

**NEW ISSUE
BOOK-ENTRY ONLY**

RATING: (BAM Insured) S&P: "AA/Stable"

In the opinion of bond counsel, under existing law, assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), subject to the condition that the District comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds, (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations, (iii) interest on the Bonds is exempt from State of Arkansas income tax, (iv) the Bonds are exempt from property taxes in the State of Arkansas and (v) the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Code. (See LEGAL MATTERS, Tax Exemption.)

**\$4,740,000
UNION COUNTY COMMUNITY COLLEGE DISTRICT
IMPROVEMENT BONDS (SOUTH ARKANSAS COLLEGE),
SERIES 2025**

Dated: Date of Delivery

Due: April 1, as shown below

The Bonds are limited tax obligations of Union County Community College District (the "District") secured on a parity with the District's General Obligation Refunding Bonds (South Arkansas Community College), Series 2014. Interest on the Bonds is payable on April 1 and October 1, commencing April 1, 2026. The Bonds mature (on April 1 of each year), bear interest and are priced to yield as follows:

MATURITY SCHEDULE⁽¹⁾

<u>Maturity</u>	<u>Amount</u>	<u>Rate (%)</u>	<u>Yield (%)</u>
2045	\$1,400,000	4.375%	4.375%
2050	1,480,000	4.625	4.625
2055	1,860,000	4.625	4.690

The scheduled payment of the principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy to be issued concurrently with the delivery of the Bonds by Build America Mutual Assurance Company. See **BOND INSURANCE** herein.

The Bonds of each maturity will be initially issued as a single registered bond registered in the name of Cede & Co., the nominee of The Depository Trust Company ("DTC"), New York, New York. The Bonds will be available for purchase in book-entry form only, in denominations of \$5,000 or any integral multiple thereof. Except in limited circumstances described herein, purchasers of the Bonds will not receive physical delivery of Bonds. Payments of principal of and interest on the Bonds will be made by Simmons Bank, Pine Bluff, Arkansas, as the bond registrar and paying agent, directly to Cede & Co., as nominee for DTC, as registered owner of the Bonds, to be subsequently disbursed to DTC Participants and thereafter to the Beneficial Owners of the Bonds, all as further described herein.

This cover page contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

The Bonds are offered, subject to prior sale, when, as and if issued and accepted by the Underwriter named below, subject to the approval of legality by Friday, Eldredge & Clark, LLP, Bond Counsel and subject to satisfaction of certain other conditions. It is expected that the Bonds will be available for delivery through the facilities of DTC in New York, New York, on or about December 16, 2025.

UNION COUNTY COMMUNITY COLLEGE DISTRICT
IMPROVEMENT BONDS
(SOUTH ARKANSAS COLLEGE),
SERIES 2025

INTRODUCTION TO THE OFFICIAL STATEMENT

This introduction to the Official Statement is only a brief description and is subject in all respects to the more complete information contained in the Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement, including the cover page and appendices.

Purpose of Official Statement. This Official Statement is provided to furnish certain information in connection with the issuance by Union County Community College District (the "District"), of its Improvement Bonds (South Arkansas College), Series 2025, in the aggregate principal amount of \$4,740,000 (the "Bonds").

The District. The District is a community college district duly established and existing under the Constitution and laws of the State of Arkansas (the "State") for the purpose of providing post-secondary education. The boundaries of the District are co-extensive with the boundaries of Union County, Arkansas. The District owns and operates South Arkansas College (the "College"). See **DESCRIPTION OF THE DISTRICT**.

Security and Source of Payment. The Bonds will be limited tax obligations of the District, secured by a pledge of revenues from a continuing annual tax described below. See **BONDS BEING OFFERED**, Security and Source of Payment. The Bonds are on a parity of pledge and security with the Series 2014 Bonds (as hereinafter described).

Purpose. The Bonds are being issued to finance a portion of the costs of certain capital improvements for the College and to pay costs of issuing and insuring the Bonds. See **BONDS BEING OFFERED**, Purpose.

Bond Insurance. The scheduled payment of the principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy (the "Insurance Policy") to be issued by Build America Mutual Assurance Company (the "Insurer" or "BAM") simultaneously with the delivery of the Bonds. A specimen Insurance Policy is attached hereto as Appendix C. It is expected that, based upon the commitment of the Insurer to insure the Bonds, S&P Global Ratings ("S&P") will assign a rating of "AA/Stable" to the Bonds. However, there is no guarantee that such rating will be received. See **BOND INSURANCE** and **RATING**. So long as the Insurer is not in default under the Insurance Policy, it is subrogated to, and may enjoy and exercise, all rights and remedies of the owners of the Bonds and may direct the Paying Agent in the exercise of any remedies set forth herein. No remedy set forth herein may be exercised by the Paying Agent or by any owner of any of the Bonds without the prior written approval of the Insurer. See **THE RESOLUTION**, Defaults and Remedies.

Redemption. The Bonds are subject to optional redemption, in whole or in part, on and after April 1, 2031. The Bonds are subject to redemption from proceeds of the Bonds not needed for the purposes intended. The Bonds are also subject to mandatory sinking fund redemption as described herein. See **BONDS BEING OFFERED**, Mandatory Sinking Fund Redemption, Extraordinary Redemption and Optional Redemption.

Denominations and Registration. The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or an integral multiple thereof. Interest is payable April 1, 2026, and semiannually thereafter on each April 1 and October 1. Principal is payable at the designated office of Simmons Bank, Pine Bluff, Arkansas (the "Bond Registrar" and "Paying Agent"). Interest is payable by check mailed by the Paying Agent to the registered owners as of the Record Date (herein defined) for each interest payment date. A Bond may be transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Bond Registrar. See **BONDS BEING OFFERED**, Generally.

Book-Entry. The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **BONDS BEING OFFERED**, Book-Entry Only System. The Bonds will contain such other terms and provisions as described herein. See **BONDS BEING OFFERED**, Generally.

Tax Exemption. In the opinion of Bond Counsel, Friday, Eldredge & Clark, LLP, under existing law, assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations, (iii) interest on the Bonds is exempt from State of Arkansas income tax, (iv) the Bonds are exempt from property taxes in the State of Arkansas and (v) the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Code (see **LEGAL MATTERS**, Tax Exemption).

Authority. The Bonds are being issued under the authority of the Constitution and laws of the State, including particularly A.C.A. §§ 6-61-1001 et. seq., and a resolution of the Board of Trustees of the College, governing body of the District (the "Resolution"). See **BONDS BEING OFFERED**, Authority, and **THE RESOLUTION**.

Continuing Disclosure. The Board and Simmons Bank, as dissemination agent, will enter into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5). See **CONTINUING DISCLOSURE AGREEMENT**.

Delivery of Bonds. It is expected that the Bonds will be available for delivery on or about December 16, 2025 through the facilities of The Depository Trust Company in New York, New York.

Limitation. This Official Statement speaks only as of its date, and the information contained herein is subject to change. Descriptions of the District, the Bonds, the College, the Resolution and other documents are included in this Official Statement. Such descriptions do not purport to be comprehensive or definitive; all references herein to the Resolution or other documents are qualified in their entirety by reference to the definitive form thereof and the information with respect thereto included in the Resolution.

BONDS BEING OFFERED

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC

Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent only to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the District make any representation or warranty regarding the accuracy or completeness thereof.

So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Resolution, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Paying Agent to take or not to take, or consenting to, certain actions under the Resolution. The District and the Paying Agent have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Resolution to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.

Generally. The Bonds will be dated, mature and bear interest as set out on the cover page hereof. The Bond Registrar will maintain books for the registration and transfer of ownership of the Bonds. Interest due on a bond on each interest payment date will be paid to the person in whose name the bond was registered at the close of business on the fifteenth day of the month (whether or not a business day) next preceding the interest payment date (the "Record Date"), irrespective of any transfer of the bond subsequent to the Record Date and prior to the interest payment date. Payment of interest shall be made by check mailed to such registered owner.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Bond Registrar. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

Authority. The District was established under the authority of the Constitution and laws of the State of Arkansas, including particularly Constitutional Amendment No. 52 and Title 6, Chapter 61, Subchapters 5, 6 and 10 of the Arkansas Code of 1987 Annotated (collectively, the "Act"). The Bonds are being issued under the authority of the Act, including particularly A.C.A. §§ 6-61-1001 et. seq. and the Resolution. See **BONDS BEING OFFERED**, Authority, and **THE RESOLUTION**.

Purpose. The Bonds are being issued to finance a portion of the costs of capital improvements for the College, which include particularly, without limitation, the acquisition, construction, equipping and furnishing of the Howard Hall student residence facility on the College's campus, including related infrastructure, parking, and landscaping improvements (collectively, the "Project"). The Project will be the College's first student housing facility. The facility will be 2-story and contain approximately 29,217 square feet, and is anticipated to include 103 beds in 49 dual occupant rooms and 5 single occupant rooms. Each floor will have multiple private bathrooms with toilets, showers and vanities, a dedicated laundry, and commons and private study areas. The first floor will have a small community kitchen, storm shelter, and housing director apartment. Construction work commenced in June 2025. Completion is anticipated by July 2026 so that the facility can be occupied in the fall 2026 semester. The total costs of the Project is anticipated to be approximately \$12,100,000. The College anticipates using approximately \$4,566,177 of Bond proceeds, approximately \$4,440,000* of proceeds of the Board of Trustees of South Arkansas College Various Facilities Revenue Bonds (which are anticipated to be issued in late 2025 or early 2026); see **FINANCIAL INFORMATION**, Various Facilities Revenue Bonds herein), with the remaining costs to be provided using other available funds of the College, including gifts and reserves.

* Preliminary; subject to change.

Sources and Uses of Funds. The sources and uses of funds are estimated as follows:

Sources:

Par Amount of Bonds	\$4,740,000
Original Issue Discount	<u>(19,270)</u>

Total	\$4,720,730
-------	-------------

Uses:

Project Costs	\$4,566,177
Costs of Issuance and Insurance Policy Premium	85,823
Underwriter's Discount	<u>68,730</u>

Total	\$4,720,730
-------	-------------

Security and Source of Payment. The Bonds will be limited tax general obligations of the District, secured by a pledge of revenues from a continuing annual tax of 0.5 mill on real property and personal property (the "Tax"). The District has heretofore issued its General Obligation Refunding Bonds (South Arkansas Community College), Series 2014 (the "Series 2014 Bonds"). The Series 2014 Bonds are on a parity of pledge and security with the Bonds.

The Tax will continue to be collected for so long as any obligations payable from Tax proceeds are outstanding. The Tax is collected by the collector of Union County at the same time as other county, municipal and school district taxes are collected.

All proceeds derived from future collections of the Tax are pledged to the payment of the principal of and interest on the Bonds, fees of the Bond Registrar and Paying Agent in connection with the Bonds, payments of amounts owed the Insurer with respect to the Insurance Policy, and payment of amounts due with respect to the Series 2014 Bonds (the "Required Payments"). However, proceeds in excess of the amounts needed to make the Required Payments shall be released from the pledge and may be used by the District for any lawful purpose.

The Vice President for Finance and Administration of the College, on behalf of the District, shall pay to the Paying Agent from annual collections of the Tax, (a) on or before March 15 of each year, an amount equal to the principal of the Bonds and the interest on the Bonds due on the following April 1 plus any fees of the Bond Registrar and Paying Agent then due and plus any amounts owed to the Insurer with respect to the Insurance Policy, and (b) on or before September 15 of each year, an amount equal to the interest on the Bonds due on the following October 1 plus any fees of the Bond Registrar and Paying Agent then due and plus any amounts owed to the Insurer with respect to the Insurance Policy.

The Paying Agent shall deposit all Tax proceeds received from the District, as set forth in the preceding paragraph, into the "2025 Union County Community College District Bond Fund" (the "2025 Bond Fund"), created for payment of principal of and interest on the Bonds, fees of the Bond Registrar and Paying Agent and amounts owed to the Insurer with respect to the Insurance Policy. Moneys in the 2025 Bond Fund in excess of that insured by the Federal Deposit Insurance Corporation must be continuously secured by bonds or other direct or fully guaranteed obligations of the United States of America or other securities authorized by State law to secure public funds, unless invested in Permitted Investments (as hereinafter defined) maturing not later than the date needed to pay debt service requirements on the Bonds. All moneys deposited into the 2025 Bond Fund will be specifically pledged to the payment of principal of, interest on and Bond Registrar fees, and amounts due the Insurer in connection with the Bonds.

Mandatory Sinking Fund Redemption. The Bonds shall be redeemed prior to maturity, in part, on April 1 of each year, in increments of \$5,000, selected by lot by the Paying Agent in such manner as it may determine, at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the date of redemption, as follows:

Bonds Maturing April 1, 2045

<u>Year</u> <u>(April 1)</u>	<u>Principal Amount</u>
2040	\$210,000
2041	220,000
2042	225,000
2043	235,000
2044	250,000
2045 (maturity)	260,000

Bonds Maturing April 1, 2050

<u>Year</u> <u>(April 1)</u>	<u>Principal Amount</u>
2046	\$270,000
2047	280,000
2048	295,000
2049	310,000
2050 (maturity)	325,000

Bonds Maturing April 1, 2055

<u>Year</u> <u>(April 1)</u>	<u>Principal Amount</u>
2051	\$340,000
2052	355,000
2053	370,000
2054	390,000
2055 (maturity)	405,000

Extraordinary Redemption. The Bonds are subject to mandatory redemption, in increments of \$5,000, on any interest payment date, in inverse order of maturity and by lot within a maturity in such manner as the Paying Agent may determine, from proceeds of the Bonds not needed for the purposes intended.

Optional Redemption. The Bonds are subject to redemption prior to maturity, at the option of the District, in increments of \$5,000, on and after April 1, 2031, in whole or in part at any time, at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the date of redemption. The District shall select the maturities to be redeemed. Less than all of the Bonds of a single maturity called for redemption shall be selected by lot by the Paying Agent in such manner as it may determine.

If the Bonds are redeemed in part pursuant to the optional redemption provisions, the amount so redeemed shall be credited against mandatory sinking fund redemption installments for the maturity as directed by the District, in either inverse order of due dates or on a pro rata basis among due dates, in each case rounded to the nearest \$5,000.

Notice of Redemption. Notice of each such early redemption (mandatory or optional), identifying the Bonds or portions thereof to be redeemed and the date fixed for redemption shall be given as follows:

The Paying Agent shall mail a copy by first-class mail, postage prepaid, or send a copy via other standard means, including electronic or facsimile communication, not less than 30 nor more than 60 days prior to the redemption date, to the registered owner of any Bond to be redeemed in whole or in part. Failure to send an appropriate notice or any such notice to one or more registered owners of Bonds to be redeemed shall not affect the validity of the proceedings for redemption of other Bonds as to which notice of redemption is duly given and in proper and timely fashion.

Notwithstanding the above, so long as the Bonds are issued in book-entry only form, if fewer than all the Bonds of an issue are called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Bonds are issued in book-entry only

form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Paying Agent will not give any notice of redemption to the Beneficial Owners of the Bonds.**

Additional Parity Bonds. Additional bonds payable from the Tax may be issued on a parity of security with the Bonds. Prior to the issuance of any additional parity bonds, the District shall file its certificate, signed by the Chair of the Board of Trustees of the College or the President of the College, with the Registrar and Paying Agent setting forth annual rates of collection of the Tax for the then preceding five years and reflecting coverage of Tax collections over maximum annual debt service (based on a year ending December 31) for all outstanding Bonds, outstanding additional parity bonds and the additional parity bonds then to be issued of not less than 120%, assuming the assessed value of the taxable real and personal property in the District is an amount equal to that for the then preceding year and collection at a rate equal to the average rate of collection for the then preceding five years.

Subordinate Bonds. Without complying with the requirements for additional parity bonds, the District may from time to time in accordance with law issue additional bonds payable from the Tax which are subordinate to the Bonds and any additional parity bonds then outstanding and the pledge of revenues to the Bonds and any additional parity bonds.

DESCRIPTION OF THE DISTRICT

Area. The boundaries of the District are co-extensive with the boundaries of Union County. The incorporated municipalities located, in whole or in part, within the County are: El Dorado, Calion, Felsenthal, Huttig, Junction City, Norphlet, Smackover and Strong.

Formation. Amendment No. 52 to the Arkansas Constitution, approved by a majority of the Arkansas electorate at the November 1964 general election, authorized the General Assembly to provide by law for the establishment of districts for the purpose of providing community college instruction and technical training. An enabling act was passed by the General Assembly early in 1965, permitting municipalities, counties or groups of counties, to create community college districts by popular referendum.

The initial enabling legislation was subsequently amended and the 1973 General Assembly completely rewrote the community college law (by Act No. 103) to provide for state financing of the general operations of community colleges. Act No. 103 was repealed by Act No. 560 of 1977 (as amended and supplemented, the present Act), which has substantially the same provisions as Act No. 103, including particularly the provision for state financing of general operations for community colleges. This legislation was further amended by Act No. 1114 of 1997 which created the Arkansas Higher Education Coordinating Board. This Board functions as a coordinating body for all community colleges and also facilitates all requests and recommendations for funding of two year post-secondary institutions in the system.

In August 1967, the Oil Belt Vocational-Technical School opened in the City of El Dorado, Arkansas. In 1991, the Oil Belt Vocational-Technical School was renamed the Oil Belt Technical College.

In July 1975 Southern State College-El Dorado Branch was established as a branch of Southern State College in the City of El Dorado, Arkansas. In 1976, Southern State College-El Dorado Branch was renamed Southern Arkansas University-El Dorado branch due to the name change of the parent campus.

In 1992, the voters of Union County approved the creation of the Union County Community College District and the merger of Southern Arkansas University-El Dorado Branch and the Oil Belt Technical College into the South Arkansas Community College District and the levy of 0.5 mill on real and personal property to support a community college and as security for bonded indebtedness. That same year, South Arkansas Community College was established as a public two-year college to provide post-secondary educational opportunities to the citizens of Union County and surrounding areas. In 2023, the Arkansas General Assembly changed the name of the College from South Arkansas Community College to the current name of "South Arkansas College." The College has an East Campus and a West Campus. The East Campus is located in the former location of the Oil Belt Technical College at 3636 East Main Road in the City of El Dorado, Arkansas. The West campus is located in the former location of Southern Arkansas University-El Dorado Branch at 300 South West Avenue in the City of El Dorado, Arkansas. The College also operates an Education Center in Warren, Arkansas.

Students. A profile shows that 47.4 percent of all students at the College attend full time, 75.5 percent are female, 53.3 percent are minorities, and 28.5 percent are dual-enrolled high school/college students. Approximately 66.8 percent receive some form of financial aid. The average age of the College's students is 26.

Executive Officials: The principal executive officers of the College and their education and experience are briefly summarized as follows:

President, Dr. Stephanie Tully-Dartez

Dr. Stephanie Tully-Dartez assumed the role as South Arkansas College's sixth president effective July 1, 2024. College Employees. The College currently has 133 full-time employees, which includes faculty and staff.

Accreditation Status.

Higher Learning Commission. The College is accredited by the Higher Learning Commission, an institutional agency recognized by the U. S. Department of Education. It is committed to developing and maintaining high standards of excellence. The Association is one of six regional institutional accrediting associations in the United States. Through its Commissions it accredits, and thereby grants membership to, educational institutions in twenty-two states including Arkansas, Arizona, Colorado, Washington DC, Iowa, Illinois, Indiana, Kansas, Michigan, Minnesota, Missouri, Montana, North Carolina, North Dakota, Nebraska, New Mexico, Ohio, Oklahoma, South Dakota, Wisconsin, West Virginia, and Wyoming.

The College is approved by the Arkansas Department of Higher Education and the Veterans Approval Agency of the Arkansas Department of Education. The College also holds institutional membership in the American Association of Community Colleges and the Arkansas Community Colleges.

Program Accreditation. The Associate of Applied Science in Registered Nursing program is approved by the Arkansas State Board of Nursing. The Arkansas Department of Human Services, Division of Medical Services, Office of Long-Term Care, approves the Certified Nursing Assistant program. The Commission on Accreditation in Physical Therapy Education (CAPTE) accredits the Physical Therapy Assistant program. The Joint Review Committee on Education in Radiologic Technology (JCERT) accredits the Radiologic Technology program. The Committee on Accreditation of Education Programs for the EMS Professions (CoAEMSP) through the Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredits the Emergency Medical Technician and Paramedic programs. The Emergency Medical Technology program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of CoAEMSP. The Accreditation Review Council on Education in Surgical Technology (ARC-ST) through the CAAHEP accredits the Surgical Technology program. The National Institute for Automotive Service Excellence accredits the Automotive Service Technology program. The National Center for Construction Education and Research (NCCER) accredits the Welding Technology program. The Arkansas Department of Education, Career Services Division approves the Secondary Technical Center programs, including Automotive Service Technology, Health Science Technology, Industrial Engineering Technology, Medium/Heavy Diesel Service Technology, and Welding Technology programs.

DEBT STRUCTURE

General. In the election creating the District, held March 31, 1992, a levy was approved of not to exceed 0.5 mills.

The Tax is computed by multiplying the then current assessed value by 0.5 mill.

Collection of Taxes. The collections of the Tax received by the District (net of County administration and collection charges) are shown in the following table.

<u>Calendar Year of Collection⁽¹⁾</u>	<u>Amount Levied</u>	<u>Amount Collected</u>	<u>Rate of Collections (net of collection fees)⁽²⁾</u>
2020	\$478,021.46	\$487,573.93	102.00%
2021	486,660.94	459,312.22	94.38
2022	492,831.98	423,900.68	86.01
2023	508,377.44	526,160.15	103.50
2024	533,938.24	522,878.49	97.93

⁽¹⁾ The "Calendar Year of Collection" in the above table refers to the calendar year in which taxes are collected. Property taxes are levied in one calendar year, and collected in the subsequent calendar year. For instance, in calendar year 2023, the assessed value of property was \$1,067,876,436. The property taxes that were levied on the 2023 assessed value of property were \$533,938.24, and \$522,878.49 of such levy was collected in 2024. The "Calendar Year of Collection" in the above chart does not correspond to the year of assessment of the taxes.

⁽²⁾ Each year's amount collected also includes delinquent payments received from property taxes due from prior years.

5-year average rate of collections – 96.76%

[Remainder of page intentionally left blank.]

Estimated Coverage. The current (2024) assessed value of taxable property in the District is as follows:

Real Property	\$483,382,527
Personal Property	337,717,004
Utilities and Regulated Carriers	230,944,975
Mineral	<u>26,607,587</u>
Total	\$1,078,652,093

The Tax as levied for collection in 2025 is computed as follows: the 2024 assessed value (\$1,078,652,093) is multiplied by the Tax rate of 0.0005 to obtain the total Tax levy of \$539,326.05.

The total real and personal property taxes levied for collection in 2025 is \$539,326.05. Assuming the five-year average collection rate of 96.76% applies in 2025, the projected 2025 receipts will be \$521,851.89.

For purposes of the following coverage computation, it is assumed that the Tax receipts in 2025 and each subsequent year will be the same and that each year's receipts will be available for payment of debt service.

On the basis of the 2024 assessment (\$1,078,652,093), to be collected in 2025 at a collection rate of 96.76%, coverage of collections over maximum annual debt service for the Bonds and the Series 2014 Bonds may be estimated as follows:

Estimated Collections: ^(A)	\$521,851.89
Maximum Annual Debt Service on the Bonds and the Series 2014 Bonds: ^{(B)(1)}	434,525.00
Coverage: ^(A/B)	1.20x

⁽¹⁾Using a year ending December 31.

Computation of Dollar Amount of Debt Service Tax Levied. The most recent county-wide reassessment of taxable property was completed in Union County in 2023. The next county-wide reassessment for Union County is scheduled to be completed in 2027. For purposes of Amendment 59, the year in which the reassessment is completed is known as the "Base Year." For a general discussion of the reassessment requirement and its effect on assessed value and tax rate, see **FINANCIAL INFORMATION**, Constitutional Amendment Nos. 59 and 79, infra.

Constitutional Amendment No. 79 provides for an annual state credit against ad valorem property tax on a homestead in an amount not less than \$300. Effective with the assessment year beginning on or after January 1, 2024, the amount of the credit was increased to \$500. Effective with the assessment year beginning on or after January 1, 2025, the amount of the credit will be increased to \$600. The tax reduction is reflected on the tax bill sent to the property owner by the county collector. Amendment No. 79 provides that the credit shall be applied in a manner that would not impair a bondholder's interest in ad valorem debt service revenue. In addition, Amendment No. 79 provides that the "General Assembly shall, by law, provide for procedures to be followed with respect to adjusting ad valorem taxes or millage pledged for bonded indebted purposes, to assure that the tax or millage levied for bonded indebtedness purposes will, at all times, provide a level of income sufficient to meet the current requirements of all principal, interest, paying agent fees, reserves, and other requirements of the bond indenture."

The taxing units within the county are entitled to reimbursement of the reduction from the annual state credit. Pursuant to legislation, the state sales tax was increased by 0.5%. The purpose of the legislation is to raise revenue that the State will send back to replace the money lost as a result of the state credit. Therefore, for purposes of calculating projected revenues available for debt service, the District has assumed that it will receive revenues equal to the debt service revenues it would have received prior to the adoption of Amendment No. 79.

THE RESOLUTION

Set forth below is a summary of certain provisions of the Resolution. This summary does not purport to be comprehensive and reference is made to the full text of the Resolution for a complete description of its provisions.

Rights of Insurer. Various rights of the District and the holders of the Bonds are subject to rights and powers granted to the Insurer pursuant to the Resolution.

Bond Fund. The Resolution creates the "2025 Union County Community College District Bond Fund" (the "2025 Bond Fund") which will be held by, or under the direction of, the Paying Agent. The Vice President for Finance and Administration of the College, on behalf of the District, shall deposit into the 2025 Bond Fund from annual collections of the Tax, (a) on or before March 15 of each year, an amount equal to the principal of the Bonds and the interest on the Bonds due on the following April 1 plus any fees of the Bond Registrar and Paying Agent then due and plus any amounts due the Insurer with respect to the Insurance Policy, and (b) on or before September 15 of each year, an amount equal to the interest on the Bonds due on the following October 1 plus any fees of the Bond Registrar and Paying Agent then due and plus any amounts due the Insurer with respect to the Insurance Policy.

The deposit into the 2025 Bond Fund shall be made contemporaneously with any required payments into the bond fund for the Series 2014 Bonds. All other revenues derived from the Tax will be released from the pledge and may be used for any lawful purposes. See **BONDS BEING OFFERED, Security and Source of Payment**. Moneys in the 2025 Bond Fund will be used solely for the payment of principal of and interest on the Bonds, and fees of the Bond Registrar and Paying Agent and payments due the Insurer with respect to the Insurance Policy in connection with the Bonds. The Paying Agent will withdraw from the 2025 Bond Fund, on or before the due date of any Bond, on or before each interest payment date, and on or before the due date of any fees or amounts due of the Bond Registrar and Paying Agent or amounts owed to the Insurer, moneys in an amount equal to the amount of such principal, interest, or fees or other amount due for the sole purpose of paying the same, and shall apply such moneys for such purpose. Moneys held for the credit of the 2025 Bond Fund which are in excess of the amount needed for payment of principal, interest and fees of the Bond Registrar and Paying Agent and amounts due the Insurer shall be withdrawn from the 2025 Bond Fund and paid to the District.

Deposit of Sale Proceeds. The Bonds will be delivered to or at the direction of the Underwriter upon payment by the Underwriter of the purchase price, a portion of which may be paid directly to the Insurer for the Insurance Policy premium ("total sale proceeds"). Certain expenses of issuing and insuring the Bonds shall be paid. The balance of the total sale proceeds will be deposited in the "2025 Union County Community College District Construction Fund" created by the Resolution (the "Construction Fund"). Amounts in the Construction Fund will be disbursed for payment of issuance costs and costs and expenses of the Project. The depository or depositories of the Construction Fund shall be as specified from time to time by the District.

When the Project has been completed and all required expenses have been paid from the Construction Fund, and if any funds remain therein at the time, this fact shall be evidenced by a certificate signed by the President of the College, which certificate shall state that all obligations payable from the Construction Fund have been discharged. A copy of the certificate shall be filed with the depository bank which shall thereupon transfer any remaining balance to the Paying Agent for deposit into the 2025 Bond Fund and used for the redemption of the Bonds.

Investments. (a) The District may, from time to time invest moneys held for the credit of the Construction Fund and the 2025 Bond Fund in Permitted Investments. "Permitted Investments" are defined as (i) direct obligations of the United States of America (including any such securities issued or held in book-entry form on the books of the Department of the Treasury of the United States of America) or obligations the principal of and interest on which are fully guaranteed by the United States of America ("Government Obligations"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) bank certificates of deposit or demand deposits of banks to the extent insured by the Federal Deposit Insurance

Corporation, or if in excess of insurance coverage, collateralized by Government Obligations or other securities authorized by State law to secure public funds or (iv) money market funds invested exclusively in Government Obligations and the obligations described in (ii) above.

(b) Investments shall remain a part of the Fund from which the investment was made. All earnings and profits from investments shall be credited to and all losses charged against, the Fund from which the investment was made.

Bond Registrar and Paying Agent. The Bond Registrar and Paying Agent shall only be responsible for the exercise of good faith and reasonable prudence in the execution of its trust. The Bond Registrar and Paying Agent is not required to take any action for the protection of Bondholders.

The Bond Registrar and Paying Agent may resign by giving notice in writing to the President of the College and the Insurer. Such resignation shall be effective upon the appointment of a successor Bond Registrar and Paying Agent by the District and acceptance of appointment by the successor. If the District fails to appoint a successor Bond Registrar and Paying Agent within 30 days of receiving notice of resignation, the Bond Registrar and Paying Agent may apply to a court of competent jurisdiction for appointment of a successor. The Insurer, the District, so long as it is not in default under the Resolution, or the holders of a majority in principal amount of outstanding Bonds, in each case with the consent of the Insurer, may at any time, with or without cause, remove the Bond Registrar and Paying Agent and the District shall appoint a successor. Every successor Bond Registrar and Paying Agent shall be a trust company or bank in good standing, duly authorized to execute trust powers and subject to examination by federal or state authority, having reported capital and surplus of not less than \$10,000,000.

Modification of Terms of Bonds. The terms of the Bonds and the Resolution will constitute a contract between the District and the registered owners of the Bonds. The Bond Registrar and Paying Agent, with the prior written consent of the Insurer, may consent to any supplement or amendment to the Resolution in order to cure any ambiguity, defect or other change that the Bond Registrar and Paying Agent determines is not to the material prejudice of the owners of the Bonds without the consent of the owners of the Bonds. The Insurer and the owners of not less than 75% in aggregate principal amount of the Bonds then outstanding have the right, from time to time, to consent to the adoption by the District of resolutions modifying any of the terms or provisions contained in the Bonds or the Resolution; provided, however, that without the consent of 100% of the owners of outstanding Bonds there shall not be permitted (a) any extension of the due date of the principal of or interest on any bond, or (b) a reduction in the principal amount of any bond or the rate of interest thereon, or (c) the creation of any additional pledge on the revenues pledged to the Bonds other than as authorized in the Resolution, or (d) a privilege or priority of any bond or bonds over any other bond or bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for such consent.

Defeasance. When all of the Bonds shall have been paid or deemed paid, and if no amounts are due the Insurer with respect to the Insurance Policy, the pledge in favor of the Bonds (see **BONDS BEING OFFERED**, Security and Source of Payment, *supra*) shall be discharged and satisfied. A Bond shall be deemed paid when there shall have been deposited in trust with the Paying Agent or with another bank or trust company (which other bank or trust company must be a member of the Federal Reserve System), as escrow agent under an escrow deposit agreement requiring the escrow agent to apply the proceeds of the deposit to pay the principal of and interest on the bond as due at maturity or upon redemption prior to maturity, cash and/or Defeasance Securities sufficient to pay when due the principal of and interest on the bond. If the principal of the bond is to become due by redemption prior to maturity, notice of such redemption must have been duly given or provided for. "Defeasance Securities" shall mean noncallable direct obligations of the United States of America maturing on or prior to the maturity or redemption date of the Bond. In determining the sufficiency of a deposit there shall be considered the principal amount of such Defeasance Securities and interest to be earned thereon until their maturity.

Defaults and Remedies. If there is any default in the payment of the principal of or interest on any Bond, or if the District defaults in the performance of any other covenant in the Resolution, with the consent of the Insurer, the owners of not less than 10% in principal amount of the Bonds then outstanding may, by proper suit compel the performance of the duties of the officials of the District under the Constitution and laws of the State and under the Resolution and protect and enforce the rights

of the owners by instituting appropriate proceedings at law or in equity or by other action deemed necessary or desirable. If any default in the payment of principal or interest continues for 30 days, the owners of not less than 50% in principal amount of the then outstanding Bonds may declare all outstanding Bonds immediately due and payable together with accrued interest thereon.

Anything in the Resolution to the contrary notwithstanding, the owners of a majority in principal amount of Bonds then outstanding shall have the right to direct the method and place of conducting all remedial proceedings to be taken by the Bondholders. Such direction shall be in accordance with law and the provisions of the Resolution.

Neither the Paying Agent nor the Bond Registrar shall be under obligation to institute any suit or take any remedial proceeding under the Resolution.

No one or more owners of the Bonds shall have any right in any manner by his or their action to affect, disturb or prejudice the security of the Resolution, or to enforce any right thereunder except in the manner provided in the Resolution. Any individual rights of action are restricted by the Resolution to the rights and remedies therein provided. Nothing shall, however, affect or impair the right of any owner to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof.

No delay or omission of the Insurer or any owner of a Bond or group of owners to exercise any right or power accrued upon any default shall impair any such right or power or be construed to be a waiver of any such default or acquiescences therein, and every power and remedy given to the owners of the Bonds may be exercised from time to time and as often as may be deemed expedient.

With the prior written consent of the Insurer, the owners of not less than 10% in principal amount of the Bonds then outstanding may waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding or before the completion of the enforcement of any other remedy. No such waiver shall extend to or affect any other existing or subsequent default or defaults or impair any rights or remedies consequent thereon.

Notwithstanding the above, upon the occurrence and continuation of a default or an event of default, the Insurer shall be deemed to be the sole holder of the Bonds for all purposes under the Resolution and shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Bonds or the Paying Agent for the benefit of such holders under the Resolution. The Paying Agent may not waive any default or event of default or accelerate the Bonds without the Insurer's written consent.

FINANCIAL INFORMATION

Financial Statements. The finances of the College are audited by the Division of Legislative Audit of the Legislative Joint Auditing Committee of the Arkansas General Assembly. The most recent audit is for the fiscal year ended June 30, 2024. A copy is attached as Appendix A. Unaudited financial statements of the College for the fiscal year ended June 30, 2025 are attached as Appendix B.

Various Facilities Revenue Bonds. The Board anticipates issuing its approximately \$4,760,000* Various Facilities Revenue Bonds (the "Various Facilities Bonds") in late 2025 or early 2026 to finance a portion of the costs of the Project. The Various Facilities Bonds will be secured by of (i) student tuition and fees payable by all students enrolled for courses at the College, and (ii) all sales and services and auxiliary enterprises revenues (as such terms are used in the context of generally accepted accounting principles) derived from, but not limited to, the following: student housing facilities, dining and food service facilities, bookstore, convention center activities, and athletic facilities. The Various Facilities Bonds will not be secured by the Tax.

Existing Indebtedness. On February 11, 2025, the College borrowed a principal amount of \$2,525,552 from a local bank (the "2025 Loan"). The 2025 Loan is unsecured. The 2025 Loan was incurred for the purpose of financing the construction of a new Facilities Building on the College's West campus to house procurement, maintenance, and custodial, as well as shipping and receiving. The 2025 Loan bears interest at a variable rate that resets annually, with the initial rate set at 4.95% per annum through February 11, 2026. Payments are due quarterly beginning May 1, 2025, and the initial quarterly payment at the current interest rate was \$49,851.20. The 2025 Loan matures on February 1, 2045.

On October 28, 2016, the College entered into an equipment lease/purchase agreement arrangement for \$2,406,172 in equipment purchases (the "2016 LPA"). Payments under the 2016 LPA range from approximately \$14,000 per month to approximately \$19,000 per month, through June 30, 2032. The contract rate under the 2016 LPA is 2.045%. The 2016 LPA is secured by the financed equipment.

In addition, the Series 2014 Bonds are outstanding (see **DEBT STRUCTURE** herein).

Overlapping Ad Valorem Taxes. The ad valorem taxing entities in the State are municipalities, counties, school districts and community college districts. All taxable property located within the boundaries of a taxing entity is subject to taxation by that entity. Thus property within the District is also subject to county ad valorem taxes and ad valorem taxes of the school district in which located. Property located within a municipality is also subject to taxation by that entity. The ad valorem tax entities whose boundaries overlap the District and their current ad valorem tax rates are as follows:

<u>Name of Overlapping Entity</u>	<u>Total Tax Rate (in mils)</u>
City of Calion	6.0
City of Huttig	5.8
City of Junction City	5.0
City of Strong	5.4
City of Norphlet	5.3

Assessment of Property and Collection of Property Taxes. (a) Under Amendment No. 59 to the Arkansas Constitution, all property is subject to taxation except for the following exempt categories: (i) public property used exclusively for public purposes; (ii) churches used as such; (iii) cemeteries used exclusively as such; (iv) school buildings and apparatus; (v) libraries and grounds used exclusively for school purposes; (vi) buildings, grounds and materials used exclusively for public charity; and (vii) intangible personal property to the extent the General Assembly has exempted it from taxation, provided that it be taxed at a lower rate, or provided for its taxation on a basis other than ad valorem. Amendment No. 59 also authorizes the General Assembly to exempt from taxation the first \$20,000 of value of a homestead of a taxpayer 65 years of age or older.

Amendment No. 59 provides that, except as otherwise provided therein in connection with the transition period following a county-wide reassessment (see Constitutional Amendment Nos. 59 and 79, infra), (1) residential property used solely as the principal place of residence of the owner shall be assessed in accordance with its value as a residence, (2) land (but not improvements thereon) used primarily for agricultural, pasture, timber, residential and commercial purposes shall be assessed upon the basis of its value for such use, and (3) all other real and tangible personal property subject to taxation shall be assessed according to its value (the Arkansas Supreme Court has held that the unqualified word "value," as used in a prior, substantially identical, constitutional provision, means "current market value").

(b) Property owned by public utilities and common carriers and "used and/or held for use in the operation of the company . . ." is assessed for tax purposes by the Tax Division of the Arkansas Public Service Commission. A.C.A. § 26-26-1605 provides that the Tax Division "shall assess the property at its true and full market or actual value" and that all utility property of a company, whether located within or without the State of Arkansas, is to be valued as a unit. Annually, the company files a report with the Tax Division. The Tax Division reviews these reports, along with other reports (such as reports to shareholders, the Federal Communications Commission, the Federal Energy Regulatory Commission and the Interstate Commerce Commission), to determine the value of the property. Valuation is currently made on the basis of a formula, as set forth in A.C.A. § 26-26-1607, with consideration given to (i) original cost less depreciation, replacement cost less depreciation or reconstruction cost less depreciation; (ii) market value of capital stock and funded debt; and (iii) capitalization of income. As provided in A.C.A. § 26-26-1611, once the value of a company's property as a unit is determined, the Tax Division removes the value allocable to out-of-state property and assigns the remainder among Arkansas taxing units on the basis of value within each jurisdiction. The Tax Division certifies the assessment to the county assessor who enters the assessment as certified on the county assessment roll. County officials have no authority to change such assessment.

All other property is assessed by the elected assessor of each Arkansas county (or other official or officials designated by law). This includes both real and tangible personal property. A.C.A. 26-26-1902 requires each county to appraise all market value real estate normally assessed by the county assessor at its full and fair value every four (4) years.

(c) Amendment No. 79 requires the county assessor (or other official or officials designated by law), after each county-wide reappraisal, to compare the assessed value of each parcel of real property reappraised or reassessed to the prior year's assessed value. If the assessed value of the parcel increased, then the assessed value of that parcel must be adjusted as provided below.

Subject to subsection (e) below, if the parcel is not the homestead and principal place of residence ("homestead") of a taxpayer, then any increase in the assessed value in the first year after reappraisal cannot be greater than 10% (or 5% if the parcel is the taxpayer's homestead) of the assessed value for the previous year. For each year thereafter, the assessed value shall increase by an additional 10% (or 5% if the parcel is the taxpayer's homestead) of the assessed value for the year preceding the first assessment resulting from reappraisal; however, the increase cannot exceed the assessed value determined by the reappraisal prior to adjustment under Amendment No. 79.

For property owned by public utilities and common carriers, any annual increase in the assessed value cannot exceed more than 10% of the assessed value for the previous year. The provisions of this subsection (c) do not apply to newly discovered real property, new construction or substantial improvements to real property.

(d) If a homestead is purchased or constructed on or after January 1, 2001 by a disabled person or by a person over age 65, then that parcel will be assessed based on the lower of the assessed value as of the date of purchase (or construction) or a later assessed value. If a person is disabled or is at least 65 years of age and owns a homestead on January 1, 2001, then the homestead will be assessed based on the lower of the assessed value on January 1, 2001 or a later assessed value. When a person becomes disabled or reaches age 65 on or after January 1, 2001, that person's homestead should thereafter be assessed based on the lower of the assessed value on the person's 65th birthday, on the date the person becomes disabled or a later assessed value. This subsection (d) does not apply to substantial improvements to real property. For real property subject to subsection (e) below, the applicable date in this subsection (d), in lieu of January 1, 2001, is January 1 of the year following the completion of the adjustments to assessed value required in subsection (e).

(e) If, however, there has been no county-wide reappraisal and resulting assessed value of property between January 1, 1986 and December 1, 2000, then real property in that county is adjusted differently. In that case, the assessor (or other official or officials designated by law) compares the assessed value of each parcel to the assessed value of the parcel for the previous year. If the assessed value of the parcel increases, then the assessed value of the parcel for the year in which the parcel is reappraised or reassessed is adjusted by adding one-third (1/3) of the increase to the assessed value for the year prior to appraisal or reassessment. An additional one-third (1/3) of the increase is added in each of the next two (2) years.

The adjustment contemplated by subsection (e) does not apply to the property of public utilities or common carriers. No adjustment will be made for newly discovered real property, new construction or substantial improvements to real property.

(f) Property is currently assessed in an amount equal to 20% of its value. The percentage can be increased or decreased by the General Assembly.

The total of the millage levied by each taxing entity (municipalities, counties, school districts and community college districts) in which the property is located is applied against the assessed value to determine the tax owed. The assessed value of taxable property is revised each year and the total millage levied in that calendar year is applied against the assessed value for the calendar year. Assessed value for each year is determined as of January 1 of that year. Tangible personal property, including automobiles, initially acquired after January 1 and before June 1 is required to be assessed in the year of acquisition. Otherwise, only property owned by a taxpayer on January 1 is assessed for that calendar year.

The total taxes levied by all taxing authorities are collected together by the county collector of the county in which the property is located in the calendar year immediately following the year in which levied. Taxes are due and payable between the first business day in March and October 15, inclusive. Taxes not paid by October 15 are delinquent and subject to a 10% penalty. Real estate as to which taxes are delinquent for two successive years is certified to the State Land Commissioner, who offers the property for sale. The proceeds of such sale are distributed among the taxing authorities. Delinquent real property may be redeemed by the taxpayer within two years of the delinquency. Delinquent personal property taxes may be collected by distraint and public sale of the taxpayer's property.

Constitutional Amendment Affecting Personal Property Taxes. At the 1992 general election, a Constitutional amendment was approved which exempts from all personal property taxes items of household furniture and furnishings, clothing, appliances and other personal property used within the home. The effective date of the amendment was January 1, 1993.

Constitutional Amendment Nos. 59 and 79. Prior to the adoption of Amendment No. 59 to the Arkansas Constitution, the Constitution mandated that:

"All property subject to taxation shall be taxed according to its value, that value to be ascertained in such manner as the General Assembly shall direct, making the same equal and uniform throughout the State. No one species of property from which a tax may be collected shall be taxed higher than other species of property of equal value."

In the case of Arkansas Public Service Commission v. Pulaski County Board of Equalization, 266 Ark. 64, 582 S.W.2d 942 (June 25, 1979), the Supreme Court of Arkansas held that the then current assessment process, as prescribed by certain legislation and administrative regulations, was in violation of the Constitutional mandate in that (1) it provided for the assessment of certain property on the basis of "use value" as opposed to market value, (2) it did not provide for equal and uniform assessments throughout the State and (3) it provided for assessments based on past, as opposed to current, market values. The Court ordered a statewide reassessment to bring the assessments into conformity with the constitutional requirements. It was provided that the reassessment would be completed over a five year period, with 15 of the 75 counties in the State to be reassessed each year. The reassessment was accomplished in calendar years 1981 through 1985.

Legislative studies indicated that the effect of the Court-ordered reassessment would be to substantially increase real estate assessments in most or all counties of the State, with the result being, if tax rates remained the same, to substantially increase real estate taxes. The Arkansas General Assembly submitted to the electors of the State a proposed Constitutional amendment designed to prevent the substantial tax increase that would otherwise result from the reassessment. The proposed Amendment was approved at the 1980 General Election and is now Amendment No. 59 to the Arkansas Constitution.

At the 2000 general election, Constitutional Amendment No. 79 was adopted by a majority of the voters and went into effect on January 1, 2001. Among other things, Amendment No. 79 allows for an annual state credit against ad valorem property tax on a homestead in the amount of not less than \$300 (\$500 beginning January 1, 2024 and \$600 beginning assessment year January 1, 2025). The credit must not be applied in a manner that would impair a bondholder's interest in ad valorem debt service revenues.

Amendment No. 59 provides that whenever a county-wide reassessment results in an increase of assessed value of 10% or more, the tax rate of each taxing unit on property located in that county is to be adjusted as provided in the Amendment. The year in which the reassessment is completed is designated the "Base Year". The assessed valuation for the Base Year is based on the reassessment. Amendment No. 79 requires that rollback adjustments under Amendment No. 59 be determined after the adjustments are made to assessed value under Amendment No. 79. See **FINANCIAL INFORMATION, Assessment of Property and Collection of Property Taxes.**

The tax rate applicable to other real property is computed by (1) deducting from the Base Year assessed value of the real estate the assessed value of newly-discovered real estate and new construction and improvements to real property to arrive at the reassessed value of previously assessed real property, (2) determining the tax rate necessary to produce from the previously assessed real property (on the basis of the Base Year assessment) the same amount of revenues produced from such property in the Base Year (on the basis of the last previous assessed value and the tax rate applicable to collections in the Base Year), and (3) either (a) fixing the tax rate determined in (2) as the tax rate for the real property, including newly-discovered real property and new construction and improvements to real estate, or (b) if the tax rate so fixed would produce less than 110% of the revenues from real estate produced in the Base Year, increasing the tax rate in an amount sufficient to produce such 110% of revenues.

The General Assembly, in Act No. 848 of 1981, implemented the procedures of Amendment No. 59. A.C.A. § 26-26-404 provides that the computation is to be made separately for each tax source or millage levy, with the new tax rate for each millage levy to be rounded up to the nearest 1/10 mill. In the case of debt service millage, the tax rate as so adjusted will continue as the continuing annual tax rate until retirement of the bonds to which pledged.

Amendment No. 79 provides that the tax rate for personal property and property of public utilities and regulated carriers should be the same as that for real property. Personal property rates currently not equal to real property rates should be reduced to the level of the real property rate unless a higher rate is "necessary to provide a level of income sufficient to meet the current requirements of all principal, interest, paying agent fees, reserves, and other requirements" of a bond issue.

Amendment No. 59 contains the following specific provision in regard to debt service millage:

"The General Assembly shall, by law, provide for procedures to be followed with respect to adjusting ad valorem taxes or millage pledged for bonded indebtedness purposes, to assure that the adjusted or rolled-back rate of tax or millage levied for bonded indebtedness purposes will, at all times, provide a level of income sufficient to meet the current requirements of all principal, interest, Paying Agent's fees, reserves, and other requirements of the bond indenture."

A.C.A. § 26-26-402(b) provides:

"If it is determined that the adjustment or rollback of millages as provided for herein will render income from millages pledged to secure any bonded indebtedness insufficient to meet the current requirements of all principal, interest, paying agent fees, reserves and other requirements of a bond indenture any such pledged millage shall be rolled back or adjusted only to a level which will produce at least a level of income sufficient to meet the current requirements of all principal, interest, paying agent fees, reserves, and other requirements of the bond indenture."

Other Financial Information. In addition to the Tax pledged to the payment of the Bonds, the District receives substantially all of its operating funds from State appropriations and from tuition and fees charged to students of the College. The finances of the District and the College are audited by the Division of Legislative Audit of the Legislative Joint Auditing Committee of the Arkansas General Assembly. A copy of the audited financial statements of the College for the fiscal year ended June 30, 2024 is attached as Appendix A, and a copy of the unaudited financial statements of the College for the fiscal year ended June 30, 2025 is attached as Appendix B.

Major Taxpayers. For taxes levied for collection in 2025 (based on the 2024 assessed valuation), no taxpayer is paying more than 5% of District taxes.

BOND INSURANCE

Bond Insurance Policy. Concurrently with the issuance of the Bonds, BAM will issue the Insurance Policy. The Insurance Policy guarantees the scheduled payment of principal of and interest on the Bonds when due as set forth in the form of the Insurance Policy included as an exhibit to this Official Statement.

The Insurance Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

Build America Mutual Assurance Company. BAM is a New York domiciled mutual insurance corporation and is licensed to conduct financial guaranty insurance business in all fifty states of the United States and the District of Columbia. BAM provides credit enhancement products to issuers in the U.S. public finance markets. BAM will only insure municipal bonds, as defined in Section 6901 of the New York Insurance Law, which are most often issued by states, political subdivisions, integral parts of states or political subdivisions or entities otherwise eligible for the exclusion of income under section 115 of the Code. No member of BAM is liable for the obligations of BAM.

The address of the principal executive offices of BAM is: 200 Liberty Street, 27th Floor, New York, New York 10281, its telephone number is: 212-235-2500, and its website is located at: www.bambonds.com.

BAM is licensed and subject to regulation as a financial guaranty insurance corporation under the laws of the State of New York and in particular Articles 41 and 69 of the New York Insurance Law.

BAM's financial strength is rated "AA/Stable" by S&P. An explanation of the significance of the rating and current reports may be obtained from S&P at <https://www.spglobal.com/en/>. The rating of BAM should be evaluated independently. The rating reflects S&P's current assessment of the creditworthiness of BAM and its ability to pay claims on its policies of insurance. The above rating is not a recommendation to buy, sell or hold the Bonds, and such rating is subject to revision or withdrawal at any time by S&P, including withdrawal initiated at the request of BAM in its sole discretion. Any downward revision or withdrawal of the above rating may have an adverse effect on the market price of the Bonds. BAM only guarantees scheduled principal and scheduled interest payments payable by the City on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the Insurance Policy), and BAM does not guarantee the market price or liquidity of the Bonds, nor does it guarantee that the rating on the Bonds will not be revised or withdrawn.

Capitalization of BAM

BAM's total admitted assets, total liabilities, and total capital and surplus, as of September 30, 2025 and as prepared in accordance with statutory accounting practices prescribed or permitted by the New York State Department of Financial Services were \$517.2 million, \$273.6 million and \$243.6 million, respectively.

BAM is party to a first loss reinsurance treaty that provides first loss protection up to a maximum of 15% of the par amount outstanding for each policy issued by BAM, subject to certain limitations and restrictions.

BAM's most recent Statutory Annual Statement, which has been filed with the New York State Insurance Department and posted on BAM's website at <https://bambonds.com/>, is incorporated herein by reference and may be obtained, without charge, upon request to BAM at its address provided above (Attention: Finance Department). Future financial statements will similarly be made available when published.

BAM makes no representation regarding the Bonds or the advisability of investing in the Bonds. In addition, BAM has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the

information regarding BAM, supplied by BAM and presented under the heading "BOND INSURANCE".

Additional Information Available from BAM

Credit Insights Videos. For certain BAM-insured issues, BAM produces and posts a brief Credit Insights video that provides a discussion of the obligor and some of the key factors BAM's analysts and credit committee considered when approving the credit for insurance. The Credit Insights videos are easily accessible on BAM's website at www.bambonds.com/insights/#video. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Credit Profiles. Prior to the pricing of bonds that BAM has been selected to insure, BAM may prepare a pre-sale Credit Profile for those bonds. These pre-sale Credit Profiles provide information about the sector designation (e.g. general obligation, sales tax); a preliminary summary of financial information and key ratios; and demographic and economic data relevant to the obligor, if available. Subsequent to closing, for any offering that includes bonds insured by BAM, any pre-sale Credit Profile will be updated and superseded by a final Credit Profile to include information about the gross par insured by CUSIP, maturity and coupon. BAM pre-sale and final Credit Profiles are easily accessible on BAM's website at www.bambonds.com/credit-profiles. BAM will produce a Credit Profile for all bonds insured by BAM, whether or not a pre-sale Credit Profile has been prepared for such bonds. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Disclaimers. The Credit Profiles and the Credit Insights videos and the information contained therein are not recommendations to purchase, hold or sell securities or to make any investment decisions. Credit-related and other analyses and statements in the Credit Profiles and the Credit Insights videos are statements of opinion as of the date expressed, and BAM assumes no responsibility to update the content of such material. The Credit Profiles and Credit Insight videos are prepared by BAM; they have not been reviewed or approved by the District or the Underwriter, and the District and the Underwriter assume no responsibility for their content.

BAM receives compensation (an insurance premium) for the insurance that it is providing with respect to the Bonds. Neither BAM nor any affiliate of BAM has purchased, or committed to purchase, any of the Bonds, whether at the initial offering or otherwise.

CONTINUING DISCLOSURE AGREEMENT

Past Compliance. During the past five years, the District has been a party to one continuing disclosure agreement in connection with the Series 2014 Bonds. Such agreement requires the District to file certain information with the Municipal Securities Rulemaking Board on EMMA within various time periods set forth in the agreement. The following summarizes a non-exhaustive discussion of the District's compliance with its continuing disclosure obligations over the past five years.

As part of its continuing disclosure obligations, the District has been obligated to file annual audited financial statements of the College. The audited financial statements of the College for the fiscal years ended June 30, 2020, June 30, 2021, June 30, 2022, and June 30, 2023 were filed late (approximately 1,439 days, 1,006 days, 607 days, and 53 days, respectively). The audited financial statements of the College for the fiscal year ended June 30, 2024 were timely filed. The audited financial statements of the College for the fiscal year ended June 30, 2025 are not yet available.

In addition, as part of its continuing disclosure obligations, the District has been obligated to file a report with certain supplemental financial and operating data. The reports for the fiscal years ended June 30, 2020, 2021, 2022, and 2023 were not filed. The report for the fiscal year ended June 30, 2024 was filed on September 17, 2025 (approximately 260 days late). The report for the fiscal year ended June 30, 2025 is not yet due.

In addition, no notices of non-compliance with continuing disclosure undertakings have been filed.

Except as set forth above, for the previous five years, the District has complied, in all material respects, with its obligations under its continuing disclosure undertakings. The District has undertaken procedures to assist in ensuring future compliance with its continuing disclosure undertakings.

Continuing Disclosure Agreement. Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

Generally. The District will enter into a Continuing Disclosure Agreement with respect to the Bonds.

Purpose of the Continuing Disclosure Agreement. The Continuing Disclosure Agreement will be executed and delivered by the District and Simmons Bank, as dissemination agent, for the benefit of the Beneficial Owners of the Bonds and in order to assist the Underwriter in complying with the Securities and Exchange Commission, Rule 15c2-12(b)(5).

Definitions. In addition to the definitions set forth in this Official Statement, the following capitalized terms shall have the following meanings:

"Annual Report" shall mean an Annual Report provided by the District pursuant to, and as described in, the Continuing Disclosure Agreement.

"Beneficial Owner" of a Bond shall mean any person who has or shares the power, directly or indirectly, to make investment decisions concerning ownership of the Bond (including persons holding Bonds through nominees, depositories or other intermediaries).

"Dissemination Agent" shall mean Simmons Bank, acting in its capacity as Dissemination Agent, or any successor Dissemination Agent designated in writing by the District.

"EMMA" shall mean the Electronic Municipal Market Access System as described in 1934 Act Release No. 59062 and maintained by the MSRB for purposes of the Rule.

"Financial Obligation" shall mean a

(A) debt obligation;

(B) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or

(C) guarantee of obligations described in (A) or (B).

The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

"Listed Events" shall mean any of the events listed hereunder.

"MSRB" shall mean the Municipal Securities Rulemaking Board.

"Rule" shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

Provision of Annual Reports. (a) The District shall, or cause the Dissemination Agent to, not later than 270 days after the end of the College's fiscal year (presently June 30), commencing with the report after the end of the 2025 fiscal year, provide to the Insurer and the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any similar system acceptable to the Securities and Exchange Commission, an Annual Report which is consistent with the requirements of the Continuing Disclosure Agreement. The Annual Report shall be in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. Each Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information as provided in the Continuing Disclosure Agreement; provided that the Financial Statements (as defined below) may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date, but, in such event, such Financial Statements shall be submitted within sixty (60) days of becoming available. If the fiscal year changes, the District shall give notice of such change in the manner as for a Listed Event.

(b) Not later than fifteen (15) days prior to the date specified in subsection (a) for providing each Annual Report to the MSRB, the District shall provide the Annual Report to the Dissemination Agent. If by such date, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall contact the District to determine if the District is in compliance with the first sentence of this subsection (b).

(c) If the Dissemination Agent is unable to verify that an Annual Report (containing the information required in (1) under Content of Annual Reports, below) has been provided to the MSRB by the date required in subsection (a), the Dissemination Agent shall send a notice to the MSRB and the Insurer.

Content of Annual Reports. Each of the District's Annual Reports shall contain or incorporate by reference the following:

(1) Information of the type set forth in the Official Statement under the captions **DESCRIPTION OF THE DISTRICT**, Assessed Valuation and **DEBT STRUCTURE**, Collection of Taxes; and

(2) The annual financial statements of the District (or the College if separate financial statements of the District are not prepared), which (i) need not be audited in accordance with auditing standards generally accepted in the United States of America, (ii) shall be prepared using accounting principles prescribed by Arkansas Code Annotated Section 10-4-411, as it may be amended from time to time, or any successor statute and (iii) shall be presented in a financial audit, performance audit, information technology audit, review, report of agreed-upon procedures, compilation, examination, investigation, or other report or procedure approved by the Arkansas Legislative Joint Auditing Committee in accordance with, and as required by, Arkansas law (the "Financial Statements").

Any or all of the items above may be incorporated by reference from other documents, including official statements of debt issues of the District or related public entities, which are available to the

public on the MSRB's website or filed with the Securities and Exchange Commission. The District shall clearly identify each such other document so incorporated by reference.

Reporting of Significant Events. (a) This caption describes the giving of notices of the occurrence of any of the following events:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults, if material.
3. Unscheduled draws on debt service reserves reflecting financial difficulties.
4. Unscheduled draws on credit enhancements reflecting financial difficulties.
5. Substitution of credit or liquidity providers, or their failure to perform.
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax-exempt status of the security.
7. Modification to rights of security holders, if material.
8. Bond calls (excluding mandatory sinking fund redemptions), if material.
9. Defeasances and tender offers.
10. Release, substitution, or sale of property securing repayment of the securities, if material.
11. Rating changes.
12. Bankruptcy, insolvency, receivership or similar event of the obligated person.
13. The consummation of a merger, consolidation or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.
15. Incurrence of a Financial Obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the obligated person, any of which affect security holders, if material.
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the obligated person, any of which reflect financial difficulties.

(b) After the occurrence of a Listed Event (excluding an event described in (a)8 above), the District shall promptly notify the Dissemination Agent (if other than the District) in writing. Such notice shall instruct the Dissemination Agent to report the occurrence.

(c) After the occurrence of a Listed Event (excluding an event described in (a)8 above), the District shall file (or shall cause the Dissemination Agent to file), in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any other similar system that is acceptable to the Securities and

Exchange Commission with a copy to the Insurer. Each notice of the occurrence of a Listed Event shall be captioned "Notice of Listed Event" and shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. In the event of a Listed Event described in (a)8 above, the Dissemination Agent, without instruction from the District, shall make the filing in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event.

Termination of Reporting Obligations. The District's obligations under the Continuing Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all the affected Bonds.

Dissemination Agent. The District may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under a Continuing Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. A Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the District pursuant to a Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the District shall be the Dissemination Agent. The initial Dissemination Agent shall be Simmons Bank.

Amendment; Waiver. Notwithstanding any other provision of a Continuing Disclosure Agreement, the District and the Dissemination Agent may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the affected Bonds in the same manner as provided in the Resolution for the affected Bonds for amendments to the Resolution with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Dissemination Agent, in reliance on the advice of counsel (who may be counsel for the District) and/or such other certificates or reports delivered to the Dissemination Agent in connection therewith, materially impair the interests of the Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the District shall describe such amendment in the next Annual Report with respect to that issue, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the District. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the District shall have no obligation under the

Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the District or the Dissemination Agent to comply with any provision of the Continuing Disclosure Agreement, the Insurer, the District or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District or the Dissemination Agent, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed a default under the Resolution, and the sole remedy under a Continuing Disclosure Agreement in the event of any failure of the District or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Dissemination Agents and Rights of Indemnity. The Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the District, the Dissemination Agent, the Underwriter, the Insurer, and the Beneficial Owners of the affected Bonds and shall create no rights in any other person or entity.

LEGAL MATTERS

Legal Proceedings. No litigation is pending, or to the best knowledge of the District threatened, questioning the existence of the District, its boundaries, the assessed value of taxable property located within the District, any taxes levied by the District, the title of any member of the Board of Trustees to his or her office, or questioning the authority of the District to issue the Bonds or any proceedings relating thereto.

In addition, there is no litigation pending or threatened against the District in which an adverse decision or decree will have a material adverse effect on the financial condition of the District.

Legal Opinion. Issuance of the Bonds is subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, to the effect that the Bonds have been lawfully issued under the Constitution and laws of the State of Arkansas and constitute valid, binding and enforceable obligations of the District.

Tax Exemption. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law, the interest on the Bonds is exempt from State of Arkansas income tax and the Bonds are not subject to property taxes in the State of Arkansas.

Also, in the opinion of Bond Counsel, interest on the Bonds under existing law is excludable from gross income for federal income tax purposes under Section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinions set forth in the preceding sentence are subject to the condition that the District comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. These requirements generally relate to arbitrage and the use of the proceeds of the Bonds and the Project. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The District has covenanted to comply with all such requirements.

Prospective purchasers of the Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Bonds, (ii) interest

on the Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Bonds.

Prospective purchasers of the Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

An exception allows a deduction of certain interest expense allocable to "qualified tax-exempt obligations." The District has designated the Bonds as "qualified tax-exempt obligations" and has covenanted not to use the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds," within the meaning of the Code, and has represented that the District and its subordinate entities have not and do not reasonably expect to issue more than \$10,000,000 of such tax-exempt obligations (other than private-activity bonds (excluding from that term "qualified 501(c)(3) bonds" under Section 145 of the Code)) during calendar year 2025.

Prospective purchasers of the Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code of 1987 Annotated. Subsection (b) states that Section 265(a) of the Internal Revenue Code is adopted for the purpose of computing Arkansas corporation income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest "on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law." On December 8, 1993, the Arkansas Department of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at a premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at an original issue discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth inside the front cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any other legislative proposals or clarification of the Code or court decisions may affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any proposed or enacted federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

RATING

S&P will assign its municipal bond rating of "AA/Stable" to the Bonds with the understanding that upon delivery of the Bonds, the Insurance Policy insuring the payment when due of the principal of and interest on the Bonds will be issued by the Insurer. Any explanation of such rating may only be obtained from S&P. Generally, rating agencies base their ratings upon information and materials supplied to them and on their own investigations, studies and assumptions. There is no assurance that such rating, once assigned, will remain for any given period of time or that it will not be lowered or withdrawn entirely by the rating agency if in its judgment circumstances so warrant. Any such downward change or withdrawal of the rating assigned to the Bonds by S&P may have an adverse effect on the market price of the Bonds. The Underwriter and the District have undertaken no responsibility after issuance of the Bonds to assure the maintenance of the ratings or to oppose any such revision or withdrawal.

FORWARD-LOOKING STATEMENTS

Any forward-looking statements and/or projections contained in this Official Statement reflect various estimates and assumptions by the District and/or the College concerning anticipated results. No representations or warranties are made by the District or the College as to the accuracy of any such statements, assumptions or projections. Whether or not any such forward looking statements or projections are in fact achieved will depend upon future events, some of which are not within the control of the District or the College. Accordingly, actual results may vary from the projected results,

and such variations may be material. When used in this Official Statement, the words "anticipate," "believe," "estimate," "project," "predict," "expect," "intend," and words or phrases of similar import are intended to identify forward-looking statements.

Although the District and the College believe that the expectations reflected in such forward-looking statements are reasonable, neither the District nor the College can give any assurance that such expectations will prove to have been correct. Actual results could differ materially from expectations for other reasons as well. Actual results may vary materially from those described herein as anticipated, believed, estimated, projected, predicted, expected or intended. Forward-looking statements speak only as of the date they are made, and the District and the College undertake no obligations to update such statements in light of new information, future events or otherwise.

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the District, as issuer, and Stephens Inc., as underwriter (the "Underwriter"), the Bonds are being purchased at an aggregate purchase price of \$4,652,000.40 (principal amount less original issue discount of \$19,269.60 and less Underwriter's discount of \$68,730.00). The Agreement provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the District.

The Underwriter intends to offer the Bonds to the public initially at the offering prices set forth on the cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price.

The District has agreed to indemnify the Underwriter against certain civil liabilities in connection with the offering and sale of the Bonds, including certain liabilities under federal securities laws.

Mark C. Doramus, Chief Financial Officer of Stephens Inc., the Underwriter, serves on the Board of Directors of the Paying Agent.

Enforceability of Remedies. Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Resolution may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the authorizing resolution resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

Information in Official Statement. Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the District and the purchasers or owners of any of the Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The execution of this Official Statement has been duly authorized by the District.

LEGISLATIVE JOINT AUDITING COMMITTEE ARKANSAS LEGISLATIVE AUDIT

INDEPENDENT AUDITOR'S REPORT

South Arkansas College
Legislative Joint Auditing Committee

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the business-type activities and the discretely presented component unit of South Arkansas College (College), an institution of higher education of the State of Arkansas, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the College's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the report of other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the discretely presented component unit of the College as of June 30, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of South Arkansas College Foundation, Inc. (Foundation), which represents 100% of the assets and revenues of the discretely presented component unit. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Foundation, is based solely on the report of the other auditors. The financial statements of the Foundation were not audited in accordance with *Government Auditing Standards*.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the College and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Comparative Information

The financial statements include partial prior-year comparative information, which has been derived from a complete set of financial statements. Such information does not include all of the information required to constitute a presentation in accordance with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the College's financial statements for the year ended June 30, 2023, from which such partial information was derived. We have previously audited the College's financial statements for 2023, and we expressed unmodified opinions on the respective financial statements of the business-type activities and the discretely presented component unit in our report dated November 7, 2024. In our opinion, the comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, certain information pertaining to postemployment benefits other than pensions, and certain information pertaining to pensions on pages 7-11, 42-44, and 45-48 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the Schedule of Selected Information for the Last Five Years (Schedule 1) but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 12, 2025 on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control over financial reporting and compliance.

LEGISLATIVE JOINT AUDITING COMMITTEE ARKANSAS LEGISLATIVE AUDIT

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITOR'S REPORT

South Arkansas College
Legislative Joint Auditing Committee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the business-type activities and the discretely presented component unit of South Arkansas College (College), an institution of higher education of the State of Arkansas, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the College's basic financial statements, and have issued our report thereon dated August 12, 2025. Our report includes a reference to other auditors who audited the financial statements of South Arkansas College Foundation, Inc. (Foundation), as described in our report on the College's financial statements. The financial statements of the Foundation were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or compliance and other matters associated with the Foundation or that are reported on separately by those auditors who audited the financial statements of the Foundation.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the College's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of the state constitution, state laws and regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted a certain matter that we reported to management of the College in a separate letter dated August 12, 2025.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

STUDENT ENROLLMENT DATA – In accordance with Ark. Code Ann. § 6-60-209, we performed tests of the student enrollment data for the year ended June 30, 2024, as reported to the Arkansas Division of Higher Education, to provide reasonable assurance that the data was properly reported. The enrollment data reported was as follows:

	<u>Summer II Term</u>	<u>Fall Term</u>	<u>Spring Term</u>	<u>Summer I Term</u>
	<u>2023</u>	<u>2023</u>	<u>2024</u>	<u>2024</u>
Student Headcount	130	1,206	1,134	428
Student Semester				
Credit Hours	477	11,660	10,756	2,945

During our review, nothing came to our attention that would cause us to believe that the student enrollment data was not substantially correct.

This letter is intended solely for the information and use of the Legislative Joint Auditing Committee, the governing board, College management, state executive and oversight management, and other parties as required by Arkansas Code, and is not intended to be and should not be used by anyone other than these specified parties. However, pursuant to Ark. Code Ann. § 10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record and distribution is not limited.

Overview of the Financial Statements and Financial Analysis

South Arkansas College ("the College") is pleased to present its Annual Financial Report for the fiscal year ended June 30, 2024, with the fiscal year 2022/23 prior year data presented for comparative purposes. The Financial Report of the College is prepared following the financial statement model as developed and required by the Government Accounting Standards Board (GASB). GASB is the governing body over financial statements for public higher education and all state and local governments. The objectives of the reporting format is to enhance the understanding and usefulness of the external financial reports to all users of the statements including creditors, legislative and oversight bodies. In addition to the Management's Discussion and Analysis section, the Financial Report includes a Statement of Net Position, the Statement of Revenues, Expenses, and Changes in Net Position, the Statement of Cash Flows, and the Notes to the Financial Statements.

South Arkansas College was established by a vote of the citizens of Union County on March 31, 1992. Voters approved forming a community college district for the county, merging Oil Belt Technical College and Southern Arkansas University-El Dorado Branch, and levying a Millage to support the new school. The college is governed by a nine-member Board of Trustees, which has delegated to the President the administrative authority for the College's operations.

Statement of Net Position

The Statement of Net Position presents the assets, deferred outflows of resources, liabilities, deferred inflows of resources and net position of the College. The purpose of the statement is to present to the readers of the financial statements a fiscal snapshot of the College as of the end of the fiscal year. Current assets and liabilities are distinguished from non-current assets and liabilities. The statement provides a picture of net position (assets and deferred inflows minus liabilities and deferred outflows) and their availability for expenditure by the College.

Net position divided into four major categories:

Invested in capital assets, net of debt: capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Restricted net position - non-expendable: net assets subject to externally-imposed stipulations that they be maintained permanently by the College.

Restricted net position - expendable: net assets whose use by the College is subject to externally-imposed stipulations that can be fulfilled by actions of the College pursuant to those stipulations or that expire by the passage of time.

Unrestricted net position - net assets that are not subject to externally imposed stipulations but can be used at the discretion of the governing board to meet current expenses for any purpose if not limited by contractual agreements with outside parties.

Statement of Revenues, Expenses, and Changes in Net Position

The purpose of this statement is to present revenues earned and expenses paid by the College, both operating and nonoperating, and any other revenues, expenses, gains and losses. The operating income (loss) has limited significance for the College since the GASB requires a significant portion of revenues (state appropriations, gifts, and some grants and contracts) to be reported as non-operating.

	Year Ended

Net Position, end of year	<u>\$ 36,851,071</u>	<u>\$ 26,032,909</u>

Statement of Revenues and Expenses and Changes in Net Position (Continued)

The following pie chart details the percentage breakdown in the operating expenses for the fiscal year.

Compensation and benefit costs increased 3.75% from the prior year and accounted for 56.26% of the total operating expense of \$18,275,931. Supplies and other services increased 14.71% from the previous year. Scholarships expense decreased 52.48% from the previous year due to a decrease in funding related to the COVID-19 pandemic.

Statement of Cash Flows

The purpose of the Statement of Cash Flows is to provide information about the cash receipts and disbursements of the College for the year. This statement may aid in the assessment of the College's ability to meet obligations as they become due, the need for external financing, and the ability to generate future cash flow. This statement is prepared using the "direct method" as required by GASB.

Similar to operating income (loss) on the Statement of Revenues, Expenses, and Changes in Net Position, net cash provided by operating activities is of little significance to the College because the GASB requires significant sources of cash to be reported as non-operating financing. The net cash provided by operating activities and non-capital financing activities are important for the College.

Capital Assets and Long-Term Debt Activity

At June 30, 2024, the College had \$22,108,626 of capitalized assets, net of depreciation. \$1,431,760 was added to construction in progress for other improvements. During the fiscal year the College made the following additions and improvements in capital assets.

Equipment	\$ 403,945
Library Holdings	5,051
Improvements and Infrastructure	584,982
Construction in Progress	1,431,760
Total	<u>\$ 2,425,738</u>

More information on capital assets is presented in Note 5.

	Debt Balance 6/30/2024	Debt Balance 6/30/2023
General obligation bonds (2014)	\$ 2,420,000	\$ 2,540,000

Total	<u>\$ 3,897,705</u>	<u>\$ 4,161,475</u>

More information on the debt is presented in Note 6.

Economic Outlook

The College's financial position remained stable for the fiscal year ended June 30, 2024 as evidenced by the increase in net position. Enrollment is predicted to go down slightly or remain the same for fiscal year 24/25.

In 2021, the College renewed its lease with the City of El Dorado to operate and manage the El Dorado Conference Center. 2024 was the last year of the three-year lease which goes through December 2024. A new lease was signed to begin January 1, 2025. The center includes space for the Campus Store, a one-stop Student Services area, food services, and conference facilities. The College operates the El Dorado Conference Center as an Auxiliary unit.

In addition to the state appropriations, the College receives funds from tuition and fees, investment income, grants and contracts, and some support from individuals, foundations and corporations. The College plans to continue its strategy of seeking grants and private gifts to supplement scholarships, capital projects, student support, and academic needs of the institution.

SOUTH ARKANSAS COLLEGE
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

Note 1: Summary of Significant Accounting Policies

Reporting Entity

South Arkansas Community College was established July 1, 1992, under the authority of Act 1244 of 1991. During the State of Arkansas 94th General Assembly's Regular Session, 2023, Act 245 amended the name of the College to South Arkansas College, with an effective date of July 1, 2023. The College operates under the policies and supervision of the Board of Trustees of South Arkansas College, a nine-member group. Members of the Board of Trustees are appointed by the Governor of the State and have decision-making authority, the power to designate management, and the responsibility to significantly influence operations. The Board has governing responsibility over all activities related to higher education at South Arkansas College. The College receives funding from local, state and federal government sources and must comply with the requirements of these funding source entities.

Component Unit

The South Arkansas College Foundation, Inc. ("the Foundation") is a legally separate, tax-exempt component unit of South Arkansas College ("the College"). The Foundation acts primarily as a fund-raising and asset management organization to develop and supplement the resources that are available to the College in support of its mission and programs. The 22-member board is self-perpetuating. Although the College does not control the timing or amount of receipts from the Foundation, the majority of resources or income thereon that the Foundation holds and invests are restricted to the activities of the College by donors. Because these restricted resources held by the Foundation may only be used by, or for the benefit of the College, the Foundation is considered a component unit of the College under guidelines established by Governmental Accounting Standards Board (GASB) Statement Number 39, *Determining Whether Certain Organizations are Component Units*. Accordingly, the financial statements of the Foundation are discretely presented in the College's financial statements in accordance with the provisions of GASB Statement Number 39.

During the year ended June 30, 2024, the Foundation transferred the following amounts to the College:

For scholarships and grants	\$ 257,330
For reimbursement of expenses	32,147
Total	<u>\$ 289,477</u>

The College had a receivable from the Foundation on June 30, 2024, in the amount of \$33,851 for operations and scholarships. Complete financial statements for the Foundation may be obtained from the Foundation office at P. O. Box 7010, El Dorado, AR 71731-7010 or viewed online at <http://www.southark.edu/financial-reports>.

The Foundation reports under Financial Accounting Standards Board (FASB) standards. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. No modifications have been made to the Foundation's financial statements presented within the College's financial statements.

Financial Statement Presentation

In June 1999, the Governmental Accounting Standards Board (GASB) issued Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. GASB Statement No. 35, *Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities*, followed this in November 1999. The financial statement presentation required by GASB No. 34 and No. 35 provides a comprehensive, entity-wide perspective of South Arkansas College's assets, deferred outflows liabilities, deferred inflows net position, revenues, expenses, changes in net position, cash flows, and replaces the fund-group perspective previously required.

NOTES TO THE FINANCIAL STATEMENTS

Note 1: Summary of Significant Accounting Policies (Continued)

Basis of Accounting

For financial reporting purposes, South Arkansas College is considered a special-purpose government engaged only in business-type activities. Accordingly, South Arkansas College's financial statements have been presented using the economic resources focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when obligations are incurred. All significant intra-agency transactions have been eliminated.

Capital Assets and Depreciation

Land, buildings, improvements and infrastructure, equipment, library holdings, intangibles, (software), and construction in progress are reported at cost or estimated historical cost if actual data is not available. Donated capital assets are reported at acquisition value when received. The College follows the State guidelines for equipment capitalization.

Depreciation is computed using the straight-line method over the estimated lives of the assets, generally 20 to 40 years for buildings, 15 to 20 years for infrastructure and land improvements, 10 years for library holdings, 5 years for vehicles, 3 to 10 years for equipment, and 7 years for intangibles, (software).

Operating and Non-operating Revenues

The Institution has classified its revenue as either operating or non-operating revenue according to the following criteria:

- Operating revenues include activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, net of scholarship discounts and allowances, (2) sales and services of auxiliary enterprises, net of scholarship discounts and allowances, and (3) most federal, state, and local grants and contracts.
- Non-operating revenues include activities that have the characteristics of non-exchange transactions, such as gifts and contributions, and other revenue sources. These are defined as non-operating revenues by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*, and GASB Statement No. 34, such as state appropriations and investment income.

Cash Equivalents

For purposes of the statement of cash flows, South Arkansas College considers all highly liquid investments with an original maturity of ninety days or less to be cash equivalents (such as certificates of deposit).

Accounts Receivable

Accounts receivable consists of tuition and fee charges to students and auxiliary enterprises provided to students, faculty and staff. Accounts receivable also includes amounts due from the Federal government, state and local governments, or private sources, in connection with reimbursement of allowable expenditures made pursuant to the College's grant and contracts. Unconditional promises to give due in subsequent years are reported at the present value rate of 5% of their net realizable value using the risk-free interest rate applicable to the year in which the promises are to be received.

Capital Gifts Receivable

Capital gifts receivable are valued at amount pledged.

Investments

Investments are stated at cost under the provisions of Statement No. 31 of the GASB. Investments consist of certificates of deposit classified as nonparticipating contracts.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

Note 1: Summary of Significant Accounting Policies (Continued)

Inventories

Inventories are valued at lower cost or market with cost being generally determined on a first-in, first-out basis.

Non-current Cash and Investments

Cash and investments that are externally restricted for debt service payments, sinking funds, endowment funds, or reserve funds, or to purchase or construct capital or other nonrecurring assets, are classified as non-current assets in the statement of net position. Investments consist of certificates of deposit with an original maturity date of greater than ninety days.

Restricted/Unrestricted Resources

The College does not have a formal policy addressing which resources to use when both restricted and unrestricted net assets are available for the same purpose. College personnel decide which resources to use at the time expenses are incurred.

Unearned Revenues

Unearned revenues include amounts received for tuition and fees and certain auxiliary activities prior to the end of the fiscal year but related to the subsequent accounting period. Unearned revenues also include amounts received from grant and contract sponsors that have not yet been earned.

Compensated Absences Payable

Accrued compensated absences payable – other than sick leave reflects accumulated compensatory, holiday and annual leave and required employer contributions at June 30, 2024 for full-time benefits eligible employees. Accumulated unpaid annual leave and holidays are accrued at the employee's current hourly rate of pay up to a maximum of 240 hours. Compensatory accrued time is limited to 240 hours per federal regulations.

Act 1288 of 2005, allows compensation for unused sick leave at retirement or death for two-year College classified employees. Act 220 of 2009 extended compensation for unused sick leave to non-classified employees. Accrued compensated absences payable – sick leave reflects accumulated sick leave and required employer contributions at June 30, 2024, for full-time classified and non-classified employees. The amount is based on a percentage of the number of hours accumulated, and the employee's current daily rate of pay not to exceed \$7,500 paid to the employee or beneficiary of an employee.

Non-current Liabilities

Non-current liabilities include: (1) principal amounts of debt payable with contractual maturities greater than one year; (2) estimated amounts for accrued compensated absences and related matching cost that will not be paid within the next fiscal year; (3) other postemployment benefits payable (Note 8) and (4) net pension liability (Note 9).

Property Taxes

Property taxes are levied in November based on property assessment made between January 1 and May 31 and are an enforceable lien for the subsequent year 1 for real and for personal property. The tax records are opened on the first business day of March of the year following the levy date and are considered delinquent after October 15th of the same calendar year.

JUNE 30, 2024

Note 1: Summary of Significant Accounting Policies (Continued)

Scholarship Discounts and Allowances

Tuition and fee revenues are reported net of scholarship discounts and allowances in the Statement of Revenues, Expenses, and Changes in Net Position. Scholarship discounts are the difference between the stated charge for goods and services provided by the College and the amount that is paid by the students and/or third parties. Scholarship discounts include the step-up scholarship, the out-of-state waiver, and the 60-and-over waiver. Pell, Supplemental Education Opportunity Grant (SEOG) and other grants and scholarships are recorded as revenues in the Statement of Revenues, Expenses, and Changes in Net Position. The portion of students' scholarships used to satisfy tuition and fees and other charges, is recorded as scholarship allowances.

Note 2: Public Fund Deposits and Investments

Cash deposits are carried at cost. The College's cash deposits at year-end are shown below:

	<u>Bank Balance</u>	<u>Carrying Amount</u>
Insured (FDIC)	\$ 529,743	\$ 534,784

Note 8: Other Post-Employment Benefits

For Other Post-Employment Benefits (“OPEB”) plans that are administered through trusts or equivalent arrangements, Governmental Accounting Standards Board (GASB) Statement No. 74, “Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans,” (GASB 74) replaces Statements No. 43 and No. 57. GASB 74 establishes standards of financial reporting and specifies the required approach for measuring the liability of employers for benefits provided through the OPEB plan, and deals primarily with the plan’s own financial statements. GASB Statement No. 75, “Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions” (GASB 75) replaces Statements No. 45 and No. 57, and establishes standards for accounting and financial reporting for the sponsor’s financial statements.

Plan Description: The College’s defined benefit postemployment healthcare plan, provides health insurance benefits to eligible retired College employees. The plan is affiliated with the Arkansas Higher Education Consortium (AHEC), an agent multiple-employer postemployment healthcare plan administered by J.P. Farley. The College has the authority to amend or cancel the benefit provisions of the plan. An employee must retire directly from active employment. If they are age 55 and have at least 15 years full-time service, they can continue their medical insurance coverage, until they are eligible for Medicare. The College pays a percentage of the premium, based on the person’s age plus service when they retire. If age plus service equals 70, the percentage is 25%. For 71, the percentage is 30%, in 5% increments, up to 100% when the person’s age plus service equals 85.

The Plan does not issue a stand-alone financial report. For inquiries relating to the Plan, please contact the Office of Human Resources, South Arkansas College, P. O. Box 7010, El Dorado, Arkansas 71731-7010.

This report covers the plan fiscal year ended June 30, 2024, and the sponsor’s fiscal year ended June 30, 2024, using an actuarial valuation date of June 30, 2023. The results for the year ended June 30, 2024, and expenses for 2023-24, are based on a “roll forward” of the June 30, 2023, valuation. The measurement date for this fiscal period is June 30, 2024. The plan is a “single-employer” defined benefit OPEB program under GASB 74 and 75.

The College’s employees covered by the benefits terms at June 30, 2024 were as follows:

Active employees	138
Inactive employees receiving benefit payments	<u>2</u>
Totals	140

No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement no. 75 (Per GASB Paragraph 165(d)).

HEALTH CARE COST TREND RATE: The health care cost trend rate was assumed to be 8.0% next year, 7.5% the following year, 7.0% the third year, 6.5% the fourth year, with the rate decreasing by 0.5% each year, to an ultimate rate of 5.0%.

INFLATION RATE: The discount rate, and the health care cost trend rate incorporate an assumed annual inflation rate of 3.00%.

BASE CLAIM COSTS: The following monthly claim costs were assumed:

Premium	\$	569.00
Implicit Subsidy		473.63
Total retiree cost		1,042.63

Using the selected monthly claim cost above, costs were determined by age band using Chart 5 and Table 5 from "Health Care Cost – From Birth to Death", published by the Society of Actuaries and prepared by Dale H. Yamamoto in June 2013:

<u>Age Band</u>		
50 to 54	\$	625.20

SOURCE OF CLAIM COSTS:

The actuary reviewed active and retiree claim cost from other public entities in Arkansas. The difference between active and retiree costs was used as one basis for the implicit subsidy.

Another basis for the implicit subsidy was calculated using “Health Care Cost – From Birth to Death”, published by the Society of Actuaries and prepared by Dale H. Yamamoto in June 2013. From Chart 5 of this publication (the Unisex Cost Curve by Age for 2010) we estimated the implicit subsidy.

The table below shows the estimates and the cost selected:

Cost per other Arkansas public entities	\$ 1,108.28
Cost from “unbundling” using “Health Care Cost – From Birth to Death”	\$ 976.97
Selected Cost	\$ 1,042.63

ADMINISTRATIVE COSTS:

None assumed.

FAMILY COVERAGE:

The actuary assumed that the sponsor would provide single coverage only.

SELECTION OF COVERAGE:

The actuary assumed that 80% of eligible retirees would select the coverage when they initially retired, and that 0% of them would continue it past age 65.

DATA USED:

The actuary received a census listing from South Arkansas College. The data is summarized above.

PRE-RETIREMENT

MORTALITY:

Deaths have been projected using the Pub-T 2010 Mortality Table (headcount basis), projected generationally with Scale MP 2020. Mortality rates at a few sample ages are:

POST-RETIREMENT
MORTALITY:

The Pub-T 2010 Mortality Table (headcount basis), projected generationally with Scale MP-2019 was used. The life expectancy according to this table is as follows:

	Males	Males	Females	Females
<u>Age</u>	<u>2030</u>	<u>2040</u>	<u>2030</u>	<u>2040</u>
55	33.39	34.21	35.91	36.67
65	23.38	24.15	25.69	26.42
75	14.55	15.20	16.41	17.05

VOLUNTARY
TERMINATIONS:

We have generally used the voluntary termination assumption used by the Arkansas Teachers Retirement System. Termination at some sample ages age:

<u>Age</u>	<u>Termination Rate Per</u> <u>100 Members</u>
20	4.60
25	4.84
30	4.40
35	3.10
40	2.20
45	2.00
50	2.00
55	5.00

For those with less than five years of service, we used a multiple of the above rates. The multiples used were:

1 st year of service	4.0
2 nd year of service	2.5
3 rd year of service	2.0
4 th year of service	1.5

7	Total OPEB Obligation Beginning of Year		712,642
8	Total OPEB Obligation End of Year	\$	<u>779,755</u>

Changes in assumptions and other inputs reflect a change in the discount. The prior full valuation used a discount rate of 4.13%. The current valuation uses a discount rate of 4.21% as of June 30, 2024.

Single Discount Rate

A single discount rate of 4.21% based on the Municipal Bond Rate was used to measure the Total OPEB Liability as of June 30, 2024.

Regarding the sensitivity of the Total OPEB Liability to changes in the single discount rate, and changes in the assumed health care cost trend rate, the following presents the Total OPEB liability, calculated using a single discount rate of 4.21%, as well as what the Total OPEB liability would be if it were calculated using a single discount rate that is 1-percentage point lower or 1-percentage point higher, or using a health care cost trend rate that is 1-percentage point lower or 1-percentage point higher:

	<u>1% Decrease to 3.21%</u>	<u>Current Single Discount Rate of 4.21%</u>	<u>1% Increase to 5.21%</u>
Total OPEB Liability	<u>\$ 840,056</u>	<u>\$ 779,755</u>	<u>\$ 715,142</u>

Note 9: Retirement Plans

Teachers Insurance and Annuity Association/College Retirement Equities Fund (TIAA/CREF)

Plan Description. South Arkansas College participates in TIAA/CREF, a defined contribution plan. The plan is a 403(b) program as defined by Internal Revenue Service Code of 1986 as amended and administered by TIAA/CREF. TIAA is an insurance company offering participants a traditional annuity with guaranteed principal and a specific interest rate plus the opportunity for additional growth through dividends. CREF is an investment company that offers a variable annuity. Arkansas law authorizes participation in the plan.

Funding Policy. TIAA/CREF offers contributory plans and members may contribute 6 – 10% of their gross earnings to the plan. The College contributes 10% of employees' earnings for contributory members. Additionally, employees may elect to participate in supplemental retirement plans funded totally by the individual. The College's and participant's contributions for the year ended June 30, 2024, were \$382,309 and \$345,880 and for the year ended June 30, 2023, were \$392,252 and \$342,440, respectively.

Arkansas Teacher Retirement System

Summary of Significant Accounting Policies

Pensions: For purposes of measuring net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Arkansas teacher Retirement System (ARTS) and additions to and deductions from ARTS fiduciary net position have been determined on the same basis as reported by ARTS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Plan Description. South Arkansas College contributes to the Arkansas Teacher Retirement System (ATRS), a cost sharing multiple-employer defined benefit pension plan for certain employees. ATRS, administered by a Board of Trustees, provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit and contribution provisions are established by State law and can be amended only by the Arkansas General Assembly. The Arkansas Teacher Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for ATRS. That report may be obtained by contacting the Arkansas Teacher Retirement System, 1400 West Third Street, Little Rock, AR 72201 or by calling 501-682-1517.

Members are eligible for full retirement benefits at age 60 with five or more years of actual or reciprocal service or at any age with 28 or more years of credited service. Members with 25 years of credited service who have not attained age 60 may receive an annuity reduced by 10/12 of 1% multiplied by the number of months by which the early retirement precedes the earlier of (1) completion of 28 years of credited service or (2) attainment of age 60. The normal retirement benefit, paid monthly, is determined based on (1) the member's final average salary and (2) the number of years of service. Disability retirement benefits are payable to members who are vested and demonstrate total and permanent incapacity to perform the duties of their position while in active employment. The disability annuity is computed in the same manner as the age and service annuity. Survivor benefits are payable to qualified survivors upon the death of an active, vested member. Eligible spouse survivors receive a survivor annuity that is based on the member's years of service credit prior to their death, and minor child survivors receive a percentage of the member's highest salary earned. A lump sum death benefit is provided for active and retired members with ten years of actual service. A cost of living adjustment (COLA) is payable on July 1 of each year to retirees, certain survivors, and annuity beneficiaries who received monthly benefits for the previous 12 months. The COLA is determined by multiplying the member's base retirement annuity by 3%.

Contributions. Arkansas Code Title 24 establishes the contribution requirements of active members and participating employers. Contribution rates for each plan are as follows:

The funding policy of ATRS provides for periodic employer contributions at statutorily established rates based on annual actuarial valuations. For the fiscal year ended June 30, 2024, the employer contribution rate was 15% of covered employee payroll. Contributions to ATRS from the College were \$280,370 for the year ended June 30, 2024 and \$260,359 for the year ended June 30, 2023.

ATRS has contributory and noncontributory plans. The contributory plan has been in effect since the beginning of the plan. Contributory members of ATRS contribute 7% of their gross wages. The noncontributory plan began July 1, 1986. Effective July 1, 1999, all new members, including any former active members, were automatically enrolled as noncontributory members. Active members as of July 1, 1999, were allowed to make an irrevocable choice between the contributory or noncontributory plan. Employee contributions are refundable if covered employment terminates before a monthly benefit is payable.

Arkansas Public Employees Retirement System

Summary of Significant Accounting Policies

Pensions: For purposes of measuring net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Arkansas Public Employees Retirement System (APERS) and additions to and deductions from APERS fiduciary net position have been determined on the same basis as reported by APERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Plan Description. South Arkansas College contributes to the Arkansas Public Employees Retirement System (APERS), a cost-sharing multiple-employer defined benefit pension plan. Employees may elect coverage under APERS as a qualified retirement system. APERS, administered by a Board of Trustees, provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by State law and can be amended only by the Arkansas General Assembly. The Arkansas Public Employees Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for APERS. That report may be obtained by contacting the Arkansas Public Employees Retirement System, 124 W. Capitol, Suite 400 Little Rock, AR 72201 or by calling 1-800-682-7377.

The normal retirement benefit, paid on a monthly basis, is determined based on (1) the member's final average compensation (an average of the highest 36 months' earnings) and (2) the number of years of credited service. Retiree benefit increases are calculated each year on July 1 for the following 12 months. The redetermined amount is the amount of the benefit payable as of the immediately preceding July 1, increased by 3%. Members are eligible for full retirement benefits (1) at any age with 28 years of credited service; (2) at age 65 with five years of actual service, except for members of the General Assembly who must have 10 years of actual service if the member only has service as a member of the General Assembly; or (3) at age 55 with 35 years of credited service as an elected official or public safety member. Members are eligible for reduced benefits (1) at any age with at least 25 years but less than 28 years of actual service; or (2) at age 55 with five years of actual service. Members who are defined as a public safety member are eligible for a reduced benefit with five years of actual service if the member is within 10 years of normal retirement age.

Contribution provisions applicable to the participating employers are established by the APERS' Board of Trustees and should be based on an independent actuary's determination of the rate required to fund the plan. The General Assembly and certain agencies employing individuals in public safety positions must also remit additional amounts. For the fiscal year ended June 30, 2024, the employer contribution rate, as a percentage of active member payrolls, was 15.32%. Contributions to APERS from the College were \$197,196 for the year ended June 30, 2024, and \$199,648 for the year ended June 30, 2023.

APERS consists of both a contributory plan and a noncontributory plan. The contributory plan has been in effect since the beginning of the plan and is available to all persons who became members prior to January 1, 1978. The noncontributory plan was created by Act 793 of 1977 and was effective January 1, 1978. It automatically applied to all members hired from January 1, 1978, to June 30, 2005. Act 2084 of 2005 requires that, beginning July 1, 2005, all new hires become contributory members and are required to contribute 5% of their earnings to APERS. All other noncontributory members were given the opportunity to become contributory if they so elected by December 31, 2005. Act 365 of 2021, which took effect July 1, 2022, raised the contribution rate 0.25% for contributory members. The rate will continue to increase by 0.25% each July 1 until it reaches 7%. The employee contribution rate for the year ended June 30, 2024, was 5.50%.

During a member's participation in the APERS deferred retirement option plan (DROP), the employer continues to make contributions, and the employee ceases to make contributions.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2024, the College reported liabilities of \$4,240,611 for its proportionate share of the net pension liabilities. The net pension liabilities were measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability for each plan was determined by actuarial valuations as of that date. The College's proportion of the net pension liability was based on current contributions of all participating employers. At June 30, 2023, the College's proportion was .0485% for ATRS and .0591% for APERS.

For the year ended June 30, 2024, the College recognized pension expense of \$544,535. For the year ended June 30, 2024, South Arkansas College reported deferred outflows of resources and deferred inflows of resources related to pensions as follows:

	ATRS		APERS	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 91,559	\$ (2,946)	\$ 97,255	\$ (9,464)
Net Changes in Assumptions	183,307		80,998	
Net difference between projected and actual earnings on pension plan investments	165,805		214,442	
Changes in proportion and differences between Employer contributions and proportionate share of contributions	128,680	(150,262)	48,423	(161,564)

Total	\$ 849,721	\$ (153,208)	\$ 638,314	\$ (171,028)

\$477,566 reported as deferred outflows of resources related to pensions resulting from the College contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

	ATRS	APERS
2025	112,456	(36,556)
2026	(27,267)	62,781

Actuarial assumptions. The total pension liability in the actuarial valuation (as of the date noted below) was determined using the following actuarial assumptions, applied to all periods included in the measurement:

	ATRS	APERS
Date of Actuarial Valuation	June 30, 2023	June 30, 2023
Inflation Rate	2.75%	3.25%
Salary Increases	2.75% - 5.75%	3.25% - 11%
Investment rate of return	7.25%	7.00%
Mortality rates	Pub-2010; MP-2020 from 2010	PubG-2010; MP-2021
Actuarial experience study dates	July 1, 2015 through June 30, 2020	July 1, 2017 through June 30, 2022

ATRS

The long-term expected rate of return on pension plan investments of each plan was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return were adopted by the plan's trustees after considering input from the plan's investment consultant and actuary.

APERS

The long-term expected rate of return on pension plan investments of each plan was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for the 10-year period from 2023-2032 were provided by the plan investment consultant.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

Note 9: Retirement Plans (continued)

For each major asset class that is included in each pension plans' target asset allocation as of June 30, 2023, these best estimates are summarized in the following table:

	ATRS	
	Target Allocation	Long-Term Expected Real Rate of Return
Total Equity	53%	5.0%
Fixed Income	15%	1.8%
Alternatives	5%	4.8%
Real Assets	15%	4.5%
Private Equity	12%	7.3%
Cash Equivalents	0%	1.0%

	APERS	
	Target Allocation	Long-Term Expected Real Rate of Return
Broad Domestic Equity	37%	6.19%
International Equity	24%	6.77%
Real Estate	16%	3.34%
Absolute Return	5%	3.36%
Domestic Fixed	18%	1.79%

Discount rate. The discount rate for each plan was determined as follows:

APERS

The single discount rate was based on the expected rate of return on pension plan investments of 7.00%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments.

ATRS

The single discount rate was based on the expected rate of return on pension plan investments of 7.25%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be 15% of payroll. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments.

Sensitivity of State's proportionate share of the net pension liability to changes in the discount rate. The following presents the State's proportionate share of the net pension liability for each plan calculated using the discount rate stated above, as well as what the State's proportionate share of net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	1% Decrease	Current Discount Rate	1% Increase
ATRS - Current Discount Rate 7.25%	\$ 4,089,153	\$ 2,517,692	\$ 1,214,830
APERS - Current Discount Rate 7.00%	\$ 2,746,178	\$ 1,722,919	\$ 879,851

Pension plan fiduciary net position. Detailed information about each pension plan's fiduciary net position is available in the separately issued financial report of each plan. The total pension expense for both plans, recorded in personal services expenditures, for the fiscal year ended June 30, 2024, recorded as individual plan expense was \$108,173 for APERS and \$436,362 for ATRS.

Note 11: South Arkansas Arboretum

The College entered into an agreement with the Arkansas Department of Parks, Heritage, and Tourism, State Park Division (DPHT) authorizing the College to operate and maintain the South Arkansas Arboretum. The property, on which the Arboretum is located, was leased by the DPHT from the El Dorado School District. The operating agreement with the DPHT was dated, May 20, 1994, for 20 years with an option to renew the term for an additional five years upon agreed conditions. The first renewal for the additional five years was signed May 20, 2014. The second renewal was signed April 18, 2019 for an additional three years. The third renewal was signed May 20, 2022 for an additional two years. The fourth renewal was signed May 5, 2024 for an additional five years. The College agrees to assume all costs necessary, except utilities, to construct, maintain and operate the Arboretum. The College is allowed to terminate the agreement should the institution be unable to meet its financial obligations as stated in the agreement.

SOUTH ARKANSAS COLLEGE
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

Note 12: Donor-Restricted Endowment

The computations, of net appreciation on investments of donor-restricted endowments that are available for authorization for expenditure, are as follows:

Total Endowments at June 30, 2024	\$ 467,782
Less: Non-Expendable Portion of True Endowments	444,184
Donor-Restricted Endowments Available for Expenditure	<u>\$ 23,598</u>

Arkansas Code Annotated § 28-69-804 states “Subject to the intent of a donor expressed in the gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless stated otherwise in the gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution.”

The college follows the Federal regulations relating to the Title III Endowment Fund.

Note 13: Risk Management

The College is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets; errors and omissions, injuries to employees; and natural disasters.

The College participates in the Arkansas Fidelity Bond Trust Fund administered by the Government Bonding Board. The fund provides coverage of actual losses incurred as a result of fraudulent or dishonest acts committed by state officials or employees. Each loss is limited to \$300,000 with a \$2,500 deductible. The Department of Finance and Administration withholds the premium from the College’s state treasury funds.

The College participates in the Arkansas Multi-Agency Insurance Trust Fund (AMAIT) for insurance coverage for property and vehicles. In its administrative capacity, AMAIT is responsible for monitoring, negotiating, and settling claims that have been filed against its members. The College pays annual premiums for buildings, contents, and vehicles.

The College also participates in the Arkansas Employees Claims Division – Worker’s Compensation Program under the Arkansas Department of Insurance. The program is responsible for obtaining and administering workers’ compensation insurance coverage for its members, as well as obtaining reinsurance coverage for those claims that exceed the standard policy limits. In its administrative capacity, the Division is responsible for monitoring, negotiating, and settling claims that have been filed on behalf of and against the College. The College contributes quarterly to this program.

The College carries professional liability insurance to protect the trustees of the College. The limits of liability for each claim shall be not less than \$1,000,000 with a \$10,000 deductible. An annual premium is paid for this coverage.

The College carries commercial liability insurance for students participating in the Allied Health Professions instruction while in a clinical setting. The College pays an annual premium for this coverage, offset by a portion of the premium paid as a fee by these respective students.

Settled claims have not exceeded the insurance coverage in any of the past three fiscal years. There were no significant reductions in insurance coverage from the prior year in the major categories of risk.

Note 14: Convention Center/Student Services Building

On September 29, 2021, the College renewed the lease and operating agreement with the City of El Dorado, Arkansas on a Convention Center/Student Services Building. The College is responsible for general and operating expenses of the Conference Center facility. If such expenses for the operation exceed gross revenues from the conference center, the College will fund the first \$175,000 of annual expenses over gross revenue. If annual expenses over gross revenue exceed \$175,000, the City will fund any difference up to \$60,000. The College and the City will share equally any expenses over gross revenue in excess of \$235,000. The City will also reimburse the College for one half of the salary and related expenses of the employee designated to market and manage the conference center. The lease is for three years with two, one-year renewal terms.

Note 15: Title III Program Endowment Fund Campaign

The Title III Grant Program included \$341,000 designated for the College to establish an endowment fund for expenditures related to educational purposes. The College has the opportunity to receive the funding if nonfederal contributions can be used to match the federal funding dollar-for-dollar during the five year Title III Grant period.

Title III endowment funds can be used for educational purposes. For the year ended June 30, 2024, endowment funds were deposited in an interest-bearing account. Contributions, matching, and investment income are as follows:

	Interest	Contribution	Matching	Total	Expendable Interest 50%

SOUTH ARKANSAS COLLEGE
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

Note 15: Title III Program Endowment Fund Campaign (Continued)

The College's spending policy is:

As set forth in the Department of Education's Endowment Grant program, the College must invest and may not spend the endowment corpus for the 20-year grant period (at the conclusion of the grant period the College may use endowment fund corpus and all of the endowment fund income for any educational purposes). During the 20-year grant period the College may spend up to 50% of the endowment fund income prior to the date of expenditure. Allowable expenditures include costs necessary to operate the Institution, costs to administer and manage the endowment fund and costs associated with buying and selling securities.

For purposes of calculating the amount that may be expended, endowment fund income is determined by subtracting the total value of the endowment fund from the endowment fund corpus and the aggregate amount of the previously withdrawn endowment fund income.

State law allows a governing board to expend a portion of the net appreciation in the fair value of the assets over the historic dollar value of the fund unless the applicable gift document state otherwise. State law stipulates that such expenses are to be for the purpose for which the endowment funds were established.

Note 16: Related Party Transaction

Ms. Melissa Jerry is a member of the Board of Trustees of South Arkansas College. Ms. Jerry is the former Chief Financial Officer and currently serves on the Board of Directors of First Financial Bank of El Dorado. The College maintains substantially all of its operational deposits at First Financial Bank of El Dorado.

Note 17: Subsequent Events

On December 18, 2024, the College entered into a construction contract totaling \$2,525,552 for a facilities building. This project was financed by the financial institution where a member of the Board of Directors is also a member of the College's Board of Trustees. The note payable dated February 11, 2025 matures on February 1, 2045 and has a initial variable interest rate of 4.95%.

In February 2025, the City of El Dorado voted to donate \$5,938,625 to the College to assist with funding the construction of a baseball stadium.

In March 2025, a donor contributed \$100,000 towards the residence hall and \$1,000,000 towards the baseball stadium.

In June 2025, the College entered into a construction contract totaling \$12,090,677 for a student residence hall.

Overview of the Financial Statements and Financial Analysis

South Arkansas College ("the College") is pleased to present its Annual Financial Report for the fiscal year ended June 30, 2025, with the fiscal year 2023/24 prior year data presented for comparative purposes. The Financial Report of the College is prepared following the financial statement model as developed and required by the Government Accounting Standards Board (GASB). GASB is the governing body over financial statements for public higher education and all state and local governments. The objectives of the reporting format is to enhance the understanding and usefulness of the external financial reports to all users of the statements including creditors, legislative and oversight bodies. In addition to the Management's Discussion and Analysis section, the Financial Report includes a Statement of Net Position, the Statement of Revenues, Expenses, and Changes in Net Position, the Statement of Cash Flows, and the Notes to the Financial Statements.

South Arkansas College was established by a vote of the citizens of Union County on March 31, 1992. Voters approved forming a community college district for the county, merging Oil Belt Technical College and Southern Arkansas University-El Dorado Branch, and levying a Millage to support the new school. The college is governed by a nine-member Board of Trustees, which has delegated to the President the administrative authority for the College's operations.

Statement of Net Position

The Statement of Net Position presents the assets, deferred outflows of resources, liabilities, deferred inflows of resources and net position of the College. The purpose of the statement is to present to the readers of the financial statements a fiscal snapshot of the College as of the end of the fiscal year. Current assets and liabilities are distinguished from non-current assets and liabilities. The statement provides a picture of net position (assets and deferred inflows minus liabilities and deferred outflows) and their availability for expenditure by the College.

Net position divided into four major categories:

Invested in capital assets, net of debt: capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Restricted net position - non-expendable: net assets subject to externally-imposed stipulations that they be maintained permanently by the College.

Restricted net position - expendable: net assets whose use by the College is subject to externally-imposed stipulations that can be fulfilled by actions of the College pursuant to those stipulations or that expire by the passage of time.

Unrestricted net position - net assets that are not subject to externally imposed stipulations but can be used at the discretion of the governing board to meet current expenses for any purpose if not limited by contractual agreements with outside parties.

Statement of Revenues, Expenses, and Changes in Net Position

The purpose of this statement is to present revenues earned and expenses paid by the College, both operating and nonoperating, and any other revenues, expenses, gains and losses. The operating income (loss) has limited significance for the College since the GASB requires a significant portion of revenues (state appropriations, gifts, and some grants and contracts) to be reported as non-operating.

	Year Ended	
	June 30, 2025	June 30, 2024
Operating revenues	\$ 5,438,221	\$ 7,038,749

Net Position, end of year	<u>\$ 42,607,082</u>	<u>\$ 36,851,071</u>

Statement of Revenues and Expenses and Changes in Net Position (Continued)

The following pie chart details the percentage breakdown in the operating expenses for the fiscal year.

Compensation and benefit costs decreased 3.69% from the prior year and accounted for 54.15% of the total operating expense of \$18,287,984. Supplies and other services decreased -0.23% from the previous year. Scholarships expense increased 31.77% from the previous year.

Statement of Cash Flows

The purpose of the Statement of Cash Flows is to provide information about the cash receipts and disbursements of the College for the year. This statement may aid in the assessment of the College's ability to meet obligations as they become due, the need for external financing, and the ability to generate future cash flow. This statement is prepared using the "direct method" as required by GASB.

Similar to operating income (loss) on the Statement of Revenues, Expenses, and Changes in Net Position, net cash provided by operating activities is of little significance to the College because the GASB requires significant sources of cash to be reported as non-operating financing. The net cash provided by operating activities and non-capital financing activities are important for the College.

Capital Assets and Long-Term Debt Activity

At June 30, 2025, the College had \$22,736,651 of capitalized assets, net of depreciation of \$1,816,134. \$2,235,146 was added to construction in progress for other improvements. During the fiscal year the College made the following additions and improvements in capital assets.

Equipment	\$ 217,116
Library Holdings	9,681
Improvements and Infrastructure	1,090,427
Construction in Progress	2,235,146
Total	<u>\$ 3,603,170</u>

More information on capital assets is presented in Note 5.

	Debt Balance 6/30/2025	Debt Balance 6/30/2024
General obligation bonds (2014)	\$ 2,295,000	\$ 2,420,000

First Financial Bank	2,502,759	-
Total	<u>\$ 6,123,409</u>	<u>\$ 3,897,705</u>

Economic Outlook

The College's financial position remained stable for the fiscal year ended June 30, 2025 as evidenced by the increase in net position. Enrollment is predicted to increase for fiscal year 25/26.

On January 1, 2025, the College renewed its lease with the City of El Dorado to operate and manage the El Dorado Conference Center. The center includes space for the Campus Store, a one-stop Student Services area, food services, and conference facilities. The College operates the El Dorado Conference Center as an Auxiliary unit.

In addition to the state appropriations, the College receives funds from tuition and fees, investment income, grants and contracts, and some support from individuals, foundations and corporations. The College plans to continue its strategy of seeking grants and private gifts to supplement scholarships, capital projects, student support, and academic needs of the institution.

Reporting Entity

South Arkansas Community College was established July 1, 1992, under the authority of Act 1244 of 1991. During 2023, the College changed its name to South Arkansas College. The College operates under the policies and supervision of the Board of Trustees of South Arkansas College, a nine-member group. Members of the Board of Trustees are appointed by the Governor of the State and have decision-making authority, the power to designate management, and the responsibility to significantly influence operations. The Board has governing responsibility over all activities related to higher education at South Arkansas College. The College receives funding from local, state and federal government sources and must comply with the requirements of these funding source entities.

Component Unit

The South Arkansas College Foundation, Inc. ("the Foundation") is a legally separate, tax-exempt component unit of South Arkansas College ("the College"). The Foundation acts primarily as a fund-raising and asset management organization to develop and supplement the resources that are available to the College in support of its mission and programs. The 22-member board is self-perpetuating. Although the College does not control the timing or amount of receipts from the Foundation, the majority of resources or income thereon that the Foundation holds and invests are restricted to the activities of the College by donors. Because these restricted resources held by the Foundation may only be used by, or for the benefit of the College, the Foundation is considered a component unit of the College under guidelines established by Governmental Accounting Standards Board (GASB) Statement Number 39, *Determining Whether Certain Organizations are Component Units*. Accordingly, the financial statements of the Foundation are discretely presented in the College's financial statements in accordance with the provisions of GASB Statement Number 39.

During the year ended June 30, 2025, the Foundation transferred the following amounts to the College:

For scholarships and grants	\$ 177,804
For reimbursement of expenses	114,371
Total	<u>\$ 292,175</u>

The College had a receivable from the Foundation on June 30, 2025, in the amount of \$12 for operations and scholarships. In addition, one of the College's capital gift donors made an election during the year to disburse their contributions to the College through the Foundation. During the year, the donor contributed \$1,166,232 and the Foundation made architecture payments with these funds totaling \$652,143, which the College has recognized in construction in progress. Complete financial statements for the Foundation may be obtained from the Foundation office at P. O. Box 7010, El Dorado, AR 71731-7010 or viewed online at <http://www.southark.edu/financial-reports>.

The Foundation reports under Financial Accounting Standards Board (FASB) standards. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. No modifications have been made to the Foundation's financial statements presented within the College's financial statements.

Financial Statement Presentation

In June 1999, the Governmental Accounting Standards Board (GASB) issued Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. GASB Statement No. 35, *Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities*, followed this in November 1999. The financial statement presentation required by GASB No. 34 and No. 35 provides a comprehensive, entity-wide perspective of South Arkansas College's assets, deferred outflows liabilities,

Note 1: Summary of Significant Accounting Policies (Continued)

deferred inflows net position, revenues, expenses, changes in net position, cash flows, and replaces the fund-group perspective previously required.

Basis of Accounting

For financial reporting purposes, South Arkansas College is considered a special-purpose government engaged only in business-type activities. Accordingly, South Arkansas College's financial statements have been presented using the economic resources focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when obligations are incurred. All significant intra-agency transactions have been eliminated.

Capital Assets and Depreciation

Land, buildings, improvements and infrastructure, equipment, library holdings, intangibles, (software), and construction in progress are reported at cost or estimated historical cost if actual data is not available. Donated capital assets are reported at fair market value when received. The College follows the State guidelines for equipment capitalization.

Depreciation is computed using the straight-line method over the estimated lives of the assets, generally 20 to 40 years for buildings, 15 to 20 years for infrastructure and land improvements, 10 years for library holdings, 5 years for vehicles, 3 to 10 years for equipment, and 7 years for intangibles, (software).

Operating and Non-operating Revenues

The Institution has classified its revenue as either operating or non-operating revenue according to the following criteria:

- Operating revenues include activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, net of scholarship discounts and allowances, (2) sales and services of auxiliary enterprises, net of scholarship discounts and allowances, and (3) most federal, state, and local grants and contracts.
- Non-operating revenues include activities that have the characteristics of non-exchange transactions, such as gifts and contributions, and other revenue sources. These are defined as non-operating revenues by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*, and GASB Statement No. 34, such as state appropriations and investment income.

Cash Equivalents

For purposes of the statement of cash flows, South Arkansas College considers all highly liquid investments with an original maturity of ninety days or less to be cash equivalents (such as certificates of deposit).

Note 1: Summary of Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable consists of tuition and fee charges to students and auxiliary enterprises provided to students, faculty and staff. Accounts receivable also includes amounts due from the Federal government, state and local governments, or private sources, in connection with reimbursement of allowable expenditures made pursuant to the College's grant and contracts. Unconditional promises to give due in subsequent years are reported at the present value rate of 5% of their net realizable value using the risk-free interest rate applicable to the year in which the promises are to be received.

Capital Gifts Receivable

Capital gifts receivable are valued at amount pledged.

Investments

Investments are stated at cost under the provisions of Statement No. 31 of the GASB. Investments consist of certificates of deposit classified as nonparticipating contracts.

Inventories

Inventories are valued at lower cost or market with cost being generally determined on a first-in, first-out basis.

Non-current Cash and Investments

Cash and investments that are externally restricted for debt service payments, sinking funds, endowment funds, or reserve funds, or to purchase or construct capital or other nonrecurring assets, are classified as non-current assets in the statement of net position. Investments consist of certificates of deposit with an original maturity date of greater than ninety days.

Restricted/Unrestricted Resources

The College does not have a formal policy addressing which resources to use when both restricted and unrestricted net assets are available for the same purpose. College personnel decide which resources to use at the time expenses are incurred.

Unearned Revenues

Unearned revenues include amounts received for tuition and fees and certain auxiliary activities prior to the end of the fiscal year but related to the subsequent accounting period. Unearned revenues also include amounts received from grant and contract sponsors that have not yet been earned.

Compensated Absences Payable

Accrued compensated absences payable – other than sick leave reflects accumulated compensatory, holiday and annual leave and required employer contributions at June 30, 2025 for full-time benefits eligible employees. Accumulated unpaid annual leave and holidays are accrued at the employee's current hourly rate of pay up to a maximum of 240 hours. Compensatory accrued time is limited to 240 hours per federal regulations.

Note 1: Summary of Significant Accounting Policies (Continued)

Act 1288 of 2005, allows compensation for unused sick leave at retirement or death for two-year College classified employees. Act 220 of 2009 extended compensation for unused sick leave to non-classified employees. Accrued compensated absences payable – sick leave reflects accumulated sick leave and required employer contributions at June 30, 2025, for full-time classified and non-classified employees. The amount is based on a percentage of the number of hours accumulated, and the employee's current daily rate of pay not to exceed \$7,500 paid to the employee or beneficiary of an employee.

Non-current Liabilities

Non-current liabilities include: (1) principal amounts of debt payable with contractual maturities greater than one year; (2) estimated amounts for accrued compensated absences and related matching cost that will not be paid within the next fiscal year; (3) other postemployment benefits payable (Note 8) and (4) net pension liability (Note 9).

Property Taxes

Property taxes are levied in November based on property assessment made between January 1 and May 31 and are an enforceable lien for the subsequent year 1 for real and for personal property. The tax records are opened on the first business day of March of the year following the levy date and are considered delinquent after October 15th of the same calendar year.

Scholarship Discounts and Allowances

Tuition and fee revenues are reported net of scholarship discounts and allowances in the Statement of Revenues, Expenses, and Changes in Net Position. Scholarship discounts are the difference between the stated charge for goods and services provided by the College and the amount that is paid by the students and/or third parties. Scholarship discounts include the step-up scholarship, the out-of-state waiver, and the 60-and-over waiver. Pell, Supplemental Education Opportunity Grant (SEOG) and other grants and scholarships are recorded as revenues in the Statement of Revenues, Expenses, and Changes in Net Position. The portion of students' scholarships used to satisfy tuition and fees and other charges, is recorded as scholarship allowances.

Note 2: Public Fund Deposits and Investments

Cash deposits are carried at cost. The College's cash deposits at year-end are shown below:

	<u>Bank Balance</u>	<u>Carrying Amount</u>
Insured (FDIC)	\$ 531,690	\$ 535,515
Collateralized:		
Collateral held by the pledging bank or pledging bank's trust department in the College's name	<u>13,135,785</u>	<u>13,332,535</u>
Total Deposits	<u><u>\$ 13,667,475</u></u>	<u><u>\$ 13,868,050</u></u>

Note 2: Public Fund Deposits and Investments (Continued)

The above deposits do not include cash on hand in the amount of \$725 for change funds as of June 30, 2025. The above total deposits include certificates of deposit of \$1,420,455 and deposits with trustees of \$1,118 as of June 30, 2025.

Note 3: Disaggregation of Receivable and Payable Balances

The accounts receivable of \$270,564 at June 30, 2025, consisted of student accounts receivable of \$394,805 which was reduced by an allowance for doubtful accounts of \$(124,241).

Other receivables of \$976,468 at June 30, 2025, consisted of:

Reimbursement from federal and state agencies for grants and contracts	\$	867,197
Vendor Receivables		2,898
Conference Center receivable		90,562
Accrued interest receivable		2,526

Due from the Internal Revenue Service		13,273
Total	\$	<u>976,468</u>

The accounts payable and accrued liabilities of \$638,421 at June 30, 2025, consisted of:

Due to Vendors	\$	574,610
Salaries and benefits payable		4,857
Accrued interest payable		42,417
Unclaimed property payable to the state		16,536
Total	\$	<u>638,420</u>

Note 4: Income Taxes

South Arkansas College is tax exempt under the Internal Revenue Service Code. It is also exempt from state income taxes under Arkansas law. Accordingly, no provision for income taxes is made in the financial statements.

Note 8: Other Post-Employment Benefits

For Other Post-Employment Benefits (“OPEB”) plans that are administered through trusts or equivalent arrangements, Governmental Accounting Standards Board (GASB) Statement No. 74, “Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans,” (GASB 74) replaces Statements No. 43 and No. 57. GASB 74 establishes standards of financial reporting and specifies the required approach for measuring the liability of employers for benefits provided through the OPEB plan, and deals primarily with the plan’s own financial statements. GASB Statement No. 75, “Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions” (GASB 75) replaces Statements No. 45 and No. 57, and establishes standards for accounting and financial reporting for the sponsor’s financial statements.

Plan Description: The College’s defined benefit postemployment healthcare plan, provides health insurance benefits to eligible retired College employees. The plan is affiliated with the Arkansas Higher Education Consortium (AHEC), an agent multiple-employer postemployment healthcare plan administered by J.P. Farley. The College has the authority to amend or cancel the benefit provisions of the plan. An employee must retire directly from active employment. If they are age 55 and have at least 15 years full-time service, they can continue their medical insurance coverage, until they are eligible for Medicare. The College pays a percentage of the premium, based on the person’s age plus service when they retire. If age plus service equals 70, the percentage is 25%. For 71, the percentage is 30%, in 5% increments, up to 100% when the person’s age plus service equals 85.

The Plan does not issue a stand-alone financial report. For inquiries relating to the Plan, please contact the Office of Human Resources, South Arkansas College, P. O. Box 7010, El Dorado, Arkansas 71731-7010.

This report covers the plan fiscal year ended June 30, 2025, and the sponsor’s fiscal year ended June 30, 2025, using an actuarial valuation date of June 30, 2025. The results for the year ended June 30, 2025, and expenses for 2024-25, are based on a “roll forward” of June 30, 2024 valuation. The measurement date for this fiscal period is June 30, 2025. The plan is a “single-employer” defined benefit OPEB program under GASB 74 and 75.

Note 8: Other Post-Employment Benefits (continued)

The College's employees covered by the benefits terms at June 30, 2025 were as follows:

Active employees	127
Inactive employees receiving benefit payments	<u>2</u>
Totals	129

No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement no. 75 (Per GASB Paragraph 165(d)).

The total OPEB liability in the June 30, 2025 actuarial valuation was determined using the following actuarial assumptions and cost methods:

COST METHOD: The entry age normal method was used.

A single discount rate of:

3.13% at 6/30/2017

2.98% at 6/30/2018

2.79% at 6/30/2019

2.66% at 6/30/2020

2.18% at 6/30/2021

4.09% at 6/30/2022

4.13% at 6/30/2023

4.21% at 6/30/2024

4.81% at 6/30/2025

DISCOUNT RATE:

HEALTH CARE COST

TREND RATE:

The health care cost trend rate was assumed to be 8.0% next year, 7.5% the following year, 7.0% the third year, 6.5% the fourth year, with the rate decreasing by 0.5% each year, to an ultimate rate of 5.0%.

INFLATION RATE:

The discount rate, and the health care cost trend rate incorporate an assumed annual inflation rate of 3.00%.

BASE CLAIM COSTS:

The following monthly claim costs were assumed:

Premium	\$ 584.00
Implicit Subsidy	494.67
Total retiree cost	1,078.67

Using the selected monthly claim cost above, costs were determined by age band using Chart 5 and Table 5 from "Health Care Cost – From Birth to Death", published by the Society of Actuaries and prepared by Dale H. Yamamoto in June 2013:

Age Band

50 to 54	\$ 646.82
55 to 59	840.52
60 to 64	1,078.67

Note 8: Other Post-Employment Benefits (continued)

SOURCE OF CLAIM COSTS:

The actuary reviewed active and retiree claim cost from other public entities in Arkansas. The difference between active and retiree costs was used as one basis for the implicit subsidy.

Another basis for the implicit subsidy was calculated using “Health Care Cost – From Birth to Death”, published by the Society of Actuaries and prepared by Dale H. Yamamoto in June 2013. From Chart 5 of this publication (the Unisex Cost Curve by Age for 2010) we estimated the implicit subsidy.

The table below shows the estimates and the cost selected:

Cost per other Arkansas public entities	\$ 1,168.63
Cost from “unbundling” using “Health Care Cost – From Birth to Death”	\$ 988.71
Selected Cost	\$ 1,078.67

ADMINISTRATIVE COSTS:

None assumed.

FAMILY COVERAGE:

The actuary assumed that the sponsor would provide single coverage only.

SELECTION OF COVERAGE:

The actuary assumed that 80% of eligible retirees would select the coverage when they initially retired, and that 0% of them would continue it past age 65.

DATA USED:

The actuary received a census listing from South Arkansas College. The data is summarized above.

PRE-RETIREMENT MORTALITY:

Deaths have been projected using the Pub-T 2010 Mortality Table (headcount basis), projected generationally with Scale MP 2020. Mortality rates at a few sample ages are:

<u>Age</u>	MORTALITY RATE PER 100

**VOLUNTARY
TERMINATIONS:**

We have generally used the voluntary termination assumption used by the Arkansas Teachers Retirement System. Termination at some sample ages age:

<u>Age</u>	<u>Termination Rate Per 100 Members</u>
20	4.60
25	4.84
30	4.40
35	3.10
40	2.20
45	2.00
50	2.00
55	5.00

For those with less than five years of service, we used a multiple of the above rates. The multiples used were:

1 st year of service	4.0
2 nd year of service	2.5
3 rd year of service	2.0
4 th year of service	1.5

Note 8: Other Post-Employment Benefits (continued)

Changes in the net OPEB liability for the year ending June 30, 2025 are as follows:

1	Service Cost change	\$ 56,093
2	Interest on Net OPEB Obligation	33,797
3	Difference between expected and actual experience	(249,594)
4	Employer Contributions	<u>(10,040)</u>
5	Annual OPEB Cost (1)+(2)-(3)-(4)	\$ (169,744)
6	Plan assumption changes	<u>(30,399)</u>
7	Increase in Net OPEB Obligation (5)-(6)	\$ (200,143)
8	Net OPEB Obligation Beginning of Year	\$ 779,755
9	Net OPEB Obligation End of Year	<u>\$ 579,612</u>

Changes in assumptions and other inputs reflect a change in the discount. The prior full valuation used a discount rate of 4.21%. The current full valuation uses a discount rate of 4.81% as of June 30, 2025.

Single Discount Rate

A single discount rate of 4.81% was used to measure the Total OPEB Liability.

Regarding the sensitivity of the Net OPEB Liability to changes in the single discount rate, and changes in the assumed health care cost trend rate, the following presents the net OPEB liability, calculated using a single discount rate of 4.81%, as well as what the net OPEB liability would be if it were calculated using a single discount rate that is 1-percentage point lower or 1-percentage point higher, or using a health care cost trend rate that is 1-percentage point lower or 1-percentage point higher:

	<u>1% Decrease to 3.81%</u>	<u>Current Single Discount Rate of 4.81%</u>	<u>1% Increase to 5.81%</u>
Total OPEB Liability	<u>\$ 627,924</u>	<u>\$ 579,612</u>	<u>\$ 529,177</u>
	<u>1% decrease in HCCTR</u>	<u>Assumed HCCTR</u>	<u>1% increase in HCCTR</u>
Total OPEB Liability	<u>\$ 511,643</u>	<u>\$ 579,612</u>	<u>\$ 677,837</u>

For the year ended June 30, 2025, the sponsor recognized OPEB expense of \$35,528. At June 30, 2025, the sponsor reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Note 9: Retirement Plans

Teachers Insurance and Annuity Association/College Retirement Equities Fund (TIAA/CREF)

Plan Description. South Arkansas College participates in TIAA/CREF, a defined contribution plan. The plan is a 403(b) program as defined by Internal Revenue Service Code of 1986 as amended, and administered by TIAA/CREF. TIAA is an insurance company offering participants a traditional annuity with guaranteed principal and a specific interest rate plus the opportunity for additional growth through dividends. CREF is an investment company that offers a variable annuity. Arkansas law authorizes participation in the plan.

Funding Policy. TIAA/CREF offers contributory plans and members may contribute 6 – 10% of their gross earnings to the plan. The College contributes 10% of employees' earnings for contributory members. Additionally, employees may elect to participate in supplemental retirement plans funded totally by the individual. The College's and participant's contributions for the year ended June 30, 2025 were \$364,297 and \$327,066 and for the year ended June 30, 2024 were \$382,309 and \$345,880, respectively.

Arkansas Teacher Retirement System

Summary of Significant Accounting Policies

Pensions: For purposes of measuring net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Arkansas teacher Retirement System (ARTS) and additions to and deductions from ARTS fiduciary net position have been determined on the same basis as reported by ARTS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Plan Description. South Arkansas College contributes to the Arkansas Teacher Retirement System (ATRS), a cost sharing multiple-employer defined benefit pension plan for certain employees. ATRS, administered by a Board of Trustees, provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit and contribution provisions are established by State law and can be amended only by the Arkansas General Assembly. The Arkansas Teacher Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for ATRS. That report may be obtained by contacting the Arkansas Teacher Retirement System, 1400 West Third Street, Little Rock, AR 72201 or by calling 501-682-1517.

Members are eligible for full retirement benefits at age 60 with five or more years of actual or reciprocal service or at any age with 28 or more years of credited service. Members with 25 years of credited service who have not attained age 60 may receive an annuity reduced by 10/12 of 1% multiplied by the number of months by which the early retirement precedes the earlier of (1) completion of 28 years of credited service or (2) attainment of age 60. The normal retirement benefit, paid monthly, is determined based on (1) the member's final average salary and (2) the number of years of service. Disability retirement benefits are payable to members who are vested and demonstrate total and permanent incapacity to perform the duties of their position while in active employment. The disability annuity is computed in the same manner as the age and service annuity. Survivor benefits are payable to qualified survivors upon the death of an active, vested member. Eligible spouse survivors receive a survivor annuity that is based on the member's years of service credit prior to their death, and minor child survivors receive a percentage of the member's highest salary earned. A lump sum death benefit is provided for active and retired members with ten years of actual service. A cost of living adjustment (COLA) is payable on July 1 of each year to retirees, certain survivors, and annuity beneficiaries who received monthly benefits for the previous 12 months. The COLA is determined by multiplying the member's base retirement annuity by 3%.

Note 9: Retirement Plans (continued)

Contributions. Arkansas Code Title 24 establishes the contribution requirements of active members and participating employers. Contribution rates for each plan are as follows:

The funding policy of ATRS provides for periodic employer contributions at statutorily established rates based on annual actuarial valuations. For the fiscal year ended June 30, 2025, the employer contribution rate was 15% of covered employee payroll. Contributions to ATRS from the College were \$288,159 for the year ended June 30, 2025 and \$280,370 for the year ended June 30, 2024.

ATRS has contributory and noncontributory plans. The contributory plan has been in effect since the beginning of the plan. Contributory members of ATRS contribute 6.75% of their gross wages. The noncontributory plan began July 1, 1986. Effective July 1, 1999, all new members, including any former active members, were automatically enrolled as noncontributory members. Active members as of July 1, 1999 were allowed to make an irrevocable choice between the contributory or noncontributory plan. Employee contributions are refundable if covered employment terminates before a monthly benefit is payable.

Arkansas Public Employees Retirement System

Summary of Significant Accounting Policies

Pensions: For purposes of measuring net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Arkansas Public Employees Retirement System (APERS) and additions to and deductions from APERS fiduciary net position have been determined on the same basis as reported by APERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Plan Description. South Arkansas College contributes to the Arkansas Public Employees Retirement System (APERS), a cost-sharing multiple-employer defined benefit pension plan. Employees may elect coverage under APERS as a qualified retirement system. APERS, administered by a Board of Trustees, provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by State law and can be amended only by the Arkansas General Assembly. The Arkansas Public Employees Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for APERS. That report may be obtained by contacting the Arkansas Public Employees Retirement System, 124 W. Capitol, Suite 400 Little Rock, AR 72201 or by calling 1-800-682-7377.

The normal retirement benefit, paid on a monthly basis, is determined based on (1) the member's final average compensation (an average of the highest 36 months' earnings) and (2) the number of years of credited service. Retiree benefit increases are calculated each year on July 1 for the following 12 months. The redetermined amount is the amount of the benefit payable as of the immediately preceding July 1, increased by 3%. Members are eligible for full retirement benefits (1) at any age with 28 years of credited service; (2) at age 65 with five years of actual service, except for members of the General Assembly who must have 10 years of actual service if the member only has service as a member of the General Assembly; or (3) at age 55 with 35 years of credited service as an elected official or public safety member. Members are eligible for reduced benefits (1) at any age with at least 25 years but less than 28 years of actual service; or (2) at age 55 with five years of actual service. Members who are defined as a public safety member are eligible for a reduced benefit with five years of actual service if the member is within 10 years of normal retirement age.

Note 9: Retirement Plans (continued)

Contribution provisions applicable to the participating employers are established by the APERS' Board of Trustees and should be based on an independent actuary's determination of the rate required to fund the plan. The General Assembly and certain agencies employing individuals in public safety positions must also remit additional amounts. For the fiscal year ended June 30, 2025, the employer contribution rate, as a percentage of active member payrolls, was 15.32%. Contributions to APERS from the College were \$184,005 for the year ended June 30, 2025 and \$197,196 for the year ended June 30, 2024.

APERS consists of both a contributory plan and a noncontributory plan. The contributory plan has been in effect since the beginning of the plan and is available to all persons who became members prior to January 1, 1978. The noncontributory plan was created by Act 793 of 1977 and was effective January 1, 1978. It automatically applied to all members hired from January 1, 1978, to June 30, 2005. Act 2084 of 2005 requires that, beginning July 1, 2005, all new hires become contributory members and are required to contribute 5% of their earnings to APERS. All other noncontributory members were given the opportunity to become contributory if they so elected by December 31, 2005.

During a member's participation in the APERS deferred retirement option plan (DROP), the employer continues to make contributions and the employee ceases to make contributions.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2025, the College reported liabilities of \$3,685,047 for its proportionate share of the net pension liabilities. The net pension liabilities were measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability for each plan was determined by actuarial valuations as of that date. The College's proportion of the net pension liability was based on current contributions of all participating employers. At June 30, 2024, the College's proportion was .0505% for ATRS and .0612% for APERS.

SOUTH ARKANSAS COLLEGE
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2025

Note 9: Retirement Plans (continued)

For the year ended June 30, 2025, the College recognized pension expense of \$477,761. For the year ended June 30, 2025, South Arkansas College reported deferred outflows of resources and deferred inflows of resources related to pensions as follows:

	ATRS		APERS	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 63,088	\$ 1,519	\$ 59,060	\$ (62,222)

Note 9: Retirement Plans (continued)

Actuarial assumptions. The total pension liability in the actuarial valuation (as of the date noted below) was determined using the following actuarial assumptions, applied to all periods included in the measurement:

	ATRS	APERS
Date of Actuarial Valuation	June 30, 2024	June 30, 2024
Inflation Rate	2.75%	3.25%
Salary Increases	2.75% - 5.75%	3.25% - 9.85%
Investment rate of return	7.25%	7.15%
Mortality rates	PUB-2010 Healthy Retired, General Disabled Retiree, and General Employee Mortality weighted tables were used for males and females. Mortality rates were adjusted for future mortality	RP-2006 weighted generational mortality tables for healthy annuitant, disability, or employee death in service, as applicable. The tables applied credibility adjustments of 135% for males and 125% for females and were adjusted for fully generational mortality improvements using Scale MP-2017.
Actuarial experience study dates	July 1, 2015 through June 30, 2020	July 1, 2012 through June 30, 2017

ATRS

The long-term expected rate of return on pension plan investments of each plan was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return were adopted by the plan's trustees after considering input from the plan's investment consultant and actuary.

APERS

The long-term expected rate of return on pension plan investments of each plan was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for the 10-year period from 2024-2033 were provided by the plan investment consultant.

For each major asset class that is included in each pension plans' target asset allocation as of June 30, 2024, these best estimates are summarized in the following table:

Note 9: Retirement Plans (continued)

	ATRS	
	Target Allocation	Long-Term Expected Real Rate of Return
Total Equity	48.00%	4.70%
Fixed Income	20.00%	2.40%
Alternatives	5.00%	4.50%
Real Assets	15.00%	4.60%
Private Equity	12.00%	6.90%
Cash Equivalents	0.00%	1.80%

	APERS	
	Target Allocation	Long-Term Expected Real Rate of Return
Broad Domestic Equity	39.00%	5.03%
International Equity	17.00%	6.34%
Real Estate	16.00%	4.51%
Private Equity	5.00%	9.00%
Hedge Funds	2.00%	3.63%
Domestic Fixed	21.00%	3.38%

Discount rate. The discount rate for each plan was determined as follows:

APERS

The single discount rate was based on the expected rate of return on pension plan investments of 7.00%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments.

ATRS

The single discount rate was based on the expected rate of return on pension plan investments of 7.25%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be 14.75% of payroll. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments.

Note 9: Retirement Plans (continued)

Sensitivity of State's proportionate share of the net pension liability to changes in the discount rate. The following presents the State's proportionate share of the net pension liability for each plan calculated using the discount rate stated above, as well as what the State's proportionate share of net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	1% Decrease	Current Discount Rate	1% Increase
ATRS - Current Discount Rate 7.25%	\$ 3,847,072	\$ 2,163,192	\$ 767,272
APERS - Current Discount Rate 7.00%	\$ 2,596,833	\$ 1,521,855	\$ 635,615

Pension plan fiduciary net position. Detailed information about each pension plan's fiduciary net position is available in the separately issued financial report of each plan. The total pension expense for both plans, recorded in personal services expenditures, for the fiscal year ended June 30, 2025, recorded as individual plan expense was \$139,537 for APERS and \$338,224 for ATRS.

Note 10: Natural Classifications with Functional Classifications

The operating expenses by functional classification were as follows:

Total scholarships for fiscal year 2024/2025 were \$4,333,792; however, \$2,840,506 was reported as scholarship allowances on the Statement of Revenues, Expenditures, and Changes in Net Position.

Note 11: South Arkansas Arboretum

The College entered into an agreement with the Arkansas Department of Parks, Heritage, and Tourism, State Park Division (DPHT) authorizing the College to operate and maintain the South Arkansas Arboretum. The property, on which the Arboretum is located, was leased by the DPHT from the El Dorado School District. The operating agreement with the DPHT was dated, May 20, 1994, for 20 years with an option to renew the term for an additional five years upon agreed conditions. The first renewal for the additional five years was signed May 20, 2014. The second renewal was signed April 18, 2019 for an additional three years. The third renewal was signed May 20, 2022 for an additional two years. The fourth renewal was signed May 5, 2024 for an additional five years. The College agrees to assume all costs necessary, except utilities, to construct, maintain and operate the Arboretum. The College is allowed to terminate the agreement should the institution be unable to meet its financial obligations as stated in the agreement.

Note 12: Donor-Restricted Endowment

The computations, of net appreciation on investments of donor-restricted endowments that are available for authorization for expenditure, are as follows:

Total Endowments at June 30, 2025	\$ 489,211
Less: Non-Expendable Portion of True Endowments	<u>454,899</u>
Donor-Restricted Endowments Available for Expenditure	\$ 34,312

Arkansas Code Annotated § 28-69-804 states "Subject to the intent of a donor expressed in the gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless stated otherwise in the gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution."

The college follows the Federal regulations relating to the Title III Endowment Fund.

Note 13: Risk Management

The College is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets; errors and omissions, injuries to employees; and natural disasters.

The College participates in the Arkansas Fidelity Bond Trust Fund administered by the Government Bonding Board. The fund provides coverage of actual losses incurred as a result of fraudulent or dishonest acts committed by state officials or employees. Each loss is limited to \$300,000 with a \$2,500 deductible. The Department of Finance and Administration withholds the premium from the College's state treasury funds.

The College participates in the Arkansas Multi-Agency Insurance Trust Fund (AMAIT) for insurance coverage for property and vehicles. In its administrative capacity, AMAIT is responsible for monitoring, negotiating, and settling claims that have been filed against its members. The College pays annual premiums for buildings, contents, and vehicles.

Note 13: Risk Management (Continued)

The College also participates in the Arkansas Employees Claims Division – Worker’s Compensation Program under the Arkansas Department of Insurance. The program is responsible for obtaining and administering workers’ compensation insurance coverage for its members, as well as obtaining reinsurance coverage for those claims that exceed the standard policy limits. In its administrative capacity, the Division is responsible for monitoring, negotiating, and settling claims that have been filed on behalf of and against the College. The College contributes quarterly to this program.

The College carries professional liability insurance to protect the trustees of the College. The limits of liability for each claim shall be not less than \$1,000,000 with a \$10,000 deductible. An annual premium is paid for this coverage.

The College carries commercial liability insurance for students participating in the Allied Health Professions instruction while in a clinical setting. The College pays an annual premium for this coverage, offset by a portion of the premium paid as a fee by these respective students.

Settled claims have not exceeded the insurance coverage in any of the past three fiscal years. There were no significant reductions in insurance coverage from the prior year in the major categories of risk.

Note 14: Convention Center/Student Services Building

On January 1, 2025, the College renewed the lease and operating agreement with the City of El Dorado, Arkansas on a Convention Center/Student Services Building. The College is responsible for general and operating expenses of the Conference Center facility. If such expenses for the operation exceed gross revenues from the conference center, the College will fund the first \$175,000 of annual expenses over gross revenue. If annual expenses over gross revenue exceed \$175,000, the City will fund any difference up to \$60,000. The College and the City will share equally any expenses over gross revenue in excess of \$235,000. The lease is for three years and will terminate on December 31, 2027.

Note 15: Title III Program Endowment Fund Campaign

The Title III Grant Program included \$341,000 designated for the College to establish an endowment fund for expenditures related to educational purposes. The College has the opportunity to receive the funding if nonfederal contributions can be used to match the federal funding dollar-for-dollar during the five year Title III Grant period.

Title III endowment funds can be used for educational purposes. For the year ended June 30, 2025, endowment funds were deposited in an interest-bearing account. Contributions, matching, and investment income are as follows:

Note 15: Title III Program Endowment Fund Campaign (Continued)

	Interest	Contribution	Matching	Total	Expendable Interest 50%

The College's spending policy is:

As set forth in the Department of Education's Endowment Grant program, the College must invest and may not spend the endowment corpus for the 20-year grant period (at the conclusion of the grant period the College may use endowment fund corpus and all of the endowment fund income for any educational purposes). During the 20-year grant period the College may spend up to 50% of the endowment fund income prior to the date of expenditure. Allowable expenditures include costs necessary to operate the Institution, costs to administer and manage the endowment fund and costs associated with buying and selling securities.

For purposes of calculating the amount that may be expended, endowment fund income is determined by subtracting the total value of the endowment fund from the endowment fund corpus and the aggregate amount of the previously withdrawn endowment fund income.

State law allows a governing board to expend a portion of the net appreciation in the fair value of the assets over the historic dollar value of the fund unless the applicable gift document state otherwise. State law stipulates that such expenses are to be for the purpose for which the endowment funds were established.

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.
