INTRODUCTION TO OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and exhibit hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of the City of Tontitown, Arkansas (the "City") is furnished in connection with the offering by the City of its \$5,300,000 principal amount of Sales and Use Tax Bonds, Taxable Improvement Series 2022A (the "Series 2022A Bonds") and its \$11,470,000 principal amount of Sales and Use Tax Bonds, Refunding and Improvement Series 2022B (the "Series 2022B Bonds" and collectively with the Series 2022A Bonds, the "Bonds"). The Series 2022A Bonds are being issued for the purpose of financing all or a portion of the costs of a new fire station and any necessary furnishings and equipment and parking, street, lighting and utility improvements related thereto (the "2022A Improvements"), partially funding a debt service reserve, paying a portion of the premium for the Insurance Policy (as hereinafter defined) and paying expenses of issuing the Series 2022A Bonds. The Series 2022B Bonds are being issued for the purpose of refunding the City's Sales and Use Tax Refunding Bonds, Series 2013 (the "Bonds Refunded"), financing all or a portion of the costs of (a) extensions, betterments and improvements to the City's water system (the "Water Improvements") and (b) extensions, betterments and improvements to the City's sewer system (the "Sewer Improvements"), partially funding a debt service reserve, paying a portion of the premium for the Insurance Policy and paying expenses of issuing the Series 2022B Bonds.

The City is a city of the first class duly organized under the laws of the State of Arkansas (the "State") and is located in northwest Arkansas. The City is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes. See **THE CITY AND THE COUNTY**.

The Bonds are not general obligations of the City but are special obligations payable solely from the net collections of a 1% sales and use tax (the "Tax") levied by the City. See **THE TAX** and **THE BONDS, Security**. The Tax is levied under Ordinance No. 131, adopted August 24, 1999, as amended (collectively, the "Tax Ordinance"). The issuance of the Bonds and the pledging of the Tax to the payment of the principal of and interest on the Bonds was approved at a special election held on October 12, 2021. The Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 2021-12-972 of the City, adopted on December 14, 2021 (the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE**.

The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **THE BONDS, Book-Entry Only System**. The Bonds will contain such other terms and provisions as described herein. See **THE BONDS, Generally**.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or any integral multiple thereof. Interest is payable August 1, 2022, and semiannually thereafter on each February 1 and August 1. Principal is payable at the principal office of Regions Bank, Little Rock, Arkansas, as trustee and paying agent for the Bonds (the "Trustee"). Interest is payable by the Trustee by check or draft to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Bond may be

transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Trustee. See **THE BONDS, Generally**.

The scheduled payment of the principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy (the "Insurance Policy") to be issued by Assured Guaranty Municipal Corp. ("AGM" or the "Insurer") simultaneously with the delivery of the Bonds. A specimen municipal bond insurance policy is attached hereto as Exhibit B. It is expected that, based upon the issuance of the Insurance Policy to be issued by the Insurer at the time of delivery of the Bonds, S&P Global Ratings ("S&P") will assign a rating of "AA" (stable outlook) to the Bonds. However, there is no guarantee that such rating will be received. See **BOND INSURANCE and MISCELLANEOUS, Rating**. So long as the Insurer is not in default under the Insurance Policy, it is subrogated to, and may enjoy and exercise, all rights and remedies of the owners of the Bonds and may direct the Trustee in the exercise of any remedies set forth herein. No remedy set forth herein may be exercised by the Trustee or by any owner of any of the Bonds without the prior written approval of the Insurer. See **THE AUTHORIZING ORDINANCE, Defaults and Remedies**.

The Bonds of each series are subject to extraordinary redemption from proceeds of such Bonds not needed for the purposes intended and are subject to optional redemption on and after February 1, 2027. The Series 2022A Bonds and the Series 2022B Bonds maturing on February 1 in the years 2034, 2038, 2042, 2047 and 2052 are subject to mandatory sinking fund redemption as described herein. The Trustee shall give notice of redemption at least 30 days prior to the redemption date. See **THE BONDS, Redemption**.

The City has reserved the right in the Authorizing Ordinance to issue additional bonds on a parity of security with the Bonds ("Additional Parity Bonds"). See **THE AUTHORIZING ORDINANCE, Additional Bonds**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Series 2022B Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Series 2022B Bonds is not an item of tax preference for purposes of the federal alternative minimum tax, (iii) the Bonds and interest thereon are exempt from all State, county and municipal taxes and (iv) interest on the Series 2022A Bonds is includable in gross income for federal income tax purposes. See **TAX MATTERS**.

It is expected that the Bonds will be available for delivery on or about January 18, 2022, through the facilities of The Depository Trust Company in New York, New York.

The City and Regions Bank, as Dissemination Agent, will enter into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance and the Continuing Disclosure Agreement summarized herein are available upon request from Stephens Inc., 111 Center Street, Suite 1720, Little Rock, Arkansas 72201, Attention: Public Finance.

THE BONDS

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity and series will be issued in the principal amount of the maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This

eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the City make any representation or warranty regarding the accuracy or completeness thereof.

So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The City and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.

Generally. The Bonds are dated, mature and bear interest as set forth on the inside front cover page hereof. The principal of the Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the Bonds will be made to each registered owner thereof by check or draft by the Trustee to such owner at his address as such name and address appear on the registration book of the City kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Bonds are issuable in the form of registered Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Bond is mutilated, lost or destroyed, the City shall, if not then prohibited by law, execute and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity and series, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Bond for the privilege of registration, but any owner of any Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the City nor the Trustee shall be required to transfer or exchange any Bonds selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest of any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of

maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Bonds are subject to optional, extraordinary and mandatory sinking fund redemption as follows:

(1) Optional Redemption. (a) The Series 2022A Bonds are subject to redemption at the option of the City from funds from any source, on and after February 1, 2027, in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Series 2022A Bonds shall be called for redemption, the particular maturities to be redeemed shall be selected by the City in its discretion. If fewer than all of the Series 2022A Bonds of any one maturity shall be called for redemption, the particular Series 2022A Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(b) The Series 2022B Bonds are subject to redemption at the option of the City from funds from any source, on and after February 1, 2027, in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. In case any outstanding Bond is in a denomination greater than \$5,000, each \$5,000 of face value of such Bond shall be treated as a separate Bond of the denomination of \$5,000.

In the case of any redemption of Bonds prior to maturity, the Trustee shall mail or send via other standard means, including electronic or facsimile communication, a copy of the redemption notice to the registered owners of the Bonds to be redeemed, in each case not less than 30 nor more than 60 days prior to the date of redemption. After the date for redemption no further interest shall accrue on any Bond called for redemption if funds for redemption of such Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Purposes for Bonds. At the special election held October 12, 2021, there was approved the issuance of the Bonds in the maximum aggregate principal amount of \$17,450,000 for the following purposes:

- (a) refunding the Bonds Refunded (the "Refunding") - \$3,400,000;
- (b) 2022A Improvements - \$5,300,000
- (c) Water Improvements - \$4,325,000; and
- (d) Sewer Improvements - \$4,425,000.

The principal amount of the Series 2022A Bonds is allocated to the 2022A Improvements. The principal amount of the Series 2022B Bonds is allocated as follows: \$2,730,000 for the Refunding; \$4,320,000 for the Water Improvements; and \$4,420,000 for the Sewer Improvements. The remainder of the voter approved bonds will not be issued.

A portion of the proceeds of the Series 2022B Bonds and other available funds held in connection with the Bonds Refunded will be deposited with the trustee for the Bonds Refunded and used to accomplish the Refunding on the date the Series 2022B Bonds are issued at a price of par plus accrued interest.

The 2022A Improvements are expected to be completed by March 1, 2024. The Water Improvements and the Sewer Improvements (collectively, the "2022B Improvements") are expected to be completed by February 1, 2024.

The sources and uses of funds to accomplish the Refunding, the 2022A Improvements and the 2022B Improvements are estimated by the City as follows:

The payment of the Underwriter's discount, premium for the Insurance Policy and the fee of Bond Counsel will be contingent on the Bonds being issued. See **MISCELLANEOUS, Underwriting** for a description of the Underwriter's discount. The City will deposit the net proceeds of the Series 2022A Bonds (principal amount less Underwriter's discount, debt service reserve deposit, Insurance Policy premium and certain issuance costs) into a special fund held by the Trustee and designated "2022A Fire Construction Fund" (the "2022A Construction Fund"). Moneys contained in the 2022A Construction Fund will be disbursed solely in payment of costs of the 2022A Improvements, paying necessary expenses incidental thereto and paying expenses of issuing the Series 2022A Bonds. The City will deposit the net proceeds of the Series 2022B Bonds (principal amount plus any original issue premium less Underwriter's discount, any original issue discount, Refunding deposit, debt service reserve deposit, Insurance Policy premium and certain issuance costs) into two construction funds established with the Trustee (each, a "2022B Construction Fund" and collectively, the "2022B Construction Fund"). Each 2022B Construction Fund will be designated to reflect the purpose, e.g., 2022B Water Construction Fund, and will have deposited therein a pro rata portion of the Series 2022B Bond proceeds based upon principal amount. Moneys in each 2022B Construction Fund shall be used only for the specific 2022B Improvements related thereto. Moneys contained in the 2022B Construction Fund will be disbursed solely in payment of costs of the 2022B Improvements, paying necessary expenses incidental thereto and paying expenses of issuing the Series 2022B Bonds.

Disbursements shall be on the basis of requisitions which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. For a description of how the Bond proceeds are to be invested pending use and the provisions governing those investments, see **THE AUTHORIZING ORDINANCE, Investments**.

Security. The Bonds are not general obligations of the City but are special obligations, secured by a first and prior pledge of net collections of the Tax ("Tax receipts"). Tax receipts will be used to pay the principal of and interest on the Bonds and Additional Parity Bonds, Trustee's and administrative fees and expenses, any amounts due with respect to the Insurance Policy (or any other insurance policy in connection with Additional Parity Bonds) and any arbitrage rebate due under Section 148(f) of the Code. Tax receipts not needed for such purposes

shall be released from the pledge in favor of the Bonds and Additional Parity Bonds and may be used by the City for any lawful purpose for which Tax receipts may be used.

The Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see **THE AUTHORIZING ORDINANCE**. The City may issue Additional Parity Bonds. See **THE AUTHORIZING ORDINANCE**, Additional Bonds.

A debt service reserve will be maintained in the Bond Fund in an amount equal to one-half of the maximum annual debt service requirement on the Bonds and any Additional Parity Bonds (based on a year ending February 1). See **THE AUTHORIZING ORDINANCE**, The Bond Fund. The debt service reserve will initially be funded with Bond proceeds.

COVID-19 Disclosure. The World Health Organization has declared a pandemic following the global outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus.

To date, the COVID-19 pandemic has not negatively impacted the operational and financial status of the City. The City expects that its available funds will be sufficient to fund its essential services and make all debt service payments. The City is not aware of any major businesses in the City that have closed due to COVID-19 that would have a materially adverse effect on sales and use tax collections or other revenues within the City.

Any downward revision or withdrawal of any of the above ratings, the assignment of a negative outlook to such ratings or the placement of such ratings on a negative watch list may have an adverse effect on the market price of any security guaranteed by AGM. AGM only guarantees scheduled principal and scheduled interest payments payable by the issuer of bonds insured by AGM on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the relevant insurance policy), and does not guarantee the market price or liquidity of the securities it insures, nor does it guarantee that the ratings on such securities will not be revised or withdrawn.

THE TAX

Generally. Pursuant to the Tax Ordinance and Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated, the City has levied the Tax which is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Tax Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the Authorizing Ordinance, the City has pledged the Tax receipts to the payment of the Bonds. The Tax went into effect on January 1, 2000.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by the State and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within one year from the date of purchase or one year from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax.

Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than \$100 per item), electronic devices, clothing accessories or equipment (which are less than \$50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday.

Set forth in Exhibit A attached hereto is a summary of certain state sales and use tax provisions. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. The Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Revenue Fund. See **THE AUTHORIZING ORDINANCE**, The Revenue Fund.

TAXES ARE COLLECTED IN ONE MONTH AND RECEIVED BY THE LEVYING ENTITY TWO MONTHS LATER (For example, collections shown in June in the chart above are taxes paid in the City in April).

Collections of the Tax for the twelve-month periods ended November 30 have been as follows for the years indicated (taxes are collected in one month and received by the levying entity two months later):

<u>Period</u>	<u>Tax Collections</u>

December 1, 2020 - November 30, 2021	1,580,327.61

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the City, which activity is generally dependent upon economic conditions within the City and surrounding trade area. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the Tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The City has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the City cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the Bonds.

The United States Supreme Court held in *S. Dakota v. Wayfair, Inc.*, No. 17-494, 2018 WL 3058015 (U.S. June 21, 2018) that in certain circumstances retailers can be required to collect sales tax even in states where they have no physical presence. The Arkansas General Assembly passed Act 822 of 2019, which was signed by the Governor of the State on April 9, 2019, that requires out-of-state sellers without a physical presence in the State to collect and remit sales and use taxes to the State on annual sales of more than \$100,000 from products and services delivered into the State. Alternatively, such sellers would be required to collect and remit sales and use taxes to the State if sales of products and services for delivery in the State consist of 200 or more transactions. These thresholds are identical to those imposed by the United States Supreme Court in *S. Dakota v. Wayfair, Inc.*

THE AUTHORIZING ORDINANCE

Set forth below is a summary of certain portions of the Authorizing Ordinance. This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. Moneys in the Bond Account shall, within five (5) days of receipt, be transferred to the following accounts each month, in the following order of priority:

(5) any remaining amounts shall be used to cover any deficiency in the monthly transfers required by (1) through (4) above for any previous month or deposited into the Surplus Revenues Account.

The deposits made into the Debt Service Account in the Bond Fund shall be reduced in order to take into account as a credit (1) interest earnings on moneys in the Debt Service Account, (2) transfers from the Debt Service Reserve Account and (3) funds held in connection with the Bonds Refunded.

Moneys in the Surplus Revenues Account in the Revenue Fund shall be paid to the City and used for any lawful purpose for which Tax collections may be used. Such payments shall be made to the City within five (5) days after moneys are deposited into the Surplus Revenues Account.

The Bond Fund. There is created by the Authorizing Ordinance a special fund of the City in the Trustee which is designated "Sales and Use Tax Bond Fund" (the "Bond Fund") for the purpose of providing funds for the payment of principal of and interest on the Bonds as they become due at maturity or at redemption prior to maturity, the Trustee's fees and expenses and other administrative charges, any amounts due with respect to the Insurance Policy or Parity Bond Policy and any arbitrage rebate. There shall be established in the Bond Fund the following accounts into which moneys from the Revenue Fund shall be deposited monthly: Debt Service Account and Expense Account. Moneys in the following Bond Fund accounts shall be used on each interest payment date in the following order of priority as and when necessary:

(1) to pay the Trustee's fees and expenses and other administrative charges then due and any amounts due with respect to the Insurance Policy or Parity Bond Policy - Expense Account; and

(2) to pay the interest on the Bonds then due - Debt Service Account; and

(3) to pay the principal of the Bonds then due at maturity or upon mandatory sinking fund redemption- Debt Service Account.

In addition, moneys in the Expense Account in the Bond Fund shall be used to pay any arbitrage rebate due under Section 148(f) of the Code.

There shall also be established in the Bond Fund a Debt Service Reserve Account which shall be maintained in an amount equal to one-half of the maximum annual debt service requirement on the Bonds (based on a year ending February 1) (the "required level"). Moneys in the Debt Service Reserve Account shall be used to make the payments described in clauses (2) and (3) above if moneys in the Debt Service Account in the Bond Fund are not otherwise sufficient for that purpose. Moneys in the Debt Service Reserve Account over and above the required level shall be immediately transferred from the Debt Service Reserve Account into the Debt Service Account in the Bond Fund.

When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of the Bonds then outstanding, (2) interest on the Bonds until the next interest payment date, (3) the Trustee's fees and expenses and other administrative charges, (4) any amounts due with respect to the Insurance Policy or Parity Bond Policy and (5) any arbitrage rebate due under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Pledged Revenues remaining in the Bond Fund after the principal

(b) Moneys held for the credit of the Debt Service Reserve Account shall be invested and reinvested at the direction of the City, and in the Trustee's discretion in the absence of any direct instruction from the City, in Permitted Investments, which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than seven (7) years after the date of investment or the final maturity date of the outstanding Bonds, whichever is earlier.

(c) Moneys held for the credit of the Revenue Fund and the Bond Fund (other than the Debt Service Reserve Account) shall be invested and reinvested at the direction of the City, and in the Trustee's discretion in the absence of any direct instruction from the City, in Permitted Investments, which shall mature, or which shall be subject to redemption by the holder thereof at the option of the holder, not later than the date or dates on which the money shall be required for the payment of the principal of and interest on the Bonds when due.

(d) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to said fund.

(e) "Permitted Investments" are defined as (i) direct or fully guaranteed obligations of the United States of America ("Government Securities"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, including the Trustee, which are insured by the Federal Deposit Insurance Corporation ("FDIC") or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public funds or (iv) money market funds invested exclusively in Government Securities and the obligations described in (ii) above.

Certain Covenants. The City covenants that:

(a) it will not take, suffer or permit any action which may cause the interest payable on any Bonds issued as tax-exempt bonds ("Tax-Exempt Bonds") to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Tax-Exempt Bonds or Tax receipts directly or indirectly in such manner as to cause the Tax-Exempt Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the 2022B Improvements or the proceeds of the Tax-Exempt Bonds in such manner as to cause the Bonds to be private activity bonds within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of the Tax, as therein specified and covenanted, the segregating of the Tax receipts and the applying of the Tax receipts as provided in the Authorizing Ordinance.

(d) It will make any arbitrage rebate payment due the United States Treasury under Section 148(f) of the Code from moneys in the Bond Fund.

Defaults and Remedies. (a) Subject to the provisions of subparagraph (g) below, if there be any default in the payment of the principal of and interest on the Bonds, or if the City defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of (1) the Insurer or (2) with the consent of the Insurer, the owners of not less than 10% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the City and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless (1) such owner or the Trustee shall have given written notice of such default to the Insurer and (2) such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 10% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

(c) All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

(d) No remedy conferred upon or reserved to the Trustee, to the Insurer or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee, the Insurer or any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee, to the Insurer and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) With the prior written consent of the Insurer, the Trustee may, and with the prior written consent of the Insurer and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

(g) Notwithstanding anything set forth above, the Insurer shall be deemed to be the sole holder of the Bonds insured by it for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the owners of the Bonds are entitled to take pursuant to the Authorizing Ordinance.

Defeasance. The Bonds shall be deemed paid when there has been deposited with the Trustee in the Bond Fund an amount sufficient to pay the principal or redemption price of and interest on the Bonds to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee (1) cash fully insured by the FDIC and/or fully collateralized with direct obligations of the United States of America ("Defeasance Securities") sufficient to make such payment and/or (2) Defeasance Securities (provided that such deposit will not affect the tax exempt status of the interest on any of the Tax-Exempt Bonds or cause any of the Tax-Exempt Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code), maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payments, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Defeasance Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses, if there are no amounts due with respect to the Insurance Policy or Parity Bond Policy and if any arbitrage rebate due the United States Treasury under Section 148(f) of the Code has been paid or provided for to the satisfaction of the Trustee, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled and (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds, to be paid over or delivered to or at the direction of the City.

Additional Bonds. The City covenants that it will not issue any bonds, or incur any obligation, secured by a lien on or pledge of the Tax receipts, except as hereinafter provided. The City may issue Additional Parity Bonds so long as the City has received collections of the Tax for a twelve-month period that ends not less than 30 and not more than 90 days prior to the date that the Additional Parity Bonds are authorized by the City Council to be issued, in an amount equal to or in excess of 125% of the maximum annual debt service requirement for the Bonds, any outstanding Additional Parity Bonds and the Additional Parity Bonds proposed to be issued.

The City may issue bonds or incur obligations secured by a lien on and pledge of Tax receipts subordinate to the lien and pledge in favor of the Bonds.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the Insurer or by the owners of not less than 10% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the City, the Insurer and the owners of the Bonds. The Insurer, the majority in principal amount of the owners of the outstanding Bonds or the City, so long as it is not in default under the Authorizing Ordinance, in each case with the consent of the Insurer, may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee, either by resignation or by removal, the City shall forthwith designate a new Trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the City and the Insurer, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the City and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The Trustee, with the consent of the Insurer, may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding (i) that the Trustee determines is not to the material prejudice of the owners of the Bonds or (ii) in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto. The owners of not less than 75% in aggregate principal amount of the

Bonds then outstanding and the Insurer shall have the right, from time to time, to consent to and approve the adoption by the City of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of Tax receipts superior to the pledge created by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance. Neither the consent of the Insurer nor the consent of the owners of Bonds outstanding is necessary for the consent by the Trustee of any supplemental ordinance in connection with the issuance of Additional Parity Bonds.

CONTINUING DISCLOSURE AGREEMENT

Past Compliance. In the past five years, the City has been a party to two continuing disclosure agreements in connection with the Bonds Refunded and with the City's Sales and Use Tax Bonds, Series 2017 (the "2017 Bonds"). The City has been obligated to file certain information with the Municipal Securities Rulemaking Board (the "MSRB") on its Electronic Municipal Market Access system ("EMMA") within the time periods set forth in the agreements. The City has reviewed its past compliance with such agreements. While the City has not made a determination as to materiality, the following constitutes a non-exhaustive summary of the City's review of compliance with continuing disclosure obligations over the past five years.

In connection with the Bonds Refunded, the City is required to file the audited financial statements of the City on EMMA within 180 days after the end of the City's fiscal year (December 31). If the audited financial statements are not available at the time the annual report for that year is due, unaudited financial statements must be filed and the audited financial statements must be filed within 10 business days of becoming available. During the past five years, the City has not filed any unaudited financial statements as required. The financial statements of the City for the fiscal year ended December 31, 2017 were filed 21 days late and one page was uploaded to EMMA in an incomplete format. The financial statements of the City for the fiscal years ended December 31, 2018, 2019, and 2020 were filed 99 days late, 32 days late and 32 days late, respectively (the financial statements of the City for the year ended December 31, 2019 were included in the financial statements of the City for the year ended December 31, 2020). The financial statements of the City for the fiscal year ended December 31, 2016 were timely filed on EMMA. The annual financial statements, currently conducted by Legislative Joint Auditing Committee, Division of Legislative Audit of the State of Arkansas, were not prepared in accordance with generally accepted accounting principles in the United States of America, as required.

The continuing disclosure agreement for the 2017 Bonds requires the City to file the financial statements of the City on EMMA within 180 days after the end of the City's fiscal year; provided, however, that if such financial statements are not available by that date, the City is required to make such filing within 30 days after the financial statements have been received by the City. The financial statements of the City for the fiscal year ended December 31, 2016 were not required to be filed, and the financial statements of the City for the fiscal years ended December 31, 2017, 2019 and 2020 have all been timely filed (the financial statements of the City for the fiscal year ended December 31, 2019 were included in the financial statements of the City for the fiscal year ended December 31, 2020). The financial statements of the City for the fiscal year ended December 31, 2018 were filed 39 days late.

The continuing disclosure agreement for the Bonds Refunded requires the City to disclose certain statistical information related to the City in annual reports that are filed with the MSRB. The annual reports for the fiscal years ended December 31, 2016, 2017, 2019 and 2020 were timely filed and contained all of the required statistical information. The annual report for the fiscal year ended December 31, 2018 was not filed on EMMA.

The continuing disclosure agreement for the 2017 Bonds also requires the City to disclose certain statistical information related to the City in annual reports that are filed with the MSRB. The annual report for the fiscal year ended December 31, 2016 was not required to be filed. The annual reports for the fiscal years ended December 31, 2017, 2018, 2019 and 2020 were timely filed and contained all of the required statistical information.

Notices concerning some of the City's failure to comply with its continuing disclosure obligations as summarized above with respect to the Bonds Refunded were filed on EMMA. Notices concerning the City's failure to comply with its continuing disclosure obligations as summarized above with respect to the 2017 Bonds were not filed on EMMA.

The continuing disclosure agreements also obligated the City to file a notice of the occurrence of any event listed in Securities and Exchange Commission, Rule 15c2-12(b)(5). Included in the list of events are bond calls. During the past five years, one notice (for a bond call on February 1, 2020) concerning mandatory redemption of bonds from surplus sales and use tax collections was not filed.

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the City and the Dissemination Agent may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the City shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

DEBT SERVICE COVERAGE

Set forth below is debt service coverage information for the Bonds. In arriving at the estimate of annual Tax receipts for this calculation, the City examined the collections of the Tax for the twelve-month period ended November 30, 2021.

Actual Tax receipts collected by the City will depend upon, among other things, the level of retail activity within the City, the economic health of the City and surrounding trade area, possible future actions by the people of the State or General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate and there can be no assurance that actual Tax receipts will equal the estimate shown below. See **THE TAX, Future Tax Receipts**.

Based upon the pledge of 100% of estimated Tax receipts, debt service coverage is as follows:

Estimated Tax Receipts Available for Debt Service (A)	\$1,580,328
Maximum Annual Debt Service (B) ⁽¹⁾	833,048
Debt Service Coverage (A/B)	1.90X

⁽¹⁾Using a year ending February 1.

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Bonds, or questioning or affecting the legality of the Tax or Bonds or the proceedings and authority under which the Bonds are to be issued, or questioning the right of the City to adopt the Authorizing Ordinance or to issue the Bonds or the levy and pledge of the Tax by the City.

Legal Opinions. Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel.

TAX MATTERS

State Taxation. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law the interest on the Bonds is exempt from all Arkansas state, county and municipal taxes.

Series 2022A Bonds. In the opinion of Bond Counsel, interest on the Series 2022A Bonds under existing law is not excludable from gross income for federal income tax purposes. Bond Counsel expresses no opinion regarding other federal tax consequences arising with respect to the Series 2022A Bonds. Prospective purchasers should consult their own tax advisor in determining the federal tax consequences to them of the purchase, holding and disposition of the Series 2022A Bonds.

The following is a summary of certain anticipated federal income tax consequences of the purchase, ownership and disposition of the Series 2022A Bonds under the Code, regulations and the judicial and administrative rulings and court decisions now in effect, all of which are subject to change or possible differing interpretations. This summary does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances, nor certain types of investors subject to special treatment under the federal income tax laws. This summary does not address owners that may be subject to special tax rules, such as banks, insurance companies, dealers in securities or currencies, purchasers that hold the Series 2022A Bonds (or foreign currency) as a hedge against currency risks or as part of a straddle with other investments or as part of a "synthetic security" or other integrated investment (including a "conversion transaction") comprised of a Series 2022A Bond and one or more other investments, or purchasers that have a "functional currency" other than the U.S. dollar. Except to the extent discussed below under "Foreign Investors," this summary is not applicable to non-United States persons not subject to federal income tax on their worldwide income. This summary does not discuss the tax laws of any state other than Arkansas or any local or foreign governments. Potential purchasers of the Series 2022A Bonds should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series 2022A Bonds.

General. Although there are not any regulations, published rulings, or judicial decisions involving the characterization for federal income tax purposes of securities with terms substantially the same as the Series 2022A Bonds, Bond Counsel has advised that the Series 2022A Bonds will be treated for federal income tax purposes as evidences of indebtedness of the City and not as an ownership interest in the trust estate securing the Series 2022A Bonds or as an equity interest in the City or any other party, or in a separate association taxable as a corporation. Although the Series 2022A Bonds are issued by the City, interest on the Series 2022A Bonds (including original issue discount and market discount, if any) is not excludable from gross income for federal income tax purposes under Code Section 103. Interest on the Series 2022A Bonds will be fully subject to federal income taxation. Thus, owners of the Series 2022A Bonds generally must include interest (including original issue discount and market discount) on the Series 2022A Bonds in gross income for federal income tax purposes.

In general, interest paid on the Series 2022A Bonds, original issue discount and market discount, if any, will be treated as ordinary income to the owners of the Series 2022A Bonds, and principal payments (excluding the portion of such payments, if any, characterized as original issue discount and market discount) will be treated as a return of capital.

Sales or Other Dispositions. If a Series 2022A Bond is sold, redeemed prior to maturity or otherwise disposed of in a taxable transaction, gain or loss will be recognized in an amount equal to the difference between the amount realized on the sale or other disposition, and the adjusted basis of the transferor in the Series 2022A Bond. The adjusted basis of a Series 2022A Bond generally will be equal to its costs, increased by any original issue discount or market discount included in the gross income of the transferor with respect to the Series 2022A Bond and reduced by any amortized bond premium under Section 171 of the Code and by the payments on the Series 2022A Bond (other than payments of qualified stated interest), if any, that have previously been received by the transferor. Except as provided in Section 582(c) of the Code, relating to certain financial institutions, or as discussed in the following paragraph, any such gain or loss will be a capital gain or loss taxable at the applicable rate determined by the Code if the Series 2022A Bond to which it is attributable is held as a "capital asset."

Gain on the sale or other disposition of a Series 2022A Bond that was acquired at a market discount will be taxable as ordinary income in an amount not exceeding the portion of such discount that accrued during the period that the Series 2022A Bond was held by the transferor (after reduction by any market discount includable in income by such transferor in accordance with the rules described above under "Market Discount"). In addition, if the City is determined (pursuant to regulations that have yet to be promulgated under Code Section 1271(g)(2)(A)) to have had an intention on the date of original issuance of the Series 2022A Bonds to call all or a portion of the Series 2022A Bonds prior to maturity, then gain on the sale or other disposition of a Series 2022A Bond in an amount equal to the original issue discount or market discount not previously includable in gross income would be required to be treated as ordinary income taxable at the applicable rate determined by the Code.

Backup Withholding. Payments of principal and interest (including original issue discount and market discount) on the Series 2022A Bonds, as well as payments of proceeds from the sale of the Series 2022A Bonds may be subject to the "backup withholding tax" under Section 3406 of the Code with respect to interest or original issue discount and market discount on the Series 2022A Bonds if recipients of such payments (other than foreign investors who have properly provided certifications described below) fail to furnish to the payor certain information, including their taxpayer identification numbers, or otherwise fail to establish an exemption from such tax. Any amounts deducted and withheld from a payment to a recipient would be allowed as a credit against the federal income tax of such recipient.

Foreign Investors. An owner of a Series 2022A Bond that is not a "United States person" (as defined below) and is not subject to federal income tax as a result of any direct or indirect connection to the United States of America in addition to its ownership of a Series 2022A Bond will generally not be subject to United States income or withholding tax in respect of a payment on a Series 2022A Bond, provided that the owner complies to the extent necessary with certain identification requirements (including delivery of a statement, signed by the owner under penalties of perjury, certifying that such owner is not a United States person and providing the name and address of such owner). For this purpose the term "United States person" means a citizen or resident of the United States, a corporation, partnership or other entity created or organized in or under the laws of the United States of America or any political subdivision thereof, or an estate or trust whose income from sources within the United States is includable in gross income for United States of America income tax purposes regardless of its connection with the conduct of a trade or business within the United States of America.

Except as explained in the preceding paragraph and subject to the provisions of any applicable tax treaty, a United States withholding tax will apply to interest paid and original issue discount and market discount on the Series 2022A Bonds owned by foreign investors. In those instances in which payments of interest on the Series 2022A Bonds continue to be subject to withholding, special rules apply with respect to the withholding of tax on payments of interest on, or the sale or exchange of the Series 2022A Bonds having original issue discount or market discount and held by foreign investors. Potential investors that are foreign persons should consult their own tax advisors regarding the specific tax consequences to them of owning a Series 2022A Bond.

ERISA Considerations. The Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Code generally prohibit certain transactions between a qualified employee benefit plan under ERISA (an "ERISA Plan") and persons who, with respect to that plan, are fiduciaries or other "parties in interest" within the meaning of ERISA or "disqualified persons" within the meaning of the Code. In the absence of an applicable statutory, class or administrative exemption, transactions between an ERISA Plan and a party in interest with respect to an ERISA Plan, including the acquisition by one from the other of a Series 2022A Bond, could be viewed as violating those prohibitions. In addition, Code Section 4975 prohibits transactions between certain tax-favored vehicles such as Individual Retirement Accounts and disqualified persons and Code Section 503 includes similar restrictions with respect to governmental and church plans. In this regard, the City or any underwriter of the Series 2022A Bonds, might be considered or might become a "party in interest" within the meaning of ERISA or a "disqualified person" within the meaning of the Code, with respect to an ERISA Plan or a plan or arrangement subject to Code Sections 4975 or 503. Prohibited transactions within the meaning of ERISA and the Code may arise if the Series 2022A Bonds are acquired by such plans or arrangements with respect to which the City or any underwriter is a party in interest or disqualified person. In all events, fiduciaries of ERISA Plans and plans or arrangements subject to the above Code Sections, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in the Series 2022A Bonds.

Series 2022B Bonds. In the opinion of Bond Counsel, interest on the Series 2022B Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2022B Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the Series 2022B Bonds and the Improvements. Failure to comply with certain of such requirements could cause the interest on the Series 2022B Bonds to be so included in gross income retroactive to the date of issuance of the Series 2022B Bonds. The City has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the Series 2022B Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Series 2022B Bonds, (ii) interest on the Series 2022B Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Series 2022B Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Series 2022B Bonds.

Prospective purchasers of the Series 2022B Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2022B Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series 2022B Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

As shown on the inside front cover of this Official Statement, certain of the Series 2022B Bonds are being sold at an Original Issue Discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth on the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

As shown on the inside front cover of this Official Statement, certain of the Series 2022B Bonds are being sold at a premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium

Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2022B Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or otherwise prevent holders of the Series 2022B Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any other legislative proposals or clarification of the Code or court decisions may affect, perhaps significantly, the market price for, or marketability of, the Series 2022B Bonds. Prospective purchasers of the Series 2022B Bonds should consult their own tax advisors regarding any proposed or enacted federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2022B Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the City, as issuer, and Stephens Inc., as underwriter (the "Underwriter"), the Series 2022A Bonds are being purchased at a price of \$5,207,250 (principal amount less Underwriter's discount of \$92,750), and the Series 2022B Bonds are being purchased at a price of \$11,484,291.60 (principal amount plus net original issue premium of \$215,016.60 less Underwriter's discount of \$200,725). The Agreement provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the City.

The Underwriter intends to offer the Bonds to the public initially at the offering prices set forth on the inside front cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price.

The City has agreed to indemnify the Underwriter against certain civil liabilities in connection with the offering and sale of the Bonds, including certain liabilities under federal securities laws.

Enforceability of Remedies. Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Authorizing Ordinance may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Authorizing Ordinance resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

Rating. S&P has assigned its municipal bond rating of "AA" (stable outlook) to the Bonds with the understanding that upon delivery of the Bonds, the Insurance Policy insuring the payment when due of the principal of and interest on the Bonds will be issued by the Insurer. Any explanation of such rating may only be obtained from S&P. Generally, rating agencies base their rating upon information and materials supplied to them and on their own investigations, studies and assumptions. There is no assurance that such rating, once assigned, will remain for any given period of time or that it will not be lowered or withdrawn entirely by the rating agency if in its judgment circumstances so warrant. Any such downward change or withdrawal of the rating assigned to the Bonds by S&P may have an adverse effect on the market price of the Bonds. The

Underwriter and the City have undertaken no responsibility after issuance of the Bonds to assure the maintenance of the rating or to oppose any such revision or withdrawal.

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.
