

NEW ISSUE**BOOK-ENTRY ONLY**

In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Series 2021 Bonds is excludable from gross income for federal income tax purposes, subject to the condition that the County comply with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Series 2021 Bonds, and the Series 2021 Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxes. In the opinion of Bond Counsel, interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax and the Series 2021 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code. See LEGAL MATTERS, Tax Exemption herein.

OUACHITA COUNTY, ARKANSAS
SALES AND USE TAX REFUNDING BONDS
SERIES 2021

INTRODUCTION TO OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the Series 2021 Bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and exhibit hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of Ouachita County, Arkansas (the "County") is furnished in connection with the offering by the County of its \$2,210,000 principal amount of Sales and Use Tax Refunding Bonds, Series 2021 (the "Series 2021 Bonds"). The Series 2021 Bonds are being issued to current refund the County's Sales and Use Tax Refunding Bonds, Series 2015 (the "Bonds Refunded"), partially fund a debt service reserve and pay expenses of issuing the Series 2021 Bonds. See **THE SERIES 2021 BONDS, Sources and Uses of Funds.**

The County is a county duly organized under the laws of the State of Arkansas (the "State"). The County is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purpose. See **THE COUNTY.**

The Series 2021 Bonds are not general obligations of the County but are special obligations payable solely from collections from a 1% sales and use tax (the "Tax") levied by the County. The pledge in favor of the Series 2021 Bonds is on a parity with the pledge in favor of the County's Sales and Use Tax Refunding Bonds, Series 2019 (the "Parity Bonds"). See **THE TAX** and **THE SERIES 2021 BONDS, Security.** The Tax is levied under Ordinance No. 2007-028 of the County adopted October 23, 2007 (the "Tax Ordinance"). The issuance of the indebtedness represented by the Bonds Refunded and the pledging of the Tax to the payment of the principal of and interest on that indebtedness was approved at a special election held February 5, 2008. The Series 2021 Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 2014-017 of the County, adopted on June 2, 2014 and Ordinance No. 2020-030 of the County, adopted on December 8, 2020 (collectively, the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE.**

The Series 2021 Bonds will be initially issued in book-entry form and purchasers of Series 2021 Bonds will not receive certificates representing their interest in the Series 2021 Bonds purchased. See **THE SERIES 2021 BONDS, Book-Entry Only System.** The Series 2021 Bonds will contain such other terms and provisions as described herein. See **THE SERIES 2021 BONDS, Generally.**

The County has reserved the right in the Authorizing Ordinance to issue additional bonds on a parity of security with the Series 2021 Bonds (the "Additional Parity Bonds").

The Series 2021 Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or any integral multiple thereof. Interest is payable August 1, 2021 and semiannually thereafter on each February 1 and August 1. Payment of principal of the Series 2021 Bonds will be made to the owners of the Series 2021 Bonds at the principal office of Bank OZK in Little Rock, Arkansas, as trustee and paying agent (the "Trustee"). Interest is payable by check mailed by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Series 2021 Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Series 2021 Bond may be transferred, in whole or in part

(in integral multiples of \$5,000), but only upon delivery of the Series 2021 Bond, together with a written instrument of transfer, to the Trustee. See **THE SERIES 2021 BONDS, Generally and Book-Entry Only System**.

The Series 2021 Bonds are subject to optional redemption on and after February 1, 2026. The Series 2021 Bonds are also subject to mandatory sinking fund redemption as described herein. The Trustee shall give at least thirty (30) days' notice of redemption. See **THE SERIES 2021 BONDS, Redemption**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Series 2021 Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax, (iii) the Series 2021 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended (the "Code") and (iv) the Series 2021 Bonds and interest thereon are exempt from all State, county and municipal taxes. See **LEGAL MATTERS, Tax Exemption**.

It is expected that the Series 2021 Bonds will be available for delivery on or about January 20, 2021, through the facilities of The Depository Trust Company in New York, New York.

The County and the Trustee have entered into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance and the Continuing Disclosure Agreement summarized herein are available upon request from Stephens Inc., 111 Center Street, Suite 1720, Little Rock, Arkansas 72201, Attention: Public Finance.

THE SERIES 2021 BONDS

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2021 Bond certificate for each maturity will be issued in the principal amount of the maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2021 Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021 Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the Series 2021 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the County or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2021 Bonds are required to be printed and delivered. The County may decide to discontinue use of the system of book-entry transfers

through DTC (or a successor securities depository). In that event, Series 2021 Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the County make any representation or warranty regarding the accuracy or completeness thereof.

So long as the Series 2021 Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Series 2021 Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Series 2021 Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The County and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Series 2021 Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of Series 2021 Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Series 2021 Bonds.

Generally. The Series 2021 Bonds are dated, mature and bear interest as set forth on the cover page hereof. The principal of the Series 2021 Bonds is payable upon presentation and surrender at the office of the Trustee. Payment of interest on the Series 2021 Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the County kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Series 2021 Bonds are issuable in the form of registered Series 2021 Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Series 2021 Bond is mutilated, lost or destroyed, the County shall, if not then prohibited by law, execute and the Trustee may authenticate a new Series 2021 Bond in accordance with the provisions therefore in the Authorizing Ordinance.

Each Series 2021 Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the office of the Trustee. Upon such transfer a new fully registered Series 2021 Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefore.

No charge shall be made to any owner of any Series 2021 Bond for the privilege of registration, but any owner of any Series 2021 Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Series 2021 Bond upon each exchange or transfer and any other expenses of the County or the Trustee incurred in connection therewith shall be paid by the County. Neither the County nor the Trustee shall be required to transfer or exchange any Series 2021 Bonds selected for redemption in whole or in part.

The person in whose name any Series 2021 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest of any Series 2021 Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2021 Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Series 2021 Bonds or the date fixed for redemption of any Series 2021 Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Series 2021 Bonds are subject to optional and mandatory sinking fund redemption as follows:

(1) Optional Redemption. The Series 2021 Bonds are subject to redemption at the option of the County, from funds from any source, on and after February 1, 2026 in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Series 2021 Bonds shall be called for redemption, the particular maturities of the Series 2021 Bonds to be redeemed shall be selected by the County in its discretion. If fewer than all of the Series 2021 Bonds of any one maturity shall be called for redemption, the particular Series 2021 Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(2) Mandatory Sinking Fund Redemption. To the extent not previously redeemed, the Series 2021 Bonds are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on August 1 in the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

After the date for redemption no further interest shall accrue on any Bond called for redemption if funds for redemption of such Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Notwithstanding the above, so long as the Series 2021 Bonds are issued in book-entry only form, if fewer than all the Series 2021 Bonds of an issue are called for redemption, the particular Series 2021 Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Series 2021 Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Trustee will not give any notice of redemption to the Beneficial Owners of the Series 2021 Bonds.**

Purposes for Series 2021 Bonds. The Series 2021 Bonds are being issued to refund the Bonds Refunded, partially fund a debt service reserve and pay costs of issuing the Series 2021 Bonds. A portion of the proceeds of the Series 2021 Bonds and other available funds will be deposited with the trustee for the Bonds Refunded and used to fully redeem the Bonds Refunded on February 1, 2021, at a redemption price of par plus accrued interest.

The sources and uses of funds to accomplish the refunding of the Bonds Refunded are estimated by the County as follows:

SOURCES:

The payment of Underwriter's discount and the costs of issuing the Series 2021 Bonds relating to the payment of professional fees will be contingent on the Series 2021 Bonds being issued. See **MISCELLANEOUS, Underwriting** for a description of the Underwriter's discount.

Security. The Series 2021 Bonds are not general obligations of the County but are special obligations, secured by a pledge of collections of the Tax ("Tax receipts"). The pledge of Tax receipts in favor of the Series 2021 Bonds is on a parity with the pledge in favor of the Parity Bonds. Tax receipts will first be used to pay the principal of and interest on the Parity Bonds, the Series 2021 Bonds and any Additional Parity Bonds when due, any arbitrage rebate due under Section 148(f) of the Code, and Trustee's and administrative fees and to maintain debt service reserves in the required amount. The balance of the Tax receipts will be released from the pledge in favor of the Parity Bonds, the Series 2021 Bonds and any Additional Parity Bonds and may be used by the County for any lawful purpose for which Tax receipts may be used. The Series 2021 Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see **THE AUTHORIZING ORDINANCE**.

A debt service reserve in the Bond Fund will be maintained in an amount equal to one-half of the maximum annual debt service requirement on the Series 2021 Bonds, the Parity Bonds and any Additional Parity Bonds (based on a year ending August 1). See **THE AUTHORIZING ORDINANCE, The Bond Fund**.

COVID-19 Disclosure. The World Health Organization has declared a pandemic following the global outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus. On March 13, 2020, President Trump declared a national emergency to unlock federal funds and assistance to help states and local governments fight the pandemic. Arkansas Governor Asa Hutchinson (the "Governor") has declared a state of emergency due to the outbreak of COVID-19 in the State. There have been significant declines in the financial markets in the United States and volatility attributed to concerns about the duration of the pandemic and its continued economic impact. If market declines and/or volatility continues, the ability to sell or trade securities in the financial markets could be materially constrained.

In an attempt to slow the spread of COVID-19 in the State, the Governor has taken numerous and wide-spread actions designed to mandate or encourage "social distancing." Developments with respect to COVID-19 and the State's responses to COVID-19 (including governmental mandates) continue to occur at a rapid pace, including on a daily basis, and the swift spread of the outbreak may continue to increase in severity for an unknown period of time.

The full impact of COVID-19 on the County is not known. The County has not experienced any major decreases in revenues or delays in collections of revenues; in fact, the County currently has a surplus in its general fund and expects revenues to remain steady for the 2021 fiscal year. Sales and use tax collections have increased. See **THE TAX, Historical Tax Receipts** herein. Furthermore, the County is not aware of any major businesses in the County that have closed due to COVID-19 that would have a materially adverse effect on sales and use tax collections or other revenues within the County. County officials do not foresee any future financial difficulties for the County as a result of COVID-19.

The County has made changes to its offices to protect employees and the general public. The County has installed protective barriers in its offices and is utilizing temperature screening and questionnaires in order to help slow the spread of COVID-19. The County has incurred approximately \$125,000 in COVID-related expenses, and the County has been allocated approximately \$820,000 in funding from the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act"). The County is currently applying to use its CARES Act allotment to reimburse itself for its COVID-related expenses.

THE COUNTY

Location. The County is located in the southwestern portion of the State. The county seat is Camden, which is located 98 miles southwest of Little Rock, Arkansas and 207 miles southwest of Memphis, Tennessee.

Population. The following table sets forth the population trend for the County since 1970.

<u>Year</u>	<u>Population</u>
1970	30,896
1980	30,541
1990	30,574
2000	28,790
2010	26,120
2019*	23,382

*Estimate as of July 1, 2019.

Transportation. The County is served by U.S. Highway Nos. 79 and 278. Several motor freight carriers and the Union Pacific Railroad make daily shipments from Camden to major cities across the United States.

A municipal airport in Camden, having a 6,500 foot, paved and lighted runway, serves public aircraft. The Port of Camden has loading facilities and a nine and a half foot channel that connects with the Mississippi River.

Government. The County is administered by a Quorum Court in which most of the legislative powers of the County are vested. THE TAX

Generally. The County has levied the Tax pursuant to the authority of Title 26, Chapter 74, Subchapter 2 of the Arkansas Code of 1987 Annotated and the Tax Ordinance, which is a tax within the County on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. The Tax went into effect on July 1, 2008.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by the State and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within one (1) year from the date of purchase or one (1) year from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax.

Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than \$100 per item), clothing accessories or equipment (which are less than \$50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday.

Set forth in Exhibit A attached hereto is a summary of certain provisions of the statutes authorizing the Tax. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Revenue Fund. See **THE AUTHORIZING ORDINANCE**, The Revenue Fund.

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the County, which activity is generally dependent upon economic conditions within the County and surrounding trade area. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the Tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The County has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the County cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the Series 2021 Bonds.

The United States Supreme Court held in *S. Dakota v. Wayfair, Inc.*, No. 17-494, 2018 WL 3058015 (U.S. June 21, 2018) that in certain circumstances retailers can be required to collect sales tax even in states where they have no physical presence. The Arkansas General Assembly passed Act 822 of 2019, which was signed by the Governor of the State on April 9, 2019, that requires out-of-state sellers without a physical presence in the State to collect and remit sales and use taxes to the State on annual sales of more than \$100,000 from products and services delivered into the State. Alternatively, such sellers would be required to collect and remit sales and use taxes to the State if sales of products and services for delivery in the State consist of 200 or more transactions. These thresholds are identical to those imposed by the United States Supreme Court in *S. Dakota v. Wayfair, Inc.*

THE AUTHORIZING ORDINANCE

Set forth below is a summary of certain portions of the Authorizing Ordinance. This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. The County will covenant as set forth below in the Authorizing Ordinance. **Unless the context clearly indicates otherwise, all references under this heading to the "Bonds" shall include the Series 2021 Bonds, the Parity Bonds and any Additional Parity Bonds.**

The Revenue Fund. The Trustee shall deposit all collections of the Tax as and when received into a special fund of the County in the Trustee heretofore created and designated "Sales and Use Tax Revenue Fund" (the "Revenue Fund"). There is created in the Revenue Fund the following accounts: Subordinate Bond Account and Surplus Revenues Account. Monthly collections of the Tax shall be deposited into the Subordinate Bond Account until there are sufficient funds to make the transfers set forth below. The balance shall then be deposited into the Surplus Revenues Account. Moneys in the Subordinate Bond Account shall, within five (5) days of receipt, be transferred to the following accounts each month, in the following order of priority:

- (1) 1/6 of the interest on the Bonds next due - Debt Service Account in the Bond Fund; and
- (2) 1/12 of the principal of the Bonds next due at maturity or upon mandatory sinking fund redemption - Debt Service Account in the Bond Fund; and
- (3) the Trustee's fees and expenses and other administrative expenses next due - Expense Account in the Bond Fund; and
- (4) any amount which may be necessary to increase the Debt Service Reserve Account to the required level - Debt Service Reserve Account in the Bond Fund; and
- (5) any amount necessary to pay any arbitrage rebate due under Section 148(f) of the Code - Expense Account in the Bond Fund.

The deposits made into the Debt Service Account in the Bond Fund shall be reduced in order to take into account as a credit (1) interest earnings, (2) accrued interest deposited therein from Bond proceeds, if any, (3) funds held in connection with the Bonds Refunded not needed to refund the Bonds Refunded and (4) transfers from the Debt Service Reserve Account.

Moneys in the Surplus Revenues Account in the Revenue Fund shall be released from the pledge and lien in favor of the Bonds. Moneys in the Surplus Revenues Account shall be transferred into such accounts as specified from time to time by the County and such funds may be used for any lawful purpose for which Tax collections may be used.

The Bond Fund. A special fund of the County in the Trustee designated "Sales and Use Tax Bond Fund, Series 2014" (the "Bond Fund") has heretofore been created for the purpose of providing funds for the payment of principal of and interest on the Bonds as they become due at maturity or at redemption prior to maturity, the Trustee's fees and expenses and other administrative expenses and any arbitrage rebate due under Section 148(f) of the Code. There is established in the Bond Fund the following accounts into which moneys from the Revenue Fund shall be deposited monthly: Debt Service Account; and Expense Account. A Redemption Account shall also be established in the Bond Fund. Moneys in the following Bond Fund accounts shall be used on each interest payment date in the following order of priority as and when necessary:

- (1) to pay the interest on the Bonds then due - Debt Service Account;

(2) to pay the principal of the Bonds then due at maturity or upon mandatory sinking fund redemption - Debt Service Account;

(3) to pay the Trustee's fees and expenses and other administrative expenses then due - Expense Account; and

(4) to redeem Bonds prior to maturity - Redemption Account.

In addition, moneys in the Expense Account in the Bond Fund shall be used to pay any arbitrage rebate under Section 148(f) of the Code.

There shall also be maintained in the Bond Fund a Debt Service Reserve Account in an amount equal to one-half of the maximum annual debt service requirement on the Bonds (based on a year ending August 1) (the "required level"). Moneys in the Debt Service Reserve Account shall be used to make the payments described in clauses (1) and (2) above if moneys in the Debt Service Account in the Bond Fund are not otherwise sufficient for that purpose. Moneys in the Debt Service Reserve Account over and above the required level shall be immediately transferred from the Debt Service Reserve Account into the Debt Service Account in the Bond Fund.

When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of and interest on the Bonds then outstanding, (2) the Trustee's fees and expenses and (3) any arbitrage rebate due under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Tax receipts remaining in the Bond Fund shall be transferred into such accounts as specified from time to time by the County and such funds may be used for any lawful purpose for which Tax collections may be used.

Investments. (a) Moneys held for the credit of the Debt Service Reserve Account in the Bond Fund shall be invested and reinvested in Permitted Investments, which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than seven (7) years after the date of investment or the final maturity date of the outstanding Bonds, whichever is earlier. The Trustee shall so invest and reinvest pursuant to the direction of the County and in the Trustee's discretion in the absence of any direct instructions from the County.

(b) Moneys held for the credit of the Bond Fund (other than the Debt Service Reserve Account) shall be invested and reinvested in Permitted Investments, which shall mature, or which shall be subject to redemption by the holder thereof at the option of the holder, not later than the date or dates on which the money shall be required for the payment of the principal of and interest on the Bonds when due. The Trustee shall so invest and reinvest pursuant to the direction of the County and in the Trustee's discretion in the absence of any direct instructions from the County.

(c) "Permitted Investments" are defined as (i) direct or fully guaranteed obligations of the United States of America ("Government Securities"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, including the Trustee, which are insured by the Federal Deposit Insurance Corporation ("FDIC") or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public funds or (iv) money market funds invested exclusively in Government Securities and the obligations described in (ii) above.

(d) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to such fund.

(e) Moneys so invested in Government Securities or in certificates of deposit of banks to the extent insured by FDIC need not be secured by the Trustee or the depository bank or banks.

(f) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face amount.

Certain Covenants. The County covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Bonds or Tax receipts directly or indirectly in such manner as to cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the proceeds of the Bonds in such manner as to cause the Bonds to be private activity bonds within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of the Tax, as therein specified and covenanted, the segregating of the Tax receipts and the applying of the Tax receipts as provided in the Authorizing Ordinance.

(d) It will make any arbitrage rebate payment due the United States Treasury under Section 148(f) of the Code from moneys in the Bond Fund.

Defaults and Remedies. If there be any default in the payment of the principal of and interest on the Bonds, or if the County defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of the owners of not less than 10% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the County and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 10% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

No remedy conferred upon or reserved to the Trustee or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

No delay or omission of the Trustee or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Defeasance. The Bonds shall be deemed paid when there has been deposited with the Trustee in the Bond Fund an amount sufficient to pay the principal or redemption price of and interest on the Bonds to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee (1) cash sufficient to make such payment and/or (2) Government Securities which are direct obligations of the United States of America maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. Any cash must be insured at all times by the FDIC or otherwise collateralized with Government Securities.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities. When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if any arbitrage rebate has been paid or provided for to the satisfaction of the Trustee, and if the Trustee been paid its fees and expenses or provision has been made therefore, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and canceled, (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds to be paid over or delivered to or at the direction of the County.

Additional Parity Bonds. The County covenants that it will not issue any bonds, or incur any obligation, secured by a lien on or pledge of the Tax receipts, except as hereinafter provided. The County may issue Additional Parity Bonds if Tax receipts for the preceding twelve consecutive months (such twelve-month period ending not less than 30 and not more than 90 days prior to the date that the Additional Parity Bonds are authorized by the Quorum Court of the County to be issued) are equal to or in excess of 125% of the maximum annual debt service requirements for all bonds secured by Tax receipts and the proposed Additional Parity Bonds. The County is also authorized to issue bonds or incur obligations secured by a lien on and pledge of the Tax receipts subordinate to the lien and pledge in favor of the Bonds.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the County and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the owners of not less than 10% in principal

amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the County and the owners of the Bonds. The majority in principal amount of the owners of the outstanding Bonds or the County, so long as it is not in default under the Authorizing Ordinance, may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, then the County shall forthwith designate a new Trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the County, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the County and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the adoption by the County of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding in connection with the issuance of Additional Parity Bonds or in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of Tax receipts superior to the pledge created by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

CONTINUING DISCLOSURE AGREEMENT

Past Compliance. The County is currently a party to continuing disclosure agreements in connection with its outstanding bonds. Over the past five years, the County has been in compliance in all material respects with its obligations pursuant to each continuing disclosure agreement.

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

(c) After the occurrence of a Listed Event (excluding an event described in (a)8 above), whether by notice from the Trustee or otherwise, the County shall file (or shall cause the Dissemination Agent to file), in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any other similar system that is acceptable to the Securities and Exchange Commission, with a copy to the Trustee (if the Trustee is not the Dissemination Agent). Each notice of the occurrence of a Listed Event shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. In the event of a Listed Event described in (a)8 above, the Trustee shall make the filing in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event.

Termination of Reporting Obligation. The County's obligations under the Continuing Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all the Series 2021 Bonds.

Dissemination Agent. The County may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the County pursuant to the Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the County and the Trustee may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2021 Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2021 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Series 2021 Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the Series 2021 Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the County shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the

case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the County. In addition, if the amendment relates to the accounting principles to be followed in preparing Financial Statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the Financial Statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the County from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the County chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the County shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the County or the Trustee to comply with any provision of the Continuing Disclosure Agreement, the Trustee, the County or any Beneficial Owner may (and the Trustee, at the request of the Underwriter or the Beneficial Owners of at least 25% aggregate principal amount of outstanding Series 2021 Bonds, shall) take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County or the Trustee, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed a default under the Authorizing Ordinance, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the County or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Trustee and Dissemination Agent and Right of Indemnity. The Dissemination Agent (if other than the Trustee) and the Trustee in its capacity as Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the County agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the County, the Trustee, the Dissemination Agent, the Underwriter and the Beneficial Owners and shall create no rights in any other person or entity.

DEBT SERVICE COVERAGE

Set forth below is the debt service coverage information. In arriving at the estimate of annual Tax receipts for this calculation, the County examined the collections of the Tax for the twelve-month period ended November 30, 2020.

Actual Tax receipts received by the County will depend upon, among other things, the level of retail activity within the County, the economic health of the County and surrounding trade area, possible future actions by the people of the State or the General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate and there can be no assurance that Tax receipts will equal the estimate shown below. See **THE TAX, Future Tax Receipts**.

Based upon the pledge of 100% of estimated Tax receipts, estimated debt service coverage is as follows:

Tax Receipts Available for Debt Service(A)	\$3,382,021
Maximum Annual Debt Service for Series 2021 Bonds and Parity Bonds(B)(1)	683,063
Estimated Coverage(A/B)	4.95x

(1)Based on a year ending August 1.

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Series 2021 Bonds, or questioning or affecting the legality of the Tax or Series 2021 Bonds or the proceedings and authority under which the Series 2021 Bonds are to be issued or questioning the right of the County to adopt the Authorizing Ordinance or to issue the Series 2021 Bonds or questioning the levy and pledge of the Tax by the County.

Legal Opinions. Legal matters incident to the authorization and issuance of the Series 2021 Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel.

Tax Exemption. In the opinion of Bond Counsel, under existing law, the interest on the Series 2021 Bonds is exempt from all Arkansas state, county and municipal taxes.

Also, in the opinion of Bond Counsel, interest on the Series 2021 Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the County comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2021 Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes.

These requirements generally relate to arbitrage and the use of the proceeds of the Series 2021 Bonds. Failure to comply with certain of such requirements could cause the interest on the Series 2021 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2021 Bonds. The County has covenanted in the Authorizing Ordinance to comply with all such requirements.

Prospective purchasers of the Series 2021 Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Series 2021 Bonds, (ii) interest on the Series 2021 Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Series 2021 Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Series 2021 Bonds.

Prospective purchasers of the Series 2021 Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2021 Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series 2021 Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

An exception allows a deduction of certain interest expenses allocable to "qualified tax-exempt obligations." The County has designated the Series 2021 Bonds as "qualified tax-exempt obligations" and has covenanted not to use the improvements refinanced by the Series 2021 Bonds and the proceeds of the Series 2021 Bonds in a manner which would cause the Series 2021 Bonds to be "private activity bonds," within the meaning of the Code, and has represented that the County and its subordinate entities have not and do not expect to issue more than \$10,000,000 of such tax-exempt obligations (other than private-activity bonds (excluding from that term "qualified 501(c)(3) bonds" under Section 145 of the Code)) during calendar year 2021.

Prospective purchasers of the Series 2021 Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code of 1987 Annotated. Subsection (b) states that Section 265(a) of the Internal Revenue Code is adopted for the purpose of computing Arkansas individual income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest "on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law." On December 8, 1993, the Arkansas Department of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

As shown on the cover page of this Official Statement, certain of the Series 2021 Bonds are being sold at an original issue premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal

income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2021 Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the Series 2021 Bonds from realizing the full current benefit of the tax status of such interest. On December 20, 2017, Congress passed The Tax Cuts and Jobs Act (the "Tax Legislation"), which, for tax years beginning after December 31, 2017, among other things, significantly changes the income tax rates for individuals and corporations, modifies the current provisions relative to the federal alternative minimum tax on individuals and eliminates the federal alternative minimum tax for corporations. The Tax Legislation or the introduction or enactment of any other legislative proposals or clarification of the Code or court decisions may affect, perhaps significantly, the market price for, or marketability of, the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors regarding any proposed or enacted federal or state tax legislation (including particularly, without limitation, the Tax Legislation), regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2021 Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the County and Stephens Inc., as underwriter (the "Underwriter"), the Series 2021 Bonds are being purchased at a price of \$2,206,077.35 (principal amount plus \$29,227.35 of original issue premium less \$33,150 of Underwriter's discount). The Agreement provides that the Underwriter will purchase all of the Series 2021 Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Series 2021 Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Series 2021 Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the County.

The Underwriter intends to offer the Series 2021 Bonds to the public initially at the offering prices set forth on the cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Series 2021 Bonds to the public. The Underwriter may offer and sell Series 2021 Bonds to certain dealers (including dealers depositing Series 2021 Bonds into investment trusts) at prices lower than the public offering price.

The County has agreed to indemnify the Underwriter against certain civil liabilities in connection with the offering and sale of the Series 2021 Bonds, including certain liabilities under federal securities laws.

Enforceability of Remedies. Rights of the registered owners of the Series 2021 Bonds and the enforceability of the remedies available under the Authorizing Ordinance may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Authorizing Ordinance resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

Information in Official Statement. Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the County and the purchasers or owners of any of the Series 2021 Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The execution of this Official Statement has been duly authorized by the County.
