credit of the U.S. Government.

Note 3: Mortgage Loans Receivable

Mortgage loans receivable is comprised of real estate mortgage loans and real estate construction loans, as follows:

- Real estate mortgage loans are secured by personal residences and payable in periodic installments. As of June 30, 2021 and 2020, \$9,274,916 and \$10,510,311, respectively, of real estate mortgage loans were outstanding.
- Real estate construction loans are made for the purpose of real estate construction and land development. As of June 30, 2021 and 2020, \$33,111,049 and \$31,222,471, respectively, of real estate construction loans were outstanding.

All real estate securing the mortgage loans is located in the State.

Note 5: Excess Earnings

For all of the tax-exempt Mortgage Revenue Bond issues, federal tax regulations limit the interest margin that the Corporation (as a tax-exempt entity) may earn. These regulations require that earnings on the investment of bond proceeds, which exceed interest paid on the bonds by a predetermined amount (defined in the regulations and subject to certain adjustments), must be rebated or remitted to the Internal Revenue Service (“IRS”). The Corporation determined that the rebate liability due to the IRS (recorded in other liabilities and accrued expenses) was \$0 in both 2021 and 2020. The Corporation expects to meet the spending requirements on substantially all of the outstanding issues.

Note 6: Mortgage Revenue Bond and Smart Solution Programs

The Corporation’s Mortgage Revenue Bond (“MRB”) and the Smart Solution Program provide loans to qualified borrowers for purchases of the borrower’s primary residence. To qualify, borrowers must be within income limits, and their homes must meet purchase price limits. The limits for the MRB Program are set by Congress, while the limits for the Smart Solution Program are set by the Corporation. These loans have 30-year terms, have market rates of interest, and are secured by first mortgages on the residences. At the option of the Corporation, borrowers may also receive funds to be used for down payment assistance and allowable loan closing costs.

Mississippi Home Corporation

Notes to Combined Financial Statements

June 30, 2021 and 2020

The MRB loans are pooled into Mortgage-Backed Securities that are held in the respective bond issue's trust account. As the Mortgage-Backed Securities pay down, the Bond Trustee may call the bonds.

The Smart Solution mortgages are made by the participating lenders, purchased by the Corporation's master servicer and then securitized into Mortgage-Backed Securities. Under the arrangement with the Corporation's master servicer, the master servicer sells the securities to the third-party purchaser. Because the Mortgage-Backed Securities are sold directly by the master servicer to the third-party purchaser, there is no balance of Mortgage-Backed Securities reflected on the combined statements of net position related to the Corporation's Smart Solution Program.

Note 7: Mississippi Affordable Housing Development Program

The Corporation is responsible for management of the Mississippi Affordable Housing Development Program, which is a blended component of the Corporation. The program was established by the State as a housing development revolving loan fund to provide resources for loans for the construction or repair of housing for persons or families of low-to-moderate income in the State using \$1,997,952 in proceeds received from the Mississippi Development Authority ("MDA") in 1995 and \$5,991,893 in proceeds obtained directly from the State in 1996. The Corporation is responsible for all aspects of the program, including developing lending criteria, establishing interest rates and loan approval, servicing and reporting. Principal, interest and late fee payments are required to be returned to the program for use in granting new loans. Costs incurred by the Corporation for administering the program are not reimbursed to the Corporation.

Note 8: House Bill 530 Program

The Corporation is responsible for management of the House Bill 530 ("HB530") Program, a Mississippi Single Family Residential Housing Program. The program was established by the State in collaboration with the MDA and the Corporation in 1999 as a revolving loan fund to provide low interest financing for the construction of eligible single family owner occupied units in the State for persons of low to moderate income. The Corporation administers the program for MDA, with the State providing \$5 million and the Corporation matching \$5 million. Costs incurred by the Corporation for administering the program are not reimbursed to the Corporation.

Note 9: Low Income Housing Tax Credit Program

The Corporation has been designated as the allocating agency for the Low Income Housing Tax Credit Program (the "Tax Credit Program"). The U.S. Congress created the Tax Credit Program in 1986 to encourage investment in the construction and rehabilitation of housing units for low income individuals and families. The Corporation has adopted a Low Income Housing Tax Credit

Mississippi Home Corporation

Notes to Combined Financial Statements

Program Qualified Allocation Plan (the “Plan”), which provides for an application process, project evaluation selection criteria and compliance requirements. Receipts under the Tax Credit Program represent fees earned for administering the Tax Credit Program and are not restricted under the terms of the Plan or the Tax Credit Program. A portion of the fees received is deferred and recognized over the life of the program.

Note 10: Down Payment Assistance Program

The Corporation’s Down Payment Assistance Program provides loans to qualified borrowers for down payments and allowable loan closing costs on purchases of the borrower’s primary residence. The qualification requirements are generally the same as those of the respective mortgage loan programs under which the primary mortgage loans are made. The two down payment assistance programs are:

- Smart Solutions Program - 10-year terms, interest rates set by management, are secured by second mortgages on the residences, and the maximum principal amount is 3.5 percent of the primary mortgage loan.
- MRB7 Program – 10-year terms, zero percent interest rate, forgivable after 10 years as long as the home is owner-occupied, secured by second mortgages on the residences, and the maximum principal amount is \$7,000.

Note 11: Lease Purchase Revenue Bond Program

During the year ended June 30, 2007, management elected to terminate the Corporation’s Lease Purchase Revenue Bond Program. At June 30, 2021 and 2020, \$600,401 bonds payable were outstanding under this program (see *Note 4*).

Note 12: Defined Benefit Pension Plan

Plan Description

The Corporation contributes to the Public Employees’ Retirement System of Mississippi (“PERS” or the “System”), a cost-sharing multiple-employer defined benefit pension plan. The PERS was created with the purpose to provide pension benefits for all state and public education employees, sworn officers of the Mississippi Highway Safety Patrol, other public employees whose employers have elected to participate in the System, and elected members of the State Legislature and the President of the Senate. The System administers a cost-sharing multiple-employer defined benefit pension plan as defined in GASB Statement No. 67, *Financial Reporting for Pension Plans*.

Benefits Provided

For the cost-sharing plan, participating members who are vested and retire at or after age 60 or those who retire regardless of age with at least 30 years of creditable service (25 years of creditable service for employees who became members of PERS before July 1, 2011) are entitled, upon application, to an annual retirement allowance payable monthly for life in an amount equal to 2.00 percent of their average compensation for each year of creditable service up to and including 30 years (25 years for those who became members of PERS before July 1, 2011), plus 2.50 percent for each additional year of creditable service with an actuarial reduction in the benefit for each year of creditable service below 30 years, or the number of years in age that the member is below 65, whichever is less. Average compensation is the average of the employee's earnings during the four highest compensated years of creditable service. A member may elect a reduced retirement allowance payable for life with the provision that, after death, a beneficiary receives benefits for life or for a specified number of years. Benefits vest upon completion of eight years of membership service (four years of membership service for those who became members of PERS before July 1, 2007). PERS also provides certain death and disability benefits. In the event of death prior to retirement of any member whose spouse and/or children are not entitled to a retirement allowance, the deceased member's accumulated contributions and interest are paid to the designated beneficiary.

Contributions

PERS members are required to contribute 9.00 percent of their annual covered salary, and the Corporation is required to contribute at an actuarially determined rate. The current rate contributed by the Corporation is 17.40 percent of annual covered payroll. The contribution requirements of PERS members are established and may be amended only by the State Legislature. Combined contributions are expected to finance the cost of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Contributions to the pension plan from the Corporation were \$730,466 and \$708,860 for the years ended June 30, 2021 and 2020, respectively.

Net Pension Liability

The Corporation relied on the following reports published by PERS in December of each year:

- Report of the Annual GASB Statement No. 68 – *Required Information for the Employers Participating in PERS* – Prepared as of June 30, 2020 and 2019
- Schedule of Employer Allocations and Schedule of Collective Pension Amounts – PERS – June 30, 2020 and 2019

Accordingly, this note reflects financial information related to the measurement periods ended June 30, 2020 and 2019. The Actuarial Assumptions section reflects the plan as a whole managed

by PERS. The data is not specific to the Corporation, nor does the Corporation manage the investments.

At June 30, 2021 and 2020, the Corporation reported a liability of \$11,843,931 and \$10,275,647, respectively, for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2020 and 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of those dates. The Corporation's proportion of the net pension liability was based on a projection of the Corporation's long-term share of contributions to the pension plan relative to the projected contributions of all participating PERS members, actuarially determined. At June 30, 2020 and 2019, the Corporation's proportion was 0.061181 percent and 0.058411 percent, respectively, which was an increase of 0.00277 percent and an increase of 0.002611 percent, respectively, from its proportion measured as of June 30, 2019 and 2018.

For the years ended June 30, 2021 and 2020, the Corporation recognized pension expense of \$1,365,489 and \$1,183,826, respectively, which is included in salaries and related benefits. At June 30, 2021 and 2020, the Corporation reported deferred outflows of resources and deferred inflow of resources related to pensions from the following sources:

	June 30, 2021	
	Deferred Outflows of Resources	Deferred Inflow of Resources
Differences between expected and actual experience	\$ 102,808	\$ -

The Corporation reported \$730,466 as deferred outflows of resources related to pensions resulting from Corporation contributions subsequent to the measurement date that will be recognized as a reduction of the net pension liability for the measurement period ended June 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflow of resources related to pensions will be recognized as an expense in pension expense as follows:

Actuarial Assumptions

The total pension liability in the June 30, 2020 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75 percent
Salary increases	3.00 - 18.25 percent, including inflation
Investment rate of return	7.75 percent, net of pension plan investment expense, including inflation

June 30, 2021 and 2020

Mortality rates were based on the PubS.H-2010(B) Retiree Table with the following adjustments. For males, 112% of male rates from ages 18 to 75 scaled down to 105% for ages 80 to 119. For females, 85% of the female rates from ages 18 to 65 scaled up to 102% for ages 75 to 119. Mortality rates will be projected generationally using the MP-2018 projection scale to account for future improvements in life expectancy.

The actuarial assumptions are based on the experience investigation for the four-year period ending June 30, 2018.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected nominal returns, net of pension plan investment expense and the assumed rate of inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	June 30, 2020	
	Target Allocation	Long-Term Expected Real Rate of Return
Domestic equity	27%	4.90%
International equity	22%	4.75%
Global equity	12%	5.00%

Private equity	8%	6.25%
Cash equivalents	1%	0.00%

The total pension liability in the June 30, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Investment rate of return	7.75 percent, net of pension plan investment expense, including inflation

Discount rate. The discount rate used to measure the total pension liability was 7.75 percent at June 30, 2020 and 2019. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate, and that contributions from the Corporation will be made at contractually required rates, actuarially determined. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Corporation's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Corporation's proportionate share of the net pension liability calculated using the discount rate of 7.75 percent, as well as what the Corporation's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.75 percent) or 1-percentage-point higher (8.75 percent) than the current rate:

	1% Decrease (6.75%)	Current Discount Rate (7.75%)	1% Increase (8.75%)
Corporation's proportionate share of the net pension liability	\$ 15,330,513	\$ 11,843,931	\$ 8,966,099

This information may be obtained by contacting PERS by mail at 429 Mississippi Street, Jackson, MS 39201, by phone at 1-800-444-7377 or by website at www.pers.ms.gov. Detailed information about the pension plan's fiduciary net position is available in the separately issued PERS financial report.

Note 13: Deferred Compensation Plan

The State offers its employees a multiple-employer deferred compensation plan created in accordance with Internal Revenue Code Section 457. The term "employee" means any person, whether appointed, elected or under contract, providing services for the State, state agencies, counties, municipalities or other political subdivisions, for which compensation is paid. The Plan permits employees of the Corporation to defer a portion of their income until future years.

The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts and all income attributable to those amounts, property or rights are (until paid or made available to the employee or other beneficiary) solely the property and rights of the employer (without being restricted to the provisions of benefits under the plan), subject only to the claims of the general creditors of those entities which employ deferred compensation participants. Participants' rights under the plan are the same as those of general creditors in an amount equal to the fair market value of the deferred account for each participant. The Corporation believes that it has no liabilities with respect to the State's plan.

Note 14: Conduit Issues

The Corporation has issued certain conduit multi-family housing revenue bonds, the proceeds of which were made available to various developers for rental housing. The bonds are payable solely from amounts received by the trustees from the revenue earned by the developers. Loan and corresponding debt service payments are guaranteed by irrevocable direct-pay letters of credit. The faith and credit of the Corporation is not pledged for the payment of the principal or interest on the bonds. Accordingly, these obligations are excluded from the Corporation's combined financial statements.

Note 15: Subsequent Events

The Corporation has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through October 13, 2021, the date of issuance of its combined financial statements, and has determined that no significant events, other than that mentioned below, occurred after June 30, 2021, but prior to the issuance of these combined financial statements that could have a material impact on its combined financial statements.

On July 14, 2021, the Corporation issued \$97,095,000 in Single Family Mortgage Revenue Bonds. These bonds have maturity dates from December 1, 2021 to June 1, 2051, and bear interest rates from 1.30 percent to 5.00 percent.

Note 16: COVID-19

As a result of the COVID-19 coronavirus, economic uncertainties have arisen which may negatively affect the financial position, results of operations and cash flows of the Company. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Changes of assumptions

- 2019
 - The expectation of retired life mortality was changed to PubS.H-2010(B) Retiree Table with the following adjustments. For males, 112% of male rates from ages 18 to 75 scaled down to 105% for ages 80 to 119. For females, 85% of the female rates from ages 18 to 65 scaled up to 102% for ages 75 to 119. Mortality rates will be projected generationally using the MP-2018 projection scale to account for future improvement in life expectancy.
 - The expectation of disabled mortality was changed to Pub T.H.-2010 Disabled Retiree Table for disabled retirees with the following adjustments. For males, 137% of male rates at all ages. For females, 115% for female rates at all ages. Projection scale MP-2018 will be used to project future improvements in life expectancy generationally.
 - The price inflation assumption was reduced from 3.00% to 2.75%.
 - The wage inflation assumption was reduced from 3.25% to 3.00%.
 - Withdrawal rates, pre-retirement mortality rates, and service retirement rates were also adjusted to more closely reflect actual experience.
 - The percentage of active member disabilities assumed to be in the line of duty was increased from 7% to 9%.
- 2017
 - The expectation of retired life mortality was changed to the RP-2014 Healthy Annuitant Blue Collar Mortality Table projected with Scale BB TO 2022. Small adjustments were also made to the Mortality Table for disabled lives.
 - The wage inflation assumption was reduced from 3.75% to 3.25%.
 - Withdrawal rates, pre-retirement mortality rates, disability rates and service retirement rates were also adjusted to more closely reflect actual experience.
 - The percentage of active member disabilities assumed to be in the line of duty was increased from 6% to 7%.
- 2016
 - The assumed rate of interest credited to employee contributions was changed from 3.50% to 2.00%.
- 2015
 - The expectation of retired life mortality was changed to the RP-2014 Healthy Annuitant Blue Collar Table projected to 2016 using Scale BB rather than the RP-2000 Mortality Table, which was used prior to 2015.
 - The expectation of disabled mortality was changed to the RP-2014 Disabled Retiree Table, rather than the RP-2000 Disabled Mortality Table, which was used prior to 2015.
 - Withdrawal rates, pre-retirement mortality rates, disability rates and service retirement rates were also adjusted to more closely reflect actual experience.
 - Assumed rates of salary increase were adjusted to more closely reflect actual and anticipated experience.

Mississippi Home Corporation
Notes to Supplementary Schedules
Year Ended June 30, 2021

- The price inflation and investment rate of return assumptions were changed from 3.50% to 3.00% and 8.00% to 7.75%, respectively.

Changes in benefit provisions

- 2016
 - Effective July 1, 2016, the interest rate on employee contributions shall be calculated based on the money market rate as published by *The Wall Street Journal* on December 31 of each preceding year, with a minimum rate of one percent and a maximum rate of five percent.

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed
in Accordance with *Government Auditing Standards***

Independent Auditor's Report

Board of Directors
Mississippi Home Corporation
Jackson, Mississippi

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the combined financial statements of Mississippi Home Corporation (“the Corporation”), which comprise the combined statement of net position as of June 30, 2021, and the related combined statements of revenues, expenses and changes in net position and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated October 13, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the Corporation’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation’s combined financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of combined financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
