

Conference Call

Conference Call with the CEO
(Richard Danforth) & CFO
(Dennis Klahn) of Genasys (GNSS)

Thursday, June 11 at 2:00 p.m. ET/1:00 p.m. CT

Hear from a top Everbridge competitor on its Public Warning and Mass Notification market opportunities. 1x1 slots are also available for a deeper dive with management.

About Genasys, Inc.

Genasys

Genasys™ provides a multi-channel approach to deliver geo-targeted alerts, notifications, instructions and information before, during and after public safety threats and critical business events. The Company's unified critical communications platform includes its National Emergency Warning System (NEWS), Personal Safety Service (PSS), Team Safety Management (TSM), LRAD® systems and more. Genasys is a global provider of critical communications solutions to help keep people safe. Genasys systems are in service in 72 countries around the world in diverse applications, including public safety, national emergency warning systems, mass notification, defense, law enforcement, critical infrastructure protection and many more. For more information, visit genasys.com.

Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.

Thursday, June 11 at 2:00 p.m. ET/1:00 p.m. CT

Topics of Discussion

- How is Genasys positioned in the U.S. emergency management market?
- What is the plan to add future capabilities to compete with Everbridge?
- How is the company transitioning to a software-focused model?
- Does COVID-19 accelerate or delay Public Warning RFPs/deployments?
- How are telecom providers deciding between the Public Warning vendors?
