## About Porch Group, Inc.

Seattle-based Porch Group is a provider of software and services to more than 17,000 home services companies such as home inspectors, moving companies, real estate agencies, utility companies, and warranty companies. Through these relationships, its multiple brands and a “vertical software platform for the home”, Porch provides a moving concierge service to homebuyers, helping them save time and make better decisions on critical services, including insurance, moving, security, TV/internet, home repair and improvement, and more.
