

Banks & the Blockchain

Expert Call with David Mansfield & Joe Mancini from BankProv

AUGUST 16, 2021 | 1:30PM ET

Stephens is hosting a conference call for institutional investors with David Mansfield and Joe Mancini, CEO and COO of PVBC, an Amesbury, Mass bank offering cryptocurrency-related products and services. We will look to learn more about their services in this arena, partnerships, growth potential and potential outcomes for both customers and shareholders.

About the Company & Speakers

David Mansfield and Joe Mancini operate as CEO and COO of The Provident Bank, a \$1.6 billion in asset bank, based out of Amesbury, Massachusetts. Recently, BankProv has engaged the cryptocurrency industry, with the website noting "BankProv proudly offers full-service USD banking products for crypto native and related businesses" with services including crypto backed lending options, a full API banking suite, a range of payment solutions. The bank has also recently partnered with Anchorage Digital, allowing Anchorage to deliver quality loan products to their institutional clients, backed by Ethereum.

Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.

August 16, 2021 | 1:30PM ET

Topics of Discussion

- Discuss BankProv's decision to enter the crypto segment and what the ultimate goals are.
- Discuss the products/services potentially offered (deposits, loans, custody).
- Discuss recent partnerships, especially with Anchorage Digital (a digital asset platform) and potential outcomes.
- What is the value proposition to both customers and shareholders from entering this space and offering services.
- View on cryptocurrency, stablecoin and blockchain adoption and use cases (long term impacts).
