Conference Call State of Cloud Communications During COVID-19

Thursday, April 2 at 2 p.m. ET/1 p.m. CT

Stephens is hosting a conference call for institutional investors. Please join us as Dave Michels, an industry veteran and a voice of truth in cloud communications, deep dives into the shifting remote work landscape due to the impact of COVID-19. Topics discussed will have relevance to 8x8 (EGHT), Five9 (FIVN), Slack (WORK), Twilio (TWLO), Vonage (VG) & Zoom (ZM).

About Featured Speaker Dave Michels

Dave Michels is Principal Analyst at <u>TalkingPointz</u>. TalkingPointz is a fantastic resource for cloud communications investors and offers commentary, research, and an enterprise comms monthly insider's report. Dave's unique perspective on enterprise communications and collaboration comes from a career involving communications and IT leadership positions at large and small companies.

Conference call date and time subject to change. To join the call or to obtain more information, please contact your Stephens sales representative.

Thursday, April 2 at 2 p.m. ET/1 p.m. CT

Topics of Discussion

- Are we experiencing a pivotal shift to cloud communications as a result of COVID-19?
- Will a meaningful percentage of U.S. workers remain work-from-home employees after COVID?
- What could the surge in Zoom/Slack users mean for their results and the future of collaboration?
- What is the future for artificial intelligence (AI) in unified communications and customer engagement?
- Which public/private companies are ripe for acquisition?
