## About Vericel

**Vericel**, headquartered in Cambridge, MA, is a commercial-stage leader in cell-based therapies and specialty biologics designed for use in treating multiple conditions. The company's autologous cell therapy offerings, MACI and Epicel, offerings address the regenerative sports and severe burn medicine markets. Additionally, through an exclusive license agreement with MediWound, VCEL plans to further expand the burn care franchise with NexoBrid, a biologic with orphan status granted in 4Q22.
