

Stephens is hosting a conference call for institutional investors with WAB's CEO (Rafael Santana) and CFO (Pat Dugan) to discuss recent trends in the business and the long term strategy.

### About Featured Speakers

Rafael Santana has served as President and CEO of Wabtec since July 2019. He was previously President & CEO of GE Transportation, a unit of General Electric company, where he significantly expanded the company's regional footprint and built strong overhaul and modernization capabilities and backlog through multi-year programs. Prior to that role, he held roles as President & CEO of GE in Latin America and President & CEO of the Turbomachinery Solutions Business of GE Oil & Gas. Prior to joining GE in 2000, he worked for six years at ExxonMobil and British American Tobacco.

Pat Dugan has served as CFO of Wabtec since 2014. He has been with the company since 2003, and prior to his appointment as CFO, he served as SVP, Finance and Corporate Controller. Prior to joining Wabtec, he was CFO of CWI International and also spent over 8 years at PwC.

**Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.**
