Wednesday, August 26th at 10:00 a.m. ET/9:00 a.m. CT

Stephens is hosting a conference call for institutional investors with Øystein Hem (CFO) of Pexip.

About Pexip

Pexip is an end-to-end video conferencing platform that provides a feature-rich, easy-to-use, and flexibly deployed best in class video solution. Pexip customers have access to a high quality, video, voice, and chat platform that can replace legacy call control and video infrastructure with a single cloud video solution.

Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.

Wednesday, August 26th at 10:00 a.m. ET/9:00 a.m. CT

Topics of Discussion

- How is Pexip differentiated from other cloud video providers? What is its target customer set?
- How has activity and new user adoption picked up on Pexip during COVID?
- Has Pexip seen any change in customer behavior as global economies have opened up?
- How has your expansion into high impact markets (Telehealth, Video Banking) been affected since COVID?
- What does sales pipeline durability look like for 2H20 (coming off strong 2Q)?
