About PagSeguro

PagSeguro Digital Ltd., together with its subsidiaries, provides financial technology solutions and services for consumers, individual entrepreneurs, micro-merchants, and small and medium-sized companies in Brazil and internationally. The company's products and services include PagSeguro Ecosystem, a digital ecosystem that operates as a closed loop where its clients are able to address their primary day to day financial needs, including receiving and spending funds, and managing and growing their businesses; PagBank digital account, which offers banking services through the PagBank mobile app; and Free PagSeguro digital account, which centralizes various cash-in options, functionalities, services, and cash-out options in a single ecosystem. It also offers online gaming and crossborder digital services. In addition, the company offers functionalities, and valueadded services and features, such as purchase protection mechanisms, antifraud platform, account and business management tools, and point of sale app. Further, it is involved in processing of back-office solutions, including sales reconciliation, and gateway solutions and services, as well as the capture of credit cards with acquirers and sub acquirers. Additionally, the company engages in the in-person payment activities through POS devices; and issuance of prepaid cards for spending or withdrawing account balances. It also operates an online platform that facilitates peer-to-peer lending. The company was founded in 2006 and is headquartered in São Paulo, Brazil. PagSeguro Digital Ltd. is a subsidiary of Universo Online S.A.
