*In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Series 2025B Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2025B Bonds, and the Series 2025A Bonds and Series 2025B Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxes. In the opinion of Bond Counsel, interest on the Series 2025B Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Series 2025B Bonds may be taken into account for the purpose of computing the federal alternative minimum tax imposed on certain corporations. In the opinion of Bond Counsel, interest on the Series 2025A Bonds is includable in gross income for federal income tax purposes. See **TAX MATTERS** herein.*

### INTRODUCTION TO OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the bonds to potential investors is made only by means of the entire Official Statement, including the cover page and inside cover page hereof and exhibits hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of the City of Marion, Arkansas (the "City") is furnished in connection with the offering by the City of its \$4,975,000 principal amount of Sales and Use Tax Bonds, Taxable Refunding Series 2025A (the "Series 2025A Bonds") and its \$28,970,000 principal amount of Sales and Use Tax Bonds, Improvement Series 2025B (the "Series 2025B Bonds"). The Series 2025A Bonds are being issued for the purpose of refunding the City's outstanding Sales and Use Tax Bonds, Series 2017 (the "Bonds Refunded"), providing a portion of a debt service reserve and paying expenses of issuing and insuring the Series 2025A Bonds. The Series 2025B Bonds are being issued for the purpose financing all or a portion of the costs of various capital improvements for the City (collectively, the "Improvements"), providing a portion of a debt service reserve and paying expenses of issuing and insuring the Series 2025B Bonds. See **THE BONDS**, Purposes for Bonds.

The City is a city of the first class duly organized under the laws of the State of Arkansas (the "State") and is located in eastern Arkansas. The City is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes. See **THE CITY AND THE COUNTY**.

The Series 2025A Bonds and the Series 2025B Bonds (collectively, the "Bonds") are not general obligations of the City, but are special obligations payable solely from collections from a 1% sales and use tax levied by the City (the "Tax"). See **THE TAX** and **THE BONDS**, Security. The Tax is levied under the Authorizing Legislation and Ordinance No. 638 of the City adopted February 25, 2025 (the "Tax Ordinance"). The issuance of the Bonds and the pledging of the Tax to the payment of the principal of and interest on the Bonds was approved at the special election held May 13, 2025. The Series 2025A Bonds and the Series 2025B Bonds are equally and ratably secured. The Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 639 of the City, adopted on August 26, 2025 (the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE**.

The scheduled payment of the principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy (the "Insurance Policy") to be issued by Assured Guaranty Inc. (the "Insurer" or "AG") simultaneously with the delivery of the Bonds. A specimen Insurance Policy is attached hereto as Exhibit B. It is expected that, based upon the commitment of the Insurer to insure the Bonds, S&P Global Ratings ("S&P") will assign a rating of "AA" (stable outlook) to the Bonds. However, there is no guarantee that such rating will be received. See **BOND INSURANCE** and **MISCELLANEOUS**, Rating. So long as the Insurer is not in default under the Insurance Policy, it is subrogated to, and may enjoy and exercise, all rights and remedies of the owners of the Bonds and may direct the Trustee in the exercise of any remedies set forth herein. No remedy set forth herein may be exercised by the Trustee or by any owner of any of the Bonds without the prior written approval of the Insurer. See **THE AUTHORIZING ORDINANCE**, Defaults and Remedies.

The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **THE BONDS, Book-Entry Only System**. The Bonds will contain such other terms and provisions as described herein. See **THE BONDS, Generally**.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or an integral multiple thereof. Interest is payable May 1, 2026, and semiannually thereafter on each May 1 and November 1. Unless the Bonds are in book-entry form, payment of principal of the Bonds will be made to the owners of the Bonds at the principal office of Bank OZK, Little Rock, Arkansas, as trustee and paying agent for the Bonds (the "Trustee"). Interest is payable by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Bond may be transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Trustee. See **THE BONDS, Generally**, and **Book-Entry Only System**.

The Bonds are subject to extraordinary redemption from proceeds of the Bonds not needed for the purposes intended and from Surplus Tax Receipts (as hereinafter defined). The Bonds are subject to optional redemption on and after November 1, 2032. The Series 2025A Bonds maturing on November 1, 2033 are subject to mandatory sinking fund redemption as described herein. The Series 2025B Bonds maturing on November 1 in the years 2040, 2045, 2050 and 2055 are subject to mandatory sinking fund redemption as described herein. The Trustee shall give at least thirty (30) days notice of redemption. See **THE BONDS, Redemption**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Series 2025B Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), (ii) interest on the Series 2025B Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Series 2025B Bonds may be taken into account for the purpose of computing the federal alternative minimum tax imposed on certain corporations, (iii) the Bonds and interest thereon are exempt from all State, county and municipal taxes and (iv) interest on the Series 2025A Bonds is includable in gross income for federal income tax purposes. See **TAX MATTERS**.

It is expected that the Bonds will be available for delivery on or about October 7, 2025, through the facilities of the Depository Trust Company in New York, New York.

The City and the Trustee will enter into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance, summarized herein, and the Continuing Disclosure Agreement, are available upon request from Stephens Inc., 111 Center Street, Suite 100, Little Rock, Arkansas 72201, Attention: Public Finance.

## **THE BONDS**

**Book-Entry Only System**. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity and series will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the City make any representation or warranty regarding the accuracy or completeness thereof.

**So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The City and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.**

Generally. The Bonds are dated, mature and bear interest as set forth on the inside front cover of this Official Statement. The principal of the Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the City kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Bonds are issuable in the form of registered bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Bond is mutilated, lost or destroyed, the City shall, if not then prohibited by law, execute and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity and series, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Bond for the privilege of registration, but any owner of any Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the City nor the Trustee shall be required to transfer or exchange any Bond selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest of any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Bonds are subject to extraordinary, optional and mandatory sinking fund redemption prior to maturity as follows:

(1) Extraordinary Redemption. The Bonds shall be redeemed from proceeds of the Bonds not needed for the purposes intended and from Surplus Tax Receipts (hereinafter defined), at least annually, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine), in whole at any time or in part on any interest payment date, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. The Bonds shall be redeemed from Surplus Tax Receipts in the order of priority set forth below. In the case of the redemption of Bonds from unspent proceeds, the Bonds to be redeemed will be the series of Bonds from which the unspent proceeds were derived.

"Surplus Tax Receipts" are collections of the Tax in excess of the amount necessary to (1) insure the prompt payment of the principal, interest on, Trustee's and administrative fees and expenses in connection with the Bonds, (2) pay any arbitrage rebate due under Section 148(f) of the Code, (3) fund and maintain the debt service reserve in the required amount and (4) pay the Insurer for any amounts owed with respect to the Insurance Policy and the Reserve Policy (as hereinafter defined).

The City shall apply 100% of the Surplus Tax Receipts to the redemption of the Bonds in the following order of priority; first, the Series 2025A Bonds until fully paid, and second, the Series 2025B Bonds until fully paid. In the event of a redemption from Surplus Tax Receipts, the Bonds of a particular series shall be redeemed in inverse order of maturity and by lot within a maturity in such manner as the Trustee shall determine.

In case of any defeasance of the Bonds, redemption of defeased Bonds shall be scheduled on the basis of mandatory redemption requirements and assuming annual Tax receipts in an amount equal to receipts for the most recent twelve-month period prior to the defeasance being authorized by the City.

(2) Optional Redemption. The Bonds are subject to redemption at the option of the City, from funds from any source, on and after November 1, 2032, in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Bonds shall be called for redemption, the series and the particular maturities of such series of the Bonds to be redeemed shall be selected by the City in its discretion. If fewer than all of the Bonds of a particular series of any one maturity shall be called for redemption, the particular Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(3) Mandatory Sinking Fund Redemption. (a) To the extent not previously redeemed, the Series 2025A Bonds maturing on November 1, 2033 are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on November 1 in the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

After the date for redemption no further interest shall accrue on any

Notwithstanding the above, so long as the Bonds are issued in book-entry only form, if fewer than all the Bonds of a particular series are called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by DTC. Construction Fund will be disbursed in payment of costs of the respective Improvements, paying necessary expenses incidental thereto and paying costs of issuance. For a description of how the Bond proceeds are to be invested pending use and the provisions governing those investments, see **THE AUTHORIZING ORDINANCE**, Investments.

Security. The Bonds are not general obligations of the City but are special obligations, equally and ratably secured by a pledge of collections of the Tax ("Tax receipts"). Tax receipts must first be used to pay the principal of and interest on the Bonds and thereafter to pay the Trustee's fees and expenses and other administrative charges and any arbitrage rebate due under Section 148(f) of the Code and to pay the Insurer for any amounts owed with respect to the Insurance Policy and the Reserve Policy. The Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see **THE AUTHORIZING ORDINANCE**.

There will be deposited into the debt service reserve (i) a municipal bond debt service reserve insurance policy (the "Reserve Policy") issued by the Insurer that shall be in the face amount of one-half of the maximum annual debt service requirement on the Bonds as originally issued and (ii) cash in the amount of \$375,000 accumulated from Tax receipts and funds held in connection with the Bonds Refunded.

### **THE TAX**

Generally. Pursuant to the Authorizing Legislation and the Tax Ordinance, the City has levied the "Tax," which is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the Authorizing Ordinance, the City has pledged the Tax receipts to the payment of the Bonds. The Tax was approved as security for the Bonds at the special election held May 13, 2025. The Tax, which replaces a 1% sales and use tax pledged to the Bonds Refunded (the "Existing 1% Tax"), will not take effect until the day following the date the Existing 1% Tax expires.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by the State and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within one year from the date of purchase or one year from the date of payment, if later.

---

<sup>(1)</sup> Source: U.S. Bureau of Economic Analysis; data for 2024 is not yet available.

DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax.

Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than \$100 per item), clothing accessories or equipment (which are less than \$50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday.

Set forth in Exhibit A attached hereto is a summary of certain provisions of the statutes authorizing the Tax. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Bond Fund. See **THE AUTHORIZING ORDINANCE, The Bond Fund.**

Historical Tax Receipts. The Tax will replace the Existing 1% Tax currently pledged to the Bonds Refunded. Collections of the Existing 1% Tax in the City have been as follows since 2020:

<u>Year</u>	<u>Existing 1% Tax Collections</u>
2020	\$1,751,712
2021	2,001,114
2022	2,151,194
2023	2,380,619
2024	2,396,734

Collections of the Existing 1% Tax for the twelve-month periods ending July 31 have been as follows for the periods indicated:

<u>Period (Ended July 31)</u>	<u>Existing 1% Tax Collections</u>
2021	\$1,892,667
2022	2,095,764
2023	2,305,566
2024	2,384,941
2025	2,408,026

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the City, which activity is generally dependent upon economic conditions within the City. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the Tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The City has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the City cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the Bonds.

The United States Supreme Court held in *S. Dakota v. Wayfair, Inc.*, No. 17-494, 2018 WL 3058015 (U.S. June 21, 2018) that in certain circumstances retailers can be required to collect sales tax even in states where they have no physical presence. The Arkansas General Assembly passed Act 822 of 2019, which was signed by the Governor of the State on April 9, 2019, that requires out-of-state sellers without a physical presence in the State to collect and remit sales and use taxes to the State on annual sales of more than \$100,000 from products and services delivered into the State. Alternatively, such sellers would be required to collect and remit sales and use taxes to the State if sales of products and services for delivery in the State consist of 200 or more transactions. These thresholds are identical to those imposed by the United States Supreme Court in *S. Dakota v. Wayfair, Inc.*

(d) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to said fund.

(e) The Trustee shall so invest and reinvest pursuant to the direction of the City.

(f) "Permitted Investments" are defined as (i) direct or fully guaranteed obligations of the United States of America ("Government Securities"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, including the Trustee, which are insured by Federal Deposit Insurance Corporation or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by Arkansas law to secure public funds or (iv) money market funds invested exclusively in Government Securities and the obligations described in (ii) above.

(g) All investments and deposits in the Bond Fund shall have a par value (or market value when less than par, exclusive of accrued interest) at all times at least equal to the amount of money credited to such funds and shall be made in such a manner that the money required to be expended from any fund will be available at the proper time or times.

(h) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book entry form shall be continuously valued at par or face principal amount.

Certain Covenants. The City covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the Series 2025B Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Series 2025B Bonds or Tax receipts directly or indirectly in such manner as to cause the Series 2025B Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the Improvements or the proceeds of the Series 2025B Bonds in such manner as to cause the Series 2025B Bonds to be "private activity bonds" within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of Tax, as therein specified and covenanted, the segregating of the Tax receipts and the applying of the Tax receipts as provided in the Authorizing Ordinance.

(d) It will make any arbitrage rebate payment due the United States under Section 148(f) of the Code from moneys in the Bond Fund.

Defaults and Remedies. (a) Subject to the provisions of subparagraph (g) below, if there be any default in the payment of the principal of and interest on the Bonds, or if the City defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of (1) the Insurer or (2) with the consent of the Insurer, the owners of not less than 25% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the City and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless (1) such owner or the Trustee shall have given written notice of such default to the Insurer and (2) such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or

proceeding is to be taken, and unless the owners of not less than 25% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

(c) All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

(d) No remedy conferred upon or reserved to the Trustee, the Insurer or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee, the Insurer or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee, the Insurer and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) With the prior written consent of the Insurer, the Trustee may, and with the prior written consent of the Insurer and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

(g) Notwithstanding the above, the Insurer shall be deemed to be the sole holder of the Bonds insured by it for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the owners of the Bonds are entitled to take pursuant to the Authorizing Ordinance.

Defeasance. Any Bond shall be deemed to be paid within the meaning of the Authorizing Ordinance when payment of the principal of and interest on such Bond (whether at maturity or upon redemption as provided herein, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (1) cash sufficient to make such payment and/or (2) non-callable Government Securities (provided that such deposit will not cause any of the Series 2025B Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code), maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the

Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses or provision has been made therefor, if any arbitrage rebate payment has been paid to the United States or provision made therefor and if there are no other amounts due the Insurer with respect to the Insurance Policy and the Reserve Policy, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled, (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds and any rebate due the United States, to be paid over or delivered to or at the direction of the City.

In the case of any defeasance of the Bonds, the dates of redemption of such Bonds and the principal amounts and maturities of such Bonds to be redeemed will be determined by taking into consideration the applicable mandatory redemption requirements with respect to the Bonds to be defeased and the Tax receipts for the most recent twelve months.

No Additional Bonds. The City covenants that while the Bonds are outstanding it will not issue any additional bonds or incur any additional obligations secured by a lien on or pledge of the Tax receipts.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the Insurer or the owners of not less than 10% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the City, the Insurer and the owners of the Bonds. The Insurer, the majority in principal amount of the owners of the outstanding Bonds or the City, so long as it is not in default under the Authorizing Ordinance, in each case with the consent of the Insurer, may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, the City shall forthwith designate a new Trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the City and the Insurer, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the City and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding and the Insurer shall have the right, from time to time, to consent to and approve the adoption by the City of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee, with the prior written consent of the Insurer, may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding (i) that the Trustee determines is not to the material prejudice of the owners of the Bonds or (ii) in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of Tax receipts superior to the pledge

created by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

## **CONTINUING DISCLOSURE**

Past Compliance. In the past five years, the City has been a party to one continuing disclosure agreement executed in connection with the issuance of the Bonds Refunded. The City has been obligated to file certain information with the Municipal Securities Rulemaking Board on its Electronic Municipal Market Access system ("EMMA") within the time periods set forth in the agreement. The City has reviewed its past compliance with such agreement. While the City has not made a determination as to materiality, the following constitutes a non-exhaustive summary of the City's review of compliance with continuing disclosure obligations over the past five years.

The continuing disclosure agreement obligated the City to file on EMMA the audited financial statements of the City. The audited financial statements for the years ended December 31, 2021, 2022 and 2023 have been timely filed. The audited financial statements of the City for the year ended December 31, 2020 were filed on EMMA approximately 80 days late. The audited financial statements of the City for the year ended December 31, 2024 are not yet available.

The continuing disclosure agreement obligated the City to file on EMMA certain statistical information related to the City. The annual reports for the years ended December 31, 2020 through 2024 were timely filed.

The City's continuing disclosure agreement also obligated the City to file a notice of the occurrence of any event listed in Securities and Exchange Commission, Rule 15c2-12(b)(5), which includes rating changes. At the time of issuance, S&P assigned the Bonds Refunded an underlying rating of A. Such rating was upgraded from A to A+ on March 27, 2019, and from A+ to AA- on June 1, 2023. S&P dropped the rating on April 18, 2024.

Notices concerning the City's failure to comply with its continuing disclosure obligations as summarized above were not filed on EMMA.

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of the provisions.

Purpose of the Continuing Disclosure Agreement. The Continuing Disclosure Agreement is executed and delivered by the City and the Trustee for the benefit of the Beneficial Owners of the Bonds and in order to assist the Underwriter in complying with the Securities and Exchange Commission, Rule 15c2-12(b)(5).

(b) After the occurrence of a Listed Event (excluding an event described in (a)8 above), the City shall promptly notify the Dissemination Agent (if other than the City) in writing. Such notice shall instruct the Dissemination Agent to report the occurrence.

(c) After the occurrence of a Listed Event (excluding an event described in (a)8 above), whether by notice from the Trustee or otherwise, the City shall file (or shall cause the Dissemination Agent to file), in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any other similar system that is acceptable to the Securities and Exchange Commission, with a copy to the Trustee (if the Trustee is not the Dissemination Agent) and the Insurer. In the event of a Listed Event described in (a)8 above, the Trustee shall make the filing in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event.

Termination of Reporting Obligation. The City's obligations under the Continuing Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all the Bonds.

Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to the Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the City and the Trustee may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason of the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing Financial Statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the Financial Statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the City shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the City or the Trustee to comply with any provision of the Continuing Disclosure Agreement, the Trustee, the Insurer, the City or any Beneficial Owner may (and the Trustee, at the request of the Underwriter or the Beneficial Owners of at least 25% aggregate principal amount of outstanding Bonds, shall) take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed a default under the Authorizing Ordinance, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Trustee and Dissemination Agent and Right of Indemnity. The Dissemination Agent (if other than the Trustee) and the Trustee in its capacity as Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the City, the Trustee, the Dissemination Agent, the Underwriter, the Insurer and the Beneficial Owners and shall create no rights in any other person or entity.

## DEBT SERVICE COVERAGE

Set forth below is estimated debt service coverage information for the Bonds. In arriving at the estimate of annual Tax receipts for this calculation, the City examined the collections of the Existing 1% Tax for the twelve-month period ended July 31, 2025.

Actual Tax receipts collected by the City will depend upon, among other things, the level of retail activity within the City, the economic health of the City and surrounding trade area, possible future actions by the people of the State or General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate and there can be no assurance that future Tax receipts will equal the estimate shown below. See **THE TAX, Future Tax Receipts**.

Based upon the pledge of 100% of estimated Tax receipts, debt service coverage is as follows:

Estimated Tax Receipts Available for Debt Service <sup>(A)</sup>	\$2,408,026
Maximum Annual Debt Service for Bonds <sup>(B)</sup>	2,192,250
Debt Service Coverage <sup>(A/B)</sup>	1.10x

The following tables show amounts required to pay scheduled principal and interest on the Bonds during each year. However, the City expects to retire the Bonds earlier than scheduled from Surplus Tax Receipts through the use of redemption of the Bonds. See **THE BONDS**, Redemption and **PROJECTED MANDATORY REDEMPTION**.

## PROJECTED MANDATORY REDEMPTION

The table under the caption **DEBT SERVICE REQUIREMENTS** does not reflect possible redemptions from Surplus Tax Receipts, if available. Surplus Tax Receipts are Tax receipts less the amounts needed to pay principal of, interest on, and Trustee’s fees and expenses and administrative charges in connection with the Bonds when due, to fund and maintain the Debt Service Reserve Account at its required level, to pay any arbitrage rebate due under Section 148(f) of the Code and to pay any amounts due the Insurer with respect to the Insurance Policy and the Reserve Policy. Based upon collections of the Existing 1% Tax for the twelve-month period ended July 31, 2025, and no projected growth, the City estimates that Tax receipts will be available in the amount of \$2,408,026. See **THE TAX, Future Tax Receipts**. The Series 2025A Bonds would be paid in full by November 1, 2031 and the Series 2025B Bonds would be paid in full by May 1, 2050 from Surplus Tax Receipts and moneys in the Debt Service Reserve Account, if these estimates are correct, as follows:

## LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Bonds, or questioning or affecting the legality of the Tax or the Bonds or the proceedings and authority under which the Bonds are to be issued, or questioning the right of the City to adopt the Authorizing Ordinance or to issue the Bonds or the levy and pledge of the Tax by the City.

Legal Opinions. Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel. A form of Bond Counsel's approving opinion is attached hereto as Exhibit C.

## TAX MATTERS

State Taxation. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law the interest on the Bonds is exempt from all Arkansas state, county and municipal taxes.

Series 2025A Bonds. In the opinion of Bond Counsel, interest on the Series 2025A Bonds under existing law is not excludable from gross income for federal income tax purposes. Bond Counsel expresses no opinion regarding other federal tax consequences arising with respect to the Series 2025A Bonds. Prospective purchasers should consult their own tax advisor in determining the federal tax consequences to them of the purchase, holding and disposition of the Series 2025A Bonds.

Any federal tax advice contained in this Official Statement pertaining to the Series 2025A Bonds was written to support the marketing of and is not intended or written to be used, and cannot be used, by a taxpayer for the purpose of avoiding any penalties that may be imposed under the Code. All taxpayers should seek advice based on such taxpayer's particular circumstances from an independent tax advisor. This disclosure is provided to comply with Treasury Circular 230.

The following is a summary of certain anticipated federal income tax consequences of the purchase, ownership and disposition of the Series 2025A Bonds under the Code, regulations and the judicial and administrative rulings and court decisions now in effect, all of which are subject to change or possible differing interpretations. This summary does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances, nor certain types of investors subject to special treatment under the federal income tax laws. This summary does not address owners that may be subject to special tax rules, such as banks, insurance companies, dealers in securities or currencies, purchasers that hold the Series 2025A Bonds (or foreign currency) as a hedge against currency risks or as part of a straddle with other investments or as part of a "synthetic security" or other integrated investment (including a "conversion transaction") comprised of a Series 2025A Bond and one or more other investments, or purchasers that have a "functional currency" other than the U.S. dollar. Except to the extent discussed below under "Foreign Investors," this summary is not applicable to non-United States persons not subject to federal income tax on their worldwide income. This summary does not discuss the tax laws of any state other than Arkansas or any local or foreign governments. Potential purchasers of the Series 2025A Bonds should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series 2025A Bonds.

*General.* Although there are not any regulations, published rulings, or judicial decisions involving the characterization for federal income tax purposes of securities with terms substantially the same as the Series 2025A Bonds, Bond Counsel has advised that the Series 2025A Bonds will be treated for federal income tax purposes as evidences of indebtedness of the City and not as an ownership interest in the trust estate securing the Series 2025A Bonds or as an equity interest in the City or any other party, or in a separate association taxable as a corporation. Although the Series 2025A Bonds are issued by the City, interest on the Series 2025A Bonds (including original issue discount, if any) is not excludable from gross income for federal income tax purposes under Code Section 103. Interest on the Series 2025A Bonds will be fully subject to federal income taxation. Thus,

owners of the Series 2025A Bonds generally must include interest (including any original issue discount) on the Series 2025A Bonds in gross income for federal income tax purposes.

In general, interest paid on the Series 2025A Bonds, original issue discount, if any, and market discount, if any, will be treated as ordinary income to the owners of the Series 2025A Bonds, and principal payments (excluding the portion of such payments, if any, characterized as original issue discount) will be treated as a return of capital.

*Sales or Other Dispositions.* If a Series 2025A Bond is sold, redeemed prior to maturity or otherwise disposed of in a taxable transaction, gain or loss will be recognized in an amount equal to the difference between the amount realized on the sale or other disposition, and the adjusted basis of the transferor in the Series 2025A Bond. The adjusted basis of a Series 2025A Bond generally will be equal to its costs, increased by any original issue discount or market discount included in the gross income of the transferor with respect to the Series 2025A Bond and reduced by any amortized bond premium under Section 171 of the Code and by the payments on the Series 2025A Bond (other than payments of qualified stated interest), if any, that have previously been received by the transferor. Except as provided in Section 582(c) of the Code, relating to certain financial institutions, or as discussed in the following paragraph, any such gain or loss will be a capital gain or loss taxable at the applicable rate determined by the Code if the Series 2025A Bond to which it is attributable is held as a "capital asset."

Gain on the sale or other disposition of a Series 2025A Bond that was acquired at a market discount will be taxable as ordinary income in an amount not exceeding the portion of such discount that accrued during the period that the Series 2025A Bond was held by the transferor (after reduction by any market discount includable in income by such transferor in accordance with the rules described above under "Market Discount"). In addition, if the City is determined (pursuant to regulations that have yet to be promulgated under Code Section 1271(g)(2)(A)) to have had an intention on the date of original issuance of the Series 2025A Bonds to call all or a portion of the Series 2025A Bonds prior to maturity, then gain on the sale or other disposition of a Series 2025A Bond in an amount equal to the original issue discount not previously includable in gross income would be required to be treated as ordinary income taxable at the applicable rate determined by the Code.

*Backup Withholding.* Payments of principal and interest (including original issue discount) on the Series 2025A Bonds, as well as payments of proceeds from the sale of the Series 2025A Bonds may be subject to the "backup withholding tax" under Section 3406 of the Code with respect to interest or original issue discount on the Series 2025A Bonds if recipients of such payments (other than foreign investors who have properly provided certifications described below) fail to furnish to the payor certain information, including their taxpayer identification numbers, or otherwise fail to establish an exemption from such tax. Any amounts deducted and withheld from a payment to a recipient would be allowed as a credit against the federal income tax of such recipient.

*Foreign Investors.* An owner of a Series 2025A Bond that is not a "United States person" (as defined below) and is not subject to federal income tax as a result of any direct or indirect connection to the United States of America in addition to its ownership of a Series 2025A Bond will generally not be subject to United States income or withholding tax in respect of a payment on a Series 2025A Bond, provided that the owner complies to the extent necessary with certain identification requirements (including delivery of a statement, signed by the owner under penalties of perjury, certifying that such owner is not a United States person and providing the name and address of such owner). For this purpose the term "United States person" means a citizen or resident of the United States, a corporation, partnership or other entity created or organized in or under the laws of the United States of America or any political subdivision thereof, or an estate or trust whose income from sources within the United States is includable in gross income for United States of America income tax purposes regardless of its connection with the conduct of a trade or business within the United States of America.

Except as explained in the preceding paragraph and subject to the provisions of any applicable tax treaty, a United States withholding tax will apply to interest paid and original issue discount accruing on the Series 2025A Bonds owned by foreign investors. In those instances in which payments of interest on the Series 2025A Bonds continue to be subject to withholding, special rules apply with respect to the withholding of tax on payments of interest on, or the sale or exchange of the Series 2025A Bonds having original issue discount and held by foreign investors. Potential investors that are foreign persons should consult their own tax advisors regarding the specific tax consequences to them of owning a Series 2025A Bond.

*ERISA Considerations.* The Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Code generally prohibit certain transactions between a qualified employee benefit plan under ERISA (an "ERISA Plan") and persons who, with respect to that plan, are fiduciaries or other "parties in interest" within the meaning of ERISA or "disqualified persons" within the meaning of the Code. In the absence of an applicable statutory, class or administrative exemption, transactions between an ERISA Plan and a party in interest with respect to an ERISA Plan, including the acquisition by one from the other of a Series 2025A Bond, could be viewed as violating those prohibitions. In addition, Code Section 4975 prohibits transactions between certain tax-favored vehicles such as Individual Retirement Accounts and disqualified persons and Code Section 503 includes similar restrictions with respect to governmental and church plans. In this regard, the City or any underwriter of the Series 2025A Bonds, might be considered or might become a "party in interest" within the meaning of ERISA or a "disqualified person" within the meaning of the Code, with respect to an ERISA Plan or a plan or arrangement subject to Code Sections 4975 or 503. Prohibited transactions within the meaning of ERISA and the Code may arise if the Series 2025A Bonds are acquired by such plans or arrangements with respect to which the City or any underwriter is a party in interest or disqualified person. In all events, fiduciaries of ERISA Plans and plans or arrangements subject to the above Code Sections, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in the Series 2025A Bonds.

Series 2025B Bonds. In the opinion of Bond Counsel, interest on the Series 2025B Bonds under existing law is excludable from gross income for federal income tax purposes under Section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Series 2025B Bonds may be taken into account for the purpose of computing the federal alternative minimum tax imposed on certain corporations. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2025B Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the Series 2025B Bonds and the Improvements. Failure to comply with certain of such requirements could cause the interest on the Series 2025B Bonds to be so included in gross income retroactive to the date of issuance of the Series 2025B Bonds. The City has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the Series 2025B Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Series 2025B Bonds, (ii) interest on the Series 2025B Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Series 2025B Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Series 2025B Bonds.

Prospective purchasers of the Series 2025B Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025B Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series 2025B Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

As shown on the inside front cover of this Official Statement, certain of the Series 2025B Bonds are being sold at an original issue discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth on the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

As shown on the inside front cover of this Official Statement, certain of the Series 2025B Bonds are being sold at an original issue premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the 2025B Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the 2025B Bonds from realizing the full current

benefit of the tax status of such interest. The introduction or enactment of any legislative proposals or clarification of the Code or court decisions may affect, perhaps significantly, the market price for, or marketability of, the 2025B Bonds. Prospective purchasers of the 2025B Bonds should consult their own tax advisors regarding any proposed or enacted federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2025B Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

"Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AG shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AG which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AG may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AG pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AG and shall not be deemed received until received by both and (b) all payments required to be made by AG under this Policy may be made directly by AG or by the Insurer's Fiscal Agent on behalf of AG. The Insurer's Fiscal Agent is the agent of AG only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AG to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AG agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AG to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AG, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY INC. has caused this Policy to be executed on its behalf by its Authorized Officer.

Re: \$4,975,000 City of Marion, Arkansas Sales and Use Tax Bonds, Taxable  
Refunding Series 2025A

\$28,970,000 City of Marion, Arkansas Sales and Use Tax Bonds,  
Improvement Series 2025B

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by the City of Marion, Arkansas (the "City") of \$4,975,000 City of Marion, Arkansas Sales and Use Tax Bonds, Taxable Refunding Series 2025A (the "Series 2025A Bonds") and \$28,970,000 City of Marion, Arkansas Sales and Use Tax Bonds, Improvement Series 2025B (the "Series 2025B Bonds" and collectively with the Series 2025A Bonds, the "Bonds"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion, including particularly a certified copy of Ordinance 639 of the City adopted on August 26, 2025, authorizing the issuance of the Bonds (the "Authorizing Ordinance"), and Ordinance No. 638 of the City adopted on February 25, 2025 (the "Tax Ordinance"), levying a 1% sales and use tax within the City (the "Tax").

As to questions of fact material to our opinion we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify such facts by independent investigation.

Based on our examination, we are of the opinion, as of the date hereof and under existing law, as follows:

1. The Bonds have been lawfully authorized and issued under the Constitution and laws of the State of Arkansas now in force, including particularly Amendment No. 62 to the Constitution of the State of Arkansas and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation"), and are valid and binding obligations of the City enforceable in accordance with their terms.

2. The Bonds are not general obligations of the City but are special obligations payable from and secured by a pledge of collections of the Tax duly levied by the City under the authority of the Authorizing Legislation. The Bonds are not secured by any lien on or security interest in any physical properties of the City.

3. The interest on the Series 2025B Bonds (including any original issue discount properly allocable thereto) is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Series 2025B Bonds may be taken into account for the purpose of computing the federal alternative minimum tax on certain corporations. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2025B Bonds in order that interest thereon be (or continue to

be) excluded from gross income for federal income tax purposes. The City has covenanted in the Authorizing Ordinance to comply with all such requirements. Failure to comply with certain of such requirements could cause the interest on the Series 2025B Bonds to be so included in gross income retroactive to the date of issuance of the Series 2025B Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2025B Bonds.

4. The Series 2025A Bonds will be treated for federal income tax purposes as evidences of indebtedness of the City. Interest on the Series 2025A Bonds is not excludable from gross income for federal income tax purposes and will be fully subject to federal income taxation.

5. The Bonds and income thereon are exempt from all Arkansas state, county and municipal taxes.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Sincerely yours,

FRIDAY, ELDREDGE & CLARK, LLP
